

Got a problem?

452 AMW EQUAL OPPORTUNITY Suggests:

Give your chain a chance...

Speak or write
to the person
about the
behavior

Ask your
supervisor or
co-worker to
assist you

Let your First
Sergeant take
a shot at it

Give your
Commander the
chance to solve
the problem

If these steps
don't resolve
the issue, EO
is here to help

We assist with issues regarding unlawful discrimination based on **RACE, COLOR, NATIONAL ORIGIN, RELIGION & SEX** (*gender, sexual harassment, sexual orientation, transgender*)
