2.1.1. Overview:

2.1.1.1. See **Table 1.1**, **Table 2.1**, **Table 2.2**, and **Table 2.3**, to determine which commander submits reports and who receives them.

2.1.1.2. Report the type of casualty as either:

2.1.1.2.1. Hostile.

2.1.1.2.2. Non-Hostile.

2.1.1.2.3. Pending.

2.1.1.3. Report the status of the casualty as:

2.1.2. The CAR:

2.1.2.1. Immediately telephones AFPC/DPWCS at DSN 665-3505 or 1-800-433-0048 (CONUS bases only) upon learning of a casualty and continues to provide casualty data updates until information is confirmed and a casualty report is submitted through DCIPS.

2.4.1. Immediately report information by telephone (DSN 665-3505 or 1-800-433-0048) to AFPC/DPWCS and submit an initial report by DCIPS-CR or DCIPS-Forward as outlined in [Paragraph 2.1.4](#).

2.4.1.1. If a GSU or PERSCO Team does not have DCIPS reporting capability, report the information by telephone to the servicing FSS/MSS, who then submits the required Casualty Report using DCIPS.

2.4.2. The CAR at the member's servicing FSS/MSS submits a supplemental report completing all unknown or unconfirmed information, or items to be supplemented from the member's records within 4 hours of receiving the initial Casualty Report.

2.4.3. Personnel Support for Contingency Operations (PERSCO) Responsibilities for Reporting Not Seriously Ill/Injured (NSI) Casualties.

2.4.3.2.9.1. Enter at the end of the subject line: "Patient previously removed from NSI status" and the date removed.

2.4.3.2.10. Otherwise, reporting requirements for Medical Progress Reports on NSI will be every 30 days.

2.4.3.3.1.7. If the patient previously reported, is placed back on the NSI list.

2.4.3.3.1.8. Reporting requirements otherwise for Medical Progress Reports will be every 30 days.

2.5. Reporting Casualties on Members of Other Services (see [Table 1.1](#) , [Table 2.2](#), and [Table 2.3](#)):

2.5.1. Follow the format for Air Force Casualty Reports and report all applicable items.

2.5.2. Precede each item in the remarks by its plain text title so the member's Service, which may not follow the same procedures, can understand the data. Do not use abbreviations.

2.6. Reporting Casualties on Foreign Nationals in the United States under the Auspices of the Air Force:

2.6.1. The reporting installation includes the orders-issuing headquarters of the appropriate nation's military as an action addressee. If the foreign casualty is assigned as part of the Personnel Exchange Program, the reporting installation will include SAF/IAPA as an action addressee. SAF/IAPA will coordinate NOK notification and disposition of remains with the appropriate foreign embassy.

2.6.2. If the orders-issuing headquarters is unknown, send the report to a Military Assistance Advisory Group (MAAG) or Defense Attaché Office (DAO) in the foreign national's home country.

2.6.3. If the CAR is unaware of the orders-issuing headquarters or a MAAG or DAO in the foreign national's home country, call these offices to obtain the information:

2.6.3.1. Headquarters, United States Air Force, Foreign Liaison Division (HQ AF/CVAI), DSN 225-2251.

2.6.3.2. The Air Force Service Watch Cell, DSN 227-6103, after duty hours.

2.6.4. State in the initial Casualty Report that the orders-issuing headquarters will:

2.6.4.1. Notify the NOK.

2.6.4.2. Confirm NOK notification by message to all addressees listed on the initial Casualty Report.

2.7. Reporting Casualties on Military Aircraft or AMC Commercially Contracted Aircraft:

2.7.1. Reporting Requirements:

2.7.1.1. The Air Force requires reports on all casualties resulting from a military or CMA aircraft incident or disappearance.

2.7.1.2. The CAR/PERSCO must account for all personnel aboard the aircraft

2.7.1.3. The proper reporting method depends on the nature of the incident and the number of casualties. In all incidents, immediately contact AFPC/DPWCS by telephone (DSN 665-3505 or 1-800-433-0048), if possible, to determine which of these methods to use:

2.7.1.3.1. If the casualties are all NSI, report them immediately by telephone followed by a Hasty Casualty Report (<https://afkm.wpafb.af.mil/AirForceCasualtyInfo> for examples).

2.7.1.3.2. If there are multiple casualties, make an initial report by telephone and follow it with a Hasty Casualty Report or a standard report as AFPC/DPWCS directs.

2.7.1.3.3. If there were no reportable casualties, list the casualty status as "None" for each person onboard and submit a Hasty Casualty Report.

2.7.1.3.4. If telephone contact with AFPC/DPWCS cannot be made, the FSS/MSS commander or PERSCO team chief determines whether to use a Hasty or standard Casualty Report for initial reporting.

2.7.2. Determining onboard crew and passengers. These documents and sources can help you determine onboard personnel:

2.7.2.1. Crew: Review DD Form 175, *Military Flight Plan*. It shows the name, grade, SSN, crew position, and home installation of each crewmember.

2.7.2.2. Passengers:

2.7.2.2.1. Review available passenger manifests and other documentation from flight origination and stops en route. These contain information such as passengers' names, grades, SSNs, passport numbers, emergency addresses, and units of assignment.

2.7.2.2.2. Consult passenger service terminals, base operations, flight control centers at civilian airports, and AMC Aerial Port Operations offices for information on passengers aboard military aircraft.

2.7.2.2.3. If difficulties are encountered in obtaining the information, immediately contact AFPC/DPWCS by telephone (DSN 665-3505 or 1-800-433-0048) and they will request assistance from HQ AMC Tanker Airlift Control Center, Aerial Port Control Center (HQ AMC TACC/XOGC) (DSN 576-1755).

2.7.3. Release of Casualty Information: Crew and passenger names, and any other releasable information that would assist commanders in making casualty determinations, will be immediately released to the CAR/PERSCO. Installation commanders must be able to determine casualty status of their personnel using the information. See the local SJA if there are any questions.

2.8. Reporting Casualties on DoD and DAF Civilian Employees. (See [Table 1.1](#), note 18; [Table 2.2](#), and [Table 2.3](#)).

2.8.1. The Air Force requires reports on DoD and DAF civilian employees in certain circumstances. Refer to [Table 1.1](#) for guidance.

2.8.2. Immediately report information by telephone (DSN 665-3505 or 1-800-433-0048) to AFPC/DPWCS and submit an initial report using DCIPS-CR or DCIPS-Forward as outlined in [Paragraph 2.1.4](#).

2.8.3. Follow the format for Air Force Casualty Reports and report all applicable items available at <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>.

Section 2B—Reports on Deceased Persons**2.9. Obtaining Conclusive Evidence of Death.**

2.9.1. The installation commander or the incident manager must obtain conclusive evidence before reporting the death of an individual.

2.9.2. If more than one commander or Service is involved, they must coordinate their investigations and agree on their casualty status determinations:

2.9.2.1. Do not submit a Casualty Report until all involved commanders agree on their determinations.

2.9.2.2. If the commanders cannot reach an agreement, consult AFPC/DPWCS (DSN 665-3505) for instructions.

2.9.3. The Air Force does not require recovery of remains for conclusive evidence of death because situations will arise where remains cannot be recovered, but where the chance of survival is deemed impossible. The important factor is whether or not the commanders determine that survival is possible.

2.9.3.1. The Air Force considers the following situations to be conclusive evidence of death:

2.9.3.1.1. The commander determines death is the only plausible explanation for the member's absence.

2.9.3.1.2. Available information indicates beyond any reasonable doubt that an individual could not have survived. Such information includes:

2.9.3.1.2.1. Statements of witnesses to the incident.

2.9.3.1.2.2. Circumstances of the incident.

2.9.3.1.2.3. Search results.

2.9.3.1.2.4. Local conditions of terrain, climate, water temperature and currents, etc.

2.9.3.1.3. The total number of individual remains recovered from an aircraft or group accident equals the total number of persons known to be on board the aircraft or in the group, unless there is reasonable doubt:

2.9.3.1.3.1. As to whether the remains are from the aircraft or group in question.

2.9.3.1.3.2. Regarding the validity of the aircraft clearance and passenger manifest records.

2.10. Local Laws Governing Brain Death. The CAR must be aware of local laws governing brain death, as they differ among states and countries. Submit death reports in accordance with the local legal definition of brain death.

Section 2C—Reports on Members Declared DUSTWUN or Persons Declared Missing (Non-Hostile and Hostile)

2.11. Declaring a Member DUSTWUN.

2.11.1. DUSTWUN is a transitory casualty status applicable only to military personnel.

2.11.2. The responsible unit or TDY commander declares a member DUSTWUN when the commander:

2.11.2.1. Suspects a member's absence is involuntary and that the member may be a casualty.

2.11.2.2. Does not feel there is sufficient evidence to make a definitive determination of missing (non-hostile), recommendation of missing (hostile), or deceased. DUSTWUN allows the commander time to gather additional facts and statements from witnesses in order to make a definitive status determination (non-hostile), or recommendation of missing (hostile).

2.11.3. Once a commander declares a military member DUSTWUN, the CAR submits an initial DUSTWUN Report (see **Paragraph 2.14** and <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>) to the addressees in **Table 2.1** or **Table 2.2**.

2.11.4. Generally, commanders may not keep a member in DUSTWUN status for more than 10 days, unless extended by AFPC/DPWCS (DSN 665-2909). During this period, the commander:

2.11.4.1. Closely monitors the case and makes every effort to determine the member's true status.

2.11.4.2. Receives the results of any search and investigative efforts.

2.11.4.3. Submits daily Search Progress Reports (see **Paragraph 2.15**) to the addressees in **Table 2.1** or **Table 2.2**.

2.12. Factors Commanders Should Consider in Determining Whether a Member's Absence is Voluntary or Involuntary.

2.12.1. Member's relationship with others both on and off duty:

2.12.1.1. Marital discord.

2.12.1.2. Problems with supervisors or coworkers.

2.12.2. Financial activities prior to or subsequent to disappearance:

2.12.2.1. Recent large withdrawals from bank accounts.

2.12.2.2. Use of credit cards for airline tickets, hotels, or gas.

2.12.3. Evidence of departure preparations:

2.12.3.1. Luggage or personal belongings missing from the member's residence.

2.12.3.2. Remarks made by the member to friends, relatives, or coworkers hinting at the possibility of a departure.

2.13. Examples of When it May be Appropriate to Declare a Member DUSTWUN.

2.13.1. An aircraft is overdue and the responsible commander has made an initial investigation, to include the following, with negative results:

2.13.1.1. Checks of scheduled stops along route.

2.13.1.2. Possible emergency landing sites.

2.13.1.3. Other places the aircraft may have landed.

2.13.2. A member disappears while participating in a recreational activity such as hunting, fishing, hiking, or camping:

2.13.2.1. The member's commander initiates a search for the absent member and investigates the circumstances surrounding the member's disappearance.

2.13.2.1.1. The search must be sufficiently extensive for the commander to determine whether the member could freely return.

2.13.2.1.2. Include Security Forces, local police, Air Force Office of Special Investigations (AFOSI), Federal Bureau of Investigation (FBI), and other investigative agencies.

2.13.3. Initial attempts to find the member fail and the commander determines the member is not AWOL.

2.13.4. A member observes a lead aircraft as it is hit by enemy ground fire. Before the aircraft hits the ground, the member observes a flash, possibly from a seat ejection. Hostilities preclude launching a search and rescue attempt.

2.13.5. A member disappears and there are no known circumstances:

2.13.5.1. Personal belongings such as military ID card, wallet, car keys, checkbook, passport, camera, television set, savings bonds, etc., are still in member's dormitory room or private residence.

2.13.5.2. First sergeant, supervisor and co-workers believe voluntary absence would be out of character for the member.

2.14. CAR Responsibilities for Filing DUSTWUN and Subsequent Reports.

2.14.1. Once a commander declares a military member DUSTWUN:

2.14.1.1. Immediately telephone AFPC/DPWCS at DSN 665-3505 or 1-800-433-0048 (CONUS bases only) and advise them of the commander's decision.

2.14.1.2. If most current copy is not in ARMS, scan and email the following documents to AFPC/DPWCS at DSN 665-2348:

2.14.1.2.1. vRED/DD Form 93.

2.14.1.2.2. SGLV 8286.

2.14.1.2.4. Any other VA forms related to SGLI.

2.14.1.2.5. For ANG and USAFR casualties:

2.14.1.2.5.1. A copy of the order or other document placing the member on AD.

2.14.1.2.5.2. A statement from the ANG unit finance officer, Reserve Pay Unit, or the Defense Finance and Accounting Service-Indiana (DFAS-IN) Center indicating the amount of Servicemembers' Group Life Insurance deductions and the date of the first and last deduction.

2.14.1.3. Submit an initial DUSTWUN Report (RCS: DD-P&R[AR] 1664, *Report of Casualty*) for military persons indicated in **Table 1.1**.

2.14.2. Submit daily Search Progress Reports unless waived by AFPC/DPWCS (see **Paragraph 2.15** and <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>).

2.14.3. Within 10 days of filing the initial DUSTWUN Report, unless extended by AFPC/DPWCS (DSN 665-2909), the CAR must submit one of these reports or messages (referencing the initial DUSTWUN Report):

2.14.3.1. Death Report (RCS: DD-P&R[AR] 1664, *Report of Casualty*).

2.14.3.1.1. Immediately submit an initial Death Report if the commander determines a member is dead at any time during the 10-day period:

2.14.3.1.2. Use the date and time when the member was declared DUSTWUN as the date and time of death, unless there is conclusive evidence of a different date or time.

2.14.3.1.3. If it is impossible to recover remains, state in item H of the initial Death Report that the Air Force has investigated the circumstances surrounding the death in accordance with this AFI and has determined that there is conclusive evidence of death.

2.14.3.1.4. If the following documents are not current in ARMS, scan and email original copies of the following documents on military members to AFPC/DPWCS:

2.14.3.1.4.1. vRED/DD Form 93.

2.14.3.1.4.2. SGLV 8286.

2.14.3.1.4.4. Any other VA forms related to SGLI.

2.14.3.2. Non-Hostile Missing Report (RCS: DD-P&R[AR]1664, *Report of Casualty*):

2.14.3.2.1. Submit an initial Missing Report if the commander declares the member missing (see **Paragraph 2.17**).

- 2.14.3.2.2. Use date and time when the member was declared DUSTWUN as the date and time of loss in Item F., unless there is evidence of a different date or time.
- 2.14.3.2.3. Include in item G a detailed account of the facts and circumstances surrounding the member's disappearance (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>).
- 2.14.3.3. AWOL Message:
- 2.14.3.3.1. If the commander decides the member's absence was voluntary, revoke the DUSTWUN status with a message to all addressees on the initial DUSTWUN Report.
- 2.14.3.3.2. State "CHANGE OF STATUS TO AWOL FROM DUSTWUN" in the subject line.
- 2.14.3.3.3. Reference the initial DUSTWUN Report.
- 2.14.3.3.4. Include items A, B, C, and G from the initial DUSTWUN Report.
- 2.14.3.3.5. Explain in detail in item G the rationale for the revocation.
- 2.14.3.3.6. State that the member's official status is AWOL and give the effective date.
- 2.14.3.3.7. See AFI 36-2911, *Desertion and Unauthorized Absence*, for further guidance.
- 2.14.3.4. Returned to Military Control Report (DD-P&R(AR) 1664, *Designated Reporting of Combat Area Casualties*):
- 2.14.3.4.1. If the member returns, immediately notify AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048.
- 2.14.3.4.2. Following the telephone notification to AFPC/DPWCS, submit a Returned to Military Control (RMC) Report (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>) to all addressees on the initial DUSTWUN Report.

2.15. Search Progress Reports on DUSTWUN Members (RCS: DD-P&R[AR]1664, *Report of Casualty, Missing Persons Reports*).

- 2.15.1. The responsible commander orders a search and investigation for all DUSTWUN situations:
- 2.15.1.1. Acceptable search and rescue methods include visual aerial search, ground teams, and electronic search.
- 2.15.1.2. Electronic monitoring by aircraft flying in the area on other than search and rescue missions is not an acceptable search method.
- 2.15.2. The CAR submits daily Search Progress Reports to the addressees in **Table 2.1** or **Table 2.2** on:
- 2.15.2.1. The extent and progress of the search.
- 2.15.2.2. Any pertinent information on the investigation.

2.15.3. The CAR submits similar Search Progress Reports in hostile situations if a search is possible.

2.15.4. Once the search is terminated, the commander:

2.15.4.1. Evaluates all available evidence.

2.15.4.2. Ensures the CAR submits the appropriate Casualty Report in accordance with [Paragraph 2.14](#).

2.16. Declaring a Person Missing (Non-Hostile).

2.16.1. This casualty status applies to both military members and civilian personnel.

2.16.2. When a commander determines that a person's absence is involuntary and there is insufficient evidence to declare the person deceased, the commander:

2.16.2.1. Consults with AFPC/DPWCM by telephone at DSN 665-3752 or 1-800-531-5501 prior to declaring a person missing or submitting a Missing Report.

2.16.2.2. After consulting with AFPC/DPWCM, declares the person missing (see [Attachment 1](#), Terms), and has the CAR submit an initial Missing Report (see [Paragraph 2.17](#)).

2.16.3. Declaring a military member missing (non-hostile) automatically invokes the statutory provisions of 37 U.S.C, chapter 10 (Payments to Missing Persons).

2.16.3.1. Once the commander declares a person missing and notifies the NOK, AFPC/DPWCM must issue any further official correspondence to the NOK, including notifications of a change in casualty status to deceased. **NOTE:** The CAR continues to provide casualty assistance to the NOK as described in [Paragraph 4.5.5](#).

2.16.4. The commander must submit AF 484, *Non-Hostile Missing Person(s) Supplementary Report* (see [Paragraphs 2.18](#) and [2.19](#)), directly to AFPC/DPWCM, and one copy to the CAR within 5 calendar days from the date he or she:

2.16.4.1. Declares the person missing.

2.16.4.2. Terminates the search for the person.

2.17. CAR Responsibilities for Filing Missing and Subsequent Reports (Non-Hostile).

2.17.1. When the commander declares a person missing, the CAR:

2.17.1.1. Immediately telephones AFPC/DPWCS at DSN 665-3505 or 1-800-433-0048 (CONUS bases only) and advises them of the commander's decision.

2.17.1.2. Submits an initial Missing Report (RCS: DD-P&R [AR] 1664, *Report of Casualty*) on those persons indicated in [Table 1.1](#) (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>).

2.17.1.3. If a military member, scans and emails the following documents to AFPC/DPWCS at DSN 665-2348 if the most current copy is not available in ARMS:

2.17.1.3.1. vRED/DD Form 93.

2.17.1.3.2. SGLV 8286.

 - 2.17.3.1. New information:
 - 2.17.3.1.1. If additional information surfaces that might help AFPC/DPWCM determine the person's casualty status:
 - 2.17.3.1.1.1. Submit a supplemental Missing Report (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>).
 - 2.17.3.1.1.2. Reference the initial Missing Report.
 - 2.17.3.1.1.3. Complete items A, B, C, and G.
 - 2.17.3.1.1.4. Describe in item G of the report, the circumstances and factors that justify a supplemental report. For example, if the reporting unit learns that a member is categorized as missing in action and has been captured, it submits a supplemental Missing Report so AFPC/DPWCM can change the casualty category from missing in action to captured.
 - 2.17.3.1.2. AFPC/DPWCM notifies the NOK as appropriate.
 - 2.17.3.2. If the commander learns of a missing person being RMC, immediately contact AFPC/DPWCM by telephone at DSN 665-3752.

2.17.3.3.7. AFPC/DPWCM notifies the NOK.

2.17.3.3.8. See AFI 36-2911, *Desertion and Unauthorized Absence*, for military members, and Federal Regulations (CFR), Part 630, Absence and Leave, for civilian personnel, for further guidance in filing reports.

2.17.3.4.5. Submission of the report does not automatically change the person's casualty status from missing to deceased. The Missing Persons Act requires a formal status review:

2.17.3.4.6. Only AFPC/DPWCM may officially change the casualty status to deceased.

2.17.3.4.7. AFPC/DPWCM notifies the NOK if the casualty status is changed to deceased.

2.18.3. For an incident that results in multiple missing persons, such as an aircraft mishap, submit one report that lists all missing personnel.

2.18.3.1. Send a copy to each missing person's home installation commander for information purposes only, since AFPC/DPWCM is solely responsible for notifying the NOK.

2.18.4. If the commander cannot submit the AF 484 within the specified time period, notify AFPC/DPWCM by message of the reason for the delay and the date you expect to mail the report.

2.18.5. See <https://afkm.wpafb.af.mil/AirForceCasualtyInfo> for instructions on completion of the AF Form 484.

2.19. Submitting AF 484.

2.19.3.3. Completeness of the investigation.

2.19.4. The commander must include either:

If there is no change to a missing person's casualty status within 8 months, the commander concludes the investigation by submitting a 9-month Investigative Report (see [Attachment 2](#) and [Attachment 3](#)) following these guidelines:

2.20.1. Submits a written report in non-hostile situations.

2.20.2. The report must arrive at AFPC/DPWCM before the end of the 9th month.

2.21.3.2. Ensures the CAR submits the appropriate Casualty Report IAW **paragraph 2.17** or **2.22**.

2.22. Declaring a Person Missing (Hostile).

2.22.1. This casualty status applies to military members, DoD civilian employees, or DoD contractor employees.

2.22.2. In those circumstances where the reason for a member's absence is uncertain and it is possible that the member is a casualty whose absence is involuntary, but there is not sufficient evidence to determine immediately that the member is missing or deceased, the member should be designated DUSTWUN (**Paragraphs 2.11** through **2.15**) and the commander shall:

2.22.2.1. Make a preliminary assessment of the circumstances. In circumstances where it is questionable whether the involuntary absence is a result of hostile action (or under circumstances suggesting that the involuntary absence is a result of hostile action), the commander of the unit, facility, or area to or in which the person is assigned shall submit a preliminary assessment and recommendation.

2.22.2.2. If, as a result of that assessment, the commander concludes that the person is missing, the commander shall:

In addition, EFMT applies to members who are deployed on OEF/OIF CED orders and who are hospitalized and have been placed in a Hostile Not Seriously Ill/Injured (NSI) casualty status.

2.27.1.1. The Emergency Family Member Travel program applies to designed individuals of a military member serving on active duty to include ANG and USAFR members in a duty status. (This does not include Air Force Academy cadets per JFTR and 37 U.S.C. 20[g]).

2.27.1.2. The commander or head of the MTF must concur and approve the attending physician's request prior to AFPC/DPWCS issuing the Emergency Family Member Travel order. All designated individuals requiring travel must be included on the Air Force EFMT Worksheet, or on an AF Form 570.

2.27.3.2.1. Advance payments of per diem are authorized.

2.27.3.3. It is extremely important to all concerned that care is taken when discussing any round-trip transportation with designated individuals. To avoid embarrassing situations, do not obligate the Air Force before securing Emergency Family Member Travel approval and ensuring with AFPC/DPWCS that designated individuals meet all eligibility requirements.

2.27.4. Responsibilities and procedures. It takes the coordinated effort of medical personnel, unit commanders, the CAR, and AFPC/DPWCS to ensure an effective EFMT Program.

2.27.4.1. Attending physician or surgeon initiates the EFMT request whenever the presence of designated individuals may contribute to the member's health and welfare.

2.27.4.2. MTF commander or head of the military medical facility:

When notified by the CAR that EFMT has been approved and AFPC/DPWCS has established the designated individuals' itinerary, assigns a unit representative to act as personal escort to receive the designated individuals, arrange for their quarters and meals, and provide assistance as needed.

2.27.4.3.3. Ensures the personal escort remains in contact with the designated individuals during their stay and informs the CAR when they desire to return home, so AFPC/DPWCS can arrange transportation.

2.27.4.4. The CAR:

2.27.4.4.6. On receipt of the designated individuals' travel itinerary from AFPC/DPWCS, informs the personal escort selected by the unit commander.

2.27.4.4.7. For members hospitalized away from their home installation, arranges for someone to act as the personal escort to receive the designated individuals, arrange for their quarters and meals, and provides whatever assistance they need during their stay.

2.27.4.4.8. Stays in contact with the personal escort and finds out when the designated individual want to go home and tells AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 or message.

2.27.4.5. AFPC/DPWCS:

2.27.4.5.1. Ensures the EFMT request meets public law requirements and authorizes EFMT. **NOTE:** Due to varied locations of designated individuals and the extreme

urgency of the situation, “message orders” from AFPC/DPWCS provide sole authorization for travel and reimbursement of funds.

2.27.4.5.2. Contacts the designated individuals by telephone, verifies that the designated individuals want to travel to the member's bedside, and books the most practical mode of commercial air transportation.

2.27.4.5.3. Provides the designated individuals instructional procedures and guidance on obtaining passports, passport waivers, visas, required immunizations, and other matters related to travel.

2.27.4.6.1.1. To initiate reimbursement for “after-the-fact” EFMT, the CAR follows the same procedures for requesting and obtaining EFMT approval.

2.27.4.6.2. The Air Force does not reimburse the designated individuals until they return home.

2.27.4.6.3. The Air Force does not reimburse the designated individual's travel expenses paid with other Air Force funds, such as unit Operation and Maintenance (O&M) funds or Non-Medical Attendant Orders.

2.27.4.7. EFMT extension requests; Air Force policy provides approval authority up to 30 days.

2.27.4.7.1. AFPC/DPW is the approval authority for extension requests up to 60 days. Requests for extension must be submitted in writing by the attending physician and approved by the MTF commander on an EFMT extension request form or AF Form 570.

Section 2E—Hasty Casualty Reports (RCS: DD P&R[AR] 1664, Report of Casualty

2.28. Purpose.

2.28.1. The HASTY Casualty Reports are used to expedite the flow of casualty information to AFPC/DPWCS when multiple casualties are involved and submitting standard Casualty Reports would delay notifying the NOK.

