

AIRMAN COMPREHENSIVE ASSESSMENT ADDENDUM

The AF Form 724A is designed to guide raters and facilitate discussion when providing constructive feedback to their ratees. The addendum should be used in conjunction with the primary Airman Comprehensive Assessment, not in lieu of it. It highlights four Major Performance Areas, each with specific Airman Leadership Qualities for Airmen to focus on. A rater should use their best judgement when determining the proficiency level of their ratee, bearing in mind that each definition should be applied using a whole of person concept relative to the ratee's specific rank, AFSC, and assigned duties.
