MEMORANDUM FOR DISTRIBUTION C
MAJCOMs/FLDCOMs/FOAs/DRUs

FROM: SAF/MR
1040 Air Force Pentagon
Washington, DC 20330-1040

SUBJECT: Department of the Air Force Guidance Memorandum to Department of the Air Force Instruction 36-2406, Officer and Enlisted Evaluations Systems

By Order of the Secretary of the Air Force, this Department of the Air Force Guidance Memorandum immediately changes Department of the Air Force Instruction (DAFI) 36-2406, Officer and Enlisted Evaluations Systems. Compliance with this memorandum is mandatory. To the extent its directions are inconsistent with other Department of the Air Force publications, the information herein prevails in accordance with DAFI 90-160, Publications and Forms Management and Department of the Air Force Manual (DAFMAN) 90-161, Publishing Processes and Procedures. This guidance in this memorandum is applicable to the Regular Air Force, Air Force Reserve, and the Air National Guard.

This memorandum updates AF Form 716, Enlisted Performance Brief, as a dynamic evaluation form for all United States Air Force enlisted grades.

Ensure all records created as a result of processes prescribed in this publication are maintained in accordance with AFI 33-322, Records Management and Information Governance Program, and disposed of in accordance with the Air Force Records Disposition Schedule (RDS) located in the Air Force Records Management System.

This memorandum becomes void after one year has elapsed from the date of this memorandum, or upon incorporation by an interim change to, or rewrite of DAFI 36-2406, whichever is earlier.

The point of contact for this publication is AF/A1PPP, af.a1ppp.workflow@us.af.mil.

**Promote (P):**
Recommended for promotion based on performance at or above established DAF standards and expectations. Performs with the majority of personnel and at a level commensurate with peers.

**Must Promote (MP):**
Recommended for accelerated promotion based on stellar performance well above established DAF standards and expectations. Designated for outstanding performers who perform at a level higher than their peers. RegAF personnel receiving a “MP” receive a distinct promotion advantage over their peers.

**Promote Now (PN):**
Recommended for immediate promotion based
on exemplary performance that far exceeds established DAF standards and expectations. Reserved for elite performers who perform well above other personnel in their peer group. RegAF personnel receiving a “PN” receive a significant promotion advantage over their peers.

**Not Ready Now (NRN):** Not considered ready for promotion at this time based on the need for additional grooming in the current grade, or when personnel may require specific attention with regard to performance of established DAF standards and expectations. NRN evaluations do not necessarily constitute a referral, provided the report contains no negative comments.

This publication implements Department of the Air Force Policy Directive (DAFPD) 36-24, Military Evaluations. It provides guidance and procedures for implementing the United States Air Force (USAF) and United States Space Force (USSF) Officer and Enlisted Evaluations Systems. It also describes how to prepare, submit, and manage forms. This instruction has been developed in collaboration between the Deputy Chief of Staff for Manpower, Personnel, and Services (AF/A1); Chief of the Air Force Reserve (AF/RE); Deputy Chief of Space Operations for Human Capital (SF/S1); and the Director of the Air National Guard (NGB/CF). This publication applies to the Regular Air Force (RegAF), United States Space Force, Air Force Reserve, and the Air National Guard. This instruction requires the collection and or maintenance of information protected by the Privacy Act of 1974 authorized by Department of Defense Directive (DoDD) 5400.11, DoD Privacy Program. The applicable System of Records Notices (SORN) F036 AF PCA, Effectiveness/Performance Reporting Systems and F036 AFPC T, Officer Performance Report (OPR)/Enlisted Performance Report (EPR) Appeal Case Files are available at http://dpcls.defense.gov/Privacy/SORNs/. Ensure all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction (AFI) 33-322, Records Management and Information Governance Program, and are disposed in accordance with the Air Force Records Disposition Schedule, which is located in the Air Force Records Information Management System. Refer recommended changes and questions about this publication to the office of primary responsibility using the Department of the Air Force (DAF) Form 847, Recommendation for Change of Publication; route DAF Forms 847 from the field through Headquarters (HQ) Air Force Personnel Center Promotions, Evaluations and Recognitions Policy Branch (AFPC/DP3SP), 550 C, JBSA-Randolph, TX 78150 or afpc.dp3sp.workflow@us.af.mil. Field agencies will not
publish supplements that change basic policies and procedures or merely duplicate the text of these instructions. Supplements initiated at major command (MAJCOM) or field command (FLDCOM)-level or below require Military Force Policy Division (AF/A1PP), Headquarters Space Force, Force Management (SF/S1PP) and HQ AFPC/DP3SP approval before publication. Send published copies of approved supplements to AF/A1PP, SF/S1PP, HQ AFPC/DP3SP, and Headquarters Air Reserve Personnel Center Promotion Board Secretariat (HQ ARPC/PB). Field agencies must get AFPC/DP3SP and Promotions, Evaluations and Recognition Policy Branch (AF/A1PPP), and SF/S1PP approval before using a locally created version of the DAF and Air Force (AF) Forms prescribed by this instruction. The authorities to waive wing, unit, delta, or base delta level requirements in this publication are identified with a Tier (“T-0, T-1, T-2, T-3”) number following the compliance statement. See Department of the Air Force Manual 90-161, Publishing Processes and Procedures, for a description of the authorities associated with the tier numbers. Submit requests for waivers through the chain of command to the appropriate Tier waiver approval authority; for non-tiered items AFPC/DP3SP is the approval authority. Compliance with the attachments in this publication is mandatory.

SUMMARY OF CHANGES

This rewrite fully implements previously approved guidance from Department of the Air Force Guidance Memorandum (DAFGM) 2023-01, by (1) updating language to be inclusive of the USSF, adding Chapter 11, Space Force Promotion Recommendation Process for Officer Promotion Boards; (2) updating rating chain requirements for health professionals; (3) adding guidance on Airman Leadership Qualities (ALQ) based performance reports for Regular Air Force (RegAF) and Air Reserve Component (ARC) members; (4) implementing mandatory performance statements for housing oversight; (5) authorizing Commandants of the Senior Noncommissioned Officer Academy (SNCOA) and Noncommissioned Officer Academy (NCOA) to serve as final evaluators; (6) updating guidance on stratifications in officer performance evaluations; (7) codifying guidance to include detachment commanders on g-series orders requiring a formal LOE and updating the DAF Form 77 to include “Det CC” in the drop-down menu as well as publishing it as a DAF form; (8) prescribing AF Form 715, Officer Performance Brief for RegAF and ARC officers only, and (9) updating instructions on completing the DAF Form 709, Promotion Recommendation for RegAF and ARC members. This rewrite also prescribes AF Form 716, Enlisted Performance Brief (CMSgt). Throughout this instruction the AF Form 715 and AF Form 716 will be referred to as the ALQ evaluation.

Chapter 1

GENERAL CONSIDERATIONS

1.1. Purpose. The Officer and Enlisted Evaluation Systems have varied purposes. The first is to effectively communicate performance standards and expectations and provide meaningful feedback on how those standards and expectations are being upheld. The second is to establish a reliable, long-term, cumulative record of performance and promotion potential based on that performance. The third is to provide sound information to assist in making talent management decisions.

1.1.1. To accomplish these purposes, the evaluation system focuses on performance. How well a member does their job and the qualities the individual brings to their organization are of paramount importance to the Department of the Air Force (DAF). It is also important for development of skills and leadership abilities and in determining who will be selected for advancement through assignments, promotions, and other personnel actions. The evaluation system emphasizes the importance of performance in several ways, to include the use of Airman Leadership Qualities (ALQs) (Air Force only), using periodic performance feedback as the basis for formal evaluations, and through performance-based promotion recommendations.

1.1.2. Unless stated otherwise, the general guidelines outlined in this chapter apply to all officer and enlisted evaluations, training reports (TR), promotion recommendation forms (PRF), letters of evaluation (LOE), enlisted retention recommendation forms (ERRF), and retention recommendation forms (RRF).

1.2. Forms - Purpose and Utilization.

1.2.1. DAF Form 77, Letter of Evaluation (LOE), is a multipurpose evaluation form.

1.2.2. DAF Form 78, Department of the Air Force General Officer Promotion Recommendation (GO PRF). Use to document performance and promotion recommendations for general officers.

1.2.3. AF Form 475, Education/Training Report (TR). Use to document performance during education or formal training.

1.2.4. AF Form 707, Officer Performance Report (OPR) (Lt thru Col); AF Form 715, Officer Performance Brief, DAF Form 910, Enlisted Performance Report (AB/Spc1 thru TSgt); AF Form 911, Enlisted Performance Report (MSgt thru SMSgt), AF Form 912, Enlisted Performance Report (CMSgt), AF Form 916, Enlisted Performance Brief-CMSgt. Use to document performance as well as provide information for making promotion recommendations and other management decisions.

1.2.5. DAF Form 709, Promotion Recommendation. Use to assess an officer’s performance-based potential and to recommend promotion to Central Selection Boards.

1.2.6. AF Form 724, Airman Comprehensive Assessment Worksheet (2Lt thru Col), AF Form 724-A, Airman Comprehensive Assessment Addendum, AF Form 931, Airman Comprehensive Assessment Worksheet (AB/Spc1 thru TSgt), and AF Form 932, Airman Comprehensive Assessment Worksheet (MSgt thru CMSgt). Use to document formal feedback.
1.2.7. AF Form 948, *Application for Correction/Removal of Evaluation Reports*. Use to substitute, correct or remove an evaluation when an applicant does not have access to the Virtual Military Personnel Flight (vMPF).

1.3. **General Guidelines.**

1.3.1. Access. Evaluations are “Controlled Unclassified Information” forms and must be marked, protected, and accessed accordingly. The office with custodial responsibility is responsible for determining if a requestor’s official duties require access. See *Chapter 2* for access to the performance feedback assessment worksheets.

1.3.2. Classified Information and Security Classification. Do not enter classified information in any section of the evaluation; this includes attachments to evaluations, referral documents, and endorsements to referral documents. If an entry would result in the release of classified information, use the word "Data Masked" in place of that entry. In cases where the evaluator is assigned to a classified organization or location, enter "Data Masked" for organization nomenclature and nothing more.

1.3.3. **Format.**

1.3.3.1. *(RegAF and ARC only)* All evaluations will be completed in myEval. The AF Form 715 and AF Form 716 will be used by exception only. Send exception to policy (ETP) requests through the wing commander or the comparative level to AFPC/DP3SP for RegAF and to ARPC/DPTS for ARC with final approval from HAF/A1PP. See paragraph 1.13.4 who, in turn, will forward the request to the appropriate office of primary responsibility listed in Table 1.1.

1.3.3.2. *(RegAF and ARC only)* Include at least one performance statement in each section of the evaluation being accomplished. *(T-1)* “THIS SECTION NOT USED,” may be used as a performance statement. White space is authorized. A performance statement is a standalone sentence that must include two elements: 1) the behavior or action taken by an Airman; and 2) the impact, results, or outcome of that behavior or action.

1.3.3.3. *(USSF only)* Use bullet format as specified in the appropriate table for the evaluation being accomplished. Limit bullets to a maximum of two lines per bullet and white space is authorized. Main bullets shall begin at the left margin with one space after the “-”.

1.3.4. **Special Formatting.** Do not underline, capitalize, or use bold print, unusual fonts or characters, multiple exclamation marks, or headings to emphasize comments, except as required to identify proper names or publication titles.

1.3.5. **Handwritten Evaluations.** Handwrite evaluations when no other means are available and authorized by Headquarters (HQ) AFPC Promotions, Evaluations and Recognitions Policy Branch (AFPC/DP3SP) or HQ Air Reserve Personnel Center (ARPC) Sustainment Division (ARPC/DPTS). The President and Vice President of the United States may handwriting evaluations.

1.3.6. **Nicknames and Acronyms.**

1.3.6.1. Nicknames that are a form of the ratee’s name, to include middle names, are permitted (e.g., Bill/Will for William, Jim for James, Chris for Christopher/Christine). Call signs and code names are not authorized.
1.3.6.2. **(USSF only)** Common acronyms and abbreviations such as CGO, NCO, CONUS, TDY, org, and wg are not required to be spelled out. Uncommon acronyms are not required to be spelled out in the evaluators comment sections; they must be spelled out in the “Remarks” section. Creating a continuation sheet solely to record acronyms is not authorized.

1.3.6.3. **(RegAF and ARC only)** Limit the use of acronyms and abbreviations. When used, only acronyms and abbreviations on the AF Acronym and Abbreviation List located at https://www.afpc.af.mil/Career-Management/Acronyms/ are authorized, unless noted by an approved category. (T-1)

1.3.7. Waivers and Deviations. Send requests for deviations or waivers through the wing/delta commander or the comparative level to their MAJCOM/FLDCOM. The requests will then be sent to AFPC/DP3SP for RegAF and USSF and to ARPC/DPTS for ARC who, in turn, will forward the request to the appropriate office of primary responsibility listed in Table 1.1. Approved Tier 2, 3 and non-tiered waivers are forwarded to HQ Air Force, Directorate of Force Management Policy (AF/A1P), HQ AFPC/DP3SP, ARPC/DPTS, and/or HQ Space Force, Directorate of Military Policy and Programs (SF/S1P) in accordance with DAFI 90-160.

1.3.7.1. Waiver Process. Waivers are processed in accordance with DAFI 90-160 except as noted below.

1.3.7.1.1. Tier 0 waiver: The appropriate MAJCOM/A1 or FLDCOM/S1 submits the package to AFPC/DP3SP. AFPC/DP3SP submits the package to AF/A1P or SF/S1P for submission to the appropriate external agency/non-Air Force or non-Space Force authority for approval. Package results will be provided to AFPC/DP3SP and then forwarded to the appropriate MAJCOM/A1 or FLDCOM/S1.

1.3.7.1.2. Tier 1 waiver: The appropriate MAJCOM/A1 or FLDCOM/S1 submits the package to AFPC/DP3SP or ARPC/DPTS for the ARC as appropriate. AFPC/DP3SP processes/submits the package to AF/A1P, SF/S1P, AF/A1, or SF/S1 for final approval. Package results will be provided to the appropriate MAJCOM/A1 or FLDCOM/S1.

1.3.7.2. Waivers and the Managers Internal Control Toolset. The requesting commander/director will ensure appropriate waiver information is entered in the Management Internal Control Toolset within 7 calendar days of waiver approval notification.

1.4. Preparing and Processing Evaluations.

1.4.1. Career Briefs. Evaluators are permitted to review a member’s career brief when writing an evaluation. For officers, the brief will be used to aid in making recommendations for command, assignments, and developmental education. For enlisted, the brief may be used as an aid in determining senior noncommissioned officer (SNCO) stratification/endorsement level eligibility or junior enlisted forced distribution promotion recommendation. **Note:** The ANG does not stratify enlisted members; therefore, stratifications are not applicable to ANG enlisted members.

1.4.2. Suspenses.

1.4.2.1. The commander’s support staff (CSS) and servicing military personnel flight (MPF) work together to manage the evaluation system and monitor suspenses. Established
suspenses should allow for the evaluation to be filed in the member’s official record no later than 60 calendar days after the close-out date. Evaluations will not be signed prior to the close-out date. **(T-1) Note:** This does not preclude a draft copy being routed earlier.

1.4.2.2. Officer and Enlisted Evaluations.

1.4.2.2.1. Due to the MPF no later than 30 calendar days after close-out. **(T-1)**

1.4.2.2.2. Due to Air Reserve Personnel Center (ARPC) (when required [e.g., referrals]) or office of record no later than 45 calendar days after close-out. **(T-1)** This suspense is to allow for any corrections that may be needed at the lower level.

1.4.2.2.3. Filed in the Automated Records Management System (ARMS) and Personnel Records Display Application (PRDA) no later than 60 calendar days after the close-out. **(T-1)**

1.4.2.3. Evaluations directed by Headquarters United States Air Force or Headquarters United States Space Force (DBH), or the National Guard Bureau (NGB) are due to the respective office by the suspense date established in the directing letter or message. **(T-1)**

1.4.2.4. Complete referral evaluations in accordance with **paragraph 1.10** and file into ARMS and PRDA no later than 60 calendar days for RegAF, USSF, and Active Guard Reserve (AGR) personnel and 90 calendar days for non-extended active duty (EAD) personnel, after the close-out date of the evaluation.

1.4.3. When an Evaluation Becomes a Matter of Record.

1.4.3.1. An evaluation is considered complete when all applicable signature elements are signed or completed. Completed evaluations become a matter of record once they are uploaded into ARMS and PRDA. Evaluations are considered “working copies” until they are made a matter of record. **(T-1)**

1.4.3.2. Correction requests made after an evaluation becomes a matter of record must be submitted through the Evaluation Reports Appeal Board (ERAB) in accordance with **Chapter 10**. **(T-1)**

1.4.4. Attachments to Evaluations. Attachments are considered to be part of the evaluation. Acceptable attachments are referral memorandums, rebuttals to referrals (which could include DAF Form 77s that are not part of the official record), endorsement memorandums.

1.4.5. Copying and Printing Evaluations.

1.4.5.1. Printing. Do not alter the form, (e.g., reduce or enlarge), other than for authorized administrative corrections, (e.g., white out on a date change for “wet” signed evaluations). **(T-1)** Both sides of the form will be printed whether used or not. **(T-1)**

1.4.5.1.1. Do not reproduce copies for purposes other than those noted below without the approval of AFPC/DP3SP or ARPC/DPTSC:

1.4.5.1.1.1. For official actions such as courts-martial, awards and decoration recommendations, promotion or demotion processing, discharge actions, appeal processing, and appropriate assignment actions by the Air Force Personnel Center (AFPC), Air Reserve Personnel Center (ARPC), Air Force Reserve Command (AFRC), or Individual Reservist Readiness Integration Organization (RIO); Air
Force Colonel Management Office (AF/A1LO), Air Force General Officer Management Office (AF/A1LG), Air Force CMSgt Management Office (AF/A1LE), or Air Force Reserve Senior Leader Management Office (AF/REG), or HQ Space Force, Senior Leader Management (SF/S1L) assignment personnel. Authorized personnel will provide copies. (T-1)

1.4.5.1.1.2. On written authority of AF/A1LG for general officers; AF/A1LO for colonels on EAD; SF/S1L for Space Force general officers and colonels; AFPC/DP3SP for lieutenant colonels and below on EAD; or the ARPC/DPTSE for Air National Guard (ANG) colonels and below, Air Force Reserve (AFR) officers not on EAD, and Active Guard Reserve (AGR) or voluntary limited period of active duty officers. (T-1)

1.4.5.1.1.3. As authorized by AFI 33-332, Air Force Privacy and Civil Liberties Program, when requested by the ratee or their designated legal representative.

1.4.5.1.1.4. As required, provide copies for file in ARMS and PRDA, the officer selection record (OSR) or SNCO selection record, the officer command selection record, or adjutant general or national guard or human resource record file.

1.4.5.1.1.5. To replace missing or lost documents in the Master Personnel Records Group. Forms not digitally signed must be certified as a true copy. (T-1)

1.4.5.2. Corrected Copies. A corrected copy may be either a copy or an original document which contains changes from the original document. Corrections authorized by the Air Force Board for Correction of Military Records (AFBCMR) or ERAB on “wet signature” evaluations may require a corrected copy annotation. In these cases, the following statement will be entered on the reverse bottom margin: “Corrected Copy, AFPC/DPMSPE or ARPC/DPT, XX XXX XX [date correction made], and certifying official’s typed signature block and signature.” (T-1)

1.4.5.3. Legibility. The CSS, MPF, and AFPC/DPMSPE will return copies that are difficult to read or do not comply with paragraph 1.4.5. (T-1)

1.4.6. Showing and/or providing copies to the ratee. Unless the evaluation is a referral, evaluators are not required to show or provide a copy of the evaluation to the ratee until the “Ratee’s Acknowledgement” is ready for completion. (T-1)

1.4.7. Inactivated Organizations. If a unit inactivates on or after the accounting date for any evaluation static close-out date (SCOD), the inactivated unit will accomplish the evaluations, to include all forced distribution and senior rater endorsement processes. If the unit inactivates before the accounting date, the gaining unit (the unit as of the accounting date) will accomplish all evaluation-related matters. All affected units will coordinate with AFPC/DPMSPE on all actions associated with inactivating units. (T-1)

1.4.8. Duty Air Force Specialty Code (DAFSC) or Duty Space Force Specialty Code (DSFSC). The DAFSC or DSFSC is based on the unit manpower document authorization.

1.4.8.1. (RegAF and ARC officers only) Use the DAFSC assigned against and approved by AFPC as of the established SCOD (see Table 3.4), as reflected within the Military Personnel Data System (MilPDS); however, if the officer has a permanent change of station (PCS) or permanent change of assignment (PCA), or departs from a 365-day extended
deployment on or after the accounting date, use the DAFSC as of the established accounting date (see Table 3.5).

1.4.8.2. (USSF officers only) Use the DSFSC assigned against and approved by AFPC as of the close-out date of the evaluation, as reflected within MilPDS.

1.4.8.3. If an officer’s DAFSC or DSFSC is incorrect, initiate corrective action immediately, annotate the correct DAFSC or DSFSC on the evaluation, and attach a copy of the documentation reflecting the correction. MPF/CSS personnel must confirm the requested change was approved and that the effective date of the change was on or before the close-out date of the evaluation before forwarding the evaluation to AFPC/ARPC. (T-1) If the requested change has not been approved by the date the evaluation is ready to send to AFPC/ARPC, the DAFSC or DSFSC on the evaluation will be changed to match the DAFSC or DSFSC approved by the respective HQ AFPC officer assignment manager in MilPDS. (T-1)

1.4.8.4. For enlisted personnel, use the DAFSC or DSFSC as of the established SCOD. If the Airman or Guardian has a PCS or PCA or departs from a 365-day extended deployment on or after the accounting date, use the DAFSC or DSFSC as of the established accounting date. CSS/MPF personnel must ensure the correct information is reflected and/or updated in MilPDS.

1.4.8.5. For a 365-day extended deployment billet, use the DAFSC or DSFSC assigned to the position and/or billet that the ratee is officially filling in the deployed location.

1.4.9. Grade Data.

1.4.9.1. For RegAF officers and DAF enlisted personnel, the grade will be the actual grade the ratee will hold as of the established SCOD, unless the ratee has been selected to the next higher grade, then use the selected grade (e.g., Lt Col (S) or TSgt-select). (T-1) For ARC officers, the grade will be the actual grade the ratee will hold as of the established SCOD. (T-1) The use of the select status for FGO evaluations corresponds to the public release date of promotion to the next higher grade or once an officer’s promotion nomination has been transmitted to the White House. The use of the select status for first lieutenants selected to captain corresponds to the date of AFPC or ARPC public release of the promotion list or once SecDef approves the promotion lists. The use of “select” is not utilized for lieutenant evaluations. For USSF officer grades, the grades must be the actual grade as of the close-out date of the evaluation. (T-1)

1.4.9.2. Frocking is the practice of authorizing members who are selected for promotion to wear the higher grade before the actual promotion date.

1.4.9.2.1. If a RegAF officer has been frocked, select the member’s selected grade (e.g., Col-select).

1.4.9.2.2. If a USSF officer has been frocked, use the actual grade for the USSF officer versus the frocked grade.

1.4.9.2.3. If a CMSgt has been frocked, the grade must be the actual grade for USSF and the select grade for RegAF (i.e., CMSgt select) as of the close-out date of the evaluation.
1.4.10. Fitness and Body Composition Assessments.

1.4.10.1. It is the commander’s discretion to annotate a non-current or failed fitness assessment and/or body composition assessment within the reporting period on an evaluation. Additionally, it is the commander’s discretion to document the evaluation as a referral for a non-current or failed fitness assessment and/or body composition assessment as of the close-out date.

1.4.10.2. Comments regarding unit fitness achievements are authorized for Airmen or Guardians who have a key role in the success of unit physical training programs. Comments may include performance by physical training leaders, unit fitness program managers, first sergeants, superintendents, section commanders, flight chiefs, commanders, and other members deemed integral to a particular organization's successful fitness program.

1.4.10.3. Do not include fitness or body composition scores or fitness categories on an evaluation unless the individual did not meet fitness and/or body composition standards (see paragraph 1.4.10.1). This does not prevent an evaluator from documenting referral comments in other areas outside of the fitness and/or body composition area when an Airman or Guardian displays a negative/inappropriate attitude regarding the member’s fitness or has not demonstrated fitness improvement. In those cases, the referral comments will address the behavior. (T-1)

1.4.10.4. Do not comment on an exemption or the reason for exemption. (T-1)

1.4.10.5. Extensions to SCODs are not authorized.

1.4.11. Non-Rated Periods. In particular circumstances, non-rated periods may be authorized. The documentation and/or approval authority required will vary depending on the nature of the circumstances. Likewise, the duration of authorized non-rated periods may also vary depending on the circumstances and other factors. Therefore, non-rated periods must be considered individually as each Airman’s or Guardian’s circumstance and response are unique. Being TDY or deployed is not an example of a non-rated period. The following areas may warrant a non-rated period:

1.4.11.1. Medical (physical, physiological, and/or psychological conditions; hospitalization, and/or convalescence in excess of 80 calendar days, including, but not limited to, Airmen or Guardians in Patient Status): The Airman’s or Guardian’s provider will initiate the recommendation for a non-rated period to the Airman’s or Guardian’s unit commander using AF Form 469, Duty Limiting Condition Report.

1.4.11.1.1. Unit Commander (or equivalent) Duties and Considerations. The presumption will be in favor of the Airman or Guardian requesting the non-rated period. Counsel Airmen or Guardians directly to ensure they are fully informed regarding the reasonably foreseeable career impacts (and re-accomplish counseling prior to 60-day extensions, if applicable).

1.4.11.1.2. Approval Authority. The unit commander or equivalent is the approval authority. If the approval authority recommends disapproval, they must provide justification and forward the request to the member’s wing or delta commander or equivalent (delegable no lower than the vice wing or vice delta commander or
equivalent) for final approval or disapproval. (T-1) This may be accomplished on the AF Form 469 or a separate memorandum.

1.4.11.2. Sexual Assault (unrestricted reports only). The Airman or Guardian will submit the request using memorandum format (see example in Attachment 3) to their unit commander/equivalent for approval. The unit commander or director will determine the length of the non-rated period. It is prohibited to include comments on any correspondence relating to or regarding the member’s filing of a report of sexual assault, receiving support services, and/or participating in the investigative process and/or judicial proceedings.

1.4.11.2.1. Approval Authority. See paragraph 1.4.11.1.2.

1.4.11.3. Military or Civilian Confinement. Non-rated periods of supervision, regardless of the number of days served, may be considered for Airmen or Guardians in confinement during the reporting period. The ratee's unit commander or equivalent will subtract periods of confinement using the total days documented on DAF Form 2098, Duty Status Change, from the total number of days of supervision, with the exception of Directed by Commander (DBC) reports. DBC reports accomplished to capture the egregious event(s) that resulted in confinement will not subtract days of confinement from the total number of days supervision.

1.4.11.4. Lengthy Initial Skills and Advanced Training Courses (enlisted only). Non-rated periods are considered only for initial skills or advanced training courses more than 20 continuous weeks. The following training courses do not qualify for use of non-rated: initial skills and advanced training courses that are under 20 continuous weeks; all other 3-, 5-, or 7-level training courses under 20 continuous weeks; or other specific skills-training courses (e.g., field detachment training, flight requalification courses, pre-deployment training) for which the ratee travels TDY.

1.4.11.4.1. Approval Authority. AFPC/DP3SP serves as the approval authority for RegAF and USSF members and ARPC/DPTS serves as the approval authority for ARC members for courses requesting consideration for non-rated periods of supervision. All requests must be signed/submitted by the applicable training course’s administrative control (ADCON) wing or delta commander/senior rater. For AETC courses of instruction, requests will be routed through 2nd Air Force, Manpower, Personnel, and Services Directorate (2 AF/A1), who will review, consolidate, provide a recommendation, and then forward to AFPC/DP3SP for final approval.

1.4.11.4.2. A minimum of one performance statement is required in the rater’s and Higher-Level Reviewer’s (HLR) comments sections. “THIS SECTION NOT USED,” may be used as a mandatory performance statement.

1.4.11.4.3. A minimum of one bullet is required in Sections III and IV of the AF Form 911, and Sections III, IV and V of the DAF Form 910. (T-1) Comments are optional in the remaining sections of both forms. When comments are not included, enter the statement “THIS SECTION NOT USED.” Exception: Referral evaluations will require the applicable referral comments in Section VII, VIII and/or Section IX of the AF Form 911, and Section VIII and/or Section IX of the DAF Form 910. Note: Training squadrons are prohibited from replicating bullets for use across multiple
enlisted evaluations. Comments must be unique to each trainee’s accomplishments and level of performance.

1.4.11.5. Personal Hardships. Commanders may designate periods as non-rated if they determine an Airman or Guardian is undergoing or has undergone personal hardships during the reporting period.

1.4.11.6. Notification. Once the non-rated period is approved, notify the Airman’s or Guardian’s rater and annotate the evaluation accordingly. If additional non-rated periods are deemed necessary, notification will follow in the same manner.

1.4.11.7. Reporting. The rater will not consider nor comment on the Airman’s or Guardian’s performance (to include any misconduct) during a non-rated period. However, the rater may include significant accomplishments if requested by the ratee. For DAF enlisted, if the non-rated period covers the entire reporting period, enter the statement: “Airman/Guardian is not rated for this period: (date) through (date). No comments authorized in accordance with DAFI 36-2406” in Sections III, IV, and V in the DAF Form 910; in Sections III and IV in the AF Form 911. Enter “THIS SECTION NOT USED” in sections VIII and IX of DAF Form 910 or sections VII, VIII or IX of the AF Form 911. For USSF officers, enter the statement: “Guardian is not rated for this period: (date) through (date). No comments authorized in accordance with DAFI 36-2406,” in sections IV, V, and VI of the AF Form 707. For RegAF and ARC officers, enter the statement: “Airman is not rated for this period: (date) through (date). No comments authorized in accordance with DAFI 36-2406” into all major performance areas and HLR comment section on the officer ALQ evaluation. Note: TSgt and below members who are TIG/TIS eligible will receive a forced distribution promotion recommendation.

1.4.12. Signatures, Signature Elements and Dates.

1.4.12.1. General Signature and Date Guidelines.

1.4.12.1.1. Do not sign or date before the close-out or “Thru” date. Sign on or after. (T-1)

1.4.12.1.2. Do not sign blank forms/briefs that do not contain ratings or comments. (T-1)

1.4.12.1.3. Do not use “auto-signature” pens or delegated Common Access Card/digital signatures. (T-1)

1.4.12.1.4. Do not delay signing an evaluation due to pending personnel changes, promotions, or approval of a more prestigious duty title. (T-1)

1.4.12.1.5. Do not “back date” the signature. Exception: If, after referring an evaluation to the ratee, the evaluation is reprinted for the purpose of including all evaluator comments or for making minor administrative corrections that do not require an additional referral to the ratee, all signature dates, up to and including the referring official(s), should reflect the date it was originally signed. This is necessary to show the dates each referral action actually occurred to ensure the evaluation was properly processed. All evaluators, subsequent to the (last) referring official will use either original signature dates or current signature dates. (T-1)
1.4.12.1.6. **(USSF only)** If an evaluator is the functional/acquisition examiner and the Space Force advisor, identify both positions by placing an “X” in both the examiner and the advisor blocks.

1.4.12.2. Digital Signatures and Dates.

1.4.12.2.1. Evaluators (raters and additional raters) and reviewers/HLRs will use digital signatures to the maximum extent possible. **(T-1)** However, if unable to utilize digital signature, the rating chain may use a combination of a digital, a “wet” signature, or a typed signature. For the typed signature, the rating chain may use the approved typed signature in the “Signature” block located below the “Duty Title” and “Date” blocks. The approved typed signature must include: two backslashes at the front and two backslashes at the end, the word “signed,” the signatory’s initials, DoD ID number, and date of the typed signature. **(T-1)** The typed signature format is: \signed, xxx, DoD ID #, DD Mmm YY\. Note: When “wet” signed, print Forms 707, 715, 716, 910, 911, and 912, head to foot and handwrite or stamp the dates. Note: Typed signatures are not authorized on the DAF 709.

1.4.12.2.1.1. If a signature cannot be obtained, AFPC/DP3SP will assist RegAF and USSF members and ARPC/DPTSE will assist ARC members in completing the evaluation before the next level rater/reviewer signs and forwards the evaluation to AFPC or ARPC. **(T-2)** If using the typed signature with the DoD ID number, signatories have the option to include or exclude the last four digits of their Social Security number in the “SSN” block.

1.4.12.2.1.2. In all instances, the rater is responsible to provide the ratee an opportunity to view the final version of the evaluation even if the ratee is unable to sign the evaluation. **(T-2)**

1.4.12.2.1.3. In the event the mitigations above are unsuccessful, AFPC/DP3SP will assist members in completing the evaluation; ARPC/DPTSE will assist ARC members in completing the evaluation. **(T-2)**

1.4.12.2.2. Evaluation forms are enabled with digital signature and auto date capability. Forms will auto-date only when a digital signature is applied.

1.4.12.2.2.1. Subsequent evaluators are unable to sign before the previous evaluator due to the security features associated with the digital signature capability.

1.4.12.2.2.2. Each evaluator’s digital signature will lock their comments and ratings; additionally, it will unlock the digital signature feature for the next evaluator.

1.4.12.2.2.3. The Air Force or Space Force advisor/functional examiner and forced distributer or unit commander/military or civilian director/other authorized reviewer digital signature capabilities are not locked and are independent of other evaluator signatures.
1.4.12.3. For Brigadier General (Brig Gen) and Major General (Maj Gen):

1.4.12.3.1. For Brig Gen Selects and Maj Gen Selects. Upon Senate confirmation, selects may sign all evaluations as “Brig Gen (Sel)” or “Maj Gen (Sel)”, only when serving in a senior rater/reviewer position or assigned to an authorized Brig Gen/Maj Gen position.

1.4.12.3.2. Frocked. For all evaluations, sign as “Brig Gen” or “Maj Gen”.

1.4.12.3.3. Upon Senate confirmation, for a Brig Gen-select who is already the designated senior rater for the lieutenants through majors in an organization, the management level must realign their senior rater identifications (SRID) and redesignate the selectee as the senior rater for the colonels and lieutenant colonels of the organization.

1.4.12.3.4. There can only be one senior rater on a report; see paragraph 1.7.1.7 for exceptions.

1.4.12.3.4.1. Only one general officer or equivalent will sign an evaluation as an evaluator/reviewer. (T-1)

1.4.12.3.4.2. Senior Executive Service (SES) and General Officer Equivalents. SES employees are typically general officer equivalents and, for some, senior rater positions. On evaluations, if an SES employee is a senior rater, then a general officer cannot sign the report. However, if an SES employee is not a senior rater and falls under a general officer who is a senior rater, then both the SES employee and general officer signatures may sign the report. There can be two SES employee signatures on an evaluation report if only one of them is designated by the management level as a senior rater and a general officer who is not a senior rater is not signing the report. An SES employee is only required to use the term “Senior Executive Service” and the level is optional in the signature element.

1.5. **Evaluator Requirements.**

1.5.1. **Number of Evaluators.**

1.5.1.1. RegAF and ARC officer evaluations will have two evaluators, unless the rater is also the HLR. (T-1) USSF officer evaluations will have three evaluators unless the rater or additional rater is also the reviewer/senior rater. (T-1)

1.5.1.2. Enlisted evaluations will have at least two evaluators, unless the rater qualifies as a single evaluator. (T-1) For ALQ evaluations there only two evaluators. (T-1)

1.5.1.3. DAF Form 78 and AF Form 3538 will have two evaluators unless one evaluator qualifies as a single evaluator. (T-1)

1.5.1.4. PRFs will have only one evaluator.

1.5.1.5. Training reports (TRs) will have only one evaluator unless there is a disagreement (paragraph 1.9); or the evaluation is referred, and the commander is not the evaluator named in the referral document as referral reviewer (paragraph 1.10); or the reviewer is senior to the commander and refers the evaluation.

1.5.2. **Grade Requirement for Raters and Evaluators.**
1.5.2.1. Raters.

1.5.2.1.1. For officers. The rater will be an officer of the U.S. or foreign military, or a civilian of equal or higher rank or grade than the ratee. (T-1)

1.5.2.1.2. For enlisted. The rater will be an officer, another enlisted member of equal or higher rank or grade than the ratee, or a civilian at least GS-5/NH-II/equivalent or higher and in a position higher in the rating chain than the ratee. A senior airman (SrA) or a specialist 4 (Spc4) must complete Airman Leadership School or Space Force equivalent prior to assuming or being assigned rater responsibilities. (T-1)

1.5.2.1.3. Additional Requirements for Individual Mobilization Augmentees (IMA). The rater will not normally be another IMA. When circumstances require an IMA directly supervise another IMA, the rater will be appointed by the respective unit commander/director in coordination with the IMA’s assigned detachment commander. IMAs or Traditional Reservists may supervise/rate RegAF and/or USSF personnel only if on consecutive active-duty military personnel appropriation orders for a minimum of 120 calendar days. Reserve members on active-duty orders for a minimum of 120 calendar days or members on statutory tours may supervise/rate RegAF and/or USSF members under their command or operational direction. (T-1) See DAFI 51-509, Appointment to and Assumption of Command.

1.5.2.2. Additional Raters.

1.5.2.2.1. (USSF only) For officers. The additional rater will be an officer in the US or foreign military or a civilian serving in a grade equal to or higher than the rater, and in a grade higher than the ratee. Exception: An O-6 of the US or a foreign military service may be the additional rater for an O-6. (T-1)

1.5.2.2.2. For enlisted. The additional rater will be an officer or E-7 or above in the U.S. or foreign military serving in a grade equal to or higher than the rater. When the rater’s rater does not meet the grade requirements, the additional rater will be the next evaluator in the rating chain that meets the requirements. (T-1)

1.5.2.3. Civilian Additional Raters.

1.5.2.3.1. For enlisted. A civilian additional rater must be serving in a civilian grade equal to or higher than the rater. (T-1)

1.5.2.3.2. For TSgt and below. A civilian additional rater must be at least a GS-7/NH-II/equivalent. (T-2)

1.5.2.3.3. For MSgt-CMSgt. A civilian additional rater must be at least a GS-11/NH-II/equivalent. (T-1)

1.5.2.3.4. For Enlisted Individual Mobilization Augmentees. The additional rater is defined in the paragraphs above and must be in the RegAF rating chain. (T-1)

1.5.2.3.5. For USSF officers, a civilian additional rater must be in a civilian grade equal to or higher than the rater.
1.5.2.4. Senior Rater.

1.5.2.4.1. Senior raters are assigned to and identified by the senior rater position designated by the management level for the ratee’s assigned organizational personnel accounting symbol (PAS) code. (T-2) One senior rater may be assigned to two separate senior rater positions at the same time. However, a head of management level may not serve as head of two separate management levels.

1.5.2.4.2. The head of management level, normally the MAJCOM/CC or FLDCOM/CC, designates all senior rater positions. Appointment of command (G-series orders) does not automatically authorize senior rater status.

1.5.2.4.3. AFRC may deviate and assign senior rater levels as appropriate for AFRC unit assigned majors and below. (T-2)

1.5.2.5. (RegAF and ARC officers only) Higher Level Reviewer/Final Evaluator. The HLR is the final evaluator on the ALQ evaluation. The HLR is a senior leader who has direct knowledge of and visibility on the performance of the ratee within their peer group during the evaluation period. The intent is to improve Airmen’s experience in receiving meaningful and actionable feedback on performance evaluations reviewed by the designated senior leader.

1.5.2.5.1. For RegAF and AFR Colonels. The HLR will be the first general officer/senior executive service employee/equivalent, including selects, in the rating chain designated as a senior rater by the management level for RegAF, or for the AFR is in a designated senior rater billet. (T-1) The HLR is authorized as a single evaluator. See paragraph 1.5.2.5.5.

1.5.2.5.2. For RegAF and AFR Lieutenant Colonels and Below. The HLR will be the first colonel/GS-15/equivalent, or higher, in the rating chain designated as a senior rater by the management level. (T-1) The HLR is authorized as a single evaluator. See paragraph 1.5.2.5.5.

1.5.2.5.3. For ANG Colonels. The HLR will be the first general officer in the rating chain. (T-1)

1.5.2.5.4. For ANG Lieutenant Colonels and Below. The HLR is the wing or group commander. (T-1) For a member assigned to a unit where there is no parent wing or group headquarters in-state, the state Adjutant General will establish an equivalent command-level review authority.

1.5.2.5.5. Only a senior rater is authorized as a single evaluator. If the primary rater meets HLR requirements but is not a senior rater, the next rater up the rating chain must be the HLR. (T-1) See paragraph 3.14.4.1.

1.5.2.6. (USSF officers only) Reviewer/Final Evaluator. The reviewer is the final evaluator on the officer evaluation and must be the ratee’s senior rater. (T-1) Exception: When the rater is also the senior rater, the officer evaluation will close at this level. See Tables 3.1 and 3.3.

1.5.2.6.1. For USSF Colonels and Lieutenant Colonels. The reviewer/final evaluator is the first general officer/senior executive service employee/equivalent, including selects, in the rating chain designated as a senior rater management level.
1.5.2.6.2. For USSF Majors and Below. The reviewer/final evaluator is the first colonel/GS-15/NF-IV/equivalent in a delta commander, senior materiel leader (SML)-upper, FLDCOM director, or equivalent position designated as a senior rater. (T-1)

1.6. Roles and Responsibilities.

1.6.1. Commander.

1.6.1.1. The commander of an organization must review the records of all personnel, regardless of grade, assigned/attached under their command, to ensure the knowledge of and familiarization of the Airman’s or Guardian’s history, to include any sex-related offenses, nonjudicial punishment, or other punitive administrative action. (T-2) Sex-related offenses may include violations or attempted violations of the Uniform Code of Military Justice (UCMJ), Articles 93a, 120, 120b, 120c, 130, certain offenses under 134, or equivalent state offenses.

1.6.1.2. Commanders will ensure supervisors are properly trained and educated on how to write a performance evaluation. (T-3)

1.6.2. General Evaluator/Reviewer/Higher Level Reviewer (HLR) Responsibilities. All evaluators, reviewers, and HLRs are responsible for performing an administrative review of all evaluations and, if necessary, return them for correction/completion before forwarding to the next level to ensure:

1.6.2.1. All applicable blocks are completed (marked, dated, and signed). (T-1)

1.6.2.2. Evaluations contain accurate information (particularly in the ratee identification and job description sections). (T-1)

1.6.2.3. Evaluations do not contain inappropriate comments or recommendations. (T-1)

1.6.2.4. Evaluations are properly referred, when necessary. (T-1)

1.6.2.5. When required on the evaluation form, evaluators (except civilian and foreign-service evaluators) must provide the last four numbers of SSN. (T-1). Use the SSN to verify the identity of the evaluator for research and accountability.

1.6.3. Rater.

1.6.3.1. For RegAF and ARC officer evaluations, the required minimum number of days of supervision ranges from 60 to 120 calendar days for each grade until the first SCOD for that grade is implemented (see Table 3.4); at the first SCOD for each grade, there will be no minimum days of supervision to prepare an evaluation. (T-1) For DAF enlisted evaluations, there is no minimum days of supervision to prepare an evaluation. (T-1) For USSF officer evaluations, the required minimum number of days of supervision ranges from 60 to 120 calendar days. (T-1) See Table 3.3.

1.6.3.2. Ensures the ratee is aware of who is in their rating chain. (T-1)

1.6.3.3. Provides a performance feedback assessment in accordance with Chapter 2. If geographically separated, assessments can be performed electronically or telephonically. (T-1)

1.6.3.4. Considers the contents of any Unfavorable Information File (UIF) and/or personal information file (PIF), if applicable, before preparing the performance evaluation. (T-1)
1.6.3.5. Assesses and documents the ratee’s performance, what the ratee did, how well they did it, and the ratee’s potential based on that performance, throughout the rating period. The rater differentiates ratees through an evaluation of performance. (T-I)

1.6.3.6. Receives meaningful information from the ratee and as many sources as possible (e.g., letters of evaluation (LOE) from those who previously supervised the ratee during the reporting period, the first sergeant, etc.), especially when the rater cannot observe the ratee personally. The ratee is encouraged to provide the rater with inputs on specific accomplishments; however, the ratee will not be directed to write or draft any portion of their own performance report. Air Reserve Component (ARC) members should provide information to the supervisor to assist in the preparation of the evaluation, including notable military accomplishments for end-of-tour evaluations.

1.6.3.7. Considers the significance and frequency of incidents (including isolated instances of poor or outstanding performance) when assessing total performance.

1.6.3.8. Differentiates between ratees with similar performance records, especially when making promotion, stratification, assignment, developmental education and retention recommendations when not prohibited by this DAFI or other special program specific guidance.

1.6.3.9. Records the ratee’s performance for the rating period on the applicable form.

1.6.3.10. A rater’s failure to perform one or more of the above responsibilities alone will not form the basis for a successful appeal.

1.6.3.11. **(RegAF and ARC only)** Raters will measure an Airman’s performance using a whole person concept relative to the ratee’s specific grade, AFSC, level of responsibility, and assigned duties throughout the entire rating period using the four major performance areas.

   1.6.3.11.1. Executing the Mission. Raters should consider how well the ratee effectively uses knowledge, initiative, and adaptability to produce timely, high quality/quantity results to positively impact the mission.

   1.6.3.11.2. Leading People. Raters should consider how well the ratee fosters cohesive teams, effectively communicates, and uses emotional intelligence to take care of people and accomplish the mission.

   1.6.3.11.3. Managing Resources. Raters should consider how well the ratee manages assigned resources effectively and takes responsibility for actions/behaviors to maximize organizational performance.

   1.6.3.11.4. Improving the Unit. Raters should consider how well the ratee demonstrates critical thinking and fosters innovation to find creative solutions and improve mission execution.

1.6.4. **(USSF Officers and DAF Enlisted only)** Additional Rater. **Note:** For RegAF and ARC this only applies to DAF Form 910 and AF Form 911.

   1.6.4.1. There is no minimum number of days supervision required.
1.6.4.2. Reviews the content of any UIF and/or PIF, if applicable, and returns evaluations to raters for reconsideration, if appropriate, to ensure an accurate, unbiased, and an uninflated evaluation.

1.6.4.3. Completes Section VIII of the DAF Form 910, and Section VII of the AF Form 911 by concurring or non-concurring with the rater and making comments.

1.6.4.4. Assumes the responsibilities of the rater when paragraph 1.7 applies. Note: This does not include PCS, PCA, separation, or retirement of the rater.

1.6.5. Reviewer/Senior Rater/Final Evaluator/Higher Level Reviewer.

1.6.5.1. There is no minimum number of days supervision required.

1.6.5.2. Reviews the content of any UIF and/or PIF, if applicable, and returns the evaluation to the rater for reconsideration, if appropriate, to ensure an accurate, unbiased, and uninflated evaluation.

1.6.5.3. Obtains additional information, if necessary, from competent sources such as the ratee’s second- and third-line supervisor.

1.6.5.4. Non-concurs with previous evaluators and makes comments, when applicable.

1.6.5.5. (RegAF and ARC only) (Senior Rater only) Approves the unit mission descriptions for the PRF. (T-2)

1.6.5.6. (USSF Officer and DAF Enlisted only) Directs the additional rater to assume rater’s responsibilities when paragraph 1.7 applies. (T-2)

1.6.5.7. Completes performance evaluations as required. See applicable chapters and/or references/documents cited in paragraph 1.2. (T-2)

1.6.6. First Sergeant.

1.6.6.1. Will not assume rater/additional rater responsibilities. (T-2)

1.6.6.2. Will be aware of the contents of the UIF and/or PIF if applicable, on all enlisted evaluations, regardless of grade, and returns the evaluation to the rater for reconsideration, if appropriate, to ensure an accurate, unbiased, and an uninflated evaluation. (T-2)

1.6.6.3. Will review all enlisted evaluations before the commander’s review and advise the commander of any quality force indicators. (T-2)

1.6.6.4. SNCOs will only be designated for organizations for which no 8F000/first sergeant authorization exists. (T-2) Additional duty first sergeants will not complete evaluation reviews in-lieu of an organization’s 8F000/first sergeant. Exception: Interim first sergeants, additional duty first sergeants, or designated SNCOs may complete evaluation reviews when the organization’s 8F000/first sergeant is unavailable due to extended absence (e.g., deployment, lengthy training, or lengthy convalescent leave). (T-2)

1.6.7. Forced Distributor or Unit Commander/Military or Civilian Director/Other Authorized Reviewer Designated in Writing.

1.6.7.1. Conducts the commander’s review on enlisted evaluations. (T-2)
1.6.7.2. Reviews the content of any UIF and/or PIF, if applicable, and returns the evaluation to the rater for reconsideration, if appropriate, to ensure an accurate, unbiased, and an uninflated evaluation.  (T-2)

1.6.7.3. The review is performed by the commander, director, or other delegated officer/official on G-series orders. Delegated members will use their assigned duty title on the enlisted evaluation-- not "Commander" or "Director."  (T-2) The unit commander/military or civilian director/other authorized reviewer's review will be accomplished by the home station commander for all individuals assigned to 365-day extended deployment, regardless of the grade of the deployed rater and additional rater.  (T-2)

1.6.7.4. Flight commanders are not authorized to sign in this area.

1.6.7.5. Commandants for the Senior Noncommissioned Officer Academy (SNCOA) and Noncommissioned Officer Academy (NCOA) designated in writing by the commander complete the unit commander/military or civilian director/other authorized reviewer’s review on the MSgt thru SMSgt enlisted evaluation only.  (T-2) Additionally, the SNCOA Commandant is designated as the final evaluator when the AF Form 911 is not endorsed/stratified by the senior rater or the SNCO is non-promotion eligible. The SNCOA Commandant is also authorized to sign Section IX of DAF Form 910 for non-promotion eligible Airmen or Guardians or if an enlisted force distribution is not warranted. Furthermore, if a ratee is not promotion eligible, or if a senior rater endorsement and/or stratification is not warranted, the SNCOA Commandant may act as the final evaluator on MSgt and SMSgt enlisted evaluations within their direct rating chain and/or scope of responsibility.

1.6.7.6. Manages the performance evaluation program for the organization.

1.6.7.7. Ensures all evaluations accurately describe performance and make realistic recommendations for advancement.

1.6.7.8.  (RegAF and ARC only) Prepares and maintains the unit mission description for the PRF.

1.6.7.9. Determines the rating chain for assigned personnel based on Air Force or Space Force and management level policy.

1.6.7.9.1. The ratee’s parent management level must approve rating chains that involve evaluators from other management levels.

1.6.7.9.2. For rating chain deviations see paragraph 1.7.

1.6.7.10. Ensures that no one in the rating chain is related to the member.  (T-1)

1.6.7.11. Ensures the first sergeant (or additional duty first sergeant/designated SNCO) conducts a quality force review on all enlisted evaluations before conducting the commander’s review.  (T-1)

1.6.8.1. Functional/Acquisition Examiner or Air Force or Space Force Advisor Block.
1.6.8.1.1. For enlisted evaluations that do not include an examiner/advisor block, a DAF Form 77 may be completed.

1.6.8.1.1.1. Functional/acquisition examiners or Air Force or Space Force advisors who desire to make comments may attach an DAF Form 77 for DAF enlisted and USSF officer evaluations. For RegAF and ARC officer evaluations, functional/acquisition examiners or Air Force advisors may provide comments on the officer ALQ evaluation.

1.6.8.1.1.2. Comments are not mandatory; however, if used, the intent of these comments are to provide clarification and ensure the evaluation is written in accordance with DAF policy and standards in a joint environment or to clarify functional or acquisition-related considerations; not to list additional accomplishments or voice disagreement with an evaluator’s assessment. Comments are limited to five lines on the DAF Form 77, or to the space available in myEval.

1.6.8.1.1.3. (USSF Officers and DAF Enlisted only) The DAF Form 77 will be prepared and electronically forwarded along with the electronic evaluation. (T-1)

1.6.8.1.2. Functional/acquisition examiners or Air Force or Space Force advisors will not change any statement or rating on the evaluation. (T-1)

1.6.8.1.3. If the functional/acquisition examiner and the Air Force or Space Force advisor are the same person, both positions will be indicated; both the functional examiner and Air Force or Space Force advisor blocks will be marked on the evaluation. For evaluations that do not include the examiner/advisor block (i.e., Training Reports (TR)), the examiner/advisor will indicate both positions on the DAF Form 77. (T-1)

1.6.8.1.4. (USSF Officers and DAF Enlisted only) When the examiner and advisor are two different people on an evaluation, the person who receives the evaluation first will complete the functional examiner/Air Force or Space Force advisor block on the evaluation, and the next person will complete a DAF Form 77. For evaluations that do not include the examiner/advisor block, an DAF Form 77 will be prepared for each. (T-1)

1.6.8.1.5. (AF Form 707 only) When the examiner and advisor are two different people on an evaluation, the person who receives the evaluation first will complete the functional examiner/Air Force or Space Force advisor block on the evaluation, and the next person will complete an additional functional examiner/Air Force or Space Force advisor block.

1.6.8.2. Air Force or Space Force Advisor Program.

1.6.8.2.1. When the final evaluator on an evaluation or TR is not an Air Force or Space Force military member or civilian employee, an Air Force or Space Force advisor will be designated to advise raters on matters pertaining to Air Force or Space Force evaluations. (T-2)

1.6.8.2.1.1. The senior Air Force/Space Force military member on duty with the activity/agency assumes this position. The management level may designate any
Air Force/Space Force member or Department of the Air Force official meeting the grade requirement with the activity/agency to serve as advisor.

1.6.8.2.1.1. For officers, the advisor will be a colonel or above. (T-2)
1.6.8.2.1.1.2. For SNCOs, the advisor will be a major or above. (T-2)
1.6.8.2.1.1.3. For noncommissioned officers (NCO), the advisor will be a master sergeant or above. (T-2)
1.6.8.2.1.1.4. For IMAs and Participating Individual Ready Reserve (PIRR) members, the advisor is the person appointed by the management level for the active force (for IMAs this will be unit of assignment; for PIRR members this will be unit of attachment).

1.6.8.2.1.2. When an agency (e.g., DoD departments, non-Department of the Air Force schools/units) has only one Air Force or one Space Force member assigned, the management level for that activity appoints an advisor.

1.6.8.2.1.3. If the commander or designated Air Force or Space Force officer/senior official who completes the "commander's review" is senior/equal to the last evaluator (or is also the unit's designated advisor) and meets the Air Force or Space Force advisor grade requirement, the advisor statement does not need to be completed.

1.6.8.2.2. (AF Form 707 only) The advisor signs prior to the final evaluator regardless of grade.