2.28.2. The HASTY Casualty Reports are used to:

2.28.2.1. Give AFPC/DPWCS information for casualty accountability purposes.

2.28.2.2. Help AFPC/DPWCS expedite notification without news media interference.

2.28.2.3. Provide immediate information about an incident with potential mass casualties.

2.29. Reporting Requirements and Procedures.

2.29.1. The CAR/PERSCO contacts AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 before submitting a hasty report:

2.29.1.1. AFPC/DPWCS may waive the requirement to submit reports, depending on the nature of the incident and the number of casualties.

2.29.2. Multiple Reportable Casualties:

2.29.2.1. When multiple casualties make it difficult to submit standard reports in a timely manner using assigned casualty services personnel or a CAST, use the appropriate Casualty Report to initially report casualties in DCIPS.

2.29.2.2. When an incident occurs, the CAR/PERSCO immediately contacts AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 for approval of abbreviated reporting.

2.29.2.2.1. If telephone contact is impossible, the FSS/MSS commander determines if reporting is necessary.

2.29.2.3. Immediately submit as much information as you have on a Casualty Report using the DCIPS Hasty Report.

2.29.2.3.1. If you cannot submit a complete Casualty Report immediately due to delayed or missing information, then as soon as additional information becomes available submit a supplemental Casualty Report for the remaining items using the DCIPS Hasty Report.

2.29.2.4. Once conditions permit, submit standard initial Death Reports (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>) to the personnel listed in accordance with **Table 1.1**.

2.29.2.5. You must submit these standard reports, however, as applicable:

- 2.29.2.7. Report the casualties requiring personal notification to the NOK first to give AFPC/DPWCS time to spin up notification teams.
- 2.29.2.7.1. Give reports on deceased and missing persons priority.
- 2.29.2.7.2. Do not delay reporting while obtaining information on less serious casualties.
- 2.29.2.8. Report information on injured personnel in a subsequent Casualty Report.
- 2.29.2.9. AFPC/DPWCS will provide prioritizing guidance during the initial telephone call from the reporting unit.

Chapter 3

CASUALTY NOTIFICATIONS

Section 3A—General Information

3.1. Overview.

3.1.1. The Air Force provides dignified, compassionate, and humane notification to NOK and other designated persons as promptly as possible after a member is placed in a casualty status.

3.1.2. Casualty notifications are provided to NOK as indicated in [Table 1.1](#).

3.2. Method of Notification.

3.2.1. For personnel declared deceased, DUSTWUN, or missing, casualty notifications will be made in person by an Air Force representative. Telephonic notifications are used in extreme cases where in-person notifications would severely delay notification to the Primary NOK and will not be used without prior consultation and approval by AFPC/DPWCS.

EXCEPTION: If a Primary NOK contacts the installation, either in person or telephonically, regarding a member's well being and the Commander or First Sergeant has confirmed the death of the member, the Commander or First Sergeant has an obligation to inform the Primary NOK immediately after verification of the NOK's identity and relationship to the member of his/her status.

3.2.2. For personnel in a VSI, SI, or NSI casualty status, the member, the attending physician, MTF commander, member's commander or designated representative, or AFPC/WDPWCS notifies the NOK by telephone.

3.2.3. Casualty notification will be accomplished between the hours of 0500-2400 local time, except under unusual circumstances as authorized by AFPC/DPWCS.

3.3. Responsibilities for Death, DUSTWUN, or Missing Notifications.

3.3.1. AFPC/DPWCS:

3.3.1.1. Supports commanders in the notification process.

3.3.1.2. Assists in the notification process at the request of the reporting installation CAR, when the NOK do not reside on, or in the vicinity of, the reporting installation by:

3.3.1.2.1. Identifying and directing CARs at other installations to facilitate notification or officers to make personal notifications.

3.3.1.2.2. Providing support and guidance to the notification officer when a CAR is not available.

3.3.2. Installation or GSU commander, or designated representative:

3.3.2.1. Appoints potential notification officers (field grade officers and above).

- 3.3.2.1.1. In extremely rare circumstances, company grade officers are used when field grade officers are not available. **NOTE:** Only AFPC/DPWCS can approve use of a CGO for notification.
- 3.3.2.2. Determines lengths of time officers are assigned notification responsibilities.
- 3.3.2.3. Ensures the installation CAR receives listing of selected notification officers.
- 3.3.2.4. Ensures the squadron commander or an appropriate officer notifies the NOK of casualties:
 - 3.3.2.4.1. When the members are assigned to their installation or GSU.
 - 3.3.2.4.2. When the NOK reside in the vicinity of the installation or GSU, even if the casualty is from another organization.
 - 3.3.2.4.3. Resulting from activities associated with the installation or GSU.
- 3.3.2.5. Determines whether to notify NOK of non-DoD civilians (see **Paragraph 3.4**) killed on their installation or during:
 - 3.3.2.5.1. An orientation flight.
 - 3.3.2.5.2. A civic leader tour airlift.
- 3.3.3. See AFI 36-809 for responsibilities and procedures concerning casualty notification for DoD and DAF civilian employees.
- 3.3.4. If a NOK dies at a military medical treatment facility (MTF), the attending physician, MTF commander, or member's commander or designated representative notifies the sponsor.
- 3.3.5. MTF commander:
 - 3.3.5.1. Ensures NOK are notified when a member dies or death is imminent at an Air Force MTF.
 - 3.3.5.1.1. Notification may be made by the:
 - 3.3.5.1.1.1. Attending physician.
 - 3.3.5.1.1.2. MTF commander.
 - 3.3.5.1.1.3. Member's commander or designated representative.
- 3.3.6. The CAR:
 - 3.3.6.1. Is responsible for training notification officers:
 - 3.3.6.1.1. Potential notification officers should view the Casualty Notification Video, PIN #612640.
 - 3.3.6.1.1.1. To order this video or obtain additional copies, send a written request to the Joint Visual Information Activity (JVISDA), Attention: SAM-OPV-JT-AS, Bldg 3, Bay 3, 11 Hap Arnold Blvd, Tobyhanna Army Depot PA 18466-5102, or through their web site at: www.dodimagery.afis.osd.mil.
 - 3.3.6.2. Provides support and guidance to the notification officer.
 - 3.3.6.2.1. If a CAR is not readily available, AFPC/DPWCS will provide guidance.

3.3.6.3. Gives notification officers a copy of the Casualty Notification Officer Checklist (see [Attachment 6](#)).

3.3.7. Other military Services notify the NOK of their own members.

3.4. Notifying NOK of Non-DoD Civilians.

3.4.1. If Air Force officials notify the NOK, follow the same procedures as for military members.

3.4.2. The reporting agency (installation command post, security forces, etc.) promptly notifies the CPO, FSS/MSS, the CAR and the public affairs office and works closely with the installation commander to ensure that the appropriate official makes proper notifications. **NOTE:** AFI 35-101, [Paragraphs 6.7](#) and [8.4](#) requires that the public affairs office sponsoring an orientation flight, or a civic leader tour airlift for non-DoD civilians, ensures participants furnish the name, address, and telephone number of a person to contact in case of emergency.

3.5. Notifying the NOK of Foreign Nationals in the United States under the Auspices of the Air Force.

3.5.1. If the NOK reside in the vicinity of the home installation or GSU, the foreign national's commander oversees the notification.

3.5.2. AFPC/DPWCS notifies NOK in the United States who are not in the vicinity of the home installation.

3.5.3. The orders-issuing headquarters (Military Assistance Advisory Group, Defense Attaché Office, etc.) notifies NOK in the foreign national's home country in accordance with AFI 16-105 (I), *Joint Security Assistance Training (JSAT)*.

3.6. Persons to Notify.

3.6.1. If the member is a military member, all NOK and other persons listed on the member's vRED or DD Form 93 will be notified. Persons to be notified include:

Persons listed on the vRED or DD Form 93 who will receive monetary benefits as a result of the military member being declared deceased. **EXCEPTION:** Notify persons listed to receive death gratuity pay (if no surviving spouse or child) only if they will receive the death gratuity payment or they are listed elsewhere on the form.

3.6.1.6. Persons listed on the member's VA Form SGLV 8286 who will receive monetary benefits as the result of the military member being declared deceased.

3.6.2. If the CAR has reason to believe that the Air Force should not directly notify any person listed on the vRED or DD Form 93 because of ill health or other reasons:

3.6.2.1. Ask other persons listed on the vRED or DD Form 93 for the name and address of someone who could notify that person.

3.6.2.2. Contact AFPC/DPWCS at once if any NOK have been notified. Relay any/all notification and contact information by telephone (DSN 665-3505 or 1-800-433-0048) upon verification.

3.6.3. If the address of a person listed on the vRED or DD Form 93 is unknown or incorrect, ask other persons listed on the form for the address of that person.

3.6.4. If the casualty is a DoD or DAF civilian employee, notify the NOK based on information in the employee's personnel records or maintained by the individual's supervisor. See AFI 36-809, for additional guidelines.

3.7. Organ and Tissue Donation.

3.7.1. DoD Directive (DoDD) 6465.3, Organ and Tissue Donation, establishes DoD policy and procedures for organ and tissue donations.

Section 3B—Notifications for Deceased, DUSTWUN, and Missing Personnel

3.9. Casualty Notification Responsibility.

3.9.1. AFPC/DPWCS assigns the Air Force activity (active Air Force, AFROTC, ANG or USAFR) nearest to the NOK's residence to accomplish the casualty notification.

3.9.2. If the NOK live on or near the member's home installation, the member's wing, group, squadron commander, or other officer, as determined by the installation commander, effects personal notification to the NOK, provides all releasable circumstances surrounding the incident and expresses condolences. Commanders should check with JA and PA prior to releasing information.

3.9.3. If the NOK or any persons to be notified do not reside on or in the vicinity of the member's home installation:

3.9.3.1. The reporting CAR contacts AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 for assistance with notifications.

3.9.3.2. AFPC/DPWCS contacts the CAR or other appropriate officer at the installation or GSU nearest to the NOK and instructs him or her to personally notify the NOK.

3.9.4. When someone other than the member's unit commander notifies the NOK who live on or near the member's home installation, the member's unit commander must personally visit the NOK as soon as possible. **EXCEPTION:** The installation commander may waive this requirement if the unusual circumstances of the casualty dictate. Contact AFPC/DPWCS prior to making the decision NOT to visit the NOK.

3.9.4.1. Whenever someone other than the member's commander or designated representative makes initial notification and the NOK do not live on or near the member's home installation, an official notification confirmation by the member's commander to the NOK shall be made by telephone as soon as possible. **EXCEPTION:** When telephone contact cannot be made to the NOK, the commander communicates through the most expedient means available.

3.9.5. The casualty notification duty:

3.9.5.1. Is on behalf of the Air Force Chief of Staff.

3.9.5.2. Has priority over all duties, except in emergencies.

3.9.5.3. Is accomplished in service dress uniform (unless AFPC/DPWCS waives this requirement) with the exception of the medical technician who can wear the uniform of the day because he/she remains in the vehicle unless required.

3.10. Notification Responsibilities for Dignified Transfer of Deaths Occurring in the AOR: Effective 6 April 2009, casualty notification officers are required to brief the affected Primary Next of Kin (PNOK) on the consent for media access to the dignified transfer of remains at Dover AFB policy.

3.10.1. The notification officer will also record and report the PNOK's decision to AFPC/DPWCS and Air Force Mortuary Affairs Operations Center (AFMAO). **NOTE:** This policy only applies to deaths occurring in a theater of combat operations, currently Operations Iraqi Freedom and Enduring Freedom (OIF/OEF), and remains transfer to the Port Mortuary, AFMAO, Dover Air Force Base, DE.

3.10.2. Prior to release of the casualty notification team, the base CAR and notification officer will be provided detailed instructions by AFPC/DPWCS along with the DoD approved script. An example of the script and frequently asked questions (FAQs) is at [Attachment 6](#). **NOTE:** The attached example script is provided at this time for information only.

3.10.3. Each script will be prepared and tailored for each individual NOK situation by AFPC/DPWCS.

3.10.4. The notification officer will call the on-call Mortuary Affairs Officer (AFMAO) during the notification visit immediately after briefing the PNOK using the provided script.

3.10.5. The on-call Mortuary Affairs Officer will discuss possible travel options for the PNOK and qualified family and will also discuss escort options should the family elect to travel to Dover AFB.

3.10.6. Although every effort will be made to accommodate the wishes of the PNOK, travel of NOK is not assured and is dependent upon air movement of remains to Dover AFB.

3.10.7. All questions regarding movement of remains and NOK travel will be directed to the on-call Mortuary Affairs Officer at AFMAO.

3.10.8. Upon completion of the telephone conversation, the notification officer will confirm with the on-call Mortuary Affairs Officer the decision of the PNOK and then record the PNOK decision prior to departing.

3.10.9. If there are any questions, contact the AFPC/DPWCS at mailto:michael.potter@randolph.af.mil afpc.casualty@randolph.af.mil or call DSN 665-3505 or 1-800-433-0048.

3.11. ANG Casualties.

3.11.1. AFPC/DPWCS contacts the member's unit and informs NGB/A1PS at DSN 327-5093 before beginning the notification process:

3.11.1.1. Offers the unit the opportunity to notify the NOK.

3.11.1.2. Provides appropriate notification guidance and information.

3.11.2. If AFPC/DPWCS is unable to contact the unit or otherwise ensure prompt notification, they will assign notification responsibilities to the installation or GSU closest to the NOK.

3.12. Notification Team Composition.

3.12.1. Field grade officers, of equal or higher grade than the member about whom they are making notification, are assigned the responsibility for personal notification as directed by the installation commander or AFPC/DPWCS. **EXCEPTION:** AFPC/DPWCS may assign other officers to notification duty.

3.12.1.1. Medical personnel capable of rendering medical assistance to the NOK if needed and an Air Force chaplain, if available, accompany the notification officer to attend to any reaction of the NOK.

3.12.1.1.1. Whenever possible, without causing delay, the chaplain should be of the same faith as the NOK.

3.12.1.1.2. Notification should not be delayed due to the inability to obtain a medical officer or chaplain.

3.12.1.1.3. The commander or notification officer may invite another person to accompany the notification team such as a friend, co-worker or clergy/leader from the member's faith community, known by the member's NOK, and whose presence may be comforting to the NOK, if it does not delay the notification process. Minimal information is provided to the accompanying individual.

3.12.2. Public affairs (PA) officers should be requested to accompany the team when there are indications there is a high level of media interest and the presence of media is likely.

3.12.2.1. When possible, the PA officer should travel with the notification team, but should wait with the vehicle until notification is made to the NOK and the notification officer requests PA assistance.

3.12.2.1.1. After the notification is completed, the notification officer will provide the NOK a copy of the PA Information Fact Sheet and provide the NOK with PA contact information. PA officers will assist families in how to deal with the civilian media, and offer assistance with any public statements and NOK's desires on how and when to answer media questions.

3.12.2.2. When media is already at the NOK residence prior to or during the notification, the PA officer should act as the liaison between the media and the NOK, in keeping with the NOK's desires.

3.12.2.3. Casualty notification officers in remote areas who have no local PA officer will provide families the name and contact information for AFPC/PA.

3.12.3. On active duty installations, notification team members should assemble in the CAR's office within 30-45 minutes after receiving the telephone call from the CAR.

3.13. Arranging Transportation for the Notification Officer or Team.

3.13.1. The CAR, with help from the vehicle dispatcher, provides a military vehicle, sedan, mini-van, or other appropriate vehicle for the notification officer.

3.13.1.1. GSU commanders should establish arrangements for use of a government vehicle if available.

3.13.2. AFI 24-301, Vehicle Operations, provides for use of base vehicles for official government use.

3.13.3. Notification officers must use military vehicles when available; otherwise, use of a POV is authorized.

3.13.3.1. When travel must be performed using a POV, the notification officer submits Standard Form (SF) 1164, *Claim for Reimbursement for Expenditures on Official Business*, to their servicing Financial Services Office (FSO) for reimbursement of expenses.

3.13.3.2. Reimbursement of expenses is chargeable to unit operation and maintenance (O&M) funds.

3.14. Communication Support for Notification Officer and Team.

3.14.1. The FSS/MSS or GSU commander, with the help of support agencies, provides portable communication equipment (e.g. cellular telephone or two-way radio) for use by the notification officer or team.

3.14.2. The immediate availability of means to communicate for notification officers and teams with their installation casualty office and AFPC/DPWCS is valuable should the notification officer or team encounter obstacles which prevent effecting and confirming notifications in a timely manner.

3.15. Location of the NOK.

3.15.1. If the reporting installation is not making notification to the NOK, the CAR assigned notification responsibility, or AFPC/DPWCS, will provide the notification officer the NOK's last known address:

3.15.1.1. Encourage the notification officer to contact local law enforcement officials if assistance is necessary to protect the notification team in a dangerous area, when weather conditions may endanger the lives of the team, or to help the officer locate NOK with rural route or post office box addresses.

3.16. Inability to Locate the NOK.

3.16.1. If it appears the NOK is not at home, the notification officer should contact neighbors, law enforcement agencies, or the local postmaster (not a postal clerk) for information regarding the NOK's whereabouts.

3.16.2. If the notification officer or team cannot locate the NOK, or the NOK has moved from the area, the notification officer should immediately telephone AFPC/DPWCS at their toll-free number (1-800-433-0048) for further guidance and provide the information concerning attempts to contact the NOK.

3.17. Preparing the Notification Letter.

3.17.1. When the member's commander or designated representative personally notifies the NOK, a notification letter is not required.

3.17.2. When AFPC/DPWCS directs an installation or officer at a GSU to make a casualty notification, AFPC/DPWCS completes the appropriate notification letter and faxes or e-mails to the installation CAR or officer at the GSU. (See [Attachment 7](#) and [Attachment 8](#))

3.17.3. The installation CAR or officer at the GSU signs the notification letter and faxes it to AFPC/DPWCS.

3.17.4. When circumstances prevent AFPC/DPWCS from providing the letter, the notification officer or CAR completes the letter using these instructions:

3.17.4.1. Type on plain bond paper—no letterhead.

3.17.4.2. Use Times New Roman, 12-point font.

3.17.4.3. The letter will be one, block-form paragraph.

3.17.4.4. Left and right margins will be 1 inch.

3.17.4.5. Start the letter on the 10th line from the top of the page.

3.17.4.6. The first line will read, "The following message is quoted from (RANK) (NAME), Commander, Air Force Personnel Center."

3.17.4.11. Date the letter, using the date of notification, to the right and on the same line as the salutation.

3.17.4.12. Type the text, received by fax from AFPC/DPWCS, verbatim and error-free, two lines below the salutation.

3.17.4.13. Type "Signed:" and the AFPC/CC signature block four lines below end of text. **EXAMPLE:** Signed: K.C. MCCLAIN first line) Major General, USAF(second line).

3.18. Making the Notification.

3.18.1. The Air Force notifies the NOK in person whenever possible. **EXCEPTIONS:** See [Paragraphs 3.18.2](#) and [3.18.3](#).

3.18.2. The Air Force honors the PNOK's wishes to notify other NOK (e.g., if the spouse wishes to notify adult children or the parents). **EXCEPTION:** Whenever a casualty occurs as the result of either hostile action or terrorist activity, initial notification(s) shall also be made in person to parents who are secondary NOK, unless unusual circumstances exist.

3.18.3. If NOK call the Air Force to ask about a member's status before they receive official notification, AFPC/DPWCS, the member's commander or designated representative, or the CAR tells the caller the member's status during the call:

3.18.3.1. Be as compassionate as possible.

3.18.3.2. Advise the caller of the Air Force's progress in notifying other NOK (e.g., tell them if a notification team is on the road).

3.18.3.3. Such telephone notification does not preclude the requirement for a circumstance or condolence letter, as appropriate.

3.18.4. The notification officer must be alert to the needs of the NOK and represent the Air Force in a professional manner.

3.18.4.1. Being prepared, sincere, and alert to the needs of the NOK at time of notification will reduce some of the shock that is normal under these circumstances.

3.18.5. Stereotyped procedures are not appropriate.

3.18.6. As a minimum, the notification officer should:

- 3.18.6.1. Identify himself or herself and any other members of the team to the NOK.

 - 3.18.6.2.1. If at least one person to be notified is home, the notification officer should state that they have an important message to deliver and ask permission to enter the residence.
- 3.18.6.3. Verbally relate to the NOK, without reading from the notification letter, the information contained in the letter, if applicable. Then paraphrase any additional circumstances described in the notification letter (see [Attachment 7](#) and [Attachment 8](#)).

 - 3.18.6.3.2. Do not extend overly sympathetic gestures that may be taken the wrong way.

 - 3.18.6.3.4. Avoid making detailed statements about the incident.
 - 3.18.6.3.5. Inform the NOK, if stated in the notification letter, that the deceased member's commander will send a letter explaining and confirming the circumstances surrounding the incident.
 - 3.18.6.3.5.1. If the notification officer is the member's commander or a designated representative and has first-hand knowledge of the circumstances, they may give the NOK additional releasable information after discussion with JA and PA.
 - 3.18.6.3.6. Inform the NOK eligible for casualty assistance, as indicated in the notification letter, that a CAR will contact them within 24 hours to arrange for a casualty assistance visit at their convenience.
 - 3.18.6.3.7. Inform the NOK, if stated in the notification letter, that:
 - 3.18.6.3.7.1. For CONUS casualties, a mortuary affairs representative will contact them regarding mortuary affairs.

 - 3.18.6.3.9. If the NOK have questions or need additional assistance, refer them, as stated in the notification letter, to AFPC/DPWCS (1-800-433-0048) who will put the NOK in touch with the member's commander.

3.19. Information Not Discussed With NOK.

- 3.19.1. Questions about survivor benefits, burial, or similar matters.
- 3.19.2. Compensation-related questions dealing with insurance, gratuities, unpaid pay and allowances. The CAR providing assistance will address these subjects.
- 3.19.3. Questions relating to mortuary affairs. The mortuary affairs representative will address these issues.
- 3.19.4. Questions relating to line of duty, negligence, errors in judgment or the responsibility of other personnel concerned with the incident.
- 3.19.5. The notification officer's prior experiences or personal conjectures.
- 3.19.6. In short, the notification officer should limit their discussion to the information contained in the notification letter and not discuss matters they are not qualified to discuss.

3.20. After the Notification.

3.20.1. The notification officer should:

3.20.1.1. Confirm the NOK's address is correct and obtain their telephone number for future contact.

3.20.1.2. Advise the PNOK that should they be unable to personally notify other NOK, the Air Force will assist them in either locating the NOK, or making personal notification. Example statement to NOK. "I/we assume you'll want to notify Sergeant Jones' parents yourself. If you have any difficulty in locating them, we'll help find them. If you don't feel comfortable notifying them, the Air Force will send out another notification team to their home." **EXCEPTION:** Whenever a casualty occurs as the result of either hostile action or terrorist activity, initial notification(s) shall also be made in person to parents who are secondary NOK, unless unusual circumstances exist.

3.20.1.2.1.1. Advise the PNOKs to contact AFPC/DPWCS at 1-800-433-0048, as soon as possible after notification to other NOK has been completed.

3.20.1.2.2. If the PNOK wish the Air Force to notify other NOK, telephone AFPC/DPWCS at 1-800-433-0048, as soon as possible from the PNOK's area, but not from their home, and provide the names, addresses, and telephone numbers of those NOK.

3.20.1.3. (See [3.12.2.1.1](#)) After the notification is completed, the notification officer will provide the NOK a copy of the PA Information Fact Sheet and provide the NOK with PA contact information. PA officers will assist families in how to deal with the civilian media, and offer assistance with any public statements and NOK's desires on how and when to answer media questions.

3.20.1.3.1. When media is already at the NOK residence prior to or during the notification, the PA officer should act as the liaison between the media and the NOK, in keeping with the NOK's desires.

3.20.1.3.2. Casualty notification officers in remote areas who have no local PA officer will provide families the name and contact information for AFPC/PA.

3.20.2. Stay with the NOK as long as needed, but depart the residence in a professional manner and within a reasonable period of time.

3.20.2.1. If at all possible, do not leave the NOK alone.

3.20.2.2. Encourage the NOK to contact a relative, neighbor or friend to stay with them, or ask if they want you to do it for them.

3.21. Verifying the Notification.

3.21.1. Immediately after departing the NOK's location, but before the notification officer returns to their base, home, or unit, they should telephone AFPC/DPWCS at 1-800-433-0048, to report the following information:

3.21.2. The notification officer should return to the FSS/MSS and provide the above information to the CAR.

3.22. Additional Contacts Between the Notification Officer and NOK.

3.22.1. Under normal circumstances, the notification officer will not have any further contact with the NOK. An exception might occur when a military member is initially declared DUSTWUN. In this case, the notification officer may be initially called upon to notify the NOK of this status and again later, if the member is declared deceased or missing.

3.23. Updating the NOK on Search Progress.

3.23.1. The installation commander or on-scene commander provides the NOK with daily search progress updates.

3.23.1.1. The installation commander with search responsibility uses the most expedient method of communication when updating the NOK.

3.24. Notifying NOK of DUSTWUN and Missing Personnel Returned to Military Control (RMC).

3.24.2. The commander at the reporting installation notifies the NOK.

Section 3C—Notifications for VSI, SI, and NSI Personnel

3.25. Method of Notification.

3.25.3.1. Any commissioned officer or master sergeant through chief master sergeant may accomplish the notification.

3.25.3.2. In all cases, the individual notifying the NOK should be of equal or higher grade than the ill or injured member.

3.25.3.3. The member's commander must maintain close communication with the MTF or civilian hospital to ensure that an appropriate official notifies the NOK.

3.25.4. Whenever the member is able to communicate, the member's desires on which NOK to notify, if any, should be honored.

3.25.4.1. The commander may notify NOK against the member's wishes if the commander decides it is necessary, and will contact AFPC/DPWCS for guidance prior to notification.

