- You can get help quickly and fairly under the Air Force IG Complaint Program and you can make your complaint at any level in the IG system without fear of reprisal.
- The Inspector General Complaint Program is described in AFI 90-301. This publication tells you how to file a complaint and to whom. You may go to any IG at any level, but experience has shown that supervisors, first sergeants, and commanders can best resolve complaints. For this reason, you are encouraged to discuss your problem with them before seeing the IG.
- Some matters are not covered under the IG Program. Initial interview will determine IG applicability.
- The 944th Fighter Wing Inspector General's Office is the focal point to respond to complaints that cannot be resolved at unit level. Any military or civilian has the right to file a complaint. To file a complaint contact the Inspector General's Office in Bldg 988, Rm 113, Ext 6-6682.
