This instruction implements Air Force Policy Directive (AFPD) 36-20, *Accession of Air Force Military Personnel*, for an exchange program between the United States Air Force, Coast Guard, Military, and Naval Academies. The purpose of the exchange program is to provide an opportunity for selected United States Air Force Academy cadets to garner a better understanding of the culture and core competencies associated with the separate branches of our United States military services. This voluntary program involves an exchange of cadets and midshipmen during the fall semester of each academic year. This instruction applies to all United States Air Force Academy (USAFA) agencies involved in support of the Cadet Service Academy Exchange Program (SAEP). This publication does not apply to Air Force Reserve Command (AFRC) units and the Air National Guard (ANG). Refer recommended changes and conflicts between this and other publications to USAFA/CWTS, 2354 Fairchild Drive, Suite 4A12, USAF Academy, CO 80840, on Air Force (AF) Form 847, *Recommendation for Change of Publication*. The authorities to waive requirements in this publication are identified with a Tier (T-3) number following the compliance statement. See AFI 33-360, *Publications and Forms Management*, for a description of the authorities associated with the Tier numbers. Submit requests for waivers through the chain of command to USAFA/CWT for the appropriate Tier waiver approval authority, or alternately, to the Publication Office of Primary Responsibility (OPR) for non-tiered compliance items. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with (IAW) Air Force Manual (AFMAN) 33-363, *Management of Records*, and disposed of IAW Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS).

SUMMARY OF CHANGES

This instruction has been revised to reflect the following: The instruction has been completely rewritten and must be completely reviewed.

1. How the Exchange Works:

1.1. The USAF Academy selects cadets to participate in a semester-long exchange program with the United States Military Academy (USMA), the United States Naval Academy (USNA), and the United States Coast Guard Academy (USCGA).

1.1.1. The number and rank of cadets exchanged is IAW the current Conference of Service Academy Superintendents (COSAS) agreement.

1.1.2. Some exchanges may be out of cycle and not include all academies. All exchanges outside of the scope of the instruction will be worked by the Commandants through Scheduling (USAFA/CWTS) as required.

1.1.3. Cadets must ensure their myPay account is active prior to departing USAFA. Should the member need the account reset, they must visit the USAFA Cadet Pay Office.

1.2. The exchange begins prior to the start of the semester as determined by the host academy and ends after final examinations are completed at the host academy.

1.3. Exchange cadets and midshipmen are completely integrated into the host academy's activities and will be governed by the host's rules and instructions. Exchange cadets and midshipmen are afforded the same passes and liberties as equivalent ranked cadets within their squadron.

1.3.1. Exchange cadets and midshipmen will comply with the host academy's honor code. Suspected violations of a host academy's honor code by a visiting exchange cadet or midshipmen will be reported immediately to the visiting cadet's/midshipman's home academy. The host academy will fully investigate the alleged violation in accordance with its own policies and procedures. The host academy honor committee will recommend whether an honor board should be held. Honor boards, if held for exchange cadets/midshipmen, will be convened at the cadets'/midshipmen's home academy.

1.3.2. Infractions of host academy regulations and policies will be adjudicated and punishment administered by the host academy in accordance with its own policies and procedures with the following exception: exchange cadets/midshipmen at USAFA will not be subject to punishment under Article 15 of the Uniform Code of Military Justice, in accordance with U.S. Army, U.S. Navy, and Coast Guard regulations. It is important to note that only the USAFA Superintendent has the authority to disenroll USAFA cadets.

1.4. While on the exchange program, USAFA cadets are expected to participate in all facets of the host academy's way of life to learn as much as possible during their stay. USAFA cadets are expected to maintain excellent academic, military, and athletic performance while at the host academy. Exchange cadets/midshipmen will participate in the appropriate Character Development programs available to their class. Concerning academic and military grades, the following apply:

1.4.1. If the end-of-semester academic grades received would ordinarily result in academic probationary status at USAFA, the cadet is on academic probation upon return.

Cadets receive credit for courses passed. Such credit is entered on their academic records and computed into their Grade Point Average (GPA).

1.4.2. Military Performance Average (MPA) – USAFA cadets participating in SAEP for a semester will not receive an MPA for the semester they are absent from USAFA. Instead, they will receive their MPA score from the previous semester at USAFA unless extraordinary circumstances warrant assigning a different MPA for disciplinary issues.

1.4.3. Physical Education Average (PEA) – USAFA cadets participating in SAEP for a semester will not receive a PEA for the semester they are absent from USAFA. Any qualifying physical education course grade earned while on exchange will be factored into cadets' Cum PEA. If no semester PEA, cadets will be considered for Athletic Honors using Cum PEA for the exchange semester. A qualifying honors Cum PEA is 3.00 or greater. It is important to note, while on exchange all host academy physical fitness evaluations must be taken and passed. All certified scores along with PE course class transcripts will be turned in upon return from exchange to the PE Grading and Scheduling Office (ADPVEG) in AD. Failure to pass an evaluation may result in remedial/disciplinary action.

