

COMMANDER'S SAFETY MESSAGE

TEAM, MISSION, PEOPLE

- ✓ **PROTECT OUR PEOPLE AND ASSETS** – Maintain your focus on safety
 - Use our Core Values as a guide and take responsibility
 - Be a strong Wingman to your leaders, subordinates, and peers
- ✓ **LEAD YOUR TEAMS AND MANAGE RISK SMARTLY**
 - Make risk decisions appropriate for your level of responsibility
 - When in doubt, raise the issue through your chain of command
 - Use all available resources to eliminate or mitigate risk

OUR SAFETY FOCUS AREAS

- ✓ **COMMANDER** – Lead and follow ferociously! (Mission First, Safety Always)
 - Eliminate unsafe actions and environments from your operations
 - Integrate RM as a common framework for decision making
 - Promote, develop, and recognize good judgment at all levels
- ✓ **SUPERVISOR** – The direct link between the Commander and personnel
 - Keep your Commander informed on all operational and personal risks
 - Enforce the standards and adherence to T.O.s and training
 - Reinforce the culture of personal safety and risk management
- ✓ **INDIVIDUAL** – Set the example! Success depends on your judgment and actions
 - Know, understand, and comply with safety standards
 - Analyze every task, on or off-duty, using RM principles
 - Identify/report hazards that place yourself and/or your unit members at risk

514 AMW Safety 754-3484 (Flight / Ground / Weapons)

MICHAEL J. UNDERKOFILER, Colonel, USAFR
Commander, 514th Air Mobility Wing