1.6.8.2.3. An Air Force or Space Force advisor will have, or be able to obtain, knowledge of the ratee, be higher in grade than the ratee and, when feasible, be equal to or higher in grade than the HLR/reviewer (officers) or final evaluator (enlisted). Additionally, an O-6 cannot sign on another O-6. (T-1)

1.6.8.3. Functional Examiner. Designated to ensure functional oversight is provided for individuals in specific career fields. The examiner accomplishes the examination after the entire rating chain has completed the performance evaluation. If an Air Force or Space Force advisor review is also required, the examiner forwards the evaluation to the advisor. Otherwise, the examiner forwards the evaluation to the rater to finalize the evaluation. Note: The examiner will not change any statement or rating on an evaluation, nor will any comments be used for accolades or recommendations. If comments are used, the examiner is limited to five lines placed on DAF Form 77 for USSF officers and DAF enlisted. (T-2) For RegAF and ARC officers, if comments are provided, the examiner is limited to the space available in myEval. (T-2)

1.6.8.4. Acquisition Examiner.

1.6.8.4.1. In accordance with 10 U.S.C. § Section 1722(g), provide an opportunity for review and inclusion of comments on any performance evaluation of a person serving in an acquisition position by a person serving in an acquisition position in the same acquisition career field. In most instances, this opportunity is inherent in the completion of the performance evaluation by acquisition officers in the rating chain. However, in the event neither the rater, additional rater, nor reviewer/HLR are on acquisition-coded positions in the same acquisition position category, the ratee may
request that the performance evaluation be examined by a qualified acquisition officer from outside the rating chain (i.e., an acquisition examiner).

1.6.8.4.2. Review by an Acquisition Examiner.

1.6.8.4.2.1. Review by an acquisition examiner is completed only when the ratee requests a review and is filling an acquisition-coded position; and neither the rater, additional rater nor reviewer/HLR are on a coded position in the same acquisition position category.

1.6.8.4.2.2. **(ANG only)** Review by a functional/acquisitions examiner is mandatory when there are no acquisition-coded positions, in the same acquisition position category, in the rating chain.

1.6.8.4.3. Acquisition positions are identified on the unit manpower document and are also identified on the evaluation notice generated when an evaluation is required.

1.6.8.4.4. The acquisition examiner must be a person in an acquisition-coded position within the same acquisition position category as the ratee. If the management level does not have anyone who meets the criteria herein, the management level can forward the evaluation to the Air Staff or Space Staff functional to identify an acquisition examiner. The minimum grade of the examiner will be:

1.6.8.4.4.1. O-6 or civilian equivalent on a critical acquisition position (for officers).

1.6.8.4.4.2. O-4 or civilian equivalent (for enlisted).

1.6.8.4.5. The acquisition examiner accomplishes the acquisition examination after the entire rating chain has completed the performance evaluation. (T-3)

1.6.8.4.6. **(USSF Officers and DAF Enlisted only)** Comments are not mandatory, but if desired for clarification about acquisition-related considerations, the examiner prepares a DAF Form 77 according to Table 5.1 for attachment to the enlisted evaluation. The examiner will not change any statement or rating on the evaluation, nor will a DAF Form 77 be used simply to include additional comments, accolades, recommendations, etc. If used, comments are limited to five lines. (T-3)

1.6.8.4.7. **(RegAF and ARC Officers only)** Comments are not mandatory, but if desired for clarification about acquisition-related considerations, the examiner prepares them on the evaluation in myEval. The examiner will not change any statement or rating on the evaluation, nor will their comments be used simply to include additional comments, accolades, recommendations, etc. If provided, comments are limited to the space available in myEval. (T-3)

1.6.9. Ratee.

1.6.9.1. The ratee is responsible for knowing the rating chain and ensuring they receive a performance feedback assessment in accordance with Chapter 2.

1.6.9.2. For officer and enlisted evaluation responsibilities see Chapters 3 and 4.

1.6.9.3. For PRF responsibilities see Chapter 8 for RegAF and ARC and Chapter 11 for USSF.
1.6.9.4. For appeals see Chapter 10.

1.6.9.5. Ratee Review. Ratees will review their evaluation prior to signing. Ratees are encouraged to check for typos, spelling, and inaccurate data and to bring any discrepancies to the rater’s attention. **Note:** A performance feedback assessment is not required upon completion of the evaluation. The evaluation serves as official documentation of the feedback provided to the ratee.

1.6.10. Military Personnel Flight (MPF) and Commander’s Support Staff (CSS).

1.6.10.1. The MPF and CSS will work together in managing the Officer and Enlisted Evaluation Systems for organizations under their purview, to include geographically separated units. Managing includes reviewing all evaluations for administrative accuracy and policy compliance and updating the MilPDS. *(T-2)*

1.6.10.2. Provide technical assistance to the commander and evaluators.

1.6.10.3. For RegAF and ARC, evaluations will be routed within myEval for digitally signed evaluations; wet signature evaluations will be scanned and loaded into myEval for transmittal to AFPC or ARPC. *(T-1)* For USSF, evaluations will be transmitted to AFPC via the case management system (CMS).

1.6.10.4. Coordinates referral reports with appropriate work centers in the MPF to ensure MilPDS updates are accomplished. *(T-2)*

1.6.10.5. MPFs will return evaluations to be re-accomplished when they do not conform to the requirements of this instruction. *(T-2)*

1.6.11. Major Commands (MAJCOM)/Field Commands (FLDCOM). The management level and their servicing personnel activity:

1.6.11.1. Designate senior rater positions and determine civilian equivalency for senior rater designations. **Note:** If the vice commander is assuming commander responsibilities and the management level wants them to have senior rater responsibilities, the management level must appoint the vice commander senior rater responsibilities in writing.

1.6.11.2. Manage the performance evaluation program for their activity, and at their option, quality review PRFs and return them for correction, when necessary.

1.6.11.3. Print copies of digitally signed evaluations from ARMS and PRDA.

1.6.11.4. Approve evaluators to be from a different management level than that of the ratee in accordance with management level policy.

1.6.11.5. Appoint Air Force and Space Force advisors in writing and ensure these individuals are current on evaluation policies and procedures.

1.6.11.6. Appoint acquisition examiners and establish officer evaluation routing procedures when the examination cannot be accomplished within the existing rating chain.

1.6.12. Headquarters Air Force (HAF) and Headquarters Space Force (HSF).

1.6.12.1. AF/A1 approves policy regarding the Air Force Officer and Enlisted Evaluation Systems. SF/S1 approves policy regarding the Space Force Officer and Enlisted Evaluations Systems.
1.6.12.2. AF/A1P establishes policy on Air Force Officer and Enlisted Evaluation System in collaboration with AF/REP and NGB/A1 and establishes an annual evaluation systems program review to determine if improvements or changes are needed. SF/S1P establishes policy on Space Force Officer and Enlisted Evaluations System.

1.6.12.3. (RegAF only) AF/A1 approves USAF EFDP formal board charges annually prior to the convening of the first EFDP panel of the fiscal year.

1.6.12.4. (USSF only) SF/S1 will announce prior to each accounting date if the USSF will utilize the EFDP process for Guardians. If utilized, SF/S1P approves the USSF EFDP formal board charge.

1.6.13. HQ Air Force Personnel Center (AFPC).

1.6.13.1. AFPC/DP3SP implements and oversees execution of the Air Force/Space Force Officer and Enlisted Evaluation System program. (T-1)

1.6.13.2. AFPC receives all RegAF evaluations via myEval and all USSF evaluations via the case management system.

1.6.13.3. AFPC may review a random sampling of evaluations for compliance with policy directives and this instruction.

1.6.13.4. AFPC forwards all USSF evaluations to ARMS and PRDA via CMS. (T-1)

1.6.14.1. Receives all referral evaluations for ARC members via myEval. (T-1)

1.6.14.2. Forwards all ARC referral evaluations to ARMS and PRDA. (T-1)

1.7. Rating Chain Deviations and Evaluator Changes. This paragraph does not apply to rater changes due to PCS, PCA, separation, or retirement of the rater. (T-1)

1.7.1. Rating Chain Deviations.

1.7.1.1. The commander determines the rating chain for assigned personnel based on Air Force or Space Force and management level policy. When necessary, commanders may deviate from the normal (supervisory) rating chain to meet grade requirements. Commanders may accommodate unique organizational structures and situations when personnel are assigned to other activities outside the ratee’s assigned PAS code. The commander of the assigned billet and the commander of the outside activity must formally agree to rating chain deviations that include evaluators from outside the owning organization. (T-2)

1.7.1.1.1. For officer ratees, the parent management level must approve rating chains that involve evaluators from other management levels; however, both management levels (the parent and the temporary management level) must formally agree to the rating chain deviation. (T-2)

1.7.1.1.2. A rating chain deviation must be in effect for at least 12 months or longer, for the temporary rating chain or management level to be able to sign reports. (T-2) If there is a rating chain deviation for less than 12 months, then the parent management level must sign all reports. (T-1)
1.7.1.1.3. Upon rating chain deviation approval, the temporary management level will be responsible for writing the member’s officer evaluation, PRF, LOE, decoration, etc. until the member is placed back under their parent management level. **(T-1) Example:** A major is on loan from a wing to the Numbered Air Force commander to fill an executive officer position for 12 months. Through agreement with the parent management level and temporary management level, the parent management level can approve a rating chain deviation. Once approved, the numbered Air Force commander will sign the officer’s evaluation, PRF, LOE, decoration, etc.

1.7.1.1.4. It is prohibited to make rating chain deviations (such as skipping an evaluator) solely for reasons of convenience. **(T-1) Example:** Do not skip a rater’s rater who is temporarily unavailable (on leave, TDY, etc.). Do not skip a rater’s rater for the sole purpose of affording another official in the supervisory chain (e.g., the rater’s rater or the senior rater) the opportunity to endorse or comment in an evaluation.

1.7.1.1.5. Associate Unit. A unit which integrates members or units of one component of the Air Force or Space Force with members or units of another component of the Air Force or Space Force to accomplish the United States Air Force (USAF) or United States Space Force (USSF) mission (e.g., AFR/ANG with the RegAF). In these cases, evaluation rating chains may involve different USAF or USSF components and shall normally be written by the member’s day-to-day supervisor with additional rater in accordance with affected management level direction. However, evaluations must be returned to the member's administrative control commander/reviewer/HLR/senior rater to finalize the evaluation/endorsement. This allows for maximum operational integration and reporting accuracy while still meeting administrative (PAS code driven) requirements.

1.7.1.1.6. If a member is performing duty in an organization other than their assigned PAS code, enter the assigned information, followed by “with duty at . . .” to indicate the organization where the ratee performed duty. This includes personnel on 365-day extended deployment billets. **Example:** 341st Security Forces Squadron (AFGSC), Malmstrom AFB MT, with duty at 447 ESFS (USAFCENT), Baghdad International Airport, Baghdad, Iraq. **Note:** Do not use this to enter a second organization if the ratee is filling a dual-hatted role. **(T-1)** Instead, mention the dual-hatted role in the job description or elsewhere in the evaluation.

1.7.1.2. Flight Commander/Flight Chief Rating Chains. For flight commander and flight chief rating chains, when an officer leads a flight, the position is flight commander and is rated by the squadron commander. When an enlisted person or civilian leads a flight, the position is a flight chief. Applicable to both the operational and the functional communities.

1.7.1.3. Health Professionals.

1.7.1.3.1. The wing commander will be the rater for colonel military treatment facility (MTF) directors/market directors. **(T-1)** The HLR will be the first general officer/equivalent, including selects, in the rating chain designated as a senior rater by the management level. **Note:** Paragraph 1.4.12.3.2 prohibits multiple general officers from serving as evaluators on performance evaluations. If the wing commander is a
general officer, then the wing commander will also be the HLR and serve as a single evaluator. See paragraph 1.5.2.5.5 and paragraph 3.14.4.1.

1.7.1.3.2. The management level will be the supported MAJCOM/FLDCOM commander. (T-1)

1.7.1.3.3. This policy applies to current and future medical units that are also defined as MTFs and configured as wings, groups, squadrons, or flights.

1.7.1.4.1. SDO/DATT personnel will be rated by Defense Intelligence Agency.

1.7.1.4.2. (USSF only) SDO/DATT personnel will be additional rated by their respective combatant commands (CCMD).

1.7.1.4.3. For individuals assigned or attached to a CCMD, normal processing procedures apply. For USSF only, the reviewer statement will read “THE RATER IS ALSO THE REVIEWER,” and/or “THE ADDITIONAL RATER IS ALSO THE REVIEWER.” PRFs in these cases, will be accomplished by the CCMD.

1.7.1.4.4. For USSF individuals assigned or attached to DIA, reviewer statement will read “THE RATER IS ALSO THE REVIEWER” and/or “THE ADDITIONAL RATER IS ALSO THE REVIEWER” and comments will still be allowed in the additional rater block by CCMD.

1.7.1.5. (USSF only) If the grade of the home station senior rater is lower than the deployed rater, enter the required statement “REVIEWER’S GRADE is lower than the Previous Rater.”

1.7.1.6. Currently paragraph 1.4.12.3.2 prohibits multiple general officers from serving as evaluators on performance evaluations. However, for members filling the MTF Director role who are rated on by the DHA director, SDO/DATT personnel, or (USSF only) for members filling an authorized 365-day deployment billet, multiple general officers are authorized. For ANG only, multiple general officer endorsements are authorized when the rater is a general officer, and the ratee has been selected for senior rater stratification/endorsement. (T-2) When applicable, enter “TWO GENERAL OFFICERS AUTHORIZED IAW DAFI 36-2406”.

1.7.1.6.1. Enlisted personnel at home station only (AF Form 911). Multiple general officer endorsements are authorized when the rater is a general officer but not a senior rater, and the ratee has been selected for senior rater stratification/endorsement. (T-2) In such cases the rater will complete AF Form 911, Sections III through VII. Comments are only authorized in Sections III through IV. Section VII will include the mandatory statement “THIS SECTION NOT USED” and the applicable rater’s signature element and signature. The senior rater will complete Section IX, to include the applicable senior rater stratification drop-down. The officer designated as the unit commander will complete Section VIII. (T-1)

1.7.1.7. (USSF officers and DAF Enlisted only) In cases where the rater is a general officer (single evaluator) on an evaluation written on an individual filling an authorized 365-day deployment billet, enter the required statement “THE RATER IS ALSO THE
1.7.1.8. General officers signing referral reports. If the senior rater is a general officer, and is the evaluator who refers the evaluation, the referral document will be the senior rater’s rater regardless of rank or grade. Enter the required statement “TWO GENERAL OFFICERS AUTHORIZED IAW DAFI 36-2406”. (T-1)

1.7.2. Removal of Evaluator from Rating Chain. Evaluators are not removed from the rating chain based solely on a rating disagreement; nor are they removed from their evaluator responsibilities automatically. However, evaluators who are subject to a complaint of harassment or assault are prohibited from evaluating the complainant and will be removed from the complainant’s rating chain. (T-1) Cases involving threats of reprisal or retaliation are serious allegations and have the potential to impede trust and readiness. Therefore, removing an evaluator from a rating chain for either of these reasons will be at the commander’s discretion. (T-1)

1.7.2.1. If it is determined that removal from evaluator responsibilities is necessary, the removing official must provide written notification of the action to the evaluator being removed, with information copies to the removed evaluator’s immediate subordinate(s) and any other evaluators in the rating chain, through and including the senior rater. (T-1) The evaluator being removed must acknowledge receipt within 30 calendar days from the date, or the date of discovery, of the incident that led to the removal from evaluator responsibilities. (T-1)

1.7.2.2. If the rater has died, is missing-in-action, captured or detained in captive status, incapacitated, or when directed by the reviewer/senior rater (officers) or commander (enlisted) because the rater is formally relieved from duties as an evaluator or relieved from duty for cause:

1.7.2.2.1. For RegAF and ARC, the commander will assign a new rater to assume the responsibilities and acquire the number of days of supervision (for AF Form 707 only). (T-1)

1.7.2.2.2. For USSF the additional rater assumes the responsibilities and acquires the number of days supervision (for AF Form 707 only) of the original rater. (T-1)

1.7.2.2.3. When this occurs, a statement explaining why the rater did not prepare the evaluation must be included in the remarks section of the evaluation forms or applicable section in myEval. (T-1)

1.7.2.2.4. Evaluations prepared by a rater under these circumstances which are not yet a matter of record are considered working copies and may be re-accomplished. (T-1)

1.7.2.2.5. When the HLR (USAF officers and CMSgts) or additional rater (USAF Amn-SMSgt and all USSF) has insufficient knowledge to prepare the evaluation for the required period of supervision, they must gather knowledge of the ratee's duty performance from all available, reliable sources (first sergeant, former supervisors). (T-1)
1.7.2.3. In some instances, it may be more practical or desirable for another individual who has current knowledge of the ratee to assume the rater’s responsibilities (Example: When the additional rater is physically/geographically separated from the ratee). In this case, the unit commander submits the request through the CSS/MPF to the senior rater for approval. (T-3)

1.7.2.4. If a rater cannot obtain sufficient knowledge of a ratee, AFPC/DP3SP, AF/A1LO, SF/S1L, AF/A1LE, AF/A1LG, ARPC/DPTSE, NGB/A1P, NGB/HR or NGB-GO (for ANG general officers, including brigadier general selects, not on extended active duty) authorizes filing an DAF Form 77 in the ratee's records stating why an evaluation could not be prepared for the period. (T-1)

1.7.2.5. (USAF Amn-SMSgt and All USSF) The next evaluator in the rating chain (the additional rater’s rater) assumes the responsibilities of the additional rater when the additional rater is unable to perform evaluator duties. See paragraphs 1.7.1 and 1.7.2 for applicable reasons. (T-1) When the additional rater’s rater is also the reviewer/final evaluator, they complete the additional rater’s comments section and reviewer/final evaluator’s comments of the applicable form and closes the evaluation. (T-1)

1.7.2.6. (RegAF and ARC Officers only) The next evaluator in the rating chain (the HLR’s rater) assumes the responsibilities of the HLR when the HLR is unable to perform evaluator duties. (T-1) See paragraphs 1.7.1 and 1.7.2 for applicable reasons.

1.8. Evaluator’s Mandatory Considerations.

1.8.1. Convictions. Any conviction for a violation of criminal law of the U.S. or of any other country must be reported, in writing, by all officers and enlisted members. (T-1) For RegAF, USSF, and ARC members in active status, members will report a conviction to their rater within 15 days of the date of the conviction. For ARC members not in active status, members will report the conviction to their wing commander/equivalent at the first drill period or within 30 calendar days of the date of the conviction, whichever is earlier. For Individual Ready Reserve, members will report the conviction to the Air Reserve Personnel Center (ARPC) within 30 calendar days of the date of the conviction. (T-0) See FY2006 National Defense Authorization Act and Public Law 109-163, §554, 119 Stat. 3136, 3264-65.

1.8.1.1. For purposes of this policy, the term “conviction” includes a plea or finding of guilty, a plea of nolo contendere (no contest), and all other actions tantamount to a finding of guilty, including adjudication withheld, deferred prosecution, entry into adult or juvenile pretrial intervention programs, and any similar disposition of charges.

1.8.1.2. For purposes of this policy, a criminal law of the U.S. includes any military, federal, state, district, commonwealth, territory/equivalent, county, parish, municipality, city, township, local subdivision, or foreign criminal law or ordinance.

1.8.2. Sex-related Offenses. Document substantiated offenses in the permanent record. (T-1) This includes any substantiated allegation of a sex-related offense that results in conviction by court-martial, nonjudicial punishment, or other punitive administrative action (e.g., letter of reprimand). Documenting sex-related offenses in an evaluation does not limit or prohibit the Airman or Guardian from challenging the placement or appealing for removal.
1.8.3. Equal Opportunity and Treatment. Unlawful discrimination and sexual harassment violate the very premise of what it means to be an Airman/Guardian. Evaluators must ensure compliance with DoD and Department of the Air Force directives prohibiting such behavior and document deviations on evaluations as prescribed in DAFI 36-2710, Equal Opportunity Program. (T-0)

1.8.4. Prohibited Activities. Airmen and Guardians are prohibited from actively advocating supremacist, extremist, or criminal gang doctrine, ideology, or causes, including those that advance, encourage, or advocate illegal discrimination or deprive others of their civil rights. Such behavior is incompatible with military service. Evaluators must consider a ratee’s membership in these types of groups and document prohibited activity by the ratee as prescribed in AFI 51-508, Political Activities, Free Speech and Freedom of Assembly of Air Force Personnel.

1.8.5. Occupational Safety and Health. Consider how commanders, managers, and supervisors discharge their responsibilities under the Air Force Occupational and Environmental Safety, Fire Protection, and Health Program.

1.8.6. Security of Classified Information. Consider how well ratees who handle or have access to classified information discharge security responsibilities. When appropriate, comment on any action, behavior, or condition that is reportable under security regulations.

1.8.7. When to Document.

1.8.7.1. If a member has been convicted by a court-martial or received an Article 15 (Note: applicable to both officers and enlisted) or if the senior rater decides to file adverse information in a member’s officer selection record, comments relating to the ratee’s behavior are mandatory on the next officer or enlisted evaluation or TR, and (RegAF and ARC only) PRF, if not already documented. (T-1) The evaluation becomes a referral. Comments are also required on members who have been convicted of a reportable civilian offense that: 1) is a sexual offense that is the same as, or closely related to, sex-related offenses punishable under the Uniform Code of Military Justice (UCMJ), or attempts to commit any of those offenses, 2) carries a possible sentence of confinement for more than one year or death, or 3) results in a sentence that includes unsuspended confinement. (T-1) For further guidance, supervisors and commanders will contact an attorney in the servicing Office of the Staff Judge Advocate. (T-2)

1.8.7.2. A rater is not required to comment on a conviction in a current report if the misconduct or event that ultimately resulted in a conviction was addressed on a previous evaluation. (T-1) For example, if a member is arrested and charged with driving under the influence (DUI) by off-base officials who decline to waive jurisdiction, and the member ultimately receives a letter of reprimand that is commented on in the next evaluation, but later (different reporting period), the downtown prosecution results in a conviction, then the rater is not required to comment on the DUI conviction because the underlying misconduct that led to the conviction was addressed in a previous evaluation.
1.8.8. Waiver Requests.

1.8.8.1. In extraordinary cases, raters may request a waiver of the mandatory requirement to document civilian convictions for good cause. The waiver request will route from the rater, through any required additional rater and the ratee’s commander, to the ratee’s senior rater. The senior rater may either deny the request or endorse and forward to the MAJCOM/CC or FLDCOM/CC. In the case of reports within Air Force District of Washington (AFDW), United States Air Force Academy, or any Direct Reporting Unit of AFDW or Field Operating Agency reporting to an activity on the Air Staff, requests will be forwarded to the Vice Chief of Staff of the Air Force (VCSAF) or Vice Chief of staff of Space Operations (VCSO). For the Air National Guard, requests will be forwarded to the Director, Air National Guard (DANG).

1.8.8.2. If the senior rater denies the waiver request, the decision is final and may not be appealed or considered further. (T-I) This does not prevent an individual from challenging any completed report in any other appropriate forums, e.g., ERAB or the AFBCMR.

1.8.8.3. When the senior rater endorses the waiver request, they will then forward it to the MAJCOM/CC, FLDCOM/CC, VCSAF, VCSO, or DANG for decision. The final approval authority will either approve or deny the request. (T-I)

1.8.8.3.1. The MAJCOM/CC or FLDCOM/CC may delegate to the MAJCOM/CV or FLDCOM/CV, or, in the case of the AF/CV or SF/CV, to the AF/CVA or SF/DS. No further delegation beyond an Adjutant General, or equivalent, is authorized for the ANG. The decision of the approval authority is the final decision for such waiver requests and may not be appealed or considered further. This does not prevent an individual from challenging any completed report in any other appropriate forums, e.g., ERAB or the AFBCMR.

1.8.8.3.2. In order to approve any waiver requests, the approval authority must issue a written finding that the mandatory comments for the specific criminal conviction are not in the best interests of the Air Force/Space Force and that the inclusion of any such comments would unduly harm the ratee. Upon final decision, forward the waiver documentation to AFPC/DPMSPE and the AFPC Military Records Section (AFPC/DP1ORM) via email. Written waiver approvals will be filed in the member’s Master Personnel Records Group for the sole purpose of documenting the final approval. (T-I)

1.8.9. Organizational Climate.

1.8.9.1. Organizational climate is defined as the way in which members in a unit perceive and characterize their unit environment. All Airmen and Guardians are responsible for creating an organizational climate in which every member is treated with dignity and respect, and one that does not tolerate unlawful discrimination, sexual harassment, or sexual assault in any form. NCOs and officers are not only responsible for creating this environment but are also accountable for it. NCOs and officers will build a healthy organizational climate by: communicating clear direction at all levels of supervision; adhering to and enforcing standards; not tolerating and, when necessary, appropriately responding to any form of sexual harassment, sexual assault, hazing, unlawful discrimination, or any other conduct harmful to the good order and discipline of the unit;
being accountable for their actions; and cultivating an environment where teamwork, unity and cohesiveness are the standard practice. (T-0)

1.8.9.2. Commanders at every level have an even greater responsibility to create a healthy climate in their command. Additionally, they are responsible for ensuring adherence to Sexual Assault Prevention and Response (SAPR) Program directives. Command climate, just like organizational climate, is the perception of a unit’s environment by its members. Commanders are ultimately responsible for the good order and discipline in their unit and have unique responsibility and authority to ensure good order and discipline. Therefore, evaluators must take this special responsibility and authority into consideration when evaluating a commander’s effectiveness in ensuring a healthy command climate. (T-0) A commander’s evaluation shall require a statement regarding whether the commander has conducted the required command climate assessments and provided the results with remedy plan to the rater. A commander’s evaluation shall also indicate the extent to which the commanding officer has or has not established a command climate in which:

1.8.9.2.1. Allegations of sexual assault are properly managed and fairly evaluated. (T-0)

1.8.9.2.2. A victim of criminal activity, including sexual assault, can report criminal activity without fear of retaliation, including ostracism and group pressure from other members of the command. (T-0)

1.8.9.3. All evaluators will assess their ratee(s) on what the member did to ensure a healthy organizational climate. (T-0)

1.8.9.4. A commander’s evaluation will require a mandatory statement stating that the supervisor received the commander’s annual climate assessment results and conducted the appropriate review and/or took the appropriate accountability measures with the subordinate commander after reviewing the results. (T-1) (USSF only) Place the mandatory statement in section IV or section V (if authorized, see Table 3.1) of the AF Form 707.

1.8.10. Command Oversight of Housing. The installation/wing, space base delta, or delta commander, installation/wing, or delta command chief, mission support group (MSG) commander (MSG/CC) (or equivalent), MSG senior enlisted leader (SEL) (or equivalent), civil engineer squadron (CES) commander (CES/CC), CES SEL, and military installation housing manager (as applicable) will be evaluated and assessed on the extent to which these individuals have or have not exercised effective oversight and leadership in the following:

1.8.10.1. Improving conditions of military privatized housing. (T-0)

1.8.10.2. Addressing concerns of members of the Armed Forces and their families who reside in military privatized housing on the installation. (T-0)

1.8.10.3. (USSF only) place the mandatory statement in section IV or section V (if authorized, see Table 3.1) of the AF Form 707.

1.9. Disagreements.

1.9.1. A disagreement is when a subsequent evaluator nonconcurs with or makes any statement that indicates obvious difference with a previous evaluator. Disagreements are a difference in perspective and should not be viewed negatively. When disagreements occur,
they must be explained. On “wet signature” evaluations, the subsequent rater marks the non-concur block and initials the rating block that corresponds with their rating and/or provides specific comments to explain the disagreement. Digitally signed forms do not allow an evaluator to initial in a different rating block; therefore, the evaluator who disagrees must specifically state the performance factor in disagreement, the reason for the disagreement and their rating. (T-1)

1.9.2. Comments to support disagreements are required. (T-1) Example: Disagree with rater’s assessment of Job Knowledge—TSgt Smith was unable to provide correct operating procedures during monthly evaluation; or Capt Rogers was unable to answer critical questions concerning the operation of his flight leading to an Operational Readiness Inspection rating of “Unsatisfactory” for his squadron.

1.9.3. Evaluators should discuss disagreements when preparing evaluations. Evaluators are first given an opportunity to justify their rating/comment; however, they will not do so just to satisfy the disagreement. For USAF Amn-SMSgt and all USSF members, if, after discussion, the disagreement remains, the evaluator who non-concurs should limit the comments to the space provided but can attach a DAF Form 77 if more space is required. For RegAF and ARC officers, if, after discussion, the disagreement remains, the evaluator who non-concurs should limit the comments to the space provided but can add comments to an additional comment section which will appear on a second page of the evaluation. The additional comment section will not to be used to add additional performance information.

1.9.4. If the forced distributor/unit commander/military or civilian director/other authorized reviewer is junior in grade to the rater/additional rater/HLR/Reviewer/Final Evaluator, they must discuss any non-concurrence with the rater/additional rater/HLR/reviewer/final evaluator prior to signing the evaluation.

1.9.5. Updating the Personnel Data System. When an evaluation contains different overall ratings, the final reviewer/evaluator’s rating will be updated in the personnel data system. For example, on the DAF Form 910, if the additional rater disagrees with and changes the rater’s overall rating, and the commander concurs with the change, the additional rater’s rating will be updated. However, if the commander concurs with the rater’s rating, the rater’s rating will be updated.

1.10. Referral Evaluations.

1.10.1. Purpose. Referral procedures are established to allow the ratee due process by giving the ratee an opportunity to respond and/or rebut any negative ratings or comments before it becomes a matter of record. Additionally, it allows evaluators to consider all the facts, including any they may not have been aware of, prior to the evaluation becoming a matter of record.

1.10.2. General Information.

1.10.2.1. Vague Comments. Do not make vague comments about the member’s behavior or performance. Example: "Due to a recent off-duty incident, Lt Jackson’s potential is limited" does not state what occurred. Vague comments do not fully explain the incident or behavior, nor do they justify the referral. When doubt arises as to whether a comment is a referral comment or not, refer the evaluation. This will afford the member an
opportunity to respond. It is better to afford the ratee the due process now while all evaluators are available, than to try and refer it later if directed by the ERAB or AFBCMR.

1.10.2.2. Any evaluator whose ratings or comments causes an evaluation to become a referral evaluation must give the ratee the opportunity to comment on the evaluation. (T-1)

1.10.2.3. A referral evaluation can be detrimental to an Airman’s or Guardian’s career; therefore, face-to-face interaction is required between the rater and ratee.

1.10.2.4. An evaluation will be referred more than once when a subsequent evaluator gives additional referral ratings or comments. (T-1) Note: Comments regarding the same incident or behavior will not require the evaluation to be referred more than once.

1.10.2.5. If, after the evaluation has been referred to the ratee, updates are made to the evaluation that add information or change the content (excluding administrative corrections such as spelling or punctuation), the ratee must be given an opportunity to respond to the updates. (T-1) Refer the evaluation again and allow 3 duty days for a response (30 calendar days for non-extended active duty). (T-1) The date of the new referral memo must be on or after the date the updated evaluation is signed. The ratee can submit a new rebuttal or attach the previously submitted rebuttal.

1.10.2.6. Although an evaluation may be referred several times during processing, any one evaluator will not normally refer the evaluation more than once. However, this does not include evaluations referred again in accordance with paragraph 1.10.4.4 and paragraph 1.10.4.5.

1.10.2.7. Ensure the name of the next evaluator is included on the evaluation or in the referral memorandum (Figure 1.1) when referral procedures are not included on the form itself.

1.10.2.8. For USAF Amn-SMSgt and all USSF members, the evaluator who refers the evaluation and any subsequent evaluators may continue comments on the DAF Form 77 to explain non-concurrence or the behavior that led to the referral. (T-1) Comments are limited to the space on the front of the form (Section IV). Each evaluator will use a separate form. For RegAF and ARC officers, the evaluator who refers the evaluation and any subsequent evaluators may continue comments in an additional comment section within myEval, to explain non-concurrence or the behavior that led to the referral. (T-1) Comments are limited to the space provided in myEval. Each evaluator will complete a separate comment section.

1.10.2.9. All original documents will remain attached to the original evaluation. (T-1)

1.10.2.10. In organizations where the rating chain crosses MAJCOM/FLDCOM lines (for instance, when there is a “dual-hatted” senior rater), the evaluator named in the referral document (referral reviewer) is next official in the chain of command from the MAJCOM/FLDCOM that controls the ratee’s organization of assignment, even if the senior rater’s rater belongs to the other MAJCOM/FLDCOM.

1.10.2.11. Airmen or Guardians whose most recent or final PCS performance evaluation is or will be a referral are ineligible for PCS unless the commander submits a request to the MPF to change the assignment availability code. Requests to update the assignment
availability code can be made any time after 120 calendar days have passed since the close out of the evaluation.

1.10.3. When to Refer a Performance Evaluation. Performance evaluations must be referred when:

1.10.3.1. Comments in any officer or enlisted evaluation, LOE, or TR (to include attachments), regardless of the ratings, that are derogatory in nature, imply or refer to behavior incompatible with or not meeting AF/SF standards, and/or refer to disciplinary actions. **(T-1)** When considering the Airman’s or Guardian’s ability to meet standards, consider unacceptable performance as actions that are incompatible with, and/or Airmen or Guardians who have routinely (a repeated inability to meet standards that would render the aggregated performance assessment over the entire reporting period as below AF/SF standards and expectations) and/or significantly (a single instance where failure to meet standards is either egregious in nature or so far short of a standard that it impacts overall aggregated performance assessment) failed to adhere to established AF/SF standards and expectations. **(T-1)**

1.10.3.2. When an officer fails to meet standards in any one of the listed performance factors, in Section III or Section IX of the AF Form 707, the overall evaluation will be a “Does Not Meet Standards” and must be referred. **Note:** If the evaluation is marked “Does Not Meet Standards,” there must be a comment pertaining to the behavior in the referring evaluator’s assessment block. Comments in the referral memorandum do not meet this requirement. **(T-1)**

1.10.3.3. An evaluator marks “Does Not Meet Standards” in Section III of AF Form 707 or “Do Not Retain” in Section IV of AF Form 912. **(T-1)**

1.10.4. Who Refers a Performance Evaluation?

1.10.4.1. Any evaluator whose rating(s) or comment(s) causes the evaluation to be a referral will refer the evaluation to the ratee. **(T-1)**

1.10.4.2. If a previous evaluator did not refer an evaluation and a subsequent evaluator determines the evaluation should be referred, return the evaluation to the previous evaluator and discuss the rating and/or comment. The previous evaluator may change the rating and/or comment or the subsequent evaluator may refer the evaluation. **(T-1)**

1.10.4.3. If there is a disagreement as to whether or not to refer an evaluation, the additional evaluator may refer the evaluation.

1.10.4.4. **(USAF Amn-SMSgt and all USSF Members)** In cases where the referring evaluator is a MAJCOM/FLDCOM, or unified commander, the evaluator named in the referral document will be the Vice Chief of Staff of the Air Force or Vice Chief of Space Operations (SF/VCSO) who will sign an DAF Form 77. **(T-1)** However, in situations where the rater is a senior rater who has caused the evaluation to be referred and there is an existing evaluator within the rater’s organizational chain (to include MAJCOM/FLDCOM), forward the evaluation to that evaluator for appropriate action. See paragraph 1.7.

1.10.4.5. **(USAF Amn-SMSgt and all USSF enlisted)** On enlisted evaluations, when the additional rater refers the evaluation, the forced distributor or unit
commander/director/other authorized reviewer is the individual named in the referral
document who will review the ratee’s comments. (T-1) The forced distributor or unit
commander/director/other authorized reviewer completes their review and may place
additional comments on an DAF Form 77.

1.10.4.6. When the forced distributor or unit commander/military or civilian director/other
authorized reviewer refers the evaluation, the forced distributor or unit commander/military
or civilian/other authorized reviewer’s rater is the individual named in the referral
document. (T-1)

1.10.5. Responsibilities.

1.10.5.1. The Referring Evaluator Responsibilities.

1.10.5.1.1. Prepares the referral document in accordance with Figure 1.1., Table 4.9.,
Table 4.10 and Table 4.12 (Enlisted), Table 3.1 (USSF Officers), Table 3.6 (RegAF
and ARC officers), paragraph 1.10.6.4 (Training Reports) or Table 5.1 (Letter of
Evaluation), whichever is applicable. Note: The date the rater signs the evaluation,
and the date of the referral memorandum must be the same date.

1.10.5.1.2. On or after the close-out date of the evaluation, deliver the referral
memorandum to the ratee, discuss the content of the memorandum with the ratee,
provide counseling (if needed), and obtain the ratee’s signature and the date
acknowledging receipt. (T-1) After the ratee signs the memorandum, provide a copy
to the ratee and forward the original to the evaluator named in the referral document.
Do not include subsequent evaluator comments on the referral evaluation until after the
rebuttal is received or rebuttal period has passed. (T-1)

1.10.5.1.3. For USAF Amn-SMSgt and all USSF members, if the ratee is
geographically separated (including those who have passed their date of separation),
send a copy of the referral document to the evaluator named in the referral document
and mail the original referral document to the ratee by “certified mail - return receipt
requested.” (T-3) For RegAF and ARC officers, if the ratee is geographically
separated, send the referral memorandum electronically. For those who have passed
their date of separation, send a copy of the referral document to the evaluator named in
the referral document and mail the original referral document to the ratee by “certified
mail - return receipt requested.” (T-3)

1.10.5.1.4. Upon receipt of the evaluation, provide feedback to the ratee and obtain the
ratee’s signature. Next, forward the evaluation to the ratee’s servicing MPF.

1.10.5.2. Ratee Responsibilities.

1.10.5.2.1. The ratee acknowledges receipt of the referral memorandum by signing and
dating. (T-1) The signature only acknowledges and verifies receipt of the referral
memorandum on the date indicated; it does not signify concurrence with the evaluation
or indicate whether or not the ratee will provide rebuttal remarks.

1.10.5.2.2. If the ratee is geographically separated, they will sign the referral
memorandum to acknowledge receipt and then forward the original to the evaluator
named in the referral memorandum. (T-1)
1.10.5.2.3. The ratee will provide rebuttal comments to the referral reviewer within 3
duty days (30 calendar days for non-extended active duty) from the date of receipt (if
mailed from the date of delivery), regardless of if the ratee is still on active duty. (T-1)
The ratee will upload (RegAF and ARC officers only) or deliver the referral documents
with all attachments. The ratee may use certified or registered mail if geographically
separated. (T-1) The ratee may request more time from the evaluator named in the
referral document not to exceed 45 calendar days from acknowledgement. (T-1)
Additionally, the ratee:

1.10.5.2.3.1. May ask the area Defense Counsel or local personnel advisor to
provide guidance/assistance in preparing rebuttal comments.

1.10.5.2.3.2. Must limit comments, including any pertinent attachments, to a total
of 10 single-sided pages or 5 double-sided pages. (T-1) These will not reflect on
the character, conduct, integrity, or motives of an evaluator unless fully
substantiated and documented. All pertinent attachments become part of the
evaluation filed in the personnel record; however, items that are already part of the
permanent record, such as copies of previous evaluations, will be removed from the
referral package prior to filing. (T-1)

1.10.5.2.3.3. May have another individual prepare comments on their behalf (such
as an attorney). However, when this is done, the ratee must include a statement
confirming the document is to be considered as the ratee’s response. (T-1) This
statement will appear somewhere on the rebuttal document or be attached as a
separate statement. (T-1) Note: If the ratee’s statement is provided as a separate
attachment, it will be considered part of the 10-page restriction. (Example: If the
attorney submits 5 pages, the ratee can submit 5; if the attorney submits 9 pages,
then the ratee can only submit 1 page and vice versa).

1.10.5.2.4. May choose not to comment on the referral evaluation. Once the time limit
has elapsed, the evaluator named in the referral document (referral reviewer) completes
the evaluation and continues normal processing (see paragraph 1.10.5.3.). Failure to
provide comments does not prevent the ratee from later appealing the evaluation in
accordance with the procedures in Chapter 10 once the evaluation becomes a matter
of record.

1.10.5.3. The Referral Reviewer. (The Evaluator Named in the Referral Document.)

1.10.5.3.1. Must allow the ratee 3 duty days (30 calendar days for non-extended active
duty) to submit a rebuttal. (T-1) If the ratee needs additional time, e.g., due to the non-
availability of an Area Defense Counsel or the referral reviewer has returned the
rebuttal because it is more than 10 pages, the referral reviewer may grant an extension.
However, the referral reviewer will not review the evaluation until the 3 duty days (30
calendar days for non-extended active members) have passed, even if the ratee has
indicated that they will not submit comments. (T-1)

1.10.5.3.2. After 3 duty days (30 calendar days for non-extended active duty) have
passed, the referral reviewer will:

1.10.5.3.2.1. Review and consider the ratee’s comments, if provided.
1.10.5.3.2.2. Place the applicable mandatory statement in the evaluator’s comment block of the appropriate evaluation.

1.10.5.3.2.2.1. If the ratee provided comments, enter the statement: "I have carefully considered (ratee's name) comments to the referral document of (date)." Ensure this date is the date of the referral memorandum, not the evaluation close-out date or the date of the ratee’s rebuttal. Subsequent evaluators do not enter this statement.

1.10.5.3.2.2.2. If the ratee does not forward comments within 3 duty days (30 calendar days for non-extended active duty) (plus mailing time and any approved extensions), prepare an endorsement to the evaluation and include the statement: "Comments from the ratee were requested but were not received within the required period." (T-1) Then forward the evaluation for normal processing.

1.10.5.3.3. Forward the evaluation with all attachments to the next evaluator. If the referral reviewer is the final evaluator, forward the evaluation to the rater so the rater can provide feedback and obtain the ratee’s acknowledgement of the completed evaluation.

1.10.5.4. Additional/Subsequent Evaluators.

1.10.5.4.1. Send the evaluation to the next evaluator in the rating chain for additional endorsement when an endorser is senior to the commander or when a commander who is senior to the endorser refers the evaluation. See paragraphs 1.10.4.4 and 1.10.4.5.

1.10.5.4.2. For USAF Amn-SMSgt and all USSF members, prepare the endorsement on DAF Form 77. For RegAF and ARC officers, prepare an endorsement in the referral comment section provided on the evaluation.

1.10.5.4.3. For USAF Amn-SMSgt and all USSF members, check the “supplemental sheet” block on DAF Form 77, Section IIA and enter appropriate comments in Section IV.

1.10.5.4.4. For RegAF and ARC, if the evaluator on the DAF Form 77 or in the referral comments section is not an Air Force officer or Air Force NCO obtain an Air Force Advisor review. For USSF, if the evaluator on the DAF Form 77 or in the referral comments section is not a Space Force officer or Space Force NCO, obtain a Space Force advisor review.

1.10.5.4.5. An additional rater or final evaluator/reviewer who decides to refer an evaluation due to a performance assessment rating or comment made by a previous evaluator refers it to the ratee before completing their portion of the evaluation. The referral document will instruct the ratee to direct and return any rebuttal comments back to them. (T-1) Upon receipt of the ratee’s rebuttal, or when 3 duty days (30 calendar days for non-extended active duty) have elapsed, the evaluator completes their portion of the evaluation.

1.10.5.4.6. If, after referral, a subsequent evaluator upgrades the ratings and/or invalidates the referral comments so the conditions defined in paragraph 1.10.3 no longer apply, the non-concur block is marked, and comments are made in support of
the disagreement in the ratings or comments. The evaluation is no longer considered referral; however, retain all original referral documents and/or correspondence with the evaluation.

1.10.5.4.7. If, after referral, a subsequent evaluator upgrades ratings or comments but the conditions defined in paragraph 1.10.3 still exist, the non-concur block is marked, and comments are made in support of the disagreement in the ratings or comments. The evaluation remains a referral. Retain original referral correspondence with the evaluation.

1.10.5.4.8. When the last evaluator on the evaluation has caused the evaluation to be referred, the next evaluator in the rating chain (as named in the referral document) will, upon receipt of the ratee’s comments, prepare an endorsement to the evaluation on an DAF Form 77 if no comment area exists on the applicable evaluation form. If the evaluator named in the referral document does not concur with the comments or ratings of the previous evaluator, their endorsement will, in addition to the mandatory referral comments, describe the disagreement (on the first line in the comments area on the applicable evaluation or may continue comments on an DAF Form 77).

1.10.5.5. Deployed Evaluators. If the referring evaluator is deployed and is referring a home station evaluation, the referring evaluator will sign the referral memorandum and officer or enlisted evaluation and forward the evaluation and referral documents to the next evaluator in the rating chain. The next evaluator in the chain (the referral reviewer) will act on behalf of the referring evaluator who is deployed and issue the evaluation and referral documents to the ratee. Upon receipt of the ratee’s comments, or at the expiration of the ratee’s 3-duty-day-window (30 calendar days for non-extended active duty) to respond, the referral reviewer processes the evaluation and all referral documents in accordance with paragraph 1.10.5.3.

1.10.6. Referral Procedures.

1.10.6.1. Referral Officer Evaluations. The referring evaluator will use the referral section of the evaluation and can fill in the specifics in the blank lines provided. For USSF officers, if the specific details are too long for the space allotted, the referring evaluator can attach a separate DAF Form 77 (see paragraph 1.10.2.8) and annotate “See Attachment” in the lines provided in this block. Refer to Table 3.1 for procedures on preparing the AF Form 707 and Table 3.5 for procedures on preparing the officer ALQ evaluation.

1.10.6.2. Referral EPRs or Education/Training Reports. Prepare a referral memorandum (DAF Forms 910/911 only) in accordance with Figure 1.1. All evaluators and reviewers must wet sign and date. (T-1)

1.10.6.3. Referral Letter of Evaluation. The referral process is accomplished on the form itself.

1.10.6.3.1. Deployed Commander Letter of Evaluation. Complete an DAF Form 77 in accordance with Table 5.1 and paragraph 5.2.1.2.1.

1.10.6.3.2. All Other Letters of Evaluation.

1.10.6.3.2.1. Designated Rater (Officer Only). If a LOE prepared by the officially designated rater contains referral comments, the rater prepares an officer evaluation
in accordance with paragraph 1.10.6.1. The reason for the evaluation will be DBH. At least 60-calendar days of supervision is required, unless the waiver authority extends the requirement.

1.10.6.3.2.2. Other than Designated Rater. Complete Sections I, II, IV, V and VII in accordance with Table 5.1. The referral process itself is not accomplished on the DAF Form 77. **Exception:** Deployed Commander Letters of Evaluation. If someone other than the officially designated rater prepares a LOE with referral comments, forward the letter along with any rebuttal comments the ratee may want to add to the officially designated rater. (T-1) The rater will review the documents and decide whether or not permanent recording is warranted. If so, the letter of evaluation becomes a referral document attached to the evaluation. If the rater decides not to permanently record, they will return the LOE and any rebuttal comments to the ratee.

1.10.6.4. Referral Training Report (TR) (AF Form 475). Refer the TR to the ratee using the same procedures outlined in paragraphs 1.10.6.1 and 1.10.6.2. Name the commander of the Department of the Air Force school or unit of assignment as the next evaluator (determined by which organization is preparing the TR). The evaluator reviews the ratee’s comments, if provided; adds the applicable mandatory comments in accordance with paragraphs 1.10.5.3.2.2.1 or 1.10.5.3.2.2.2; and endorses the TR on an DAF Form 77 using the first evaluator’s block.

**1.11. Mandatory Comments.** Specific comments or entries mandated by this DAF instruction are identified by the instruction to “enter” or “include the statement” followed by the specific comment placed within quotation marks and must be documented in myEval and/or on the evaluation as stated.

1.11.1. Referral Reviewer. For a referral LOE, officer or enlisted evaluation, or TR, the evaluator named in the referral document must comment as required by paragraph 1.10.5.3.2.2.

1.11.2. If the rater died, became incapacitated, or was relieved from duties as an evaluator, state the reason in the feedback sections of the officer evaluation (see paragraph 1.7.2.2) or in the remarks section of the enlisted evaluation. (T-1)

1.11.3. If a member has been convicted by a court-martial, comments relating to the ratee’s behavior are mandatory on the ratee’s next officer or enlisted evaluation, TR or (RegAF and ARC only) PRF. Additionally, comments on individuals who have been found guilty, pled guilty or nolo contendere (no contest) of a reportable civilian offense are mandatory (see paragraph 1.8.1.2).

1.11.4. If performance feedback was not accomplished, state the reason why it was not accomplished. Rationale must be placed in myEval when completing ALQ evaluations and the “Remarks Section” on forms 707, 910, 911, and 912. (T-1) The reason must be honest, plausible, and specific, such as “Midterm feedback assessment not conducted due to only 58 calendar days supervision between initial feedback assessment and the evaluation close-out date,” or “Rater was unable to conduct feedback assessment (state specific reason).” Non-receipt of a feedback notice and “administrative oversight” are not acceptable reasons.
1.11.5. If a member has been assigned to serve as a voting assistance officer, a comment relating to the performance of the member in these duties is required. (T-0) See 10 U.S.C. § 1566.

1.12. General Prohibited Evaluator Considerations and Comments. Certain items are prohibited for consideration and will not be commented upon on any officer evaluation system or enlisted evaluation system form/brief. Except as authorized in this instruction, do not consider, refer to, or include comments regarding:

1.12.1. Sensitive Information.

1.12.1.1. Classified Information. Do not enter classified information in any section of the form. (T-1)

1.12.1.2. Confidential Statements. Confidential statements, testimony, or data obtained by, or presented to, boards under DAFI 91-204, \textit{Safety Investigations and Reports}.

1.12.1.3. Appeal Agencies Outside Rating Chain. Actions taken by an individual outside the normal chain of command that represent guaranteed rights of appeal. \textbf{Example:} Inspector general, AFBCMR, equal opportunity and treatment/military equal opportunity complaints, congressional inquiries.

1.12.1.4. Drug or Alcohol Abuse Rehabilitation Programs. Focus on the behavior, conduct, or performance resulting from alcohol or drug use versus the actual consumption of alcohol or drugs or participation in a rehabilitation program. Only competent medical authorities can diagnose alcoholism or drug addiction, and the diagnosis is prohibited on evaluations.

1.12.1.5. Temporary or Permanent Disqualification under DoDM5210.42_AFMAN 13-501, \textit{Nuclear Weapons Personnel Reliability Program (PRP)}. The behavior of the ratee that resulted in the action may be referenced; however, it may not be mentioned that the ratee was disqualified.

1.12.1.6. Medical Information. Only authorized medical officials are in a position to make comments on medical conditions. Evaluators must focus evaluation comments on the behavior and duty performance of the individual. Comments pertaining to the medical condition, treatment, or diagnosis are prohibited.

1.12.2. Potential Discriminatory Factors and/or Information.

1.12.2.1. Race, Ethnic Origin, Gender, Age, Religion, Sexual Orientation or Political Affiliation of the Ratee. Do not refer to these items in such a way that others could interpret the comments as reflecting favorably or unfavorably on the person. This is not meant to prohibit evaluators from commenting on involvement in cultural or church activities, but cautions against the use of specific religious denominations, etc. \textbf{Example:} “Capt Doe is the first female pilot ever selected for training in the F-16”, is an inappropriate reference to gender. Pronouns reflecting gender (e.g., he, she, him, her, his, they, their, etc.) may be used. “Wing Point of Contact for African American Heritage Committee” or “Arranged a blood drive at the Baptist Memorial Hospital” are acceptable comments.

1.12.2.2. Family Activities or Marital Status. Do not consider or include information (either positive or negative) regarding the member’s marital status or the employment,
education, or volunteer service activities (on or off the military installation) of the member's family. (T-1)

1.12.2.3. Officer/Enlisted Club Membership. Comments regarding a ratee’s club membership is prohibited. (T-1)

1.12.2.4. Court-Martial Panel Membership. Do not consider performance as a member of a court-martial panel or render a less than favorable evaluation because of the zeal in which the ratee served as a defense or respondent's counsel (see Article 37, UCMJ). (T-1) This is not intended to inhibit an accurate portrayal of a counsel's competence in the representation of clients.

1.12.3. Duty History or Performance Outside the Reporting Period.

1.12.3.1. Do not comment on duty history or performance outside the current reporting period, except as permitted by paragraphs 1.12.3.3 and 1.12.3.4. (T-1).

1.12.3.2. Previous Evaluations or Ratings. Comments from previous evaluations or ratings are prohibited (e.g., do not include comments from an AF Form 475 on an officer ALQ evaluation or AF Form 707; or comments from a deployed commander LOE on an officer ALQ evaluation or AF Form 707, except in conjunction with performance feedback sessions and as outlined in Chapter 8 for promotion recommendation forms. (T-1) Note: Evaluators may review previous evaluations to prevent repeating prior accomplishments and making inappropriate recommendations.

1.12.3.3. Prior Events. Events that occurred in a previous reporting period that add significantly to the evaluation, were not known to and considered by the previous evaluators and were not already reflected in a previous evaluation in the permanent record (this includes officer and enlisted evaluations, LOEs, and TRs) can be included in a subsequent evaluation. (T-1) Example: An event (positive or negative) which came to light after an evaluation became a matter of record, but which occurred during the period of that evaluation, could be mentioned in the ratee’s next evaluation because the incident was not previously reported. In rare cases, serious offenses (such as those punishable by courts-martial) may not come to light or be substantiated for several years. In such cases, inclusion of that information may be appropriate even though the incident and/or behavior occurred prior to the last reporting period. Additionally, negative incidents from previous reporting periods involving the character, conduct, or integrity of the ratee that continue to influence the performance or utilization of the ratee may be commented upon in that context only. Commanders and senior raters make the determination of what constitutes a significant addition. If a commander has considered and decided not to comment on a known adverse action, an incumbent commander may not overturn a previous commander’s decision by requesting the adverse action be added after the evaluation has been made a matter of record, nor may the incumbent commander include it in the next evaluation. (T-1) However, if the behavior has continued into the next rating period, an evaluator may comment on the specific behavior for that rating period.

1.12.3.4. (USSF officers only) Events That Occur After the Close-Out Date. If an incident or event occurs between the time an evaluation closes out and when it becomes a matter of record that warrants inclusion in that evaluation, the commander may request an extension of the close-out date (see paragraph 3.18.). This includes completion of an
investigation begun prior to the close-out date or confirmation of behavior that was only alleged as of the close-out date. For fitness, an extension may be requested to authorize a member to test again to meet the standard if justification is warranted. An extension to document a failure for fitness is not authorized.

1.12.4. Derogatory Information and Disciplinary Actions.

1.12.4.1. Conduct Based on Unreliable Information.

1.12.4.1.1. Raters must ensure that information used to document performance, especially derogatory information relating to unsatisfactory behavior or misconduct, is reliable and supported by a preponderance of the evidence. (T-1)

1.12.4.1.2. The rater should consult with the servicing Staff Judge Advocate whenever there are questions as to whether this standard has been met.

1.12.4.1.3. Raters should be particularly cautious about referring to charges preferred, investigations, or boards of inquiry (such as accident investigation boards); or using information obtained from those sources, or any similar actions related to a member, that are not complete as of the close-out date of the evaluation.

1.12.4.1.4. When it is determined that such conduct is appropriate for comment, refer to the underlying performance, behavior or misconduct itself and not merely to the fact that the conduct may have resulted in a punitive or administrative action taken against the member (such as a letter of reprimand, Article 15, court-martial conviction).

Example: An evaluator should say: “SSgt Johnson engaged in drunk and disorderly conduct and drove while intoxicated,” rather than “SSgt Johnson got an Article 15 for violations of Article 92 and 134.”

1.12.4.1.5. (USSF officers only) If an extension to the close-out date might be warranted to determine if reliable information of unsatisfactory performance or misconduct has been established, refer to paragraph 3.18.

1.12.4.2. Acquittals or Similar Results.

1.12.4.2.1. Do not reference any criminal action against an individual that resulted in acquittal or recommended personnel action that was denied by the approval authority. (T-1). For example, an evaluator cannot say: “SSgt Johnson was acquitted of assault charges,” or “SrA Smith’s involuntary separation action was unsuccessful.”