2. Responsibilities. The Commandant of Cadets (USAFA/CW) has overall responsibility for this program. Other key staff heads in the exchange program are the Chief, Scheduling (USAFA/CWTS), and Support Division (USAFA/CWTM); Dean of the Faculty (USAFA/DF); Director of Athletics (USAFA/AD); Director of Manpower and Personnel (USAFA/A1); Director of Financial Management and Comptroller (HQ USAFA/FM); 10th Medical Group Commander (10 MDG/CC); 10th Communications Squadron (10 CS/CL); and the 10th Logistics Readiness Squadron (10 LRS/CL). AOCs should specifically mention leadership potential, military conduct, strengths and weaknesses, etc., of the visiting cadet/midshipman. Forms and instructions supplied by the home academy through USAFA/CWTS will be used for this purpose. In the absence of these forms, a military memorandum format will be used for this purpose.

2.4.4. Determines each cadet's eligibility to compete in the exchange academy's intercollegiate programs. Prior to any intercollegiate athletic practice or competition, each exchange cadet has a mandatory requirement to confer with the USAFA National Collegiate Athletic Association (NCAA) Compliance Division to determine his or her intercollegiate athletic eligibility. 3.3.3. Cadets must have a MPA of 3.0 or higher.

4. How to Apply:

4.1. No later than January (fall exchange) of each year, the exchange program manager holds a briefing on the exchange program and application procedures. Each cadet who wishes to apply for the program should do the following:

4.1.1. Discuss his or her desire to participate in this program with their Academic Advisor in DF to verify course transfer, and he or she should also consult an AD advisor to discuss athletic eligibility concerns.

4.1.2. Submit a military memorandum stating his or her desire to participate in the program. See Attachment 3 as a guide. Submit the memorandum to their AOC no later than the date specified by their AOC.

4.1.3. Discuss his or her desire to participate in this program with the AOC. Ask the AOC to submit a memorandum recommending him or her for participation in the program. The AOC should send the memorandum and cadet's current Personnel Data Summary through the Group AOC to USAFA/CWTS to arrive no later than the date specified by the USAFA program manager.

5. How to Select:

5.1. The selection board consists of at least one officer representative (O-4 or above when possible) from USAFA/CWTS, USAFA/DFRC, and USAFA/ADPL. The USAFA/CWTS program manager acts as the board recorder and establishes the date, time, and place for the meeting. Usually the board will meet during February (fall exchange). The board uses the following procedures:

5.1.1. The board members will interview each applicant and review the applicant's package. The board members will assign a point value from 6 to 10 (6 is the least qualified and 10 is the best qualified).

5.1.2. The board recorder compares point values assigned by board members, and identifies applicants whose point values vary by 2 or more points. These applicants will be reevaluated in open discussion by the board and points adjusted if warranted.

5.1.3. The board recorder totals the points and rank orders the folders according to the point totals. The board rank orders those applicants with identical totals in open discussion and consensus as necessary.

5.1.4. Exchange slots will be awarded based on rank order from the board results and the cadet's stated preference. Once the primary slots and predetermined number of alternates are filled, the board is complete. It is important to note that USAFA may ultimately send fewer cadets to participating host academies than the total number of exchange slots available.

5.1.5. The board recorder CWTS PM prepares an AF Form 1768 to coordinate the list with USAFA/ADPL, USAFA/DFRC, USAFA/CWTS, and then to USAFA/CW for approval. The AF Form 1768 is sent to HQ USAFA/CC for information. The results of the board are not released until after USAFA/CW or designated representative approval.

6. Preparing Travel Orders. The SAEP - CWTS program manager ensures travel orders are prepared, in DTS, by each cadet who participates in the Cadet Service Academy Exchange Program. The program manager determines which travel arrangements are in the best interest of the government and the cadet involved. Travel orders should normally be prepared by 1 May of each year. Cadets will file a travel voucher within 5 workdays after their return to USAFA.

7. Complying with Uniform Requirements. USAFA Cadet Service Academy Exchange cadets ensure they have all necessary items listed in Attachment 2. All items must be in serviceable condition and, as a minimum, one complete service uniform and one complete set of Airman Battle Uniform (ABU) must be in the cadets' possession when they arrive at their host academy. The remaining items may be shipped with their personal property. The program manager may amend this list in specific instances after coordinating with the host academy. USAFA-distinctive items are unavailable at the host academy. Cadets must coordinate replacement of lost or damaged items through the host exchange program manager. Please reference the equivalent uniform chart in AFCWMAN 36-3501, *Cadet Sight Picture*, for determining the proper uniform to wear when the host academy prescribes specific uniforms for their formations.

8. Transporting Excess Baggage. USAFA Cadet Service Academy Exchange cadets are authorized reimbursement of excess baggage when traveling by commercial air transportation.

9. Arranging Field Trips. The USAFA program manager may arrange one or more field trips for the visiting exchange cadets and midshipmen to expose them to different Air Force missions. Request for excusal from academic, athletic, and military training is submitted to the Scheduling Committee, via CAMIS electronic USAFA Form 17, *Request for USAFA Scheduling Committee Action*, for final approval/disapproval.
