The Inspector General Complaints Program is prescribed in AFI 90-301, *Inspector General Complaints*. Air Force military and civilian **members have a duty to promptly report fraud, waste, abuse (FWA), or gross mismanagement; a violation of law, policy, procedures, or regulations; an injustice; abuse of authority, inappropriate conduct, or misconduct (as defined by AFI 90-301); and a deficiency or like condition, to an appropriate supervisor or commander, to an IG or other appropriate inspector, or through an established grievance channel. You have a right to file an IG complaint at any level, but experience has shown that many complaints can be resolved through the chain of command. For this reason, although not required to, you are encouraged to discuss your concerns with your chain of supervision and/or your commander before coming to the IG.**
