Chapter 1

RESPONSIBILITY

1.1. Applicability. This instruction applies to active duty military members assigned to Vance Air Force Base, to include the Air Force Reserve and Oklahoma Air National Guard of the United States, unless otherwise stated.

1.2. Commander, 71st Flying Training Wing.

1.2.1. The Commander, 71st Flying Training Wing, is the proponent and exception authority of this instruction. The commander has the authority to approve exceptions or waivers to this instruction that are consistent with controlling law and instructions. The 71 FTW/CC is the decision authority for placing establishments and areas off-limits.

1.3. Defense Force Commander.

1.3.1. The Defense Force Commander will develop and have staff supervision over the VDCB as well as off-installation enforcement policies and will appoint a board liaison to coordinate entry for civilian guests and proprietors.

1.4. Duties of the Vance Disciplinary Control Board President.

1.4.1. The 71 MSG/CC will serve as president of the VDCB and will:

1.4.1.1. Schedule and preside at all VDCB meetings.

1.4.1.3. Appoint personnel to act in the capacity of board recorder.

1.4.1.4. Ensure records, minutes and correspondence are prepared, distributed and maintained per this instruction (see para 2.11.).

1.4.1.5. Forward recommendations to place establishments and areas off-limits to the 71 FTW/CC for final decision.

1.5. Commanders.

1.5.1. The installation commander and commanders within a VDCB's area of responsibility must be thoroughly acquainted with the mission and services provided by VDCBs. The VDCB members should keep their respective commanders informed of command responsibilities pertaining to VDCB functions and actions and brief all military personnel assigned to their units on off-limits areas and establishments.

1.6. Public Affairs.

1.6.1. Due to the sensitive nature of the subject matter, there will not be a media release in connection with VDCB meetings. Any VDCB proceeding which is open to the public will also be open to representatives of the news media at the discretion of the board president. Unless identified as a witness, representatives of the news media will be considered observers and will not participate in matters considered by the VDCB. Members of the news media may also be invited to participate in an advisory status in coordination with 71

FTW/PA. The president of the VDCB (or appointed designee) is the approval authority for any Public Affairs Release in the event it becomes necessary to do so.

2.3.2. Announcements and summaries of board results may be provided to appropriate civil agencies.

2.4. Duties and Functions of the Board.

2.4.1. The VDCB will:

2.4.1.1. Meet as prescribed in paragraph 2.7.

2.4.1.2. Receive reports and take appropriate action on conditions near Vance AFB relating to any of the following:

- 2.4.1.2.1. Disorder and lack of discipline.
 - 2.4.1.2.2. Prostitution.
 - 2.4.1.2.3. Sexually transmitted diseases.
 - 2.4.1.2.4. Liquor violations.
 - 2.4.1.2.5. Racial and other discriminatory practices.
 - 2.4.1.2.6. Alcohol and drug abuse.
 - 2.4.1.2.7. Drug abuse paraphernalia.
 - 2.4.1.2.8. Criminal or illegal activities involving cults, hate groups, human trafficking or gang activity.
 - 2.4.1.2.9. Illicit gambling.
 - 2.4.1.2.10. Areas susceptible to terrorist activity.
 - 2.4.1.2.11. Unfair commercial or consumer practices.

- 2.4.1.4. Coordinate with appropriate civil authorities on problems or adverse conditions existing near Vance AFB.
- 2.4.1.5. Make recommendations to commanders concerning off-installation procedures to prevent or control undesirable conditions.

2.5. Administration.

2.5.1. Commanders are authorized to acquire, report, process and store information concerning persons and organizations, whether or not affiliated with DoD, according to the applicable Air Force instructions of the sponsoring commander, which:

- 2.5.1.1. Adversely affect the health, safety, morale, welfare or discipline of personnel, regardless of status.
- 2.5.1.2. Describe crime-conducive conditions where there is a direct interest.

2.5.2. The board will function under the supervision of the board president (see para 1.4.).

2.5.3. Certain expenses incurred by base personnel in the course of an official board investigation or inspection may be reimbursable per appropriate base finance instructions. Only the board president has the authority to commit the 71 FTW to provide funding for services provided.

2.5.4. Records of board proceedings will be maintained by the board recorder as prescribed by records management policies.

2.6. Off-Limits Establishments and Areas.

2.6.1. The establishment of off-limits areas is a function of command. It may be used by the 71 FTW/CC to help maintain good order and discipline, health, morale, safety and welfare of personnel assigned to the 71 FTW. Off-limits action is also intended to prevent personnel from being exposed to or victimized by crime-conducive conditions. Where sufficient cause exists, the 71 FTW/CC retains substantial discretion to declare establishments or areas temporarily off-limits to personnel assigned to the 71 FTW. Temporary off-limits restrictions issued by the 71 FTW/CC in an emergency situation will be acted upon by the VDCB as a first priority. As a matter of policy, a change in ownership, management or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction.

