TO
FIRST LIEUTENANT CHRISTOPHER R. McALEAR

First Lieutenant Christopher R. McAlear distinguished himself by outstanding achievement at Vance Air Force Base, Oklahoma on 25 January 2010. While flying with a new student at the auxiliary field, Lieutenant McAlear experienced a bird strike near the left wing root that tore a two-foot by five-inch hole in the aircraft. He calmly climbed the aircraft and performed a controllability check that uncovered a massive fuel leak from the left wing and a controllable airspeed of 97 Knots Indicated Air Speed. He then maneuvered the aircraft to final for a long straight-in approach, flawlessly landed the aircraft, and brought it to a stop 4,000 feet down the runway. His cool professionalism prevented a bad situation from becoming much worse. First Lieutenant McAlear's heroic actions reflect great credit upon himself and the 71st Flying Training Wing.