3.25.5. See **Paragraph 2.29** for guidance on Emergency Family Member Travel Program.

Chapter 4

CASUALTY ASSISTANCE

Section 4A—General Information for Active Air Force Members, ANG and USAFR Members in a Duty Status, and Retiree Deaths Within 120 Days After Retirement

4.1. Overview.

4.1.1. The Air Force provides casualty assistance to the NOK and other designated beneficiaries of deceased and missing members (see [Table 4.1](#)).

4.1.2. Casualty assistance includes:

4.1.2.1. Counseling regarding rights, benefits and entitlements.

4.1.2.2. Filling out claim applications for monetary benefits and privileges.

4.1.2.3. Resolving issues, problems or concerns the NOK may have and providing making referrals for non-medical grief counseling or children's concerns as needed.

4.2. Responsibilities.

4.2.1. The FSS/MSS commander assigns a CAR to provide casualty assistance to the NOK of military members and retirees.

4.2.2. The CPF provides casualty assistance to the NOK of DoD and DAF civilian employees (see AFI 36-809).

4.2.3. AFPC/DPWCS assigns casualty assistance responsibility based on where the NOK resides.

4.2.3.1. If the NOK live on or in the vicinity of the base reporting the casualty, that base assumes casualty assistance responsibility.

4.2.3.2. When there is more than one NOK (e.g., a single member with divorced parents) AFPC/DPWCS will assign casualty assistance responsibility based on which NOK receives the majority of the benefits.

4.2.3.3. If the NOK does not live on or in the vicinity of the reporting base, AFPC/DPWCS will match the NOK's ZIP Code to the list on the AFPC/DPWCS web site to determine which casualty assistance office will provide assistance.

4.2.3.4. The AFPC/DPWCS web site provides a listing of casualty assistance areas of responsibility by ZIP Code that are compared with the NOK's address to determine which base has casualty assistance.

4.2.3.4.1. AFPC/DPWCS accepts formal agreements between bases, on a case-by-case basis, to transfer casualty assistance for the sake of convenience to the NOK.

4.2.3.4.2. To formalize such arrangements, the affected FSS/MSS commanders must submit a coordinated memorandum to permanently reassign specific ZIP Codes within their area of responsibility through their respective MAJCOM to AFPC/DPWCS for approval.

4.2.4. AFPC/DPWCS determines and notifies those bases assisting other NOK or persons designated as beneficiaries. Close coordination must be maintained between all assistance bases to ensure all benefits are applied for and received.

4.2.4.1. There may be instances when it's in the best interest of the NOK for only one primary CAR to provide assistance. These cases must be approved by DPWCS.

4.2.4.2. The secondary assisting CARs must notify the primary CAR of the dates other NOK or persons designated as beneficiaries applied for and received benefits.

4.2.4.3. AFPC/DPWCS resolves any difficulties in coordinating casualty assistance services between the primary and assisting CARs.

4.2.5. For ANG/USAFR members, AFPC/DPWCS instructs the servicing ANG/USAFR FSS/MSS commander and assigns a casualty assistance representative to assist at the nearest active duty CAR.

4.2.5.1. If the servicing ANG FSS/MSS does not have casualty assistance capability, AFPC/DPWCS assigns sole casualty assistance responsibility to an Air Force installation using the AFPC/DPWCS web site.

4.2.5.2. Representatives from the member's unit should be afforded the opportunity to be present during casualty assistance visits.

4.2.5.3. AFPC/DPWCS clarifies the NOK's questions regarding benefits and claims.

4.3. Establishing Initial Contact With PNOK, Other NOK, and Persons Designated as Beneficiaries.

4.3.1. The CAR should contact the PNOK within 24-hours of learning of a casualty.

4.3.1.1. The CAR must make contact with the FLO as soon as one is appointed and keep him or her apprised of the proposed plan for assisting the PNOK.

4.3.1.1.1. The CAR and FLO work jointly for the benefit and welfare of the surviving NOK.

4.3.2. Contact with other NOK eligible for benefits or privileges or persons designated as beneficiaries is made as soon as possible, but is not restricted to the first 24 hours.

4.3.3. Initial contacts by the CAR may be made either by telephone or in person.

4.3.4. A casualty assistance visit with the NOK is mandatory whenever:

4.3.4.1. An active duty Air Force, ANG or USAFR member in a duty status dies or is declared missing.

4.3.4.2. A retiree dies within the first 120-days of retirement.

4.3.5. During the initial contact, the CAR should:

4.3.5.1. Find out if there are any immediate problems such as financial, spiritual, or personal needs.

4.3.5.2. Confirm addresses.

4.3.5.3. Offer to arrange a casualty assistance visit at the earliest possible date and at a location most convenient to the individual being assisted.

- 4.3.6. Offer a casualty assistance visit to other NOK or persons designated as beneficiaries at the earliest possible date and at a location most convenient to the individual being assisted, or assist them by mail and telephone if the individual agrees.

4.7.3.2. Request investigation reports on ANG aircraft accidents from the National Guard Bureau, Judge Advocate (NGB/JA), 2500 Army Pentagon, Room 2E358, Washington DC 20310-2500.

4.7.4. If an AFOSI investigation is in progress regarding a death (e.g., suicides, homicides, suspicious deaths where cause or manner of death is unknown or the Air Force suspects foul play) or a missing member, and the NOK want to see the closed report, advise them that they may request the information under the FOIA.

4.7.4.1. Help the NOK follow the appropriate procedures in DoD Regulation 5400.7/AF Supplement.

4.7.4.2. Ensure that the NOK includes the member's full name, date and state of birth, SSN, and Military Service affiliation in requests for AFOSI reports.

4.7.4.3. Send requests for AFOSI reports in writing to HQ AFOSI/Communication and Information Records (SCR), P.O. Box 2218, 3235 Old Washington Road, Waldorf MD 20604-2218.

4.7.4.4. The PNOK, and parents, who are considered secondary NOK, shall be kept informed on matters relating to DOD investigations. At a minimum, they shall be provided general information about investigations to be conducted that is sufficient to assist them in understanding the comprehensive nature of the investigation, and the likely period of time that may be necessary to complete the investigation. Additionally, they shall be informed whether or not all or part of the completed investigation will be releasable, if such releasability can be ascertained. Once investigations are complete, they will be informed of releasable investigative results prior to any public release. Upon request, the service concerned will provide a fully qualified representative to brief the PNOK and the parents as appropriate on the completed investigation. This policy applies to the PNOK and parents of service members and the PNOK of Federal civilian employees and DOD civilian casualties.

Section 4B—Benefit Information and Casualty Assistance Procedures for Active Air Force Members, and ANG and USAFR Members in a Duty Status

4.8. General Procedures.

4.8.1. Explain to the NOK all benefits listed on the AF Form 58, and in DoD Publication - *A Survivor's Guide to Benefits- Taking Care of Our Own*.

4.8.2. Give the NOK a copy of DoD Publication - *A Survivor's Guide to Benefits- Taking Care of Our Own*.

4.8.3. Use the AF Form 58 as a checklist and guide during the counseling session.

4.8.4. Explain to the NOK that the AF Form 58 is used to track and document benefits and entitlements applied for and received.

4.8.5. Complete the necessary claim applications for applicable benefits (see [Table 4.2](#)).

4.8.6. Complete all items on the AF Form 58 using the instructions in [Attachment 9](#). Briefly summarize relevant information discussed with the NOK in item 11, and any problems in item 12, "Additional Comments."

4.8.7. Keep a copy of all claim applications, forms, and supporting documentation in the case file.

4.9. Death Gratuity. A lump sum gratuitous payment made by the Air Force to the designated beneficiaries of a member who dies on AD, ADT, or IDT, or full-time National Guard duty. Its purpose is to help the survivors in their readjustment and to aid them in meeting immediate expenses incurred. The claim form required to apply for this benefit is DD Form 397, *Claim Certification and Voucher for Death Gratuity Payment* via Electronic Funds Transfer (EFT), unless beneficiary desires other arrangements. The CAR must provide the base FSO a copy of the member's vRED or DD Form 93 and the initial Death Report. The FSO should complete the DD Form 397 and issue the check to the CAR for delivery to the NOK or through EFT.

4.9.1. The member may select one or more persons of their choosing to receive the death gratuity. Death Gratuity is designated on the member's vRED or DD Form 93, in 10% increments.

4.9.2. In the absence of a designation the death gratuity payment is made to survivors of the deceased in this order:

4.9.2.1. The member's lawful surviving spouse.

4.9.2.2. When there is no spouse, DG is paid to the child or children of the member, regardless of age or marital status, in equal shares (state laws guide payment to minor children). **NOTE:** DFAS-IN/JFLTBA (Special Accounts Branch) makes payment to minor children within 30 days after receipt of DD Form 397 and supporting documentation.

4.9.2.3. If none of the above, the DG is paid to the parents of the member in equal shares or to the surviving parent.

4.9.2.4. If none of the above, DG is paid to the duly appointed legal representative of the member's estate.

4.9.2.5. If none of the above, DG is paid to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.9.3. Refer to DODR 7000.14-R, *DoD Financial Management Regulation, Volume 7A, Military Pay Policy and Procedures Active Duty and Reserve Pay*, Chapter 36, *Payment on Behalf of Deceased Members*, and Table 36-4, *Responsibility for Payment of Death Gratuity—Air Force*.

4.9.4. DFAS-IN initiates a Case Management System (CMS) on all active duty deaths. CAR will scan and attach the claim form and supporting documentation to the CMS case and update the case in CMS. Claims and supporting documents can be FAXed, as listed in [Table 4.2](#), to DFAS-IN/JFLTBA (Special Accounts Branch), FAX - DSN 699-4141 or mail to 8899 East 56th Street Indianapolis, Indiana 46249-1200.

4.9.5. When the death gratuity is divided, the base with primary assistance responsibility submits all claim forms in one package.

4.10. Financial Assistance.

4.10.1. The CAR should ask the NOK about their immediate financial needs.

4.10.2. If the NOK is not eligible for the death gratuity, or if immediate payment is not possible, ensure they are assisted by a Community Readiness Consultant in the Airman & Family Readiness Center (A&FRC) for immediate financial assistance and/or Air Force Aid as required. If the CAR is not at an installation with an A&FRC, contact the nearest A&FRC or an American Red Cross representative.

4.11. Unpaid Pay and Allowances for Active Duty. Upon death of an active duty member, any pay and allowances due but not paid to the member, are paid to the designated beneficiary named on the member's vRED or DD Form 93. Unpaid pay and allowances may include unpaid basic pay, payment for up to 60 days of accrued leave, basic allowance for housing for up to 365 days, amounts due for travel, per diem expenses, transportation of eligible NOK, shipment of household goods, and unpaid installments of a variable reenlistment bonus. DFAS-IN Center will audit the decedent's pay records and issue a check for any amount due to the designated beneficiary.

4.11.1. When there is no written designation by the member, any money due is paid to the first eligible recipient in the following order:

4.11.1.1. The member's lawful surviving spouse.

4.11.1.2. If there is no spouse, it is paid to the child or children of the member in equal shares, with the share of any deceased child to be distributed among the descendants of that child.

4.11.1.3. If none of the above, it is paid to the parents of the member in equal shares or to the surviving parent.

4.11.1.4. If none of the above, it is paid to the duly appointed legal representative of the member's estate.

4.11.1.5. If none of the above, it is paid to the person(s) determined to be entitled under the laws of the state in which the member was domiciled—not the state in which they resided.

4.11.2. To apply for the unpaid pay and allowances, the CAR should complete the required claim form listed in [Table 4.2](#).

4.11.3. DFAS-IN initiates a Case Management System (CMS) on all active duty deaths. CAR will scan and attach the claim form and supporting documentation to the CMS case and update the case in CMS. Claims and supporting documents can be FAXed, as listed in [Table 4.2](#), to DFAS-IN/JFLTBA (Special Accounts Branch), FAX - DSN 699-4141 or mail to 8899 East 56th Street Indianapolis, Indiana 46249-1200.

4.11.4. When the unpaid pay and allowances are divided, the base with primary assistance responsibility submits all claim forms in one package.

4.12. Basic Allowance for Housing (BAH). Eligible NOK of deceased active duty members are entitled to 365 days of housing allowance or to remain in government quarters up to 365 days at no charge. DFAS-IN/JFLTBA is required by Title 37, U.S.C., Section 403, to make this payment to eligible beneficiaries. Eligible NOK occupying government housing on the date the member dies may continue to occupy such housing without charge for a period of 365 days. If the NOK vacate the government housing before the 365 days are up, the BAH is paid for the

remaining unused days. **NOTE:** When unpaid pay and allowances are paid to a person other than the member's spouse, the CAR should apply for the BAH on behalf of the spouse.

4.13. Survivor Benefit Plan (SBP). SBP is a monthly annuity paid by the Air Force to the surviving spouse or, in some cases, eligible children of a member who dies on active duty in the line of duty (LOD). The annuity is equal to 55 percent of the retired pay to which the member would have been entitled as if retired for total disability on the date of death. The spouse's annuity is reduced by the amount of the monthly Dependency and Indemnity Compensation payment awarded and paid to the surviving spouse by the VA. The annuity is paid until the spouse dies, but is suspended upon remarriage before age 55. The annuity to a surviving spouse may be reinstated if the subsequent marriage ends in death or divorce. The annuitant must send a certified copy of the divorce decree or death certificate to DFAS-CL (Defense Finance and Accounting Service, U. S. Military Annuitant Pay, P.O. Box 7131, London KY 40742-7131) to reinstate the annuity. If a second SBP benefit resulted from the remarriage, the surviving spouse must elect which of the two SBP benefits to receive. Should the surviving spouse remarry at age 55 or older, the annuitant will continue to receive the monthly annuity. The surviving spouse must notify DFAS of any changes in marital status. See AFI 36-3006, *Survivor Benefit Plan (SBP)* for additional information.

4.13.1. The CAR will fax the claim forms and any supporting documentation, as listed in **Table 4.2**, to AFPC/DPWCS at DSN 665-2348, and DFAS-CL at DSN 580-6321.

4.13.2. For active duty deaths when the member is survived by both a spouse and child(ren) contact AFPC/DPSIAR (SBP Branch) at DSN 665-2274 for guidance in processing steps to establish appropriate annuity.

4.13.2.1. AFPC/DPSIAR will process the active duty claim when the surviving spouse requests the SAF waive spouse SBP in favor of the member's children. All required SBP documentation/forms must be forwarded to AFPC/DPSIAR.

4.13.3. Surviving spouse must request the SAF pay SBP to either the spouse or the child(ren). All required SBP documentation/forms must be forwarded to AFPC/DPSIAR.

4.13.3.1. CAR must ensure surviving spouse is properly counseled on his or her options regarding the receipt of SBP annuity for both spouse and child only coverage .

4.13.4. The CAR must ensure the claim is processed and the annuity established prior to closing out the case. In some cases, the VA DIC entitlement will totally offset the SBP annuity. However, an annuity must be established regardless of the amount. There is a 6-year statute of limitations on filing an SBP claim. If a claim is not established within 6 years, there is no legal basis for establishing the claim. This is particularly important in cases when the VA DIC completely offsets the SBP annuity and the surviving spouse remarries after age 55 but before age 57 when he or she loses DIC entitlement, but the SBP annuity can be reinstated.

4.14. Reserve Component Survivor Benefit Plan (RCSBP). RCSBP is a monthly annuity paid by the Air Force to the surviving spouse or, in some cases, eligible children of an Air Reserve Component member who dies and has completed the satisfactory years of service to qualify the member for retired pay at age 60. The member must have made an election within 90 days of notification of eligibility to participate in the program. Members on an active Guard/Reserve 10211 (officer) or 12310 (enlisted) tour, are eligible to participate in the plan.

Coverage is not automatic unless the member dies before the 90-day period established by law. The initial annuity paid to a surviving spouse is equal to 55 percent of the retired pay to which the member would have been entitled at age 60, reduced by the Reserve Portion Cost. See AFI 36-3006 for additional information.

4.14.1. If the member meets the eligibility requirements, fax the claim forms and supporting documentation, as listed in [Table 4.2](#), to AFPC/DPWCS at DSN 665-2348 and DFAS-CL at 1-800-982-8459.

4.14.2. Contact the base FSO to check on the payment status of the RCSBP annuity prior to checking with DFAS.

4.15. Montgomery GI Bill Death Benefit. The VA will pay a special Montgomery GI Bill death benefit to a designated survivor in the event of the service-connected death of an individual while on active duty. Service connection is determined by the VA using an AF 348, *Line of Duty Determination*. The deceased must either have been entitled to educational assistance under the Montgomery GI Bill program or a participant in the program who would have been so entitled but for the high school diploma or length-of-service requirement. The amount paid will be equal to the participant's actual military pay reduction less any education benefits paid. If the member contributed to this program, the designated SGLI beneficiary may be entitled to the death benefit. The death benefit is paid to whoever is designated to receive the member's SGLI. To apply for the death benefit, the CAR should submit a letter or a Support of Claim along with the member's SGLI certificate (SGLV 8286), and a copy of the DD Form 1300 and AF 348, as listed in [Table 4.2](#) to the VARO, St. Louis Regional Processing Officer, ATTN: Chapter 30, Montgomery GI Bill, PO Box 66830, 331/225, St. Louis MO 63103-6830. See VAP 80-XX-1 for additional benefit information. Any changes in benefits due to the inception of the Post 9/11 GI Bill will be posted at : <https://afkm.wpafb.af.mil/AirForceCasualtyInfo> .***NOTE:** The second two digits represent the year of publication.

4.16. Dependency and Indemnity Compensation (DIC). DIC is payable by the VA to surviving spouses, unmarried children under age 18, disabled children, children between the ages of 18 and 23 if attending a VA-approved school, and low-income parents of members who die from a disease or injury incurred or aggravated while on active duty or active duty for training, an injury incurred or aggravated in the line of duty while on inactive duty for training, or a disability otherwise compensable under laws administered by the VA. DIC is not paid if the VA determines that the member's own misconduct contributed to the death. DIC paid to a surviving spouse is not based on the member's military pay grade. The amount paid for a spouse with one or more children of the deceased is increased for each child. The amount of the DIC payment for parents varies according to the number of parents, the amount of their individual or combined total annual income, and whether they live together or, if remarried, live with a spouse. DIC payments to a surviving spouse are payable for life, as long as the spouse does not remarry prior to age 57. Should the surviving spouse remarry, payments are terminated, but may be restored if the subsequent marriage ends in death, divorce or annulment. See VAP 80-XX-1, for additional information. CARs are required apply for DIC benefits in **ALL** death cases. ***NOTE:** The second two digits represent the year of publication.

4.16.1. To apply for DIC, the CAR should complete the appropriate claim application as listed in [Table 4.2](#).

4.16.2. Fax the original claim application and copies of any supporting documentation to (215) 381-3084, the VA Regional Office, P. O. Box 8079, Philadelphia, PA 19101. DIC claims for retirees who die within 120 days of retirement are processed through the VARO in Cleveland Ohio.

4.17. Non-service-Connected Death Pension. If the VARO determines that the NOK is not eligible for DIC, they may be eligible to apply for a non-service-connected death pension. Surviving spouses of deceased members with wartime service and unmarried children under age 18, or age 23 if attending a VA-approved school, may be eligible for this pension if they meet income limitations prescribed by law. Qualifying children who become incapable of self-support because of a disability before age 18 may be eligible for a pension as long as the condition exists unless the child marries or the child's income exceeds the income limit. The rate of pension depends on the amount of income the surviving spouse or child receives from other sources. A pension is not payable to those whose estates are so large that it is reasonable to assume the estate will maintain them financially. The VA will determine their eligibility. See VAP 80-XX-1, for additional information. **NOTE:* The second two digits represent the year of publication.

4.17.1. Eligible survivors should visit their local VA office to complete the appropriate claim application with the supporting documentation as listed in [Table 4.2](#).

4.18. Servicemembers' Group Life Insurance (SGLI). The SGLI payment is the maximum allowable by law, unless the member elected a lesser amount or declined coverage in writing. Monthly premium payments for the level of coverage selected by the member were automatically deducted from the member's pay. The Office of Servicemembers' Group Life Insurance (OSGLI) under the jurisdiction of the Department of VA makes determination and payment of proceeds. The claim form required to apply for this benefit is VA Form SGLV 8283. Payment of proceeds to a beneficiary is exempt from taxation. The insured member may have designated as principal or contingent beneficiary any person, firm, corporation or legal entity, including his/her estate, individually or as a trustee. If the member designated a trust, he/ she indicated the name and date of the trust in the beneficiary block. If the member designated a trust through a will, he/she annotated "Last Will and Testament" in the beneficiary block. If the member chose not to designate a specific beneficiary but preferred the proceeds be paid in the order of precedence, the member selected the "By Law" designation.

4.18.1. When the "By Law" designation is used, the proceeds are automatically paid in the following order of precedence:

4.18.1.1. The member's lawful surviving spouse.

4.18.1.2. If there is no spouse, to the child or children of the member in equal shares, with the shares of any deceased child to be distributed among the descendants of that child.

4.18.1.3. If none of the above, to the parents of the member in equal shares or to the surviving parent.

4.18.1.4. If none of the above, to the duly appointed legal representative of the member's estate.

4.18.1.5. If none of the above, to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.18.2. See [Paragraph 8.6](#) and VA Handbook, Servicemembers' and Veterans' Group Life Insurance Handbook, for additional information.

4.18.3. To apply for the SGLI, the CAR should complete the required claim form listed in table 4.2.

4.18.4. Fax the form and a copy of the initial death report to OSGLI at 1-877-832-4943.

4.18.5. Contact OSGLI to check on the payment status at 1-800-419-1473.

4.19. Social Security Payments. Social Security monthly benefits are paid to a spouse or a divorced spouse, age 60 or over; a spouse or divorced spouse regardless of age with children of the decedent under age 16 or disabled in their care and meeting Social Security requirements. A divorced spouse must have been married to the servicemember at least 10 years. Monthly payments are also paid to children until age 18, 19 if a full-time student at a primary or secondary school, or age 18 or older if disabled before age 18. Spouses who wait until age 65 to apply for Social Security receive maximum benefits. However, they can receive reduced Social Security payments between ages 60 and 65. Dependent parents are eligible for benefits at age 62 if they were more than 50 percent dependent on the deceased servicemember for their support. The amount paid can only be determined by the Social Security Administration, which has a record of the wages earned by the member during the period of both military and civilian employment under the Social Security Program. To apply for this benefit, the CAR should contact the Expedited Claims Processing Center in Philadelphia, PA at 1-866-777-7887, as soon as they obtain sufficient NOK information to establish the claim. This office will explain the benefit, determine their eligibility, the amount to be paid, and contact the NOK directly if additional documentation is required. The Expedited Claims Processing Center will establish the claim immediately based on the information provided by the CAR.

4.20. Social Security Lump Sum Death Payment. The Social Security Administration pays a lump sum death payment, up to \$255, to the surviving spouse living with the member at the time of death. Separation because of military service, is considered living together. If there is no surviving spouse, it is paid to the oldest child who was eligible for or entitled to Social Security benefits during the month of the member's death. No other survivors are entitled to this benefit. This benefit is paid even if burial, funeral, or memorial benefits were paid by the Air Force. To apply for this benefit, the CAR should contact the Expedited Claims Processing Center in Philadelphia, PA at 1-866-777-7887, as soon as they obtain sufficient NOK information to establish the claim. This office will explain the benefit, determine their eligibility, the amount to be paid, and contact the NOK directly if additional documentation is required. The Expedited Claims Processing Center will establish the claim immediately based on the information provided by the CAR.

4.21. The Thrift Savings Plan (TSP) is a retirement savings and investment plan for Federal employees. Congress established the TSP in the Federal Employees' Retirement System Act of 1986. The purpose of the TSP is to provide retirement income. The TSP offers Federal employees the same type of savings and tax benefits that many private corporations offer their employees under "401(k)" plans. TSP regulations are published in title 5 of the Code of Federal Regulations, Parts 1600–1690, and are periodically supplemented and amended in the Federal Register. On October 30, 2000. The Floyd D. Spence National Defense Authorization Act was signed; it extends participation in the TSP to members of the uniformed services, including the Ready Reserve. Participation can be confirmed through the base FSO or by calling TSP at 1-877-

968-3778 to report the death of the member. If the member contributed to this program, the death benefit will be paid to whoever is designated beneficiary. To apply for the death benefit the CAR should submit the TSP Form 17 (available at <http://www.tsp.gov>) DD Form 1300, civilian death certificate. and fax to (703) 592-0170.

4.22. Other Assistance. The CAR should address these matters:

4.22.1. Living outside the CONUS. If the NOK plan to establish residence outside the CONUS, the CAR should:

4.22.1.1. Advise them that military privileges may or may not be available to them.

4.22.1.2. Advise them that the government will not pay import duties on items such as household goods and automobiles.

4.22.1.3. Contact the overseas installation nearest the NOK's planned residence to obtain current information about military privileges and import duties, then send the information in writing to the NOK (see AFI 24-101, Passenger Movement).

4.22.2. Status of Forces Agreements. The CAR should:

4.22.2.1. Tell the NOK living overseas, that due to host country restrictions in Status of Forces Agreements, they may have to live independently of the overseas installation.

4.22.2.2. Summarize the relevant information on the AF Form 58 (see **Attachment 9**).

4.22.3. Fraudulent claims. The CAR should:

4.22.3.1. Counsel the NOK about possible fraudulent claims against the deceased member's estate.

4.22.3.2. Advise the NOK to refer any suspicious requests for money to the summary court officer or the executor of the deceased member's estate.

4.22.4. Uniformed Services Identification (ID) and Privilege Card. The CAR should:

4.22.4.1. Obtain and destroy whichever of these military ID cards the member carried:

4.22.4.1.1. DD Form 2 (Active), *Armed Forces of the United States*.

4.22.4.1.2. DD Form 2 (Reserve), *Armed Forces of the United States*.

4.22.4.2. Document the issue and expiration date in the Additional Comments Section of the AF Form 58 and ask the NOK if there are any Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) or TRICARE claims pending against the member's ID card.

