Section AH (Added-AFMC)—AFMC Voluntary Protection Program (VPP) Coin

103. (Added-AFMC) Purpose. This event-driven award of VPP coins is intended to recognize those personnel who have "taken action" to enhance the safety and well-being of their fellow workers, their organization, and the Air Force, either on- or off-duty. This award is intended to highlight an individual's uncommon efforts to promote safety compliance and prevent mishaps.

104. (Added-AFMC) Eligibility. Centers, Headquarters, Wings, and below.

105. (Added-AFMC) Selection Criteria. Provide evidence of an exemplary VPP program magnifying results-driven accomplishments. Commanders or equivalents can present the coin at a formal ceremony if warranted but informal settings are also perfectly acceptable. The intent is to highlight, in a group setting, the "above and beyond" actions the member has taken that enhances safety through the identification and elimination of hazards, engineering a solution to a previously unmitigated hazard, developing a novel educational approach to mishap reduction efforts, or even the enforcement of standards in a tough situation. Examples of coin recipients may include the following:

105.1. (Added-AFMC) Personnel that actively halted an unsafe act and stopped a highly probable serious mishap.

105.2. (Added-AFMC) Personnel that have made significant "above and beyond" contributions to the organization's mishap prevention program.

106. (Added-AFMC) Nomination Procedures. The HQ AFMC VPP award coins will be distributed to VPP coordinators, along with union representatives, based on the population of the base and the scope of mission at their installations. VPP coin presentation will be at the discretion of the installation commander while supplies last. Coins will be tracked and a list of recipients and short rationale for receiving the coin will be forwarded to HQ AFMC/SEG NLT 1 Oct each fiscal year.
