EXERCISE BRAVO

Antiterrorism/Force Protection

Immediate Actions to be taken during FPCON BRAVO:

1. Were FPCON "BRAVO" signs posted appropriately on all entry/exit doors?
2. At regular intervals, brief personnel on the updated threat and inform/remind personnel of the effect of FPCON "BRAVO" and the measures to be taken. Ensure personnel arriving for duty are briefed on the threat. Also, remind them to be alert for and to report suspicious activities, such as the presence of unfamiliar personnel and vehicles, suspicious parcels, and possible surveillance attempts.
3. Place personnel required for implementing AT plans on call; commanders should exercise discretion in approving absences.
4. Have you reviewed all plans for implementation of next FPCON?
5. Were all squadron vehicles (government and civilian) and trash containers moved 25m/82ft from your facility?
6. Were all buildings, rooms, storage areas and offices secured and regularly inspected when not in use?
7. Did you inspect the interior and exterior of buildings in regular use at the beginning and end of each workday, as well as frequent intervals in-between for suspicious packages?
8. Was the mail examined (above the regular examination process) for explosives or biological agents?
9. Were all deliveries checked, as well as reminding family members to check home deliveries?
10. Were all entrances locked and was the use of randomly posting an entry controller at the main entrance of identified critical facilities used?

All FPCON Measures can be found in Tab _____ of the Emergency Response Notebook