4.22.4.3. Destroy the ID card by cutting it up or give it to the Customer Service element for destruction.

4.22.4.4. Escort the NOK and assist them with applying for new ID cards.

4.22.5. Harassment or threats. The CAR should:

4.22.5.1. Advise the NOK to contact them immediately if anyone harasses them, either by telephone or in threatening letters.

4.22.5.2. Inform the local OSI of such threats or harassment.

4.22.6. Special surveillance. If necessary, the CAR should request for the local police to add special surveillance around the NOK's home while they are away for the funeral.

4.22.7. Mortuary matters. The CAR should:

4.22.7.1. Not answer questions about:

4.22.7.1.1. The recovery, identification, preparation, or shipment of remains.

4.22.7.1.2. Escorts, military honors, and personal property.

4.22.7.2. Refer questions concerning mortuary to the local Mortuary Affairs Officer or AFMAO, 116 Purple Heart Drive, Dover AFB DE 19902 or call them toll free at 1-800-531-5803 (DSN 445-5803).

4.22.8. Awards and decorations. The CAR should not discuss pending awards or decorations.

4.22.8.1. When the NOK have questions, the CAR should contact AFPC Recognition Programs Branch (DPSIDRA) at DSN 665-2516, or other applicable approval authority, for further instructions.

4.22.9. Civilian death certificate. The CAR should:

4.22.9.1. Tell the NOK that they might need additional copies of the civilian death certificate in the future.

4.22.9.2. Explain that the Air Force is not authorized to purchase the death certificates for the NOK.

4.22.9.3. Provide the NOK with the cost for a certified copy of the death certificate and the address of the appropriate State Vital Statistics Office or Health Department.

4.22.9.4. Refer the NOK to the funeral director for assistance in obtaining copies of the death certificate.

4.22.9.5. **NOTE:** Although each state has different policies, some states or counties will provide the CAR with a free "no-fee" death certificate if it will be used to claim government entitlements. When requesting a "no-fee" death certificate, indicate the purpose is for official government use and identify yourself as the Casualty Assistance Representative or Officer.

4.22.10. Federal income tax refunds and credits. The CAR should:

4.22.10.1. Advise the NOK that special tax rules may apply if:

4.22.10.1.1. An active duty member dies in a combat zone or from wounds, disease, or injuries received in a combat zone.

4.22.10.1.2. The Air Force declares a missing member deceased; applies to members missing in action, captured by a hostile force, or involuntarily detained in a foreign country.

4.22.10.1.3. A member or civilian US employee dies from wounds or injuries received in a terrorist or military action outside the United States.

4.22.10.2. Refer the NOK to the Internal Revenue Service (IRS) Publication 3, Armed Forces Tax Guide, for guidance on claiming tax refunds and credits for deceased active duty members (including Reservists called to active duty).

4.22.10.3. AFPC/DPWCS notifies the primary CAR if IRS refunds and credits rules apply and completes a DD Form 1300 for the NOK with the remark, "Internal Revenue Code, Title 26 U.S.C. Section 692, applies."

4.22.11. Lapel button. The CAR provides this lapel button (Stock number NSN 8455-01-088-4946, DSA number 100-80-C-2997) to the NOK of members who lost their lives while serving on extended active duty or while assigned to an Air National Guard or Air Force Reserve unit in a drill status. It is also provided to NOK of members who lost their lives as a result of an international terrorist attack against the United States, recognized as such by the Secretary of Defense or military operations (includes those involving members of the Armed Forces assisting in United States government-sponsored training of military personnel of a foreign nation) while serving outside the United States (includes the commonwealths, territories, and possessions of the United States) as part of a peacekeeping force (includes those personnel assigned to a force engaged in a peacekeeping operation authorized by the United Nations Security Council). See AFI 36-2803 for additional information.

4.23. Transferring Active Duty Casualty Assistance Case Files.

4.23.1. AFPC/DPWCS monitors the transfer of all case files.

4.23.2. Do not transfer an active duty case file:

4.23.2.1. When the NOK leaves the area temporarily.

4.23.2.2. If the NOK does not want the case transferred.

4.23.2.3. To an overseas installation without approval from AFPC/DPWCS.

4.23.3. To transfer an active duty case file:

4.23.3.1. Transfer a case file only when the NOK leaves the area permanently and provides a firm address or location.

4.23.3.2. The CAR should:

4.23.3.2.1. Obtain from the NOK a firm address and telephone number at the new location, and the projected date of their arrival there.

4.23.3.2.2. Immediately notify AFPC/DPWCS at DSN 665-3505 or 1-800-433-0048, and the gaining CAR, of the NOK's new address, telephone number and projected date of arrival there.

4.23.3.2.3. Review the AF Form 58 to ensure all items on the form, except addresses, are typed, error-free, legible, and up to date. **NOTE:** The gaining CAR must update addresses when the case is closed.

4.23.3.2.4. Complete the “1st IND To” and “From” blocks, type your signature block, and sign below the last entry in item 11 on the AF Form 58.

4.23.3.2.4.1. Do not complete items 13 and 14.

4.23.3.2.8.1. Provide information on assistance given to and completed for the NOK.

4.23.3.2.8.2. Provide the NOK’s new address, telephone number, and projected date of arrival there.

4.23.3.2.8.3. Request the gaining CAR contact the losing CAR when the case file is received. If the case file does not arrive within 10 calendar days, advise the losing CAR.

4.24. Gaining CAR’s Initial Contact with NOK.

4.24.1. The gaining CAR must contact the NOK within 24 hours of the NOK’s projected date of arrival at the new address and comply with **Paragraph 4.5** and **4.6**. (**EXCEPTION:** If the losing CAR makes a casualty assistance visit or the NOK advises that additional visits are not necessary, this requirement is waived. This does not preclude a visit if the NOK wants one.)

4.24.1.1. Make initial contact by telephone.

4.24.1.2. Find out if the NOK has any immediate concerns or problems.

4.24.1.3. Confirm the address.

4.25. Administrative Closing of Casualty Assistance Cases.

4.25.1. Closing casualty assistance cases is an administrative action for control of records and does not preclude further assistance to the NOK, such as appealing denials of benefits. The CAR follows these procedures to close casualty assistance cases:

4.25.2. Close cases on deceased members no later than 6 months from the date of death.

4.25.2.1. Close cases as soon as complete and satisfactory assistance has been provided to the NOK, but not before all monetary benefits have been received.

4.25.2.2. If benefits applied for are denied or delayed beyond 6 months, contact AFPC/DPWCS for assistance and to request an extension.

4.25.2.3. Do not hold open a case to complete items 10K through 10W on the AF Form 58. Counsel the NOK and enter the date counseled.

4.25.3. Close cases involving members returned to military control from a missing status within 90 days after the member's return to military control.

4.25.4. Scan and email a typed, error-free AF Form 58 (see [Attachment 9](#)) to AFPC/DPWCS, 550 C Street West, Suite 14, Randolph AFB TX 78150-4716.

4.25.4.1. Ensure all items are properly completed to include:

4.25.4.1.1. Dates are recorded accurately.

4.25.4.1.2. Items 13 and 14 are signed and dated by the CAR.

4.25.4.2. If more than one installation provided assistance, make sure other NOK or persons designated beneficiaries applied for and received the benefits (see [Paragraph 4.2.4](#)).

4.26. Extension Request.

4.26.1. When benefits have not been settled by the 5th month after the date of death and the 6-month period will need to be exceeded, request an extension from AFPC/DPWCS in a memorandum, e-mail, or message.

4.26.2. The memorandum, e-mail or message should include the:

4.26.2.1. Reason for the extension.

4.30. Death Gratuity. A lump sum gratuitous payment made by DFAS-CL Center to eligible beneficiaries of a retiree who dies within 120 days following placement on the permanent or temporary disability retired list (PDRL/TDRL), or who is retired for years of service. Payments can be made only after the VA determines death was caused by an illness or injury incurred while the retiree was on active duty, ADT, or IDT. Under no circumstances will the local FSO make payments in these cases. The claim forms required to apply for this benefit are DD Form 397, *Claim Certificate and Voucher for Death Gratuity Payment*, VA DIC Worksheet, VA Form 21-534, *Application for Dependency and Indemnity Compensation, or Death Pension Accrued Benefits by Surviving Spouse or Child*, or VA Form 21-535, *Application for Dependency and Indemnity Compensation by Parent(s)*.

4.30.1. The member may select one or more persons of their choosing to receive the death gratuity. Death Gratuity is designated on the member's vRED or DD 93, in 10% increments.

4.30.1.1. In the absence of a designation the death gratuity payment is made to survivors of the deceased in this order:

4.30.1.2. The member's lawful surviving spouse.

4.30.1.3. When there is no spouse, to the child or children of the member, regardless of age or marital status, in equal shares (state laws guide payment to minor children). **NOTE:** DFAS-CL (Special Accounts Branch) makes payment to minor children within 30 days after receipt of DD Form 397 and supporting documentation.

4.30.1.4. If none of the above, to the parents of the member in equal shares or to the surviving parent.

4.30.1.5. If none of the above, to the duly appointed legal representative of the member's estate.

4.30.1.6. If none of the above, to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.30.2. Refer to DODR 7000.14-R, *DoD Financial Management Regulation, Volume 7A, Military Pay Policy and Procedures Active Duty and Reserve Pay*, Chapter 36, *Payment on Behalf of Deceased Members*, and Table 36-4, *Responsibility for Payment of Death Gratuity—Air Force*.

4.30.2.1. To apply for the death gratuity, the CAR should obtain a copy of DD Form 397 from the base FSO.

4.30.2.2. Complete all items on the form except items 1, 2, 3, 4 and 15, which are left blank.

4.30.2.3. Add the payee's SSN in item 5.

4.30.2.4. Fax or scan and email the form to AFPC/DPWCS, at DSN 665-2348, along with any supporting documentation as listed in [Table 4.3](#).

4.30.2.5. Fax the form and copies of any supporting documentation to DFAS-CL/FRCAE to DSN: 580-6321 (see [Table 4.3](#)).

4.30.2.6. The CAR should complete either a VA Form 21-534a , VA Form 21-534 or VA Form 21-535, as applicable, and follow the procedures in [Paragraph 4.34](#).

4.31. Financial Assistance.

4.31.1. The CAR should ask the NOK about their immediate financial needs.

4.31.2. If the NOK is not eligible for the death gratuity payment, or if immediate payment is not possible, with the NOK's permission, contact the nearest ARC or AFAS representative located in the FSC, for possible assistance.

4.32. Unpaid Pay and Allowances for Retirees within 120 days. The retirement pay of an Air Force retired member stops on the first day of the month in which the retiree died. Upon death of a retired member, any pay and allowances due but not paid to the member are paid to the designated beneficiary named by the member prior to retirement. Normally, this amounts to the

retirement pay from the first day of the month of death through the date of death. Retirement pay electronically deposited into an account held by a retiree will automatically be recouped by DFAS-CL and reissued to the beneficiary for the correct amount.

4.32.1. When the designated beneficiary is deceased, or if the member elected “order of precedence,” any money due is paid to the first eligible recipient in the following order:

4.32.1.1. The member’s lawful surviving spouse.

4.32.1.2. When there is no spouse, to the child or children of the member in equal shares, with the share of any deceased child to be distributed among the descendants of that child.

4.32.1.3. If none of the above, to the parents of the member in equal shares or to the surviving parent.

4.32.1.4. If none of the above, to the duly appointed legal representative of the member’s estate.

4.32.1.5. If none of the above, to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.32.2. To apply for the unpaid pay and allowances, the CAR should complete the required claim form as listed in [Table 4.3](#).

4.32.3. Fax the claim form and copies of any supporting documentation, as listed in [Table 4.3](#), to DFAS-CL, at 1-800-469-6559.

4.32.4. When the unpaid pay and allowances are divided, the base with primary assistance responsibility submits all claim forms in one package.

4.32.5. Contact the base FSO to check on the payment status of the unpaid pay and allowances prior to checking with DFAS-CL.

4.33. SBP. SBP is a monthly annuity paid by the Air Force. This program allows personnel who retired on or after 21 September 1972, to receive reduced retired pay in order to provide a monthly annuity to their beneficiaries after the death of the retiree. The retiree designates the beneficiaries. Participation in this program is voluntary. SBP provides an eligible surviving spouse or former spouse or, in some cases, eligible children financial security similar to the financial security a retiree had in retired pay—a cost-of-living-adjusted monthly income for life. See AFI 36-3006, for additional benefit information.

4.33.1. If the retiree participated in SBP, fax the required claim forms and copies of any supporting documentation as listed in [Table 4.3](#) to AFPC/DPWCS at DSN 665-2348, and DFAS at 1-800-982-8459.

4.33.2. Fax the claim forms and copies of any supporting documentation to DFAS-CL at 1-800-982-8459.

4.33.3. Contact the base FSO to check on the payment status of the SBP annuity prior to checking with DFAS.

4.34. RCSBP. RCSBP is a monthly annuity paid by the Air Force to the surviving spouse or, in some cases, eligible children, of an Air Reserve Component member who dies and has completed the satisfactory years of service to qualify the member for retired pay at age 60. The

retiree designates the beneficiaries. The beneficiary choices are the same as for SBP. Participation in the program is voluntary. See AFI 36-3006 for additional benefit information:

4.34.1. If the retiree participated in RCSBP, fax the claim forms and supporting documentation as listed in **Table 4.3** to AFPC/DPWCS at DSN 665-2348, and DFAS at 1-800-982-8459.

4.34.2. Fax the claim forms and copies of supporting documentation to DFAS-CL at 1-800-982-8459.

4.34.3. Contact the base FSO to check on the payment status of the RCSBP annuity prior to checking with DFAS.

4.35. DIC. DIC is payable by the VA to surviving spouses, unmarried children under age 18, disabled children, children between the ages of 18 and 23 if attending a VA-approved school, and low-income parents of retirees who die from a disease or injury incurred or aggravated while on active duty or active duty for training, an injury incurred or aggravated in the line of duty while on inactive duty for training, or a disability otherwise compensable under laws administered by the VA. DIC is not paid if the VA determines that the retiree's own misconduct contributed to the death. The monthly DIC rate paid to a surviving spouse of a retiree for deaths occurring after 1 January 1993 is the same for all pay grades. The DIC amount paid for a spouse with one or more children of the deceased retiree is increased for each child. The amount of the DIC payment for parents varies according to the number of parents, the amount of their individual or combined total annual income, and whether they live together or, if remarried, live with a spouse. DIC payments to a surviving spouse are payable for life, as long as the spouse does not remarry prior to age 57. Should the surviving spouse remarry, payments are terminated, but may be restored if the subsequent marriage ends in death, divorce or annulment. See VAP 80-XX-1 for additional information. ***NOTE:** The second two digits represent the year of publication.

4.35.1. When assisting the survivor of a member who dies within 120 days following placement on the PDRL or TDRL:

4.35.1.1. Follow the procedures for death gratuity in **Paragraph 4.29**.

4.35.1.2. Complete the appropriate DIC claim application as listed in **Table 4.3**.

4.35.1.3. Fax the claim application and copies of required documents and any supporting documentation as listed in **Table 4.3** to AFPC/DPWCS at DSN 665-2348.

4.35.1.4. Fax the claim application along with copies of required documents and any supporting documentation, as listed in **Table 4.3**, to VARO-CL, ATTN: Adjudication Officer 21, at 216 522-8262.

4.35.2. When assisting the survivor of an Air Force member retired for years of service who dies within 120 days following retirement:

4.35.2.1. Follow the procedures for death gratuity in **Paragraph 4.29**.

4.35.2.2. Complete the appropriate DIC claim application as listed in **Table 4.3**.

4.35.2.3. Fax the claim application and copies of required documents and any supporting documentation, as listed in **Table 4.3**, to the VARO to process the claim.

4.35.3. Remember, even if no one is eligible for DIC you should submit the appropriate claim application so the VA can determine if the death is service connected before DFAS-CL will pay the death gratuity.

4.35.4. When the VARO makes a determination of service connection, fax the signed VA Rating Decision to AFPC/DPWCS at DSN 665-2348.

4.35.4.1. The rating should contain the signature of the VA rating specialist, and the statement that basic eligibility for death gratuity, under Title 38, U.S.C., Chapter 35, is established.

4.35.5. AFPC/DPWCS will advise DFAS-CL that payment of the death gratuity is or is not authorized, and DFAS-CL will annotate their case file accordingly and make payment if authorized.

4.35.5.1. When assisting the spouse of a retiree who is in receipt of VA disability compensation, the spouse can receive the member's final month's VA disability compensation through the DIC application only.

4.36. Non-Service-Connected Death Pension. If the VARO determines that the NOK is not eligible for DIC, they may be eligible to apply for a non-service-connected death pension. Surviving spouses of deceased members with wartime service and unmarried children under age 18, age 23 if attending a VA-approved school, may be eligible for this pension if they meet income limitations prescribed by law. Qualifying children who become incapable of self-support because of a disability before age 18 may be eligible for a pension as long as the condition exists, unless the child marries or the child's income exceeds the income limit. The rate of pension depends on the amount of income the surviving spouse or child receives from other sources. A pension is not payable to those whose estates are so large that it is reasonable to assume the estate will maintain them financially. The VA will determine their eligibility. See VAP 80-XX-1 for additional information. ***NOTE:** The second two digits represent the year of publication.

4.36.1. To apply for a non-service-connected death pension, eligible survivors should visit their local VA office to complete the appropriate claim application and provide supporting documentation as listed in [Table 4.3](#).

4.37. SGLI. Retirees are covered for 120 days following retirement with no additional premium during the 120-day period. Retirees rated totally disabled on the date of retirement retain SGLI coverage until the disability ceases to be total in degree, but not for more than 2 years. Determination and payment of proceeds are made by the OSGLI under the jurisdiction of the VA. Payment of proceeds to a beneficiary is exempt from taxation. The insured member may have designated as principal or contingent beneficiary any person, firm, corporation or legal entity, including his/her estate, individually or as a trustee. If the member designated a trust, he/she indicated the name and date of the trust in the beneficiary block. If the member designated a trust through a will, he/she annotated "Last Will and Testament" in the beneficiary block. If the member chose not to designate a specific beneficiary but preferred the proceeds be paid in the order of precedence, the member selected the "By Law" designation.

4.37.1. When the "By Law" designation is used, the proceeds are automatically paid in the following order of precedence:

4.37.1.1. The member's lawful surviving spouse.

4.37.1.2. If there is no spouse, to the child or children of the member in equal shares, with the shares of any deceased child to be distributed among the descendants of that child.

4.37.1.3. If none of the above, to the parents of the member in equal shares or to the surviving parent.

4.37.1.4. If none of the above, to the duly appointed legal representative of the member's estate.

4.37.1.5. If none of the above, to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.37.2. See **Paragraph 8.6** and *VA Handbook, Servicemembers' and Veterans' Group Life Insurance Handbook*, for additional information.

4.37.3. To apply for SGLI, the CAR should complete the claim form as listed in **Table 4.3**

4.37.4. Fax the form to AFPC/DPWCS at DSN 665-2348.

4.37.5. Fax the form and a copy of the Initial Death Report to OSGLI at 1-877-832-4943.

4.37.6. Scan and email the form and copies of any supporting documentation, as listed in **Table 4.3**, to AFPC/DPWCS, .

4.37.7. Contact OSGLI to check on the payment status of the SGLI.

4.38. Service Disabled Veterans Insurance (SDVI) or National Service Life Insurance RH (NSLI-RH). SDVI is life insurance limited to veterans who left the Service after 24 April 1951. A member who had a service-connected disability but was otherwise in good health could apply to the VA for up to \$10,000 in SDVI life insurance coverage at standard rates. Members rated totally disabled by the VA could apply for a waiver of premiums. For those members eligible for this waiver, additional coverage of up to \$20,000 is available, but the premiums cannot be waived. See VAP 80-XX-1, for additional information. ***NOTE:** The second two digits represent the year of publication.

4.38.1. If the retiree was covered under SDVI, complete the claim form as listed in **Table 4.3**.

4.38.2. Mail the original claim form and copies of any supporting documentation, as listed in **Table 4.3**, to the VARO and Insurance Center, Box 8079, Philadelphia PA 19101.

4.39. Montgomery GI Bill Death Benefit. The VA will pay a special Montgomery GI Bill death benefit to a designated survivor if the death is determined to be in the LOD or within 1 year after discharge or release. The deceased must either have been entitled to educational assistance under the Montgomery GI Bill program or a participant in the program who would have been so entitled but for the high school diploma or length-of-service requirement. The amount paid will be equal to the participant's actual military pay reduction less any education benefits paid. The death benefit is paid to the SGLI beneficiary. The CAR should submit a letter, along with the member's SGLV 8286 listing the beneficiary, and a copy of the DD Form 1300 and AF Form 348, **Line of Duty Determination**, as listed in **Table 4.3** to the VARO, St. Louis Regional Processing Officer, ATTN: Chapter 30, Montgomery GI Bill, PO Box 66830, 331/225, St. Louis MO 63103-6830. See VAP 80-XX-1*, for additional benefit information. ***NOTE:** The second two digits represent the year of publication.

4.40. Social Security Payments. Social Security monthly benefits are paid to a spouse or a divorced spouse, age 60 or over; a spouse or divorced spouse regardless of age with children of the decedent under age 16 or disabled in their care and meeting Social Security requirements. A divorced spouse must have been married to the servicemember at least 10 years. Monthly payments are also paid to children until age 18, or 19 if a full-time student at a primary or secondary school, or age 18 or older if disabled before age 18. Spouses who wait until age 65 to apply for Social Security receive maximum benefits. However, they can receive reduced Social Security payments between ages 60 and 65. Dependent parents are eligible for benefits at age 62 if they were more than 50 percent dependent on the deceased servicemember for their support. The amount paid can only be determined by the Social Security Administration, which has a record of the wages earned by the member during the period of both military and civilian employment under the Social Security Program. To apply for this benefit, the CAR should contact the "Expedited Claims Processing Center" in Philadelphia, PA at 1-866-777-7887, as soon as they obtain sufficient NOK information to establish the claim. This office will explain the benefit, determine their eligibility, the amount to be paid, and contact the NOK directly if additional documentation is required. The "Expedited Claims Processing Center" will establish the claim immediately based on the information provided by the CAR.

4.41. Social Security Lump Sum Death Payment. The Social Security Administration pays a lump sum death payment, up to \$255, to the surviving spouse living with the member at the time of death. Separation because of military service, is considered living together. If there is no surviving spouse, it is paid to the oldest child who was eligible for or entitled to Social Security benefits during the month of the member's death. No other survivors are entitled to this benefit. This benefit is paid even if burial, funeral, or memorial benefits were paid by the Air Force. To apply for this benefit, the CAR should contact the "Expedited Claims Processing Center" in Philadelphia, PA at 1-866-777-7887, as soon as they obtain sufficient NOK information to establish the claim. This office will explain the benefit, determine their eligibility, the amount to be paid, and contact the NOK directly if additional documentation is required. The "Expedited Claims Processing Center" will establish the claim immediately based on the information provided by the CAR.

4.42. The Thrift Savings Plan (TSP) is a retirement savings and investment plan for Federal employees. Congress established the TSP in the Federal Employees' Retirement System Act of 1986. The purpose of the TSP is to provide retirement income. The TSP offers Federal employees the same type of savings and tax benefits that many private corporations offer their employees under "401(k)" plans. TSP regulations are published in title 5 of the *Code of Federal Regulations*, Parts 1600–1690, and are periodically supplemented and amended in the Federal Register. On October 30, 2000, the *Floyd D. Spence National Defense Authorization Act* was signed; it extends participation in the TSP to members of the uniformed services, including the Ready Reserve. Participation can be confirmed through the base FSO or by calling TSP at 1-877-968-3778 to report the death of the member. If the member contributed to this program, the death benefit will be paid to whoever is designated beneficiary. To apply for the death benefit the CAR should submit the TSP Form 17 (available at <http://www.tsp.gov>) DD Form 1300, civilian death certificate, and fax to (703) 592-0170.

4.43. Other Assistance. The CAR addresses these other matters:

4.43.1. Living Outside the CONUS. If the NOK plan to establish residence outside the CONUS, the CAR should:

- 4.43.1.1. Advise them that military privileges may or may not be available to them.
- 4.43.1.2. Advise them that the government will not pay import duties on items such as household goods and automobiles.
- 4.43.1.3. Contact the overseas installation nearest the NOK's planned residence to obtain current information about military privileges and import duties, then send the information in writing to the NOK (see AFI 24-101).
- 4.43.2. Status of Forces Agreements. The CAR should:
 - 4.43.2.1. Tell NOK living overseas that due to host-country restrictions in Status of Forces Agreements, they may have to live independently of the overseas installation.
 - 4.43.2.2. Summarize the relevant information on the AF Form 58.
- 4.43.3. Fraudulent Claims. The CAR should:
 - 4.43.3.1. Counsel the NOK about possible fraudulent claims against the deceased member's estate.
 - 4.43.3.2. Advise them to refer any suspicious requests for money to the executor of the deceased member's estate.
- 4.43.4. Uniformed Services Identification (ID) and Privilege Card. The CAR should:
 - 4.43.4.1. Obtain from the NOK the member's DD Form 2 (Retired), *United States Uniformed Services ID Card*.
 - 4.43.4.2. Document the issue and expiration date in the Additional Comments Section of the AF Form 58 and ask the NOK if there are any CHAMPUS or TRICARE claims pending against the member's ID card.
 - 4.43.4.3. Destroy the ID card (cut it up or give it to the ID card issuing agency for destruction).
 - 4.43.4.4. Escort the NOK and assist them with applying for new ID cards.
- 4.43.5. Harassment or threats. The CAR should:
 - 4.43.5.1. Advise the NOK to contact the CAR immediately if anyone harasses them, either by telephone or in threatening letters.
 - 4.43.5.2. Inform the local OSI of such threats or harassment.
- 4.43.6. Special surveillance. If necessary, the CAR should request for the local police to add special surveillance around the NOK's home while they are away for the funeral.
- 4.43.7. Mortuary matters. The CAR should refer all questions relating to mortuary affairs (i.e., burial, transport or escort of remains, etc.) to the local Mortuary Officer or AFMOA, by calling them toll free at 1-800-531-5803 or DSN 445-5803.
- 4.43.8. Civilian death certificate. The CAR should:

4.44.2.1. When the NOK leaves the area temporarily.

4.44.2.2. If the NOK does not want the case transferred.

4.44.2.3. To an overseas installation without approval from AFPC/DPWCS.

4.44.3. To transfer a 120-day retiree case file:

4.44.3.1. Transfer a case file only when the NOK leaves the area permanently and provides a firm address or location.

4.44.3.2. The CAR should:

4.44.3.2.1. Obtain from the NOK a firm address and telephone number at the new location, and the projected date of their arrival at the new location.

