THE INSPECTOR GENERAL (IG) COMPLAINT PROGRAM

The Air Force has a good complaint program. You can get help quickly and fairly by submitting a complaint or expressing a concern at any level in the IG system and not worry about retribution or intimidation. The IG Complaint Program is described in AFI 90-301, *The Inspector General Complaint Program*. You can go to an IG at any level, but experience has shown that complaints are best resolved by commanders and supervisors. For this reason, although not required, you're encouraged to discuss your problem or concern with your immediate supervisor or commander before coming to the IG.