1.12.4.2.2. Evaluators may mention the underlying conduct that formed the basis for the action.

1.12.4.2.3. Do not reference any punitive or administrative action taken against the individual in response to the conduct for which the member was acquitted or where the action was not actually taken.

1.12.4.3. Punishment. Punishment received as a result of administrative or judicial action is prohibited. Restrict comments to the conduct and/or behavior that resulted in the punishment, and the type of administrative or judicial action taken (e.g., Article 15, letter of reprimand, letter of counseling, etc.).

1.12.4.3.1. Acceptable statements: “Drove while intoxicated, received an Article 15” and “Failed to report to duty, received a Letter of Reprimand,” etc.
1.12.4.3.2. Prohibited statements: “Sentenced to 6 months confinement,” “Reduced to the grade of”, “Forfeiture of pay”, “5 days extra duty”.

1.12.4.4. Disciplinary Actions.

1.12.4.4.1. Must be reasonably specific, clearly outlining the event and/or behavior. Comments such as “conduct unbecoming” or “an error in judgment led to an off-duty incident” are too vague.

1.12.4.4.2. Advise ratees specifically on why they are considered substandard in order to avoid speculation and assist them in responding appropriately. (T-1)

1.12.4.4.3. An evaluation should not simply contain the comment that "MSgt Smith received an Article 15 during this period." Instead, the underlying conduct should be specifically cited with the resulting action included, such as: "During this reporting period, Lieutenant Jones sexually harassed a female subordinate for which he received an Article 15," or “MSgt Jones drove while under the influence, for which he received an Article 15.”

1.12.4.4.4. In any case, the focus of the comment should be on the conduct or behavior. Evaluators should consult the servicing Staff Judge Advocate or local personnel advisors for questions regarding the appropriateness of including comments about misconduct and/or the resulting actions on a performance evaluation.

1.12.5. A Recommendation for Decoration. Only include those decorations approved or presented during the reporting period. The term “decorations,” as used here, applies to those in which a medal is awarded and worn on the Air Force uniform, such as an Air Force Achievement Medal. Other awards or nominations for honors and awards such as "Outstanding Maintenance Officer" or “Twelve Outstanding Airmen of the Year” may be mentioned.

1.12.6. Meeting Goals for/Results of the Combined Federal Campaign. Comments pertaining to met/exceeded goals or collected dollar amount (Example: 100% contact, $15K raised, 500 contacted) are prohibited.

1.12.7. Weighted Airman Promotion System Data. Score data on the Weighted Airman Promotion System Data score notice or SNCO promotion score notice, board scores, test scores, relative standings among peers etc. are prohibited.

1.12.8. Performance Feedback Assessment. Evaluators do not refer to performance feedback sessions in any area of the performance evaluation except in the performance feedback certification block or the remarks section of Forms 910/911/912.

1.12.9. Matrices, fact sheets, background sheets or other documents unless specifically authorized in this instruction. Evaluators will use performance and duty related information from official source documents in the assessment of performance and potential. Demographic diversity information identifying inherent or socially defined personal characteristics such as age, race/ethnicity, religion, gender, socioeconomic status, family status, disability, and geographic origin will not be considered. (T-1)

1.12.10. Do not establish panels or boards to review and collectively score, rate, rank, or tally records and/or generate a priority list for determining promotion recommendations, level of endorsement or stratification, except as authorized in this instruction. (T-1)
1.12.11. Awards are recognitions based on a given set of criteria and are standalone achievements. Accordingly, stratification statements based on awards are not authorized.

1.13. **Policy Deviations and Waiver Requests.** See **Table 1.1** for the offices of primary responsibility mailing addresses. Send requests for deviations or waivers through the wing or delta commander or the comparative level to AFPC/DPMSPE (or appropriate ANG/AFR) who, in turn, will forward the request to appropriate office of primary responsibility.

1.13.1. Requests will be in memorandum format with all the appropriate endorsements and detail the reason for the request with full justification. If the request is applicable to a specific organization or individual, it must include the name of the unit or the name and grade of the individual.

1.13.2. All deviation requests pertaining to SRID issues require coordination through the respective management level and must be signed by the head of the management level. (T-1)

1.13.3. Signed requests will be mailed or emailed to the AFPC/DPMSPE or appropriate ANG/AFR office stated in **Table 1.1**.

1.13.4. All waiver requests to use the AF Form 715 and AF Form 716 will require coordination through the wing commander/equivalent and AFPC/DP3SP for RegAF and to ARPC/DPTS for ARC with final approval from HAF/A1PP. If authorized, enter the following statement in the “Mandatory Comments” block: “Use of the AF Form 715/AF Form 716 is authorized IAW DAFI 36-2406.”

1.14. **Missing, Late and Removed Performance Evaluations.** When an evaluation is missing and all attempts to locate are exhausted and unsuccessful, consider re-accomplishing the report. However, before doing so, evaluators should consider such things as: how long it has been since the report closed out; are all the evaluators readily available; is there a draft of the original still available; does the ratee or any of the evaluators have a copy of the original report; can the evaluators now give a fair and accurate report based on the timeframe? (See **Table 1.2**.) **Note:** Do not re-accomplish evaluations more than 18 months past the close-out date.

1.14.1. Missing Evaluations on RegAF and USSF Officers and Senior Noncommissioned Officers. The CSS, MPF, AFPC, and/or Air Reserve Personnel Center (ARPC) initiates action to try and locate the missing report.

1.14.1.1. If the report is located or is able to be re-accomplished (must be the original evaluators at the time of the close-out), place the original evaluation in the permanent record or send the original to AF/A1LO of SF/S1L for colonels and colonel selects, AF/A1LE or SF/S1L for CMSgts and CMSgt selects, and forward a copy to AFPC/DP1ORM for file into ARMS and PRDA.

1.14.1.2. If the report is not located, or cannot be re-accomplished, the CSS, MPF, AFPC, or ARPC will prepare an DAF Form 77 according to **Table 5.1** and insert the original into the OSR/National Security Agency, or send the original to AF/A1LO or SF/S1L for colonel and colonel selects, AF/A1LE for CMSgts and CMSgt selects, and forward a copy to AFPC/DP1ORM for file in ARMS and PRDA.

1.14.2. Missing Evaluations on RegAF and USSF Enlisted TSgts and Below. The MPF, initiates action to locate the missing report.
1.14.2.1. If the report is located, forward the original evaluation to AFPC/DP1SSP or ARPC for file in ARMS and PRDA.

1.14.2.2. If a report is not located or cannot be re-accomplished, the MPF prepares a DAF Form 77 in accordance with Table 5.1 and forwards to AFPC/DP1ORM for file in ARMS and PRDA.

1.14.3. Missing Evaluations for AFR. The OSR custodian, the ARPC commander, or office as prescribed by the commander concerned, initiates action to locate the missing report.

1.14.3.1. If the report is located, place the original evaluation in the OSR and forward a copy to ARPC/DPTS for filing in ARMS and PRDA.

1.14.3.2. If the report is not located or unable to be re-accomplished, the MPF will prepare an DAF Form 77 in accordance with Table 5.1 and forward to ARPC/DPTS for filing in ARMS and PRDA.

1.14.4. Missing Evaluations for ANG only. The CSS, force support squadron (FSS), or human resource (HR) specialist will initiate action to locate missing reports for Active Guard/Reserve (AGR) or DSG personnel, and NGB/HR for statutory tour personnel.

1.14.4.1. If the report is located, forward the original evaluation to ARPC/DPTAR for filing in ARMS and PRDA.

1.14.4.2. If the report is not located or unable to be re-accomplished, the CSS, FSS, or HR specialist will prepare DAF Form 77 in accordance with Table 5.1 and forward to ARPC/DPTAR for filing in ARMS and PRDA. (T-1) ARPC/DPTAR will update the personnel system.

1.14.5. Evaluations Removed From Records Under Chapter 10 or under DAFI 36-2603, Air Force Board for Correction of Military Records. Prepare an DAF Form 77 in accordance with Table 5.1.

1.15. Wartime or National Emergency Provisions.

1.15.1. During wartime or a national emergency, HAF, HSF, AFPC, or MAJCOMs/FLDCOMs, when delegated, may make changes to evaluation policies and procedures to reduce the associated workload while ensuring performance is documented. MAJCOMs/FLDCOMs may implement these procedures totally or in part depending on the nature and scope of the situation. In implementing wartime provisions, a MAJCOM/FLDCOM may implement HAF/HSF/AFPC procedures totally or in part. When implementing in part, MAJCOMs/FLDCOMs must provide specific instructions regarding completing and routing evaluations. (T-1)

1.15.2. In implementing wartime provisions, AFPC/DP3SP, in coordination with AF/REP and NGB/A1P, will provide specific instructions regarding completion of evaluations, routing evaluations once completed, and any other appropriate actions. AFPC/DPMSPE or ARPC/PB will announce officer promotion recommendation form (PRF) procedures (see Chapter 8). AF/A1PP, SF/S1PP, and AFPC/DP3SP will determine whether to restrict provisions for the performance evaluations to certain theaters or organizations and whether to implement them in part, totally, or incrementally. They may make performance feedbacks optional. Commands must implement the provisions outlined below or as AFPC/DP3SP directs.
1.15.3. When to Submit Performance Evaluations.

1.15.3.1. Evaluations that are due prior to a deployment.

1.15.3.2. A deployment does not change the requirement to prepare annual/biennial evaluations.

Notes:
1. The gaining CSS/MPF/HR specialist, the Joint Forces Headquarters (Human Resource Office) or NGB/HR tracks missing or late evaluations. Do not re-accomplish evaluations more than 18 months past the close-out date. DAF Form 77s are prepared by the CSS/MPF/HR specialist.
2. When all attempts to find the missing evaluation fail, the HR specialist sends an inquiry to AFPC/DPMSPE or ARPC/DPTSE (officers/SNCOs), requesting that AFPC/DPMSPE or HQ ARPC/DPTS search the history files for the enlisted evaluation rating. Include in the request:
   a. All known information that may assist in identifying the missing evaluation.
   b. An account of all actions taken to find the missing evaluation. For personnel with prior service, do not send a request to AFPC/DPMSPE or ARPC/DPTSE for missing evaluations earlier than 120 calendar days after the date the ratee reentered to duty. The CSS/MPF/HR specialist provides this information when requesting a search for missing evaluations on personnel with prior service:
      name, grade, social security number, grade at separation, date of separation, whether a DAF Form 1613, Statement of Service, might exist.
Note: If AFPC/DPMSPE or finds the rating in the history files, complete an DAF Form 77 according to Table 5.1. When more than one evaluation is involved, the MPF/CSS/HR specialist may prepare one DAF Form 77 according to Table 5.1, if no gaps exist in the period of the missing evaluations. However, if the military personnel flight (MPF)/commander’s support staff (CSS)/human resource (HR) specialist later receives one or more of the missing evaluations, the MPF/CSS/HR specialist prepares one or more AF Forms 77, as required, so that periods of time in the performance record remain consecutive. If the rating is not available, comply with Table 5.1.
Chapter 2

PERFORMANCE FEEDBACK PROCESS

2.1. Purpose. A performance feedback assessment is a formal, two-way communication between a rater and ratee to discuss standards, responsibilities, expectations, and goals. Raters document the feedback session to assess or discuss the objectives, standards, behavior, and performance with the ratee. Providing this information helps an individual improve communication and performance, while growing professionally. The following information applies to all military personnel.

2.2. Responsibilities.

2.2.1. The ratee will:

2.2.1.1. Know when formal feedback sessions are due. (T-3)

2.2.1.2. When needed, request a “Ratee Requested” feedback session from the rater. If a ratee requests a feedback session, the rater will provide one within 30 calendar days of the request. (T-3)

2.2.1.3. Provide timely notification to the rater and, if necessary, the rater’s rater, when required or requested feedback did not take place. (T-3)

2.2.1.4. Complete Section III on their own and review Section VII (AF Form 724), Section IX (AF Form 931), or VIII (AF Form 932) in preparation for the feedback session. (T-3)

2.2.1.5. Sign the feedback indicating the date the supervisor conducted the feedback. (T-3)

2.2.2. The rater will:

2.2.2.1. Know when formal feedbacks are due and provide them, at a minimum, as required by this instruction. (T-3)

2.2.2.2. Use this instruction to assist in preparing for, scheduling, and conducting feedback sessions. See Tables 2.1, 2.2, 2.3, and 2.4. (T-3)

2.2.2.3. Understand, demonstrate, and communicate Air Force or Space Force standards and expectations such as those outlined in the Enlisted Force Structure, when providing feedback assessments to personnel. (T-3)

2.2.2.4. Provide effective assessments by being realistic, honest, and timely. This will help the ratee improve performance and grow professionally and personally. Effective assessments may differ for each Airman or Guardian but can include in-depth discussions with the ratee and written comments on the assessment. (T-3)

2.2.2.5. Provide the original completed and signed assessment to the ratee. (T-3)

2.2.2.6. Retain a copy of the signed and dated assessment. The midterm formal feedback is required to be routed with the evaluation but will not be part the official record. See paragraph 2.9.3 for individuals authorized to view the assessment. Exception: Extremely rare circumstances may exist where a documented midterm assessment is not available to be routed with the evaluation (e.g., the rater has been removed from supervisory/rater duties). (T-3)
2.2.2.7. Feedback sessions are a communication tool and are not to be used to discover or document behavior which may result in administrative or judicial action. (T-3) Document behavior that deviates from DAF standards through a letter of reprimand, letter of counseling, letter of admonishment, or memorandum for record. (T-3)

2.2.2.8. Provide the ratee the most current “Benefits Fact Sheet” (available on AF Portal). (T-3)

2.2.2.9. Include expectations to ratees for contributing to a healthy organizational climate for Airmen or Guardians up to the grade of SrA or Spc4. (T-1) Raters will also ensure that NCOs and officers are accountable for creating a healthy organizational climate. (T-1) Raters will ensure that every commander knows they are responsible for, and will be held accountable for, ensuring their unit has a healthy command climate. (T-0)

2.2.3. (USSF only) The additional rater will:

2.2.3.1. Ensure raters properly conduct timely feedback sessions. (T-3)

2.2.3.2. Conduct feedback sessions when the rater is not available due to unusual circumstances or when officially assuming the rater’s responsibilities. (T-3)

2.2.4. The unit commander will:

2.2.4.1. Oversee the performance feedback program. (T-2)

2.2.4.2. Consider disciplining and removing supervisory responsibilities for raters who fail to conduct proper and timely feedback sessions. (T-2)

2.2.5. The Military Personnel Flight (MPF) will:

2.2.5.1. Provide guidance on the performance feedback program and assist CSSs when needed. (T-3)

2.2.5.2. Not be required to maintain a repository for performance feedback assessments for personnel assigned.

2.2.6. Raters are responsible for maintaining copies of formal feedbacks on their assigned ratees.

2.3. Who Requires a Performance Feedback Assessment. Performance feedback assessments are mandatory for all RegAF and ARC Airmen, airman basic through colonel, and USSF Guardians, specialist 1 through colonel. Performance feedback assessments are not prepared when a ratee is in a captive, patient, prisoner, or absent without leave status. For officers receiving an AF Form 475 and enlisted in approved initial or advanced skills training courses, performance feedback assessments may be completed at the discretion of the commander of the school. For performance evaluations completed on non-rated initial skills training or advanced skills training course students, academic progress reports will serve in lieu of the mandatory mid-term performance feedback session. (T-3)

2.4. Guidance for Conducting Performance Feedback Sessions. Conduct sessions face-to-face (may include video conferencing). (T-3). Exception: When this is not feasible, sessions may be conducted by telephone. In these cases, after the performance feedback session is complete, the rater will forward the finalized form to the ratee within 10 calendar days. (T-3)

2.5. When to Conduct Documented Performance Feedback Sessions. See Table 2.1.
2.6. **The Performance Feedback Assessment Notice.**

2.6.1. The rater should receive a computer-generated notice 30 calendar days after supervision begins and again halfway between the time supervision began and the projected performance report close-out date. The notice serves to remind the rater that a performance feedback session is due. However, failing to receive a notice does not justify failing to or negate the rater’s responsibility to conduct a required session.

2.6.2. For ANG officers, the MPF will send the performance feedback notice to the rater concurrently with the officer evaluation notice or upon initial assignment of the ratee. Conduct the performance feedback session no later than 60 calendar days after the officer evaluation close-out date or initial assignment date.

2.6.3. Since the ratee shares the responsibility to ensure performance feedback sessions are conducted, the notice is also sent to the ratee, 30 calendar days after sending the notice to the rater (for officers) or concurrently with the notice sent to the rater (for enlisted).

2.6.4. For IMAs, the performance feedback notice is sent to the supervisor’s RegAF MPF for forwarding to the supervisor.

2.6.5. ANG does not currently have a standardized, automated process to create airman comprehensive assessment (ACA) notices for raters and ratees. ANG MPFs may not be able to provide raters and ratees with a computer-generated ACA notice. If computer-generated notices are not available, MPFs should use alternate forms of communication to notify raters and ratees. Mass communication from MPF to wing personnel is acceptable. Signed notices are not required for ANG personnel.

2.7. **Performance Feedback Assessment Forms.**

2.7.1. For second lieutenant through colonel, use AF Form 724. See **Table 2.4** for instructions.

2.7.2. For MSgt (including selects) through CMSgt, use AF Form 932. See **Table 2.3** for instructions.

2.7.3. For AB/Spc1 through TSgt, use AF Form 931. See **Table 2.2** for instructions.

2.7.4. For SNCOs, raters have the option to use the AF Form 724-A as an informal guiding document to supplement performance feedback. For RegAF and ARC officers in the grade of second lieutenant through colonel, raters will use the AF Form 724-A in addition to the AF Form 724.

2.7.4.1. The AF Form 724-A is designed to guide raters and facilitate discussion when providing constructive feedback to their ratees. The addendum should be used in conjunction with the primary AF Form 724 and AF Form 932, not in lieu of it.

2.7.4.2. This addendum highlights four major performance areas, each with certain ALQs for Airmen to focus on.

2.7.4.3. For officers only, when the AF Form 724-A replaces Section VI “PERFORMANCE FEEDBACK” items 1 - 6 on the AF Form 724.
2.7.4.4. A rater should use their best judgement when determining the proficiency level of their ratee, bearing in mind that each definition should be relative to the ratee’s specific grade, AFSC, and assigned duties.

2.7.4.5. See Table 2.5 for additional instructions.

2.8. Preparing the Performance Feedback Assessment.

2.8.1. The performance feedback assessment should outline the issues discussed during the feedback session; however, it is primarily a guide for conducting the assessment session, not a transcript. Therefore, omission of an issue from the form does not, by itself, constitute proof that the issue was not discussed.

2.8.2. The assessment may be handwritten or typed by the rater providing the assessment.

2.9. Disposition and Access.

2.9.1. Do not make the performance feedback assessment an official part of any personnel record (including personal information files) or use it in any personnel action except for paragraph 2.9.3. (T-1) Note: At a minimum, the rater will maintain a copy of the feedback until the evaluation becomes a matter of record. (T-3)

2.9.2. The ratee may grant access to the completed forms at their discretion.

2.9.3. The forms will not be reviewed by anyone other than the rater, ratee and authorized personnel as outlined in the following paragraphs, specifically for the purposes of completing performance evaluations. (T-1) Neither form will be introduced in any other personnel action unless the ratee first introduces them or alleges either a performance feedback session was not conducted, or the sessions were inadequate. (T-1)

2.9.3.1. For enlisted, the additional rater or HLR, rater’s rater (when the additional rater is not also the rater’s rater), CSS, first sergeant, squadron/group superintendents or equivalent, squadron/group/wing/delta commanders or equivalent, forced distributor, MPF personnel, command chief, final evaluator, and functional examiner/Air Force or Space Force advisor (when applicable) are authorized access to the performance feedback assessment specifically for the purpose of completing and processing performance evaluations. (T-1)

2.9.3.2. For officers, the CSS, first sergeant, squadron/group/wing/delta commanders or equivalent, reviewer/HLR, functional examiner/Air Force or Space Force advisor (when applicable), and MPF personnel are authorized access to the performance feedback assessment specifically for the purpose of completing and processing performance evaluations. (T-1)

2.9.4. Temporary Duty (TDY) supervisors may conduct assessments and complete a feedback assessment. However, it will not be sent to the home station rater. (T-1). A memo will be sent to the home station rater if there are any issues the temporary supervisor may wish to address. (T-1) Exception: If the TDY rater has been officially designated as the ratee’s reporting official, a feedback assessment is required.
2.10. Failure to Conduct or Document a Performance Feedback Assessment. While documented feedback sessions are required by this instruction, they do not replace informal day-to-day communication and feedback. A rater's failure to conduct a required or requested feedback session or failure to document the session, will not, in and of itself, invalidate any subsequent evaluation or PRF.

2.11. Tracking Performance Feedback Assessments. Unit commanders may establish procedures beyond those provided in this instruction to validate feedback completion compliance provided those procedures do not violate paragraph 2.9.3.

Notes:
1. The rater must conduct the initial feedback session within the first 60 calendar days they initially begin supervision. This will be the ratee’s only initial feedback until they have a change of reporting official. For CMSgts and cols, this is the only feedback required.
2. The rater must conduct the midterm feedback session midway between the date supervision begins and the projected close-out date of the next evaluation.
3. The rater conducts an end-of reporting period feedback session when an evaluation has been accomplished. This session must be conducted within 60 calendar days of the close-out of the evaluation and serves two distinct purposes. The first purpose is to review and discuss with the ratee the previous reporting period and resulting evaluation. The second purpose is to establish expectations for the new reporting period. This feedback may be accomplished using an evaluation that just closed or a new AF Form 724 or AF Form 931.
4. ARC personnel are not required to complete an Airman Comprehensive Assessment for a member who is pending separation or discharge under DAFI 36-3211, *Military Separations*.
5. After the initial feedback session is conducted, conduct a (midterm) feedback session every 180 calendar days until the rater writes an enlisted evaluation or a change of reporting official occurs.
6. If the ratee is due an annual evaluation and the period of supervision is less than 150 days, the rater conducts the feedback session approximately 60 calendar days before the projected evaluation close-out date.
7. When a ratee requests a feedback session, the rater must conduct a session within 30 calendar days of the ratee’s request if at least 60 calendar days have passed (at the rater’s discretion) since the last feedback session.

Chapter 3

OFFICER PERFORMANCE EVALUATIONS/OFFICER ALQ EVALUATIONS

3.1. General Guidelines. See Chapter 1 for general processing guidance applicable to all evaluations.

3.2. Purpose.

3.2.1. Evaluation ratings are used to document performance and potential as well as provide information for making a promotion recommendation, selection, or propriety action; selective continuation; involuntary separation; selective early retirement; assignment; school nomination and selection; and other management decisions. Therefore, evaluators at all levels must use caution to prevent inflation; it is important to distinguish performance among peers and is a disservice to all officers when evaluation ratings are inflated. **Note:** Commanders are held responsible for the command climate (refer to paragraph 1.8.9.2) and overall readiness of their unit and are ultimately accountable for its performance. As such, overall command climate, readiness and performance shall be a major contributing factor when assessing a commander’s performance. (T-0)

3.2.2. Marking Ratings (wet signatures only). When electronic ratings are not used, enter hand-marked ratings after signing the evaluation to prevent erroneous entry of ratings by other personnel. When hand-marking, use only reproducible dark blue or black ink.

3.3. Who Requires an Officer Evaluation/Officer Performance Brief.

3.3.1. All RegAF and ARC colonels (except brigadier general selects) and below not being evaluated using an AF Form 475 (see paragraph 6.1), or as specified in paragraph 3.4 will receive an evaluation as of the established SCOD for their current or select grade (see Table 3.4 and Table 3.5). (T-1)

3.3.2. Any officer being released from RegAF to the ARC (participating or non-participating) if there have been 60 calendar days or more since the close out of the last officer evaluation. Reason for the report is DBH.

3.3.3. **(USSF Only)** Any officer being separated from Space Force to transfer to a Sister Service’s regular or reserve component if there have been 60 calendar days or more since the close out of the last officer evaluation. Reason for the report is DBH.

3.3.4. Officers placed in prisoner status, appellate leave, or who are in absent without leave status.

3.3.5. Officers whose separation or retirement is withdrawn. An evaluation is due if the officer’s separation or retirement is withdrawn or cancelled.

3.3.5.1. **(RegAF and ARC only)** If the original SCOD has not passed, then it will remain the same. (T-1) If the original SCOD has passed, an evaluation must be accomplished within 60 days of when the withdrawn or cancelled action is complete. (T-1) The SCOD remains the same and the reason will remain annual/biennial. (T-1)

3.3.5.2. **(USSF only)** If the original projected close-out date has not passed, then it will remain the same. (T-1) If the original projected close-out date has passed, the close-out date will be the date of the official withdrawal, cancellation, or as soon as the rater has 120
calendar days of supervision, whichever occurs first. (T-1) The reason for the evaluation is annual.

3.3.6. **(USSF only)** Officers filling an authorized 365-day extended deployment billet who have at least 120 calendar days of supervision prior to departing for the deployment. See paragraph 3.9.

### 3.4. Who is Not Authorized, Unless Stated Below, an Officer Evaluation/ALQ Evaluation

3.4.1. Deployed commanders. Use a DAF Form 77.

3.4.2. Brigadier General selects. See Chapter 7.

3.4.3. AFR officers in a non-pay status PAS Code: S7XXXXX).

3.4.4. Officers who are in full-time student (functional category: L) or patient status.

3.4.5. Officers in the Wounded Warrior or Career Intermission Programs.

3.4.6. Individuals who died on active duty; however, if the death occurred on or after the close-out date of an evaluation that was already being processed, it becomes an optional evaluation.

### 3.4.7. Separation or Retirement.

3.4.7.1. **(RegAF and ARC only)** Annual evaluations are optional for officers with an approved separation or retirement date that is within one year after the SCOD. If an officer is promotion eligible (in-the-promotion zone (IPZ) and first time above-the-promotion zone (APZ)), then an evaluation is required. (T-1) See paragraph 3.4.7.3.

3.4.7.2. **(USSF only)** When the criteria under paragraph 3.4.8 (retirement) or 3.4.9 (separation) are met, an annual evaluation becomes optional. The rater may opt to write an evaluation, and the ratee may request an evaluation be written.

3.4.7.3. Supervisors will consult with separating or retiring officers regarding the option to complete a final evaluation. (T-3) Leadership shall consider the member’s preference when deciding whether to accomplish their final evaluation. (T-3) After consulting with the individual, and the individual opts not to complete a final evaluation, the supervisor will annotate the evaluation with:

3.4.7.3.1. **(RegAF and ARC only)** “FINAL REPORT NOT REQUIRED AND/OR IS NOT MANDATED TO BE RENDERED IN ACCORDANCE WITH DAFI 36-2406, PARA 1.8,” in the first rater’s assessment block (“Executing the Mission”) and “THIS SECTION NOT USED,” in the remaining rater and HLR assessment blocks; process the evaluation through the rater and HLR for signature. (T-1)

3.4.7.3.2. **(USSF) “FINAL REPORT NOT REQUIRED OR RENDERED AND/OR IS NOT MANDATED TO BE RENDERED IN ACCORDANCE WITH DAFI 36-2406, PARA 1.8,” in the rater’s assessment section of the AF Form 707; process the evaluation to the lowest level commander for signature. (T-1)

3.4.7.4. Members are encouraged to complete a final evaluation for future purposes (e.g., employment, transfer into another AF component, or Sister Service). An evaluation will not be accomplished after a member has officially separated or retired. (T-1)
3.4.8. Officers with an approved retirement date, provided all the following criteria below are met:

3.4.8.1. The approved retirement date is within one year of the projected SCOD, annual, or biennial close-out date of the evaluation. **Example:** If the approved retirement date is 1 Jun 20, and if the close-out date is 1 Jun 19 or later, no evaluation is required. However, if the close-out date is 31 May 19 or earlier, then an evaluation is required.

3.4.8.2. The retirement application was approved prior to the projected SCOD, annual, or biennial close-out date. **Example:** If the close-out date is 1 Jun 19, and the retirement application was approved on 1 June 19 or earlier, no evaluation is required. However, if the retirement application was not approved until 2 Jun 19 or later, then an evaluation is required.

3.4.8.3. The officer will not be considered for promotion, selective continuation, or selective early retirement by a HAF or HSF central selection board or a Reserve of the Air Force (ResAF) selection board before retirement.

3.4.9. Officers with an approved separation date, provided the following criteria below are met:

3.4.9.1. The officer voluntarily resigns their commission, has fulfilled their military service obligation, and is not requesting or accepting a ResAF commission (RegAF officers) or retaining a ResAF commission (Reserve officers) or transferring to another service. Reminder—A DAF Form 77 is mandatory for anyone being released from RegAF to the ANG or AFR under the PALACE CHASE or PALACE FRONT Programs. If necessary, one bullet stating, “No report due to transition from DATE to DATE (inclusive period),” may be used.

3.4.9.2. The officer is RegAF or USSF and voluntarily resigns their commission, or is a Reserve officer, and is granted release from RegAF in lieu of action under DAFI 36-3211, or court-martial. **Note:** The evaluation is mandatory following court-martial conviction.

3.4.9.3. The officer is involuntarily discharged or released from active duty under DAFI 36-3211 unless transferring to the ANG/AFR, or another service, e.g., Force Management.

3.4.10. **(RegAF and ARC only)** Officers attending formal education and training, provided one of the following criteria is met:

3.4.10.1. An officer who receives an AF Form 475 from a formal training or education course that was 20 weeks or more, and the form “to” date is within 120 days of the SCOD. The officer will receive a report on the next SCOD for the appropriate grade.

3.4.10.2. Officers attending formal training or education over 20 weeks at the SCOD for the officer’s grade. The AF Form 475 will be completed at course completion and an evaluation will be required at the next SCOD.

3.5. **When to Submit an Officer Evaluation/Officer Performance Brief.**

3.5.1. For RegAF and ARC officers, see Table 3.2.

3.5.2. For USSF officers, see Table 3.3.

3.5.3. For general officer evaluations (RegAF, ARC, and USSF), see Chapter 7.
3.6. Annual Reports.

3.6.1. (RegAF and ARC only) Officers’ reports will close out on the appropriate SCOD for the officers’ grades. (T-1) For an officer who enters active duty, the first evaluation will be required at the next SCOD for their respective grade, given there are at least 180 days between the EAD and the SCOD. (T-1) For officers who receive an AF Form 475, see paragraph 3.4.10.

3.6.2. (USSF only) Officers’ reports will close out one year from the close-out date of the last evaluation. (T-1) The first evaluation will close out one year minus one day from the extended active duty date. (T-1) For example, if the officer’s extended active duty date is 15 Jun 18, then the close-out date would be 14 Jun 19.

3.7. Change of Reporting Official Reports (including emergencies or no-notice departures).

3.7.1. (RegAF and ARC only) Change of Reporting Official (CRO) reports are not authorized for any grade.

3.7.2. (USSF only) Use the day before the effective date of the change for the close-out date.

3.7.3. (USSF only) When the rater or ratee is pending separation, retirement, or PCS, the close-out date will be 30 calendar days before the projected departure date, unless:

3.7.3.1. (USSF only) The 30-day rule will cause a ratee to be ineligible for an evaluation due to a lack of supervision. (T-1) Then the close-out date must be adjusted to the date on which the rater achieves the required number of days of supervision, but no later than one day before the departure date. (T-1) If the rater does not have the required supervision by the day before the departure date, a report is not required.

3.7.3.2. (USSF only) Approved by the commander, to record significant events. Then adjust the close-out date accordingly. Significant events are things such as DAF or Space Force-level awards or derogatory information resulting in a referral evaluation, not simply additional daily achievements. However, the adjusted close-out date must be before the projected departure date, and this only applies to change of reporting official reports. (T-1)

3.7.4. (USSF only) Change of reporting official evaluations resulting from a ratee’s, or rater’s, deployment are waived provided the ratee has received an evaluation within 180 calendar days of the deployment date and the ratee’s performance is not of a referral nature.

3.8. Directed by HAF, HSF, NGB, or Commander (MAJCOM, FLDCOM, wing, delta, group, or squadron, as appropriate).

3.8.1. Message-Directed. Use the date specified in the message directing the evaluation.

3.8.2. Missing-in-Action/Captured/Detained. Use the date the ratee was placed in missing-in-action, captured, or detained in captive status.

3.8.3. Control Roster Placement. Use one day before being placed on the control roster if the evaluation is directed as a result of placement on the control roster.

3.8.4. Control Roster Removal. Use one day before expiration and/or removal from the control roster if directed as a result of being removed or upon completion of the control roster observation period.
3.8.5. Otherwise Directed. Use the date as otherwise directed by the commander. See Tables 3.2 and 3.3.

3.8.6. (RegAF and ARC only) Directed by Commander (DBC). The close-out date will be established by the unit commander that directed the evaluation. (T-1) DBC evaluations provide flexibility to commanders to document substandard performance between SCODs as an embedded report at the SCODs and will only contain comments and/or ratings regarding the reason(s) for the evaluation. (T-1) All other comments, specifically those that are positive, and promotion recommendations are not authorized and will be documented on the next SCOD evaluation. (T-1)

3.9. 365-day Extended Deployment Officer Evaluations/Officer Performance Briefs. Note: These instructions apply only to members selected to fill an official Extended Deployment requirement. Do not use these instructions for members filling other requirements, even though they may be extended to or beyond 365 calendar days.

3.9.1. (For RegAF and ARC only) A change of reporting official to the deployment location will occur. (T-1) The deployed rating chain will complete evaluations on their ratees at the SCOD if the ratee is assigned to the deployed location as of the established accounting date. (T-1) See paragraph 3.9.4.3. Note: The senior rater matched to the ratee’s home station PAS code must perform senior rater duties for PRFs. (T-1)

3.9.2. Home Station Rating Chain Responsibilities:

3.9.2.1. Prior to Departure:

3.9.2.1.1. (USSF only) If there has been at least 120 calendar days of supervision, the home station CSS/HR specialist will generate a change of reporting official evaluation. (T-1) If there has been less than 120 calendar days of supervision, but it has been more than one year since the member’s last evaluation, only 60 calendar days of supervision will trigger and annual evaluation. (T-1)

3.9.2.1.2. (RegAF and ARC) The home station rater should provide input to the deployed rater on the ratee’s performance at home station during the reporting period prior to the ratee’s departure. The deployed rater may use the information when preparing the annual evaluation, but it is not required.

3.9.2.1.3. If the deployed rater is known prior to departure, the CSS/HR specialist will update the deployed rater. (T-1) When the rater is unknown, use the home station commander as a temporary rater. This will facilitate a direct line of communication between home station and deployed commanders to ensure the rating chain is established. Example: If the data is not updated immediately, a feedback notification will generate within 30 calendar days, and that should remind the commander that the deployed data needs to be updated. (T-1)

3.9.2.2. Upon Arrival in the Area of Responsibility. The home station CSS/HR specialist will coordinate with the deployed PERSCO team and update MilPDS to reflect the member’s deployed duty title and DAFSC or DFSCS effective the date the member arrives in the area of responsibility. (T-1) They will also update the deployed rater if the rater was unknown prior to departure. (T-1)
3.9.2.2.1. **Duty Title Format.** All extended deployment personnel duty titles will be standardized to reflect the extended deployment “duty title/country” assigned. **(T-1)** If space allows, include the unit assigned. **Example:** “Commander, 442 ECS/Iraq” or “Comm Mentor, Geographically Separated Unit/Afghanistan.”

3.9.2.2.2. When determining the deployed rating chain, the rater should be the person who directly supervises the member’s day-to-day activities. The unit that owns the unit line number will determine the rating chain. **(T-3)** Raters may be in any United States or foreign military service or a civilian in a supervisory position and must be in a grade equal to or higher than the ratee. **(T-1)** In accordance with 10 USC § 9013, *Secretary of the Air Force, DAFI 51-509, and Joint Publication 1, Doctrine for the Armed Forces of the United States*, the Secretary of the Air Force (SecAF) is responsible for the administrative control (ADCON) and support of DAF forces assigned or attached to combatant commands. **(T-0)** ADCON is the authority necessary to fulfill SecAF’s statutory responsibilities for administration and support. In joint environments, an Air Force or Space Force unit will be designated to have ADCON responsibilities over Airmen and Guardians. **(T-1)** ADCON responsibility does not necessarily extend to writing the evaluations on those attached to the Air Force or Space Force unit for ADCON purposes.

3.9.2.3. **(USSF only) Upon Return from the Area of Responsibility.** The home station senior rater/commander will continue to complete the commander’s review/reviewer’s (senior rater) portion of all evaluations, including those completed by the deployed rating chain. **(T-1)**

3.9.2.4. Senior Rater Responsibilities. Home station senior raters will prepare a PRF for promotion-eligible officers (officers will be on the home station senior rater’s master eligibility list [MEL] and [RegAF only] will meet respective MLR). **(T-1)**

3.9.2.5. Interrogators Training Report (TR). Officers who attend the Interrogator training program will receive a TR upon graduation from the course. **(T-1)** The 314 TRS/CC will sign all TRs. **(T-1)** These TRs (officer and enlisted) will be updated in MilPDS. **(T-1)** The start date will be based upon the previous evaluation close-out date, and the end date will be based upon the graduation date. **(T-1)**

3.9.3. PERSCO Team Responsibilities. The owning PERSCO team will be responsible for tracking the evaluations on all deployed personnel filling extended deployment billets. **(T-1)**

3.9.4. Deployed Rating Chain Responsibilities.

3.9.4.1. MilPDS Updates. Ensure the home station has updated MilPDS to reflect DAFSC or DSFSC, duty title and deployed rater.

3.9.4.2. Performance Feedback. Perform initial and mid-term feedback in accordance with Chapter 2.

3.9.4.3. Evaluations. The deployed rater (and subsequent evaluator[s]) will render an evaluation on an officer, under the following circumstances:

3.9.4.3.1. **(RegAF and ARC only)** On the ratee’s established SCOD if the member is assigned to the deployed location as of the SCOD accounting date. See **paragraph 1.4.8.1.**
3.9.4.3.2. **(AFR only)** Raters will submit biennial evaluations at the appropriate SCOD if two years have passed since the close-out date of the last evaluation (see Table 3.2).

3.9.4.3.3. **(USSF only)** If an annual evaluation becomes due while deployed and the deployed rater has had at least 120 calendar days of supervision. **(T-1)** If the deployed rater has not had 120 calendar days of supervision, the close-out date will be extended out to where there will be 120 calendar days of supervision. **(T-1)** If an annual evaluation was accomplished earlier in the deployment, and there has been at least 60 calendar days but less than 120 calendar days of supervision by the time the member departs, an informal Letter of Evaluation will be prepared. **(T-1)** Home station and deployed commanders will ensure a direct line of communication to the deployed rating chain is established to preclude evaluations not being completed at the deployed location. **(T-1)**

3.9.4.3.4. **(USSF only)** If the deployed rater changes after 120 calendar days of supervision, a change of reporting official evaluation must be completed. **(T-1) Note:** Multiple evaluations may result and are authorized under these circumstances.

3.9.4.3.5. **(USSF only)** If the ratee is returned early or the deployed rater changes prior to completing 120 calendar days of supervision, an informal LOE is required. 60 calendar days minimum of supervision is required. **(T-1)**

3.9.4.3.6. **(USSF only)** If the individual is an officer filling a commander’s billet, an officer evaluation versus the formal deployed commander LOE will be required. **(T-1)**

3.9.4.3.7. ANG and AFR officers ordered to extended active duty under 10 U.S.C. § 12304 (other than during war or national emergency) or under 10 U.S.C. § 12302, continue to receive officer evaluations according to Table 3.2 and Table 3.6. Officers ordered to extended active duty under 10 U.S.C. § 12301(a) (war or national emergency) receive evaluations under the RegAF list provisions in this instruction.

3.9.4.4. **Evaluation Form.** For instructions on completing the AF Form 707, see Table 3.1 or officer ALQ evaluation, see Table 3.6.

3.9.4.4.1. **(RegAF and ARC only)** The deployed rating chain is responsible for completing the evaluation, to include the deployed HLR.

3.9.4.4.2. **(USSF only)** The deployed rating chain is responsible for completing the evaluation through the additional rater. Provide recommended comments for the reviewer when applicable.

3.9.4.4.3. **(USSF only)** Forward the evaluation to the home station rating chain for completion.

3.9.4.5. **(USSF only)** Two General Officers in Rating Chain. Currently paragraph 1.4.12.3.4.1 prohibits multiple general officers from serving as evaluators on performance evaluations. See paragraph 1.7.1.7 for exceptions.

3.9.4.5.1. Deployed General Officer Raters. Evaluation will qualify for a single evaluator, and no additional rater or HLR will be required. **(T-1) (USSF only)** Complete rater block and forward evaluation to the home station senior rater.
3.9.4.5.2. (USSF Only) Home Station Rating Chain. If one of the following situations apply, enter the applicable mandatory statement in the feedback comment section of the evaluation.

3.9.4.5.2.1. (USSF only) Evaluations signed by a deployed general officer and the home station senior rater is a general officer. See paragraph 1.7.1.7.

3.9.4.5.2.2. (USSF only) Evaluations signed by a deployed officer who outranks the home station senior rater. See paragraph 1.7.1.6.

3.9.4.5.3. (USSF only) Deployed General Officer Additional Raters.

3.9.4.5.3.1. Provide recommended comments for the reviewer (senior rater) when applicable.

3.9.4.5.3.2. Complete the additional rater block and forward to the home station senior rater/unit commander.

3.9.5. Evaluations rendered in the combat zone or at noncombat ports and MPFs. All provisions of this instruction remain in effect, except:

3.9.5.1. (USSF only) Authorities waive change of reporting official evaluations resulting from the deployment to the combat zone, provided the ratee has received an evaluation within 180 calendar days of the deployment date and the ratee’s performance meets minimum standards.

3.9.5.2. (USSF only) For ratees not meeting minimum standards, prepare a referral evaluation and process it according to paragraph 1.10.

3.9.6.1. Minimum grade requirements for senior raters, reviewers, and HLRs remain unchanged. See paragraph 1.5.

3.9.6.2. Rater. See paragraph 1.5. The rater cannot be substituted for any reason other than those outlined in paragraph 1.7.

3.9.6.3. (RegAF and ARC only) Higher Level Reviewer. The HLR for members on 365-day deployments will be deployed HLRs who meet criteria in paragraph 1.5.2.5. (T-1) Air Expeditionary Wing commanders in 365-day extended deployment status are authorized as HLRs for officers on 365-day extended deployments to the respective AEW. (T-1)

3.9.6.4. Single Evaluator.

3.9.6.4.1. (RegAF and ARC only) Air Expeditionary Wing commanders/equivalents in 365-day extended deployment status are authorized as single evaluators if they are the primary rater and HLR. If a rater meets the HLR requirements in paragraph 3.9.6.3, but is not an AEW/CC, the rater’s rater must be the HLR. (T-1)

3.9.6.4.2. (USSF only) If the rater is also the reviewer, leave Section V, Additional Rater’s Overall Assessment, blank and include the following statement in Section VI, Reviewer’s comments block: “THE RATER IS ALSO THE REVIEWER.” The rater digitally signs the rater, additional rater, and reviewer blocks (signature elements are optional). If the officer evaluation additional rater is also the reviewer, enter the
additional rater’s comments in Section V, Additional Rater Overall Assessment, and include the following statement in Section VI, Reviewer’s comments block: “THE ADDITIONAL RATER IS ALSO THE REVIEWER.” The additional rater signs both the additional rater and reviewer block.

3.9.6.5. **(USSF only) “In-place” Additional Rater.**

3.9.6.5.1. Commanders may authorize the next evaluator in the rating chain (the additional rater’s rater) or “in-place” additional rater to assume the responsibilities of the additional rater when the additional rater is unable to perform evaluator duties due to deployment. When this occurs, Section V must include a statement explaining why the original additional rater did not prepare the evaluation (Example: additional rater deployed as of close-out date). **(T-1)** Note: The “in-place” additional rater is defined as the person responsible for the original additional rater’s normal day-to-day duties. To endorse the evaluation, this individual must still meet additional rater grade requirements as defined in paragraph 1.5.2.2. **(T-1)**

3.9.6.5.2. When the squadron or group commander is deployed and is the additional rater or completes the commander review, the temporary commander (on G-series orders) may serve as the additional rater or complete the commander review. An officer cannot serve as an "acting commander" and/or be identified or described as an "acting commander" on an evaluation. Either the officer is a commander on G-Series orders, or the officer is not a commander (whether by title or description). In order to document an officer filling the position in the commander's absence, use examples such as "served as commander for three separate weeks" or "assumed commander duties for 6 months" or "filled in as commander five separate weeks.”

3.9.6.6. **(USSF only)** For deployed Senior Raters. Vice wing or vice delta commanders may assume the responsibilities of a deployed senior rater/wing/delta commander for Officer Evaluation System forms only when placed on G-series orders and designated by the management level as the senior rater.

3.9.6.7. Comments are mandatory when there is significant disagreement with the previous evaluator. Evaluators must make specific comments to justify referral ratings.

3.9.7. Referral Evaluation Procedures. Use referral procedures in paragraph 1.10. When the ratee is deployed in support of a contingency operation, ratee comments on the referral evaluation must reach the next evaluator no later than 30 calendar days after receipt of the referral letter. **(T-1)** Type, handwrite, or print referral correspondence in dark blue or black ink.

3.9.8.1. Performance evaluations are due to the servicing MPF or personnel activity 30 calendar days after close-out, and to the office of record 60 calendar days after close-out.

3.9.8.2. Forward evaluations directed under Table 3.2. or Table 3.3 to arrive at HQ AFPC or HQ ARPC (as appropriate) by the suspense date provided in the directing letter.

3.9.8.3. Forward evaluations in a sealed envelope clearly marked, OFFICER PERFORMANCE EVALUATION DATA--TO BE OPENED BY ADDRESSEE ONLY.
3.9.8.4. Alternate Routing Procedures. Some crisis conditions may result in temporary changes to routing procedures. If this occurs, units will receive specific instructions. (T-1)

3.9.9. Quality Control Review. Quality control of the appearance of performance evaluations may relax, but the content and data contained must be accurate. (T-1) Evaluations prepared under wartime provisions may be handwritten.

3.10. “FROM” Dates. Use the “FROM” date on the evaluation notice, but if different or incorrect, use the information below to establish the “FROM” date. If the officer is:

3.10.1. On extended active duty, and it is the first evaluation: use the extended active duty date; or the day following the close-out date of a TR from a school that is 20 weeks or more.

3.10.2. An ANG officer not on extended active duty and it is an initial evaluation: use the effective date of federal recognition in ANG or the day following the close-out of a TR from a school of 20 weeks or more. **Note:** Use DAF Form 77 to cover any gap from the officer’s entry into non-extended active duty status to the “FROM” date of the first evaluation received in non-extended active duty status in accordance with paragraph 1.14 and DAFI 36-2608, *Military Personnel Records System*.

3.10.3. An ANG officer not on extended active duty and was assigned to an ANG unit from ARPC, use the date of the latest federal recognition. Complete an DAF Form 77 to cover a gap caused by insufficient supervision in accordance with paragraph 1.14 and DAFI 36-2608.

3.10.4. For an ANG officer not on extended active duty and was assigned to an ANG unit from another state: use the date of the latest federal recognition (the losing state will complete an DAF Form 77 to cover a gap caused by insufficient supervision in accordance with paragraph 1.14 and DAFI 36-2608).

3.10.5. An AFR officer not on extended active duty and it is an initial evaluation, or the officer has been reassigned from the IRR: use the date of assignment.

3.10.6. An AFR officer not on extended active duty but previously on extended active duty and concurrently assigned to training category A, B, or E on release from active duty: use the day following the close-out of the last evaluation received while on extended active duty. (Applies only to the first non-extended active duty-status evaluation.)

3.10.7. An AFR officer not on extended active duty but previously on active duty as RegAF and did not accept an AFR commission concurrently with release from active duty: use the effective date of appointment in non-extended active duty status. (Applies only to the first non-extended active duty-status evaluation.) Use DAF Form 77 to cover any gap from the officer’s entry into non-extended active duty status to the “FROM” date of the first evaluation received in non-extended active duty status in accordance with paragraph 1.14 and DAFI 36-2608.

3.10.8. (RegAF and ARC only) If an officer received a TR for a school that is 20 weeks or more, use the day following the close-out day of the TR. This may result in an evaluation over 12 months.
3.11. “THRU” Dates.

3.11.1. (RegAF and ANG only) The “THRU” date will be the appropriate SCOD unless the reason for the report falls under paragraph 3.8. (T-1)

3.11.2. (AFR only) The “THRU” date for an annual report will be the appropriate SCOD as long as the member earns at least 16 points. (T-1) If the officer does not earn 16 points by the SCOD, submit an administrative LOE for a gap report.

3.11.3. (USSF only) Never close out an evaluation on or after the actual departure, retirement, or separation date of the rater or ratee. If a departure, separation, or retirement date changes after establishment of the “THRU” date of evaluation, it is not necessary to adjust the close-out date if it is no more than 30 calendar days before the actual departure date. Evaluations prepared and made a matter of record under the change of reporting official rule remain valid even if the condition is later canceled.

3.12. Number of Days of Supervision.

3.12.1. Enter the number of days the rater supervised the ratee during the reporting period. To compute, use the “supervision began date” through the “close-out date” to determine the number of days of supervision.

3.12.2. Deduct the number of days during non-rated periods authorized in accordance with paragraph 1.4.11. Do not deduct any periods of leave, TDY, absences or periods loaned out to other organizations unless they occur during an unauthorized non-rated period.

3.12.3. If, while on extended active duty an officer evaluation is being written by the rater’s rater per paragraph 1.7, then enter the number of days that the evaluator had personal or written knowledge of the ratee’s duty performance during the reporting period.

3.12.4. If a non-extended active duty ANG officer’s ALQ evaluation is being written by another rater per paragraph 1.7, then enter the number of days the evaluator had personal or written knowledge of the ratee’s duty performance during the reporting period. The number of days of supervision for a ratee assigned to a rater for a calendar year is 365, not the sum of unit training assembly and field training days.

3.12.5. If a non-extended active duty AFR officer, then enter the number of days of supervision under the rater during the reporting period. Deduct from the period of supervision tours of active duty under other than the designated rater for which there is a LOE. Example: If preparing an officer ALQ evaluation to cover the period from 1 July to 31 December and the rater was first so designated on 1 September and served in this capacity without a break to 31 December, and the ratee reported for training and duty for a total of 27 days between 1 September and 31 December, then the period of supervision is 122 days, not 27 days. The rater is responsible for the accuracy of the number of days of supervision entry.
3.13. **Performance Feedback Assessment.**

3.13.1. Performance feedback assessments will be accomplished in accordance with *Chapter 2*.

3.13.2. The rater certifies the performance feedback assessment in myEval (RegAF and ARC) by acknowledging whether feedback was conducted, or in Section III of the AF Form 707 (USSF) by entering the date the performance feedback assessment was provided during the rating period. This includes the midterm feedback, or any subsequent feedback sessions requested by the ratee. If the performance feedback assessment was not accomplished, an explanation must be provided in myEval (RegAF and ARC) or on the AF Form 707 (USSF).

3.14. **Reviewer/Higher Level Reviewer.**

3.14.1. The reviewer/HLR is the highest-level endorser in the ratee's rating chain. For USSF, the senior rater must be in the grade of at least a colonel or civilian equivalent (GS-15/NH-IV) or higher, serving as a wing/delta commander or equivalent and designated by the management level. For RegAF and ARC, see paragraph 1.5.2.5 for HLR requirements. For USSF, see paragraph 1.5.2.6 for reviewer requirements.

3.14.2. The reviewer/HLR will concur or non-concur by making the appropriate selection. See paragraph 1.9 for disagreements.

3.14.3. **(USSF only)** The reviewer may comment only under the following circumstances:

3.14.3.1. If the reviewer disagrees with the evaluation. The rater and additional rater are first given an opportunity to change the evaluation; however, they will not change their evaluation just to satisfy the reviewer. If the evaluation remains unchanged and the reviewer still disagrees, the reviewer marks the non-concur block and provides rationale in the space provided. A DAF Form 77 can be added if additional space is required. See paragraph 1.9.

3.14.3.2. If the evaluation is a referral, and the reviewer is the evaluator named in Section XI of the AF Form 707, or the reviewer refers the evaluation. See paragraph 1.10.

3.14.3.3. If the ratee is a colonel or colonel select. When the reviewer is not also the rater or additional rater, they may make, if desired and appropriate, command and/or assignment recommendations in Section VI, Reviewer’s Comments Block, without non-concurring with the evaluation. Promotion recommendations and other comments are not allowed.

3.14.3.4. If the reviewer is also the rater or additional rater. See paragraph 3.9.6.3, mandatory comments.

3.14.4. **Single Evaluator only.**

3.14.4.1. **(RegAF and ARC officer)** Only officers who are designated as a senior rater by the management level may serve as both the rater and the HLR. If the primary rater meets HLR requirements but is not a senior rater, the next rater up the rating chain must be the HLR. *(T-1)*

3.14.4.2. **(USSF only)** An evaluator must be a colonel or GS-15/NH-IV (or equivalent). If the rater is a senior rater, the evaluation must close-out at this level unless it is a referral evaluation. The evaluator must meet both grade requirements and evaluator requirements for each section of the applicable evaluation form.
3.15. **Stratifications.** Stratifications serve to provide clear feedback to ratees on their overall performance in relation to a relevant peer group with similar knowledge, skills, experience, and scope of work and responsibility, and to document that performance assessment for future unit-level and enterprise-level talent management decisions (e.g., special application boards, hiring authorities, assignment and development teams, promotion boards).

3.15.1. Stratification Accountability. It is the responsibility of evaluators at all levels to maintain integrity and keep intact the purpose, clarity, and validity of officer stratifications. (USSF only) Evaluators should only use stratification numerators approximately once per 12-month period. Stratification denominators will fluctuate with manning changes. Evaluators using the same stratification statements (e.g., numerator, authorized peer group) for different officers within a 6-12 month period should be rare and only done under exceptional circumstances.

3.15.2. Statements outside the Scope of Responsibility. Stratification and broad statements outside the scope of the evaluator’s responsibility or knowledge are prohibited. (T-1) A broad statement is one which implies knowledge of Air Force or Space Force members not in the everyday chain of accountability, both mission and personal. Evaluators can only stratify personnel within the confines of their direct rating chain and/or scope of rating responsibility (e.g., within the SRID; AEW/CCs without a SRID may still stratify within their entire wing). As an example of inappropriate and prohibited scope, an evaluator may not include in their stratification pools (denominators) personnel who provide mission support via a cross-functional team, or are on temporary duty status supporting a mission, but are permanently assigned to another unit (PASCODE) since these personnel do not officially report in the evaluator’s chain. Exception: Personnel deployed in designated 365-day extended deployment billets as of the SCOD accounting date will be included in their deployed rating chain’s stratification pool; these members will not be included in their home unit’s stratification pool since the deployed unit is completing their evaluation.

3.15.3. Stratification statements, when authorized, are not mandatory and are limited to the scope of the rating period (start date to end date). Accordingly, evaluators may review past evaluations; however, evaluators may not reference past evaluations in any way, and also may not use past evaluations as context or determinant for any current rating period stratification(s) or content in performance statements or HLR/reviewer comments. The omission of stratifications does not constitute an error or injustice. Note: An evaluator may remove or change a stratification at any point during the process of an evaluation.