4.44.3.2.2. Immediately notify AFPC/DPWCS at DSN 665-3505 or 1-800-433-0048, and the gaining CAR of the NOK's new address, telephone number and projected date of arrival at the new address.

4.44.3.2.3. Review the AF Form 58 to ensure all items, except addresses, are typed error-free, legible, and up to date. **NOTE:** The gaining CAR must update addresses when the case is closed.

4.44.3.2.4. Complete the "1st IND To" and "From" blocks, type your signature block, and sign below the last entry in item 11 on the AF Form 58.

4.44.3.2.4.1. Do not complete items 13 and 14.

4.44.3.2.5. Send the case file by certified mail, return receipt requested, to the gaining CAR, including the typed original copy of the partially completed AF Form 58.

4.45.1.2. Find out if the NOK has any immediate concerns or problems.

4.45.1.3. Confirm the address.

4.45.1.4. Offer a casualty assistance visit.

4.45.2. A casualty assistance visit to the NOK is mandatory whenever a retiree dies within 120 days of retiring. **EXCEPTION:** If the losing CAR has already made a casualty assistance visit or the NOK advises that additional visits are not necessary, this requirement is waived. This does not preclude a visit if the NOK wants one.

4.45.3. Offer casualty assistance visit to other beneficiaries, or assist them by mail and telephone if they agree.

4.46. Administrative Closing of Casualty Assistance Cases.

4.46.1. Closing casualty assistance cases is an administrative action for control of records and does not preclude further assistance to the NOK, such as appealing denials of benefits. The CAR follows these procedures to close a casualty assistance case:

4.46.2. Close cases on deceased members 6 months from the date of death:

4.46.2.1. Close cases as soon as complete and satisfactory assistance has been provided to the NOK, but not before all monetary benefits have been received.

4.46.2.2. If benefits applied for are denied or delayed, contact AFPC/DPWCS for assistance and to request an extension.

4.46.2.3. Don't hold a case open to complete items 10K through 10W on the AF Form 58. Counsel the NOK and enter the date counseled.

4.47. Extension Request.

4.47.1. When benefits have not been settled by the 5th month after the date of death and it appears the 6-month period will be exceeded, request an extension from AFPC/DPWCS in a memorandum, email, or message.

4.47.2. The memorandum, email, or message should include the:

4.47.2.1. Reason for the extension.

4.47.2.2. Efforts made by the CAR to resolve problems.

4.47.2.3. Estimated date the case will be closed.

4.49. Disposition of Casualty Assistance Case Files. Dispose of casualty case files IAW Air Force Records Disposition Schedule (RDS) located at <https://www.my.af.mil/gcss-af61a/afrims/afrims>.

Section 4D—Benefit Information and Casualty Assistance Procedures for Retiree Deaths More Than 120 Days After Retirement

4.50.1.7. Submit the claim applications and supporting documentation to the appropriate agencies as soon as possible.

4.50.1.8. Keep a copy of all claim applications, forms, and supporting documentation in the case file.

4.50.2. If assistance with the NOK is by mail and/or telephone, send the NOK:

4.50.2.1. A copy of AFPAM 36-3028.

4.50.2.2. All necessary claim forms (partially completed before mailing).

4.50.2.3. An error-free cover letter tailored to their needs (see **Attachment 12**).

4.50.2.4. Sign the cover memorandum or have the noncommissioned officer in charge (NCOIC) of the customer support element sign it.

4.51. Establishing Initial Contact With NOK.

4.51.1. Initial contact may be made by telephone or in person.

4.51.2. Determine if a casualty assistance visit is necessary or if you can assist the NOK through mail and telephone contact.

4.51.3. Contact other NOK or the estate executor according to their needs, as determined during the initial contact with the NOK.

4.51.4. Obtain from the NOK, a copy (original or certified copy not required) of the civilian death certificate, and mail it to USAFSAM/PHR, Air Force Mortality Registry, 8320 Laser Rd Bldg 915, Brooks City Base, TX 78235-5140 or fax to DSN 240-3567.

4.51.4.1. If the death certificate indicates an autopsy was completed, obtain a copy of the autopsy report and mail or fax to USAFSAM/PHR

4.51.4.2. If the cause of death on the death certificate reads “unknown, undetermined, pending investigation, and/or autopsy,” obtain a copy of the amended death certificate and/or autopsy report, if performed, and mail or fax to USAFSAM/PHR.

4.51.5. Each contact, by personal visit, telephone, or mail, must be annotated on AF Form 58, in item 11 (see [Attachment 9](#)).

4.51.5.1. Using [Attachment 9](#), briefly summarize relevant information in item 11, and any problems in item 12, "Additional Comments."

4.52. Benefit Assistance to Parents of a Deceased Member.

4.52.1. The CAR must advise the parents of a deceased member of their possible entitlement to VA and Social Security benefits and how to apply.

4.52.2. Send a letter (see [Attachment 10](#) and [Attachment 11](#)) to the parents no later than 15 days after the first contact with the NOK. **EXCEPTION:** If the parents as NOK are receiving an initial casualty assistance visit, advise them in person during the initial visit.

4.53. Unpaid Pay and Allowances for Retirees. The retirement pay of an Air Force member stops on the day the retiree dies. Upon the death of a retired member, any pay and allowances due but not paid to the member are paid to the designated beneficiary named by the member prior to retirement. Normally, this amounts to the retirement pay from the first day of the month of death through the date of death. Retirement pay electronically deposited into an account held by a retiree will automatically be recouped by DFAS-CL and reissued to the beneficiary for the correct amount.

4.53.1. When the designated beneficiary is deceased, or if the member elected "order of precedence," any money due is paid to the first eligible recipient in the following order:

4.53.1.1. The member's lawful surviving spouse.

4.53.1.2. When there is no spouse, to the child or children of the member in equal shares, with the share of any deceased child to be distributed among the descendants of that child.

4.53.1.3. If none of the above, to the parents of the member in equal shares or to the surviving parent.

4.53.1.4. If none of the above, to the duly appointed legal representative of the member's estate.

4.53.1.5. If none of the above, to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.53.2. To apply for the unpaid pay and allowances, the CAR should complete the claim form as listed in [Table 4.3](#).

4.53.2.1. Fax the claim form and copies of any supporting documentation, as listed in [Table 4.3](#), to DFAS-CL at 1 800-469-6559.

4.53.2.2. When unpaid pay and allowances are divided, the base with primary assistance responsibility submits all claim forms in one package.

4.54. Retired Serviceman's Family Protection Plan (RSFPP). The RSFPP program allowed personnel who retired before 21 September 1972 to receive reduced retired pay in order to provide an annuity for certain beneficiaries after the death of the retiree. Participation in this program was voluntary. See AFI 36-3006, for additional information.

4.54.1. If the retiree elected to participate in RSFPP, follow the applicable instructions listed in [Paragraph 4.55](#) or [4.56](#).

4.55. Survivor Benefit Plan (SBP). SBP is a monthly annuity paid by the Air Force. This program allows personnel who retired on or after 21 September 1972, or before if they enrolled in the program during an open season, to receive reduced retired pay in order to provide a monthly annuity to their beneficiaries after the death of the retiree. The retiree designates the beneficiaries. Participation in this program is voluntary. SBP provides an eligible surviving spouse or former spouse or, in some cases, eligible children, financial security similar to the financial security a retiree had in retired pay—a cost-of-living-adjusted monthly income for life. See AFI 36-3006 for additional information.

4.55.1. If the retiree elected to participate in SBP, follow the applicable instructions listed in [Paragraph 4.55](#) or [4.56](#).

4.56. Reserve Component Survivor Benefit Plan (RCSBP). RCSBP is a monthly annuity paid by the Air Force to the surviving spouse or, in some cases, eligible children, of an Air Reserve Component member who dies and has completed the satisfactory years of service to qualify the member for retired pay at age 60. The retiree designates the beneficiaries. The beneficiary choices are the same as for SBP. Participation in the program is voluntary. See AFI 36-3006 for additional benefit information.

4.56.1. The three options that were available to the member at time of election are:

4.56.1.1. Option A. Member declines to make an election until age 60. If death occurs prior to age 60, no annuity is payable.

4.56.1.2. Option B. Coverage provides for an annuity to begin on the 60th anniversary of member's birth, if death occurs before age 60, or to begin immediately when death occurs after age 60.

4.56.1.3. Option C. Coverage provides for an annuity to begin immediately, whether death occurs before or after age 60.

4.56.2. If the retiree participated in RCSBP, follow the applicable instructions listed in [Paragraph 4.65](#) or [4.66](#).

4.56.3. Fax the claim forms and copies of any supporting documentation, as listed in [Table 4.3](#), to DFAS-CL at 1 800 982-8459.

4.56.4. Contact the base FSO to check on the payment status of the RCSBP annuity prior to checking with DFAS.

4.57. Processing RSFPP, SBP or RCSBP Annuities at Installations With Defense Retiree and Annuitant Pay System (DRAPS) Access.

4.57.1. Payment should begin within 30 days of the death notification date. The CAR and FSO must process the annuity in time to meet this goal.

4.57.2. If the retiree participated in RSFPP, SBP or RCSBP, the CAR should:

4.57.2.1. Inform the local FSO of a confirmed death.

4.57.2.2. Give the FSO the retiree's name, SSN, date of retirement, grade, and date of death.

4.57.3. The FSO should give the CAR information on the deceased's retired pay and beneficiary's annuitant pay.

4.57.4. Within 10 workdays, the CAR should obtain from the NOK the required claim forms and supporting documentation as listed in [Table 4.3](#), and provide them to the base FSO for processing:

4.57.4.1. When RSFPP, SBP or RCSBP is divided between more than one child, and they do not reside together, the assisting CARs send all documentation using overnight mail service, to the CAR with primary assistance responsibility who will then submit all claim applications in one package to the FSO.

4.57.4.2. Fax all claim forms and supporting documentation directly to DFAS-CL at 1-800-982-8459.

4.57.5. The local FSO:

4.57.5.1. Determines the need for additional documents, depending on data already in DRAPS, and advises the CAR accordingly.

4.57.5.2. Advises the CAR if security restrictions or questionable entitlements prevent DFAS from processing the annuity package.

4.58. Processing RSFPP, SBP or RCSBP Annuities at Installations Without DRAPS Access.

4.58.1. When the casualty assistance base does not have DRAPS access, claim applications for RSFPP, SBP or RCSBP, with supporting documentation, should be submitted directly to DFAS for processing.

4.58.2. Payment should begin within 30 days of the death notification date. The CAR and DFAS should process the annuity in time to meet this goal.

4.58.3. The CAR must inform DFAS by telephone at DSN 580-6153 or 1-800-321-1080 of a confirmed death on the same day the CAR is notified.

4.58.4. When informed of the death, DFAS-CL/FRCAE immediately gives the CAR information relative to the retired pay account of the deceased, to include RSFPP or SBP election, allotments, net pay, VA and retirement pay, and beneficiary data.

4.58.5. The CAR contacts the NOK to arrange a personal visit to complete the claim forms and obtain the supporting documentation as listed in [Table 4.3](#) to establish the account.

4.58.5.1. The CAR should consider the wishes of the NOK when arranging an assistance visit.

4.58.6. Within 10 workdays of being notified of the death, the CAR Faxes the claim forms along with copies of any supporting documentation as listed in [Table 4.3](#), to DFAS-CL at 1 800-982-8459.

4.59. DIC. DIC is payable by the VA to surviving spouses, unmarried children under age 18, disabled children, children between the ages of 18 and 23 if attending a VA-approved school, and low-income parents of retirees who die from a disease or injury incurred or aggravated while on active duty or active duty for training, an injury incurred or aggravated in the line of duty while on inactive duty for training, or a disability otherwise compensable under laws

administered by the VA. DIC payments may also be authorized for the survivor of a retiree who had a service-connected total disability at the time of death but whose death was not the result of his/her service-connected disability. The survivor qualifies if the retiree was continuously rated totally disabled for a period of 10 or more years immediately preceding death, or the retiree was so rated for a period of not less than 5 years from the date of discharge from military service. Payments under this provision are subjected to offset by the amount received from judicial proceedings brought on account of the retiree's death. DIC is not paid if the VA determines that the retiree's own misconduct contributed to the death. The monthly DIC rate paid to a surviving spouse of a retiree for deaths occurring after 1 January 1993 is the same for all pay grades. The DIC amount paid for a spouse with one or more children of the deceased retiree is increased for each child. The amount of the DIC payment for parents varies according to the number of parents, the amount of their individual or combined total annual income, and whether they live together or, if remarried, live with a spouse. DIC payments to a surviving spouse are payable for life, as long as the spouse does not remarry prior to age 57. Should the surviving spouse remarry, payments are terminated, but may be restored if the subsequent marriage ends in death, divorce or annulment. See VAP 80-XX-1* for additional information. ***NOTE:** The second two digits represent the year of publication.

4.59.1. To apply for DIC complete the appropriate claim application as listed in [Table 4.3](#).

4.59.2. Mail the original claim application and copies of any supporting documentation, as listed in [Table 4.3](#), to the VARO.

4.60. Non-Service-Connected Death Pension. If the VA Regional Office (VARO) determines that the NOK is not eligible for DIC, they may be eligible to apply for a non-service-connected death pension. Surviving spouses of deceased members with wartime service and unmarried children under age 18, age 23 if attending a VA-approved school, may be eligible for this pension if they meet income limitations prescribed by law. Qualifying children who become incapable of self-support because of a disability before age 18 may be eligible for a pension as long as the disability exists, unless the child marries or the child's income exceeds the income limit. The rate of pension depends on the amount of income the surviving spouse or child receives from other sources. A pension is not payable to those whose estates are so large that it is reasonable to assume the estate will maintain them financially. The VA will determine their eligibility. See VAP 80-XX-1* for additional information. ***NOTE:** The second two digits represent the year of publication.

4.60.1. To apply for a non-service-connected death pension, eligible survivors should visit their local VA office to complete the appropriate claim application as listed in [Table 4.3](#).

4.60.2. Survivors will need to provide the supporting documentation as listed in [Table 4.3](#).

4.61. SGLI. Retirees rated totally disabled on the date of retirement retain SGLI coverage until the disability ceased to be total in degree, but not for more than 2 years. Determination and payment of proceeds are made by the OSGLI under the jurisdiction of the VA. Payment of proceeds to a beneficiary is exempt from taxation. The insured member may have designated as principal or contingent beneficiary any person, firm, corporation or legal entity, including his/her estate, individually or as a trustee. If the member designated a trust, he/she indicated the name and date of the trust in the beneficiary block. If the member designated a trust through a will, he/she annotated "Last Will and Testament" in the beneficiary block. If the member chose not to

designate a specific beneficiary but preferred the proceeds be paid in the order of precedence, the member selected the “By Law” designation.

4.61.1. When the “By Law” designation is used, the proceeds are automatically paid in the following order of precedence:

4.61.1.1. The member’s lawful surviving spouse.

4.61.1.2. If there is no spouse, to the child or children of the member in equal shares, with the shares of any deceased child to be distributed among the descendants of that child.

4.61.1.3. If none of the above, to the parents of the member in equal shares or to the surviving parent.

4.61.1.4. If none of the above, to the duly appointed legal representative of the member’s estate.

4.61.1.5. If none of the above, to the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

4.61.2. For additional information on beneficiaries, see [Paragraph 8.8](#) of this AFI and VA Handbook, for additional information.

4.61.3. If the retiree was covered under SGLI, complete the claim form as listed in [Table 4.3](#).

4.61.4. Fax the claim form and copies of any supporting documentation, as listed in [Table 4.3](#), to OSGLI, at 1-877-832-4943.

4.62. Veterans’ Group Life Insurance (VGLI). This program allows retirees, upon retirement, to convert their SGLI coverage during the first 120 days following retirement, or 1 year following retirement for totally disabled retirees. VGLI is a 5-year renewable term policy, administered by the OSGLI under the jurisdiction of the VA. VGLI is issued up to the maximum allowed by law for SGLI, but not for more than the amount of SGLI the retiree had in force at the time of retirement.

4.62.1. See the *Servicemembers’ and Veterans’ Group Life Insurance Handbook*, for additional information.

4.62.2. If the retiree was covered under VGLI, complete the claim form as listed in [Table 4.3](#).

4.62.3. Fax the claim form and copies of any supporting documentation, as listed in [Table 4.3](#), to OSGLI, at 1 877 832-4943.

4.63. Service Disabled Veterans Insurance (SDVI). SDVI is life insurance limited to veterans who left the Service after 24 April 1951. A member who had a service-connected disability but was otherwise in good health could apply to the VA for up to \$10,000 in SDVI life insurance coverage at standard rates. Members rated totally disabled by the VA could apply for a waiver of premiums. For those members eligible for this waiver, additional coverage of up to \$20,000 is available, but the premiums cannot be waived. See VAP 80-XX-1* for additional information.

***NOTE:** The second two digits represent the year of publication.

4.63.1. If the retiree was covered under SDVI, complete the claim form as listed in [Table 4.3](#).

4.63.2. Mail the original claim form and copies of any supporting documentation, as listed in [Table 4.3](#), to the VARO and Insurance Center, Box 8079, Philadelphia PA 19101 or Fax to 215 381-3561.

4.64. National Service Life Insurance (NSLI). No retiree has enrolled in this program since 23 April 1951.

4.64.1. If the retiree was covered under NSLI, complete the claim form as listed in [Table 4.3](#).

4.64.2. Mail the original form and copies of any supporting documentation, as listed in [Table 4.3](#), to the VARO and Insurance Center, Box 8079, Philadelphia PA 19101 or fax to 215 381-3561.

4.65. Veterans' Educational Assistance Program (VEAP) and Montgomery GI Bill Refunds. The VA will pay a special death benefit to a designated survivor in the event of the service-connected death of an individual within 1-year after discharge or release. The deceased must either have been entitled to educational assistance under these programs or a participant in the programs who would have been so entitled but for the high school diploma or length-of-service requirement. The amount paid will be equal to the participant's actual military pay reduction less any education benefits paid. If the retiree contributed to these programs, the NOK may be entitled to the death benefit. The death benefit is paid to the SGLI beneficiary. The CAR should submit a letter, along with the SGLI Certificate (SGLV 8286) and a copy of the DD Form 1300 as listed in [Table 4.3](#), to the appropriate VARO listed below. See VAP 80-XX-1*, for additional benefit information. Any information on the upcoming Post 9/11 GI Bill will be posted to <https://afkm.wpafb.af.mil/AirForceCasualtyInfo> as it becomes available. *NOTE: The second two digits represent the year of publication.

4.66. Social Security Payments. Social Security monthly benefits are paid to a spouse or a divorced spouse, age 60 or over; a spouse or divorced spouse regardless of age with children of the decedent under age 16 or disabled in their care and meeting Social Security requirements. A divorced spouse must have been married to the servicemember at least 10 years. Monthly payments are also paid to children until age 18, 19 if a full-time student at a primary or secondary school, or age 18 or older if disabled before age 18. Spouses who wait until age 65 to apply for Social Security receive maximum benefits. However, they can receive reduced Social Security payments between ages 60 and 65. Dependent parents are eligible for benefits at age 62 if they were more than 50 percent dependent on the deceased servicemember for their support. The amount paid can only be determined by the Social Security Administration, which has a record of the wages earned by the member during the period of both military and civilian employment under the Social Security Program. To apply for this benefit, eligible survivors should make application through the nearest Social Security Office. This office will explain the benefit, determine their eligibility, the amount to be paid, and help them complete the required claim forms. Survivors should apply early, as the law generally permits retroactive payments of only 12 months. Survivors will need to provide supporting documentation as listed in [Table 4.3](#).

4.67. Social Security Lump Sum Death Payment. The Social Security Administration pays a lump sum death payment, up to \$255, to the surviving spouse living with the member at the time of death. Separation because of military service, is considered living together. If there is no surviving spouse, it is paid to the oldest child who was eligible for or entitled to Social Security benefits during the month of the member's death. No other survivors are entitled to this benefit. This benefit is paid even if burial, funeral, or memorial benefits were paid by the Air Force. To receive this benefit, eligible survivors must make application through the nearest Social Security Office. This office will explain the benefit, determine their eligibility, the amount to be paid, and help them complete the required claim forms. Survivors will need to provide supporting documentation as listed in [Table 4.3](#).

4.68. The Thrift Savings Plan (TSP) is a retirement savings and investment plan for Federal employees. Congress established the TSP in the Federal Employees' Retirement System Act of 1986. The purpose of the TSP is to provide retirement income. The TSP offers Federal employees the same type of savings and tax benefits that many private corporations offer their employees under "401(k)" plans. TSP regulations are published in title 5 of the *Code of Federal Regulations*, Parts 1600–1690, and are periodically supplemented and amended in the Federal Register. On October 30, 2000, *The Floyd D. Spence National Defense Authorization Act* was signed; it extends participation in the TSP to members of the uniformed services, including the Ready Reserve. Participation can be confirmed through the base FSO or by calling TSP at 1-877-968-3778 to report the death of the member. If the member contributed to this program, the death benefit will be paid to whoever is designated beneficiary. To apply for the death benefit the CAR should submit the TSP Form 17 (available at <http://www.tsp.gov>), civilian death certificate, and fax to (703) 592-0170.

4.69. Other Assistance. The CAR addresses these other matters:

4.69.1. Living outside the CONUS. If the NOK plans to establish residence outside the CONUS, the CAR should:

4.69.1.1. Advise them that military privileges may or may not be available to them.

4.69.1.2. Advise them that the government will not pay import duties on items such as household goods and automobiles.

4.69.1.3. Contact the overseas installation nearest the NOK's planned residence to obtain current information about military privileges and import duties, and send the information in writing to the NOK (see AFI 24-101).

4.69.2. Status of Forces Agreements. The CAR should:

4.69.2.1. Tell NOK living overseas that due to host-country restrictions in Status of Forces Agreements, they may have to live independently of the overseas installation.

4.69.2.2. Summarize the relevant information on the AF Form 58.

4.69.3. Fraudulent claims. The CAR should:

4.69.3.1. Refer the NOK to the SJA when there are possible fraudulent claims against the deceased member's estate.

4.69.3.2. Advise them to refer any suspicious requests for money to the executor of the deceased member's estate.

4.69.4. Uniformed Services Identification (ID) and Privilege Card. The CAR should:

4.69.4.1. Obtain from the NOK the member's DD Form 2 (Retired), *United States Uniformed Services ID Card* and deactivate the card by punching a hole in it.

4.69.4.2. Document the issue and expiration date in the Additional Comments Section of the AF Form 58 and ask the NOK if there are any CHAMPUS or TRICARE claims pending against the member's ID card.

4.69.4.3. Return the inactive card to the NOK.

4.69.4.4. Escort the NOK and assist them with applying for new ID cards noting their status as survivors.

4.69.5. Civilian death certificate. The CAR should:

4.69.5.1. Tell the NOK they might need copies of the civilian death certificate in the future.

4.69.5.2. Explain that the Air Force is not authorized to purchase the death certificate for the NOK.

4.69.5.3. Provide the cost of the document and the address of the State Vital Statistics Office or Health Department.

4.69.5.4. Refer the NOK to the funeral director for assistance in obtaining copies of the death certificate.

4.70. Additional Casualty Assistance Visits or Contacts: The CAR should:

4.70.1. Contact the NOK of a deceased retiree at least once every:

4.70.1.1. Thirty days for the first 2 months after a retiree's death.

4.70.1.2. Sixty days thereafter until the NOK receives all benefits or the case is closed.

4.70.2. Make contact via letter at the six, 12, 18, and 24 month anniversaries of the death in addition to other contact based on problems encountered and the NOK's desires.

4.70.3. Monitor the case for receipt of DIC, unpaid pay and allowances, RSFPP, SBP, or RCSBP and Social Security Administration entitlements.

4.70.4. It is mandatory that CARs apply for DIC in each case. If local VA or service agencies are not available, it is your responsibility to ensure the NOK applies when appropriate.

4.70.5. When making contact with the NOK:

4.70.5.1. Give the NOK additional advice regarding benefits, if necessary, and help them file claims and applications.

4.70.5.2. Ask about the status of benefit claims or applications already processed and offer to help expedite settlement, if applicable.

4.70.5.3. Return one-of-a-kind documents (i.e., marriage or birth certificate, or divorce decree) to the NOK in person if possible or by certified mail, return receipt requested.

4.70.5.4. Annotate each contact with the NOK, and summarize relevant information on the AF Form 58, using [Attachment 9](#).

4.71. Administrative Closing of Casualty Assistance Cases.

4.71.1. Closing casualty assistance cases is only an administrative action for control of records. It does not preclude further assistance to the NOK, such as appealing denials of benefits.

4.71.2. The CAR follows these procedures:

4.71.2.1. Close retiree cases, regardless of the installation's DRAPS capability, 6 months after learning of the retiree's death, on AF Form 58.

