*Every person has a need to be
HEARD, UNDERSTOOD and TAKEN SERIOUSLY.*

What we do: The Equal Opportunity office provides a wing level resource designed to assist you with concerns related to unlawful discrimination and sexual harassment.

Know the law: It is unlawful and against Air Force policy to discriminate against military or civilian members based on **RACE, COLOR, NATIONAL ORIGIN, RELIGION,** or **SEX** unless otherwise authorized by law or regulation.

*(Additional protected categories for civilians include **AGE** and **DISABILITY**)*

How we can help: The Equal Opportunity Office provides support through Alternate Dispute Resolution (Mediation), Unit Climate Assessments, conflict resolution, complaint clarification and human relations training and education.

As a family of professionals, it is our hope and desire to resolve conflicts and complaints at the lowest possible level.