3.15.4. (RegAF and ARC only) Stratification statements are only authorized within the designated stratification sections in myEval and the AF Form 715 (use of this form is only allowable when authorized by waiver as provided at paragraph 1.13.4. (T-1) Evaluators are prohibited from placing any form of stratification statement(s) in either an ALQ performance statement section or HLR assessment comment section, to include stratifications from other evaluators (e.g., deployed stratifications) and veiled stratifications (see paragraph 3.15.6.2). (T-1) Stratifications and all deployed/TDY performance is authorized for the evaluator consideration in overall assessment and home station stratification. Stratifications provided on an AF Form 77, may be used by the rater for consideration when completing the ALQ evaluation, but may not be quoted or otherwise included.
3.15.5. **(RegAF and ARC only)** Single Evaluator Stratifications. Raters serving as a single evaluator are prohibited from entering a stratification in the rater’s stratification block and must select “This Section Not Used.” Authorized stratifications may be entered in the HLR’s stratification block of the officer evaluation and must comply with paragraph 3.15.7.4. (T-1)

3.15.6. Unauthorized Stratifications.

3.15.6.1. Company Grade Officers (CGOs) and/or Field Grade Officers (FGOs) are not authorized peer groups for primary or secondary stratification purposes. (T-1)

3.15.6.2. Veiled stratifications are not authorized. These are statements which imply a stratification but do not conform to the guidance within paragraphs 3.15 and 3.16 (e.g. “#1 CAG Advisor…” This is an inappropriate evaluator comment because it is a veiled stratification with no denominator).

3.15.6.3. Stratification statements based on awards are not authorized, as awards are recognition based on a given set of criteria (e.g., “#1/50 as Sq CGO of the Quarter” is prohibited). (T-1)

3.15.6.4. Stratification statements for second lieutenants (O-1s) are prohibited. (T-1)

While this quantitative comparison against a peer group is prohibited, evaluators should provide these officers with clear feedback regarding their performance in relation to Air Force or Space Force standards and (RegAF and ARC only) major performance areas (i.e., executing the mission, leading people, managing resources, improving the unit).

3.15.6.5. **(AFR Only)** It is strictly prohibited to place a stratification referencing a member’s placement on a key personnel list and other Development Team vectors on an evaluation.

3.15.6.6. Promotion “Selects.” (RegAF and AFR only) A primary stratification is not authorized for officers on a promotion select list. Officers on a promotion select list may be considered in denominator pools for grade stratifications on the SCOD of the lower (current) grade. See the exception at paragraph 3.15.7.3.1. (T-1) (ANG only) Officers on a promotion select list will be stratified against other officers in their current grade (e.g., a lieutenant colonel select will be stratified against all other majors). (T-1) (USSF only)

Once a USSF officer is selected for promotion, they will only be stratified against others selected for promotion to the same grade (e.g., a major select will only be stratified against other major selects). (T-1)

3.15.6.7. Stratification Quotes. The use of stratification statements from anyone other than the evaluator is prohibited, unless (RegAF and ARC only) they are between the rater and the HLR in the rating scope of responsibility (e.g., a wing commander may not quote a NAF commander’s stratification; however, a wing commander may quote a group commander’s stratification if the group commander is not the rater). (T-1) **USSF Exceptions:** (1) Senior rater/senior leader stratification may be quoted if they are a signatory on the officer evaluation and do not have a requirement to provide comments (e.g., reviewer), (2) an evaluator (must be a signatory) may stratify at a level below, as long as it is within their scope of rating responsibility, (3) stratification from a deployed wing or delta commander/equivalent or higher level evaluator who is not a signatory on the evaluation and the evaluation is signed by the deployed rater, additional rater, and home station senior rater is authorized, and (4), optional deployed LOE stratifications may be
quoted in future evaluations as long as stratification meets the criteria described in this guidance and is not previously documented in the permanent record.

3.15.6.8. When stratifying officers on officer evaluations, evaluators will not consider completion/non-completion of non-resident developmental education or officer professional military education (OPME) if the officer is on the school select list or select/candidate status (because the ratee will attend in-residence). Relative ranking among officers rated by the rating chain should be based on overall performance. This paragraph does not preclude raters from making appropriate assignment and developmental education or OPME recommendations on officer evaluations and retention recommendation forms. See paragraph 3.16.3.

3.15.7. Authorized Stratifications. When used, stratification statements must be written in whole number quantitative terms (numerator over denominator) based on authorized peer groups and must remain within the evaluator’s scope of authority. (T-1) Use of percentages in the numerator are prohibited (e.g., cannot use “Top 5%/50”). Note: Stratification of officers between components (RegAF, Reserve, Guard) is authorized within an evaluator’s scope of authority as long as the stratification is within an authorized peer group. Authorized peer groups are limited to the following categories (See Table 3.7.):

3.15.7.1. Primary Stratification. Evaluators may stratify officers by grade. Grade stratifications will only include officers in the same grade (e.g., first lieutenants, captains, majors, lieutenant colonels, and colonels). (T-1) Do not stratify officers against civilian grades or include civilian “equivalents” in the denominator pool. (T-1) Primary stratifications must include all military officers in that grade under the evaluator’s scope of rating responsibility and may not include officers who are assigned within another HLR’s (USAF) or reviewer’s (USSF) scope of rating responsibility.

3.15.7.1.1. United States Air Force or United States Space Force Officers. The primary stratification for an officer assigned to a position in which only USAF or only USSF officers are within an evaluator’s scope of rating authority will simply have the grade as the descriptor (e.g., “#2/25 Lt Cols”). (T-1)

3.15.7.1.2. DAF Officers. The primary stratification for an officer assigned to a unit in which both, and only, USAF and USSF officers of the same grade are within an evaluator’s scope of rating authority must have “DAF” with the grade as the descriptor (e.g., “#1/7 DAF Lt Cols”). (T-1) “Joint” as a stratification category is not authorized among only USAF and USSF officers. (T-1)

3.15.7.1.3. Joint Officers. The primary stratification for an officer permanently assigned to a position on a joint manning document in which at least one other non-DAF officer is within an evaluator’s scope of rating authority must have “Joint” with the grade as the descriptor (e.g., “#1/5 Joint Majs”). (T-1) Raters with USAF officers and other sister service officers in the same grade, except those from USSF, are not authorized to use any other stratification category than “Joint” as a primary stratification (e.g., not authorized to state, “#1/4 USAF Lt Cols” to stratify just Air Force), or to specify specific services (e.g., not authorized to state, “#1/6 USAF/DA Lt Cols” to stratify just Air Force and Army, or “#2/5 USAF/USMC Majs” to stratify just Air Force and Marines) even if there is only one other sister service represented in addition to the USAF officers. Similarly, raters with USSF officers and other sister
service officers in the same grade, except those from USAF, are not authorized to use any other stratification category than “Joint,” as a primary stratification (e.g., not authorized to state, “#1/4 USSF Lt Cols” to stratify just Space Force), or to specify specific services (e.g., not authorized to state “#1/6 USSF/DA Lt Cols” to stratify just Space Force and Army, or “#2/5 USSF/USMC Majs” to stratify just Space Force and Marines) even if there is only one other sister service represented in addition to the USSF officers.

3.15.7.1.4. Service Component. The primary stratification for officers may have service component (RegAF, Reserve, Guard) with the grade as a descriptor and must be within the evaluator’s scope of authority (e.g., “#1/4 ANG Majs”).

3.15.7.1.5. Reserve Participation Category. The primary stratification for reserve officers may have a Reserve Participation category (i.e., IMA, AGR, VLPAD, LEAD, or EAD) with the grade as a descriptor and must be within the evaluator’s scope of authority (e.g., “#1/6 IMA O-6s”; “#2/25 VLPAD Majs”). (T-1) Evaluators are prohibited from stratifying using the participation category of ART, as these officers are considered Traditional Reservists when evaluating their officer performance. (T-1)

3.15.7.1.6. (RegAF and USSF only) Frocked Officers. Frocked or temporarily promoted officers will be stratified amongst the officers in the grade they have been frocked or temporarily promoted to (e.g., a major that has been temporarily promoted to lieutenant colonel will only be stratified amongst other lieutenant colonels; a lieutenant colonel frocked to colonel will only be stratified against other colonels). (T-1)

3.15.7.2. Secondary Stratification. In order to use a secondary stratification, the officer must first earn a primary stratification in accordance with paragraph 3.15.7.1 on their evaluation to ground the secondary stratification statement and communicate the clearest depiction of where an officer stands for all future evaluation readers. Tertiary stratifications and beyond are not authorized. An evaluator may use one of the following peer groups as a secondary stratification:

3.15.7.2.1. Developmental Category. This refers to the officer’s developmental category for promotion. Raters may use a developmental category stratification as a secondary stratification to any primary grade stratification and must be used among officers in the same grade (e.g., “#3/17 Capts, 1/12 LAF-C Capts;” “#5/16 Majs; #2/8 NC Majs;” “ #2/25 Lt Cols, #1/10 LSF-O Lt Cols”). Exception: Developmental category stratifications are not authorized for USSF colonels.

3.15.7.2.2. United States Air Force Grade or United States Space Force Grade. Raters may use a USAF or USSF grade stratification as a secondary stratification to a Joint or DAF primary stratification and must be used among officers in the same grade (e.g., "#2/14 Joint Majs, #1/6 USAF Majs;" or "#3/16 DAF Lt Cols, #1/4 USSF Lt Cols").

3.15.7.2.3. (RegAF and ARC only) Subordinate Echelon Grade. This refers to an officer’s standing at established echelons (unit levels) organizationally subordinate to the HLR, but organizationally senior to the rater within the HLR’s SRID, when the subordinate echelon is not a signatory on the evaluation. Use of this a subordinate echelon stratification is limited to grade within the subordinate echelon. As an
example, a wing commander may elect to stratify an officer amongst their peers in a group subordinate to the wing (e.g., “#16/50 Majs, #4/22 MDG Majs;” “#23/90 Majs, #6/25 WSA Majs”). (T-1)

3.15.7.2.4. Duty Position. This refers to the officer’s duty position type, level, and scope of responsibility (e.g., commander, wing commander, section chiefs, flight commanders, operations officers, branch chiefs, action officers, analysts, instructors, combat systems officers, etc.). Officers may be stratified against civilian personnel in equivalent duty positions (e.g., “#1/1 Capts, #1/40 Analysts;” “#2/6 Majs, #3/41 Flt CCs”). Duty position stratifications by grade are not authorized (e.g., “#5/40 Majs, #1/20 Maj Flight Commanders”), except for command position stratifications. Command position stratifications by grade are authorized, if desired (e.g., “#4/35 Majs, #2/6 Maj Sq/CCs;” “#3/60 Lt/Cols, #1/3 Lt Col Sq/CCs”). “Non-” duty position stratifications and overly broad categorizations that obscure the differences in grade and duty positions inherent within the stratification are not authorized (e.g., “#15/60, #1/6 non-command Lt Cols;” “#20/90 Majs, #1/136 officers”). (T-1)

3.15.7.2.5. Air Force Reserve or Air National Guard Components. Raters may use AFR or ANG grade as a secondary stratification to an authorized primary grade stratification within an evaluator’s scope of authority and must be used among officers in the same grade (e.g., #23/118 Lt Cols; #1/8 ANG Lt Cols). Raters may also use AFR or ANG as a descriptor to a secondary stratification within an evaluator’s scope of authority as long as the stratification is within an authorized peer group and must be used among officers in the same grade (e.g., “#3/7 Majs; #1/3 AFR Analysts”).

3.15.7.3. (RegAF and AFR only) Authorized Exception to Primary and Secondary Stratifications for Promotion “Selects.” Officers on a promotion select list may be stratified using the secondary duty position stratification only without first using a primary stratification without grade or select grade reference (e.g., “#1/8 Branch Chiefs;” “#3/7 Sq/CCs). Promotion “selects” may be considered in denominator pools for grade stratifications on the SCOD of the lower (current) grade.

3.15.7.4. (RegAF and ARC only) Exceptions for Higher Level Reviewer Stratifications.

3.15.7.4.1. (RegAF and ARC only) HLR Stratification Scoping. The primary and secondary stratification denominators for the HLR may not exceed the number of evaluations signed by the HLR on that specific SCOD; however, if an HLR chooses to include promotion selects to the next higher grade within their stratification pool for the lower grade, their denominator may exceed the number of evaluations they sign for that specific SCOD by the number added by the inclusion of promotion selects. Neither primary nor secondary stratification denominators shall include all officers within an HLR’s scope of responsibility unless the HLR is a signatory on the evaluations of all officers within that scope. HLRs can only stratify personnel within the confines of their scope of responsibility (e.g., SRID). Exception: For HLRs also evaluating non-USAF officers (e.g., USSF, or any Joint officers), the HLR’s primary and secondary stratification denominators may exceed the number of USAF officers at the SCOD but still may not exceed the number of evaluations signed by the HLR for all their officers of the same grade during their annual evaluation cycle.
3.15.7.4.2. (RegAF and ARC Only) When Ratee is Same Grade as Rater. When the ratee is the same grade as the rater, the HLR has the option to stratify the ratee using the secondary duty position stratification only, without first using a primary stratification. This option offers some discretion to HLRs assessing performance of all officers in a grade at the same time, particularly when a peer group includes officers with varying scopes of responsibility (e.g., when a squadron commander and director of operations (DO) are the same grade, the HLR has the option to stratify the ratee as “#1/6 DOs” without using a primary stratification). (T-1)

3.16. Unauthorized Evaluator Considerations and Comments. Certain items are prohibited for consideration in the performance evaluation process and will not be commented upon on any Officer Evaluation System form (see Chapter 8 for RegAF and ARC members and Chapter 11 for USSF members for the PRF). Refer to 3.15.6 for unauthorized stratifications. Except as authorized in the following paragraphs, do not consider, refer to, or include comments regarding:

3.16.1. Promotion statements or reference to grades and/or positions higher than the ratee holds are prohibited.

3.16.1.1. Promotion statements that are pushes to the next higher grade are prohibited. Exception: Statements of fact (e.g., "filled a Lt Col billet") are authorized if the ratee was assigned to the UMD position. Additionally, while promotion statements are prohibited, an evaluator may make recommendations to select officers for a particular assignment, developmental education, augmentation, continuation, or conditional reserve status.

3.16.1.2. Any reference, direct or indirect, to an officer’s order of merit, line number, position sequence, etc. on any boarded selection is unauthorized. Exception: Statements acknowledging an officer’s selection for promotion during the reporting period are acceptable.

3.16.1.3. The term “Senior” on officer evaluations is prohibited. This term is commonly understood as a euphemism for colonels and above, or to refer to members holding a higher grade than the ratee, and therefore constitutes an implied promotions statement and is prohibited in officer evaluations. Exception: (RegAF and ARC only) On PRFs for lieutenant colonels being promoted to colonel, the term “Senior” may be used.

3.16.1.4. Referring to a major as the “Senior Chaplain” is authorized; however, referring to a major as “Performing senior leadership duties” is prohibited.

3.16.2. Comments on officer evaluations regarding completion of, or enrollment in, Developmental Education (DE)/OPME (in residence or non-residence) and Advanced Academic Degree (AAD) education are prohibited.

3.16.2.1. Performance and special recognition comments on officers attending in-residence education and/or training will be documented appropriately on the AF Form 475 (see Chapter 6). Exception: When preparing officer evaluations and PRFs (RegAF and ARC only), evaluators may comment on Air War College non-residential program Outstanding Graduates; unlike resident students, non-resident students do not receive a training report to document this achievement.

3.16.2.2. For officer evaluations only: Evaluators may comment on an officer’s competitive assignment selection to programs that fall outside of the Developmental
Education Designation Board (DEDB) (RegAF and ARC officers) or the USSF ILE & SLE Board (USSF officers), to include but not limited to Olmstead, Fulbright, Rhodes, School of Advanced Air and Space Studies, and the School of Advanced Warfighting Studies.

3.16.2.3. Evaluators will not comment on an officer’s status on the school’s list, selection for DE/OPME, and/or specific schools (e.g., ACSC, AWC, Joint) but will limit their remarks to “PDE”, “IDE”, or “SDE” only (RegAF and ARC officers) and “PLE,” “iLE,” or “SLE” (for USSF officers). Note: An assignment recommendation for Air Force Institute of Technology Master’s or Doctoral degree program is authorized.

3.16.3. Assignment and DE/OPME Recommendations. Assignment and developmental DE/OPME recommendations on officer evaluations that are inconsistent with an officer’s current grade are prohibited. The intent and philosophy of the Officer Evaluation System is to recommend an officer for assignments or positions and resident level of developmental education/OPME that reflect the ratee’s potential.

3.16.3.1. There is a fine line between an assignment recommendation and an overt, implied, or veiled promotion statement. When making an assignment recommendation on an officer evaluation, there will be no reference to a higher grade, and it must be consistent with the officer’s appropriate progression of their professional development.

3.16.3.2. Evaluators may make one or more assignment recommendations in an officer’s evaluation provided the recommendations are both appropriate and realistically achievable for the officer’s current grade or current grade plus one. The assignment recommendation may involve the current grade plus one if the officer has completed or is currently completing the last reasonable career development for the current grade. Example: “Highly recommend for Air Force Institute of Technology—then Joint Duty.” Note: Air Force Institute of Technology can be used for an assignment push, however, it cannot be used as a developmental education/OPME push.

3.16.3.3. The intent is to focus on what job or DE/OPME assignment the officer should be doing immediately after their current assignment. Anything beyond the next assignment would be mapping out a career or making an implied promotion statement. Both instances are contrary to the spirit and intent of the Officer Evaluation System.

3.16.3.4. In addition to assignment recommendations, evaluators may also make recommendations for the appropriate level of in-residence developmental education/OPME on officer evaluations and LOEs. DE/OPME pushes are not authorized on training reports.

3.16.3.4.1. Evaluators determine the appropriate level recommendation by considering the highest level of in-residence DE/OPME the officer has already completed along with the eligibility criteria for each level of in-residence DE/OPME. (Squadron Officer School is the appropriate level of primary developmental education (PDE) for Air Force officers and primary level education (PLE) for Space Force officers).

3.16.3.4.2. For Air Force lieutenant through captain, a PDE recommendation is appropriate until the officer has completed PDE in-residence. For Space Force lieutenants through captain, a PLE recommendation is appropriate until the officer has completed PLE in-residence.
3.16.3.4.3. For an Air Force captain, once the officer completes PDE, an intermediate developmental education (IDE) recommendation is appropriate. For a Space Force captain, once the officer completes PLE, an Intermediate Level Education (ILE) recommendation is appropriate.

3.16.3.4.4. For an Air Force major, if as of the close-out date of the evaluation, the officer has not already completed IDE in-residence and is still eligible for consideration, an IDE recommendation is appropriate. However, once the major completes IDE in-residence or when the officer is no longer eligible for consideration, then a senior developmental education (SDE) recommendation is appropriate. For a Space Force major, if as of the close-out date of the evaluation, the officer has not already completed ILE in-residence and is still eligible for consideration, an ILE recommendation is appropriate. However, once the major completes ILE in-residence or when the officer is no longer eligible for consideration, then a senior level education (SLE) recommendation is appropriate.

3.16.3.4.5. Raters cannot recommend officers for specific schools, including “Joint DE.” Only the terms “PDE,” “IDE,” and “SDE” for Air Force officers or “PLE,” “ILE,” and “SLE” for Space Force officers are authorized. The appropriate venue for a specific school recommendation is through the annual DE/OPME process.

3.16.3.5. Examples of Acceptable Assignment DE/OPME Recommendations.

3.16.3.5.1. “Make Capt Cousins an MPF Chief.” (Appropriate next level of progression).

3.16.3.5.2. On a Lt Col OPR, “Make him an Ops Group Commander.” (Appropriate next level of progression).

3.16.3.5.5. For a major who has completed Air Command & Staff College in-residence, or who is out of the eligibility window, recommendations for SDE (Air Force) or SLE (Space Force) would be appropriate, “Send to Senior Developmental Education,” (Air Force) or “Send to Senior Level Education,” (Space Force).

3.16.3.5.6. For a captain who has completed PDE (Air Force) or PLE (Space Force) in-residence, or who is beyond the window of eligibility, an appropriate recommendation would be “In-resident Intermediate Developmental Education a Must” (Air Force) or “Intermediate Level Education a Must,” (Space Force).

3.16.3.6. Examples of Prohibited Assignment and DE/OPME Recommendations.

3.16.3.6.1. “Make Lt Triska an FSS Commander”. Inappropriate next level of progression.
3.16.3.6.2. “Send Capt Brown to Intermediate Developmental Education after selection to major.” (Reference to Intermediate Developmental Education is appropriate, but the comment “after selection to major” is an implied promotion statement).

3.16.3.6.3. “Intermediate Developmental Education in 2023, Group Commander in 2028, and Wing Commander in 2031.” (Goes beyond the scope of the next assignment).

3.16.3.6.4. “Capt Phelps is ready to be a flying Sq/CC” and “Make Maj Knisley a group commander.” (In both cases, the recommendations are clearly beyond the officer’s next assignment and are viewed as veiled promotion statements).

3.16.4. Officer Bonuses. Comments on an officer's decision to accept or decline retention bonus pay (e.g., aviation bonus, officer retention bonus) is prohibited.

3.16.5. Separation or Retirement Status. Comments referring to separation, retirement, or transfer to reserve status are prohibited. However, comments may be warranted when an officer displays a reluctance to accept responsibility, a negative attitude toward the job, and/or exhibits a decrease in performance that can be reasonably attributed to a pending separation or retirement. Comments are limited to the behavior and not the fact the member is separating, retiring, or transferring to a reserve status. **Note:** Although comments are mandatory, an evaluator may use the minimum bullets (AF Form 707) or performance statements (ALQ Evaluation) required in accordance with Table 3.1 (USSF officers) or Table 3.6 (RegAF and ARC officers) as applicable.

3.16.6. Civilian Employment. Comments about civil service jobs or other civilian occupations are prohibited unless it directly relates to the military position and their military performance. Recommendations for civilian employment are prohibited.

3.17. Extensions of Close-out Dates. Extensions of close-out dates are only authorized for general officer and USSF lieutenant through colonel evaluations.

3.17.1. The authority to extend the close-out date for general officer evaluations are AF/A1LG (for RegAF and AFR extended active duty general officers), NGB-GO (for non-extended active duty ANG general officers), and SF/S1L (for USSF general officers). For USSF lieutenant through colonel evaluations, the authority to extend the close-out date is retained by HQ AFPC/DPMSPE. **Exception:** In the event a CRO occurs prior to the annual close-out date of an evaluation, and 60 calendar days of supervision has not been obtained as of the annual close-out date, MPF/CSS personnel will adjust the close-out to the date on which the rater achieves 60 days of supervision. See Table 3.3, Note 4.

3.17.2. Events that occur after the close-out date. Extensions are only granted to allow evaluators to document negative behavior (e.g., court-martial actions, investigations, etc.). Extensions are not granted to document awards, achievements or completion/non-completion of any training. Extensions on DBH evaluations are not authorized. Extensions must be requested prior to but no later than 30 calendar days after the close-out date of the evaluation.

3.17.2.1. Pending Administrative Actions. If an incident or event occurs that reflects a departure from standards or derogatory in nature between the time an annual or initial evaluation closes out and the time it becomes a matter of record that is of such serious
significance that inclusion in that evaluation is warranted, an extension of the close-out date may be requested by the unit commander. This includes completion of an investigation begun prior to the close-out date or confirmation of behavior that was only alleged as of the close-out date. Commanders may request officer evaluation close-out date extensions to ensure resolution of any pending administrative actions or other significant issues. Extensions will be granted to cover only the time necessary to complete actions, not to exceed 59 days.

3.17.3. **(USSF only)** Send request for extensions to HQ AFPC/DPMSPS via the servicing personnel office, who in turn will forward the request to the appropriate office of primary responsibility listed in **Table 1.1.** *(T-3)* This must be done in a timely manner, and a commander-initiated email is acceptable. *(T-3)* The request must include the following information: Name, Grade, and social security number of ratee, evaluation “FROM” and “THRU” dates, desired close-out date (not to exceed 59 days), and a complete rationale as to why the extension is needed. *(T-1)* Include all applicable pertinent information including dates of investigations during the reporting period and/or deployment dates (if applicable). Incomplete requests will be returned without action. *(T-3)*

3.17.4. **(USSF only)** Approved extensions must be documented by placing the following statement in the feedback section of the AF Form 707: “Close-out date was extended in accordance with DAFI 36-2406, paragraph 3.18.” *(T-1)*

3.17.5. When the approving authority grants an extension, only one extension, not to exceed 59 days will be granted. *(T-1)* If the action cannot be finalized by, or event occurs after, the extended close-out date, the evaluation will be completed using the original close-out date. *(T-1)* If desired, the commander can then direct another evaluation be rendered at the 120-day point (60-day point for referral evaluations) to capture the incident.

1. Colonels selected for promotion to brigadier general receive evaluations IAW Chapter 7.
2. (For RegAF and ANG only) If the officer evaluation is already a matter of record, and the event or circumstances that brought about the evaluation changes or no longer exists, take no action. The officer evaluation is a valid evaluation and remains in the ratee’s records.
3. See Table 3.4 for appropriate SCODs. (RegAF only) Evaluations for officers selected for promotion will have a close-out date on the SCOD of the projected grade. (T-1) (AFR only) An officer must have at least 16 points and 120 calendar days of duty performance outside of a training report to receive an ALQ evaluation; if the officer does not meet this requirement by the SCOD, submit an administrative LOE for a gap report.
4. For an officer who enters active duty, the first evaluation will be required at the next SCOD for their respective grade, given there is at least 180 days between the EAD and the SCOD. (T-1) For AFR officers, the first evaluation will be required at the next SCOD for the ratee’s respective grade, given there is at least 180 days between the EAD and the SCOD and a minimum of 16 points (do not include Extension Course Institute or membership points); if the ratee had not earned the required number of points, the officer will receive a gap report utilizing an administrative LOE. (T-1)
5. This includes placement on or removal from the control roster (Director, NGB; Office of
Adjuvant General; MAJCOM; wing, group, squadron).

6. Do not prepare evaluations for periods of missing-in-action, captured, or detained in captive status of less than 15 calendar days. If the ratee remains in one of these categories for 15 calendar days or more, prepare an evaluation under this rule without regard to the number of days of supervision. Close the evaluation on the day the ratee was placed in missing-in-action, captured, or detained in captive status. These evaluations are as directed by HQ AFPC/DP3SP or HQ ARPC/DPTSE.

7. (RegAF and ANG only) HQ AFPC/DP3SP, HQ AFPC/DPMSPE, and USAF/A1LO retain the authority to direct evaluations under this rule. Special evaluations covering outstanding duty performance are not permitted under this rule.

8. (AFR only) HAF/REP retains the authority to direct evaluations under this rule. If HAF/RE requires special evaluations on certain officers for selection board use, HQ ARPC/DPTSE furnishes ratee names to the MAJCOM along with appropriate suspense dates and directs submission of evaluations under this rule. Special evaluations covering outstanding duty performance are not permitted under this rule.

9. The close-out date of the evaluation is the effective date the ratee is placed in record status 6, deserter, and may only comment on the negative behavior.

10. (AFR only) For Individual Mobilization Augmentees (IMAs), Participating Individual Ready Reserve (PIRR) and Participating Individual Ready Reserve Category E (PIRR Category E), the unit of assignment is responsible for completing the officer evaluation.

**Notes:**
1. If the ratee is attending training or education. See **Chapter 6**.
2. Colonels selected for promotion to brigadier general receive evaluations IAW **Chapter 7**.
3. If the OPR is already a matter of record and the event or circumstances that brought about the evaluation changes or no longer exists, take no action. The OPR is a valid evaluation and remains in the ratee’s records. **Exception:** The CSS/MPF/HR Specialist updates referral OPRs that are prepared as a result of a PCS and files them in the ratee’s records regardless of whether or not the evaluation was a matter of record at the time authorities canceled or delayed an assignment.
4. If a CRO occurs:
   a. prior to the annual close-out date, and 120-days of supervision is not able to be obtained on the annual close-out date, the evaluation is closed out on the annual close-out date provided at least 60 calendar days of supervision have been obtained. If 60 calendar days of supervision has not been obtained as of the annual close-out date adjust the close-out date to the date on which the rater achieves 60 days of supervision.
   b. after the original annual date has passed but before the 120-day supervision period ends, the evaluation is closed out the day prior to the rater change, provided at least 60 calendar days of supervision have been obtained. The reason for the evaluation remains “Annual.”
5. Do not confuse CRO with change of supervisor. The home station commander may authorize a change of reporting official to the TDY location if ALL the following conditions are met:
   **Notes:** The senior rater matched to the ratee’s home station PAS code must perform senior rater duties. *(T-1)*
   a. Someone at the TDY location can perform normal rater duties.
   b. The rater’s rater meets the requirements of paragraph 1.5.* *(T-1)*
   c. The home station and TDY unit commanders have approved the change (the Management Level must approve inter-command changes). *(T-1)*
   d. The home station commander assigns a new rater when the TDY ends.
6. If the ratee is selected to fill a 365-day extended deployment billet, a CRO evaluation must be accomplished provided there has been at least 120 calendar days of supervision.
7. A CRO includes separation from Extended Active Duty. However, no evaluation is required when the criterion in paragraph 3.4 applies.
8. This includes placement on or removal from the control roster (FLDCOM; space base delta, delta).
9. Do not prepare evaluations for periods of Missing in Action, captured, or detained in captive status of less than 15 calendar days. If the ratee remains in one of these categories for 15 calendar days or more, prepare an evaluation under this rule without regard to the number of days of supervision. Close the evaluation on the day the ratee was placed in Missing in Action, captured, or detained in captive status. These evaluations are as directed by HQ AFPC/DP3SP.
10. HQ AFPC/DP3SP, HQ AFPC/DPMSPE, and SF/S1L retain the authority to direct evaluations under this rule. Special evaluations covering outstanding duty performance are not permitted under this rule.
11. If the current rater does not consider the referral comments in a letter of evaluation to be serious enough to warrant permanent recording, an OPR will not be prepared. (T-1)
12. The close-out date of the evaluation is the effective date the ratee is placed in record status 6, Deserter, and may only comment on the negative behavior.
13. The commander may direct an evaluation for significant duty improvement only if the previous evaluation was referred due to substandard duty performance.

(RegAF and ARC only) The primary and secondary stratification denominators for the HLR may not exceed the number of evaluations signed by the HLR on that specific SCOD, except for DAF and Joint stratifications as detailed at paragraph 3.15.7.4.1; neither the primary nor the secondary stratification denominators shall include all officers within an HLR’s scope of responsibility (e.g., SRID) unless the HLR is a signatory on the evaluations of all officers within that scope. See paragraph 3.15.7.4.1.
2. (RegAF and ARC only) Optional use of a primary stratification when the rater and ratee are the same grade is only authorized for the HLR. Duty position is the only authorized secondary stratification. See paragraph 3.15.7.4.2.
3. Promotion “selects” may be considered in denominator pools for grade stratifications on the SCOD of the lower (current) grade.
4. Duty position is the only category that stratification denominators may include civilians who are in a grade equivalent to the officer.
Chapter 4

ENLISTED EVALUATIONS

4.1.1. See Chapter 1 for general processing guidance applicable to all evaluations.

4.1.2. Evaluations are used to determine selections for promotions, job and school recommendations, career job reservations, reenlistments, retraining, and assignments. Therefore, evaluators at all levels must use caution to prevent inflation. It is important to distinguish performance among peers and is a disservice when ratings are inflated or inaccurate.

4.1.3. Marking Ratings, When Used, on Wet Signature Evaluations. When electronic ratings are not used, do not enter hand-marked ratings until signing the evaluation to prevent erroneous entry of ratings by other personnel. When hand-marking, use only reproducible dark blue or black ink.

4.2. Enlisted Evaluation Forms.

4.2.1. For AB/Spc1 through TSgt, use DAF Form 910. See Table 4.9.

4.2.2. For MSgt (including selects) through SMSgt, use AF Form 911. See Table 4.10.

4.2.3. For CMSgt (including selects).

4.2.3.1. For RegAF and ARC, use myEval to process the ALQ evaluation for CMSgts. See Table 4.14.

4.2.3.2. For USSF, use AF Form 912. See Table 4.12.

4.3. When to Accomplish an Enlisted Evaluation.

4.3.1. All enlisted personnel in the grade of SrA/Spc4 through CMSgt will receive an evaluation as of the appropriate SCOD for their grade. ABs/Spc1s, Amn/Spc2s, and A1Cs/Spc3s will receive an evaluation upon completing a minimum of 36 months time in service (TIS) as of the SrA/Spc4 SCOD, 31 March.

4.3.2. See Table 4.13 for Premier Band Airmen enlisted evaluation guidance.

4.3.3. The Chief of Staff of the Air Force retains discretionary authority to render evaluations on an optional basis on the Chief Master Sergeant of the Air Force. The Chief of Space Operations retains discretionary authority to render evaluations on an optional basis on the Chief Master Sergeant of the Space Force.

4.3.4. Military/Civilian Confinement. HQ AFPC will complete a DAF Form 77 for Airmen or Guardians who choose to remain in the Air Force or Space Force following overturn of a sentence adjudged at a court-martial by a subsequent appeals court. The inclusive dates will be the day after the close-out date of the ratee’s last evaluation through the day the ratee was returned present for duty status or the date the sentence is overturned, whichever is earlier. The unit to which the Airman or Guardian transfers following the return to present for duty will take over performance evaluation responsibilities, beginning the day following DAF Form 77 completion through to the applicable annual SCOD.
4.3.5. Separation/Retirement. Annual evaluations are optional for members with an approved effective date of separation or retirement that is prior to the next SCOD. If an Airman or Guardian is promotion eligible, then a report is required. (T-1) Supervisors will consult with separating or retiring Airmen or Guardians regarding the option to complete a final evaluation. (T-3) Leadership shall consider the member’s preference when deciding whether or not to accomplish their final evaluation. (T-3) After consulting with the individual, and the individual opts not to complete a final evaluation, the supervisor will annotate the DAF Form 910, AF Form 911, AF Form 912, and ALQ evaluation accordingly and process the evaluation to the lowest level commander for signature. (T-1) Airmen and Guardians are encouraged to complete a final evaluation for future considerations (e.g., employment, transfer into another DAF component, or sister service). An evaluation will not be accomplished after a member has officially separated/retired. (T-1)

4.3.5.1. Complete a final evaluation when requested by the ratee, decided by the rater, commander, or senior rater, or mandated in accordance with paragraph 1.8. Supervisors and commanders are responsible for completing mandatory evaluations before members final out-process or officially separate/retire. (T-1)

4.3.5.2. When a final report will not be rendered, for administrative and tracking purposes, complete the appropriate evaluation form as follows:

4.3.5.2.1. (For RegAF and ARC only) Include “FINAL REPORT NOT REQUIRED AND/OR IS NOT MANDATED TO BE RENDERED IN ACCORDANCE WITH DAFI 36-2406, PARA 1.8,” the first rater’s assessment block, “Executing the Mission” on the CMSgt ALQ evaluation. Include “THIS SECTION NOT USED,” in the remaining rater’s and HLR’s assessment blocks on the CMSgt ALQ evaluation.

4.3.5.2.2. (USSF only) Include “FINAL REPORT NOT REQUIRED AND/OR IS NOT MANDATED TO BE RENDERED IN ACCORDANCE WITH DAFI 36-2406, PARA 1.8,” in Sections III, IV, and V of DAF Form 910, Sections III and IV of AF Form 911, Section II of AF Form 912. Performance assessment ratings are not required.

4.3.5.2.3. (RegAF and ARC only) The member, rater, HLR will endorse the report no earlier than 30 calendars days before the member’s final-out process, or before the member officially separates/retires. (T-1) (USSF only) The member and the lowest level commander will endorse the report no earlier than 30 calendar days before the member’s final-out process or before the member officially separates/retires. (T-1)

4.4. Evaluations not Authorized. Performance evaluations will not be accomplished on the following:

4.4.1. RegAF and USSF personnel in the grade of AB/Spc1-A1C/Spc3 with less than 36 months total active federal military service as of the SrA/Spc4 SCOD and ARC personnel in the grades of AB-A1C if they have not already received an evaluation. See paragraph 4.7.3.1.4 and Table 4.2 for exceptions.

4.4.2. Members who die while on active duty. Exception: If the death occurred on or after the close-out date of an evaluation that was already being processed, it becomes an optional evaluation.
4.4.3. Commissioning Program. Airmen or Guardians who are enrolled in a commissioning program as of the SCOD. **Note:** If an Airman or Guardian does not complete a program and is returned to enlisted service, complete a DBH enlisted evaluation, effective the date of removal by the commissioning program, documenting the performance that resulted in removal from the program.

4.4.4. Airmen or Guardians in prisoner or confinement status as a result of a court-martial conviction, who have PCS’d and are gained to a long-term confinement facility managed by the Air Force Security Forces Center. **Note:** Airmen or Guardians awaiting publication of a sentence adjudged at a court-martial will remain the administrative responsibility of the losing unit commander/director until such time as the sentence adjudged at a court-martial is published and the member is officially transferred to an Air Force Security Forces Center managed correctional facility. These Airmen or Guardians will still require SCOD evaluations (as applicable), completed by the losing commander/director.

4.4.5. Airmen or Guardians undergoing appellate review leave and awaiting an appeals court decision and still permanently assigned to an Air Force Security Forces Center-managed confinement facility.

4.5. **When to Submit an Enlisted Evaluation.**

4.5.1. See Table 4.2 for RegAF Airmen, ARC Airmen on AGR or Stat Tour, and USSF Guardians.

4.5.2. See Table 4.3 for part-time ARC Airmen.

4.6. **“FROM” Dates.** Establish the “FROM” date if the member:

4.6.1. Has a previous evaluation on file, use the day after the close-out date of the previous evaluation.

4.6.2. For RegAF Airmen and USSF Guardians who have not had a previous evaluation, the “FROM” date equals the total active federal military service date.

4.6.3. For United States Air Force Academy Airmen or Guardians removed from cadet status and returned to enlisted grade the “FROM” date equals the extended active duty date.

4.6.4. For AFR members who have not had a previous evaluation, use the member’s date of assignment to the ARC. For SrA and below use the date initial entry uniformed services.

4.6.5. For ANG SrA and below who have not had a previous evaluation, the “FROM” date equals the date initial entry uniformed services. SSgt through CMSgt who are transferred from any branch or component, the “FROM” date equals date arrive station.

4.7. **“THRU” Dates.**

4.7.1. Initial Reports.

4.7.1.1. For RegAF and USSF the close-out date will be the first SCOD after the Airman or Guardian attains the grade of SrA/Spc4 or reaches 36 months time in service as of the SCOD (whichever occurs first).

4.7.1.2. For ARC the close-out date will be the first SCOD reached as a SrA.
4.7.2. Annual/Biennial Reports.

4.7.2.1. Reports for RegAF and USSF Members. Reports will close-out on the next appropriate SCOD unless selected for promotion. Those on a select list will have their evaluation close-out on the appropriate SCOD for their promotion selected grade. **Example:** The SSgt/Sgt SCOD is 31 Jan; therefore, SSgt/Sgt evaluations will close-out on that date. However, TSgt selects (SSgts/Sgts with a line number) will have their evaluations close-out on the TSgt SCOD on 30 Nov.

4.7.2.2. Reports for ARC Members. Reports will close-out on the appropriate SCOD. If a promotion, demotion or transfer out of inactive/active occurs and there is more than 24 months (12 months for AGR) from the last evaluation and the SCOD for the new grade, a DBH report is required. The close out is the day prior to when the status occurred. **Example:** An AGR MSgt is promoted to SMSgt effective 1 Sep 23. A DBH report will be required to close out 31 Aug 23 because the member will have more than 12 months from the last evaluation and the new static close-out date for the new grade.

4.7.3. For Directed by Headquarters, NGB, or Commander (MAJCOM/FLDCOM, wing/delta, group, or squadron, as appropriate) reports, the “THRU” date will be established by the following:

4.7.3.1. Message Directed. Use the date specified in the message directing the evaluation.

4.7.3.1.1. Missing-in-Action/Captured/Detained. Use the date the ratee was placed in missing-in-action, captured, or detained in captive status.

4.7.3.1.2. Stripes for Exceptional Performers or supplemental promotions. If an Airman or Guardian is Stripes for Exceptional Performers-promoted or selected for supplemental promotion to the next higher grade, and if completing an evaluation on the next SCOD in the new grade will create a reporting period of longer than one year, then a DBH enlisted evaluation must be completed with a close-out date effective the date of Stripes for Exceptional Performers promotion or the date which the results of the supplemental were released. **Examples:**

4.7.3.1.2.1. SSgt/Sgt McDaniel was selected for supplemental promotion or Stripes for Exceptional Performers promoted to TSgt on 15 Apr 23 and SSgt/Sgt McDaniel had an enlisted evaluation on the SSgt/Sgt SCOD date of 31 Jan 23, then no enlisted evaluation is required as TSgt (or TSgt select) McDaniel will receive a performance evaluation on 30 Nov 23 (TSgt SCOD).

4.7.3.1.2.2. SSgt/Sgt Snowden was selected for supplemental promotion or Stripes for Exceptional Performers promoted to TSgt on 10 Jan 23. TSgt (or TSgt select) Snowden’s last evaluation was completed on the 31 Jan 22 (SSgt SCOD) and the next projected enlisted evaluation is the 30 Nov 23 (TSgt SCOD). Since this creates a rating period of longer than one year, a DBH enlisted evaluation is required with a close-out date effective the date of the supplemental release/Stripes for Exceptional Performers promotion date.

4.7.3.1.3. If an Airman or Guardian is demoted after the SCOD of the grade held prior to demotion, an enlisted evaluation will be completed as of the previous grade’s SCOD and, subsequently, as of the SCOD of the new grade. **Example:** TSgt Smith is
demoted to SSgt/Sgt effective 5 Dec 23. The now-SSgt/Sgt Smith will receive an evaluation on the TSgt SCOD of 30 Nov 23 and, subsequently, on the SSgt/Sgt SCOD of 31 Jan 24.

4.7.3.1.4. Directed by Commander (DBC). The close-out date will be established by the unit commander that directed the evaluation. (T-1) DBC evaluations provide flexibility to commanders to document substandard performance between SCODs as an embedded report at the SCODs and will only contain comments and ratings regarding the reason(s) for the evaluation. (T-1) All other comments, specifically those that are positive, and promotion recommendations are not authorized and will be documented on the next SCOD evaluation. (T-1) Note: A1C/Spc3 or below with less than 36 months total active federal military service (or date initial entry uniformed services for ARC) do not receive an enlisted evaluation unless the member has a minimum of 20 months TIS.

4.7.4. 365-day Extended Deployment Enlisted Evaluations. Note: These instructions apply only to those individuals who are selected to fill an official extended deployment requirement. (T-1) These instructions will not be used for individuals filling other requirements, even though they may be extended to, or beyond 365-days. (T-1)

4.7.4.1. Home Station Rating Chain Responsibilities Prior to Departure. If the deployed rater is known prior to departure, the CSS/HR specialist will update the deployed rater. (T-1) In most cases, however, the deployed rater will not be known until the member arrives to the deployed location. (T-1) In that case, use the home station commander as a temporary rater. This will facilitate home station and deployed commander’s direct line of communication to ensure the rating chain is established and updated in a timely manner. Example: If the data is not updated immediately, a feedback notification report on individual personnel will be produced within 30 days, and that alone should act as a reminder to the commander that the deployed data needs to be updated. (T-1)

4.7.4.2. Upon Arrival in the Area of Responsibility (AOR). The home station CSS/HR specialist will coordinate with the deployed PERSCO team and update MilPDS to reflect the member’s deployed duty title and DAFSC/DSFSC effective the date the member arrives in the AOR. (T-1) They will also update the deployed rater if the rater was unknown prior to departure. (T-1) All updates should be completed as soon as possible but no later than 30 days after the member arrives in the AOR.

4.7.4.2.1. Duty Title Format. All extended deployment personnel duty titles will be standardized to reflect the extended deployment “duty title/country” assigned. (T-1) If space allows, include the unit assigned. Example: “Senior Enlisted Leader, 442 ECS/Iraq” or “Comm Specialist, GSU/Afghanistan.”

4.7.4.2.2. When determining the deployed rater, the rater should typically be the person who directly supervises the individual’s day-to-day activities. The unit that owns the unit line number (ULN) will determine the rater. (T-1) Raters may be in any United States or foreign military service or a civilian in a supervisory position and must be in a grade equal to or higher than the ratee. (T-1) In accordance with 10 USC 9013, DAFI 51-509 and Joint Publication 1, SecAF is responsible for the ADCON, and support of DAF forces assigned or attached to combatant commands. (T-0) ADCON is the authority necessary to fulfill SecAF’s statutory responsibilities for administration
and support. In joint environments, an Air Force or Space Force unit will be designated to have ADCON responsibilities over Airmen or Guardians. (T-1) ADCON responsibilities include personnel management. With regard to evaluations, this involves managing the evaluation program, ensuring evaluations are accomplished on individuals on extended deployments as well as decorations and informal LOEs processed per local and air component command or MAJCOM/FLDCOM direction. ADCON responsibility does not necessarily extend to writing the evaluations on those attached to the Air Force or Space Force unit for ADCON purposes.

4.7.4.3. Upon Return from the AOR:

4.7.4.3.1. The home station CSS/HR specialist will change the member’s rater, DAFSC/DSFSC, and duty title in MilPDS to reflect home station (post-deployment) information. (T-1)

4.7.4.3.2. The home station forced distributor will continue to complete the commander’s review/reviewer’s (senior rater) portion of all evaluations, including those completed by the deployed rating chain. (T-1)

4.7.4.4. Forced Distributor/Senior Rater Responsibilities. The forced distributor/senior rater matched to the ratee’s home station PAS code must perform forced distributor/senior rater duties (enlisted personnel will be on the home station forced distributor/senior rater’s MEL). (T-1)

4.8. Number of Days of Supervision.

4.8.1. Enter the number of days the rater supervised the ratee during the reporting period. To compute, use the “supervision began date” through the “close-out date” to determine the number of days of supervision.

4.8.2. Do not deduct any periods of leave, TDY, absences or periods loaned out to other organizations. Exception: Non-rated periods authorized in accordance with paragraph 1.4.11.

4.8.3. When the rater’s rater prepares an enlisted evaluation in accordance with paragraph 1.7, enter number of days for which the evaluator had personal or written knowledge of the ratee's duty performance during the reporting period.

4.9. Completing Evaluations. The rater will evaluate how well the ratee performed during the rating period by completing the rater assessment section of the CMSgt ALQ evaluation and Forms 910/911/912; however, the additional evaluators will review evaluations to ensure ratings accurately describe performance and comments are compatible with/support the performance assessment rating. They must return evaluations with unsupported statements for additional information or reconsideration of ratings (see paragraph 1.9 for disagreements); however, no evaluator may coerce another into changing their comments or ratings unless they are missing mandatory comments (paragraph 1.11), or the evaluation includes prohibited comments (paragraph 1.12). (T-1)

4.10. Promotion Time-In-Grade (TIG)/Time-In-Service (TIS) eligibility (DAF Form 910 only).

4.10.1. This block is based on TIG/TIS eligibility not promotion eligibility.
4.10.2. TIG/TIS is based on promotion requirements as of the SCOD. The rater completes this portion of the DAF Form 910 and marks the block “YES” or “NO” based on eligibility.

4.10.3. Stratification statements are prohibited on DAF Form 910.

4.11. Time-In-Grade (TIG)/Senior Rater Stratification/Endorsement Eligibility (AF Form 911 only).

4.11.1. Senior rater stratification/endorsement is not automatic or mandatory. The decision to forward the evaluation for senior rater stratification/endorsement is determined by the evaluator who is eligible to close-out the evaluation and each level thereafter, without necessarily going to the senior rater. (USSF only) Do not utilize senior rater stratification/endorsement; the SF/S1 will notify the USSF senior raters when they are authorized to utilize senior rater stratification/endorsement process and procedures prior to each accounting date.

4.11.1.1. The commander or director of the organization in which the ratee is assigned, who meets the grade requirements to close-out the report, determines if a report will be forwarded for stratification consideration. If the report is not forwarded to the senior rater for stratification, the commander or director will close out (sign) the report.

4.11.1.2. When a senior rater determines senior rater stratification is warranted, they will close out the report by completing Section IX. Numerical indications of how an individual member compares to their peers (typically known as “stratification statements,” e.g., #1/10) may be included in Section VIII, but are not required. If senior rater endorsement/stratification is not warranted, the report will be returned for close-out (sign) by a major or GS-12/NH-03 or higher. (T-1)

4.11.1.3. Stratification statements by anyone other than the senior rater are prohibited, to include all lower-level stratification on evaluations endorsed by the senior rater. Stratification statements based on percentage, career field, or functional community are prohibited. Example: It is not appropriate to use “#1 SNCO” or “#1 First Sergeant.”

4.11.2. Senior raters can stratify up to 10% of TIG/TIS-eligible MSGts and up to 20% of TIG/TIS-eligible SMSgts within their SRID and by component. Note: RegAF Airmen with an approved high year of tenure retirement date prior to the first day of the month promotion increments begin will not be factored into senior rater allocations. When determining the quota, normal rounding rules apply (.49 rounds down to the whole number and .50 rounds up to the whole number). The ratee must meet all of the following minimum requirements as of the close-out date of the evaluation (except as authorized by paragraph 4.12.4.2 due to forced endorsements):

4.11.2.1. Meet the TIG eligibility requirements outlined in Table 4.11.

4.11.2.2. Successfully completed an Associate’s or higher-level degree from a nationally or regionally accredited academic institution in any discipline or specialty. The degree must be conferred (awarded) as of the close-out date of the evaluation. Completing the last required course, College Level Examination Program, or Defense Activity for Non-Traditional Education Services is not sufficient.
4.11.3. On the AF Form 911, if a senior rater is stratifying a SNCO as the top 10% of promotion eligible MSgts or top 20% of promotion eligible SMSgts, Block B, then they may include a written stratification statement in Section IX, Final Evaluator’s Comments.

4.11.3.1. When a stratification statement is used, it must include a numerator and denominator designation stating where the SNCO falls (numerator) within the senior rater’s pool of TIG/TIS promotion eligible SNCOs (denominator), by grade. **Example:** “My #1/25 MSgts.” In joint organizations, the stratification statement may include joint members of the same grade. If a senior rater does not provide a stratification in Section IX, Block B, they may not provide a stratification statement. *(T-3)*

4.11.3.2. If used, joint stratification statements must reference the joint population. **Example:** #1/20 joint E-7s or #2/10 joint E-8s. When a rater has both, and only, USAF and USSF SNCOs of the same grade subordinate to them, the use of “DAF” in lieu of “Joint” as a stratification category is authorized since Joint is not permissible among only USAF and USSF SNCOs. However, “DAF” may not be used as a stratification category if there are any other sister service SNCOs in the same grade and subordinate to the same rater. *(T-1)*

4.11.3.3. Raters with USAF and USSF SNCOs in the same grade as other sister services are not authorized to use “DAF” to stratify just the USAF and USSF SNCOs of the same grade within their scope of supervision. These raters may only use “Joint” as a stratification category and must include all SNCOs in the same grade from all sister services under their scope of supervision. *(T-1)* See paragraph 1.12 for prohibited evaluator considerations and comments.

4.11.4. A senior rater will endorse a non-TIG/TIS-eligible evaluation only when one of the following apply:

4.11.4.1. When the senior rater is the rater. In this case, the senior rater will mark the “Forced Endorsement” box on the AF Form 911. *(T-2)*

4.11.4.2. When the senior rater is the evaluator named in a referral memorandum. *(T-2)*

4.11.5. If the member is not TIG/TIS-eligible for a senior rater stratification/endorsement, the commander/director or major or GS-12/NH-03 or higher will close out (sign) the report.

4.11.6. Determine TIG/TIS eligibility for senior rater stratification/endorsement using the formulas below. See the TIG Eligibility Chart, **Table 4.11**.

4.11.6.1. For MSgt ratees (RegAF and USSF only).

4.11.6.1.1. If the close-out date is on or before 30 Sep, determine the number of months TIG from date of rank (DOR) to 1 Mar of the next year following the evaluation close-out date. If less than 20 months, then TIG eligibility is “NO.” If greater than or equal to 20 months, then TIG eligibility is “YES.” All Airmen meeting a promotion board are required to have an enlisted evaluation on file closed out within 12 months of the promotion eligibility cutoff date.

4.11.6.1.2. If the close-out date is after 30 Sep, determine the number of months TIG from the date of rank to 1 Mar two years following the evaluation close-out date. If less than 20 months, TIG eligibility is “NO.” If greater than or equal to 20 months, TIG eligibility is “YES.” All Airmen meeting a promotion board are required to have
an enlisted evaluation on file closed out within 12 months of the promotion eligibility cutoff date.

4.11.6.2. For SMSgt Ratees (RegAF and USSF only).

4.11.6.2.1. If the close-out date is on or before 31 Jul, determine the number of months TIG from the date of rank to 1 Dec. If less than 21 months, then promotion TIG/TIS eligibility is “NO.” If greater than or equal to 21 months, then promotion TIG/TIS eligibility is “YES.”

4.11.6.2.2. If the close-out date is after 31 Jul, determine the number of months TIG from the date of rank to 1 Dec of the year following the evaluation close-out date. If less than 21 months, promotion TIG/TIS eligibility is “NO.” If greater than or equal to 21 months, promotion TIG/TIS eligibility is “YES.” All Airmen and Guardians meeting a promotion board are required to have an enlisted evaluation on file closed out within 12 months of the promotion eligibility cutoff date. (T-1)

4.11.6.3. For SMSgt promotion selects (RegAF and USSF only). Promotion TIG/TIS eligibility is based upon the SCOD of the enlisted evaluation. If the SCOD falls on the day of or day after the promotion public release date (to include supplemental promotions), individuals on the selectee list are not eligible for senior rater endorsement on that evaluation. Conversely, if the SCOD enlisted evaluation closed out prior to the promotion public release date, the member is eligible for senior rater endorsement because they were still a MSgt as of the SCOD and not officially a SMSgt promotion selectee.

4.11.6.4. Senior raters must either use the following approved panel process (paragraph 4.11.6.4.1) to determine senior rater stratification/endorsement or develop and disseminate their own guidance within their organization no later than the accounting date of each evaluation cycle. (T-1)

4.11.6.4.1. Review the last five evaluations, all awards and decorations, the current myFitness individual report, and career data brief (CDB). (T-1) Panel members will include the senior raters’ command chief or senior enlisted advisor, as well as the commander/director who submitted the evaluation for senior rater stratification/endorsement consideration. (T-1)

4.11.6.4.2. RegAF Airmen and USSF Guardians with an approved high year of tenure retirement date prior to the first day of the month promotion increments begin are no longer considered eligible for senior rater endorsement and will not be factored into senior rater endorsement allocations. (T-1)

4.11.6.5. CMSgt and CMSgt-selects. The senior rater must endorse all CMSgt ALQ evaluations (USAF) or AF Form 912s (USSF). (T-2)

4.12.1. The minimum grade of a final evaluator must be an O-4 or GS-12/NH-03 or higher, but no higher in organization than the senior rater. (T-1) When the report has a single evaluator, then the final evaluator must be the senior rater and may not be delegated to a lower-level evaluator. (T-1) Exception: The SNCOA Commandant is designated as the final evaluator when the AF Form 911 is not endorsed/stratified by the senior rater or the SNCO is non-promotion eligible. The SNCOA Commandant is also authorized to sign Section IX of
DAF Form 910 for non-promotion eligible Airmen or if an enlisted force distribution is not warranted. Furthermore, if a ratee is not promotion eligible, or if a senior rater endorsement and/or stratification is not warranted, the SNCOA Commandant may act as the final evaluator on MSgt and SMSgt enlisted evaluations within their direct rating chain and/or scope of responsibility. **Note:** For ANG members, the final evaluator must be at a minimum the full-time unit commander. (T-1) If there is no full-time unit commander, the final endorser will be the senior full-time officer serving in the grade of O-4/GS-12/NH-03 or higher, but no higher in organization than the senior rater. (T-1) If reviewers assigned on or prior to the close-out date, enter information as of the close-out date; if assigned after the close-out date, enter the information as of the date signed. **Exception:** The CMSAF or CMSSF may endorse enlisted evaluations as a senior rater and may also serve as the final evaluator.