2.6.2. Military members assigned to Vance AFB are prohibited from entering establishments or areas declared off-limits according to this instruction. Violations may subject the member to disciplinary action per applicable Air Force instructions and the Uniform Code of Military Justice. Family members of military personnel and others associated with the installation should be made aware of off-limits restrictions. As a general policy, these establishments will not be visited by personnel in a law enforcement capacity unless specifically determined by the 71 FTW/CC or the board president that a visit or surveillance is warranted.

2.6.3. Except when emergency situations exist, prior to initiating a VDCB action, the 71 FTW/CC or board president will attempt to correct adverse conditions or situations through the assistance of civic leaders or officials.

2.6.4. Except when emergency situations exist, prior to recommending off-limits restriction, the VDCB will send a written notice (certified mail; return receipt requested) to the individual or firm responsible for the alleged condition or situation. In the notice, the VDCB will specify a reasonable time for the condition or situation to be corrected, along with the opportunity to present any relevant information to the board. If subsequent investigation reveals the responsible person has failed to take corrective action, the board will recommend the imposition of the off-limits restriction (see para 2.6.1.).

2.6.5. A specified time limit will not be established when an off-limits restriction is invoked. The adequacy of the corrective action taken by the responsible individual will be the determining factor in removing an off-limits restriction.

2.6.6. A person whose establishment or area has been declared off-limits may, at any time, petition the president of the board to remove the off-limits restriction. The petition will be in writing and will include a detailed report of action taken to eliminate the condition or situation that caused imposition of the restriction. The president of the VDCB may direct an investigation to determine the status of corrective actions noted in the petition. The board will either recommend removal or continuation of the off-limits restriction to the board president based on the results of the investigation.

2.6.7. Off-limits signs will not be posted on civilian establishments by US military authorities.

2.7. Meetings.

2.7.1. The board will meet semi-annually. The president of the board may specify whether the meetings will be open or closed. Normally proceedings are closed, but may be opened to the public when circumstances warrant.

2.7.2. Special meetings may be called by the president of the board. Except by unanimous consent of members present, final action will be taken only on the business for which the meeting was called.

2.7.3. A majority of voting members constitutes a quorum for board proceedings.

2.8. VDCB.

2.8.1. Voting members will be selected per paragraph 2.2.1.1.

2.9. Attendance of Observers or Witnesses.

2.9.1. The board may invite individual persons or organization representatives as witnesses or observers if they are necessary or appropriate for the conduct of board proceedings. The below listed authorities may assist in addressing installation concerns or issues.

2.9.1.1. Federal, State, local judicial, legislative and law enforcement officials.

2.9.1.2. Housing regulation and enforcement authorities.

2.9.1.3. Health and social service authorities.

2.9.1.4. Environmental protection authorities.

2.9.1.5. Alcoholic beverage control authorities.

2.9.1.6. Equal employment opportunity authorities.

2.9.1.7. Consumer affairs advocates.

2.9.1.8. Chamber of Commerce representatives.

2.9.1.9. Public works or utility authorities.

2.9.1.10. Local fire marshal and public safety authorities.

2.9.1.11. State and local school board or education officials.

2.9.1.12. Any other representation deemed appropriate by the sponsoring commander such as news media, union representatives and so forth.

2.9.2. Invited witnesses and observers will be listed in the minutes of the meeting.

2.10. Appropriate Areas for Board Consideration.

2.10.1. The board will study and take appropriate action on all reports of conditions considered detrimental to the good order and discipline, health, morale, welfare, safety and morals of installation personnel. These adverse conditions include, but are not limited to, those identified in paragraph 2.4.1.2.

2.10.2. The board will immediately forward reported circumstances involving discrimination based on race, color, sex, religion, age or national origin to the installation commander.

2.11. Off-Limits Procedures.

2.11.1. Off-limits restrictions should be invoked only when there is substantive information indicating an establishment or area frequented by 71 FTW personnel presents conditions which adversely affect their health, safety, welfare, morale or morals. It is essential the board does not act arbitrarily and actions must not be of a punitive nature. The board should work in close cooperation with local officials and proprietors of business establishments and seek to accomplish their mission through mutually cooperative efforts. The board should encourage personal visits by local military and civilian enforcement or health officials to establishments considered below standard. The VDCB should point out unhealthy conditions or undesirable practices to establishment owners or operators to produce the desired corrective action.

2.11.2. In cases involving discrimination, the board should not rely solely on letters written by the Equal Opportunity Office and Military Affairs Committee or investigations of alleged racial discrimination.

2.11.3. If the board decides to attempt to investigate or inspect an establishment, the president or a designee will prepare and submit a report of findings and recommendations at the next meeting. This procedure will ensure complete and documented information concerning questionable adverse conditions.

2.11.4. When the board concludes that conditions are adverse to military members, the owner or manager will be sent a letter of notification (see Attachment 2). This letter will advise him or her to raise standards by a specified date and if such conditions or practices continue, off-limits proceedings will be initiated. Any correspondence with the individuals responsible for adverse conditions which may lead to off-limits action will be delivered by certified mail.