4.71.2.2. If benefits applied for are denied or delayed by other than an Air Force agency, continue to monitor these applications until a final determination has been made.

4.71.2.3. E-mail the error-free AF Form 58 to AFPC/DPDXIDL, within 5 workdays after learning the NOK has received all benefits and entitlements in blocks 10A through 10J as appropriate, or a final determination has been made (see [Attachment 9](#)). E-mail address is: afpc.dpdxidl@randolph.af.mil.

4.71.2.3.1. The first page of the AF Form 58 is mandatory. The assistance summary on the reverse is optional.

4.71.2.3.2. Retain a copy of the entire form in the case file at least until the final 24-month letter is accomplished.

4.71.2.3.3. Ensure all items on the form are properly completed and dates are recorded accurately.

4.71.2.3.4. Ensure items 13 and 14 are signed and dated by the CAR.

4.71.2.3.5. If more than one installation provided assistance, make sure other NOK or persons designated beneficiaries applied for and received the benefits.

4.71.2.3.6. Keep proof of e-mail transmission to AFPC/DPDXIDL on file with the signed AF Form 58 in the case file.

4.72. Maintenance of Casualty Assistance Case Files:

4.72.1. Maintain casualty assistance case files in accordance with AFI 33-364.

4.72.2. Establish case files for each casualty and file them alphabetically.

4.72.3. Case files must contain:

4.72.3.1. A chronological record of contacts, listed on AF Form 58, in item 11, with:

4.72.3.1.1. NOK.

4.72.3.1.2. Other NOK and persons designated as beneficiaries, if applicable.

4.72.3.1.3. Other government agencies.

4.72.3.1.4. Civilian agencies.

4.72.3.2. CAR's actions on behalf of the NOK.

4.72.3.3. Copies of all messages, memorandums, and claim forms sent to other agencies and the NOK.

4.72.3.4. Any other relevant documents.

4.72.4. Installations reporting casualties only. Installations reporting retiree deaths but having no assistance responsibilities should establish an interim case file for each casualty reported, and destroy the case file 6 months after the date of death (AF RDS, table 36-03, rule 02.00).

4.73. Disposition of Casualty Assistance Case Files. All Air Force records created are maintained in accordance with AFMAN 33-363 and disposed of in accordance with *Air Force Records Disposition* located at <https://www.my.af.mil/gcss-af61a/afirms/afirms/>.

4.74. Processing RSFPP, SBP or RCSBP Annuity Payment When a Retiree Is Missing. An SBP beneficiary may apply for an annuity if the participating member's retired pay has been suspended because the member is missing.

4.74.1. See **Paragraph 4.52** through **4.54** for RSFPP and SBP information.

4.74.2. DFAS-CL suspends a missing retiree's retired pay, but the CAR may begin processing annuity claims if the retiree is an RSFPP or SBP participant. **NOTE:** This procedure is not officially casualty assistance because there is no legal determination of death.

4.74.3. Due to the unique circumstances of these cases, the CAR should immediately telephone AFPC/DPWCS at DSN 665-3505 or 1-800-433-0048 for guidance on each case.

4.74.4. Because it is not officially casualty assistance, do not start a case file or track annuity payment.

4.74.5. If requested, the CAR helps the beneficiary collect and submit evidence that:

4.74.5.1. The retiree has been missing for at least 30 days.

4.74.5.2. A reasonable person would conclude that the retiree is dead.

4.74.5.3. Such evidence must include:

4.74.5.3.1. A statement signed by the applicant describing the circumstances of the retiree's disappearance.

4.74.5.3.2. Supporting documents such as:

4.74.5.3.2.1. A police missing person report.

4.74.5.3.2.2. Signed statements from persons who last saw the retiree alive.

4.74.5.3.2.3. A detailed description of the geographical location, local weather conditions, and the mental and physical condition of the retiree, with a statement regarding the retiree's chance of surviving—preferably prepared by a legal counsel or other qualified individual such as a forest ranger.

4.74.6. DFAS/GC determines whether to start RSFPP or SBP annuity payments. A decision to begin payments does not constitute a legal determination of death.

4.74.7. The date the Air Force suspended retired pay will be considered the date of death for payment purposes.

4.74.8. If the retiree participated in RSFPP or SBP, the CAR:

4.74.8.1. Completes the claim forms as listed in **Table 4.3**.

4.74.8.2. Fax the claim forms, with copies of any supporting documentation as listed in **Table 4.3**, to DFAS-CL at 1-800-982-8459.

4.74.9. Contacts the base FSO to check on the payment status of the RSFPP or SBP annuity prior to checking with DFAS.

4.74.10. If the Air Force later declares the retiree deceased, the CAR performs the appropriate casualty reporting and assistance.

Chapter 5

CIRCUMSTANCE AND CONDOLENCE LETTERS, AND DOCUMENTATION ON CAUSE AND CIRCUMSTANCES OF DEATH OR MISSING STATUS

Section 5A—Circumstance Letter

5.1. Overview. The Air Force ensures that the NOK and all interested persons listed on the member's vRED or DD Form 93 are provided all releasable information whenever a military member is declared deceased or missing.

5.2. When to Send a Circumstance Letter.

5.2.1. Circumstance letters provide the NOK with as much releasable information as possible concerning events leading up to and surrounding the death or missing status of a member.

5.2.2. Letters are always sent to the NOK when members are declared missing.

5.2.3. Letters for members declared deceased are sent to the NOK who are:

5.2.3.1. Unaware of the circumstances.

5.2.3.2. Notified of the casualty by an unofficial source such as another NOK or friend of the casualty.

5.2.3.3. Notified by an Air Force notification officer other than the member's commander or designated representative.

5.3. When Not to Send a Circumstance Letter.

5.3.1. Circumstance letters are not sent to the NOK:

5.3.1.1. When the member is declared DUSTWUN. The responsible commander personally informs NOK of all releasable information/circumstances surrounding the member's status:

5.3.1.2. Who were present at the time the casualty occurred and are aware of the circumstances.

5.3.1.3. Who were informed, in person, of the circumstances by the member's commander or a designated representative.

5.3.1.4. Who were informed of the circumstances by an official source other than the Air Force:

5.3.1.4.1. Applies to an individual or agency in a position of authority such as law enforcement agencies, physicians or coroners.

5.3.1.5. Who are children residing with the NOK, unless requested by the NOK.

5.4. Responsibilities.

5.4.1. Member's commander:

5.4.1.1. Circumstance letters are the responsibility of the member's commander (see [Attachment 13](#) through [Attachment 17](#)):

5.4.1.1.1. For an ANG or USAFR casualty, the commander may offer the member's squadron commander the opportunity to write the circumstance letter. **NOTE:** Normally, only one circumstance letter is required. However, if the commander indicated in the original letter that a follow-up would be provided with further details when they became available, then a subsequent letter is required in order to ensure complete circumstances are relayed to the NOK.

5.4.1.2. Commanders send circumstance letters to the NOK of deceased members within 5 calendar days from the date the Air Force notified the NOK of the casualty. **NOTE:** The Air Force provides this time frame only to allow commanders sufficient time to evaluate unusual events surrounding a casualty and to provide the NOK with as much information as possible. If information is readily available and requires no evaluation, such as a heart attack, it's expected that the circumstance letter will be sent sooner than 5 calendar days.

5.4.1.3. Commanders send a circumstance letter to NOK within 5 calendar days of:

5.4.1.3.1. Declaring a member missing (non-hostile) or recommending missing status (hostile).

5.4.1.3.2. Terminating a search.

5.4.1.4. Include the following information in a circumstance letter sent after a search is terminated (see [Attachment 13](#)):

5.4.1.4.1. The circumstances surrounding the missing status.

5.4.1.4.2. Details of the extent, duration, and results of the search.

5.4.1.4.3. Whether electronic surveillance will continue, if releasable.

5.4.1.4.4. A statement that the Air Force is compiling a detailed report containing all releasable information concerning the incident:

5.4.1.4.4.1. See [Paragraphs 2.16](#), [2.17](#) and [2.18](#).

5.4.1.5. Upon receipt and review of the commander's missing status report, AFPC/DPWCM sends the NOK any additional information and tells the NOK they will keep them informed of all releasable future developments.

5.4.1.6. AFPC/DPWCM will handle all subsequent correspondence with the NOK of missing members.

5.4.1.7. Commanders should refer letters from the NOK of missing personnel, along with any information that would be helpful in answering their questions to AFPC/DPWCM, 550 C Street West, Suite 14, Randolph AFB TX 78150-4716.

5.4.1.7.1. If the commander feels obligated to personally reply to letters from the NOK, they must fax their reply to AFPC/DPWCM for coordination before mailing to the NOK (DSN 665-3805 during duty hours, or DSN 665-2348 after duty hours).

5.4.2. TDY Commander: If the member was assigned TDY, the TDY commander is the CC responsible for writing the circumstance letter.

5.4.3. The CAR:

5.4.3.1. Reviews all circumstance letters before the commander mails them to the NOK.

5.4.3.2. Ensures circumstance letters are in compliance with this AFI.

5.4.3.5. Retains a copy of the circumstance letter in the case file.

5.5. Aircraft Accidents.

5.5.1. In the event of mass casualties, AFPC/DPWCS drafts a single circumstance letter and provides it to the appropriate commanders for signature.

5.5.2. For military accidents involving only aircrew members or a limited number of casualties (generally less than 20), such as an AMC operational support airlift, the members' commanders prepare and mail circumstance letters (see [Attachment 13](#)).

5.5.3. In all cases, AFPC/DPWCS will provide guidance and make the final determination as to who provides circumstance letter.

5.6. Review of Military Aircraft Accident Circumstance Letters.

5.6.1. The installation legal office reviews all circumstance letters.

5.6.2. The installation safety office must review circumstance letters concerning military aircraft accidents to ensure compliance with AFI 91-204, Safety Investigations and Reports.

5.6.3. AFPC/JA reviews all circumstance letters for mass casualty incidents.

5.7. Second or Subsequent Circumstance Letters.

5.7.1. When an investigation, an autopsy, a medical examiner's, or coroner's report reveals that the cause or circumstances originally reported to the NOK were incorrect:

5.7.1.1. The CAR or unit commander immediately notifies AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048.

5.7.1.2. The member's commander, after consultation with AFPC/DPWCS, decides whether a second or subsequent circumstance letter describing the new findings is needed or whether a personal visit with the NOK is more appropriate after coordination with AFPC/PA, AFPC/JA, and AFPC/DPW.

5.7.1.3. The CAR or unit commander notifies AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 before sending updated circumstance letters.

5.8.1. The CAR or squadron commander immediately notifies AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 of new sensitive information that the Air Force may

need to report to the NOK after coordination with AFPC/PA, AFPC/JA, and AFPC/DPW. **EXAMPLE:** If the Air Force discovers that a casualty initially reported as killed by enemy fire actually died from friendly fire, the commander would, after coordination with AFPC/DPWCS, personally advise the NOK.

5.9. Guidance for Preparing the Circumstance Letter.

5.9.1. Commanders must include all releasable circumstances relevant to the casualty in the letter.

5.9.2. See [Attachment 13](#) through [Attachment 17](#) for examples of commander's circumstance letters for a variety of situations.

5.9.3. Avoid a shocking narrative of the incident.

5.9.4. If the member's conduct was improper, the facts should be related truthfully and tactfully, with as much empathy as possible.

5.9.5. Include known facts about the member, and if appropriate, include complimentary remarks about character, personality and achievements.

5.9.6. Do not mention posthumous awards, decorations, or promotion. **NOTE:** Revealing this information could be embarrassing to the Air Force if the decoration or promotion is disapproved or a lesser decoration is awarded.

5.9.7. Tailor each letter to the individual case and its circumstances. **NOTE:** The examples in [Attachment 13](#) through [Attachment 17](#) must not be copied or paraphrased too closely.

5.9.8. The member's commander sends circumstance letters to NOK whose physical or mental condition makes them unable to personally accept or comprehend the circumstances conveyed in person after coordination with the NOK's caretaker.

5.9.8.1. Prepare a circumstance letter for the individual, but send it to the NOK who made the request so they can present it at an appropriate time.

5.9.9. If a NOK requests that the Air Force not communicate directly with another qualified family member because of ill health or age, the commander should honor the request if possible.

5.9.9.1. Notify AFPC/ DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 of such requests.

5.9.9.2. Prepare a circumstance letter for the individual, but send it to the qualified family member who made the request so they can present it at an appropriate time.

5.9.10. The commander may write one letter to all minor children living with a member's former spouse, or a guardian.

5.9.10.1. Send the letter to the former spouse or guardian, and request that it is given to the child(ren) when it's appropriate (see [Attachment 18](#)).

5.9.11. Use letterhead stationery without captions and the personalized format discussed in AFMAN 33-326, *Preparing Official Communications*, for all originals and copies.

5.9.12. Date all letters and copies.

5.9.13. Identify the casualty by full grade and name in the opening paragraph. **EXAMPLE:** Airman First Class John J. Doe, Jr.

Section 5B—Condolence Letter

5.11. Overview. NOK/interested persons listed on the member's vRED or DD Form 93, *Record of Emergency Data*, should receive a proper expression of sympathy whenever a military member is declared deceased or missing.

5.12. When to Send a Condolence Letter.

5.12.1. Commanders should send a condolence letter without including circumstances:

5.12.1.1. When NOK are already aware of the circumstances (e.g. the spouse was a passenger in the automobile where the member died).

5.12.1.2. Whenever a circumstance letter is not required (e.g. the commander responsible for the circumstances is in the AOR).

5.14.1.4. Commanders send condolence letters to the NOK of deceased members within 5- calendar days from the date NOK were personally aware or notified of the death.

5.14.2. TDY commander: If the member was assigned TDY, the member's home station commander writes the condolence letter. However, this does not preclude the TDY commander from sending a condolence letter if he or she considers a letter appropriate.

5.14.3. The CAR:

5.14.3.1. Reviews all condolence letters before the commander mails them to the NOK.

5.14.3.2. Ensures condolence letters are in compliance with this instruction.

5.16.1. Include known, releasable facts about the member, and if appropriate, include complimentary remarks about the member's character, personality, and achievements.

5.16.2. When providing the circumstances, extend condolences to the NOK, but do not allow condolences to overshadow the basic intent of informing the NOK.

5.16.3. Do not mention posthumous awards, decorations, or promotion. **NOTE:** Revealing this information could be embarrassing to the Air Force if the decoration or promotion is disapproved or a lesser decoration is awarded.

5.16.4. Tailor each letter to the individual case and its circumstances. **NOTE:** The examples in [Attachment 19](#) through [Attachment 21](#) must not be copied or paraphrased too closely.

5.16.5. Honor any request by the NOK not to communicate with an ill or elderly family member when possible.

5.16.5.1. Prepare a condolence letter for the individual, but send it to the NOK who made the request so he or she can present it at an appropriate time. **NOTE:** Notify AFPC/DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 of such requests.

Section 5C—Documentation on Cause and Circumstances of Death

5.17. General Information.

5.17.1. The CAR gathers and distributes the necessary forms and supporting documentation for eligible NOK claiming VA benefits.

5.17.2. Coordinate with the VARO prior to submitting claim applications or forms to determine supporting documentation needed (see [Table 5.1](#)).

5.17.3. If the member's parents wish to apply for VA benefits, follow the procedures in [Paragraphs 4.5.4.4, 4.6, 4.16, 4.17, 4.34, 4.35, 4.50, 4.57](#) and [4.58](#).

5.17.4. An ongoing OSI or local investigation does not release the CAR from the obligation to gather documents or apply for claims on the beneficiary's behalf.

5.18. Purpose of Documentation.

5.18.1. Documentation helps the VA determine:

5.18.1.1. If death resulted from a disease or injury acquired or aggravated in the line of duty.

5.18.1.2. Benefits for NOK and other beneficiaries of deceased members of the Armed Forces.

5.18.2. Documentation helps AFPC/DPWC respond to:

5.18.2.1. High-level inquiries.

5.18.2.2. NOK inquiries.

5.18.2.3. Inquiries from life insurance companies.

5.19. Casualties Requiring Documentation.

5.19.1. The CAR obtains and distributes documentation on deceased members with surviving NOK when requested to do so by AFPC/DPWCS, VA, NOK, or any other government agency or civilian company processing a claim for benefits.

5.19.2. Make sure a civilian company provides a release of information form from the NOK for:

5.19.2.1. Active Air Force members.

5.19.2.2. ANG and USAFR members who were on AD, ADT, IDT, or who were traveling directly to or from such duty, including members who later die from an illness or injury received or aggravated while performing such duty.

5.19.2.3. AFROTC applicants or cadets who die while participating in PMT or traveling directly to or from such training, including individuals who later die from an illness or injury received or aggravated while participating in PMT.

5.19.2.4. Members who die while in an AWOL or deserter status.

5.19.2.5. Persons who die en route to the installation where they were to officially enter the active Air Force, providing the Air Force had provisionally accepted them for such duty and ordered or directed them to go to such a place.

5.19.2.6. Members who die within 120 days after retiring or within 120 days after being discharged or released from extended active duty (EAD), AD, ADT or IDT (when requested by AFPC/DPWCS).

5.20. Special Documentation Requirements for Suicide, Homicide, and Summary Courts Martial.

5.20.1. The CAR should consult the local OSI or law enforcement before obtaining documentation on suicides or homicides (see [Table 5.2](#) for required documentation).

5.20.2. The CAR should follow these guidelines for homicides:

5.20.2.1. Obtain a copy of the record of conviction against a beneficiary tried for murdering the deceased.

5.20.2.2. AFPC/ DPWCS decides if the CAR must obtain a copy of the record of conviction against any other person.

5.20.2.3. Place all casualty assistance services for the case on hold until receipt of court verdict, and keep AFPC/DPWCS advised on the status of the case including an appellate court decision.

5.20.3. The CAR should obtain documentation from investigations conducted under 10 U.S.C., Chapter 945, Section 9711.

5.21. Obtaining Cause and Circumstance Documentation.

5.21.1. The CAR providing assistance to the NOK will request documentation, if necessary, by message from the appropriate CAR, with AFPC/ DPWCS as an information addressee.

5.21.2. If the death occurred far away from the member's home installation, the CAR at the installation nearest to where the incident occurred obtains and distributes documentation.

5.21.3. CARs must comply with requests from other CARs to obtain and distribute documentation and acknowledge such requests by message, with AFPC/ DPWCS as an information addressee.

5.21.4. The CAR alerts the Veterans Service Officer (VSO) at the local VARO as soon as possible of:

5.21.4.1. All cases with claims being submitted to ascertain what documentation will be required for VA processing of these survivors' claims, to expedite settlement.

5.21.4.2. Any problems affecting applicants' VA benefits.

5.21.5. The CAR must inform the NOK of their rights to request a copy of all required documentation on the case (as defined in [Table 5.1](#)) in accordance with Public Law 102-484, Section 1072.

5.21.6. The CAR must ensure all documents for the NOK are censored by the providing agency in accordance with AFI 33-332. **NOTE:** Do not inflict unnecessary grief. Inform the NOK in a cover memorandum of any shocking photographs, such as those taken at the scene of a traffic accident. Do not include such material with the documentation unless the NOK specifically request it.

5.21.7. CARs not responsible for obtaining and distributing documentation must also comply with Public Law 102-484, Section 1072, and inform the NOK of their right to request a copy of the documentation. When requested by the NOK, CARs will provide the NOK assistance in obtaining the documentation:

5.21.7.1. Give the NOK the names and addresses of the appropriate agencies as well as guidance on requesting the documentation.

5.21.7.2. Obtain the names and addresses of such agencies from the installation nearest where the casualty occurred.

5.21.8. The mission support squadron (MSS) or force support squadron (FSS) commander informs the installation commander of progress and problems in obtaining documentation.

5.22. Required Documentation for ANG and USAFR Casualties.

5.22.1. Title 10 U.S.C., *Armed Forces*, Chapter 75, *Death Benefits*, requires the Air Force to certify the duty status and travel arrangements of AD, ADT, and IDT ANG and USAFR members who die or suffer a fatal injury en route to their assignment. Certification is provided by ARPC and ARC.

5.22.2. The VA uses the documentation to:

5.22.2.1. Determine if deaths are service-related.

5.22.2.2. Settle dependents' VA claims and indemnity compensation demands.

5.22.3. The CAR should either:

5.22.3.1. Certify the member's status and travel.

5.22.3.2. Refer the VA to the appropriate authority.

5.22.4. The CAR may submit a statement from the member's unit commander if other documentation does not verify all of these circumstances. The member's squadron commander certifies this information:

5.22.4.1. The Air Force authorized the member to perform the duty. Use the member's ADT or IDT orders.

- 5.22.4.2. The member died from injuries suffered while performing such duty.
- 5.22.4.3. The time when the member left for or returned from duty.
- 5.22.4.4. The member's scheduled reporting time or the time when the member ceased to perform the duty.
- 5.22.4.5. The method of travel used and whether the member was the driver or a passenger.
- 5.22.4.6. Where the incident occurred and whether it was on a direct route between the place of residence and the place of duty.
- 5.22.4.7. The immediate cause of death.
- 5.22.4.8. The travel time and distance from the member's duty station to his or her home.

5.23. Preparing Documentation for Distribution. The CAR should follow these guidelines:

- 5.23.1. Include a cover memorandum listing individual documents as attachments.
- 5.23.2. Include legible copies of all documents.
- 5.23.3. Complete and sign a statement explaining why you couldn't obtain any required documents and include it as an attachment.
- 5.23.4. Include a signed statement explaining any delay you experienced in obtaining a document (such as the court verdict). Provide an approximate date when you expect the document.
- 5.23.5. Have documents in a foreign language translated into English prior to distribution. This will require use of the Government Purchase Card to acquire a translation service if there is not a translator available to you on the base.

5.24. Distributing Documentation. The CAR follows these guidelines when NOK request distribution:

- 5.24.1. Distribute documentation in accordance with [Attachment 22](#).
- 5.24.2. Distribute documentation within 30 days from the date of death.
- 5.24.3. If you can't distribute the requested documentation within the 30-calendar days, inform AFPC/ DPWCS by telephone at DSN 665-3505 or 1-800-433-0048, and the primary assistance CAR, by message, if applicable, of the date when the documentation will be forwarded and reason for the delay.
- 5.24.4. If the new suspense date cannot be met, inform AFPC/DPWCS and the primary assistance CAR, if applicable, by message of the date when the documentation will be forwarded and reason for the delay.
- 5.24.5. If some of the requested documents have been received and distributed but some are still pending, send a message at least once every 30 days, reporting the status of pending documentation until all required documents are received and distributed.
- 5.24.6. The MAJCOM and installation commanders must be information addressees on all messages.

Chapter 6

AIR NATIONAL GUARD AND UNITED STATES AIR FORCE RESERVE

6.1. General Information. This chapter outlines the responsibilities and procedures for reporting the deaths of ANG and USAFR members in a non-duty status, retired members awaiting pay at age 60 and assisting their surviving NOK.

6.1.1. Usually a surviving NOK notifies the member's assigned unit of the member's death.

6.1.2. In the unusual case where the NOK is not aware of the member's death, the member's commander notifies the NOK in person.

6.2. Responsibilities.

6.2.1. Commander of the unit notified of the member's death should:

6.2.1.1. Determine the member's unit of assignment or other participation or nonparticipation status information. **NOTE:** HQ ARPC/DPPE will give you the member's unit of assignment if you provide the member's SSN. Call DSN 926-6438 or 1-800-525-0102 and ask for the Entitlements Branch.

6.2.1.2. Notify AFPC/ DPWCS by telephone at DSN 665-3505 or 1-800-433-0048 of ANG and USAFR casualties if the member was in a duty status (e.g., ADT, IDT, MPA, RPA, etc.).

6.2.1.3. Prepare the initial Death Message. **NOTE:** All messages will be sent using the Defense Casualty Information Processing System (DCIPS).

6.2.2. AFPC/DPWCS notifies the appropriate ANG state headquarters using contact lists provided by NGB/A1PS or HQ ARPC/DPPE.

6.2.3. Member's unit commander should:

6.2.3.1. Ensure that the FSS/MSS submits the initial Death Message (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>), within 24 hours of learning of the member's death.

6.2.3.2. Make every effort to notify the NOK in person, if they are not aware of the member's death.

6.2.3.3. Help the NOK apply for benefits.

6.2.3.4. Ensure the FSS/MSS prepares and distributes documentation (see **Paragraphs 5.17** through **5.24** on deaths from injuries or diseases incurred or aggravated while the member was in a duty status). FSS/MSS servicing the member's assigned unit should:

6.2.3.4.1. Contact the Services Squadron Mortuary Officer or NCO in accordance with AFI 34-501, *Mortuary Affairs Program*, to determine eligibility for mortuary benefits.

6.2.3.4.2. Help commanders with casualty services, including the preparation of initial and supplemental Death Reports.

6.2.3.4.3. Forward documents in accordance with **Table 6.1**.

6.2.3.4.4. Obtain a statement from the investigating authority if a beneficiary was or might have been involved in the member's death and send it to HQ ARPC/DPSPE.

6.2.3.4.5. Develop written casualty reporting instructions.

6.3. Reporting Casualties.

6.3.1. Submit an initial death message (see <https://afkm.wpafb.af.mil/AirForceCasualtyInfo>), to addressees listed in **Table 6.1**.

6.3.1.1. Within 24 hours (active duty status) or next duty day (non-duty status or retiree) of learning of the member's death, the member's assigned unit at the time of death prepares the initial message.

6.3.1.1.1. Guard unit representative immediately contacts the unit command post, which in turn will contact the ANG Readiness Center's Operations Center (ANG/A3XC) at DSN 858-6001, or by fax at DSN 858-7505.

6.3.1.2. For participating and nonparticipating Reserve members and Retired Reserve awaiting pay at age 60, the commander of the unit notified of the member's death, or the unit nearest the place of death, prepares necessary messages, forwards appropriate documents, and provides casualty assistance.