4.12.2. Single Evaluator Only. An evaluator must be an O-6 or GS-15/equivalent. (T-1) If the rater is a senior rater, the evaluation must close out at this level unless it is a referral evaluation. (T-1) The evaluator must meet both grade and evaluator requirements for each section of the applicable evaluation form and must be a commander/director/other authorized reviewer. (T-1) An O-6/equivalent may serve as a final evaluator on the AF Form 911, and/or as a final evaluator/senior rater on the AF Forms 911 and 912 and the CMSgt ALQ evaluation if they are designated as a senior rater. They must also meet the necessary requirements as a commander/director/other authorized reviewer to sign the entire evaluation as a single evaluator. (T-1) Single evaluators will enter “THIS SECTION NOT USED” in the additional rater comment section and sign each section.

4.12.3. An additional rater who meets the minimum grade requirement may close out the evaluation. However, an official higher in the rating chain than the additional rater may serve as the reviewer/final evaluator, if authorized. The reviewer/final evaluator may not be higher in the organizational structure than the senior rater. (T-1)

4.12.4. Determining the Final Evaluator:

4.12.4.1. Commander/Director. The individual in the ratee’s rating chain who meets the grade requirement to complete the final endorsement on the enlisted evaluation. For MSgt – SMSgt, a civilian final evaluator must be at least a GS-12/NH-03. (T-1) Example: Unit Commanders not in the grade of O-6/civilian equivalent; MAJCOM/FLDCOM section chiefs below the division which are not in the grade of O-6/civilian equivalent. The SNCOA Commandant is designated as the final evaluator when the AF Form 911 is not endorsed/stratified by the senior rater or the SNCO is non-promotion eligible. The SNCOA Commandant is also authorized to sign Section IX of DAF Form 910 for non-promotion eligible Airmen or Guardians or if an enlisted force distribution is not warranted. Furthermore, if a ratee is not promotion eligible, or if a senior rater endorsement and/or stratification is not warranted, the SNCOA Commandant may act as the final evaluator on MSgt and SMSgt evaluations within their direct rating chain and/or scope of responsibility.

4.12.4.1.1. **(Forms 910, 911, and 912 only)** When the rater, additional rater, and/or unit commander/military or civilian director/other authorized reviewer is also the final evaluator, or qualifies as a final evaluator, and closes out the evaluation, they will complete Section VIII, Unit Commander/Military or Civilian Director/Other Authorized Reviewer’s Comments, and Section IX, Final Evaluator’s Comments, to
include allowing placement of the optional bullet, in each corresponding section if they decide not to include performance comments.

4.12.4.1.2. (Forms 910, 911, and 912 only) When the rater is the unit commander/equivalent, does not qualify as a single evaluator, and works directly for the senior rater, they will complete both the rater’s and commander’s areas. The senior rater will complete the additional rater’s and final evaluator’s areas.

4.12.4.2. Senior Rater. Used when the final evaluator is the highest-level endorser in the ratee’s rating chain. The senior rater must be at least an O-6/GS-15/NH-04 or higher, serving as a wing commander or equivalent, and designated by the management level.

4.12.4.3. Senior Rater Forced Endorsement. This block will be marked when the senior rater must complete Section IX, Final Evaluator’s Comments, of the AF Form 911, whether or not the ratee is TIG/TIS promotion-eligible or has completed the minimum requirements for senior rater stratification/endorsement, due to rating chain or final evaluator requirements.

4.12.5. The final evaluator ensures the correct final evaluator’s position block is marked prior to signing the enlisted evaluation. (T-1)

4.12.6. Evaluators with Dual or Multiple Roles. When an evaluator serves in multiple roles on Forms 910, 911, 912, or CMSgt ALQ evaluation, or when the additional rater is also the commander/director, consider each section of the evaluation independently. The evaluator may include written comments in each separate section of the evaluation. When an evaluator chooses not to include performance comments in a section, they will enter “THIS SECTION NOT USED” in the applicable section and sign. (T-1) Signature elements, to include the signature, are required in all sections of the evaluation regardless of whether there are performance comments included, or the evaluator has entered “THIS SECTION NOT USED.”

Note: For single evaluators, refer to paragraph 4.12.2.

4.13.1. Performance feedback assessments will be accomplished in accordance with Chapter 2.

4.13.2. In Section VII (DAF Form 910), Section VI (AF Form 911), and Section III (AF Form 912) the rater certifies that the required performance feedback assessment was conducted during the reporting period by signing. If the feedback assessment was not accomplished, an explanation must be provided in the remarks block (Forms 910/911/912). For the CMSgt ALQ evaluation, performance feedback assessments are certified in myEval.

4.14. Forced Distributor, (Section IX, DAF Form 910) Unit Commander/Military or Civilian Director/Other Authorized Reviewer, (Section VIII, AF Form 911).

4.14.1. The review is performed by the commander/director of the organization. In the commander’s/director’s absence, the officer on G-series orders or a senior official within the commander's jurisdiction, may review. Members designated to complete this section may not use the title "Commander" or "Director." They will use their assigned duty title on the enlisted evaluation. Home station commanders will complete this section for members on a 365-day extended deployment, regardless of the grade of the deployed rater and additional rater. Additionally, forced distributors may delegate, in writing, the final signature authority to the
4.14.1.1. The forced distributor as of the SCOD will sign all DAF Form 910s assigned to their Forced Distributor Identification for TIG/TIS eligible Airmen (see paragraph 4.12.1 and paragraph 4.12.4.1 for exceptions regarding SNCOA commandants). If the forced distributor appointed another officer/civilian to represent them at the Enlisted Forced Distribution Panel, the signature authority is still the forced distributor. **Exception:** In joint agencies, the AFELM/CC on G-series orders is authorized to sign DAF Form 910s in lieu of the forced distributor when the forced distributor signs the MEL.

4.14.2. The commander reviews evaluations to ensure ratings accurately describe performance and comments and are compatible with and support ratings. They must return evaluations with unsupported statements for additional information or reconsideration of ratings. (T-1) However, commanders may not coerce an evaluator to make changes.

4.14.3. The commander or designated representative will mark the “concur” or “non-concur” block. See paragraph 1.9 for disagreements.

4.14.4. Forced Distributors or Commanders/Directors may have multiple roles. The two signatures serve separate purposes: one as an evaluator regarding duty performance, and one as a commander regarding quality review. If the forced distributor/unit commander/director qualifies as a single evaluator, enter “THIS SECTION NOT USED” in the additional rater comment section. Signature elements, to include the signature, are required in all sections of the evaluation regardless of whether there are performance comments included, or the evaluator has entered “THIS SECTION NOT USED”. (T-1)

4.15. **Evaluator Considerations and Comments.** Certain items are prohibited for consideration in the performance evaluation process and will not be commented upon on any Enlisted Evaluation System form. Except as authorized in the following paragraphs, do not consider, refer to, or include comments regarding:

4.15.1. **(AF Form 911) Promotion Statements and Assignment Recommendations.** Promotion statements are only allowed when a senior noncommissioned officer is TIG/TIS promotion-eligible and may only be made by the final evaluator in Section IX, Final Evaluator’s Comments. (T-1) When the rater qualifies as a single evaluator, they may include a promotion statement in Section IX, Final Evaluator’s Comments. Promotion statements on promotion selectee evaluations are prohibited. (T-1) Promotion statements must refer to the ratee’s next higher grade. Assignment recommendations are authorized regardless of TIG/TIS eligibility. Authorized examples include:

4.15.1.1. For a TIG/TIS promotion eligible MSgt, the final evaluator may state, “promote to SMSgt, then select for Flight Chief” as it states the next eligible grade and assignment.

4.15.1.2. For a MSgt not TIG/TIS promotion eligible, the final evaluator may not state, "promote to SMSgt, future Command Chief," as the ratee is not TIG/TIS eligible and the assignment recommendation is a CMSgt position. (T-1)

4.15.1.3. Final evaluators may also provide assignment recommendations in their comments. Similar to promotion statements, assignment recommendations may only be made by the final evaluator and may only refer to the positions in the ratee’s current grade.
if not promotion eligible. (T-1) If the ratee is promotion eligible or a selectee, assignment recommendations may be made for positions in the current and selected grade.

4.15.2. **(DAF Form 910)** Promotion Statements in Section IX, Item 1, that are statements of fact (e.g., “selected for promotion Below-the-Promotion Zone” or “STEP promoted to TSgt”) are authorized. Additionally, recommendations of “pushes” to commissioning sources are also authorized (e.g., Selected for Officer Training School). **Note:** Promotion pushes to the next higher grade are prohibited.

4.15.3. Performance comments regarding an Airman or Guardian serving in a ceremonial/event-related position that has a “title” higher than the grade the Airman or Guardian currently holds is acceptable. **Examples:** An Honor Guard SrA/Spc4 serving as Noncommissioned Officer-in-Charge, Firing Team or Noncommissioned Officer-in-Charge, Colors during a ceremony. A SSgt/Sgt serving as the First Sergeant of the Mess at a formal Order of the Sword Ceremony.

4.16. **Inappropriate Comments Referring to Separation/Retirement, Civilian Employment, and Professional Military Education.**

4.16.1. Separation or retirement status. Comments referring to separation, retirement, or transfer to reserve status are prohibited. (T-1) However, comments may be warranted when an Airman or Guardian displays a reluctance to accept responsibility, a negative attitude toward the job, and/or exhibits a decrease in performance that can be reasonably attributed to a pending separation or retirement. Comments are limited to the behavior and not the fact the Airman or Guardian is separating, retiring or transferring to a reserve status. **Note:** Although comments are mandatory, the minimum bullets required in accordance with Tables 4.2, 4.6, or 4.9 may be used.

4.16.2. Civilian Employment. Comments about civil service jobs or other civilian occupations are prohibited unless it directly relates to the military position and their military performance. Recommendations for civilian employment are prohibited. (T-1)

4.16.3.1. The only permissible professional military education comments in enlisted evaluations will be those referencing selections for an official professional military education award or completion of Senior Enlisted Joint Professional Military Education I/II web-based courses. All other comments, to include recommendation for any other professional military education and selection for any other professional military education attendance are prohibited. Comments referencing Air Force or Space Force prerequisite professional military education (or sister service equivalent) selection, attendance and/or completion are prohibited, to include implied comments.

4.17. **Ratee’s Acknowledgement.**

4.17.1. The rater is required to conduct face-to-face (end-of-reporting period) feedback in conjunction with presenting the evaluation to the ratee. (T-1) The enlisted evaluation serves as the feedback form. A performance feedback assessment form is not required. Electronic routing of the form does not excuse the rater from providing face-to-face feedback. Only in situations where face-to-face feedback is not feasible will feedback be conducted either by telephone or electronically. (T-2) The rater should first attempt to call the ratee and conduct
the feedback via telephone. If that option is not available, the rater may provide clear, detailed feedback to the ratee via email, using a read receipt to verify the feedback was received and read.

4.17.2. The ratee’s signature in the acknowledgment block does not constitute concurrence or non-concurrence of the content and/or rating of the evaluation. The signature is to acknowledge receipt of the evaluation and to certify the ratee reviewed the personal information on the form.

4.17.3. The ratee will sign after all other evaluators have signed. In cases where an Air Force/Space Force advisor or acquisition/functional examiner is required to sign, the ratee’s acknowledgment will occur after the advisor or examiner review.

4.17.4. The ratee must acknowledge receipt of the evaluation prior to the evaluation becoming a matter of record unless the ratee refuses or is unable to sign. The ratee will review and verify all dates, markings, and comments on the form. Significant discrepancies and administrative errors can be addressed at this time, and corrected if agreed by all parties before the evaluation becomes a matter of record. This is not to be interpreted to mean the ratee can refuse to sign if they disagree with the evaluation. If evaluators do not agree to change the evaluation and the ratee wishes to dispute it, the ratee should pursue the established appeal/correction avenues available to them as outlined in Chapter 10 once the evaluation is a matter of record.

4.17.5. The rater will suspend the ratee three duty days (30 calendar days for ARC) to sign the evaluation. (T-1)

4.17.6. In cases where the ratee refuses to sign, any evaluator signing the evaluation is authorized to select “Ratee refused” from the drop-down menu in the ratee’s acknowledgment and sign the evaluation in the ratee’s acknowledgement block.

4.17.7. In cases where the ratee is unable to sign, any evaluator will select “Not available” from the drop-down menu in the ratee’s acknowledgment block and sign the evaluation in the ratee’s acknowledgement block.

4.17.8. For the purpose of signing evaluations, the terms “Unavailable” or “Unable to Sign” indicate that the member does not have access to a common access card-enabled computer (e.g., convalescent leave, TDY to a contractor facility without government computer access, deployed to a location without computer access, no longer have digital signature capability, in absent without leave or deserter status, etc.).

4.17.9. “Wet Signature Evaluations Only.” Evaluators can type, handwrite or use the drop-down option to annotate the evaluation when the ratee is unable or declines to sign.

4.18. Forced Distribution (DAF Form 910 only).

4.18.1. Terms and Definitions.

4.18.1.1. Forced Distribution. The allocation of the top two promotion recommendations, “Promote Now” and “Must Promote,” from a force distributor on DAF Form 910 for promotion eligible SrA, Spc4s, SSgts, Sgts, and TSgts.

4.18.1.1.1. (USSF only) For Spc4s, Sgts, and TSgts only, utilize promotion recommendations of “Not Read Now” (NRN) or “Promote” (P); do not utilize promotion recommendations—"Promote Now” (PN) and “Must Promote” (MP).
4.18.1.1.2. **(USSF only)** FDs for Guardians will discontinue the use of the EFDP process and procedures. The SF/S1 directs the USSF when to utilize the EFDP process and procedures prior to each accounting date.

4.18.1.2. Forced Distributor (FD). For wing/delta/space base delta/group/squadron-level organizational structures, the FD will be the G-series orders commander or civilian director (delegable to section commander or equivalent only for non-TIG/TIS eligible members). For wings or deltas, the FD is the vice commander, delegable to the director of staff. Within MAJCOMs, FLDCOMs, CCMDs, FOAs, DRUs, NAFs, and centers, the FD will be the military or civilian director. For MAJCOM, FLDCOM, and CCMD commanders, the FD will be the vice commander.

4.18.1.3. Forced Distributor Identification (FDID). A nine-digit code annotated on the DAF Form 910. It is assigned to a position/PAS codes and identifies the FD.

4.18.1.4. Enlisted Forced Distribution Panel (EFDP). The EFDP is comprised of the EFDP president, command chief or Air Force senior enlisted leader (SEL), FDs of small units (flight chiefs/designated representatives for large units), and recorder.

4.18.1.5. Master Eligibility Listing (MEL). Identifies all Airmen or Guardians with an enlisted evaluation scheduled to close out on the applicable SCOD as well as Airmen or Guardians who are and are not TIG/TIS-eligible. The listing also reflects the number of promotion allocations earned.

4.18.1.6. Accounting Date. The date approximately 120 calendar days before the SCOD. This date is used as a file freeze in order to account for the actual number of eligible TIG/TIS promotion-eligible Airmen or Guardians for each FD’s PAS code(s). No changes will be made to the number of allocations on or after the SCOD unless specifically authorized by HQ AFPC/DP3SP as an exception. *(T-1)* See Table 4.6.

4.18.1.7. Static Close-out Date (SCOD). This is the fixed annual date that all enlisted evaluations will close out for a specific grade. It is used to determine the final TIG/TIS-eligible pool for forced distribution allocations. Enlisted evaluations cannot be signed before this date. *(T-1)* See Tables 4.7 and 4.8.

4.18.1.8. Large Unit. Any organizational structure with 11 or more TIG/TIS-eligible Airmen or Guardians (by grade) as of the SCOD.

4.18.1.9. Small Unit. Any organizational structure with 10 or less TIG/TIS-eligible Airmen or Guardians (by grade) as of the SCOD.

4.18.1.9.1. Under a wing-level construct, squadrons, group staffs and wing staff agencies could be classified as small units. Under a direct reporting unit or field operating agency level construct, squadrons, group staffs, and directorates could be classified as small units.

4.18.1.9.2. Under a SAF/HAF/HSF/CCMD/MAJCOM/FLDCOM management level construct, subordinate directorates with military or civilian directors that are senior raters could be classified as small units.
4.18.2. EFDP Member Roles and Responsibilities.

4.18.2.1. Panel President. A voting and scoring panel member. They must be the senior rater assigned to the SRID or management level (assigned as the head of the management level); for combatant commands (CCMDs) this will be the Air Force element commander (the Air Force officer designated by the CCMD/CC as the AFELM/CC).

4.18.2.1.1. Responsibilities. Design and document procedures for their respective EFDP and perform administrative duties in connection with the proceedings.

4.18.2.1.2. Ensures all members understand discussions regarding individual records or award recommendations. Discussions between panel members are not to be shared outside of the panel process. However, at the completion of the panel process and the release of the promotion recommendations, panel members will brief eligible members to provide feedback and increased transparency of the panel process.

4.18.2.1.3. Ensure the consideration of all Airmen nominated to the EFDP without prejudice or partiality in a consistent, fair, and equitable manner.

4.18.2.1.4. Administer EFDP charge to all panel members prior to board convening. USSF panel President will administer the AF EFDP charges when presiding over an AF EFDP.

4.18.2.2. Command Chief or Air Force Senior Enlisted Leader. Serves as an advisor to the panel. (T-3)

4.18.2.3. Forced Distributors. A voting and scoring panel member.

4.18.2.3.1. Represent Airmen and/or Guardians nominated from their particular small unit.

4.18.2.4. Recorders. A non-voting and non-scoring member. Recorders will not serve on a panel for which they are being considered. They will also not assume the role or responsibilities of a voter, scorer, or advisor for the same panel.

4.18.2.4.1. Assists the EFDP president with ensuring panel proceedings meet all requirements.

4.18.2.4.2. Advises all panel members on the EFDP process and other administrative matters.

4.18.3. Delegation of Roles and Responsibilities.

4.18.3.1. EFDP President. Only under extraordinary circumstances may EFDP president responsibilities be delegated to the next senior Air Force or Space Force officer/civilian (normally the vice commander). If applicable, the vice commander, etc., will delegate the FD authority for the small unit to the next senior Air Force or Space Force officer/civilian. (T-2) Example: If the MAJCOM/CV or FLDCOM/CV is appointed EFDP president by the MAJCOM/CC or FLDCOM/CC, the next senior Air Force or Space Force officer/civilian will be appointed FD for the MAJCOM’s or FLDCOM’s small unit FD.

4.18.3.1.1. Numbered Air Force/Center/Wing/Delta/Direct Reporting Unit/Field Operating Agency. The vice wing commander, field operating agency or direct reporting unit vice commander or director of staff, will serve as the “small unit
commander” only when there are eligible Airmen or Guardians assigned to those respective staff agencies, under the direct authority of the commander (senior rater). Senior raters will not serve in a dual-hatted capacity, where they act as both the small unit commander and EFDP president. (T-1) Allowing the vice wing commander or director of staff to represent eligible staff agency Airmen and/or Guardians at the EFDP as a panel member gives the senior rater impartiality as the EFDP president.

4.18.3.1.2. If the vice commander or director of staff has been appointed as the EFDP president, they cannot be dual-hatted and also serve as a panel member. (T-1) The next senior Air Force or Space Force officer/civilian will serve as the FD (panel member).

4.18.3.1.3. Numbered Air Forces/centers will hold EFDPs at the numbered Air Force/center level and not roll up to the management level. The numbered Air Force/center commander/director as the president (unless delegated).

4.18.3.1.4. Headquarters Air Force (HAF) or Headquarters Space Force (HSF) Staff/Major Commands (MAJCOM) or Field Commands (FLDCOM). Management level commanders may delegate management level EFDP president responsibilities no lower than the vice commander/deputy. (T-1) When EFDP president responsibilities are delegated, the next senior Air Force or Space Force officer/civilian (e.g., director of staff) will serve as the “small unit commander” when there are eligible Airmen or Guardians assigned. Management levels or appointees, when management level EFDP president responsibilities have been delegated, will not serve in a dual-hatted capacity. Allowing the vice commander or appointee to represent promotion eligible Airmen or Guardians at the EFDP gives the management level impartiality as the EFDP president. Exception: If the vice commander is unavailable due to deployment or TDY, EFDP president responsibilities may be further delegated to the next highest ranking Air Force or Space Force officer/civilian equivalent (no lower than colonel).

4.18.3.1.5. Combatant Commands (CCMD). The Air Force or Space Force element commander (AFELM/CC) will assume EFDP president responsibilities with a CCMD, unless the CCMD’s commander is Air Force or Space Force and requests to chair the EFDP proceedings. (T-1) If the AFELM/CC is unavailable due to a prolonged deployment or TDY, EFDP president responsibilities may be delegated to the next highest senior Air Force or Space Force officer. This delegation will be for the current EFDP only, not on a permanent basis. Short absences (leave, routine TDY) do not qualify as a reason to delegate responsibilities below the AFELM/CC.

4.18.3.1.6. For joint organizations, such as United States Military Entrance Processing Command, which may not have an Air Force or Space Force general officer or Air Force or Space Force colonel assigned, an exception to policy may be submitted to HQ AFPC/DP3SP. The request must include the organizations proposed EFDP process.

4.18.3.1.7. For joint organizations, the FD can request to designate the next senior Air Force or Space Force officer/civilian (no lower than Lt Col/civilian equivalent) to attend the EFDP. This request must be approved by the EFDP president and documented in writing. (T-1)

4.18.3.2. Command Chief and SELs. When circumstances warrant, the interim command chief or SEL will serve as the advisor for the EFDP.
4.18.3.3. Force Distributor (FD) Authorities. When circumstances warrant, requests can be made to the EFDP president to designate the next senior Air Force or Space Force officer/civilian (no lower than major or civilian equivalent) to represent them on the panel. (T-3) If the next senior officer/civilian does not meet the grade requirement, another FD within the senior rater’s purview (e.g., another squadron commander, group deputy) may represent the organization. All requests must be approved by the EFDP president and documented in writing. The FD authority will maintain all other responsibilities such as signing enlisted evaluations and MELs.

4.18.4. Allocations and Notification.

4.18.4.1. Allocations. AF/A1 or SF/S1 determines forced distribution promotion allocations.

4.18.4.2. Allocations are based on 5% of the total TIG/TIS promotion-eligible SrA, Spc4, SSgt, Sgt, and TSgt population for “Promote Now” allocations, 10% of the total TIG/TIS promotion-eligible SSgt, Sgt, and TSgt population for “Must Promote” allocations, and 15% of the total TIG/TIS promotion-eligible SrA or Spc4 population for “Must Promote” allocations. In accordance with the aforementioned allocation rates, AFPC provides the actual number of “Promote Now” and “Must Promote” allocations to each FD authority via the final MEL. See Tables 4.10 and 4.11. The tables are subject to change, therefore FDs and EFDPs will utilize the allocations provided on the final MEL.

4.18.4.2.1. Large units (11 or more TIG/TIS eligible Airmen or Guardians) will receive their own forced distribution promotion allocations, and large unit FD authorities will award their allocations at the unit level. (T-1) Large unit commanders (FD authorities) cannot exceed the promotion allocations listed on the final MEL.

4.18.4.2.2. Small units (10 or less TIG/TIS eligible Airmen or Guardians) roll-up, compete at and receive promotion recommendation allocations via the senior rater or management level (whichever is applicable) EFDP. (T-1)

4.18.4.3. In cases where after aggregation there are not enough eligible Airmen or Guardians from the small units to earn “Promote Now” and “Must Promote” promotion allocations, the senior rater or management level EFDP (whichever is applicable) will receive an outright allocation of one “Promote Now” and “Must Promote.” (T-1)

4.18.4.4. When there is only one eligible out of the senior rater or management level’s total promotion eligible population, the senior rater or management level (whichever is applicable) will receive an outright allocation of one “Promote Now” and one “Must Promote.” (T-1) The senior rater or management level (whichever is applicable) will determine if the promotion-eligible member’s record of performance warrants allocation of either a “Promote Now” or “Must Promote” promotion recommendation and will award the appropriate promotion recommendation.

4.18.4.5. Allocations Not Used. Management levels, senior raters, and FDs are not required to use all allocations if they believe the performance quality and promotion potential of Airmen or Guardians in their unit does not warrant the full share of allocations. Additionally, redistribution or carry-over of allocations is strictly prohibited. (T-1)
4.18.4.6. Forced Distribution of Students or Patients. FDs have a separate FDID for in-utilization permanent party students. FDs will receive a separate allocation for their TIG/TIS promotion-eligible student or patient populations. See paragraph 4.18.6.1. (T-1) Note: Airmen or Guardians TDY to school less than 20 weeks will fall under their home station FDID.

4.18.5. Identifying and Notifying Organizations.

4.18.5.1. Identifying Organizations. AFPC will provide MELs identifying TIG/TIS-eligible and non-TIG/TIS-eligible Airmen or Guardians assigned as of the accounting date. (T-1) The MEL identifies all Airmen or Guardians with an enlisted evaluation scheduled to close out on the applicable SCOD, regardless of an Airman’s or Guardian’s promotion ineligibility condition(s) (e.g., on the control roster, primary AFSC/SFSC skill level too low, undergoing Article 15 suspended reduction). See Table 4.6 for accounting dates.

4.18.5.2. Notifying Organizations. Organizations will receive an initial MEL identifying if they are a large or small unit no later than the accounting date associated with each grade’s SCOD. A final MEL will be forwarded following the applicable SCOD. Units should adjudicate each MEL to ensure all unit promotion-eligible Airmen or Guardians are accurately captured. (T-1)

4.18.6. Eligibility and Nominations.

4.18.6.1. Verifying Eligibility. Using the organization’s MEL, FD authorities verify the eligibility of each Airman or Guardian to ensure they meets the TIG/TIS requirements for promotion. Only verify the TIG/TIS requirements and do not consider normal individual promotion ineligibility conditions. (T-1) This will ensure only those meeting the TIG/TIS requirements are considered, and the FD authority receives the correct number of forced distribution promotion allocations. Note: FD authorities with SrA, Spc4, SSgt, Sgt, or TSgt promotion-eligible students (student squadrons) or patients (patient squadrons) will receive forced distribution promotion allocations for their TIG/TIS promotion-eligible student or patient populations separate from the forced distribution allocations for their TIG/TIS promotion-eligible SrA, Spc4, SSgt, Sgt, or TSgt permanent party populations.

4.18.6.2. Nominations. Large or small unit FDs are responsible for considering all individuals appearing on the unit’s final MEL. (T-1) FDs will consider all individuals meeting TIG/TIS requirements.

4.18.6.2.1. Small unit promotion-eligible Airmen or Guardians are nominated by the unit FD authority to compete for award of a forced distribution promotion allocation at the senior rater or management level EFDP (whichever is applicable). The maximum number of “Promote Now” and “Must Promote” allocations the EFDP may award is based on the combined total number of TIG/TIS promotion-eligible Airmen or Guardians from each small unit, by grade.

4.18.6.2.2. Each unit may nominate up to the maximum number of available allocations. Example: If the total combined number of SSgt or Sgt promotion eligible Airmen or Guardians from all small units is 28, the total promotion allocations the EFDP may award is four (one “Promote Now” allocation and three “Must Promote” allocations) based on a 5% “Promote Now” allocation and 10% “Must Promote”
allocation. Therefore, a small unit FD may nominate no more than four eligible SSgts or Sgts.

4.18.6.2.3. If a small unit does not nominate an eligible Airman or Guardian, the FD will annotate the MEL accordingly and sign.

4.18.7. EFDP Nomination Folders.

4.18.7.1. To assist in ensuring the information being considered for all promotion-eligible Airmen or Guardians nominated to the EFDP is consistent, fair, and equitable, the nomination folder will only include the Airman’s or Guardian’s: career brief, decorations, and last three enlisted evaluations (this includes the enlisted evaluation being considered for forced distribution). Commanders may also submit a push-note when the panel proceedings are held virtually or when nominee packages will be sent to panel members in advance of the physical panel. Push-notes will only convey the nominee’s relative standing amongst all other Airmen or Guardians nominated by the commander.

4.18.7.2. Enlisted evaluations being considered for forced distribution must be signed by the rater and additional rater prior to the EFDP proceedings. (T-1) Additionally, enlisted evaluations meeting the EFDP cannot be awarded “Promote Now” or “Must Promote” allocations or be signed by the FD prior to the panel. (T-1)

4.18.7.3. Performance assessment changes made after panel proceedings are limited to significant quality force indicators negative or positive, that were not previously known. (T-1)

4.18.8. EFDP Procedures.

4.18.8.1. EFDP proceedings may not commence, and promotion allocation selections may not be made any earlier than the day following each applicable grade’s SCOD. (T-1) Any and all notional or pre-forced distribution proceedings, ahead of the completion of each grade’s entire reporting period (e.g., prior to 1159 hours on the applicable grade’s SCOD) are prohibited. (T-1)

4.18.8.2. Physical or Virtual Panel. It is up to the EFDP president to determine how to hold the EFDP based upon the nature of the organization’s structure. When the EFDP president chooses to hold a physical panel (i.e., in person), nominee records may be provided for review in advance of the physical proceedings. In such cases, the EFDP recorder will ensure all records are available to all panel members to allow ample time to review prior to the physical panel.

4.18.8.3. Small Units. Small unit TIG/TIS promotion eligible Airmen or Guardians aggregate up to compete at the senior rater or management level EFDP. HAF/HSF/SAF/CCMD/MAJCOM/FLDCOM FDs with 10 or less TIG/TIS eligible Airmen or Guardians aggregate from the senior rater up to the management level EFDP. When a commander has promotion authority over two or more units, the eligible Airmen or Guardians are not combined. Each unit will comply with the large or small unit.

4.18.8.3.1. Small unit FDs nominate eligible Airmen or Guardians to compete at the EFDP. Nomination folders will include the Airmen’s or Guardians’ career briefs, decorations, and last three enlisted evaluations (this includes the enlisted evaluation being considered for forced distribution). A push-note may also be included.
4.18.8.4. Large units. Large unit FDs are authorized to utilize the small unit EFDP process (but not participate in small unit panels) or develop their own process. If the large unit develops a process, the FD must disseminate the forced distribution procedures within their organization that will be utilized no later than the accounting date for each applicable evaluation cycle. (T-1)

4.18.8.5. Once selections are made, the FDID authority annotates and signs the applicable MEL, identifying those selected to receive “Promote Now” and “Must Promote” allocations. The FDID authority will then return all evaluations to the owning small unit FD for application of the awarded allocation as well as enlisted evaluation signature by the responsible unit commander/director/other authorized reviewer. Individual senior raters/FDID authorities or management levels will not sign evaluations in-lieu of the FD.

4.18.8.6. If an egregious event or negative information transpires and is substantiated during the reporting period and is discovered after the SCOD and after promotion recommendations are allocated, the FDID authority, senior rater, or management level (whichever is applicable), may remove or downgrade the promotion recommendation from the ratee’s evaluation. (T-3) In such a case, the applicable forced distribution promotion allocation will not be reallocated. (T-1)

4.18.9. Scoring.

4.18.9.1. Records are scored on a best-qualified basis. EFDP members will ensure that Airmen or Guardians selected to receive forced distribution promotion allocations are fully qualified to assume the next higher grade.

4.18.9.2. The senior rater or management level (whichever is applicable) may use either:

4.18.9.2.1. A “rack-n-stack” process by which each panel member rank orders all records from highest to lowest and all rankings are combined to develop an order of merit.

4.18.9.2.2. A panel or MLR scoring process by which EFDP records are scored in 6- to 10-point increments.

4.18.9.3. Scoring is based on documents in each eligible’s EFDP nomination folder only. (T-1)

4.18.9.4. Panel members will assign each eligible a score (6-to-10 point) or ranking, reflecting their assessment of relative performance, leadership/followership, and the potential to serve at the next higher grade.

4.18.9.5. Panel members may score nomination folders in advance on the EFDP when authorized by the EFDP president.

4.18.9.6. If a panel member identifies a record-based matter that causes concern, they will bring the matter to the other panel members, the panel recorder, or directly with the panel president, so that the matter has the attention of the other panel members.

4.18.9.7. Panel members are encouraged to discuss their own knowledge and evaluation of the professional qualifications of their respective promotion-eligible Airman or Guardian.
4.18.9.8. Panel members may not discuss or disclose the opinion of any person not a member of the panel concerning the member.

4.18.9.9. Scoring Scale. See Table 4.1.

4.18.9.9.1. Defining "Splits." A "split" is a significant disagreement between EFDP members about the score of a record. A “split” is considered a difference in a score of 2 or more points between any two panel members.

4.18.9.9.2. Resolving "Splits." All scoring stops and all voting EFDP members must be present (physically or virtually) to discuss the records involved in a “split.” Only EFDP members with split scores may change their scores in the process of resolving a split. A “split” is resolved when there is a difference in a score of 1.5 or less points between any two panel members.

4.18.9.9.3. Resolving “Ties.” If two or more records tie, and there are insufficient numbers of “Promote Now”/“Must Promote” recommendations to award one to each, the EFPD president will determine an appropriate method for breaking the tie. (T-1)

4.18.10. EFDP Report.

4.18.10.1. The panel report should contain a list of panel members, panel recorder, order of merit (identifying total score, if/when applicable), and forced distribution promotion recommendation status based on the available number of “Promote Now” and “Must Promote” allocations, and cutoff score.

4.18.10.2. The report should be approved and signed by the senior rater or management level as the panel president and by the panel recorder.

4.18.10.3. Supplemental EFDP consideration will not be given for the following reasons:

4.18.10.3.1. Incorrect data reflected on the career brief.

4.18.10.3.2. Denied EFDP nomination due to incorrect data reflected on the FDID output products or in the career brief.

4.18.10.3.3. MELs not returned to the MPF, or individual was “overlooked” on the listing.

4.18.10.3.4. EFDP nomination packages not completed/turned in/approved in time to meet the board.

<td>DBH</td>
</tr>
</tbody>
</table>
Notes:
1. For ARC refer to **paragraph 4.7.1.2** for close-out date.
2. The close-out date is on the SCOD for the applicable grade (for example, a SSgt/Sgt will have their evaluation close out on 31 Jan (SSgt/Sgt SCOD)). **(T-1) Exception:** Airmen and Guardians selected for promotion or Airmen and Guardians who are demoted will have their evaluation close out on the SCOD of their projected or received grade and in some cases, may exceed a year. **(T-1) Example:** (RegAF and ARC only) A SSgt selected for TSgt will now have their evaluation close out on 30 Nov. A SSgt demoted to SrA will have their evaluation close out on 31 March. (USSF only) A TSgt selected for MSgt will now have their evaluation close out on 31 Jul. A MSgt demoted to TSgt will have their evaluation close out on 31 Jan.
3. The close-out date of the evaluation prepared when placing a member on a control roster is the day before the date of placement on the control roster.
4. The close-out date is the effective date the ratee is placed in record status 6, deserter.
5. When a member is undergoing an involuntary separation due to substandard performance, a commander will complete a DBC evaluation and may only comment on the negative behavior. **(T-1)** This applies to TSgts and below and the commander will close out the evaluation one day before the written notice of the proposed action to the Airman or Guardian. **(T-1).** If a member is being involuntarily separated for reasons other than substandard performance, then a DBC evaluation is not required.
6. The evaluation's close-out date is the day before the date that authorities place the ratee in reporting identifier 9A100 or 9A000.
7. Do not prepare enlisted evaluations for periods of missing-in-action, captured, or interned status of less than 15 calendar days. For 15 calendar days or more, prepare an enlisted evaluation as AFPC/DP3SP directs.
8. AFPC/DP3SP (or AFPC/DPMSP if the evaluation is necessary for promotion consideration) directs evaluations under this rule.
9. A1Cs who enlisted under the National Call to Service program will receive their initial enlisted evaluation upon completion of 16 months total active federal military service minus 1 day. **(T-1)**
10. A1C/Spc3 or below with less than 36 months total active federal military service (or date initial entry uniformed services for ARC) do not receive an enlisted evaluation unless the member has a minimum of 20 months TIS.

**Notes:**
1. For IMAs, PIRR and PIRR Category E, the unit of attachment is responsible for completing the evaluation.
2. Refer to paragraph 4.7.1.2.
3. If the ratee did not participate during the period, the report must state this information. (T-1).
4. HAF/REP directs enlisted evaluations under this rule for AFR; NGB/A1P for ANG.
5. Do not prepare evaluations for periods of missing-in-action, captured, or detained in captive status of less than 15 calendar days. If the ratee remains in one of these categories for 15 calendar days or more, prepare an evaluation under this rule without regard to the number of days of supervision. Close the evaluation on the day the ratee was placed in missing-in-action, captured, or detained in captive status. These evaluations are as directed by HQ AFPC/DP3SP or HQ ARPC/DPTSE.
6. The close-out date of the evaluation is the effective date the ratee is placed in record status 6, deserter.
7. Initial evaluation implementation for ANG Non-AGR SrA and above who have no previous report; refer to paragraph 4.5.
8. Only one day is required for raters to close out an evaluation.
9. Only negative behavior and/or substandard performance is documented. Positive behavior and/or performance will be documented on the next SCOD enlisted evaluation. (T-1)

**Not Rated:** See paragraph 4.8.  
Organizational Climate: See paragraph 1.8.9.  
**Met some but not all expectations:** Performs below established DAF standards and expectations, requires improvement. Routine or significant unacceptable performance, actions that are incompatible with, and personnel who have failed to adhere to established standards and expectations.  
Performs routinely or significantly at an unacceptable level. Routinely means a repeated inability to meet standards that would render the aggregated performance assessment over the entire reporting period as below DAF standards or expectations. Significantly means a single instance where failure to meet standards is either egregious in nature or so far short of a standard that it impacts the overall aggregated performance assessment.  
**Met all expectations:** Meets established DAF standards and expectations.  
**Exceeded some, but not all expectations:** Performs beyond most established DAF standards and expectations.  
**Exceed most, if not all expectations:** Performs at a higher level than peers, far exceeds DAF standards and expectations, unique performer. | The Rater (and subsequent evaluators) will not consider, nor comment on, the member's performance during an approved non-rated period (in accordance with paragraph 4.8). **Not Ready Now (NRN):** Not considered ready for promotion at this time based on the need for additional grooming in the current grade, or where personnel may require specific attention regarding performance of established DAF standards and expectations. NRN evaluations do not necessarily constitute a referral, provided the report contains no negative comments, or derogatory information.

**Promote (P):** Recommended for promotion based on performance at or above established DAF standards and expectations. Performs with the majority of personnel and at a level commensurate with peers.

**Must Promote (MP):** Recommended for accelerated promotion based on stellar performance well above established DAF standards and expectations. Designated for outstanding performers who perform at a level higher than their peers. RegAF personnel receiving a “MP” receive a distinct promotion advantage over their peers.

**Promote Now (PN):** Recommended for immediate promotion based on exemplary performance that far exceeds established DAF standards and expectations. Reserved for elite performers who perform well above other personnel in their peer group. RegAF and USSF personnel receiving a “PN” receive a significant promotion advantage over their peers.

Key Duties, Tasks and Responsibilities

Comments in bullet format are mandatory. Limit text to four lines. Enter information about the position the ratee held in the unit as of the SCOD or in the event of PCS or PCA to a new PAS code, information as of the accounting date and the nature or level of job responsibilities. The rater develops the information for this section. This description must reflect the uniqueness of each ratee's job. Be specific--include level of responsibility, number of people supervised, dollar value of resources accountable for, projects managed, etc. Make it clear; use plain English.

Avoid jargon, acronyms, and topical references as they obscure rather than clarify meaning. Previous jobs held during the reporting period may be mentioned only if it impacts the evaluation.

SECTION III. PERFORMANCE IN LEADERSHIP/PRIMARY DUTIES/FOLLOWERSHIP/TRAINING REQUIREMENTS

SECTION IV. WHOLE AIRMAN/GUARDIAN CONCEPT. Note: If an Airman or Guardian is marked “Met some but not all expectations” in Section III then this block will not be completed.

2. An Airman with a TAFMSD of 1 Apr 23 and DOR (E-6) of 10 Jun 23, would have an INITIAL TSgt EPR of 10 Jun 23 - 30 Nov 23.
3. An Airman with a TAFMSD of 1 Jul 19 and DOR (E-6) of 3 Sep 23, would have an INITIAL TSgt EPR of 3 Sep 23 - 30 Nov 23.
4. An Airman with a TAFMSD of 1 Oct 23 and DOR (E-6) of 3 Dec 23, would have an INITIAL TSgt EPR of 3 Dec 23 - 30 Nov 24.

Retraining guidance for Airmen selected to become a 3N2 or 3N3 TSgt (e.g., from regional bands, or other Air Force Specialties):

If a member has no previous enlisted evaluations, an INITIAL report will be accomplished by the premier band with a rating period from the date they arrived at their previous duty station to the first 30 November TSgt SCOD following the new DOR (date arrived on station at premier band), regardless of where member was assigned on the accountability date. The losing unit will provide an LOE to assist in writing first TSgt EPR.

If a member has received a previous enlisted evaluation prior to becoming a 3N2 or 3N3 TSgt, an ANNUAL report will be accomplished by the premier band with a rating period immediately following their last enlisted evaluation and close out on the first 30 November TSgt SCOD following new DOR (date arrived on station at premier band), regardless of where member was assigned on the accountability date. The losing unit will provide an LOE.

Note: If the member was already a TSgt prior to arrival at a premier band, the unit to which they were assigned on the accountability date will maintain member on their MEL and will accomplish the 30 November enlisted evaluation.

| 12 | Duty Description | Comments in narrative format are mandatory. Enter information about the position the ratee held in the unit and the nature or level of job responsibilities. The rater develops the information for this section.

This description must reflect the uniqueness of each ratee’s job. Be specific—include level of responsibility, number of people supervised, dollar value of resources accountable for/projects managed, etc. Make it clear; use plain English. Avoid jargon and topical references—they obscure rather than clarify meaning. Only acronyms on the approved acronym list are authorized.

Previous jobs held during the reporting period may be mentioned only if it impacts the evaluation.

365-day extended deployments will use the TDY duty description. |

Use drop-down function to select level of responsibility.
**Responsibilities in the Future.**

**DO NOT RETAIN** – Select this category when CMSgts are not recommended for retention. Do not retain recommendations constitute a referral evaluation and therefore require senior rater comments in Section II, part 1. Comments that exceed one line will require the use of an DAF Form 77.

| 23 | Rater Assessment | Concur/non-concur with the rater’s assessment by making the appropriate selection. |
| 24 | Future Roles | If the senior rater marks either “Ready Now, On-Track, Current Assignment, or Groom” then select the block that accurately describes the ideal future roles (no more than two roles; first recommendation or “primary vector” has highest precedence). Use drop-down functions to select future roles. |

**Note:** Senior raters may not recommend future roles for those ratees considered “Do Not Retain” for higher responsibility.

**Note:** Senior raters will stratify all CMSgts receiving a primary vector for the current year’s Command Chief Screening Board.  *(T-1)* CMSgts being nominated will be stratified against all CMSgts under the senior rater’s purview, not just those CMSgts eligible for or nominated for CCM duty. *(T-1)* CMSgt selects may not be included in the total number of CMSgts under the senior rater’s purview.

Stratification is prohibited for those CMSgts not receiving
nomination for the current year’s Command Chief Screening Board. CCM nominations must be accompanied by a “Ready Now” recommendation. CMSgts not receiving a “Ready Now” recommendation for higher responsibility are not eligible for a primary vector CCM duty nomination.

(RegAF Only) CMSgt ratees may only be nominated for CCM duty provided they meet the minimum CCM TIG requirements established by AF/A1LE for the applicable year’s Command Chief Screening Board.

Chapter 5

DAF FORM 77, LETTER OF EVALUATION

5.1. Purpose. Letters of Evaluation (LOE) assist raters in preparing officer and enlisted evaluations and are most often used when the ratee is under the supervision of someone other than the official rater. Raters may request LOEs from deployed/TDY supervisors or former supervisors with less than 120 calendar days of supervision during the evaluation reporting period.

5.2. Types of LOEs.

5.2.1. Formal LOEs. Formal LOEs, commonly known as the mandatory LOEs, are filed in the member’s official records (ARMS and PRDA). Complete mandatory LOEs for the following:

5.2.1.1. Deployed Commander. Documents performance of deployed officers (RegAF, USSF, Guard, or Reserve) through the grade of colonel appointed on G-series orders to fill detachment, squadron, group, and wing/delta commander positions for at least 45 calendar days. These LOEs will not restart the officer evaluation “clock” regardless of the TDY tour length. They are considered “embedded” evaluations. Further, there is no required minimum or maximum number of days of supervision. Officers filling 365-day deployments as the detachment, squadron, group, or wing/delta commander will receive an officer evaluation in accordance with paragraph 3.9.

5.2.1.1.1. A negative assessment or comments will make the LOE a referral and require additional rater comments. If the evaluation is a referral, the reverse side of the form (Section VIII) is also completed. There is no minimum number of days required for completion of a referral LOE. Note: A non-concur does not necessarily make the report a referral.

5.2.1.1.2. Two evaluators, the rater and additional rater, will complete the DAF Form 77. (T-1) However, if the rater is a general officer, then the rater is considered a single evaluator and an additional rater is not required unless the report is a referral.

5.2.1.1.3. The form may be typed or handwritten and completed no later than 7 calendar days after ratee relinquishes command. The goal is to ensure that the LOE is completed before returning to home station. The FROM and THRU dates are determined by the date assumed/relinquished command.

5.2.1.1.4. LOEs will be accepted directly from individual officers. However, they will not be processed until the PERSCO team or the Air Force forward (AFFOR)/A1 verifies the eligibility of the officer. (T-1) The officer should contact their PERSCO team or AFFOR A1 to route the LOE through the appropriate channels.

5.2.1.2. Deployment/Contingency Operations. Document performance for deployed personnel not assigned to a deployed commander’s billet when there are 60 or more days of supervision. While an LOE is mandatory, it will not be filed in the member’s official record. Note: When the home station rater is also the deployed rater, an LOE is not required.

5.2.1.2.1. There are no official means to track LOEs in a deployed/contingency operation environment. The rater and ratee are responsible for accomplishing the LOE
and ensuring it is forwarded to the ratee’s home station rater. Contact the PERSCO team for local procedures.

5.2.1.2.2. An LOE may be accomplished for periods shorter than 60 days. There is no maximum number of days of supervision.

5.2.1.2.3. Complete LOEs no later than 7 calendar days from departure. When circumstances preclude a rater from accomplishing a LOE at the time of departure, every effort should be made to complete and provide a LOE to the home station when feasible.

5.2.1.2.4. Failure to receive a LOE is not grounds to appeal a future evaluation based on the absence or lack of deployment information in an evaluation.

5.2.1.3. PCS/PCA Departures. Document periods for ratees who will PCS/PCA prior to the SCOD. In cases where the rater departs, complete a draft enlisted evaluation to fulfill this requirement. While an LOE is mandatory, it will not be filed in the member’s official record.

5.2.1.4. Period of Supervision. Document periods of supervision of at least 60 calendar days but not enough to require an officer evaluation, less than 120 calendar days of supervision.

5.2.1.5. Separation. For A1Cs or Spc3s and below with less than 36 months total active federal military service, an LOE is required for separation cases involving parenthood, conditions that interfere with military service, unsatisfactory performance, or failure in the fitness program. If the ratee is separating to go into the ARC or transferring to another branch of service, an evaluation is required. (T-1) However, for officers only, if there is less than 120 calendar days of supervision an LOE is required. See Table 5.1.

5.2.2. Informal LOEs. Informal LOEs, commonly known as the optional LOEs, are not filed in the member’s official records/ARMS and PRDA or attached to the completed evaluation.

5.2.2.1. Raters may use the information from the LOE at their discretion. When used, information may be paraphrased or directly quoted from the LOE.

5.2.3. Supplemental LOEs. Supplemental LOEs are filed in the member’s official records (ARMS and PRDA), attached to the evaluation they are supplementing.

5.2.3.1. Types of Supplemental LOEs include:
   5.2.3.1.1. Continuation sheet for referral evaluations.
   5.2.3.1.2. Continuation sheet for evaluator disagreements.
   5.2.3.1.3. Continuation sheet for the Air Force or Space Force Advisor.
   5.2.3.1.4. Continuation sheet for the Functional/Acquisition Examiner.

5.2.4. Administrative LOEs. Administrative LOEs are filed in the member’s official records (ARMS and PRDA) to document missing, lost, removed, or voided evaluations.

5.2.4.1. Administrative LOEs are not derogatory in nature.

5.2.4.2. Administrative LOEs are used to justify legitimate gaps between evaluations such as:
5.2.4.2.1. To document a break in service. See Table 5.1.

5.2.4.2.2. To document extended periods of lost time, including prisoner status and appellate leave. Upon release, an DAF Form 77 will be accomplished by the servicing MPF or CSS. The start date will be the day after the close-out of the last evaluation and the end date will be the day the member is released from confinement. The next evaluation will begin the day after the close-out date of the LOE. See Table 5.1.

5.2.4.2.3. To document educational leaves of absence, e.g., Bootstrap and/or educational leave to a civilian institution. See Table 5.1.

5.2.4.2.4. To document a legitimate gap when the ratee was on the temporary disability retired list and later removed and returned to duty. See Table 5.1.

5.2.4.2.5. (USSF only) All enlisted Guardians who transfer to the USSF from the Army, Navy, and Marine Corps will require an administrative LOE to align with the appropriate SCOD.

5.2.4.3. Administrative LOEs are used to substitute lost, missing or removed evaluations such as those:

5.2.4.3.1. Ordered removed by the AFBCMR, in accordance with DAFI 36-2603. See Table 5.1.

5.2.4.3.2. Ordered removed by the ERAB in accordance with Chapter 10. See Table 5.1.

5.2.4.3.3. Lost and/or missing evaluations in which all actions to locate lost and/or missing evaluations have failed. See paragraph 1.14 for procedures and Table 5.1 for preparation of the DAF Form 77.

5.2.4.4. The use of administrative LOEs must be approved by AFPC or ARPC prior to filing them into the member’s official records (ARMS and PRDA).

5.2.5. Other Purposes. AFPC/DPMSPE may use the DAF Form 77 to document when a board specific PRF is not required or available as stated below:

5.2.5.1. For officers on appellate leave or in prisoner status.

5.2.5.2. For officers who enter RegAF or the Space Force directly into Air Force-level or Space Force-level training.

5.2.5.3. For officers who have a break in service and reenter directly into Air Force-level or Space Force-level training.

5.3. Who Can Prepare.

5.3.1. Raters or any evaluators. Do not skip evaluators who are temporarily unavailable or to afford a higher-level evaluator the opportunity to endorse or comment on the LOE.

5.3.2. Personnel responsible for observing a ratee’s performance when the ratee is not under the direct supervision of the designated rater.

5.3.3. Personnel directed to do so by the Air Force Board of Correction or ERAB.

5.3.4. MPF or CSS/HR specialist personnel as authorized.
5.4. Administrative Practices.

5.4.1. LOEs will cover the period from the first day of supervision (or the day following the close-out date of the last officer evaluation, enlisted evaluation, or TR, whichever is later) through the last day of supervision.

5.4.2. DAF Form 77 may be typed or handwritten.

5.4.3. Limit comments to space provided on formal LOEs. If additional space is required on informal or supplemental LOEs, continue comments on a separate page and attach it to the LOE.

5.4.4. Correct minor errors using a pen or correction fluid. Corrections and/or erasures that change the meaning of a sentence must be initialed. Re-accomplish forms with excessive corrections and/or erasures. Do not use self-adhesive correction tape.

5.4.5. Prepare LOEs in one copy.

5.4.6. Prepare LOEs using bullet format only.

5.4.7. Prohibited Comments. See paragraph 1.12 for prohibited comments.

5.4.8. Raters may show an DAF Form 77 to the ratee.

5.5. Completing DAF Form 77, Letter of Evaluation.

5.5.1. See Table 5.1 for step-by-step procedures on completing all LOEs.

5.5.2. Deployed Commander LOEs. See paragraph 5.2.1.2.1.

5.5.3. Formal LOEs. See paragraph 5.2.1.

5.5.4. General Officer (to include selects) LOEs. See Chapter 7.

5.6. Routing, Updating and Disposition Responsibilities.

5.6.1. Informal LOEs will not be placed in the Master Personnel Record Group. For all other informal LOEs, to include deployed enlisted ANG AGR/Statutory Tour personnel, the rater/supervisor forwards the completed form to the MPF, CSS/HR specialist PERSCO team who will, in turn, forward to the ratee’s new and/or designated rater.

5.6.2. Supplemental LOEs are required to be attached to the evaluation they are supplementing and will be made a matter of record. They will be placed in the OSR/SNCO selection record attached to the documents they are supplementing. A copy will be forwarded to ARMS and PRDA. (T-1)

5.6.3. Administrative LOEs are required to be placed in the OSR or SNCO selection record, ARMS and PRDA to substitute a missing evaluation or explain a gap between evaluations. The preparing agency forwards the original to the OSR or SNCO selection record, ARMS, and PRDA. Perform any updates if required.

5.6.4. For all other LOEs not listed above, contact AFPC/DPMSPE or ARPC/DPT for procedures and/or further guidance.
5.7. MPF, CSS/HR Specialist, and PERSCO Team Responsibilities.

5.7.1. Quality review LOEs and take corrective action if appropriate.

5.7.2. When applicable, make appropriate updates and forward the LOE to the rater pending the next evaluation.

5.7.3. Provide LOEs to the member’s rater for use in preparing the next performance evaluation or training report. LOEs closing during the period of the performance evaluation will accompany the evaluation notice through the rating chain and remain with the notice and evaluation until received by the MPF.

5.7.4. Forward LOEs to the member’s gaining MPF or CSS/HR specialist when the member departs PCS, and no evaluation was required prior to departure.

5.7.5. Give the LOE to the member upon separation, retirement, or completion of the next performance evaluation. **Note:** LOEs closing during the period of the performance evaluation will accompany the evaluation notice through the rating chain and remain with the notice and evaluation until received by the MPF or CSS/HR specialist. Once the MPF or CSS/HR specialist determines the evaluation is acceptable for processing to file, they return the LOE to the ratee.

5.7.6. PERSCO Team Specific Responsibilities.

5.7.6.1. Identifies raters’ and ratees’ projected departure dates to AFFOR/A1, works with AFFOR/A1 to review and validate the list of commanders they service on G-series orders, and establish tracking and suspense control for all deployed commander LOEs at the deployed location. See paragraph 5.6 for disposition of completed LOEs.

