

# HQ Air Force Reserve Command Complaints Resolution and Fraud, Waste, and Abuse Programs

1. The primary charge of the Inspector General (IG) is to sustain a credible Air Force IG system by ensuring the existence of responsive complaint investigations, and Fraud, Waste, and Abuse (FWA) programs characterized by objectivity, integrity, and impartiality.

2. The Inspector General Complaints Resolution program is described in AFI 90-301 and outlines how to submit a complaint. Individuals may go to the Inspector General at any level, but experience has shown that complaints can often be resolved by commanders and supervisors. For this reason, although not required, individuals are encouraged to discuss concerns with their chain of command.
