This supplement implements and extends the guidance of AFI32-7062, *Air Force Comprehensive Planning*. This supplement describes AFGSC's procedures for use in conjunction with the basic AFI. This publication is intended to support AFI32-7062 and specifies additional responsibilities and requirements for the General Plan, Five-Year Plan and Facility Utilization Study. This instruction applies to HQ AFGSC, its Numbered Air Forces (NAF) and their assigned wings. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using AF Form 847, *Recommendation for Change of Publication*; route AF Forms 847s from the field through the appropriate functional's chain of command. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with Air Force Manual (AFMAN) 33-363, *Management of Records*, and disposed of in accordance with Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS) located at <https://www.my.af.mil/gcss-af61a/afirms/afirms/>. The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.

1.3.5.1. (Added) Additional MAJCOM Responsibilities:

1.3.5.1.1 (Added) Coordinate on the 65 percent submittal (or equivalent) of the installation *General Plan* (GP).

1.3.6.1. (Added) Additional Installation Commander Responsibilities:

1.3.6.1.1. (Added) Ensure all development actions are in accordance with the installation GP.

1.3.6.1.2. (Added) Revalidate the GP annually as an action of the installation facilities board.

1.3.6.1.3. (Added) Ensure the host wing's future land use and transportation planning, site planning, and mapping for geographically separated units takes into account future needs and requirements.

1.3.6.1.4. (Added) Ensure installation base layout map, and related spatial information is updated annually. Forward an electronic copy of the base layout map annually to HQ AFGSC/A7P Not Later Than (NLT) 1 Dec.

1.3.6.1.5. (Added) Ensure the *Composite Constraints and Opportunities* and *Land Use and Transportation Component Plans* as defined in Attachment 4 are developed and maintained.

1.3.6.1.6. (Added) Develop and maintain the wing *Five-Year Plan*. Forward a copy of the approved plan annually to HQ AFGSC/A7P NLT 1 Dec.

(Added) Facilities Excellence Program and Standards Handbook

3.3. (Added) Facility Siting Approval Guidelines.

3.3.1. (Added) Facility siting requests require approval by the Installation Commander and installation facilities board.

3.3.2. (Added) Facility sitings should be limited to proposed facilities or additions to existing facilities programmed for construction within the next 6 years. Site approval expires 6 years after the date of approval if no construction has occurred. An exception may be made when site location is critical and must be reserved for a particular type of facility or when a sizable area is required for the facility.

3.3.3. (Added) Facility sitings that require HQ AFGSC/A7P coordination:

3.3.3.1. (Added) Any project requiring a waiver of airfield or airspace criteria, quantity distance criteria or other special waiver or permit action.

3.3.3.2. (Added) Any project sited in a flood plain or wetland.

3.3.3.3. (Added) Any project requiring an environmental impact statement.

3.3.3.4. (Added) Any project proposed for siting on or near an Installation Restoration Program site where no practicable alternative exists.

3.3.3.5. (Added) Any project requiring acquisition of real estate.