5.7.6.2. Provide the deployed rating chain the G-series order number and date for LOE preparation.

5.7.6.3. Upon receipt of final LOEs from deployed rating chain, verify if an Air Force or Space Force advisor is required and forward to the Air Force or Space Force advisor if required.

5.7.6.4. Final disposition of completed deployed commander LOEs.

5.7.6.4.1. Digitally signed LOEs: Upload the completed DAF Form 77 according to the Personnel Services Delivery Guide and submit to AFPC/ARPC for transmission to ARMS and PRDA.

5.7.6.4.2. Wet signature LOEs. PERSCO teams upload the completed DAF Form 77 according to the Personnel Services Delivery Guide. PERSCO teams without system access will mail the completed DAF Form 77 to AFPC/DPMSPE, 550 C Street West Suite 7, Joint Base San Antonio-Randolph, TX 78150. When the servicing PERSCO team is not collocated with the rater, the rater will mail the form to AFPC/DPMSPE. If in a location where there is no mailing capability, PERSCO teams will place the completed form in a pre-addressed envelope and seal it. The ratee, rater, PERSCO team member, or trusted agent will be allowed to hand-carry and mail the form at first opportunity.
5.7.7. Additional Processing Responsibilities.

5.7.7.1. AFPC/DPMSPE

5.7.7.1.1. Upon receipt of the DAF Form 77, AFPC/DPMSPE will validate the form and update MilPDS for RegAF or Space Force officers and send to ARMS and PRDA.

5.7.7.1.2. If it is determined that the officer is not eligible at any time in the process, then the LOE will be changed to “Optional” and forwarded to member’s home unit rater.

5.7.7.1.3. For RegAF or USSF officers, AFPC/DPMSPE forwards original, digitally signed LOEs to ARMS and PRDA. For colonels, AFPC/DPMSPE sends “wet” signed LOEs to ARMS and PRDA, AF/A1LO or SF/S1L, and either mail or email a scanned copy to the respective MAJCOM/FLDCOM and MPF, if applicable.

5.7.7.1.4. For ARC officers, AFPC/DPMSPE forwards the original to ARPC/DPT, who will then be responsible for distribution and/or update to applicable organizations, depending on component and status.

5.7.7.2. ARPC/DPT and AF/A1LO.

5.7.7.2.1. Will coordinate with AFPC/DPMSPE to identify officers meeting upcoming promotion boards.

5.7.7.2.2. Will conduct a quality control review of all deployed commander LOEs, process through ARMS and PRDA, and file the LOE in the officer’s OSR.

5.7.7.3. ARMS. Once a deployed commander LOE is received, it will be stored in ARMS.

5.7.7.4. MAJCOM, FLDCOM or Combatant/Component Command. Responsible for designating the AF advisor (must be a colonel or above) when the final evaluator for a deployed commander LOE is not an AF officer or Department of the Air Force official.

### Notes:

1. Grade Data. Use the information below to determine the appropriate grade entry. For:
   a. Officers. Enter the active duty grade in which serving on the close-out date. If the ratee has been frocked, enter actual grade, not the grade the member is wearing.
   b. Non-Extended Active Duty ANG and AFR Officers. Enter grade in which serving and “Non-Extended Active Duty.” When an officer awaiting federal recognition of a unit vacancy promotion to a higher grade is due an evaluation, show the officer's federally recognized grade as of the close-out date of the evaluation, not the projected grade.
   c. All Active Guard Reserve (AGR) on Extended Active Duty under 10 U.S.C. §§ 10211, 10305, 12310, 12402 or 32 U.S.C. § 708. Enter grade in which serving and “AGR”. LEAD officers on Extended Active Duty under 10 U.S.C. § 12301(d), enter grade in which serving and “LEAD”.
2. FROM and THRU Dates. Use the criteria below to establish the correct date to use:
   a. On all LOEs, the FROM date is the first day of supervision or observation; the day following the close-out of the last evaluation or TR whichever is later; or if there is not previous evaluation, the extended active duty or total active federal military service date.
   b. On informal LOEs, the THRU date is the last day of supervision or observation.
c. On formal LOEs, the THRU date is the day before the effective date (departure date) of the 
PCS, PCA, temporary duty action, or the day before the commander’s written notice of a 
planned separation in accordance with DAFI 36-3211.
3. Signatures and Dates.
a. Sign and date the original form. Do not sign or date before the close-out date. Enter only the 
last four digits of the evaluator’s social security number. If the evaluator is a civilian or a 
member of a foreign service, the social security number is not required.
b. Upon Senate confirmation, colonels on the brigadier general select list are permitted to sign 
all Officer Evaluation System forms as “Brig Gen (Sel)” provided they are either designated by 
their respective management level as a senior rater or they are assigned to an authorized, funded 
or unfunded, brigadier general officer position, frocked or not.
c. Upon Senate confirmation, brigadier generals on the major general select list are permitted to 
sign all Officer Evaluation System forms as “Maj Gen (Sel)” provided that they are either 
evaluating other general officers or are assigned to an authorized, funded or unfunded, major 
general officer position, frocked or not.
d. Upon Senate confirmation, all general officer selects, assigned to joint billets or unified 
commands, may sign all Officer Evaluation System forms as “NAME, Brig Gen (Sel), USAF”.
e. Any LOE closing out prior to the senate confirmation date will not reflect the “Select (Sel)” 
and, if necessary, be forwarded up the chain for endorsement. In addition, all frocked general 
officers are authorized to sign all Officer Evaluation System forms in their frocked grade 
without designating their frocked status (e.g., major general vice major general “frocked”).
4. The examiner/advisor may provide clarification about the ratee's duty performance, elaborate 
on types of functions ratee performs (advisor), or clarify acquisition-related considerations 
(examiner), and explain any uncommon phrases or terms. Limit comments to the space 
provided. See paragraph 1.6.8 to determine when an acquisition/functional examiner/AF or SF 
advisor is required.
5. Gaps and Unrated Periods between Evaluations. See DAFI 36-2608.
a. Documenting Unrated Periods between Officer Evaluations. Complete an DAF Form 77 with 
the inclusive dates of the unrated period. Enter the statement “Prior-service enlistee (or officer) 
not rated for the above period,” in Section IV of the DAF Form 77. When an officer enters the 
Air Force or Space Force from another service, prepare a DAF Form 77 to cover the period 
between the close-out date of the officer’s last performance evaluation in the other service and 
the date of entry into the Air Force or Space Force. The servicing MPF prepares the DAF Form 
77 and forwards a copy to the custodian of the SNCO selection record, Officer Command 
Selection Record Group (OCSRG), OSR, and ARMS and PRDA. The servicing MPF informs 
the officer of the preparation and filing of the DAF Form 77. Responsibility for the preparation 
of the DAF Form 77 is as follows:
(1) ARPC for individuals recalled under 10 U.S.C. §§ 10301, 10211, 12301(d), 12310, 10305, 
8038 and 12402; US Property and Fiscal Officers recalls under 32 U.S.C. § 708; and recalls to 
serve with the Selective Service.
(2) The losing ARC MPF, if assigned to nonparticipating status:
(a) For Reservists. ARPC/DPTSE documents voids in records for periods of service for officers 
assigned to a reserve section, voids caused by a Guard officer moving from one state to another, 
and voids caused when a member's federal recognition date is not the day following the close-
out of their last officer evaluation.
(b) For unit recalls, the servicing MPF or CSS prepares the DAF Form 77.
b. For Individuals with Prior Service with Previous Evaluations. When the ratee, including an enlistee with prior service, has previous performance evaluations on file but has gaps in ratings due to the breaks in military service, the FROM date becomes the day after the close-out date of the last evaluation prepared. Enter the statement “Prior-service enlistee (or officer) not rated for the above period” in Section IV of the DAF Form 77. For the THRU date:
(1) Update the day before the extended active duty date in the system for active duty personnel. (2) Update the day before the assignment begins in the system for non-active duty SrA and above.
(3) For enlisted members, project the annual evaluation one year from their extended active duty date, unless the ratee does not have at least 20 months total active federal military service on the extended active duty date; in this case, close out the evaluation when the ratee completes 20 months total active federal military service as an initial evaluation. Exception: A DBH evaluation is required for promotion consideration. For ARC, less than 20 months date initial entry uniformed services.
(4) For officers, project the annual evaluation one year from their extended active duty date.

c. For individuals with prior service, but no earlier evaluations. When an individual with prior service has no evaluations reports on file, the period of the DAF Form 77 begins with the ratee’s total active federal military service date (Enlisted) or extended active duty date (Officers) and closes out the DAF Form 77 one day before the reentry to extended active duty which is reflected in the system.
(1) Enter the statement “Prior-service enlistee (or officer) not rated for the above period,” in Section IV of the DAF Form 77.
(2) For enlisted members, update the system with rating code “PB” (Not rated (break in service)) and the close-out date. For officers, forward the DAF Form 77 to the Master Personnel Record Group custodian, for routing and distribution.
(3) For enlisted members, project the evaluation to the next static close-out date unless the ratee does not have at least 20 months total active federal military service on the extended active duty date; in this case, close-out the evaluation when the ratee completes 20 months total active federal military service, as an initial evaluation.
(4) For officers, project the annual evaluation one year from their extended active duty date. Exception: A DBH evaluation is required for promotion consideration.

d. Restored to Regular Active Duty. A release from active duty that has been voided by the Board for Correction of Military Records and the ratee has been ordered back to active duty. AFPC/DPMSP will prepare the DAF Form 77. Enter the statement: “No evaluation available for the period (date) through (date). Officer restored to regular active duty by direction of the Secretary of the Air Force,” in Section IV of the DAF Form 77.

e. Lost Time, Confinement or Prisoner Status, or Appellate Leave. To document extended periods of lost time, including military and/or civilian confinement, prisoner status and appellate leave, the member’s servicing MPF or CSS will prepare the DAF Form 77. Enter the statement: “No evaluation available for the period (date) through (date). No evaluation required in accordance with DAFI 36-2406,” in Section IV of the DAF Form 77.

f. Hospitalizations/Convalescent and/or Casual/Patient Status. To document unrated periods on individuals who are in full-time student (functional category “L”) or, hospitalizations, periods of convalescent and/or casual/patient status, enter the statement: “No evaluation available for the period (date) through (date). No evaluation required in accordance with DAFI 36-2406,” in
Section IV of the DAF Form 77.
g. Educational Leave of Absences. To document unrated periods on individuals who are on an educational leave of absences (e.g., Bootstrap and/or educational leave to a civilian institution), the period will be from the time the individual started the educational program through when the member returned to the unit (subtracting any ordinary leave). Section II A will have marked "Supplemental Sheet." No other areas will be marked on the DAF Form 77. The DAF Form 77 will be signed ("wet") by no lower than the unit commander of the members' assigned unit. Enter the statement: “Educational Leave of Absence from (date) through (date). No evaluation required in accordance with DAFI 36-2406” in Section IV of the DAF Form 77. The next evaluation period will start the day after the thru date on the DAF Form 77.
h. Temporary Disability Retired List. To document an unrated period when the ratee was on the Temporary Disability Retired List; then removed and returned to active duty (Temporary Disability Retired List removal and return to active duty is prepared by AFPC/DPSDD) enter the statement: "No evaluation for the period (date) through (date). Officer not rated due to placement on the Temporary Disability Retired List," in Section IV of the DAF Form 77.
i. AFBCMR Directed. Board actions taken by the AFBCMR under DAFI 36-2603, will enter the statement: "Not rated for the above period. Evaluation removed by the order of the SecAF,” in Section IV of the DAF Form 77.
j. ERAB Directed. Board actions taken by the ERAB in accordance with Chapter 10 will enter the statement: (USAF) "Not rated for the above period. Evaluation removed by order of the Chief of Staff, USAF,” in Section IV of the DAF Form 77; (USSF) “Not rated for the above period. Evaluation removed by order of the Chief of Space Operations, USSF,” in Section IV of the DAF Form 77.
k. Lost and/or Missing Evaluations. See paragraph 1.14 for procedures. For lost and/or missing evaluations in which all actions to find/recover have failed, use the DAF Form 77 as a substitute for a missing evaluation. Complete the name, social security number, and grade blocks in section I. Mark the “Supplemental Sheet” block and complete the FROM and THRU blocks in section II. Enter the statement: “No evaluation available for the period (date) through (date) for administrative reasons which were not the fault of the member. The system [reflects an overall rating of “X”]/ [does not reflect an overall rating] in Section IV of the DAF Form 77.

6. When an DAF Form 77 is used for other than performance evaluations, the HR specialist enters their information in the signature block and signs in Section IV.

**Notes:**

1. Deployed Commander LOE. Prepare for officers (in the grade of colonel and below) deployed in support of contingency operations to fill detachment, squadron, group, delta, and wing commander requirements. Tour length of deployment to fill commander requirement must be 45 calendar days or more. If a commander is forward deployed to fill another commander requirement at a different location, they may receive more than one LOE provided the minimum 45 calendar day requirement is met at each location. The commander must be designated on G-Series orders. **Exception:** Commanders filling 365-day extended deployment billets will have an officer evaluation accomplished if: (RegAF and ARC only) deployed at the commander’s respective SCOD; or, (USSF only) an evaluation becomes due while deployed.

2. Supervision Requirements. A minimum of 60 calendar days and not more than 120 calendar days supervision is required. Deployed personnel not covered in Rule 1, or deployed personnel not filling a 365-day extended deployment, require a minimum of 60 calendar days supervision. However, supervision may be greater than 120 calendar days, depending on how long the member is deployed and/or extended. The close-out date will be one day prior to the member’s departure date.

3. Prepare when required by DAFI 36-3211.

4. Supplemental LOEs are required to be attached to the document they are supplementing and will be filed in the Master Personnel Record Group with that document.

5. Administrative LOEs are filed in the Master Personnel Record Group for informational purposes, to explain gaps in records, missing evaluations, breaks in service, etc.

6. If the ratee has less than 20 months total active federal military service and comments in the LOE are referral in nature, only an informal LOE is authorized. The comments from this LOE may be included in the ratee’s initial evaluation.
Chapter 6

AF FORM 475, EDUCATION/TRAINING REPORT

6.1. When to Use Training Reports (TR).

6.1.1. Submissions are mandatory (See Table 6.2.):

6.1.1.1. Upon completion or interruption of, or elimination from formal training or education when the scheduled course length is eight weeks or more or as authorized in this chapter when the specific course is less than eight weeks (Chaplain or Medical Programs, Squadron Officer School, and Commissioned Officer Training); AFR Air Reserve Technicians (ART) and ANG Military Technicians attending formal training or education in civilian status receive a TR and credit in the civilian evaluation system. **Note:** Only training of 20 weeks or more will be updated in MilPDS and restart the next evaluation inclusive dates. (T-3)

6.1.1.1.1. If the interruption or elimination from training was of no fault of the officer, a TR will be completed if the officer was enrolled in training for 10 duty days or more to document performance. If the officer was enrolled in training for 9 duty days or less, a TR is not required. However, a memorandum for record will be produced by the training squadron commander stating the interruption or elimination was of no fault of the officer and they are eligible to attend the training, provided they continue to meet the requirements.

6.1.1.1.2. If the officer is at fault regarding the interruption or elimination from training, a TR is required regardless of length of time enrolled in training.

6.1.1.2. Enlisted. AF Form 475s are not authorized for enlisted members.

6.1.1.3. For self-paced courses, when the prescribed course length is eight weeks or more, regardless of the time actually required to complete the course.

6.1.1.4. At the end of each academic year, unless the course completion date is within four months of the annual TR. The academic year for officers attending law school under Funded Legal Education Program or the Excess Leave Program ends after the officer's summer internship training.

6.1.1.5. For personnel participating in the World Class Athlete Program, one year from beginning training, then annually until training is completed or member is eliminated from training.

6.1.1.6. Reserve Chaplain Candidates. At the end of each active duty training tour of 10 days or more and processed as prescribed by AFRC.

6.1.1.7. Member is assigned to a full-time degree program through the Air Force Institute of Technology. Requirements are the same as in effect for officers in attendance. The rater on the TR is designated by the commandant of each Department of the Air Force school or the detachment commander. The designee must serve in a grade equal to or higher than the ratee.

6.1.1.8. Interrogator Duty Training. Members fulfilling these requirements must complete six months of training with the US Army prior to departing for the actual deployment.
Therefore, students attending Interrogator Training are administratively assigned to the 314th Training Squadron, Fort Huachuca, for the 23-week program. These evaluations will be updated in MilPDS.

6.1.2. Submission for Advanced Academic Degree Subsequent Completion.

6.1.2.1. Upon completion of advanced academic degrees, a member who left full-time student status prior to completing thesis or dissertation degree requirements may request to have a TR filed in his or her record. Member must meet the following eligibility criteria to reflect degree completion:

6.1.2.1.1. The member was assigned to a full-time degree program through the Air Force Institute of Technology. (T-3)

6.1.2.1.2. The member completed all but the thesis or dissertation portion of the degree program. (T-3)

6.1.2.1.3. The member has a previous AF Form 475 in the Master Personnel Record Group that clearly identifies the reason for non-completion as, "Thesis or dissertation not completed during an Air Force Institute of Technology tour," in accordance with Table 6.1. (T-3)

6.1.2.1.4. The member completed the degree requirements of the Air Force Institute of Technology program in which they were originally enrolled. (T-3)

6.1.2.1.5. The officer documented degree completion through Air Force Institute of Technology (AFIT) channels (verified via a MilPDS inquiry). (T-3)

6.1.2.2. The member who meets the above criteria is responsible for submitting an official transcript to AFIT/RRE requesting completion of a TR.

6.1.3. Directed Submission. When directed by HAF or HSF, for courses 8 weeks or longer.

6.1.4. AFIT Master’s Degree Students and Other Long School Students. Students will receive one final TR upon completion of a course 18 months or less. Exception: Above the promotion zone students will receive DBH TRs (as required) for their applicable central selection boards. AFIT PhD students will receive a mid-course and final training report. If a student is disenrolled for unsatisfactory progress or eliminated/withdrawn for other reasons, a TR is rendered when the member is reassigned. In addition, consider DBC referral TRs if a student does not meet standards in an area other than training progress.

6.1.5. Air National Guard and Air Force Reserve.

6.1.5.1. Students completing initial skills training courses will not receive a TR. It is a total force policy, and the same consistent rules apply.

6.1.5.2. Students completing training (not initial training) courses 20 weeks or longer in duration will receive a TR.

6.1.5.3. Students taking advanced or supplemental courses longer than 20 weeks will receive a TR.

6.1.5.4. There are no special or unique distribution instructions for Guard or Reserve members on TRs. The same procedures used to process performance evaluations will be used to process TRs.
6.2. Who Prepares Training Reports.

6.2.1. The officer designated by the commandant of each Department of the Air Force school or the commander of each Air Reserve squadron. The designee must be serving in a grade equal to or higher than the ratee, except for TRs submitted under paragraph 6.2.2. (T-1)

6.2.2. In exceptional cases, the student's commander and a military training institution may mutually agree on an evaluator (civilian or military) not under the jurisdiction of the unit of assignment. An official of a civilian institution will not sign or submit a TR. (T-1)

6.2.3. The education services officer may complete a TR only when they are the rater.

6.2.4. AFIT personnel prepare TRs for officers under the Funded Legal Education Program or Excess Leave Program. The staff judge advocate of the student’s assigned unit for internship training may prepare an optional LOE and submit it to AFIT at the end of each summer internship.

6.2.5. Graduate School of Engineering and Management, AFIT, prepares TRs for officers participating in the PhD program during both the academic and the research phases. During the research phase, sponsoring laboratory and research facility personnel may prepare an optional LOE and submit it to AFIT.

6.2.6. AFIT standardizes TRs that document completion of advanced academic degrees received after leaving AFIT full-time student status, if all the criteria listed in paragraph 6.2.2 are met.

6.2.7. AFIT personnel prepare TRs on officers in graduate level study programs that are 26 weeks or longer. The evaluator may communicate directly with the institution to obtain the information required to prepare the evaluation. See Table 6.1 for recording adverse actions.

6.2.8. Commissioned Officer Training School personnel prepare TRs for officers who complete Commissioned Officer Training School.

6.2.9. The Headquarters Air Force Services Agency Commander prepares TRs on members participating in the World Class Athlete Program.

6.3. Referral Training Reports. See paragraph 1.10.6.4.

6.4. Routing and Responsibilities.

6.4.1. For officers attending school in TDY status:

6.4.1.1. The school prepares the TR, performs a quality review, and makes distribution as follows:

6.4.1.1.1. Forward the original to AFPC/DPMSPE (ADL) or ARPC/DPMSPE (Reserve Active Status List [RASL]), who files the TR into the Master Personnel Record Group and updates MilPDS. For judge advocates (lieutenant colonel and below), forward a copy of the TR to HAF/JAX.

6.4.1.2. TRs on extended active duty officers are due to AFPC 60 calendar days after evaluation close-out date. (T-2) AGR and LEAD officers’ evaluations are due to ARPC/DPTSE 60 calendar days after the close-out date. (T-2)
6.4.1.3. TRs on non-extended active duty officers are due to ARPC/DPTSE 60 calendar days after evaluation close-out date. (T-2)

6.4.2. For officers attending school in PCS status:

6.4.2.1. The school prepares the TR and forwards the original to AFPC/DPMSPE, ATTN: Evaluations Operations, 550 C Street West, Joint Base San Antonio, TX 78150.

6.4.2.2. TRs are due to AFPC 60 calendar days after evaluation close-out date (120 calendar days for AFIT/civilian institution programs).

6.4.3. For non-extended active ANG officers, send TRs to the servicing MPF for quality review, adding of opening dates and AFSCs. The MPF will distribute the completed original TR to ARPC/DPTSE and copies to the OCSRG and State Adjutant General not later than 60 calendar days after close-out date.

6.4.4. AFIT/RRE will forward the completed TR that documents subsequent completion of an advanced academic degree to all appropriate agencies for filing in the Master Personnel Record Group. The TR will be filed based on the signature date of the AF Form 475, not with the original AF Form 475 that indicated non completion of the advanced academic degree.

Notes:
1. See TR notice for ratee identification data. If any data is incorrect, notify the MPF or CSS/HR specialist for correction.
2. See Table 6.2 for FROM and THRU areas.
3. For AFR selective service officers attending a National Security Seminar, leave blank.
4. Use the following guidelines in determining the reason for the TR:
   a. Final. On completion of, interruption by official orders of, or elimination for any reason from scheduled course/training program, or when released by the training organization.
   b. Annual. At the end of each academic year, except for final year, for officers in extended programs. When the graduation date is within four calendar months of the annual evaluation, submit a final TR in place of the annual TR.
   c. Directed. When directed by HAF or HSF or an appropriate commander for extended active duty officers or AFR officers not on extended active duty, or NGB for ANG officers not on extended active duty. TRs will reflect "Directed."
5. For AFR officers in selective service performing their annual active duty tour for training through attendance at a National Security Seminar, enter "National Security Seminar" and location.
6. If the student has failed to complete the course of training, use one of the following phrases and indicate whether the elimination was due to factors over which the student did or did not have control (if derogatory comments are used, the TR must be referred):
   a. Withdrawn without prejudice for the needs of the Air Force or Space Force (only used for those in training for 10 duty days (or more) and training was interrupted or the officer was eliminated due to no fault of their own).
   b. Withdrawn for humanitarian reasons (only used for those in training for 10 duty days (or more) and training was interrupted or the officer was eliminated due to no fault of their own).
   c. Eliminated for academic deficiency.
   d. Eliminated for flying deficiency.
   e. Eliminated for physical reasons.
   f. Eliminated for fear of flying.
   g. Eliminated for manifestation of apprehension.
   h. Eliminated for instructor non-adaptability.
   i. Eliminated for skill or aptitude deficiency.
   j. Voluntary self-elimination.
   k. Physical fitness failure.
   l. Thesis or dissertation not completed during AFIT tour.
   m. If none of the above reasons apply, state the reason. To explain further, also enter "See Comments," and explain in the appropriate comment section.
7. The following entries are mandatory when applicable:
   a. Comments regarding court-martial convictions.
   b. Comments regarding elimination or interruption of training by official orders, citing specific reason when possible.
   c. Comments mandatory for AFR selective service officers: enter "Officer is attending this section of National Security Seminar as their annual short tour." Note: Although not mandatory for inclusion, evaluators are strongly encouraged to consider making comments on TRs regarding adverse actions such as Article 15s, letters of reprimand, admonishment or counseling, or control roster action.
8. Comments are standardized on TRs prepared by AFIT/RRE.
9. Hold evaluations for students who complete a course early (Example: Self-paced course) until the course supervisor determines whether the student is a distinguished or outstanding graduate. The THRU date on the TR is the date the officer completes the course, not the date the school determines the officer is a distinguished or outstanding graduate.

Notes:
1. TRs prepared under this rule begin the day following the THRU date of the student’s last officer evaluation or TR unless it is an initial TR. For initial TRs, the FROM date is: the date of officer’s entry on extended active duty or start of the current AGR/LEAD assignment; or the date of the first federally recognized appointment for ANG students not on extended active duty; or for AFR students not on extended active duty, the date of the last assignment to the Ready Reserve position presently held. The THRU date is the date the training or course ends or when the officer is released by the training organization. **Example:** A student has an officer evaluation that closed out on 1 July 2023 and attends a course beginning on 6 August 2023. The course graduated on 5 August 2024. The period of evaluation should be 2 July 2023 to 5 August 2024. In the event the officer remains in casual status with the training organization, the period of the evaluation will be to the date the officer is released. AFR Air Reserve Technicians (ART) and ANG Military Technicians attending formal training or education in civilian status receive TRs and credit in the civilian evaluation system. **Note:** For course lengths, refer to the Air Force Education and Training Course Announcements at site https://usaf.dps.mil/teams/app10-etca/sitepages/home.aspx, or other appropriate directive.

2. Do not accomplish TRs on students in the Education Leave of Absence Program in TDY status unless course length is 26 weeks or more.

3. The OCSRG is not maintained on lieutenants or non-promotion eligible captains on the ADL.

4. TRs prepared under this rule cover a period independent of the ratee’s officer evaluation period. Therefore, it is not necessary to prepare an officer evaluation solely because the officer is going to school. Use the following period of report: FROM date is the course start date; and the THRU date is the date of completion, interruption, or elimination from formal training or education training. **Example:** A ratee had an officer evaluation that closed out on 1 Nov 2023 and attends a course from 1 January 2024 to 1 Apr 2024. The AF Form 475 covers the period from 1 January 2024 to 1 Apr 2024. The ratee’s next officer evaluation will have a FROM date of 2 November 2023 and the time the officer is absent will be subtracted from the period of supervision on the next officer evaluation. AFR Air Reserve Technicians and ANG Military Technicians attending formal training or education in civilian status receive TRs and credit in the civilian evaluation system. **Note:** For course lengths, refer to the Air Force Education and Training Course Announcements at site https://usaf.dps.mil/teams/app10-etca/sitepages/home.aspx, or other appropriate directive.
5. Includes Undergraduate Pilot Training, Student Undergraduate Pilot Training, Undergraduate Navigator Training, and Student Undergraduate Navigator Training, Aircraft Maintenance Officer Course and other entry-level courses (as determined by the MAJCOM or FLDCOM). Officials at MAJCOM or FLDCOM HQs and HAF or HSF are responsible for the course content and curriculum and determine if the course is initial qualification. **Note:** Officers in the second year of AF/XO-sponsored Nuclear Technology Fellows Program, working in their primary specialty, and health profession officers who are in-utilization training for one year or more will have an officer evaluation versus a TR. AF/XO and AF/SG will determine the rating chain for the identified officers and in coordination with AFPC/DP3SP, will determine which positions will be designated senior rater for these officers. These nuclear technology fellows and health profession officers still remain students in training status. This guidance affects officer evaluations only; (RegAF and ARC only) it has no impact on the requirement for narrative only PRFs for the officers in training.

6. This training applies to judge advocates, chaplains, and medical officers.

7. Annual, Directed, and Final TRs, as appropriate, will be prepared at the end of each training phase.
   a. Annual TRs will be prepared by the sponsoring organization for interns in Phase IIIA; they will close-out on 30 Jun.
   b. Directed TRs will be prepared by the sponsoring organization for interns in Phase IIIB who opt to complete a master’s degree or elect a third rotation; TRs will cover the period 1 Jul to 31 Dec.
   c. Final TRs will be prepared by the sponsoring organization for interns who opt for a post-training assignment upon completion of Phase IIIB or who opt for and complete a third rotation.

8. For self-paced formal Air Force or Space Force training courses when the prescribed course length is eight weeks or more, regardless of the time actually required to complete the course.

9. AF Form 475 on chaplain candidates are prepared and processed as prescribed by ARPC. ARPC/DPTSE will file chaplain AF Forms 475 in the selection folder.

10. This is generally training designed to upgrade or enhance an officer's qualification in a utilization field. Includes initial qualification in a weapon system for officers qualified in that utilization field. **Example:** Pilots undergoing initial F-15 training would be evaluated under this rule.

11. For members participating in the World Class Athlete Program, one year from beginning training, then annually until training is completed or member is eliminated from training.

12. Members fulfilling these requirements must complete six months of training with the US Army prior to departing for the actual deployment. Therefore, students attending Interrogator Training are administratively assigned to the 314th Training Squadron, Fort Huachuca, for the 23-week program. These evaluations will be updated in MilPDS.
Chapter 7

GENERAL OFFICER EVALUATIONS

7.1. Overview. This chapter covers procedures for completing DAF Form 78, Department of the Air Force General Officer Promotion Recommendation. It applies to all RegAF, Space Force, and Reserve brigadier generals and major generals, (to include selects) except State Adjutant Generals.

7.2. Forms Used.

7.2.1. For brigadier and major generals (to include Senate confirmed selects and frocked), use DAF Form 78. See Table 7.1.

7.2.2. Use DAF Form 77 to document performance and potential and to provide that information to the management level. See Table 7.2. It is also used to document performance of general officers/selectees who are serving in a TDY status for more than 60 but less than 179 calendar days. General officers/selectees that are serving in a TDY status for more than 180 calendar days receive an DAF Form 78. See Table 7.1.

7.3. Reasons for Reports.

7.3.1. Annual Reports. Brigadier general (including Senate confirmed selects) reports close-out 31 July; non extended active-duty brigadier general (including Senate confirmed selects) reports close-out 31 May.

7.3.2. Change of Reporting Official Reports (CRO). In the event a CRO occurs, and there are at least 60 calendar days of supervision, a CRO report is optional if the CRO occurs outside 60 calendar days from the annual requirement with the approval of AF/A1LG or SF/S1L (AF/REG for non-extended active duty officers). A CRO is any close-out date other than the SCOD (31 July for brigadier generals and Senate confirmed selects).

7.3.3. Directed by HAF or HSF Reports. AF/A1LG or SF/S1L (AF/REG for non-extended active duty officers) may direct general officer (GO) reports at any time, regardless of the days of supervision.

7.3.4. Directed by NGB Reports. NGB-GO may direct GO reports at any time, regardless of the days of supervision.

7.3.5. Officers Selected and Confirmed for Brigadier General. This report covers the period of supervision since the member’s last report as a colonel and transitions the member to the brigadier general annual report cycle. Use the Colonel SCOD when the selected member’s report is due prior to Senate confirmation and prior to the brigadier general SCOD. This report will count for the entire calendar year. See paragraph 7.4.8 for further details.

7.4. General Instructions.

7.4.1. Who receives reports. Brigadier generals (including Senate confirmed selects) will receive at least one DAF Form 78 per calendar year. (T-1) If a CRO occurs between January and the general officer SCOD (31 July for brigadier generals and Senate confirmed selects) coordinate with AF/A1LG or SF/S1L to determine appropriate procedures.
7.4.2. General Officers selected for Major General. Once a GO is selected for promotion to major general, completion of the report is optional. Remove the GO from the Management Control Group.

7.4.3. General Officers Who Have Applied for Retirement. If the GO is a brigadier general and is eligible for promotion consideration to major general and the approved retirement date is more than 90 calendar days from the promotion board convening date, a report is mandatory. If the brigadier general is promotion eligible and the approved retirement date is within 90 calendar days of the major general board convening date, remove the GO from the management control group.

7.4.3.1. Write a report if a GO withdraws their retirement. The report will close-out on the appropriate current cycle performance report close-out date. (T-I)

7.4.3.2. Make a promotion recommendation on DAF Form 78, block 15, only if the member withdraws their retirement within 90 calendar days prior to the annual cycle close-out date.

7.4.4. General officers with dual responsibilities in separate management levels. The ratee's management level of administrative assignment controls the promotion recommendation (or evaluation). However, any of the ratees’ supervisors may submit appropriate communications to the management level for consideration.

7.4.4.1. Use the ratee's duty effective date and the annual cycle close-out date to determine the management level of administrative assignment.

7.4.4.2. Any member of the ratee's rating chain (in either management level) may submit appropriate communications to the endorsing official for consideration.

7.4.5. Officers Removed for Cause. Document the reason an officer was removed from duty for cause in the appropriate annual or CRO report. Contact AF/A1LG or SF/S1L (AF/REG for non-extended active duty officers, or NGB-GO for Air National Guard of the United States general officers.

7.4.6. General officers reassigned to a new management level during the evaluation process (includes command resignations). If the GO is reassigned to a new management level within 60 calendar days before or after the annual cycle close-out date, either the gaining or losing management level completes the endorser portion (block 16) on the DAF Form 78. Both management levels must agree on which management level will function as the endorsing official. (T-I) HAF/A1 and AF/A1LG or SF/S1 and SF/S1L (AF/REG for non-extended active duty officers) must concur with the decision. (T-I) If a CRO occurs within the period 60 to 90 calendar days before the annual cycle closes out and the ratee changes management levels during this period, the losing management level completes the CRO report (do not complete block 15). Follow the directions in the next subparagraphs to determine who completes the final endorsement and/or promotion recommendation.

7.4.6.1. If the ratee worked directly for the losing management level, then the losing management level completes blocks 1-15 of the DAF Form 78. The gaining management level will complete the remaining portion, to include the final endorsement or promotion recommendation. (T-I)
7.4.6.2. If the ratee did not work directly for the losing management level, then the losing rater completes the rater portion of the DAF Form 78 (through block 15) and forwards it to the losing management level. The losing management level completes a mandatory DAF Form 77, attaches it to the DAF Form 78 and forwards both forms to the gaining management level for completion, to include the final endorsement or promotion recommendation.

7.4.7. General officers reassigned within the current management level during the evaluation process. If the GO moves within 90 days of the appropriate annual cycle close-out date and the officer’s management level does not change, the rater completes a CRO report (minimum 90 calendar days supervision). This report will serve in place of the annual report. (T-1) Provide the report to the management level for completion of blocks 15 through 19 (on promotion-eligible officers) or blocks 16 through 19 (not promotion-eligible). The management level will complete the report upon the annual cycle close-out date along with other annual reports on officers in the same control group. (T-1) If a CRO occurs within the period 60 to 90 calendar days before the annual cycle closes out and the ratee does not change management levels during this period (e.g., rater departs PCS or ratee changes jobs within management level, the rater completes a CRO report and the management level holds the report until the end of the annual cycle. The CRO report will serve as the annual report. (T-1)

7.4.8. Officers Selected and Confirmed for Brigadier General.

7.4.8.1. When promotion to brigadier general is publicly announced by AF/A1LG or SF/S1L (AF/REG for non-extended active duty officers) as Senate confirmed, prepare an DAF Form 78.

7.4.8.2. If the member’s last performance report as a colonel closes out before the annual brigadier general cycle (31 Jul or 31 May for non-extended active duty), the member’s next performance report will close-out 31 Jul, or 31 May for non-extended active duty, unless a CRO or DBH report is required. (T-1) The member’s next report will comply with paragraph 7.3. (T-1)

7.4.8.3. Use an officer ALQ evaluation (RegAF and ARC) or AF Form 707 (USSF) when the selected member’s evaluation is due prior to Senate confirmation and prior to the brigadier general SCOD. This report will count for the entire calendar year. (T-1)

7.4.8.4. Forward reports within 30 calendar days of the close-out to: AF/A1LG for extended active duty officers; NGB-GO for ANG officers; AF/REG for reserve officers; and S1L for USSF officers.

7.5. Processing General Officer Evaluations. Email all digitally signed GO evaluations to AF/A1LG or SF/S1L for update in MilPDS and upload into the member’s record in ARMS and PRDA.

7.5.1. Extended Active Duty Officers Assigned to an Air Force Activity. In activities with a director of personnel (A1/S1) function (e.g., MAJCOMs/FLDCOMs), the A1/S1 ensures evaluators complete all reports correctly and forwards them to AF/A1LG or SF/S1L within 30 calendar days of the report close-out date.
7.5.2. Extended Active Duty Officers Assigned to Air Force Secretariat, Air Staff, or Non-AF Activities. For activities not serviced by an Air Force A1/S1, AF/A1LG or SF/S1L assists executive officers with the preparation of the DAF Form 78.

7.5.3. Air Force Reserve General Officers. Send reports to AF/REG within 30 calendar days of the report close-out date.

7.5.4. Air National Guard General Officers. Send reports to NGB-GO within 30 calendar days of the report close-out date.

7.5.5. When a Report Becomes a Matter of Record. Once the Chief of Staff, United States Air Force reviews the report and AF/A1LG accepts the report for file, the report becomes a matter of record. For the Air National Guard general officers, the report becomes a matter of record when NGB-GO accepts the report for file. For non-extended active-duty officers, the report becomes a matter of record when AF/REG accepts the report for file. For Space Force officers, the report becomes a matter of record once the Chief of Space Operations, United States Space Force, reviews the report and SF/S1L accepts the report for file.

7.5.6. Release of Reports to Ratees by Reporting, Reviewing, and Endorsing Officials. The management level should provide a copy of the completed report to the ratee. The rater, reviewing official or management level (at their discretion) should discuss its contents with the ratee. Ratees may access copies of their reports via ARMS and PRDA or request copies from AF/A1LG or SF/S1L. Offices of primary responsibility are NGB-GO for ANG general officers, or AF/REG for non-Extended Active Duty officers. Advise ratees a report is not considered a matter of record until it is reviewed by CSAF or CSO (does not apply to ANG GO or AFR reports) and filed in the selection record.

7.5.7. AF/A1LG and SF/S1L maintains all extended active duty performance reports with close-out dates on or after 1 February 1991. Note: AF Forms 71, 77, and 78 that closed out on or before 31 January 1991 are not available for review. They were rendered under an express promise of confidentiality and are exempt from release under the Freedom of Information Act and Privacy Act.

**Notes:** (Brigadier and Major General “(Sel)”/“Frocked” signing Officer Evaluation System forms)

a. Once Senate confirmed, colonels on the brigadier general select list are permitted to sign all Officer Evaluation System forms as “(Sel)” provided that they are either designated by their respective management level as a senior rater or they are assigned to an authorized brigadier general officer position.

b. Once Senate confirmed, brigadier generals on the major general select list are permitted to sign all Officer Evaluation System forms as “(Sel)” provided that they are either evaluating other general officers or are assigned to an authorized Maj Gen officer position.

c. Frocked general officers are authorized to sign all Officer Evaluation System forms in their frocked grade without designating their “Frocked” status (e.g., major general vice major general “Frocked”).

d. Once Senate confirmed, all general officer selects assigned to joint billets or unified commands may sign all Officer Evaluation System forms as “(Sel)”.

Chapter 8

(REGAF AND ARC ONLY) PROMOTION RECOMMENDATION AND MANAGEMENT LEVEL REVIEW (MLR) PROCESS

8.1. AF Form 709 (for ADL officers).

8.1.1. Purpose. The purpose of the promotion recommendation process is to provide performance-based differentiation to assist central selection boards. The AF Form 709, Promotion Recommendation (PRF), is used for promotion purposes only. Note: Except for paragraphs 8.1.3.1.1–8.1.3.2.1.2, 8.1.3.2.3–8.1.3.2.6.4, 8.2, and 8.6, this chapter does not pertain to ARC officers who are not on the ADL.

8.1.2. Types of PRFs:

8.1.2.1. Narrative-Only PRFs. The losing senior rater completes these on all lieutenant colonels and below. Exception: Not required for majors who are lieutenant colonel selects, or lieutenant colonels who are colonel selects departing PCS for a school (e.g., developmental education, AFIT, or other AF-level training programs as described by paragraph 8.3.5.2) or PCA/PCS to patient status. Complete narrative-only PRFs regardless of promotion zone/promotion opportunity. Do not complete PRFs on lieutenants or captains who will have less than four years’ time-in-grade as a captain upon completion of schooling. Exception: For medical corps and dental corps officers only, complete narrative-only PRFs regardless of their current grade, date of rank or promotion selection status, due to the possibilities of their continual long term training status. See paragraph 8.1.5.6. Note: In the rare case where a PRF is required for colonels and colonel or lieutenant colonel selects while in a student status, the senior rater prior to the officer’s departure to developmental education will write the PRF.

8.1.2.2. Recommendation-Only PRFs. The Air Force Student MLR President completes these for all officers who are eligible for consideration by that review. Attach the recommendation-only PRF to the narrative-only PRF and file both in the OSR. See paragraph 8.1.5.6.

8.1.2.3. Regular PRFs. An eligible officer’s senior rater completes the PRF no earlier than 60 calendar days prior to the central selection board for which the officer is promotion eligible (PRF cutoff date) and awards one of three recommendations (or four recommendations for officers in the grade of colonel only):

8.1.2.3.1. A “Definitely Promote This Board” recommendation (for colonel only). The strength of the ratee’s performance and performance-based potential warrants promotion in the board in which the officer is eligible for promotion.

8.1.2.3.2. A “Definitely Promote” (DP) recommendation. The strength of the ratee’s performance and performance-based potential warrants promotion.

8.1.2.3.3. A “Promote” recommendation means the ratee is qualified for promotion and should compete on the basis of performance, performance-based potential, and other considerations such as duty history, developmental education, advanced degrees, etc.
8.1.2.3.4. A “Do Not Promote This Board” recommendation. The strength of the ratee’s performance and performance-based potential does not warrant promotion by the central selection boards for which the officer is eligible. A senior rater must make comments explaining to the central selection boards why the officer should not be promoted. (T-1) Comments must focus on the substandard behavior of the officer and, if desired, the punishment received. (T-1)

8.1.3. Completing the PRF. See Table 8.1 and paragraph 8.6 on promotion-eligible colonels for specific guidance on preparing PRFs.

8.1.3.1. Comments in Section IV, Promotion Recommendation, of the PRF are mandatory for In-or Above-the-Promotion Zone eligible officers. Senior raters retain the latitude to push their best-qualified officers for promotion consideration. Senior raters should consider providing comments for officers two or more times Above-the-Promotion Zone up to the grade of colonel; comments are option on PRFs prepared to the grade of brigadier general when the overall recommendation on the AF Form 709 is “Promote.” Comments are required on all PRFs with a “Do Not Promote This Board” recommendation, regardless of zone (Table 8.1). Final decision authority for including comments on Below-the-Promotion Zone and two or more times Above-the-Promotion Zone officers remains with the senior rater.

8.1.3.1.1. In the performance recommendation, the senior rater should use plain language and limit use of acronyms and/or abbreviations to provide a performance-based differentiation and/or characterization of the eligible officer’s potential to serve in the next higher grade. For officers being considered for colonel and below, promotion recommendations are limited to the space provided.

8.1.3.1.2. Endorsements for promotion are based upon an officer’s demonstrated character and competence as detailed in the Secretary of the Air Force’s Memorandum of Instruction for promotion boards. This is an opportunity for the senior rater to tell the Central Selection Board why they should or should not promote this officer. This should not be a summary of information already contained in the record of performance. Recommendations or pushes for items that are decided through other processes or means (e.g., developmental education, jobs, assignments) are not authorized.

8.1.3.1.3. Comments on PRFs regarding completion of, or enrollment in, DE are prohibited. Performance and special recognition comments on officers attending in-residence education and/or training will be documented appropriately on the AF Form 475 (see Chapter 6). Additionally, evaluators will not comment on an officer’s status on the school’s list, selection for DE, and/or specific schools. Note: An assignment recommendation for Air Force Institute of Technology Master’s or Doctoral degree program is authorized.

8.1.3.2. Promotion Recommendation Form Stratification Guidance. Officer stratification is defined as a quantitative comparison of an individual’s standing within an authorized peer group and within a specific evaluator’s scope of rating authority. On the PRF, officer stratifications provide a current period performance-based differentiation of officers against their peers to assist central selection boards. Senior raters may provide up to two types of stratifications as part of their promotion recommendation comments. If used, the
primary stratification must be among promotion eligible officers by zone and the optional secondary stratification must be among an authorized peer group. If a senior rater does not stratify an officer among eligible officers by promotion zone, they may not provide any other stratification. Exception: For narrative-only PRFs, senior raters will not stratify among eligible officers by promotion zone but may provide one peer group stratification statement.

8.1.3.2.1. Stratification Types.

8.1.3.2.1.1. Primary - Eligible by Zone. Senior raters may stratify among eligible officers by promotion zone (e.g., In-or-above-the promotion zone (I/APZ) from the MEL for a specific promotion board. Example: #3/10 I/APZ eligible.

8.1.3.2.1.2. Secondary – Peer Group Stratification. If a senior rater stratifies an officer among eligible officers by promotion zone, they may also provide a second stratification in accordance with the following guiding principles.

8.1.3.2.2. Authorized Peer Groups. For the purposes of stratification, authorized peer groups are limited to the following categories: (Note: Only on authorized peer group will be used as a secondary stratification.)

8.1.3.2.2.1. AF Grade. Includes only Air Force officers in the same grade (e.g., captains, majors, lieutenant colonels, colonels). Exception: An officer permanently assigned to a position on a joint manning document may be stratified against officers of the same grade, regardless of service affiliation, within the senior rater’s scope of rating authority as described below.

8.1.3.2.2.2. Command Position. This refers to officers filling command positions (e.g., detachment, squadron, group, or wing commanders and materiel leaders). This does not include section commanders or flight commanders. Command position stratification statements for individuals below the grade of colonel (O-6) may also include their grade with the stratification statement (e.g., #2/6 Maj Sq/CCs).

8.1.3.2.2.3. Duty Position. This refers to the officer’s duty position type, level and scope of responsibility (e.g., section chiefs, flight commanders, operations officers, branch chiefs, action officers, analysts, instructors, combat systems officers, pilots, etc.). Officers may be stratified against civilian personnel in equivalent duty positions. Note: In order to use the duty position stratification category, the officer must first be stratified within their USAF or USSF grade or developmental category to ground the statement and communicate the clearest depiction of where an officer stands (e.g., “#1/1 Capts,” “#1/40 Analysts,” “#2/6 Combat Support Majs,” “#3/41 Flight Commanders”).

8.1.3.2.3. Exception. For narrative-only PRFs, senior raters will not stratify among eligible officers by promotion zone but may provide one peer group stratification.

8.1.3.2.4. Scope of Rating Authority. Senior raters can only stratify officers within the confines of their direct rating chain and knowledge. Senior rater stratifications may not extend beyond the confines of their respective SRID (i.e., senior raters may not stratify officers under subordinate SRIDs purviews).
8.1.3.2.5. Authorized Usage.

8.1.3.2.5.1. When used, all stratifications must stay within an authorized peer group and the evaluator’s scope of rating authority.

8.1.3.2.5.2. Stratifications must be written in quantitative terms. (T-1) The use of percentages in the numerator are prohibited (e.g., 5%/50). Examples of authorized stratifications:

8.1.3.2.5.2.1. By AF Grade. “#3/30 Caps;” “#1/1 Majs;” “#2/12 Lt Cols.”

8.1.3.2.5.2.2. By Command Position. “#1/9 Grp/CCs;” “#1/7 Maj Sq/CCs;” “#3/20 Lt Col Det/CCs.”

8.1.3.2.5.2.3. By Duty Position. “#1/6 Flt/CCs;” “#1/40 Analysts;” “#2/12 Branch Chiefs.”

8.1.3.2.6. Prohibited Usage.

8.1.3.2.6.1. Company grade officers (CGOs) and/or field grade officers (FGOs) are not an authorized peer group for stratification purposes.

8.1.3.2.6.2. Awards are recognition based on a given set of criteria. Accordingly, stratifications based on awards are not authorized (e.g., #1/50 as Sq CGO of the Quarter).

8.1.3.2.6.3. The use of stratifications from anyone other than the senior rater are prohibited. A senior rater may not quote stratification from another evaluator or source. Using more than one secondary stratification is prohibited.

8.1.3.3. If promotion opportunity is 100%, regular PRFs are not required. This includes individuals competing for I/APZ. Senior raters will prepare PRFs on all officers who receive "Do Not Promote" recommendations and on all officers who receive a “Promote” recommendation but have derogatory information (Article 15, courts-martial, referral evaluation, Letter of Reprimand) filed in their OSR.

8.1.3.4. Statements that refer or imply to the stratification of an officer’s standing at a MLR, such as: “#1 of 22 DPs awarded at the MLR,” or “If the MLR had one more DP, they would get it,” are prohibited. This means the head of the management level or MPR president may not use the denominator of the management levels eligibles when stratifying their respective officers, who may have or have not competed at the MLR.

8.1.3.5. Promotion statements, reserved for the senior rater, will only be made on the PRF.

8.1.3.5.1. As a general rule, prohibited promotion statements are any comments, direct or implied, that refer to a higher grade. For example, comments that state the individual is performing above their grade, occupying a position requiring a more senior grade, comparing an individual to officers of higher grade, or alluding to a higher-ranking position are all prohibited.

8.1.3.5.2. While it is impossible to provide an all-inclusive list of prohibited statements; some examples are:

8.1.3.5.2.1. “Maj Beidler is senior officer material.” The term “senior” is a euphemism for colonel and above, therefore not authorized.
8.1.3.5.2.2. “Capt DeSantis has excelled in a major’s billet,” refers to a grade higher than the one the individual currently holds.

8.1.3.5.2.3. “Major Jenkins should be a group commander now,” recommends the individual for a position two grades higher than the ratee—not normal progression.

8.1.3.5.2.4. “Capt Korte is ready for our toughest field grade jobs,” compares a company grade officer with higher ranking, field grade officers.

8.1.3.5.2.5. “Already performing above current position,” refers to a higher grade.

8.1.4. Responsibilities:

8.1.4.1. The Senior Rater:

8.1.4.1.1. Reviews the ratee's officer’s OCSRG, decoration citations, duty qualification history brief (DQHB) and UIF (if applicable) before preparing the PRF. May consider other reliable information about duty performance and conduct except as paragraph 1.12 or other regulatory guidance prohibits. Examples of other reliable information may include but are not limited to LOEs, statements from a draft officer ALQ evaluation and/or decoration, etc. To reference the “other reliable information” in their record, the officer meeting the board may submit a letter to the central selection board.

8.1.4.1.1.1. Do not use any other single unit retrieval formats (SURF) other than those indicated above when preparing the PRF (e.g., Assignment Management System (AMS), SURF).

8.1.4.1.1.2. The intent of the "other reliable information" passage is to allow senior raters to comment on performance accomplishments since the close-out of the last evaluation. This allows a senior rater who has personal knowledge of an accomplishment to comment about it in the PRF although not part of the official record yet.

8.1.4.1.2. Must be knowledgeable of the ratee's most recent performance. The senior rater may request subordinate supervisors to provide information on an officer's most recent duty performance and performance-based potential and may ask for suggestions based upon the officer's duty performance for PRF recommendations.

8.1.4.1.3. Will ensure no subordinate commander and/or supervisor asks or allows an officer to draft or prepare their own PRF. **Note:** Eligible officers may provide input.

8.1.4.1.4. Will ensure there are no boards, meetings or panels of officers convened to collectively score, rate, rank, stratify, produce stratification inputs for use in PRFs, or tally the records and/or generate a priority list of eligible officers unless specifically authorized by this instruction. **Note:** Senior raters may request subordinate supervisors provide their assessment (without the use of any boards, meetings, or panels) of the rank order of officers in their chain of command.

8.1.4.1.5. Is solely responsible for evaluating each officer’s OCSRG, career brief, and DQHB in order to either award PRF recommendations among eligible officers or submit officers to compete for aggregation or carry-over “Definitely Promote” recommendations. The senior rater submits the PRF with Section IX unmarked when
submitting an officer for competition in aggregation or carry-over categories at a MLR and/or HAF MLR.

8.1.4.1.6. Completes promotion recommendations. Corrects any error that results in awarding more “Definitely Promote” recommendations than allocated by the management level. However, if the senior rater fails to fulfill this responsibility, the MLR president makes the appropriate corrections, to include re-accomplishing a PRF a senior rater prepared.

8.1.4.1.7. Provides the ratee a copy of the PRF approximately 30 calendar days before the central selection board. If communication cannot be completed in person, send the PRF via secure communications. The reason for this is twofold:

8.1.4.1.7.1. Advise the ratee of the senior rater’s promotion recommendation.

8.1.4.1.7.2. Provide the ratee an opportunity to point out any typographical, administrative or errors of fact to the senior rater so they may be corrected prior to the central selection board. Note: If the ratee is geographically separated, send it to the ratee by secure electronic communication, or “return receipt requested” mail. Contact the MPF for assistance if necessary.

8.1.4.1.8. Must attach a memo (Figure 8.1) telling the ratee who receives a PRF with a “Do Not Promote This Board” recommendation that they have the right to submit a letter to the Central Selection Board.

8.1.4.1.9. Will ensure the PRF remains a private matter with access being only between the senior rater, the ratee, senior rater administrative support staff if senior rater desires (e.g., executive officer, secretary, MPF), the MLR, and the central selection board. Subordinate evaluators or others may have access to a PRF’s comments or rating only if permitted by the ratee. Note: No officer eligible for a particular board will be involved with the PRF process for that particular board.

8.1.4.1.10. Considers preparing a PRF on a newly assigned eligible officer who received an outright “Promote” recommendation from their previous senior rater, (an outright “Promote” is someone who received a promote recommendation from the senior rater and was not competed at an MLR). The exception is AF-level students meeting the AF Student MLR, and whose effective date of duty as a result of PCS/PCA to a new senior rater occurs after the PRF accounting date, but on or before the PRF cutoff date. See paragraph 8.4.1.

8.1.4.1.11. Provides a signed MEL of officers considered for promotion recommendations to the management level.

8.1.4.1.12. Ensures the management level receives PRFs as required by paragraph 8.1.5.

8.1.4.1.13. Ensures their SRID in the Air Force Promotion Management System reflects only their eligible officers no later than 105 days before the central selection board.

8.1.4.1.14. Evaluates all additions to and deletions from the MEL through their MPFs to their management level (e.g., officers who are gains as a result of a PCA/PCS
movement occurring prior to the PRF accounting date or officers initially assigned to the wrong PAS code and SRID).

8.1.4.1.15. Officers Added or Deleted from Promotion Eligibility. This paragraph applies to officers who become eligible or ineligible for promotion consideration in a particular competitive category on or after the PRF accounting date. Causes for a change in eligibility status may include: a special selection board (SSB) or AFBCMR actions, administrative errors, changes in date of separation, or similar circumstances.

8.1.4.1.15.1. For officers whose eligibility for promotion consideration is established after the PRF accounting date, the senior rater of record at the time eligibility is established will write the PRF.

8.1.4.1.15.2. If the PRF is written after the senior rater completes the rank ordering (Day-66) and determines that a definitely promote should be awarded, then place a “1” in block VI for IPZ officer or place a “0” in block VI for APZ officers. See Table 8.2.