8.3. Minimum Counseling Information for Members Making SGLI Elections.

8.3.1. Special counseling is required by Title 38, United States Code, Section 1967(d). This counseling is intended to inform members of their insurance benefits, the rationale behind those benefits, and the general availability of commercial alternatives. It is intended to stimulate consideration of personal insurance requirements in the context of overall estate planning. General, not detailed or comprehensive, information is required by this provision of law. The required counseling should be conducted at the time initial SGLI coverage is elected, even if the automatic maximum level of coverage is retained, and upon the occasion of any election to increase or decrease the level of SGLI coverage in effect. The following information will be provided as a minimum:

8.3.2. Purpose and role of life insurance. Life insurance can serve a number of purposes, but the principal role is to ease the financial burden imposed on survivors when a member dies before achieving the financial strength needed to cover the expenses associated with death and any associated loss of income to those financially dependent on the member. Since everyone eventually dies, many people plan to become financially secure by a certain age. This is achieved through a savings or investment program. Generally, persons with a family require more insurance during the period of time their family is young. Extra money would be needed to meet childcare, education, and personal expenses for their dependent children. Thus, as their children reach adulthood, their future expenses begin to diminish while their financial strength has increased. As a result, they may need less insurance, having reached a point of long-term financial stability.

8.3.3. Term insurance versus whole life insurance. There are several types of life insurance, but the two principal types are term and whole life. Term insurance covers a limited period of time while whole life covers an indefinite period, or the insured person's whole life. While term insurance may be renewable past the established period of coverage, premiums for the new period will likely be increased to cover the higher risk of death as the insured person gets older. Thus, while people are young, premiums for term insurance are generally low, but can be expected to increase substantially for persons age 60 to 70. Many term policies stop at age 70 or thereabouts. Because the life expectancy for Americans is in the range of 70 to 80 years of age, many people strive to achieve long-term financial stability by that age. They may stop their term policies and rely on their investments and permanent income to meet the

limited needs, which remain. Although SGLI and VGLI are considered to be term-type life insurance policies, they are "renewable for life" unlike many commercial term policies. Premiums for whole life insurance depend on the age at which the policy is purchased, but generally do not increase. However, the premiums are initially greater than term insurance premiums at the same age, but then in later years the premiums are less than term policies at that age. During the early years of a whole life policy, when higher premiums are being paid, the policy may carry a cash value because the premiums paid exceed the actual cost of coverage. At some point, the cash value may grow large enough that no more premiums need to be charged in order to assure a given "face value" of the policy for life. If the insured takes this option, the policy is paid up for their whole life.

8.3.4. SGLI and VGLI. Another important benefit of SGLI insurance is the ability to convert to VGLI after leaving the military. VGLI can be taken in the amount of SGLI the member has at the time of separation or a lesser amount. It can be retained for life or converted to permanent commercial insurance with the extra costs underwritten by the SGLI program. Unless totally disabled, SGLI coverage will terminate at the end of the 120-day period following separation, but the SGLI level of coverage may be maintained through VGLI. If totally disabled, a member should write to the OSGLI and provide medical evidence of their disability to find out if they qualify for an extension of their SGLI coverage for 1 year from the date of separation or the date their disability ends, whichever comes first. VGLI can be applied for up to 1 year following the 120-day period, but evidence of good health will be required. The cost of VGLI increases with each new 5-year age group, becoming significantly more expensive after age 65. Thus, VGLI is similar to most other term insurance programs.

8.3.5. Commercial insurance. Almost anyone on active duty or in the Ready Reserve should be qualified to buy a commercial life insurance policy at reasonable cost. It all depends on the company and type of policy desired. Many military associations provide term insurance at a group rate. Because they may screen applicants for health and high-risk practices like smoking, flying, parachute jumping, premiums can be fairly competitive, while allowing for some profit. Some associations offer the insurance more as a benefit than as a money-making proposition and this helps keep premiums down. However, the SGLI premiums are the same for everyone, regardless of the risk factors involved and there is no clause for wartime death. Some private policies may not pay in the event of a war casualty or if there is no war clause, the company may not have the financial resources to pay if war casualties are high

8.3.6. Family Member Servicemembers' Group Life Insurance. Expands SGLI coverage to insurable spouses and children.

8.3.6.1. If member is covered under SGLI, spouse and children (including step and adopted) coverage is automatic. Spouse coverage will add an additional cost to the monthly premium. Member may elect to decline or reduce FSGLI for their spouse in writing (SGLV 8286A), but children's coverage is free and cannot be declined unless the member is not covered under SGLI.

8.3.6.2. The amount of spouse coverage cannot exceed the amount of coverage held by the member or \$100,000 whichever is less. The amount of coverage for children is \$10,000 each.

8.3.6.3. Military members married to other military members covered under SGLI are also automatically enrolled in FSGLI coverage.

8.3.6.4. By law, the military member is the sole beneficiary for FSGLI coverage.

8.3.6.4.1. Only one parent can receive insurance proceeds for a child.

8.3.6.4.2. If there is a dispute over which military parent is the beneficiary of the child coverage, the spouse who first became eligible for SGLI will be beneficiary.

8.3.6.5. The cost for spouse coverage is based on the age of the spouse. Refer to current cost charts provided by the VA for current cost information at www.insurance.va.gov or www.afpc.randolph.af.mil/casualty.

8.3.6.6. Spouse and children's coverage continues free for 120 days from the date of retirement, separation, or termination of coverage by the military member. Spouse coverage can be converted to a permanent civilian policy during the 120-day grace period following termination of coverage. Provisions for conversion to a civilian policy are the same as for SGLI coverage. Coverage for children cannot be converted to a civilian policy.

8.3.6.7. When a covered family member dies, the CAR is responsible for completing and verifying the qualified family member information and completing the SGLV 8283A and SGLV 8700. The CAR will forward the completed forms, along with any required documentation to AFPC/DPWCS for certification prior to being sent to OSGLI for payment.

8.3.6.8. Reserve and Guard units will report the death of a covered family member by sending completed SGLV 8283A and SGLV 8700 to HQ ARPC/DPSPE, 6170 E. Irvington Place, Denver CO 80280-4000, for certification prior to being forwarded to OSGLI for payment.

8.4. MPS/FSS Customer Service Element Actions.

8.4.1.1. The date the forms are completed should be accurately recorded as it determines the effective date for the reduction or cancellation of insurance. **NOTE:** The spouse will sent a letter of advisory by the customer service element, when the member reduces, declines or elects someone other than the spouse to receive the full SGLI benefit. An example of the letter can be located at: <https://afkm.wpafb.af.mil/AirForceCasualtyinfo>.

8.4.1.2. An authorized agent must witness the member's signature. The witness will sign and date the forms immediately following the member's signing and dating.

8.4.2.1. Establishing payroll deductions.

8.4.2.2. Authorizing collections in a reduced amount or none at all.

8.4.3. Distribution of SGLV 8286 and SGLV 8286A:

8.4.3.1. After completion of the update transaction, attach a printout of the system update to each signed original, then place two signed originals in Section I of the member's UPRG. **NOTE:** Automated UPRGs require the MPS Customer Service Element to retain a paper copy of the election until it can be visually confirmed in the Automated Records Management System (ARMS). The original election must be mailed to AFPC/DPSSRR, 550 C St West Suite 21, Randolph AFB TX 78150-4723. Do not send the completed forms directly to a VA office or to OSGLI.

8.4.3.2. Give the member a copy.

8.4.3.3. The MPS customer service element must ensure ARMS retains a copy of all previous SGLI forms completed by the member. If not, the MPS must keep paper copies in Section I of the member's UPRG during his or her full period of duty, and file a copy of them in the relocation folder following the member's separation or release from duty. Particularly important are the elections by members to cancel or decline insurance.

An example of the letter can be located at: <https://afkm.wpafb.af.mil/AirForceCasualtyinfo>.

8.5.2. A member performing duty who is insured and who desires a lesser amount of insurance or no insurance must request a change in writing, signed and witnessed.

8.5.2.1. Requests for reduced coverage or no coverage made prior to any legislated increase in coverage have no effect under any new laws.

8.5.2.2. A new SGLV 8286 must be completed and the original sent to ARMS for processing. A paper copy should be kept on file until the MPS can see the document in ARMS.

8.5.2.3. Reduction or cancellation will be effective at midnight of the last day of the month in which the MPS customer service element receives the form.

8.5.3. During initial accession processing, if a member elects not to be insured or elects less than the maximum basic coverage, that election is effective immediately.

8.5.3.1. If the election is made after the initial accession, the election is effective at midnight of the last day of the month in which the MPS customer service element receives the form.

8.6. Request for Reinstatement or Increase of SGLI/FSGLI.

8.6.1. If a member elects to cancel or reduce SGLI or FSGLI coverage, or elects not to be insured under SGLI or FSGLI at all, and later wants to increase the level of coverage, a written request must be made through the MPS customer service element.

8.6.1.1. The request must be made on SGLV 8285 and SGLV 8285A.

8.6.1.1.1. Part 1 of both forms should be completed IAW instructions contained on the back of the form and signed in the presence of the member's commander.

8.6.2. If all medical questions on the SGLV 8285 and SGLV 8285A are answered "NO," perform the following actions:

8.6.2.1. Complete a new form SGLV 8286 for SGLI or SGLV 8286A for FSGLI.

8.6.2.2. Complete the appropriate update(s) for the new SGLI/FSGLI coverage to initiate withholding of monthly premium deductions effective the date the member's commander certified the SGLV 8285/SGLV 8285A.

8.6.2.3. Print three copies of the update and attach a copy to each signed SGLV 8286/SGLV 8286A.

8.6.2.4. File SGLV 8285/SGLV 8285A and the new SGLV 8286/SGLV 8286A with the old SGLV 8286/8286A on which the member declined or elected reduced coverage, with ARMS. Until it shows up in ARMS, keep a paper copy on file.

8.6.3. If any of the medical questions on the form are answered "YES," perform the following actions:

8.6.3.1. File one original copy of the SGLV 8285/SGLV 8285A with the current SGLV 8286/ SGLV 8286A with ARMS and keep a paper copy on file until the document appears in ARMS.

8.6.3.3.1. OSGLI will request any additional information directly from the member at the address given on the SGLV 8285/SGLV 8285A.

8.6.3.3.2. The member must respond directly to OSGLI for the review process to take place.

8.7. Update Requirements of Member's SGLI Election.

8.7.1. Use PTI DB4 to start, reduce, delete or increase SGLI option.

8.7.1.1. Multiple DB4 transactions may not be input within the same month unless a PTI DB6 (CANCEL) has been input to cancel the previous selection.

8.7.1.2. If PTI DB4 is input incorrectly, input PTI DB6 with data matching the incorrect DB4.

8.7.1.2.1. Wait 1 duty day, then input PTI DB4 with the correct data. **NOTE:** The DB6 must process before the correct DB4 can be updated.

8.7.2. Use PTI DB6 to cancel a previous DB4 input.

8.7.3.1. 0 – None.

8.7.3.2. 5 - \$50,000.

8.7.3.4. F - \$150,000.

8.7.3.5. K - \$200,000.

8.7.3.9. T – 4000,000.

8.7.3.10. Z - Unknown **NOTE:** Do not use this without prior discussion with AFPC/DPWCS.

8.8. SGLI Beneficiaries.

8.8.1. An insured member may designate as principal beneficiary or contingent beneficiary any person, firm, corporation or legal entity (including the member's estate), individually or as a trustee.

8.8.2. The following are guidelines to be used in the preparation of the SGLV 8286:

8.8.2.1. A member should be encouraged to name a specific beneficiary.

8.8.2.1.1. Use of the "By Law" designation should be discouraged.

8.8.2.2. If a member does not want to designate a specific beneficiary but prefers the proceeds to be paid in the order of precedence, the member should enter "By Law" by his or her own hand (printed or cursive) in the appropriate space in part 2 of the form.

8.8.2.2.1. The insurance proceeds will automatically be paid in the following order of precedence:

8.8.2.2.1.1. Surviving spouse of member.

8.8.2.2.1.2. Child or children of the member, in equal shares, with the share of any deceased child to be distributed among the descendants of that child.

8.8.2.2.1.3. Parents in equal shares, or all to the surviving parent. **NOTE:** Biological parents are not always who the member intended to receive the proceeds, and in cases of abandonment, they are not always recognized as legal parents. Claim disputes involving the recognition of "rightful" parents can be avoided by discouraging the use of "By Law" designations and listing the parent(s) by name.

8.8.2.2.1.4. A duly appointed executor or administrator of the member's estate.

8.8.2.2.1.5. Other qualified family members.

8.8.3. When a member is likely to be survived by a spouse, children, or parents and designates some other person or entity as beneficiary, an MPS customer service element should:

8.8.3.1. Counsel the member to the fact that the SGLI law was specifically designed to provide some form of security for spouse, children or parents.

8.8.3.2. Encourage the member to designate spouse, children, or parents as beneficiaries.

8.8.3.3. If the unusual designation is to be continued, a memorandum indicating that this was discussed with the member should be placed sent to ARMS along with the forms and a paper copy should be kept until ARMS is updated as a matter of record.

8.8.3.4. Under no circumstances should a member be compelled to designate any beneficiary other than one of their own choosing.

8.8.4. When a member wishes to name minors as beneficiaries such as his or her own children, nephews, nieces, etc., the member should be advised that the proceeds of the insurance cannot be paid to a minor beneficiary, other than a minor surviving spouse, without a court-appointed guardian over the children's financial estates.

8.8.4.1. The appointment of a guardian is often time-consuming and costly and, for that reason, may delay the payment of proceeds.

8.8.4.2. The amount of the proceeds can be materially reduced by the payment of court costs, attorney fees and expenses incurred by the guardian. One way to avoid such complications and expense is to designate a pre-appointed trustee of the minor beneficiary.

8.9. Terminally Ill Death Benefit. Section 302 of the *Veterans Programs Enhancement Act of 1998, Public Law 105-368*, amended chapter 19 of Title 38, U.S.C. to allow terminally ill members to receive Accelerated Benefits Option (ABO). Anyone who is insured by SGLI, or VGLI and who is terminally ill is eligible for this benefit. Terminally ill means that a medical doctor has certified that the insured has 9 months or less to live. Up to 50 percent of the face value of a servicemembers' or veterans' SGLI or VGLI coverage may be paid as an accelerated benefit, up to \$100,000 during their lifetime. The accelerated benefits are paid in a lump sum only and are exempt from taxation. If an insured wants less than 50 percent of the face value, it will be paid in \$5000 increments only.

8.9.1. Servicemembers with FSGLI coverage have access to up to 50% of the face value of the spousal coverage through the ABO. The ABO is available in \$5,000 increments. In order to qualify, the spouse must have a medical prognosis of life expectancy of 9 months or less. This benefit will be paid only to the servicemember.

8.9.2. Personnel wanting to claim this benefit should provide a letter from their attending physician to the OSGLI stating the member or spouse is terminally ill, with prognosis of life expectancy of less than 9 months.

8.9.3. If accelerated benefits are paid, the remaining SGLI/VGLI/FSGLI coverage will be reduced correspondingly with the amount of accelerated benefits paid and the insured must continue to pay premiums on the remaining coverage.

8.9.3.1. When accelerated benefits are paid to an active duty member, they must visit the MPS customer support section and complete a new form SGLV 8286/SGLV 8286A for the remaining coverage.

8.10. Election of Method for Payment of Insurance Proceeds.

8.10.1. An insured member may elect the proceeds of SGLI be paid to the beneficiary in a lump-sum payment or in 36 equal monthly installments.

8.10.1.1. An insured may also change the method of settlement at any time without the consent of the beneficiary.

8.10.2. If the insured member elects a lump-sum payment or makes no election, the beneficiary may choose either the lump-sum settlement or payment in 36 monthly installments.

8.10.3. If the insured member elects 36 monthly installments, the beneficiary may not elect a lump-sum payment.

8.11. Payment of SGLI Proceeds.

8.11.1. The Alliance Account. Effective 1 June 1999 a Prudential Alliance Account became the standard method of payment for all OSGLI claims except those listed below, which will be made via check:

8.11.1.1. Installments.

- 8.11.1.2. Payments to beneficiaries with non-U.S mailing addresses.
- 8.11.1.3. Proceeds payable to multiple parties (i.e., co-executors, co-guardians).
- 8.11.1.4. Guardianship claims:
 - 8.11.1.4.1. That are joint with the court.
 - 8.11.1.4.2. When the bank is the trustee.
 - 8.11.1.4.3. That require dual signatures.
 - 8.11.1.4.4. That require deposit into the court.

8.11.2. How it works. The Prudential Alliance Account is a personalized interest-bearing checking account for beneficiaries of group life insurance proceeds . When a claim is approved by OSGLI for payment, life insurance benefits will automatically be placed in the Alliance Account in the name of the beneficiary. The beneficiary can withdraw all or part of the proceeds immediately or leave the funds in the account to earn interest from the date the Alliance Account is opened.

8.11.2.1. When the account is opened, the beneficiaries are mailed an Alliance Account Kit. This information package includes:

- 8.11.2.1.1. A cover letter.
- 8.11.2.1.2. A claim settlement confirmation outlining the terms and conditions of the account, including amount deposited, initial interest rate and yield.
- 8.11.2.1.3. A brochure explaining the Alliance Account.
- 8.11.2.1.4. An information request to provide Alliance with following: account holder contact information, beneficiary for the account, Tax identification Number/W-9 Certification.
- 8.11.2.1.5. 15 checks (additional checks may be ordered at no cost).

8.11.2.2. When the kit is mailed, a representative will call the beneficiary to explain that it will be arriving in a few days. With permission from the beneficiary, the representative will call a second time, after the kit has been received, to verify information and address any questions or concerns.

8.11.3. Advantages for recipients. This account allows recipients more time to make financial decisions during a difficult period. Recipients will have immediate access to their funds through the checking account A draft can be written for any amount from the account. In addition, funds in the account earn interest from the date the account is opened. This interest is comparable to rates earned on 6-month certificates of deposit. The interest is compounded daily and credited monthly. Interest rates may change monthly but at no time will the interest fall below the guaranteed minimum rate of two percent.

8.11.4. Customer service. Prudential has an Alliance Account Service Center exclusively dedicated to answering beneficiary questions about the account. The staff at the Center has on-line access information. The representatives are available at 1-877-255-4262, Monday through Friday, 0800-2000, Eastern Standard Time.

8.11.4.1. Prudential's Alliance Account is a registered trademark of The Prudential Insurance Company of America. Open Solutions BIS, Inc. is the Administrator of the Prudential Alliance Account Settlement Option, a contractual obligation of The Prudential Insurance Company of America, located at 751 Broad Street, Newark, NJ 07102-3777. Check clearing is provided by JPMorgan Chase Bank, N.A. and processing support is provided by Integrated Payment Systems, Inc. Alliance Account balances are not insured by the Federal Deposit Insurance Corporation (FDIC). Open Solutions BIS, Inc., JPMorgan Chase Bank, N.A., and Integrated Payment Systems, Inc. are not Prudential Financial companies.

8.12. Processing Requests for SGLI Premium Reimbursement.

8.12.1. When a member claims SGLI premium deductions exceed the level of coverage, review the member's SGLV 8285 and/or SGLV 8286, and DFAS Military Leave and Earnings Statement (LES).

8.12.2. If reimbursement of premiums is warranted, initiate Case Management System (CMS) AND SGLV 8286, LES, and system update verification and refer it to AFPC/DPWCS.

8.12.2.1. Include the member's name, rank, SSN, and an explanation of circumstances.

8.12.2.2. **EXAMPLE:** Per SGLV 8286 on file in ARMS, he elected \$100,000 coverage on 1 May 04. Member's LES for the months of Jun and Jul 04 reflect a deduction for \$250,000, and MilPDS reflects the correct level of coverage, which supports a reimbursement.

8.13. Application for Correction of Military Record.

8.13.1. When a member requests reimbursement for overpayment of premium deductions for any reason other than the MPS erroneously updating the wrong election, and all other administrative remedies are exhausted, the member should:

8.13.1.1. Complete DD Form 149, *Application for Correction of Military Record*.

8.13.1.2. Mail the DD Form 149 to the Secretary of the Air Force, Review Board Office (SAF/MRBR), 550 C Street West, Suite 46, Randolph AFB TX 78150-4722.

8.14. Traumatic Injury Protection (TSGLI).

8.14.1. Servicemembers' Group Life Insurance Traumatic Injury Protection (TSGLI) provides traumatic injury coverage for members of the uniformed services who are paying for SGLI. TSGLI pays a predetermined monetary benefit for losses that are incurred by the member as a result of a traumatic injury (e.g. \$50,000 for the loss of a leg or an arm).

8.14.1.1. For the purpose of TSGLI, a traumatic event is defined as the application of external force, violence, chemical, biological, or radiological weapons, or accidental ingestion of a contaminated substance, or exposure to the elements that causes damage to a living being.

8.14.1.2. Unlike SGLI which terminates 120 days after the separation, retirement, or discharge of the servicemember, TSGLI coverage automatically ends upon the member's date of separation, retirement, or discharge from service.

8.14.1.3. Spouses and children are not covered by TSGLI even if they are covered by FSGLI.

8.14.1.4. TSGLI was implemented on 1 December 2005 and included a retroactive provision for OIF and OEF qualifying injuries back to 7 October 2001.

8.14.1.5. Prior to 1 December 2005, members must have suffered the qualifying injury while deployed outside of CONUS in direct support of OEF or OIF. This part of the program is called retroactive TSGLI because it covers injuries which occurred prior to the enactment of the benefit.

8.14.1.5.1. In order to qualify for a retroactive TSGLI payment for a loss that occurred between 7 October 2001 and 30 November 2005, an insured service member must meet all five of the requirements below.

8.14.1.5.1.1. The servicemember must have suffered an injury/loss that was the direct result of a traumatic event (e.g. a mortar attack or a humvee accident).

8.14.1.5.1.2. The member must have suffered the traumatic event before midnight of the day that the member separated from the uniformed services.

8.14.1.5.1.3. The member must suffer the qualifying loss within 730 days (two years) of the traumatic event.

8.14.1.5.1.4. The member must survive for a period of at least seven-full-days from the date of the traumatic event. The seven-day period begins on the date and time of the traumatic event, as measured by Zulu (Greenwich Meridian) time and ends 168 full hours later.

8.14.1.5.1.5. Servicemembers must have suffered the qualifying loss as a direct result of injuries incurred in support of Operations OIF/OEF from October 7, 2001 through and including November 30, 2005.

8.14.1.5.2. In addition to all five of the above requirements, the servicemember must meet one of the two following requirements.

8.14.1.5.2.1. The member must have been deployed outside the United States on orders in support of OEF or OIF at the time the traumatic event occurred.

8.14.1.5.2.2. The member must have been serving in a geographic location that qualified the member for the Combat Zone Tax Exclusion under the Internal Revenue Service Code at the time the traumatic event occurred. *Note:* Coverage under SGLI is not a requirement for retroactive TSGLI payment.

8.14.1.6. Effective December 1, 2005, TSGLI coverage was implemented for members injured as the result of a traumatic event who are insured under SGLI no matter where the injury occurred.

8.14.2. Members of the uniformed services who have full-time or part-time Servicemembers' Group Life Insurance (SGLI) are automatically covered by TSGLI while the member is in service.

8.14.2.1. In order to qualify for full-time TSGLI is coverage (365 days-a-year) a servicemember must:

- 8.14.2.1.1. Perform active duty or active duty for training, under a call, or orders that specify 31-days or more of active duty.
- 8.14.2.1.2. Or the servicemember must be a Ready Reservist who is assigned to a unit in which the member is scheduled to drill at least 12 times during the year.
- 8.14.2.1.3. Full-time coverage includes members who are drilling for pay and members who are drilling for retirement points as long as one of the above requirements are met.
- 8.14.2.2. Part-Time TSGLI only covers the days the servicemembers are traveling directly to and returning directly from their scheduled duty and their days of duty. In order to qualify for part-time TSGLI a servicemember must:
 - 8.14.2.2.1. Be a Ready Reservist who is under a call or order that specifies less than 31 days of active duty or active duty for training.
 - 8.14.2.2.2. Be a Ready Reservist who is scheduled to drill less than 12 times during the year.
- 8.14.3. Injuries excluded from TSGLI are as follows;
 - 8.14.3.1. A mental disorder.
 - 8.14.3.2. A mental or physical illness or disease, unless the illness or disease is caused by:

 - 8.14.3.2.2. Accidental ingestion of a contaminated substance.
 - 8.14.3.3. Attempted suicide.
 - 8.14.3.4. An intentionally self-inflicted injury or any attempt to inflict such injury.
 - 8.14.3.5. The traumatic event is directly attributable to being under the influence of an illegal or controlled substance unless administered or consumed on the advice of a doctor.
 - 8.14.3.6. Medical or surgical treatment of an illness or disease.
 - 8.14.3.7. Injuries sustained while committing, or attempting to commit a felony.
- 8.14.4. Beneficiaries.
 - 8.14.4.1. The beneficiary of the TSGLI benefit is the member. If the member is incompetent, payment will be made to the guardian or attorney-in-fact under a power of attorney, or military trustee information. TSGLI can be paid to a court-appointed guardian, the holder of a financial power of attorney.
 - 8.14.4.2. If the member dies after qualifying for payment, the payment will be made to the member's listed SGLI Beneficiary(ies). The member must survive for seven days (168 hours) from the date of the traumatic event to be eligible for TSGLI.
- 8.14.5. CAR:
 - 8.14.5.1. Provides TSGLI annual training for all assigned MTF physicians, social workers, commanders, and first sergeants.

8.14.5.2. Establish policies and procedures to have MTF notify CAR of ALL traumatic events . Be the focal point of contact on all TSGLI matters.

8.14.5.3. CAR will submit a one-time casualty report to AFPC/DPWCS on those airmen who suffered injuries due to a traumatic event and were not placed in a casualty status of Seriously Injured/Very Seriously Injured (SI/VSI). **NOTE:** a second casualty report will be submitted at AFPC's discretion.

