

**HEADQUARTERS 325TH FIGHTER WING (AETC)  
THE INSPECTOR GENERAL (IG) COMPLAINT PROGRAM  
& FRAUD, WASTE, AND ABUSE DISCLOSURE SYSTEM**

1. The Air Force IG complaint program strives to ensure a fair and equitable standard for everyone. You are free to lodge a complaint at any level, and can do so without fear of intimidation or retribution.

2. The IG Complaint Program is described in AFI 90-301. This document provides sufficient guidance to aid you in filing your complaint. Typically, complaints are most efficiently and effectively addressed at the supervisor or commander level. You are encouraged, but not required, to discuss your problem with your supervisor or your commander before coming to the IG.

3. Some matters are more appropriately addressed through other channels than the IG. Anyone considering lodging an IG complaint should closely read AFI 90-301, sections 1J, 1K, 1L, 1M, and review Table 2.5 to ensure the problem is not addressed by other Air Force directives.

4. If you know of Fraud, Waste, or Abuse (FW&A) incidents as defined below, report these incidents to your Inspector General (IG), Inspector for Resources Oversight, Commander, DOD Hotline 1-800-424-9098, Air Force Hotline 1-800-538-8429, AETC MAJCOM DSN 487-4460, as appropriate.