8.1.4.2. The Military Personnel Flight (MPF):

8.1.4.2.1. Assists the management level in verifying accuracy of SRIDs and PAS codes.

8.1.4.2.2. Provides PRF notices, a MEL, and a DQHB on each eligible officer to the senior raters. Note: For officers not located with the senior rater, provide these documents to eligible officers’ servicing MPF to be used in preparing PRF inputs for the senior rater.

8.1.4.2.3. Provides other senior rater support and review as requested. The MPF will send PRFs to the appropriate management level when requested by the senior raters.

8.1.4.2.4. Makes officers’ OCSRGs available to senior raters, to include records of officers serviced by other MPFs.

8.1.4.2.5. Reviews PRFs to ensure administrative accuracy, when requested.

8.1.4.2.6. Processes narrative-only PRFs. See paragraph 8.1.5.6.

8.1.4.2.7. Advises senior raters when officers change promotion eligibility status after the PRF allocation date (Day 66). See paragraph 8.1.4.1.15.

8.1.4.2.8. Ensures senior raters are provided a listing of newly assigned eligible officers.

8.1.4.2.9. Evaluates any potential additions or deletions to the MELs for the senior raters and management level they service. See paragraph 8.1.4.1.14.

8.1.4.2.10. Monitors Air Force Promotion Management System audit transactions at least twice a week to identify any board adds, deletions, SRID changes, PCS/PCA, and/or date arrived on station actions.

8.1.4.2.11. Coordinates with management level and senior raters as needed.

8.1.4.2.12. Check the Air Force Promotion Management System news daily.
8.1.4.2.13. Upon receipt of PRFs following the USAF Student MLR, distribute these PRFs to the eligible officers. See paragraph 8.1.4.1.7.

8.1.4.3. The Management Level:

8.1.4.3.1. Designates senior rater positions for all units within their jurisdiction and assigns SRIDs to those positions.

8.1.4.3.2. Identifies officers occupying those senior rater positions by name, assigns them SRIDs by name and PAS code and ensures the Air Force Promotion Management System is updated accordingly.

8.1.4.3.3. Validates SRID alignment in MilPDS with PAS code. **Note:** Ensure MilPDS is updated accordingly; contact AFPC for any assistance.

8.1.4.3.4. Notifies senior raters and MPFs of preliminary “Definitely Promote” allocations.

8.1.4.3.5. Notifies affected senior raters on the final PRF allocation date of available “Definitely Promote” recommendations senior raters may award.

8.1.4.3.6. Ensures all eligible officers are considered for promotion recommendations and are guaranteed at least one look for a “Definitely Promote” recommendation (the guaranteed look is the senior rater).

8.1.4.3.7. Ensures senior raters and MLRs do not exceed the authorized number of “Definitely Promote” allocations.

8.1.4.3.8. Ensures PRF recommendations on eligible officers are updated in the Air Force Promotion Management System no later than 35 calendar days before the central selection board.

8.1.4.3.9. Send all regular PRFs to AFPC/DPMSPE to arrive no later than 30 calendar days before the central selection board.

8.1.4.3.10. Maintains copies of all PRFs and MELs until announcement of central selection board results. Destroy all materials pertaining to the MLR upon announcement of results. **Exception:** Maintain a copy of the OCSRG, including the PRF, career brief of the competitive categories considered, and duty qualifications history brief that earned the last “Definitely Promote” and the top two that earned a “Promote” recommendation in carry-over competition for each competitive category, or in the case that no “Definitely Promote” recommendations were awarded, maintain the top two that earned a “Promote” recommendation. These records will serve as benchmark records in support of a supplemental review. *(T-1)*

8.1.4.3.11. Processes PRFs in accordance with paragraph 8.1.5.

8.1.4.3.12. Evaluates any potential additions or deletions to their senior raters and coordinates with AFPC/DPMSPE as needed.

8.1.4.3.13. Monitors the Air Force Promotion Management System audit transactions at least twice a week to identify any board additions, deletions, SRID changes, PCS/PCA/date arrived station actions.

8.1.4.3.14. Coordinates with senior raters, MPFs, and AFPC/DPMSPE as needed.
8.1.4.3.15. Monitors the Air Force Promotion Management System news daily.

8.1.4.3.16. Ensures the SecAF’s MOI is available on myPers, is referenced and utilized for all MLRs and senior rater promotion processes within their purview. The MOI provides instructions to all management levels and senior raters to ensure decision makers throughout the officer promotion recommendation process are focused on the same priorities and special emphasis areas as the central selection board.

8.1.4.4. AFPC/DPMSPE:

8.1.4.4.1. Establishes and announces PRF eligibility criteria and administrative requirements for processing PRFs.

8.1.4.4.2. Ensures completed PRFs are disposed of in accordance with paragraph 8.1.5.

8.1.4.4.3. Flows PRF notices and duty qualification history briefs approximately 120 calendar days prior to the central selection board in the Air Force Promotion Management System.

8.1.4.4.4. Processes all SRID changes with multiple management levels involved. **Note:** It remains the initiating management level’s responsibility to obtain all concurrences for other affected management levels prior to submission to AFPC.

8.1.4.5. The Ratee:

8.1.4.5.1. Contacts the senior rater to discuss any errors, omissions pertaining to the PRF or if they have not received a copy of their PRF NLT 15 calendar days prior to central selection board. *(T-3)*

8.1.4.5.2. May correspond by letter with the central selection board and address any matter of record concerning themselves that they believe important to their consideration. Letters must be submitted in good faith and contain accurate information to the best of the ratee’s knowledge and must be signed by the ratee. *(T-3)*

8.1.4.5.3. Air Force Level students and patients (SRID “ST101” and “PT111”) eligible for promotion may write a letter to the Air Force Student MLR to address any matter of record concerning themselves that they believe important to their consideration. Letters must be submitted in good faith and contain accurate information to the best of the ratee’s knowledge and must be signed by the ratee. *(T-1)* The letters will be destroyed upon conclusion of the Student MLR and will not be forwarded to the central selection board. *(T-3)*

8.1.5. Processing and Using the PRF.

8.1.5.1. MPFs send PRF notices and MELs to senior raters upon receipt, approximately 120 days prior to the central selection board.

8.1.5.2. Senior raters sign completed PRFs on or after the PRF cutoff date. Senior raters who intend to compete in aggregation (see paragraph 8.3.1.10) or carry-over (see paragraph 8.3.1.9), must prepare and sign the PRFs, leaving Section IX blank.
8.1.5.3. Senior raters will submit all completed PRFs for quality review and ensure all PRFs are available for update into the Air Force Promotion Management System by the management level no later than 40 calendar days before the central selection board. (T-1)

8.1.5.4. The management level sends completed PRFs to AFPC/DPMSPE to arrive no later than 30 calendar days before the central selection board. Management levels forward PRFs to AFPC/DPMSPE for officers nominated to the AF MLR aggregate and carry-over, with the “Overall Recommendation” left blank, to arrive no later than 35 calendar days prior to the central selection board. When mailing hardcopy PRFs, documents may be sent to AFPC/DPMSPE, 550 C Street West Suite 7, Joint Base San Antonio-Randolph TX 78150-4705

8.1.5.5. AFPC/DPMSPE forwards all PRFs to AFPC/DP1ORM to be filed in the officer’s ARMS for the central selection board. AFPC/DP1ORM destroys the PRFs after imaging. PRFs filed on optical disk have limited access. Do not use them for assignments, promotions (except SSBs, or other personnel actions. Retain these PRFs for historical, legal, and appeal purposes only.

8.1.5.6. Narrative-only/Recommendation-only PRFs.

8.1.5.6.1. MPFs are responsible for processing narrative-only PRFs and ensuring all eligible officers receive a copy of their narrative-only PRF prior to departure for PCS. Note: Officers will not depart without a narrative-only PRF being accomplished unless an approved waiver was granted in accordance with paragraph 8.1.5.6.4.1.

8.1.5.6.2. The senior rater sends the narrative-only PRF to the MPF no later than 30 calendar days prior to the officer departing PCA or PCS for school. Note: An officer may become eligible for I/APZ consideration by a central selection board before departing for school. In this case, prepare both a narrative-only PRF and a regular PRF. An officer may also be eligible for two or more promotion boards while in AF-level student status, depending on the length of training. Since narrative-only PRFs are not board specific, statements such as “My #1 Below-the-Promotion Zone,” may become outdated before the officer meets a promotion board, however, this should not preclude the senior rater from stratifying the officers as would on a regular PRF.

8.1.5.6.3. The senior rater sends the narrative-only PRFs to the MPF for officers in patient or missing-in-action/prisoner of war status. The MPF will process the PRF to AFPC/DPMSPE no later than 60 calendar days after the officer enters this new status.

8.1.5.6.4. The MPF forwards the original PRFs to AFPC/DPMSPE NLT 30 calendar days after the officer departs and updates a code “B” in MilPDS. The MPF maintains copies of the PRFs until PRF receipt is confirmed by an update of NAR PRF Flag to code “C” in MilPDS by AFPC/DPMSPE. MPFs can verify that the “C” code is updated under officer grade data/grade miscellaneous in MilPDS. Once confirmed, the MPF destroys its copies.

8.1.5.6.4.1. All narrative-only PRF waiver requests will be worked directly with AFPC/DPMSPE.

8.1.5.6.4.2. When requesting narrative-only PRF waivers, please include the
following information: Full name, social security number, date of rank, competitive category, projected graduation date, and reason for the request. Note: As waivers are reviewed using current schedules, should an officer become eligible after a waiver has been granted, the narrative-only PRF will then be required from the senior rater who was in the position when the officer departed for school. Only if the senior rater is not available (retired and unable to be contacted or deceased, etc.) will the current senior rater in the position be authorized to sign the narrative-only PRF after the officer departed.

8.1.5.6.5. Senior raters provide a copy of the narrative-only PRF to the ratee approximately 30 calendar days prior to departure for AF level training or patient status.

8.1.5.6.6. AFPC/DPMSPE maintains narrative-only PRFs until officers leave student, patient, or missing-in-action/prisoner of war status. AFPC/DPMSPE destroys narrative-only PRFs when the officer no longer competes as a student. AFPC/DPMSPE maintains the narrative-only PRFs until distributed as specified below:

8.1.5.6.6.1. AFPC/DPMSPE forwards the narrative-only PRF to the HAF Student MLR. After completion of the recommendation-only PRFs (which are attached to the narrative-only PRFs), AFPC/DPMSPE forwards the narrative-only PRF and recommendation-only PRF to the official record, ARMS and PRDA, for inclusion in the OSR and provides copies to ratees via the ratees’ servicing MPF.

8.1.5.6.6.2. AFPC/DPMSPE maintains the original narrative-only PRF in a separate file for use during future promotion consideration as a student. Exceptions to the disposition of PRFs must be approved by AFPC/DPMSPE and be in the best interest of the officer and the Air Force.

8.1.5.6.6.3. Immediately after completion of the central selection board, the Selection Board Secretariat (AFPC/PB) removes the PRFs from the OSR and forwards them to AFPC/DP1ORM for placement on optical disk.

8.1.5.7. The HAF Student MLR (see paragraph 8.3.5.2.2) prepares recommendation-only PRFs and attaches them to the student narrative-only PRFs.

8.2. AF Form 709 for RASL Officers.

8.2.1. Reserve of the Air Force. Use AF Form 709 for promotion to captain through colonel. Refer to paragraph 7.6 for recommending colonels for promotion to the grade of brigadier general. AFR will use AF Form 709 for position vacancy promotion nominations to all grades. ARPC/PB will issue instructions specific to each board via ARPC memorandums (ARPCMs).

8.2.1.1. Mandatory Boards. An eligible officer’s senior rater submits the completed PRF no later than 45 calendar days prior to the central selection board. The senior rater awards one of three recommendations from the drop-down menu in block IX of AF Form 709:

8.2.1.1.1. A “Definitely Promote”: The strength of the ratee’s performance and performance-based potential warrants promotion. Note: The ResAF is not constrained by the number of “Definitely Promotes” it can award. A senior rater may award as many “Definitely Promotes” as desired.
8.2.1.1.2. A “Promote”: The ratee is qualified for promotion and should compete on
the basis of performance, performance-based potential, and other considerations such
as duty history, developmental education, advanced degrees, etc.

8.2.1.1.3. A “Do Not Promote This Board”: The strength of the ratee’s performance
and performance-based potential does not warrant promotion by the central selection
board for which the officer is eligible. A senior rater must make comments explaining
to the central selection board why the officer should not be promoted.

8.2.2. Completing the PRF. See Table 8.1 for specific guidance on preparing PRFs.

8.2.3. Responsibilities:

8.2.3.1. The Senior Rater:

8.2.3.1.1. Reviews the ratees’ evaluations, decoration citations, DQHB, personnel
information file, and UIF (if applicable) before preparing the PRF. They may also
consider other reliable information about duty performance and conduct except as
outlined in paragraph 1.12 or other regulatory guidance. Examples of other reliable
information may include but are not limited to LOEs and statements from a draft
performance report and/or decoration. To reference the other reliable information in
their record, the officer meeting the board may submit a letter to the central selection
board. Note: Do not use any other single uniform request formats other than those
indicated above when preparing the PRF (i.e., AMS SURFs). The intent of the other
reliable information passage is to allow the senior rater to comment on performance
accomplishments since the close out of the last evaluation. This allows a senior rater
who has personal knowledge of an accomplishment to comment about it in the PRF
although not part of the official record yet. The senior rater of record on the PRF
accounting date will write the PRF.

8.2.3.1.2. May obtain information on an officer’s most recent duty performance and
performance-based potential from subordinate or previous supervisors and may
consider their suggestions based upon the officer’s duty performance for PRF
recommendations. No officer will be asked to draft or prepare their own
PRF. There will be no boards or panels of officers convened to collectively score, rate, rank, or
tally the records and/or generate a priority list of eligible officers.

8.2.3.1.3. Is solely responsible for evaluating each officer’s record of performance and
DQHB, to award recommendations.

8.2.3.1.4. Completes promotion recommendations.

8.2.3.1.5. Provides the ratee a copy of the PRF (hand-delivered or sent in a sealed
envelope clearly marked, “To Be Opened By Addressee Only”) approximately 30
calendar days before the central selection board. PRFs are a private matter between
the senior rater and the ratee. Subordinate evaluators may have access to a PRF rating to
assist in the feedback process only if desired by the ratee. The senior rater must attach
a memo (Figure 8.1) telling the ratee who receives a PRF with a “Do Not Promote This
Board” recommendation that they have the right to submit a letter to the central
selection board. The ratee must acknowledge receipt of the memorandum. If the ratee
is geographically separated, send it to the ratee by secure electronic communication or by “return receipt requested” mail. Contact the MPF for assistance, if necessary.

8.2.3.2. The MPF or ARPC/PB (as applicable):

8.2.3.2.1. Verifies accuracy of SRID and PAS codes.

8.2.3.2.2. Provides to senior raters the PRF notice, a MEL, and a DQHB on each eligible officer.

8.2.3.2.3. Provides other senior rater support as requested (sends PRFs to the appropriate management level as requested by senior raters).

8.2.3.2.4. Makes record of performances available to senior raters, to include records of officers serviced by other MPFs.

8.2.3.2.5. Reviews PRFs to ensure administrative accuracy, when requested.

8.2.3.2.6. Informs senior raters when officers have a change in promotion eligibility status after the PRF accounting date.

8.2.3.2.7. Provides senior raters a listing of newly assigned eligible officers.

8.2.3.3. ARPC/PB. Will announce PRF criteria for ResAF central selection boards via an ARPCM.

8.2.4. Processing and use of PRFs.

8.2.4.1. MPFs send PRF notices and MELs to senior raters upon receipt, usually just after the PRF accounting date.

8.2.4.2. The senior rater will complete the PRF in enough time to arrive at ARPC not later than 45 calendar days before the central selection board.

8.2.4.3. ARPC/PB posts the OSRs from the electronic board operations support system (eBOSS) back to ARMS. The PRF becomes part of the “as-met” records for the officer’s future reference.

8.2.5. Officers Relocating During the PRF Process. To ensure officers who are assigned to a new senior rater after the PRF accounting date but on or before the central selection board, receive full consideration for their PRF, the losing and gaining senior raters may discuss the officer’s performance and their intentions. For ANG and AFR, the senior rater of record on the PRF accounting date will write the PRF and award performance rating.

8.2.5.1. Award a “Do Not Promote This Board” recommendation when derogatory information has been received since departure from previous assignment. If the losing senior rater awards a “Do Not Promote This Board,” the gaining senior rater has no further action. A senior rater must make specific comments to support the recommendation in Section IV of the PRF. *(T-2)*

8.2.5.2. The MPF or ARPC/PB (as appropriate) will:

8.2.5.2.1. Screen all officers gained after the PRF accounting date to determine eligibility and notify senior raters accordingly (refer to Air Force Promotion Management System user’s guide). Ensure senior raters certify a review of all gained eligible.
8.2.5.2.2. Provide the senior rater a DQHB on newly assigned officers.

8.2.5.2.3. Update corrections to SRIDs on officers who arrive at new locations on or before the PRF accounting date. Notify ARPC/PB when an update to the Air Force Promotion Management System is needed.

8.2.6. Officers Added to Promotion Eligibility. This paragraph applies to officers who become eligible for promotion consideration or change component or competitive categories on or after the PRF accounting date. Cause for a change in eligibility may include, but is not limited to: ANG to AFR transfer; AFR to ANG transfer; change from Participating Reserve to Non-Participating Reserve, or Non-Participating Reserve to Participating Reserve; change from ADL to RASL (without a break in military status); change from other branch of service to USAF RASL; change in date of separation; administrative errors; SSB or AFBCMR actions; or similar circumstances.

8.2.7. Ranking of “Definitely Promote” Recommendations. Enter the rank order, in the group size (block IV of the AF Form 709), for all officers awarded a “Definitely Promote” recommendation within each competitive category (e.g., line, judge advocate, nurse corps).

**Example:** 2/5/10. The senior rater has 10 officers in that competitive category meeting the promotion selection board. The officer is ranked number 2 of 5 officers awarded a “Definitely Promote” recommendation. For officers awarded other than a “Definitely Promote” recommendation, leave group size blank. For officers gained after completion of PRFs, to which the senior rater chooses to award a “Definitely Promote” recommendation, the ranking will be 1/1/1. For a position vacancy board, enter the rank order for all officers nominated for position vacancy within each competitive category. **Example:** 3/5. The senior rater has 5 officers in that competitive category meeting the position vacancy promotion selection board. This officer is ranked number three of five officers awarded a “Definitely Promote” recommendation.

8.2.8. Prisoners, Deserters, and Officers on Appellate Leave. Do not accomplish PRFs for officers who become prisoners or deserters, or who are on appellate leave on or before the PRF accounting date. ARPC/DPTSE will prepare an DAF Form 77. However, officers identified as prisoners, deserters, or on appellate leave after the PRF accounting date will require PRFs from the losing senior rater. The total number of eligible will include these officers.

8.2.9. Air Force Advisors for PRFs. If the senior rater on the PRF is not an Air Force officer or Department of the Air Force official, an Air Force advisor is designated to advise evaluators on matters pertaining to PRFs. Normally, this will be the same officer who conducts the review of the officer’s ALQ evaluation. The Air Force advisor will not change any statements or the promotion recommendation on the PRF.

8.2.10. Promotion Recommendations for Colonels. See paragraph 8.6 for AFR general officer central selection boards or Air National Guard Federal Recognition Boards information and instruction.

8.2.11. AGR Officers in Student Status. The Deputy to the Chief of Air Reserve (Deputy RE) is the senior rater for AGR students only (AFR only).

8.2.11.1. When an AGR officer leaves for a school tour, the losing senior rater will prepare a PRF as if the officer is still assigned. The PRF will be signed, but blocks VI, Group Size;
VII, Board; and IX, Overall Recommendation will remain blank. The PRF follows the officer to the next assignment, and a copy is sent to AF/REE.

8.2.11.2. If, while in student status, the officer becomes eligible for consideration by a promotion board, the narrative-only PRF is sent to the Deputy RE for a recommendation-only PRF.

8.2.11.3. The Deputy RE prepares the recommendation-only PRF according to Table 8.1 and rank orders all officers awarded a “Definitely Promote” recommendation by competitive category within the student population. Example: 1/2/2 rank order means the senior rater has two officers in that competitive category meeting the selection board; the officer is ranked number one of the two “Definitely Promote” recommendations awarded. Note: Student AGR PRFs are not included within the SRID that applies to the Chief of Air Force Reserve.

8.2.11.4. The narrative-only PRF is attached to the signed recommendation-only PRF and is forwarded to the promotion secretariat at the Air Reserve Personnel Center.

8.3. Management Level Reviews (ADL Lieutenant Colonel and Below).

8.3.1. The Allocation Process:

8.3.1.1. Definitely Promote. “Definitely Promote” recommendations are limited in number to ensure only the most qualified records are endorsed. They send a strong signal to the central selection board that the officer is ready for immediate promotion. “Definitely Promote” allocation rates for IPZ and APZ officers are lower than the IPZ promotion opportunity; this ensures a significant number of officers receiving “Promote” recommendations will be promoted. (T-1) Management levels receive a share of “Definitely Promote” allocations based on the number of IPZ officers assigned. Allocation rates vary for each competitive category, grade and promotion zone, and may fluctuate according to changes in the promotion opportunity to guarantee the minimum promotion rate for eligibles receiving a “Promote” recommendation (40% to major, 35% to lieutenant colonel and 25% to colonel); this is called the promotion rate (P-Rate). AFPC/DPMSPE publicizes the approved DP allocation rates for each PRF cycle in the Day 66 message. 

Exception to policy requests of the approved DP allocation for each PRF cycle are not authorized and will not be granted. (T-1).

8.3.1.2. PRF Accounting Date (approximately 150 calendar days before the central selection board). On the PRF accounting date, AFPC matches eligible officers to senior raters based on the officers’ unit of assignment data in MilPDS. AFPC/DPMSPE announces the actual PRF accounting date. Between the PRF accounting date and Day 66 before the central selection board, management levels ensure the Air Force Promotion Management System is accurate.

8.3.1.3. PRF Allocation Dates (approximately 150 and 66 calendar days before the central selection board). The initial allocation date is approximately 150 calendar days before the central selection board. This is when management levels estimate the number of allocations available to each senior rater and for each MLR under their jurisdiction. After this date, the number of allocations is adjusted to account for officers who become eligible or ineligible for promotion and for officers who are still not aligned under the correct SRID as verified and reported by the management level activity to AFPC/DPMSPE. These
adjustments are made up until the day before the PRF final allocation date (approximately 66 calendar days before the central selection board). On that day, the management level determines the actual number of allocations and distributes to senior raters and MLRs based on the number of eligible officers for that level. No changes are made to the number of a management level’s allocations on or after the final allocation date unless authorized by AFPC/DP3SP. In addition, no changes in the management level’s allocations are authorized in cases where a brigadier general (Sel) is confirmed by the U.S. Senate on or after day 66 and subsequently becomes eligible to be the senior rater for lieutenant colonels in the organization. AFPC/DP3SP will approve exceptions in order to maintain integrity in the Officer Evaluation System and to ensure fair and proper consideration is given to all affected officers. **(T-1) Note:** The “Definitely Promote” Allocations are not adjusted automatically in the Air Force Promotion Management System for any approved exception. Calculations must be accomplished manually. **(T-1)** When submitting SRID changes after the final allocation date, the request must be from an O-6/equivalent or above, who has oversight of the MLR process. The request must provide justification as to why the correction was not discovered within the time limit and what actions the management level is implementing to ensure eligible officers are properly aligned prior to the PRF allocation date. If multiple management levels are involved, the O-6/equivalent or above who has oversight of the MLR process is required from each management level.

8.3.1.4. PRF Cutoff Date. This date is approximately 60 calendar days prior to the central selection board. PRFs will not be signed prior to this date. **(T-1)**

8.3.1.5. Determining Air Force-Level Allocations.

8.3.1.5.1. Management levels determine the number of DP allocations they have by applying the appropriate allocation rate to their IPZ or, if authorized, BPZ eligible population. Management levels will round fractions up or down to the next whole number as directed by AFPC with the publication of the Day 66 message. **(T-1)** The allocation process to be used for a specific PRF cycle will be set and made public approximately 120 days prior to the central selection board for each competitive category. **(T-1)** AFPC will direct the MLR process that maintains the appropriate “P-rate,” while minimizing the number of “Definitely Promote” recommendations awarded to management levels who do not meet the minimum group size. **(T-1)** Waiver requests are not authorized.

8.3.1.5.1.1. Example of the rounding up process: A management level has 462 IPZ eligible officers, and the allocation rate is 10%; the management level earns 47 “Definitely Promote” allocations (462 IPZ eligible officers x 10% allocation rate=46.2 which rounds up to 47 allocations). The Air Force Promotion Management System should be reviewed to determine “Definitely Promote” allocations, but this does not preclude management levels from doing a manual calculation.

8.3.1.5.1.2. Example of the rounding down process: A management level has IPZ eligible officers, and the allocation rate is 10%; the management level earns 46 “Definitely Promote” allocations (462 IPZ eligible officers x 10% allocation rate=46.2 which rounds down to 46 allocations). The remaining fraction will be used at the HAF MLR for the specified competitive category. **(T-1)** The Air Force
Promotion Management System should be reviewed to determine “Definitely Promote” allocations, but this does not preclude management levels from doing a manual calculation.

8.3.1.5.2. APZ officers do not generate separate allocations; however, if the management level has only line of the Air Force APZ eligible officer(s), then a single “Definitely Promote” recommendation is available when the management level is authorized to round up. In this case, the APZ officers would receive a "0" in Section VI on the PRF. Refer to Table 8.2.

8.3.1.5.3. Management levels receive separate allocations for in-utilization permanent party students.

8.3.1.6. Determining Senior Rater Allocations.

8.3.1.6.1. Minimum group size for one “Definitely Promote” allocation is at least three eligible, even if the “Definitely Promote” allocation rate is 50% or higher. See Table 8.3.

8.3.1.6.2. Management levels determine each senior rater’s share of allocations in the same manner as discussed in paragraph 8.3.1.5.1, except instead of rounding up, senior raters round down for all categories. Example: A 55% allocation rate applied to a senior rater’s 10 IPZ captains would yield five “Definitely Promote” allocations (10 IPZ eligible x 55% allocation rate = 5.5 which rounds down to 5 allocations).

8.3.1.7. Returning Allocations. Senior raters may return earned allocations to the management level if they believe the quality of officers in their unit does not warrant the full share of allocations. Additionally, any “Definitely Promote” recommendations awarded by the senior rater to eligible officers that subsequently become ineligible is returned to the senior rater which may be reallocated using the senior rater’s order of merit or returned to the management level for distribution.

8.3.1.8. Redistributing “Definitely Promote” Allocations.

8.3.1.8.1. Prior to the MLR convening, if a senior rater chooses not to use the full quota of “Definitely Promote” allocations, those unused go to the carry-over quota.

8.3.1.8.2. Following an MLR, the MLR owns all “Definitely Promote” allocations. Any returned “Definitely Promote” allocations for IPZ/APZ eligible officers are redistributed through the MLR carry-over process using the carry-over order of merit.

8.3.1.8.3. BTZ “Definitely Promote” allocations are redistributed at the next higher level or through the MLR carry-over process.

8.3.1.8.4. Redistribution must occur prior to the PRF becoming a matter of record.

8.3.1.9. Carry-over. Since allocations are rounded down when applying the allocation rate to a senior rater’s eligible population, there are normally fractions of allocations remaining. These fractions accrue at the management level and result in allocations called carry-over “Definitely Promote” allocations. Carry-over allocations (and any returned allocations) are awarded to account for variations of quality within organizations under the management level. For IPZ or APZ officers, management levels distribute allocations to
MLRs for award. For BTZ eligible officers, they distribute carry-over allocations directly to senior raters or through the MLR process.

8.3.1.10. Aggregation.

8.3.1.10.1. Senior raters without the minimum number IPZ or APZ officers assigned to earn a “Definitely Promote” recommendation in their (senior rater’s) own right may compete their officers for “Definitely Promote” recommendations through aggregation. Grouping of all such officers and the application of the allocation rate yields, after rounding down, the number of definitely promote allocations available to officers competing in aggregation. **Example:** If there are two senior raters in a given management level with eligible officers, and each senior rater has only one eligible officer, and the “Definitely Promote” allocation rate is 65%, then:

\[
1 \text{ eligible } \times 65\% = 0.65 + 1 \text{ eligible } \times 65\% = 0.65 \Rightarrow \text{management level total} = 1.30
\]

**Note:** After rounding down, the management level earns 1 “Definitely Promote” recommendation to award in aggregation and transfers the remaining .30 to carry-over.

8.3.1.10.2. Senior raters without the minimum number of BTZ officers assigned to earn an allocation aggregate their officers to the next higher senior rater in the rating chain until the number of eligible is large enough to earn at least one allocation.

8.3.1.10.3. Senior raters below the head of the management level who award BTZ “Definitely Promote” recommendations to eligible officers aggregated from subordinate senior raters’ populations must make the promotion recommendation decision without convening a board or panel of subordinates.

8.3.1.10.3.1. If aggregation proceeds to the management level to satisfy the requirements of **paragraph 8.3.1.10.2**, the head of the management level may:

8.3.1.10.3.1.1. Personally distribute “Definitely Promote” allocations on their own.

8.3.1.10.3.1.2. Convene MLRs to award the “Definitely Promote” allocations based on order of merit.

8.3.1.10.3.1.3. For joint management levels, all PRFs, including BTZ, must be quality reviewed. (T-1) See **paragraph 8.3.2.4.2.2**.

8.3.1.10.4. If the total number of line BTZ officers aggregated to the MLR is still too small to earn a “Definitely Promote” allocation, all panel members, not just those with officers competing for aggregation, score the records of the officers in the aggregated group and may award one “Definitely Promote” recommendation. If awarded, this “Definitely Promote” allocation will come from the carry-over allocation.

8.3.2. Management Level Review Requirements:

8.3.2.1. General. Management levels designate the organization or agency responsible for holding a review. The commander or head of the designated organization holds the MLR and may establish more than one MLR (e.g., at the numbered Air Force level or center level). If the head of the management level is the sole senior rater, there is no MLR, and the completed PRFs are forwarded to the Air Force MLR for quality review. However, if
the PRF cycle for the specific competitive category is determined for management levels to round down, the sole senior rater may nominate the officer to the Air Force MLR for consideration.

8.3.2.2. Timing and functions. Conduct MLRs 40-60 calendar days before the central selection board. They have five functions: (1) to quality review all I/APZ PRFs; (2) to award “Definitely Promote” recommendations to those officers whose senior rater had too few eligible to earn a “Definitely Promote” allocation; (3) to award carry-over “Definitely Promote” allocations available to the management level; (4) to award “Definitely Promote” allocations to management level students; and (5) to nominate officers from their management level to compete for “Definitely Promote” allocations available at the Air Force MLR.

8.3.2.3. Board composition. Is comprised of the president (must be an Air Force officer), those senior raters who have either awarded a “Definitely Promote” recommendation or have officers competing for aggregation or carry-over “Definitely Promote” recommendations, a functional representative from the category under consideration (if no participating senior rater is from the specific category), and a non-voting recorder designated by the commander or head of the organization responsible for conducting the MLR. **(T-1) Note:** No officer eligible for a particular board will be involved with the process for that particular board. **(T-1)**

8.3.2.3.1. The head of the management level designates the MLR president. The president must be an AF general officer when evaluating lieutenant colonels, and at least an AF colonel when evaluating majors and below.

8.3.2.3.2. In cases where senior raters are not available to serve on the panel due to some extraordinary circumstance, the head of the management level may authorize senior raters to designate senior officials who meet the minimum grade requirement (a general officer or equivalent when evaluating lieutenant colonels or at least a colonel or equivalent when evaluating majors and below) from their organization or higher chain-of-command to serve on their behalf.

8.3.2.3.3. If extraordinary circumstances require a senior rater’s departure during the MLR, the MLR president or another senior rater, as designated by the affected senior rater, may represent the departing senior rater. In all cases, the MLR president or senior rater designated to represent another group of officers is still limited to one vote. Additionally, if extraordinary circumstances require the MLR president to depart during a review, the head of the management level will designate another president or assume the presidency. In these cases, the records already scored will remain and the MLR will continue.

8.3.2.3.4. Management levels may establish a representative sample of senior raters to conduct the quality review of the I/APZ PRFs and officers’ OCSRGS at the MLR. At the discretion of the management level, all senior raters who awarded a “Definitely Promote” recommendation or who are competing officers for a “Definitely Promote” recommendation do not need to participate in the quality review process at the MLR.

8.3.2.3.4.1. All senior raters with eligible officers competing for an aggregate “Definitely Promote” allocation must serve as a member of the MLR during the
aggregation phase. However, in those cases where senior raters are not available to serve on the MLR due to some extraordinary circumstance, the MLR president may authorize senior raters to designate senior officials (a general review or equivalent when evaluating lieutenant colonels or at least a colonel or equivalent when evaluating majors and below) from their organization or higher chain of command to serve on their behalf. If necessary, the MLR president may represent those senior raters, however the MLR president is still limited to one vote. If during the MLR a senior rater must be excused, the senior rater may designate another senior rater already attending the MLR or the MLR president to act on their behalf; however, the MLR president or another senior rater which was designated is still limited to one vote.

8.3.2.3.4.2. When practical, all senior raters competing officers for carry-over “Definitely Promotes” attend the MLR. If the management level determines this is not practical or deems it otherwise appropriate, it may establish a representative sample of senior raters to award carry-over “Definitely Promote” recommendations. The management level uses a representative sample to ensure the senior raters selected do not score the records of officers for whom they are the senior rater. **Note:** In all cases, at least one representative will be from the competitive category under consideration and must be a scoring member of the MLR. *(T-1)*

8.3.2.4. Management Level Review Preparation.

8.3.2.4.1. Management Levels.

8.3.2.4.1.1. Establish MLRs.

8.3.2.4.1.2. Distribute aggregation and carry-over “Definitely Promote” allocations to the MLR.

8.3.2.4.1.3. Notify each senior rater of the number of officers they may submit to compete for carry-over allocations subject to limits established by the management level.

8.3.2.4.1.4. Ensure MLRs are completed no earlier than 60 or no later than 40 calendar days before convening of the central selection board for which the PRFs are prepared.

8.3.2.4.1.5. Determine the location of the MLR (normally held where performance records on the officers being considered are available).

8.3.2.4.1.6. Ensure the officer’s OCSRG and DQHB for each officer are available for the review.

8.3.2.4.1.7. Ensure the MLR president is provided a listing of eligible officers, identifying those with personnel information files, letters of reprimand, and/or Articles 15s. MLR presidents use this listing at their discretion to ensure senior raters (and MLR members, when appropriate) have considered this information when preparing promotion recommendation forms.

8.3.2.4.1.8. Establish scoring procedure for MLRs.
8.3.2.4.2. MLR Purpose and Process:

8.3.2.4.2.1. Ensure senior raters do not exceed their share of “Definitely Promote” recommendations.

8.3.2.4.2.2. Ensure all BTZ records are reviewed separately from I/APZ eligible records.

8.3.2.4.2.3. Quality review the OCSRGs, DQHBs, and PRFs of all I/APZ officers in order to identify and discuss with appropriate senior raters those PRFs that appear to contain exaggerated or unrealistic comments or comments that do not appear to support the overall recommendation based on the OCSRGs and information considered according to paragraph 1.12. Note: “Definitely Promote” recommendations are limited in number to ensure that only the best qualified records are endorsed. A “Definitely Promote” recommendation sends a strong signal to the central selection board that this officer is ready for immediate promotion. If a senior rater or head of the management level does not have officers fitting this definition, a “Definitely Promote” recommendation should not be awarded even though “Definitely Promote” allocations may be available. To award “Definitely Promote” allocations to BTZ eligible officers when the record does not support a “Definitely Promote” recommendation, it gives the officer unrealistic feedback and sends mixed signals to the central selection board.

8.3.2.4.2.4. Award “Definitely Promote” recommendations to officers aggregated from senior raters within their jurisdiction with less than minimum group size needed to award “Definitely Promote” recommendations.

8.3.2.4.2.5. Award carry-over “Definitely Promote” recommendations based on the Management Level’s allocations available or to nominate to the Air Force MLR for aggregation or carry-over as appropriate.

8.3.2.4.3. Senior Raters:

8.3.2.4.3.1. Serve as members of the MLR.

8.3.2.4.3.2. Submit PRFs to the MLR on all I/APZ officers including officers competing for aggregation and carry-over “Definitely Promote” recommendations. Note: Since BTZ records are not required to be quality reviewed, senior raters must submit their BTZ PRFs to the management level for updating.

8.3.2.4.3.3. Submit to the MLR recorder a single list of the names of their I/APZ officers. For those officers on the list with completed PRFs, include name and overall promotion recommendation; for those officers on the list submitted to compete for aggregation or carry-over, indicate whether competing for aggregation or carry-over “Definitely Promote” recommendations by annotating an “A” for aggregation or “C” for carryover.
8.3.2.5. Review Procedures.

8.3.2.5.1. General Procedures.

8.3.2.5.1.1. For all MLRs, the recorder provides to the MLR president the total number of “Definitely Promote” recommendations to be awarded by each senior rater.

8.3.2.5.1.2. The MLR president ensures no senior rater exceeds the allowable number of “Definitely Promote” recommendations. If a senior rater has awarded more “Definitely Promote” recommendations than allowed, the senior rater specifies which PRFs need correction, new PRFs are prepared, and the senior rater completes Sections IX and X.

8.3.2.5.1.2.1. If the senior rater does not specify which PRFs need correcting, the panel reviews the OCSRG and DQHB of all officers assigned to that senior rater to determine which overall recommendations need changing. The panel then prepares a new PRF, with Sections I through VIII copied verbatim from the original PRF submitted by the senior rater.

8.3.2.5.1.2.2. The MLR president marks the "Promote" block in section IX of the re-accomplished PRF and signs the form. Note: The president will leave Section IX blank when the officer competes under aggregation or carry-over.

8.3.2.5.1.2.3. The panel will change the minimum number of PRFs required to ensure compliance with prescribed “Definitely Promote” limits.

8.3.2.5.1.2.4. The records of any officer whose PRF is re-accomplished under this provision will automatically compete for carry-over “Definitely Promote” recommendations.

8.3.2.5.2. PRF Review. MLR members will review the OCSRGs, DQHBs, and completed PRFs of all I/APZ officers assigned to a senior rater as a group. If the MLR believes a “Definitely Promote” recommendation is unsupported by the ratee's OCSRG, they discuss this with the senior rater. Open discussion among MLR members is encouraged. In all cases, a senior rater has the final authority to determine the content of the PRFs they prepare (unless the content is inappropriate in accordance with paragraph 1.12 of this instruction), and to award “Definitely Promote” recommendations allocated by the management level.

8.3.2.5.3. Aggregation and Carry-over. The MLR assesses the relative merit of OCSRGs of competitors for aggregation and carry-over “Definitely Promote” recommendations. This is by a combination of numerical scoring and open discussion among panel members. The MLR must ensure consistent and equitable procedures apply to the OCSRG of each officer. The scores of all MLR members are totaled, rank-ordered, and “Definitely Promote” recommendations awarded. If two or more records tie, and there are insufficient numbers of Definitely Promote recommendations to award one to each, the MLR president will determine an appropriate method for breaking the tie.

8.3.2.5.4. Procedures for Award of I/APZ Aggregation Definitely Promote Recommendations:
8.3.2.5.4.1. Officers submitted to compete for aggregation “Definitely Promote” recommendations compete among themselves. The MLR president and only those senior raters with officers competing under aggregation will review and score the OCSRGs of these officers.

8.3.2.5.4.2. If the total number of IPZ officers aggregated to the MLR is still too small to earn a “Definitely Promote” allocation, all panel members, not just those with officers competing for aggregation, will score the records of the officers in the aggregated group. (T-1) If authorized to round up for the specific category, the management level may award one “Definitely Promote” recommendation. If awarded, this “Definitely Promote” allocation will come from the carry over allocations. (T-1) If only authorized to round down, then the management level may nominate to the Air Force management level to compete for a “Definitely Promote” allocation.

8.3.2.5.4.3. After all records are reviewed and scored and the MLR has awarded the “Definitely Promote” recommendations, senior raters, or their designated representatives, complete Section IX on the PRFs for their officers. The MLR president verifies the results of the completed MLR by signing the order of merit. Senior raters may make any changes to the PRF as a result of the MLR (e.g., if the last line states, “my next Definitely Promote” and the officer received a “Definitely Promote” recommendation from the MLR then the senior rater should change the last line).

8.3.2.5.4.4. The records of officers from the aggregated group that did not receive a “Definitely Promote” recommendation may compete for carry-over “Definitely Promote” recommendations at the discretion of the senior rater, within the limits prescribed by the management level.

8.3.2.5.5. Procedures for Award of I/APZ Carry-over Definitely Promote Recommendations:

8.3.2.5.5.1. At the MLR’s discretion, and subject to the limit of “Definitely Promote” allocations available in the carry-over phase, those officers who do not receive a “Definitely Promote” recommendation from aggregation will be submitted for carry-over “Definitely Promote” recommendations. Note: This is based on the order of merit from the aggregation phase.

8.3.2.5.5.2. Normally, the MLR president and all senior raters with officers competing for carry-over recommendations participate in the carry-over decision. Exception: See paragraph 8.3.2.3.3. At the discretion of the MLR president, other senior raters available may also participate in carry-over decisions.

8.3.2.5.5.3. Senior raters or their designated representatives complete Section IX on PRFs for their officers by marking either a “Definitely Promote” or a “Promote” as appropriate. The MLR president verifies the results of the MLR by signing the order of merit. Senior raters may make any changes to the PRF as a result of the MLR (e.g., if the last line states, “my next Definitely Promote” and the officer received a “Definitely Promote” recommendation from the MLR then the senior rater should change the last line).
8.3.2.5.6. Recorder Responsibilities. The MLR recorder forwards all PRFs and annotated MELs to the personnel activity responsible for updating the Air Force Promotion Management System. **Note:** No officer eligible for a particular board will be involved with the PRF process for that particular board.

8.3.3. Officers Assigned Outside the DOD and to Other Military Departments.

8.3.3.1. Air Force officers in these categories require special provisions because their organizations of assignment do not fall within the jurisdiction of a management level.

8.3.3.1.1. Allocation Process. For these officers, the Air Force District of Washington acts as the management level. The responsibilities of Air Force District of Washington are the same as those in paragraph 8.1.4.3, except for aggregated BTZ officers. The HAF MLR (as described in paragraph 8.3.3.3) evaluates BTZ officers aggregated to the highest senior in the rating chain for whom the senior rater does not have the minimum group size required to receive an allocation.

8.3.3.1.2. Promotion Recommendation Form (PRFs). Senior rater submitting officers to compete for aggregation or carry-over “Definitely Promote” recommendations prepare and forward PRFs to Air Force District of Washington, leaving Section IX blank.

8.3.3.2. HAF Review.

8.3.3.2.1. The AFDW/CC facilitates the HAF MLR to convene 40 to 60 calendar days before the central selection board for which the PRFs are prepared. The AF/CV, or officer designated by the AF/CC, serves as the MLR president. The Air Force District of Washington Commander with the assistance of AF/A1, selects a minimum of four members, consistent with the minimum grade requirements for senior raters, to serve as members (one must be from the competitive category being considered). (T-1)

8.3.3.2.2. The HAF MLR will review all completed I/APZ and BTZ PRFs and award aggregation and carry-over “Definitely Promote” recommendations. Air Force District of Washington is responsible for providing senior raters copies of completed PRFs on their ratees. This MLR will also review all PRFs completed by sole senior raters (see definition of sole senior rater in this instruction).

8.3.3.2.3. The recorder consolidates information on the number of BTZ officers assigned, the number of BTZ “Definitely Promote” recommendations available, and the number of “Definitely Promote” recommendations awarded. **Note:** No officer eligible for a particular board will be involved with the PRF process for that particular board.

8.3.3.2.4. If, during the review of completed PRFs, the board discovers that a senior rater awarded more “Definitely Promote” recommendations than allowed, the MLR president discusses this with the senior rater.

8.3.3.2.4.1. After the senior rater decides which PRFs to correct, they forward the re-accomplished PRFs to the MLR by the most expeditious means.

8.3.3.2.4.2. If the senior rater does not specify which PRFs need correcting, the panel reviews the OCSRG, the DQHB, and the career brief of all officers assigned to that senior rater to determine which overall recommendations need changing.
The panel then prepares a new PRF, with Sections I through VIII copied verbatim from the original PRF submitted by the senior rater. The MLR president marks the "Promote" block in section IX of the re-accomplished PRFs and signs Section X.

8.3.3.2.4.3. The MLR holds PRFs they re-accomplish pending receipt of a re-accomplished PRF from the senior rater. If they receive the senior rater’s re-accomplished PRF before MLR conclusion, the re-accomplished PRF is submitted to the MLR for review. If the MLR has concluded, the PRF is re-accomplished by the panel president, submitted to Air Force District of Washington and the original submitted by the senior rater will be destroyed. The management level will then process the PRF as appropriate.

8.3.3.2.5. Award of “Definitely Promote” recommendations to I/APZ officers is always separate and distinct from award of “Definitely Promote” recommendations to BTZ officers.

8.3.3.2.6. The MLR president completes PRFs with Section IX left blank.

8.3.3.2.7. Since panel members may not be senior raters for the officers meeting the MLR, members are encouraged to discuss an officer’s OCSRG and current performance with the senior rater in any case where the panel members believe it necessary.

8.3.4. Joint Management Level Reviews.

8.3.4.1. Evaluation Reviews. The president of a panel held to evaluate Joint officers is always an Air Force general officer. Joint management levels may exercise one of two options: 1) hold their own reviews, or 2) allow the HAF MLR to evaluate their officers. If the Joint management level is the sole senior rater, the HAF MLR will review all completed Joint management level sole senior rater PRFs.

8.3.4.2. PRF. When senior raters submit officers to compete at the HAF MLR, Section IX of the PRF is left blank.

8.3.4.3. If the management level chooses to hold a review but there is no Air Force general officer assigned to the activity, the management level may obtain the assistance of an Air Force general officer assigned to another activity. If necessary, the HAF/A1 will assist the management level in obtaining a general officer to serve as the president.

8.3.4.3.1. Senior raters submit to the panel all I/APZ completed PRFs as well as the PRFs (Section IX blank) on all IPZ and APZ officers submitted to compete for aggregation or carry-over “Definitely Promote” recommendations.

8.3.4.3.2. The responsibilities and procedures of joint reviews are the same as in paragraph 8.3.2, regardless of recommendation, to be reviewed by a MLR (joint MLR hosted by an Air Force general officer or HAF MLR). This is to ensure Air Force officers in a joint environment are getting an Air Force look.

8.3.5. Officers Assigned as Permanent Party Students.

8.3.5.1. Management Level Students - officers assigned as permanent party students training in their utilization field to include TDY in a training status. In-utilization training includes any follow-on, specialized, requalification, upgrade, enhancement, or broadening
training in the officer’s utilization field. Management levels receive separate allocations based on those populations since permanent party eligible and students must be evaluated as two distinct categories. For both I/APZ line of the Air Force permanent party students, allocations round up at the management level and down at the senior rater level. For I/APZ non-line permanent party students, allocations round down. BPZ non-line/LAF-J permanent party student allocations round up at the management level and down at the senior rater level. Evaluation procedures are the same as outlined in paragraph 8.3.2.5. Responsibilities of the management level with regard to students are the same as those in paragraph 8.3.2.4.1.

8.3.5.2. AF-Level Students - officers assigned as permanent party students training outside their utilization field. Outside utilization training includes developmental education, degree-granting programs (usually Air Force Institute of Technology sponsored), language training, education with industry programs, attaché/designate training, MC/DC residency programs (when a new Air Force specialty code or suffix is awarded upon completion of training or when determined by the competitive category functional representatives), internships, and initial qualification training into a new utilization field.

8.3.5.2.1. AFPC/DPMSPE acts as the management level for AF level students and receives “Definitely Promote” allocations based on the number of IPZ officers eligible for consideration by the HAF student MLR discussed in paragraph 8.3.5.2. The allocation rate is applied to students, patients, and missing-in-action/prisoners of war separately and rounded up at the management level.

8.3.5.2.2. Air Force Student Management Level Review. Convened at the direction of AF/A1, considers all officers who are permanent party students, patients, and those missing in action/prisoners of war within each separate category. It convenes approximately 70 calendar days prior to the central selection board. AF/A1 designates the MLR president and a minimum of four MLR members consistent with the minimum grade requirements for senior raters (one member must be from the category under consideration). (T-1) The MLR is responsible for the following:

8.3.5.2.2.1. Reviewing the OCSRGs, DQHBs, career briefs, and narrative-only PRFs.
8.3.5.2.2.2. Scoring all I/APZ records and awarding “Definitely Promote” recommendations based on the allocation rate prescribed for that competitive category, grade and zone.
8.3.5.2.2.3. Scoring records and Awarding Promotion Recommendations.
8.3.5.2.2.4. Awarding all Promotion Recommendations. There are no separate procedures to award aggregation and carry-over allocations.
8.3.5.2.2.5. Ensuring the recommendation-only PRF is accomplished for each officer, the appropriate recommendation in Section IX is marked, the PRF is signed by the MLR, and is attached to the narrative-only PRF.
8.3.5.2.2.6. Ensuring ratees receive a copy of the completed recommendation-only and the attached narrative-only PRFs. Note: These are distributed per paragraph 8.1.4.2.13.
8.3.5.3. Writing Letters to Air Force Student Management Level Review.

8.3.5.3.1. AF-level students eligible for promotion may write a letter to the Air Force student MLR. The submitter must:

8.3.5.3.1.1. Submit the letter in good faith and ensure it contains accurate information to the best of their knowledge. (T-3)

8.3.5.3.1.2. Sign and date the letter. (T-3)

8.3.5.3.1.3. Send the letter to AFPC/DPMSPE so it arrives no later than the 5 duty days prior to the MLR convening date. The MLR will not consider letters that arrive on or after the convening date. Address letters to: Calendar Year (insert appropriate year and grade) USAF Student Management Level Review, AFPC/DPMSPE. Letters may be faxed, emailed, or mailed but must have an actual signed signature (i.e., payroll signature). (T-3)

8.3.5.3.1.4. If requesting return of the letter, provide a stamped self-addressed envelope. Otherwise, the letter will be destroyed upon conclusion of the student MLR. Letters will not be forwarded to the central selection board. (T-3)

8.3.5.3.2. AFPC/DPMSPE advises officers when letters do not meet the above requirements and either returns or destroys the letter.

8.3.5.3.3. Letters on behalf of other officers are not permitted (to clarify, eligible officers may provide letters as attachments to their letter; however, a stand-alone letter cannot be submitted on their behalf).

8.3.5.3.4. The following attachments are not permitted: documents that can become a permanent part of the officer's selection folder (e.g., PRFs considered by previous central selection boards, unsigned officer evaluations and training reports, decoration narratives, or letters of evaluation which become part of the permanent record).

8.3.6. Air-Force-Level Management Level Review (Aggregation and Carryover). This convenes when the rounding down process is used (see paragraph 8.3.1.5.1.2.). Officers compete for promotion by competitive category. Each competitive category may be different and competes only within the category and only when the category rounds down at the management levels. Due to the relatively small number of officers in each of these competitive categories, the number of eligible officers under a senior rater will frequently be insufficient to receive a “Definitely Promote” allocation, as is often the case even when officers aggregate to the management level.

8.3.6.1. Promotion Recommendation Forms. Section IX is blank on PRFs for officers submitted by the MLR to the Air Force MLR. The Air Force MLR president completes Section IX with either a “Definitely Promote” or “Promote” recommendation. Section VI (Group Size) will always be “N/A”. (T-1)

8.3.6.2. A MLR and/or the HAF MLR may evaluate I/APZ for all categories.

8.3.6.3. Air Force Management Level Review.

8.3.6.3.1. This panel considers those officers aggregated from management levels recommended to compete for aggregate and carry-over “Definitely Promote”
recommendations. AFPC convenes these reviews at AFPC approximately 30 calendar days before the central selection board.

8.3.6.3.2. Composition: President (an Air Force officer) and a minimum of four members as designated by AF/A1, or designated representative, consistent with the minimum grade requirements, where possible. The competitive category under consideration will not form the majority of MLR membership. (T-1) For MLRs, no more than two members may come from the competitive category under consideration. The remaining members will be from competitive categories not under consideration. (T-1)

8.3.6.3.3. AFPC/DPMSPE limits the number of officers each management level may submit to compete for aggregate and carry-over allocations to the total number of “Definitely Promote” allocations available. AFPC/DPMSPE ensures the OCSRG, DQHB, career brief, and PRF on each officer being submitted are available for review and holds an Air Force MLR for each competitive category.

8.3.6.3.4. MLR responsibilities are the same as discussed in paragraph 8.3.2.4.

8.4. Special Provisions (applies to ADL officers only).

8.4.1. Officers Relocating During the PRF Process. To ensure officers with a PCA or PCS assignment to a new senior rater effective after the PRF accounting date, but on or before the PRF cutoff date, receive full consideration for a “Definitely Promote” recommendation, special provisions apply. The gaining senior rater considers all eligible officers (except patients) regardless of promotion zone, who have a date arrived station (in MilPDS) effective after the PRF accounting date, but on or before the PRF cutoff date, for a “Definitely Promote” recommendation. For similar rules on promotion-eligible colonels. See paragraph 8.6.2.

8.4.1.1. The losing senior rater’s total number of eligible always includes officers in this category when determining the losing senior rater’s share of “Definitely Promote” allocations. As a result, the losing senior rater is responsible for preparing PRFs and ensuring a quality review is completed.

8.4.1.2. Do not adjust the gaining senior rater’s number of “Definitely Promote” allocations to include officers in this category. Take any “Definitely Promote” recommendations awarded by a gaining senior rater from available allocations already established by the gaining senior rater’s management level.

8.4.1.3. To provide these officers fair consideration, the losing and gaining senior raters may discuss the officers’ performance and their intentions (via phone, memo, etc.).

8.4.1.4. The Gaining Senior Rater:

8.4.1.4.1. Must consider only eligible officers who will be given an outright “Promote” recommendation by their losing senior rater. Gaining senior raters have no option to award an outright “Definitely Promote,” nor can they nominate newly assigned officers for aggregation or carry-over consideration when the losing senior rater nominates them to the aggregation or carry-over process regardless of the outcome from the MLR.

8.4.1.4.2. Must consider all newly assigned officers who received a “Promote” recommendation on their PRF from the HAF student MLR. Eligible officers considered by the HAF student MLR are not competed in aggregation or carryover;
therefore, the gaining senior raters may award an outright “Definitely Promote,” or compete the officer(s) in aggregation and/or carry-over.

8.4.1.4.3. Will accomplish a new PRF only if this provision is authorized in accordance with paragraph 8.4.1.4.1. The newly accomplished PRF will contain the gaining SRID in Section VIII of the PRF and complete ratee identification data, unit mission description, and job description as of the date arrived station (PCS) or duty effective date (PCA) to the gaining senior rater. Note: If the gaining senior rater is unable to obtain a “Definitely Promote” recommendation, either outright or by aggregation/carryover, then the accomplished PRF is destroyed and the original PRF accomplished by the losing senior rater will be used for the central selection board.