Terms

—**NOTE:** These definitions are for the purpose of this AFI only. See Joint Publication 102, DoD Dictionary of Military and Associated Terms, for the official DoD definition of many of these terms. Throughout this AFI, the word “member” refers to military or retired personnel and the word “person” refers to either civilian or military personnel.

Active Air Force—Members of the Air Force, United States Air Force Academy Cadets, and Air National Guard and United States Air Force Reserve members serving on extended active duty (i.e., they are assigned to an active duty unit and their accountability is against active force strength).

Active Duty (AD)—Full-time duty in the active Military Service of the United States. This includes members of Reserve components serving on active duty or full-time training duty, but does not include full-time National Guard duty. AD for Air National Guard is always performed in a Title 10, United States Code (U.S.C.) federal status. Active duty includes active duty for training and active duty other than for training.

Active Duty for Training (ADT)—A tour of active duty which is used for training members of Reserve components to provide trained units and qualified persons to fill the needs of the Armed Forces in time of war or national emergency and such other times as the national security requires. The member is under orders that provide for return to non-active status when the period of active duty for training is completed. It includes annual training, special tours of active duty

for training, school tours, and the initial duty for training performed by non-prior service enlistees. ADT for Air National Guard is always performed in a Title 10, U.S.C. federal status and may be referred to as annual training, special training, formal school training, and initial active duty for training. Active duty for training can be training under Title 10, U.S.C., Section 12301(b). This duty may satisfy the requirement for an individual to perform 15 days of active service for training per fiscal year.

Active Duty Other than for Training—A category of active duty used to provide Reserve component support to either active component or Reserve component missions. It includes the categories of active duty for special work, active Guard/Reserve duty in Title 10, U.S.C. status, and involuntary active duty in accordance with Title 10, U.S.C., Sections 12301, 12302, and 12304. Training may occur in the conduct of active duty other than for training. Active duty other than for training in support of the active component is usually supported by Military Personnel Appropriation man-days.

Active Service—Service on active duty or full-time National Guard duty.

Annuity—The monthly or annual payment a beneficiary receives.

AGATE—A patient is making normal improvement.

Beneficiary—The individual who is entitled to receive certain benefits either by law or written designation of the servicemember.

The size of the team is at the FSS/MSS commander's discretion and depends on the size and mission of the installation it serves.

Casualty Category—Used to specifically classify a casualty for reporting purposes. AFPC/DPW bases the categories on casualty type and status. Casualty categories include beleaguered, besieged, captured, detained, died of wounds received in action, interned, killed in action, missing, missing in action, and wounded in action.

Community Readiness Consultant— A professional employee in the A&FRC that provides social services related to non-medical counseling, financial assistance/counseling, employment and transition counseling, readiness and relocation information/planning assistance, and can provide referrals to agencies in the local community to assist with a multitude of family needs.

Casualty Status—Used to classify a casualty for reporting purposes. There are six casualty statuses: deceased, DUSTWUN, missing, very seriously ill or injured (VSI), seriously ill or injured (SI), or not seriously ill or injured (NSI).

Casualty Type—Used to identify a casualty for reporting purposes as either a hostile casualty or a non-hostile casualty.

Civilian Employee—A civilian employee hired in the US and assigned overseas. The Air Force pays civilian employees from Department of the Air Force or DoD appropriated or non-appropriated funds. A civilian employee must be either a US citizen or a permanent resident alien not a foreign national.

Continental United States (CONUS)—United States territory, including the adjacent territorial waters, located within North America between Canada and Mexico. When used for ANG casualties, the term applies to the geographical limits of the 50 states and the District of Columbia, Puerto Rico, Guam, and the Virgin Islands.

CRIMP—A patient is not recovering satisfactorily.

Date of Death—Either the date a person died as determined by actual knowledge of the death, a date the Air Force determines based on conclusive evidence, or the date the Air Force declares a person dead based on a presumptive finding of death. Laws on brain death differ among states and countries. The Air Force determines the date of death based on local law and on when doctors declare a person brain dead or remove life support systems. When the Air Force determines that a DUSTWUN member has died, the official date of death is the date the Air Force declared the member DUSTWUN, unless conclusive evidence establishes a later date. The date of death for missing persons depends on either conclusive evidence of death or a presumptive finding of death. The Service secretary, an appointed designee, or a medical authority determines the date of death based on conclusive evidence. The date of death based on a presumptive finding of death is the date the Service secretary or an appointed designee signs the change in casualty status from missing to deceased.

Death Certificate (Military)—The official DD Form 1300, *Report of Casualty*, published by Headquarters, United States Air Force. The DD Form 1300 is used to provide an official record of the death of a military member. The form may be used in place of a civilian death certificate when proof of death is necessary. Government agencies and most commercial life insurance companies use the DD Form 1300 as the basis for paying benefits. It may be used to facilitate the cashing of bonds or in the settlement of any other claim in which proof of death is required.

Deceased—A casualty status applicable to a person who is either known to have died, determined to have died on the basis of conclusive evidence, or declared to be dead on the basis of a presumptive finding of death. The recovery of remains is not a prerequisite to determining or declaring a person deceased.

Duty Status—Whereabouts Unknown (DUSTWUN)—A transitory status, applicable only to military personnel, that is used when the responsible commander suspects the member may be a casualty whose absence is involuntary, but does not feel sufficient evidence currently exists to make a definite determination of missing or deceased.

FTNGD is always performed in Title 32, U.S.C. status and may only be performed in the United States to include Alaska and Hawaii, and United States territories to include the Commonwealth of Puerto Rico and the District of Columbia. It includes active Guard/Reserve duty; annual training, special training, formal training, and active duty for special work performed in a Title 32, U.S.C. status. This duty may satisfy the requirement for an individual to perform 15 days of active service for training per fiscal year. (See Title 10, U.S.C. Section 101[d][5]).

Home Installation—The unit where the Air Force permanently assigns a member or the member's permanent duty station if temporarily assigned to another unit (e.g., air attachés). For a member on a permanent change of station move, the Air Force considers the last assigned unit the member's home installation until the member joins the new unit.

"In action" characterizes the casualty as having been the direct result of hostile action, sustained in combat or relating thereto, or sustained going to or returning from a combat mission provided that the occurrence was directly related to hostile action. Included are persons killed or wounded mistakenly or accidentally by friendly fire directed at a hostile force or what is thought to be a hostile force. However, not to be considered as sustained in action and not to be interpreted as hostile casualties are injuries or death due to the elements, self-inflicted wounds, combat fatigue, and except in unusual cases, wounds or death inflicted by a friendly force while the individual is in an absent-without-leave (AWOL), deserter, or dropped-from-rolls status or is voluntarily absent from a place of duty.

Does not include work or study associated with correspondence courses.

Installation Commander—The individual responsible for all operations performed by an installation.

MOVED—A patient is evacuated from one overseas MTF to another.

Next of Kin (NOK)—The person most closely related to the casualty is considered primary NOK for disposition of remains, personal effects, and the release of records to secondary NOK and third parties. The un-remarried surviving spouse is primary NOK. The term surviving spouse does not include one who obtained a divorce from the decedent (at any time). Other NOK and interested parties are recognized in the following order:

MEMORANDUM FOR AFPC/DPWCM

FROM: (Organization Mailing Address)

SUBJECT: 9-Month Investigation Report on a Missing Person

This 9-month investigation report pertains to Major Roger C. Smith, 023-45-6789, missing from Eglin AFB FL since 15 May 1997. I am forwarding it IAW AFI 36-3002, *Casualty Services*, Chapter 2.

The initial circumstances surrounding the loss of Major Smith in an Eglin AFB Aero club Cessna 172 aircraft incident remain unchanged. We have maintained close contact with Air Force, state, and federal investigative agencies in an attempt to establish Major Smith's true status. However, all follow-up actions have been negative. The only supplemental information you haven't received in subsequent reports is that on 14 December 1997, the Federal Aviation Administration office in Pensacola FL thought a dredging machine had recovered the tail section of the missing aircraft in a body of water adjacent to Eglin AFB. Further analysis revealed it was from a Piper Cub rather than a Cessna.

I based my decision to place Major Smith in a missing status on my belief that he probably encountered severe weather soon after his departure on a routine night training flight, and that the aircraft crashed within 20 miles of Eglin AFB. Given his outstanding physical condition, I felt it was possible for him to survive on one of the small islands in the area, even if injured, until he could be located by search and rescue personnel or recreational boaters or fishermen. Considering the passage of time without any information from or about Major Smith or anything whatsoever concerning the missing aircraft, it now appears that Major Smith did not survive the crash of his aircraft, which apparently occurred over water. Accordingly, I recommend that the Air Force change the status of Major Roger C. Smith from missing to deceased.

CASUALTY NOTIFICATION OFFICER CHECKLIST

A6.1. Purpose of Notification. To provide dignified, compassionate and humane notification to NOK and other designated persons as promptly as possible after a member is placed in a casualty status of deceased, Duty Status-Whereabouts Unknown (DUSTWUN), or Missing.

A6.2. Background.

A6.2.1. This checklist provides guidance for preparing and completing casualty notifications.

A6.2.2. A casualty notification will probably be one of the hardest duties you will perform in your military career.

A6.2.3. You must convey, in every action and deed, the sincere concern of the Air Force for the feelings of the NOK.

A6.2.4. Your duty as a casualty notification officer is to “soften the blow,” if possible, and to show that the Air Force is genuinely concerned about its members and their families.

A6.2.5. Each notification is unique as a result of the individuals and circumstances surrounding the incident. We cannot cover all situations that you might encounter. We hope this checklist will provide enough information to assist you in preparing and completing a casualty notification and ease some of the anxiety often experienced by individuals when called upon to perform this sensitive task.

A6.2.6. Remember, nothing can substitute for common sense, good judgment, and sensitivity in making a casualty notification.

A6.3. Casualty Notification Responsibility.

A6.3.1. Air Force Personnel Center, Casualty Services Branch (AFPC/DPWCS) assigns the Air Force activity (active Air Force, Air National Guard, United States Air Force Reserve, and Air Force Reserve Officer Training Corps) nearest to the next of kin’s (NOK) residence to accomplish the casualty notification.

A6.3.2. If the NOK live on or near the member’s home installation, the member’s wing, group, squadron commander, or other officer, as determined by the installation commander, effects personal notification to the NOK, provides circumstances surrounding the incident and expresses condolences.

A6.3.2.1. The casualty notification duty:

A6.3.2.2. Is on behalf of the Air Force Chief of Staff.

A6.3.2.3. Has priority over all duties, except in emergencies.

A6.3.2.4. Is accomplished in service dress uniform with the exception of the medical technician who can wear whites (he/she remains in the vehicle).

A6.4. Notification Team Composition.

A6.4.1. Field grade officers, of equal or higher grade than the member about whom they are making notification, are assigned the responsibility for personal notification as directed by

the installation commander or AFPC, Chief, Casualty Services Branch (AFPC/DPWCS). **EXCEPTION:** AFPC/DPWCS may assign other officers to notification duty.

A6.4.1.1. Team composition will consist of a minimum of two military members.

A6.4.1.1.1. Medical personnel (e.g., doctor, nurse, or medical technician) and an Air Force chaplain, if available, accompany the notification officer to attend to any reaction of the NOK.

A6.4.1.1.2. Notification should not be delayed due to the inability to obtain a medical officer or chaplain. However, there must be two military members on the team and leadership should choose another team member.

A6.4.2. The commander or notification officer may invite another person to accompany the notification team such as a friend, co-worker or clergy/leader from the member's faith community, known by the member's NOK whose presence may be comforting to the NOK, if it does not delay the notification process.

A6.4.3. On active duty installations, notification team members normally assemble in the casualty assistance representative's (CAR) office within one hour after receiving the telephone call from the CAR.

A6.4.3.1. In most instances, an error-free notification letter has already been prepared and is ready for the notification officer to deliver to the NOK.

A6.4.3.2. A notification letter is not required when the member's commander personally notifies the NOK.

A6.4.3.3. When notification duties include briefing the Primary NOK (PNOK) on media access to the Dignified Transfer of Remains at the Dover AFB Port Mortuary because of a death in the AOR, the notification office must carry the "*Notification Script Regarding Media Coverage at Dover AFB*", "*Consent/ Non-consent Media Coverage Release*."

A6.4.3.4. The notification officer will not depart to the NOK's residence until approval by AFPC/DPWCS is obtained.

A6.5. Transportation.

A6.5.1. The CAR, with help from the vehicle dispatcher, provides a military vehicle, sedan, mini-van or other appropriate vehicle for the notification officer.

A6.5.1.1. Geographically separated unit (GSU) commanders establish arrangements for use of a government vehicle if available.

A6.5.2. Notification officers must use military vehicles when available; otherwise, use of a privately owned vehicle (POV) is authorized.

A6.5.2.1. When travel must be performed using a POV, the notification officer submits SF 1164, *Claim for Reimbursement for Expenditures on Official Business*, to their servicing financial services office for reimbursement of expenses.

A6.5.2.2. Reimbursement of expenses is chargeable to unit operation and maintenance (O&M) funds.

A6.6. Communication Support.

A6.6.1. The FSS/MSS or GSU commander, with the help of support agencies, provides a cellular telephone or two-way radio for use by the notification officer or team.

A6.6.2. The immediate availability to communicate with your installation casualty office and AFPC/DPWCS is necessary should you or the team encounter obstacles that prevent effecting and confirming notifications in a timely manner.

A6.7. Preparing to Perform Casualty Notifications.

A6.7.1. Review the DoD film, Casualty Notification.

A6.7.2. Review AFI 36-3002, **Chapter 3**, *Casualty Notifications*.

A6.7.3. Ensure your service dress uniform is in good condition. You must wear it for all casualty notifications.

A6.7.4. Talk to your servicing FSS/MSS CAR to familiarize yourself with the Air Force Casualty Program and any unique local casualty notification procedures.

A6.7.5. Talk to other field grade officers who have performed a casualty notification. Their experiences might help you prepare to perform this sensitive task.

A6.7.6. Understand that your commander could call on you to perform a casualty notification at any time: Be prepared.

A6.8. Guidelines During the Pre-notification Phase.

A6.8.1. Once your installation commander or AFPC/DPWCS selects you for casualty notification duty, learn as much as you can about the casualty, the NOK, and the circumstances surrounding the incident.

A6.8.2. The installation CAR or AFPC/DPWCS will provide you with:

A6.8.2.1. The notification procedures briefing.

A6.8.2.2. The notification letter.

A6.8.2.2.1. If assigned to a military installation, the CAR will give you the appropriate notification letter.

A6.8.2.2.1.1. If assigned to a GSU, AFPC/DPWCS will fax or e-mail the appropriate notification letter for your signature.

A6.8.2.2.1.2. If faxed, you must retype verbatim and error-free (see AFI 36-3002, **Chapter 3**, **Paragraph 3.16**, and **Attachment 7** and **Attachment 8**, for further information).

A6.8.2.2.1.3. This notification letter provides condolences on behalf of the Air Force and known circumstances surrounding the incident.

A6.8.2.2.2. You will take the original copies of the notification letter and, if applicable, the “*Notification Script Regarding Media Coverage at Dover AFB*”, “*Consent/ Non-consent Media Coverage Release*,” and the FAQs, when you go to see the PNOK. Ensure you are familiar with the script prior to leaving.

A6.8.2.2.3. The “*Notification Script Regarding Media Coverage at Dover AFB*”, “*Consent/ Non-consent Media Coverage Release*,” and FAQs are used to help the

PNOK make a decision in granting or denying the news media coverage. This includes, observing and photographing the PNOK's loved one's remains during the dignified transfer of his/her flag-draped transfer case and military or contract transport to ground transportation at the Port Mortuary, Dover AFB . This document is also used to record the PNOK's desire to travel to Dover AFB, to observe the DT at government expense.

A6.8.2.3. You will need to confirm the NOK's name, relationship, and address, and note any special conditions (e.g., age, ill health, or precarious location of NOK) prior to leaving the base.

A6.8.2.4. Instructions if problems occur.

A6.8.2.5. Map of the area, if available.

A6.8.2.6. Transportation.

A6.8.2.7. Cellular telephone or two-way radio.

A6.8.2.8. AFPC/DPWCS toll-free number (1-800-433-0048).

A6.8.3. Familiarize yourself with the location of the NOK, the circumstances of the incident, and the notification letter.

A6.8.3.1. If you are unsure of the NOK's location, ask the CAR, AFPC/DPWCS, or local authorities for help.

A6.8.3.2. If the NOK reside within an area where your safety may be threatened, request a police escort.

A6.9. Inability to Locate the NOK.

A6.9.1. If it appears the NOK is not at home, you should contact neighbors, law enforcement agencies, or the local postmaster (not a postal clerk) for information regarding the NOK's whereabouts.

A6.9.2. If you or the team cannot locate the NOK, or the NOK has moved from the area, you should immediately telephone AFPC/DPWCS toll-free at 1-800-433-0048 for further guidance and provide the information concerning attempts to contact the NOK.

A6.10. Making the Notification.

A6.10.1. If you are notifying the PNOK of a death that occurred in the theater of combat operations, and the remains are being processed through the Port Mortuary, Dover AFB, you will call AFPC/DPWCS toll-free at 1-800-433-0048 for updated arrival information of the remains to Dover AFB. This call will be done prior to arrival at the PNOK's residence and is not to be conducted in front of or inside the PNOK's residence. Again, AFPC/DPWCS will brief you on the proper procedures prior to your leaving the base. Ensure you are familiar with your portion of the briefing.

A6.10.2. A representative of the Air Force notifies the NOK in person whenever possible.

A6.10.3. The Air Force honors the NOK's wishes to notify other NOK. **EXAMPLE:** If the spouse wishes to notify adult children or the parents.

A6.10.4. If the NOK calls to ask about a member's status before they receive official notification, AFPC/DPWCS, the member's commander or a designated representative, or the CAR, tells the caller the member's status during the call. You will be notified by AFPC/DPWCS if the NOK is already aware of the death.

A6.10.5. You must be alert to the needs of the NOK and represent the Air Force in a professional manner.

A6.10.5.1. Being prepared, sincere, and alert to the needs of the NOK at time of notification will reduce some of the shock that is normal under these circumstances.

A6.10.6. Stereotyped procedures are not appropriate.

A6.10.7. As a minimum, you should:

A6.10.7.1. Identify yourself to the NOK and any other members of the team. **EXAMPLE:** "I am Major Thompson and this is Major Jones from the 12th Mission Support Squadron at Randolph Air Force Base, Texas."

A6.10.7.2. After identifying yourself, make sure you are speaking to the correct person(s) by confirming the identity of the NOK. **EXAMPLE:** "Are you Mr. Thomas Brown, the father of Staff Sergeant Carl Thomas Brown?"

A6.10.7.3. If at least one person to be notified is home, you should state that you have an important message to deliver and ask permission to enter the residence.

A6.10.7.4. Verbally relate to the NOK, without reading from the notification letter, the information contained in the letter, if applicable. **EXAMPLE:** "On behalf of the Chief of Staff, United States Air Force, I regret to inform you that your son, Staff Sergeant Carl Thomas Brown, died in Texas today as a result of injuries received in a motorcycle accident." Then paraphrase any additional circumstances described in the notification letter.

A6.10.7.5. Do not hurry the words; speak as naturally as possible.

A6.10.7.6. Do not extend overly sympathetic gestures that may be taken the wrong way.

A6.10.7.7. Do not physically touch the NOK in any manner other than to assist in an emergency. If necessary, summon the medical representative on the team or local emergency personnel.

A6.10.7.8. Avoid making detailed statements about the incident.

A6.10.7.9. Inform the NOK that the deceased member's commander will send a letter explaining and confirming the circumstances surrounding the incident.

A6.10.7.9.1. If you are the member's commander or a designated representative and have first-hand knowledge of the circumstances, you may give the NOK additional information.

A6.10.7.10. Inform the NOK eligible for casualty assistance that a casualty assistance representative will contact them within 24 hours to arrange for a casualty assistance visit at their convenience.

A6.10.7.11. Inform the NOK that:

A6.10.7.11.1. For CONUS casualties, a mortuary affairs representative will contact them regarding mortuary affairs.

A6.10.7.11.2. For overseas casualties, HQ Air Force Mortuary Services, Dover AFB, Delaware, will contact them regarding mortuary affairs. (**NOTE:** OIF/OEF death cases See A6.10.6.)

A6.10.7.12. Give the notification letter to the NOK, if applicable.

A6.10.7.13. If the NOK have questions or need additional information, have them call HQ AFPC/DPWCS toll-free at 1-800-433-0048, and AFPC/DPWCS will put the NOK in touch with their (husband's, wife's, son's, daughter's, father's, or mother's) commander.

A6.11. Information You Must Not Discuss With NOK.

A6.11.1. Questions about survivor benefits, burial, or similar matters.

A6.11.2. Compensation-related questions dealing with insurance, gratuities, unpaid pay and allowances. The CAR providing assistance will address these subjects.

A6.11.3. Questions relating to mortuary affairs. The mortuary affairs representative will address these issues. **NOTE:** For deaths occurring in the theater of combat operations and being processed through the Port Mortuary at Dover AFB, a script and attached Questions and Answers will be provided to aid you in answering questions limited to the media coverage of their loved one's dignified transfer and how to request government provided travel to observe the dignified transfer in person. However, you should allow AFMAO to answer these questions for the PNOK.

A6.11.4. Questions relating to line of duty, negligence, errors in judgment or the responsibility of other personnel concerned with the incident.

A6.11.5. Your prior experiences or personal conjectures.

A6.11.6. In short, limit your discussion to the information contained in the notification letter and do not discuss matters that you are not qualified to discuss.

A6.12. After the Notification.

A6.12.1. Confirm the NOK's address is correct and obtain their telephone number for future contact.

A6.12.2. Ask the PNOK if they wish to personally notify other immediate NOK or have them notified by the Air Force.

A6.12.2.1. If the PNOK wants to notify other NOK, encourage them to do so before you depart the residence.

A6.12.2.1.1. Advise the PNOK to contact AFPC/DPWCS at their toll-free number (1-800-433-0048), as soon as possible after notifications to other NOK have been completed.

Mr. and Mrs. Eric T. Jones

111 14th Avenue, West

San Antonio, Texas 78232

Dear Mr. and Mrs. Jones

Please accept my deepest condolences at the tragic death of your daughter, Sergeant Lori A. Jones on 11 May 2009. Her loss saddened the members of this organization.

At the time of the accident, Lori was performing her duties as flight engineer on a C-130 aircraft. The aircraft was scheduled to fly a navigational training mission, taking off from Hill Air Force Base, Utah, with a scheduled landing at the same base 4 hours later. Shortly after takeoff, the aircraft departed its controlled flight pattern and crashed in the Wasatch mountains, east of the base.

Your daughter was a fine Air Force crewmember who was well liked by everyone here in the wing. Her love of flying led to the establishment of many friendships and associations. We all feel a personal loss in her untimely death.

If I can be of further assistance to you, please contact me at (801) 777-XXXX.

Mrs. Susan A. Hanes
2436 Sunrise Boulevard
San Antonio, Texas 78232

Dear Mrs. Hanes

It is with deep regret that I write to inform you that the status of your husband has been changed from whereabouts unknown to missing. As I have explained, whereabouts unknown is a transitory duty status which provides a commander with additional time to decide on the most accurate status for a member. Since no additional information surfaced during our extensive search for John's aircraft, and I remain unsure of his true status, I have declared him missing.

The Air Force continued the search efforts I previously described to you until yesterday, when we concluded that no evidence remained that search aircraft or naval vessels could detect within the range of John's aircraft. We searched an area of approximately 80,000 square miles, with concentrated efforts in the area that would most likely have contained wreckage. Both the US Air Force and the US Navy dedicated many aircraft to the search. Some commercial airlines and numerous Civil Air Patrol aircraft also participated in the search. Electronic surveillance of the search area will continue for the next 2 weeks. Please be assured that if I receive any new information concerning your husband's status, I will notify you immediately.

I am compiling a detailed report containing all known information concerning the incident. This report should be complete within 5 days, at which time I will forward it to the Air Force Missing Persons Branch. That office will provide you with additional information and will keep you informed of all future developments concerning John's status.

If you wish to correspond with the Missing Persons Branch, you may write to AFPC/DPWCM, 550 C Street West, Suite 15, Randolph AFB TX 78150-4717, or call 1-800-531-5501.

On behalf of John's many friends in the 345th Tactical Fighter Wing, please accept my deepest condolences during this time of anxiety. If I can be of personal assistance, please contact me at any time at (210) 652-XXXX.

Sincerely

Mrs. John A. Smith

111 Pine Street

San Antonio, Texas 78232

Dear Mrs. Smith

Please accept my heartfelt condolences on the death of your husband, Major John A. Smith. John was highly respected by the members of the 111th Fighter Wing, both for his exceptional leadership abilities and his skill as a pilot. I want to explain the circumstances surrounding John's death as we understand them at this time.

John departed Riyadh Air Base at 9:00 a.m. on the morning of March 30 to conduct a visual reconnaissance mission in a heavily defended, hostile area. After completing a series of reconnaissance runs and accomplishing an in-flight refueling, he returned to the target area to continue his mission. During the flight, the aircraft encountered enemy gunfire, and the navigator reported that he heard two loud explosions. Despite the navigator's continued attempts to contact him, no contact was made. The navigator flew the aircraft to a safe area and elected to eject both himself and John rather than to attempt a landing. The ejection was successful; however, John had already suffered fatal injuries. It was determined that he died instantly as a result of enemy ground fire.

His gallantry on this mission was typical of the outstanding devotion he has demonstrated throughout the past 8 months. I am proud to have been associated with John, and I join with the rest of the wing in expressing our deepest condolences at his loss. Be assured that I stand ready to help you in any way I can during this time of sorrow.

Sincerely

JOHNNY S. BRAVO
