This instruction supplements Air Force Instruction 32-6000. The publication identifies the Special Command Positions (SCP), Command Positions and designated housing designated for those positions. It also identifies Key and Mission-Essential positions for housing. Ensure all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction 33-322, *Records Management and Information Governance Program*, and are disposed in accordance with the Air Force RecordsDisposition Schedule, which is located in the Air Force Records Information Management System. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the AF Form 847, *Recommendation for Change of Publication*; route AF Form 847s from the field through Major Command (MAJCOM) publications/forms managers.

SUMMARY OF CHANGES

This publication has been substantially revised in order to meet Air Force directed digital processing requirements and format and must be completely reviewed. This version consolidates and supersedes AFI 32-6000 Supplement, it also updates office symbols and publication references.