2.11.5. If a proprietor takes remedial action to correct undesirable conditions previously noted, the board should send a letter of appreciation (see Attachment 3) recognizing this cooperation.

2.11.6. If undesirable conditions are not corrected, the proprietor will be invited to appear before the VDCB to explain why the establishment should not be placed off-limits (see Attachment 4). Any proprietor may designate, in writing, a representative to appear before the board on his or her behalf.

2.11.7. In cases where proprietors have been invited to appear before the board, the president of the board will perform the following:

2.11.7.1. Prior to calling the proprietor:

2.11.7.1.1. Review the findings and decision of the previous meeting.

2.11.7.1.2. Call for inspection reports.

2.11.7.1.3. Allow those present to ask questions and discuss the case.

2.11.7.2. When the proprietor or his or her representative is called before the board:

2.11.7.2.1. Present the proprietor with a brief summary of the complaint concerning the establishment.

2.11.7.2.2. Afford the proprietor an opportunity to present matters in defense.

- 2.11.7.2.3. Invite those present to question the proprietor. After the questioning period, provide the proprietor an opportunity to make a final statement before being dismissed.
- 2.11.8. Deliberations on recommended actions will be in closed session, attended only by board members.
- 2.11.9. The board should recommend off-limits restriction only after the following:
- 2.11.9.1. The letter of notification (see Attachment 2) has been sent.
 - 2.11.9.2. An opportunity for the proprietor to appear before the board has been extended.
 - 2.11.9.3. Further investigation indicates that improvements have not been made.
- 2.11.10. The minutes will indicate the VDCB's action in each case. When a recommendation is made to place an establishment off-limits, the minutes will show the procedural steps followed in reaching the decision.
- 2.11.11. Recommendations of the VDCB will be submitted to the 71 FTW/CC for approval.
- 2.11.12. Upon approval of the VDCB's recommendations, the president will inform the proprietor in writing, that the off-limits restriction has been imposed (see Attachment 5).
- 2.11.13. A time limit should not be specified when an off-limits restriction is imposed. The adequacy of the corrective action taken by the proprietor of the establishment must be the determining factor in removing the off-limits restriction.
- 2.11.14. In emergencies, the 71 FTW/CC may temporarily declare establishments or areas off-limits to personnel assigned to the 71 FTW (see Attachment 6). The circumstances for the action will be reported as soon as possible to the VDCB. Detailed justification for this emergency action will be provided to the board for its deliberations.
- 2.11.15. The VDCB will publish a list of off-limits establishments and areas using 71 FTW/PA media channels or other available means to promote widest possible dissemination.

2.12. Removal of Off-Limits Restrictions.

- 2.12.1. Removal of an off-limits restriction requires VDCB action and approval by the 71 FTW/CC. Proprietors of establishments declared off-limits should be advised they may petition the appropriate VDCB at any time. In their petition, they should submit the reason why the restriction should be removed. A letter of notification for continuance of the off-limits restriction should be sent to the proprietor, if the sponsoring commander does not remove the off-limits restriction (see Attachment 7). The proprietor may appeal to the next higher commander after exhausting all appeals at the local sponsoring commander level. The VDCB shall appoint a designee who should make at least quarterly inspections of off-limits establishments. A statement that an inspection has been completed should be included in VDCB minutes.
- 2.12.2. When the board learns the proprietor has taken adequate corrective measures, the VDCB will take the following actions:
- 2.12.2.1. Discuss the matter at the next meeting and make an appropriate recommendation.

2.12.2.2. Forward a recommendation for removal of the off-limits restriction to the board president. If approved, a letter removing the restriction (see Attachment 8 or Attachment 9) will be sent to the proprietor.

2.12.2.3. Reflect action taken in the minutes.

2.13. Minutes.

2.13.1. Minutes will be prepared by the board recorder in accordance with administrative formats for minutes of meetings prescribed by the sponsoring commander (see Attachment 10). The written minutes of VDCB meetings will constitute the official record of the VDCB proceedings. Verbatim transcripts of board meetings are not required. The reasons for approving or removing an off-limits restriction, including a complete address of the establishment or area involved, should be indicated in the order of business. In addition, the VDCB's action will be shown in the order or sequence of actions taken. A change in the name of an establishment or areas in an off-limits restriction will also be included.

2.13.2. Distribution of the minutes of VDCB meetings will be limited to the following:

2.13.2.1. Each voting member.

2.13.2.2. Civilian and governmental agencies within the State of Oklahoma in which member installations are located having an official interest in the functions of the board, if appropriate, in accordance with the Freedom of Information Act and the Privacy Act.

2.13.3. The VDCB minutes are subject to release and disclosure in accordance with applicable Federal laws, Air Force instructions and Department of Defense directives.

2.13.4. Minutes and recommendations of the board will be forwarded to the board president for approval.
