This instruction implements Air Force Policy Directive (AFPD) 36-35, *United States Air Force Academy*. It explains how cadets are selected and screened in order to participate in youth (under age 18) related events and programs. This instruction implements Secretary of the Air Force guidance, establishes policy, assigns responsibilities and prescribes procedures for background checks and evaluations for all cadets involved in youth programs, that have youth under the age of 18 in Federal facilities, or under the auspices of United States Air Force Academy (USAFA) sanctioned activities, events or programs. This instruction applies to all organizations, units, and offices with events, activities, and programs that occur during the USAFA academic year and summer period. This publication does not apply to Air Force Reserve Command (AFRC) units and the Air National Guard (ANG). USAFA will institute a formal, systematic screening process that ensures cadets are evaluated for behavior, judgment, and maturity factors by senior leadership prior to engaging in any event or activity involving youth. Cadets will be screened prior to selection for youth programs or events, and again immediately prior to the start of the program or event, for any last-minute changes in status. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using AF Form 847, *Recommendation for Change of Publication*. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with AF Manual AFMAN 33-363, *Management of Records*, and disposed of in accordance with the Air Force Records Disposition Schedule (RDS) located at [https://www.my.af.mil/gcss-af61a/afrims/afrims/rims.cfm](https://www.my.af.mil/gcss-af61a/afrims/afrims/rims.cfm).    3.2.3. Screen all cadets assigned to perform duties in these programs for quality force, judgment and maturity, as requested by program sponsors. As a minimum, cadets will be screened by the Air Officer Commanding and verified by the Group Air Officers Commanding at the time of selection and approved by USAFA/CW or Vice Commandant, USAFA/CWV again within two weeks of the start date of any and all Academy-sanctioned programs, camps, orientations, programs, or seminars employing cadets in positions involving direct contact with youth.