8.4.1.5. The gaining senior rater will exercise the following options, as appropriate:

8.4.1.5.1. Decide to take no action to submit an individual for a “Definitely Promote” recommendation.

8.4.1.5.2. Award a “Definitely Promote” recommendation from earned allocations.

8.4.1.5.3. Submit I/APZ officers to compete for aggregation and carry-over.

8.4.1.5.4. Award a “Do Not Promote This Board” recommendation when substantiated derogatory information has been received since departure from previous assignment if time does not allow for not-qualified-for-promotion action processing. This is considered a “Stop File” (see paragraph 8.5) and must be submitted in writing through the management level to AFPC/DPMSPE. Gaining senior raters must get the concurrence of the gaining MLR president and ensure the losing senior rater is informed of the “Do Not Promote This Board” action. This will allow the opportunity for possible redistribution of any previously awarded “Definitely Promote” recommendations to other deserving officers prior to the central selection board.

8.4.1.6. If the gaining senior rater submits an officer for an aggregation or carry-over “Definitely Promote” recommendation, the gaining senior rater must ensure the officer's record of performance is available.

8.4.1.7. The gaining senior rater should notify the losing senior rater of their intentions.

8.4.1.8. The management level will:

8.4.1.8.1. Ensure consideration of all officers in this category for promotion recommendation and manage all necessary actions to ensure full consideration by the losing and gaining senior raters.

8.4.1.8.2. Work with MPFs to notify senior raters of their eligible officers who fall in this category to ensure consideration for a definitely promote recommendation, as outlined in paragraph 8.4.

8.4.1.8.3. Notify AFPC/DPMSPE when a gaining senior rater awards a “Definitely Promote” recommendation or “Do Not Promote This Board” recommendation. This includes those awarded within a management level as a result of a PCA action. This is considered a “Stop File” under paragraph 8.4 (commonly known as old guy/new guy) circumstances and must be in writing in accordance with paragraph 8.5.

8.4.1.8.4. Ensure allocations are not adjusted to account for officers in this category.
8.4.1.9. The Military Personnel Flight (MPF) will:

8.4.1.9.1. Screen all officers gained after the PRF accounting date to determine eligibility and notify senior raters accordingly. Ensure senior raters certify a review of all gained eligible officers by signing the old guy/new report on individual personnel or projected MEL which is generated from the Air Force Promotion Management System.

8.4.1.9.2. Notify the Management Level of newly assigned officers whose SRID is not correct as soon as possible; monitor date arrived station for changes (resulting from finance office updates) that would necessitate a correction to the SRID.

8.4.1.9.3. Provide the senior rater an OCSRG and DQHB on newly assigned members.

8.4.1.10. AFPC/DPMSPE will:

8.4.1.10.1. Update all “Definitely Promote” and “Do Not Promote This Board” recommendations awarded by gaining senior raters and update inter-command SRID changes upon “Stop File” requests from management levels.

8.4.1.10.2. Receive definitely promote PRFs accomplished by the gaining senior rater through the “Stop File” process. If the losing and gaining senior rater both award the same overall recommendation, the PRF from the gaining senior rater is destroyed.

8.4.2. Officers Added to or Deleted from Promotion Eligibility. This paragraph applies to officers who become eligible or ineligible for promotion consideration in a particular competitive category on or after the PRF allocation date. Causes for a change in eligibility status may include: SSB or AFBCMR actions, administrative errors, changes in dates of separation, or similar circumstances.

8.4.2.1. When an officer is added to a central selection board or changes promotion zone eligibility, the senior rater:

8.4.2.1.1. Prepares a PRF without a restriction as to the type of recommendation awarded, since there are no adjustments made to allocations of definitely promote recommendations on or after the PRF allocation date.

8.4.2.1.2. Only awards definitely promote recommendations to officers whose OCSRG and DQHB are comparable to other officers who received “Definitely Promote” recommendations during the normal PRF process.

8.4.2.1.3. Completes PRFs according to Table 8.1 (except section VI, Group Size). In this section, enter a "1" for IPZ officers and a "0" for AP officers. Note: Group size for non-line/LAF-J is always “N/A.”

8.4.2.1.4. Either recommends or does not recommend the officer for promotion, if the promotion opportunity is 100%. A PRF is required only for officers who are not recommended for promotion.

8.4.2.2. Senior raters void PRFs completed on officers subsequently deleted from promotion eligibility following the PRF allocation date. When a PRF is voided and an outright definitely promote was awarded, senior raters may reallocate “Definitely Promote” recommendations to other officers and re-accomplish PRFs. See paragraph
8.3.1.8.2 for disposition of “Definitely Promote” recommendations after the MLR convenes. The appropriate MLR must approve changes to I/APZ.

8.4.2.3. When an officer's zone of eligibility for promotion changes (e.g., from IPZ to APZ), the above provisions apply. Senior raters prepare a new PRF as appropriate to reflect the officer's correct promotion zone and void the old PRF.

8.4.3. Prisoners, Deserts, and Officers on Appellate Leave. Do not accomplish PRFs for officers who become prisoners or deserters, or who are on appellate leave on or before the PRF accounting date. Notify AFPC/DPMSPE through the management level to have these officers removed from the senior rater MEL unless the status is after the PRF accounting date. AFPC/DPMSPE prepares a board-specific DAF Form 77 for ADL officers who fall into this category and places it into their selection record. However, officers identified as prisoners, deserters, or on appellate leave after the PRF accounting date will require PRFs from the losing senior rater. The senior rater’s total number of eligible officers will include these officers when determining “Definitely Promote” allocations.

8.4.4. Officers Eligible for Promotion when the Promotion Opportunity is 100%. When the promotion opportunity for any grade is 100%, senior raters will prepare PRFs only on officers who receive “Do Not Promote This Board” recommendation or on a “Promote” recommendation with derogatory information (e.g., Article 15, referral evaluation, letter of reprimand) filed in their OSRs. Exceptions to this rule can be addressed to AFPC/DPMSPE. Senior raters will annotate one the MEL with either a “P” (for “Promote” recommendations) or “N” (for “Do Not Promote This Board” recommendations) and forward the MEL and PRFs to the management level. Management levels will review all “Do Not Promote This Board” promotion recommendations, update the Air Force Promotion Management System to show either “Promote” or “N” (not recommended for promotion), and forward any completed PRFs and MELs, signed by the MLR president, to arrive at AFPC/DPMSPE no later than 30 calendar days prior to the board start date. Management levels may use a representative sample of senior raters to evaluate “Do Not Promote This Board” recommendations.

8.4.5. Officers Assigned to Units Above the Management Level. Officers assigned directly to the offices of the CSAF, SecAF, CJCS, SECDEF, VPOTUS, or POTUS, with that individual as their direct reporting official, are above the management level, require special provisions because they do not fall within the usual jurisdiction of a management level. These select units generally have few promotion eligible officers for most boards.

8.4.5.1. Allocation Process. To ensure these officers receive full and fair consideration, the individual above the management level unit acts as the management level and receives separate “Definitely Promote” allocations for IPZ officers assigned. Since there is no opportunity for this small pocket of quality officers to aggregate up or compete for carry-over, the above the management level heads are authorized to award additional “Definitely Promote” recommendations.

8.4.5.2. Promotion Recommendation Forms (PRF). The above the management level heads are sole senior raters and must prepare PRFs on all promotion eligible officers under consideration by the appropriate central selection board. They award all PRF recommendations.
8.4.5.3. Management Level Review (MLR). Since the above the management level heads are sole senior raters, they do not conduct MLRs; the PRFs are forwarded to the HAF MLR (Air Force District of Washington) for a quality review only.

8.5. Correction of Promotion Recommendation Forms (PRF) (ADL Officers) (“Stop File” process). A PRF is considered a working copy until the start of the central selection board. If the PRF is not a matter of record, senior raters have the flexibility to change PRFs. **Note:** All changes to PRFs should be completed no later than 2 weeks prior to the central selection board. However, in extreme circumstances and on a case-by-case basis, AFPC/DPMSPE may approve changes up to one duty day prior to the central selection board. The request must be from an O-6/equivalent or above, who has oversight of the MLR process and justification as to why the correction was not discovered within the time limit.

8.5.1. For typographical errors, concurrence by the MLR president is not required. For content changes, MLR president concurrence is necessary. The following steps should be followed:

- 8.5.1.1. Senior rater contacts the management level to discuss the issue. The management level will notify AFPC/DPMSPE to place an immediate “Stop File” on the affected officer’s PRF(s) with written communication, identifying the change, (fax, email, and letter) within 24 hours of initial notification.

- 8.5.1.2. The senior rater must notify the affected officer (in writing, or, if verbal, follow-up in writing) of the intent to change the PRF.

- 8.5.1.3. The senior rater forwards the corrected PRF to the management level and provides a copy to the officer.

- 8.5.1.4. The management level forwards the corrected PRF to AFPC/DPMSPE.

8.5.2. If the change to the PRF serves to weaken the narrative portion, is a negative content change, or a downgrade in the overall rating, the MLR process that the original PRF met must be re-accomplished. In addition to the steps above, the officer must be provided a copy of the re-accomplished PRF and a letter, similar to the letter provided to an officer who receives a “Do Not Promote This Board” recommendation, stating the officer’s right to write a letter to the central selection board.

8.5.3. Correction of PRFs (ResAF Officers) (“Stop File” Process). A PRF is considered a working copy until the start of the central selection board. If the PRF is not a matter of record, senior raters have the flexibility to change PRFs. **Note:** All changes to PRFs should be completed NLT two weeks prior to the central selection board. However, in extreme circumstances, and on a case-by-case basis, ARPC/PB may approve changes up to one duty day prior to the central selection board. The request must be from the senior rater (in writing or, if verbal, follow-up in writing/electronic mail within 24 hours of initial notification).

- 8.5.3.1. The senior rater must notify the affected officer (in writing or, if verbal, follow-up in writing) of the intent to change the PRF.

- 8.5.3.2. If the change to the PRF serves to weaken the narrative portion, is a negative content change, or a downgrade in the overall rating, the PRF must be re-accomplished. In addition to the steps above, the officer must be provided a copy of the re-accomplished PRF and a letter, similar to the letter provided to an officer who receives a “Do Not Promote
This Board” recommendation, stating the officer’s right to write a letter to the central selection board.

8.6. Promotion Recommendations for Colonels. This section describes how to recommend colonels for promotion to the grade of brigadier general. It applies to officers eligible for consideration by the HAF or AFR general officer central selection board or an ANG federal recognition board.

8.6.1.1. Heads of management levels must:

8.6.1.1.1. Prepare PRFs on all promotion-eligible colonels under consideration by the appropriate selection or federal recognition board (e.g., extended active duty colonels with two years’ time in grade as of the board convening date). **Note:** Do not prepare PRFs on prisoners or officers on appellate leave, or on ANG colonels being considered for certificates of eligibility to the grade of brigadier general. When preparing PRFs on promotion-eligible colonels, management levels may consider, in addition to the OCSRG, other reliable sources of information, to include the senior officer UIF (if applicable). **Table 8.1**, notes 4 and 6, contain further guidance. Guidance in this instruction take precedence over those printed on the AF Form 709. For ANG colonels, the AF Form 709 must be signed by the adjutant general. For adjutants general, the AF Form 709 must be signed by the Governor.

8.6.1.1.2. Personally complete PRFs by competitive category on all promotion-eligible colonels who receive a “Definitely Promote This Board” and “Definitely Promote” recommendation. Complete PRFs no earlier than 60 calendar days and no later than 30 calendar days before the selection or federal recognition board convenes.

8.6.1.1.3. Designate one or more representatives to perform this function for all other promotion recommendations. Representatives must be senior in grade to the ratees. Brigadier general selectees may not be designated as a representative for PRF purposes.

8.6.1.1.4. Send completed PRFs on all AFR colonels to AF/REG no later than 30 calendar days prior to the central selection board convening date.

8.6.1.1.5. Provide each ratee a copy of their PRF approximately 30 calendar days prior to the appropriate board. Attach a memo (**Figure 8.1**) for ratees who received a “Do Not Promote This Board” recommendation to advise the officer of the right to submit a letter to the central selection board.

8.6.1.2. Vice Chief of Staff, USAF (AF/CV). The AF/CV, or designated representative, serves as the single management level for Air Force colonels assigned outside the DoD, to other military services, or as Air Force-level (e.g., senior service school) students.

8.6.1.3. Air Force Colonel Management Office (AF/A1LO).

8.6.1.3.1. Manages the PRF process for all RegAF list colonels.

8.6.1.3.2. Announces the PRF accounting date.

8.6.1.3.3. Matches promotion eligible officers to the appropriate management level on the PRF accounting date.
8.6.1.3.4. Announces the “Definitely Promote This Board” allocation rate and a combined allocation rate for the “Definitely Promote This Board”/“Definitely Promote” recommendations in the personnel services delivery memorandum (PSDM) released before the board.

8.6.1.4. Air Force Reserve General Officer Management (AF/REG). Manages the PRF process for all AFR colonels.

8.6.1.5. National Guard Bureau ANG General Officer Management Office (NGB-GO/AF). Manages the PRF process for all ANG colonels.

8.6.2. Processing and Use of the PRF for colonels.

8.6.2.1. Send completed PRFs on all ADL colonels to AF/A1LO no later than 30 calendar days prior to the central selection board convening date.

8.6.2.2. Send completed PRFs on all AFR colonels to AF/REG approximately 30 calendar days prior to the central selection board convening date.

8.6.2.3. Send completed PRFs on all ANG colonels to NGB-GO/AF no later than 30 calendar days prior to the ANG federal recognition board convening date, or as directed by NGB-GO.

8.6.2.4. Narrative-only/recommendation-only PRFs for permanent-party students, patients and missing-in-action/prisoners of war.

8.6.2.4.1. The senior rater sends the narrative-only PRF to AF/A1LO no later than 30 calendar days prior to the officer departing PCA or PCS for school.

8.6.2.4.2. The senior rater sends evaluations for officers in patient or missing-in-action/prisoner of war status to AF/A1LO no later than 60 calendar days after the officer enters this new status.

8.6.2.4.3. Senior raters provide a copy of the narrative-only PRF to the ratee prior to the officer’s departure from home station.

8.6.2.4.4. AF/A1LO maintains narrative-only PRFs until the officer leaves student, patient, or missing-in-action/prisoner of war status. AF/A1LO destroys narrative-only PRFs when the officer no longer competes for promotion in this status. AF/A1LO maintains the narrative-only PRFs until distributed as specified below:

8.6.2.4.4.1. For officers who become eligible for promotion consideration by a brigadier general central selection board before they change status, AF/A1LO forwards the narrative-only PRFs to AFDW, Military Personnel Branch (AFDW/A1K).

8.6.2.4.4.2. After completion of the AF/CV recommendation-only PRFs (which are attached to the narrative-only PRFs), the AF/CV forwards the PRFs back to Air Force Colonel Management Office for inclusion in the HAF selection folder and provides copies to the ratees.
8.6.2.5. Restrict the use of the AF Form 709 to the brigadier general central selection boards. Do not use PRFs for any other personnel action.

8.6.2.6. A PRF becomes a “matter of record” upon the convening date of the central selection board for which it was prepared.

8.6.2.7. Destroy a colonel’s PRF within 30 calendar days of the officer’s promotion, retirement, or separation.

8.6.2.8. Only the offices listed below may maintain copies of the PRF.
   8.6.2.8.1. AF/A1LO for all ADL colonels.
   8.6.2.8.2. AF/REG for all AFR colonels.
   8.6.2.8.3. NGB-GO/AF for all ANG Colonels.

8.6.3. For instructions on completing the AF Form 709 for colonels, see Table 8.4.

8.7. Supplemental Management Level Reviews for Recommendation Upgrade Post-Central Selection Board, (For ADL Only). The supplemental MLR is a competitive process required to ensure fairness and equity in the post-central selection board PRF appeal process. As stated in paragraph 8.1.4.3.10, management levels must maintain copies of the OCSRG that earned the bottom “Definitely Promote” recommendation and the top two “Promote” recommendations in carry-over at their MLR for each competitive category as it appeared before the MLR. The OCSRG will serve as the “Definitely Promote” recommendation benchmark record to be competed via a supplemental MLR against OCSRG of officers seeking a post-central selection board PRF upgrade of the overall recommendation (Section IX) to a “Definitely Promote” recommendation.

8.7.1. Granting Supplemental Management Level Consideration. Management levels will grant supplemental management level consideration only if they have the written support of both the original senior rater and MLR president in accordance with Attachment 2, paragraph A2.6.

8.7.2. Supplemental Management Level Review Procedures. Management levels will conduct supplemental MLRs in conjunction with their next scheduled MLR, when appropriate membership is present. When conducting a supplemental MLR, the applicant’s OCSRG, to include the revised PRF as supported by both the original senior rater and MLR president, will be competed head-to-head against the “Definitely Promote” recommendation and “Promote” recommendation benchmarks and scored by all members of the MLR. Management levels must ensure the applicant’s OCSRG contains only those documents that would have been present during the original MLR. Scoring of the records will be a simple vote. The applicant’s OSR must tie or beat the bottom “Definitely Promote” recommendation benchmark in order to be awarded a “Definitely Promote” recommendation.

8.7.3. Disclosing of Supplemental Management Level Results. At the conclusion of the supplemental MLR, the management level must ensure the MLR president certifies the results via a results letter. If the applicant earned a “Definitely Promote” recommendation from the supplemental MLR, the letter, along with the PRF, should be returned to the applicant to be included in their appeal package (ERAB process in accordance with chapter 10). See paragraph 8.4.4.1.2. In addition, a copy of the letter and PRF must be forwarded to AFPC/DPMSPE. If the applicant is not granted a “Definitely Promote” recommendation from the supplemental MLR, then the applicant’s appeal to change the overall recommendation of
the PRF to a “Definitely Promote” recommendation is without merit. As such, the results letter and PRF should be returned to the applicant, and only a copy of the letter must be forwarded to AFPC/DPMSPE.

MEMORANDUM FOR (Ratee)  
(Ratee’s address)  

FROM: (Senior rateer’s functional office symbol)  
(Senior rateer’s functional address)  

SUBJECT: Officer’s Right to Submit a Memorandum to the Central Selection Board (CSB)  

I have recently completed your AF Form 709, Promotion Recommendation. In this evaluation, I recommended to the CSB that you not be selected for promotion at this time. Because of this recommendation, I am reminding you of your right to submit a memorandum to the CSB.

If you believe this evaluation is inaccurate, unjust, or unfairly prejudicial, you may write a memorandum to the CSB concerning these matters. In addition, you may apply for a correction/appeal of the evaluation under Chapter 10 of DAFI 36-2406, Officer and Enlisted Evaluations Systems, once the evaluation becomes a matter of record.

DAFI 36-2501, Officer Promotions and Selective Continuation, provides further instructions as to what is permissible in a memorandum to the CSB. If you require further information concerning your right to submit a memorandum to the board, the MPF is available to assist you.

See instructions at Note 7.

|   |   |   | For Recommendation-Only PRFs:  
|---|---|---|  
a. Enter in Item 4, student DAFSC; for Item 5, the organizational designation, MAJCOM, and a location of the ratee’s assigned school; and for item 6, student PAS code.  
b. For AGR students only: Enter in Item 4 the student DAFSC; for Item 5, Office of Air Force Reserve (HAF), Washington District of Columbia; and for Item 6, student PAS code.  
4. Some general guidelines:  
a. For RegAF and ARC officers, promotion recommendation narratives are limited to the space provided. In these comments, the senior rater should use plain language and limit use of acronyms and/or abbreviations to provide a performance-based differentiation and/or characterization of the eligible officer’s potential to serve in the next higher grade.  
b. Endorsements for promotion are based upon an officer’s demonstrated character and competence as detailed in the SecAF’s memorandum of instruction for promotion boards. This is an opportunity for the senior rater to tell the central selection board why they should
(or should not) promote the officers. This should not be a summary of information already contained in the record of performance. Comments or pushes for items that are decided through other processes or means (e.g., developmental education, jobs, assignments) are not authorized.

c. PRFs may include recommendations for promotion (limit comments to the next higher grade).

d. Do not discuss classified information.

e. Consider including comments related to Article 15 actions, or letters of reprimand, admonishment, or counseling. It is strongly recommended that control roster actions be recorded. It is mandatory to record court-martial results unless actions resulted in acquittal.

f. Do not make recommendations for selective continuation since selective continuation boards do not see PRFs. On central selection boards where promotion and selection continuation are involved, PRFs are removed from the selection records before the start of the selective continuation process.

g. Refer to paragraph 1.12 for inappropriate evaluator considerations and comments on PRFs.

h. Duty information must be within the senior rater’s jurisdiction as of the PRF accounting date.

i. Will not comment on an officer’s prior enlisted time. (T-1)

j. If an officer has a date of separation, has an approved retirement date, or is unsure about career intent, it does not necessarily detract from performance-based potential and will not be commented on in the PRF.

5. Comments are mandatory when an officer receives a DP or DNP recommendation, and must substantiate, amplify, or explain the recommendation. (T-1)

6. For narrative-only PRFs, do not mark any of the three blocks and type “No Overall Recommendation” in the top of this section. For non-line of the AF/LAF-J officers; MC and DC promotion to major and lieutenant colonel; LAF, NC, MSC, BSC, and Chaplain Corps (HC) promotion to captain, only P or DNP recommendations are used on the PRF (when the promotion opportunity is 100 percent). Do not prepare a PRF for AF/LAF-J promotion to captain. For officers submitted in aggregate or carry-over to an evaluation board, leave this section blank.

7. Senior Rater:

a. Enter name, grade, branch of service (military officers and Department of the Air Force civilians only), organization, command of assignment, and location. Grade must be that in which the Senior rater is serving. (T-1). Exception: Enter “Brig Gen (S)” for brigadier general selectees confirmed by the Senate. Retired grade is not authorized. If an officer has been frocked, enter their actual grade unless the officer is serving in a funded billet and the ratee is a lieutenant colonel or above.

b. Enter the last four digits of the Social Security Number if the evaluator is an Air Force officer. The Social Security Number is optional, though encouraged, if the evaluator is a civilian or member of another U.S. military service.

c. Do not include command level, unless it is an integral part of the duty title, with the official duty title.

d. For ADL officers, enter current data as of the date of PRF completion. Do not complete the PRF before the PRF cutoff date.

e. For ADL R-O PRFs, the President of the AF Management Level Review acts as the senior
rater. Enter the following information: name; grade; branch of service; for organization, enter “HAF Student MLR”; for location, enter the location of the review; social security number; and for duty title, enter “President, HAF Student MLR.”

8. For PV nomination, place the position number to the far right in the “Duty Title” block. All PV nominations must have a valid funded position number with an authorized grade higher than the officer’s current grade when they arrive at ARPC/PB. (T-1). PRFs with missing position numbers may be returned. PRFs with invalid position numbers or those for nominees not the incumbent (an UMD overage) in the position will be returned. (T-1). Direct questions to ARPC/PB.”

**Notes:**

1. For line of the Air Force (LAF) officers only, the following rules apply: APZ eligible do not generate “Definitely Promote” allocations; therefore, they do not apply when determining the entry for Section VI on the PRF. For management levels with only LAF APZ eligible members, please reference paragraph 8.3.1.5.2. When an officer is added to a central selection board to change promotion zone eligibility after Day 66, enter a “1” for IPZ officers or a “0” for APZ officers.

2. For non-line/LAF-J officers (I/APZ), always enter “N/A” regardless of the number of eligible unless they fall under the criteria of paragraph 8.4.2. (Board Adds/Promotion Zone Changes).

**Note:** To determine the number of senior rater “Definitely Promote” allocations when there are more than 50 In-the-Promotion Zone eligible officers, multiply the number of IPZ eligible officers times the allocation rate. If the result is not a whole number, round down to the next lower whole number.

**Example:** A senior rater who has 63 eligible officers applied to a 65% allocation rate earns 40 definitely promote allocations (63 X 65% = 40.95 allocations, rounded down to 40). This table applies to all competitive categories. **Exception:** When the senior rater has three IPZ officers and the allocation rate is 65%, senior raters may award two “Definitely Promote” recommendations even though the computation does not result in two allocations (1.95). This table reflects this exception.

This description must reflect the uniqueness of each ratee’s job and not be standardized. Be clear and specific. Include level of responsibility, number of people supervised and dollar value of resources accountable for projects managed. Avoid jargon, acronyms and topical references as they obscure rather than clarify meaning. Mention additional duties only if they directly relate to mission accomplishment and previous jobs held during the reporting period. For accessions receiving an evaluation while awaiting the start of formal training, the first line of the description will read “Officer is awaiting training.” This may mirror the job description. **Notes:**
1. Senior raters complete PRFs no earlier than 60 calendar days before the central selection board (the PRF cutoff date). For AFR, complete the PRFs in time to arrive at ARPC no later than 45 calendar days before the board convening date. Senior raters of ADL colonels award one of four overall recommendations: Definitely Promote this board (DPTB), Definitely Promote (DP), Promote (P), or Do Not Promote This Board (DNP). Senior Raters of ARC colonels award one of three overall recommendations: Definitely Promote (DP), Promote (P), or Do Not Promote This Board (DNP).
2. If changes to DAFSC or duty title are approved after the MLR but before the central selection board, see paragraph 8.5 for correction procedures. Once the PRF is a matter of record, a formal application for correction must be submitted in accordance with Chapter 10. (T-1) For RASL officers, contact ARPC/DPS if data is incorrect. For AGR students, enter “Student of (type of school).” E.g., PDE, IDE, SDE.
3. For Recommendation-Only PRFs:
a. Enter in Item 4, student DAFSC; for Item 5, the organizational designation, MAJCOM, and location of the ratee’s assigned school; and for item 6, student PAS code.
b. For AGR students only: Enter in Item 4 the student DAFSC; for Item 5, Office of Air Force Reserve (HAF), Washington District of Columbia; and for Item 6, student PAS code.

4. Some general guidelines:
a. Endorsements for promotion are based upon an officer’s demonstrated character and competence as detailed in the Secretary of the Air Force’s memorandum of instruction for promotion boards. This is an opportunity for the senior rater to tell the central selection board why they should (or should not) promote the officers. This should not be a summary of information already contained in the record of performance. Comments or pushes for items that are decided through other processes or means (e.g., developmental education, jobs, assignments) are not authorized.
b. PRFs may include recommendations for promotion (limit comments to the next higher grade).
c. Do not discuss classified information.
d. Consider including comments related to Article 15 actions, or letters of reprimand, admonishment, or counseling. It is strongly recommended that control roster actions be recorded. It is mandatory to record court-martial results unless actions resulted in acquittal.
e. Refer to paragraph 1.12 for inappropriate evaluator considerations and comments on PRFs.
f. Duty information must be within the senior rater’s jurisdiction as of the PRF accounting date. (T-1)
g. Will not comment on an officer’s prior enlisted time. (T-1)

5. Comments are mandatory when an officer receives a DPTB (RegAF), DP (AFR), or DNP recommendation. Comments are optional when an officer receives a DP recommendation (RegAF). Comments must substantiate, amplify, or explain the recommendation. (T-1)

Comments for P recommendations are prohibited (RegAF). Comments for P recommendations are optional (AFR).

6. On PRFs prepared on promotion-eligible colonels, Section VI does not exist (RegAF). Management level stratification will be placed in Section IV, Comments (RegAF). (T-1)

Focus on the potential to serve at the GO level. Use ratee’s accomplishments as a colonel to demonstrate potential and explain why an officer uniquely qualifies for promotion more so than others. Use comparative terms and gauge difficulty of job challenge, but do not repeat content of officer evaluations. Highlight factors that demonstrate desired GO traits (breadth, depth, versatility, adaptability, generalist qualities, leadership, management intellect, presence, image, communication skills, experience, functional expertise, appreciation for future vision). Use personal terms and be clear and concise. Identify true contenders and place heavy emphasis on future use as a GO. The head of the management level (or designated representative) may solicit advice and information from the ratee’s supervisors and commanders, both current and past. If rendering a DPTB or DP recommendation, indicate the officer’s rank order among the total number of promotion-eligible officers in the management level and competitive category (RegAF). Example: An officer receiving a DP recommendation who is second in a management level of 150 total eligible would have the entry “2/150.” If the officer does not receive a DP recommendation, leave this section blank or enter “N/A.”

7. For narrative-only PRFs, do not select any of the four blocks and type “No Overall
Recommendation,” in the top of this section. For officers submitted in aggregate or carry-over to an evaluation board, leave this section blank.

8. For ADL colonels, the head of the management level must complete this section if the recommendation is a DPTB or DP. (T-1) For other recommendations, the head of the management level may designate one or more representatives, senior in grade to the ratee, to complete this section.

9. For PV nomination, place the position number to the far right in this block. All PV nominations must have a valid funded position number with an authorized grade higher than the officer’s current grade with it arrives at ARPC/PB. (T-1) PRFs with missing/invalid position numbers or those for nominees not the incumbent (an UMD overage) in the position for which nomination may be returned. Direct questions to ARPC/PB.

10. For ANG colonels, the PRF must be signed by the Adjutant General of their state affiliation. (T-1)

11. For AFR colonels, the head of the management level must complete this section if the recommendation is a DP. (T-1) For other recommendations, the head of the management level may delegate to any general officer or equivalent within the chain of command (most commonly the senior rater).
Chapter 9

AF FORM 3538, RETENTION RECOMMENDATION FORM

9.1. When to Use the AF Form 3538, Retention Recommendation Form (RRF). Use the AF Form 3538 to provide performance-based differentiation and retention recommendations to assist involuntary separation or retirement central selection boards such as force shaping, reduction in force, or selective early retirement boards.

9.2. Responsibilities.

9.2.1. First Evaluator:

9.2.1.1. Reviews the ratee's OCSRG, DQHB, and UIF before preparing the retention recommendation form. May consider other reliable information about duty performance and conduct except as prohibited by paragraph 1.12 or other regulatory guidance.

9.2.1.2. Must be knowledgeable of the ratee's most recent performance. The first evaluator may request subordinate supervisors provide information on an officer's most recent duty performance and may ask for suggestions based upon the officer's duty performance for PRF recommendations.

9.2.1.3. Is responsible for evaluating each officer’s OCSRG and DQHB and awarding one of three retention recommendations for eligible officers:

9.2.1.3.1. A “Definitely Retain” recommendation means the strength of the ratee’s performance and performance based potential alone warrants retention.

9.2.1.3.2. A “Retain” recommendation means the strength of the ratee’s performance warrants retention.

9.2.1.3.3. A “Do Not Retain” recommendation means the ratee does not warrant retention and should not be retained by the board for which the officer is eligible. The first evaluator must make comments explaining to the board why the officer should not be retained.

9.2.1.3.4. Evaluators may not base their retention recommendations on a member’s intention to separate or retire or a board’s retention or separation quota. Recommendations must be based on the member’s record of performance and their potential for further service.

9.2.1.3.5. Comments are mandatory. Refer to paragraph 1.12 for inappropriate comments. In addition, promotion recommendations are not permitted in the RRF.

9.2.1.3.6. For Colonel Retention Recommendation Forms. Comments may be handwritten. Comments should only relate to the officer’s record as a colonel.

9.2.2. Second Evaluator:

9.2.2.1. Endorses the RRF no earlier than 60 calendar days before the central selection board (the RRF cutoff date).

9.2.2.2. Ensures no subordinate commander and/or supervisor asks or allows an officer to draft or prepare their own RRF.
9.2.2.3. Ensures there are no boards or panels of officers convened to collectively score, rate, rank, or tally the records and/or generate a priority list of eligible officers unless specifically authorized by this instruction. However, senior raters may request subordinate supervisors to provide their assessment of the rank order of officers within their direct chain of command.

9.2.2.4. Comments only if the second evaluator non-concurs with the first evaluator’s recommendation. If the second evaluator non-concurs with the first evaluator’s recommendation, then comments are mandatory explaining the decision. Note: AFPC may provide alternate guidance when appropriate.

9.2.2.5. Provides the ratee a copy of the RRF (hand-delivered or sent in a sealed envelope clearly marked, “To Be Opened By Addressee Only”) approximately 30-45 calendar days prior to the board. The reason for this is two-fold: 1) to advise the ratee of the retention recommendation and 2) to provide the ratee an opportunity to point out any errors of fact so they may be corrected prior to the central selection board. Note: If the ratee is geographically separated, send it to the ratee by “return receipt requested” mail.

9.2.2.6. Ensure the RRF remains a private matter with access being only between the evaluators, the ratee and the board. Subordinate evaluators or others may have access to comments or recommendation only on the RRF if permitted by the ratee.

9.2.2.7. Attach a memo telling the ratee who receives a RRF with a ‘Separate/Retire’ recommendation that they have the right to submit a letter to the board. See Figure 9.1.

9.2.3. The Ratee:

9.2.3.1. It is the ratee’s responsibility to contact the second evaluator if they have not received a copy of the RRF no later than 15 calendar days prior to the board.

9.2.3.2. It is the ratee’s responsibility to ensure their record is current and accurate.

9.3. Retention Recommendation Form Submission. Administrative processing for the RRF, to include SRID accounting, Air Force Promotion Management System management, unless stated otherwise, will mirror that of the PRF except for those actions directly associated with the MLR process. There is no MLR process for the RRF. Refer to paragraph 8.1.5 (RegAF and ARC) or paragraph 11.1.6 (USSF) for processing procedures and responsibilities.

9.4. Air Force or Space Force Advisor Examination. For Air Force, when applicable, type, “AF Advisor Review” on the left margin of the RRF and include the AF advisor’s name, grade, “USAF,” date, and signature. For Space Force, when applicable, type, “SF Advisor Review” on the left margin of the RRF and include the SF advisor’s name, grade, “USSF,” date, and signature. See paragraph 1.6.8 for more guidance.

9.5. Correction of a Retention Recommendation Form. A RRF is considered a working copy until the start of the board. If the RRF is not a matter of record, second evaluators have the flexibility to change RRFs no later than two weeks prior to the central selection board. Use the “Stop File” process (see paragraph 8.5) when correcting an RRF.

9.5.1. If the change to the RRF serves to weaken the narrative portion, is a negative content change, or is a downgrade in the recommendation, the officer must be provided a copy of the re-accomplished RRF and a letter, similar to the letter provided to an officer who receives a
“separate” recommendation, stating the officer’s right to write a letter to the central selection board.

9.5.2. A Retention Recommendation Form becomes a “matter of record” upon the convening date of the central selection board for which it was prepared.

Figure 9.1. Officer's Right to Submit a Memorandum to the Central Selection Board (central selection board).

MEMORANDUM FOR (Ratee)  
(Ratee’s address)

FROM: (Senior rater’s functional office symbol)  
(Senior rater’s functional address)

SUBJECT: Officer's Right to Submit a Memorandum to the Central Selection Board (CSB)

(date)

I have recently completed your AF Form 3538, Retention Recommendation. In this evaluation, I recommended to the CSB that you not be selected for retention at this time. Because of this recommendation, I am reminding you of your right to submit a memorandum to the CSB.

If you believe this evaluation is inaccurate, unjust, or unfairly prejudicial, you may write a memorandum to the CSB concerning these matters. In addition, you may apply for a reveal of the evaluation under Chapter 10 of DAFI36-2406, Officer and Enlisted Evaluations Systems, once the evaluation becomes a matter of record.

DAFI36-2501, Officer Promotions and Selective Continuation, provides further instructions as to what is permissible in a memorandum to the CSB. If you require further information concerning your right to submit a memorandum to the board, the MPF is available to assist you.

Notes:
1. Some general guidelines:
   a. Comments must be in narrative format.
   b. May include recommendations for professional military education and next assignment, but not promotion.
   c. **Paragraph 1.12** applies.
   d. Evaluators may consider and/or include information from other reliable sources (e.g., Reserve Officer Training Corps distinguished graduates, Officer Training Students distinguished graduates, etc.).
   e. Do not comment on rankings or recommendations from prior AF Forms 3538.
   f. Comments may be warranted if an officer displays a reluctance to accept responsibility, has a negative attitude towards the job, or performance has diminished. However, if an officer has a date of separation, an approved retirement date, intends to separate or retire, or is unsure about career intent, it should not be commented on in the RRF.
   g. Do not discuss classified information.
   h. Do consider including comments related to Article 15 actions or letters of reprimand, admonishment or counseling. It is strongly recommended that control roster actions be recorded. It is mandatory to record court-martial results unless actions resulted in acquittal.
2. If changes to DAFSC/DSFSC or duty title are approved after the RRF is a matter of record, a formal application for correction must be submitted in accordance with **Chapter 10**.
3. Senior Rater (lieutenant colonels and below):
   a. Enter name, grade, branch of service (military officers and Department of the Air Force social security number civilians only), organization, command of assignment, and location. Grade must be that in which the senior rater is serving. **Exception:** Enter “Brig Gen (S)” for brigadier general selectees. Retired grade is not authorized. If an officer has been “frocked,” enter the actual grade unless the officer is serving in a funded billet and the ratee is a lieutenant colonel or above.
   b. Show social security number if the evaluator is a USAF or USSF officer (last four only). The social security number is optional, though encouraged, if the evaluator is a civilian or a member of another US military service.
   c. Do not include command level, unless it is an integral part of the duty title, with the official duty title.
   d. Do not enter any classified information.
Chapter 10
CORRECTING OFFICER AND ENLISTED EVALUATIONS

10.1. Purpose.

10.1.1. The ERAB was established to provide Airmen and Guardians with an avenue of relief for correcting errors or injustices in evaluations at the lowest possible level.

10.1.2. If an evaluation cannot be corrected under Table 10.2, an applicant’s first avenue of relief for correcting an evaluation is through the ERAB, which is accessible via the vMPF/myEval.

10.1.3. An applicant’s second and last avenue of relief is via the AFBCMR by submitting a DD Form 149, Application for Correction of Military Records under the Provisions of Title 10, U.S. Code, Section 1552, in accordance with DAFI 36-2603, Air Force Board For Correction of Military Records. Note: Applicants should exhaust all other avenues of relief (e.g., the ERAB) before submitting their request to the AFBCMR.

10.1.4. Retired or separated personnel are not eligible to apply for correction through the ERAB; therefore, they must submit a DD Form 149 to the AFBCMR.

10.2. Program Elements.

10.2.1. Who Establishes the Board. The Commander, Headquarters Air Force Personnel Center (AFPC/CC) directs the business process owner (BPO) of DAF Evaluation Programs to establish an ERAB to assess requests to correct evaluations and to correct substantiated errors or injustices for RegAF or USSF personnel. The Commander, Headquarters Air Reserve Personnel Center (ARPC/CC) directs the establishment of the ERAB to assess requests to correct evaluations and to correct substantiated errors or injustices on ARC personnel.

10.2.1.1. For Air Force officer appeals, the board president must be at minimum an Air Force commissioned officer or civilian in the grade of O-5/GS-12 and above. For Space Force officer appeals, the board president must be at minimum a Space Force commissioned officer or civilian in the grade of O-5/GS-12/NH-III and above. For Air Force enlisted appeals, the board president must be equal to or higher than the requester or at a minimum an Air Force senior noncommissioned officer or civilian in the grade of E-7/GS-9. For Space Force enlisted appeals, the board president must be equal to or higher than the requester or at a minimum a Space Force senior noncommissioned officer or civilian in the grade of E-7/GS-9/NH-II.

10.2.1.2. Each board consists of two board members and a board president. A board member or president who was, or is, an evaluator for an applicant cannot consider that person's appeal.

10.2.1.3. Evaluations that have become a matter of record are presumed to be accurate and objective. Applicants filing an appeal must provide evidence that clearly demonstrate an error or injustice was made.

10.2.2. Who Administers the Appeal Process. The Evaluations Programs Section (AFPC/DPMSPES and ARPC/PB) manages the appeals process and executes board decisions. Following the board’s decision, destroys all working papers, memoranda, worksheets,
recommendations, and notes between the board members or between the board and the evaluation section which pertain to the case. The board does not create nor maintain formal records of proceedings.

10.2.3. How the Board Will Operate.

10.2.3.1. Board members review applications and make recommendations to the ERAB President.

10.2.3.2. The ERAB President.

10.2.3.2.1. Reviews the member's request, considers each board member’s recommendations, and makes the final decision for the appeal.

10.2.3.2.2. Acts for the full board on applications which involve administrative and technical corrections, or in cases that clearly lack the evidence necessary for presentation to the full board, or in cases that require waiving the time limit for an appeal.

10.2.3.3. The Board.

10.2.3.3.1. May be formal or informal.

10.2.3.3.2. Does not permit personal appearances. Neither applicants nor their representatives can appear before the ERAB.

10.2.3.3.3. Handles all appeals confidentially and does not normally disclose information to outside agencies.

10.2.3.3.4. Refers cases for action to appropriate agencies or individuals, such as Air Force Office of Special Investigations, unit commander, and so on, if documents or statements do not appear to be authentic. The Manual for Courts-Martial specifies penalties for creating false or forged official statements and documents. Civilian Air Force employees may be punished under federal law.

10.2.3.3.5. Reviews cases based on information supplied in the application. The ERAB is not an investigative body and does not solicit additional documentation in support of an application. However, if the board decides to consider information that was not available to the applicant, the ERAB will notify the applicant and allow them time to comment on the information. Exception: Information contained in MilPDS or the Master Personnel Record Group.

10.2.3.3.6. Directs removal, inclusion, substitution and/or corrections to evaluations. The ERAB is authorized to modify evaluations that differ from the applicant's request, (e.g., the applicant requests the report be voided because the feedback date is incorrect; the ERAB may deny voiding the report and instead direct the feedback date be corrected).

10.2.4. Prohibited Requests. The board will not consider nor approve requests to:

10.2.4.1. Void an evaluation when the error or injustice can be corrected administratively.

10.2.4.2. Void an evaluation while keeping attachments to that evaluation.
10.2.4.3. Void an evaluator's section while keeping comments or ratings of subsequent evaluators.

10.2.4.4. Void an evaluator's comments but keep the ratings (or vice versa).

10.2.4.5. Delete required information or add unauthorized information to an evaluation.

10.2.4.6. Change (except for deletions) an evaluator's ratings or comments if the evaluator does not support the change. When an evaluator supports changing ratings, all subsequent evaluators must also agree to the changes (including the commander on enlisted evaluations, the reviewer on officer evaluations, and the MLR board president on PRFs). (T-1) Justification is required from the original evaluators. See Attachment 2, paragraph A2.3.

10.2.4.7. Re-accomplish an evaluation without the applicant furnishing the new evaluation.

10.2.4.8. Void, correct, or change an evaluation that does not meet the 3-year time limit without a waiver. See paragraph 10.5.

10.2.4.9. Correct or rewrite an evaluation post-board based solely on the omission of an optional statement, or to make the evaluation stronger (e.g., professional military educational/developmental educational/assignment recommendations, awards, deployment information, senior rater endorsements, and/or stratifications are not mandatory, therefore omission of any does not make the report inaccurate or unjust).

10.2.4.10. Void or correct an evaluation because an action, (e.g., UIF, control roster, Article 15, etc.), was removed:

10.2.4.10.1. Early or on the disposition date. Removal does not mean the action did not take place. If the corrective action existed on or before the close-out date of the evaluation, the evaluation is still valid.

10.2.4.10.2. Because the corrective action was “set aside.” If the corrective action (e.g., Article 15) was “set-aside,” but the behavior that led to the corrective action is still valid and the behavior existed on or before the close-out date of the report, the evaluation may still be valid if the report only reflects the behavior and not the corrective action that was “set aside.” If the action that was “set aside” is mentioned in the evaluation, the ERAB would only remove the reference to it; not the behavior that led to the action. **Examples:**

10.2.4.10.2.1. The ratee received an Article 15 for driving under the influence, and later the Article 15 was set aside for reasons other than innocence. However, the report only states “Used poor judgment—picked up for driving under the influence.” Since the ratee was picked up for driving under the influence, and the evaluation does not mention the Article 15, the evaluation is still a valid report.

10.2.4.10.2.2. The ratee received an Article 15 for driving under the influence, and later the Article 15 was set aside for reasons other than innocence. The report states “Used poor judgment—rcvd Art 15 for Driving Under the Influence.” In this case, the ERAB would not void the evaluation but would correct the evaluation to reflect “Used poor judgment—Driving Under the Influence.”
10.2.4. For the ERAB to decide favorably to void the evaluation, the applicant must prove by a preponderance of the evidence that the behavior did not take place and the corrected action taken was officially set aside and not just removed or expired.

10.2.5. Appeals based on Promotion/Career Opportunity. Although not prohibited, ERAB requests based solely on a willingness by evaluators to change evaluations after non-selection for promotion will not be favorably considered unless proven the evaluation was erroneous or unjust based on content. See Attachment 2, paragraph A2.5.1.

10.3. Correcting Evaluations.

10.3.1. Prior to Becoming a Matter of Record. Once a digital signature is applied, the comments and ratings are locked and cannot be changed. In addition, the digital signatures cannot be deleted. If a correction needs to be made after the form has been digitally signed, then the rater will need to re-accomplish the form. The rater will be able to copy the text areas from the erroneous form and paste them into the new form. The corrections can be made, and the form resigned. The form will reflect the date of the new signature.

10.3.2. Appealing Evaluations and Requesting Changes After Evaluations Have Become a Matter of Record. See paragraph 1.4.3 to determine when an evaluation becomes a matter of record. Applicants must exhaust all avenues of relief before submitting their requests to the AFBCMR. The other avenues available are:

10.3.2.1. Administrative Correction. See Table 10.2 to determine if the requested correction can be made through administrative procedures without referral to the ERAB or AFBCMR. Due to the electronic process, only AFPC/DPMSPE can make corrections to evaluations. Once an evaluation becomes a matter of record, even administrative corrections will require an applicant to submit an ERAB via the electronic process (vMPF/myEval). An example of a case that would not require an ERAB or AFBCMR is when a report is not viewable in ARMS and PRDA or MilPDS is not updated.

10.3.2.2. When the correction cannot be corrected administratively, the next avenue of relief is through the ERAB. Procedures for appealing evaluations through the ERAB are prescribed in this chapter.

10.3.2.3. If the correction cannot be corrected administratively, the ERAB denies the appeal, or the requested action is not authorized by this chapter, the next avenue of relief would be through the AFBCMR procedures and can be found in DAFI 36-2603.

10.3.2.4. Performance feedback assessment worksheets and sessions are not subject to appeal.

10.3.3. Any changes or corrections that substantially alter the content from the original version require original signatures from all evaluators. If an evaluator (other than the rater) is unavailable and all attempts to contact them have failed, the individual who replaced the missing evaluator will sign the evaluation. When correcting an administrative error prior to the evaluation becoming a matter of record and one or more of the evaluators are unavailable to sign the re-accomplished evaluation, any evaluator in the rating chain after the unavailable evaluator may sign.
10.3.4. Re-accomplish evaluations containing an excessive number of erasures, change sentence meaning, or requiring corrections to the ratings. Do not use paper correction tape. Do not correct ratings.

10.3.5. Evaluations will not be appealed under Chapter 10 or DAFI 36-2603 before becoming a matter of record.

10.3.6. For PRF corrections, see paragraph 8.5 (RegAF and ARC), paragraph 11.4 (USSF), and Attachment 2, paragraph A2.6.

10.3.7. Corrected Copies of Digitally Signed Documents. See paragraph 1.4.5.2.

10.4. Responsibilities.

10.4.1. The Military Personnel Flight (MPF). Provide training and advise personnel on the ERAB process. Opens a case management system case when applicable.

10.4.2. The Commander’s Support Staff (CSS). Provides guidance on the ERAB process and how to access the vMPF and/or myEval.

10.4.3. The Total Force Service Center (TFSC) Personnel.

10.4.3.1. Be knowledgeable of the appeals process, and familiar with the contents of this instruction.

10.4.3.2. Determine if the correction is minor or requires a formal application by the member. Minor corrections will be processed by the applicable office of primary responsibility in accordance with Table 10.2. Note: Any and all corrections involving DAF Forms 709 and AF Forms 3538 will immediately be forwarded to AFPC/DPMSPE for correction.

10.4.3.3. Explains application procedures and documentation requirements via the vMPF and/or myEval. The addresses for sending original documents are:

10.4.3.3.1. RegAF:

AFPC/DPMSPE
Attn: ERAB
550 C Street West, Suite 7
Joint Base San Antonio-Randolph TX 78150-4709

10.4.3.3.2. AFR/ANG (ARC):

ARPC/PB
Attn: ERAB
18420 E Silver Creek Ave, Bldg. 390 MS 68
Buckley AFB CO 80011-9502

10.4.3.4. Assist applicants in completing the on-line application through the vMPF/myEval. If applicant is other than the ratee, the TFSC refers the applicant to the MPF or CSS/HR specialist who will initiate a case management system case. If the applicant does not have access to the vMPF/myEval, the TFSC will refer the applicant to the MPF/HR specialist who will initiate a case management system case.
10.4.3.5. Provide the military addresses of personnel and assists applicants in contacting retirees through the worldwide locator in accordance with AFI 33-332, Air Force Privacy and Civil Liberties Program. **Note:** The Privacy Act protects retirees’ addresses.

10.4.3.6. Explain and emphasize expedited waiver procedures in accordance with paragraph 10.5 and Attachment 2, paragraph A2.4. Advise members that it takes approximately 90-120 calendar days to process a case, and if they are requesting a correction to be completed before a board to please plan accordingly. Expedited cases must reach AFPC/DPMSPPE no later than 45 calendar days before the board convening date, (not applicable for ARC). **Note:** Although every attempt is made to get cases completed prior to a pending board, there is no guarantee that an application will be completed prior to the board.

10.4.3.7. The TFSC will provide a cadre of specialists to act as liaisons for, and provide guidance to, base level commanders and MPF personnel or CSS/HR specialists for any questions related to the ERAB process or to check on the status of an application.

10.4.4. The Member.

10.4.4.1. Submits request for correction, insertion or removal of evaluations via the vMPF/myEval.

10.4.4.1.1. If applicant does not have access to the vMPF/myEval, they may contact the servicing MPF or CSS who will open a Case Management System/myEval case.

10.4.4.1.2. If an applicant does not have access to the vMPF, and the servicing MPF or CSS/HR specialist, then the applicant must obtain AFPC/DPMSPPE approval. If approved, the applicant must submit an AF Form 948, Application for Correction/Removal of Evaluation Report. See Table 10.6 for instructions. AF Form 948 will be authorized on a case-by-case basis, and under extremely extenuating circumstances (e.g., someone who is in confinement and has absolutely no way to access to the vMPF). Non-availability waiver requests due to being out-of-the-office, on leave, or TDY will not be approved (not applicable for ARC).

10.4.4.2. Clearly and concisely state what the applicant wants (e.g., “Request my enlisted evaluation rendered for the period 1 Jun 22 – 31 May 23 be removed,” or “Correct the duty title in my enlisted evaluation that closed out on 31 May 23”).

10.4.4.3. Supply clear and credible evidence to support the application. See Attachment 2.

10.4.4.3.1. Supporting statements are required when making changes to an evaluation and must have dates and signatures. These statements must relate specifically to the period of the contested report. When information is not firsthand, the author must identify the source. See Attachment 2.

10.4.4.3.2. All documents can be processed through the vMPF. All documents will be scanned into the Personnel Processing Application of the vMPF with the application.

10.4.4.3.3. The applicant can obtain copies of the contested evaluations and or documents required for their appeal through the ARMS and PRDA access in vMPF/myEval.
10.4.4. Make sure that no rule in this instruction prohibits their request. See paragraph 10.2.4 and Attachment 2.

10.4.5. Applicants may contact the TFSC for guidance and application procedures.

10.4.6. Corrected Copies. See paragraph 1.4.5.2 and paragraph 1.4.5.3.

10.5. Corrections Initiated by Someone Other than the Ratee. When someone other than the ratee finds an error in an evaluation, they:

10.5.1. Determine if the evaluation can be corrected administratively in accordance with Table 10.2.

10.5.2. Take corrective action by contacting the MPF or CSS/HR specialist to initiate a vMPF/myEval case or advise the ratee to take corrective action.

10.5.3. Provide a statement from the ratee, acknowledging they are aware of the pending action and concur/non-concur with the request. Note: The ratee does not have to concur to submit the request. This statement is for acknowledgement purposes only and gives the ratee an opportunity to dispute the action.

10.5.3.1. If the ratee disagrees, they may explain why the correction should not be approved and suggest an alternative within 10 calendar days from when the ratee was notified of the pending action. Reasonable extensions may be requested. The omission of any remarks will be considered as acceptance by the ratee.

10.5.3.2. If the ratee is unavailable to submit a statement, send a copy of the appeal to the member with a memorandum explaining the error, and ask the member to provide written comments within 10 calendar days from the date received. To ensure the member has had an opportunity to review the appeal, have the member acknowledge receipt on the statement or use certified mail to document the date of receipt.

10.5.3.3. Reasonable requests for an extension of the time limit should be approved.

10.5.3.4. When the member provides written comments, submit the applicant's response and a copy of the memorandum with the application.

10.5.3.5. If the member fails to respond, annotate the remarks section of the application with, "Comments from the ratee were requested but not received." Attach a copy of the memorandum and either the member’s acknowledgment or the certified mail receipt with the application.

10.6. AFPC/DPMSPE and ARPC/DPT.

10.6.1. Review all ERAB applications for DAFI compliance.

10.6.2. Process all applications that meet the requirements for submitting an ERAB.

10.6.3. Return all applications that do not meet the requirements for submitting an ERAB.

10.6.4. When applicable, make corrections to evaluations, update MilPDS, and forward the corrected evaluations to the appropriate offices.

10.6.5. Notify applicants of results via the vMPF/myEval or email.

10.6.6. Provide guidance to commanders, MPFs, and CSS/HR specialists as required.
10.5. Meeting Time Limits and Expedited Requests.

10.5.1. Time Limits.

10.5.1.1. Submit appeals within three years following the date the evaluation became a matter of record. If the exact date is not known, add two months to the date the final evaluator signed the evaluation.

10.5.1.2. If the evaluation is more than three years old, submit a waiver of the time limit. See Attachment 2, and paragraph A2.4.

10.5.1.3. Normal processing time for appeal applications is 90-120 calendar days from a completed application. This does not include periods which applications are returned for corrections or missing documents.

10.5.1.4. Promotion boards are closed out (cutoff) 30 to 45 calendar days prior to the board convening date. In order to process an appeal in time, AFPC/DPMSPE or ARPC/PB must receive the appeal no later than 45 days before the cutoff date, (90 calendar days before the particular SSB or supplemental board). Although every attempt is made to expedite these cases, there is no guarantee that the case will be worked in time to meet the particular board, even when the case is marked “Expedited.”

10.5.2. Expedited Processing.

10.5.2.1. If an appeal must be resolved before a specific date or event, such as a pending promotion or SSB, submit applications to AFPC/DPMSPE (RegAF and USSF) or ARPC/PB (ARC) no later than 90 calendar days before the specific date or event.

10.5.2.2. The only cases that will be accepted for expedited processing after the 90-day cutoff will be evaluations, including PRFs, that have closed out within 90 calendar days of the board convening date.

10.6. Using Classified, Privacy Act, and Restricted Release Information:

10.6.1. Do not include classified information in the body of an appeal. When necessary, include classified information in attachments. The applicant ensures classified attachments are submitted in accordance with security directives establishing control and mailing rules.

10.6.2. When submitting documents on someone else (e.g., evaluations on other individuals, AF Forms 2096, Classification/On-The-Job Training Action, PCS orders, travel vouchers, etc., on supervisors or coworkers), submit a statement from the concerned individual granting permission to submit the particular document. Applications that do not comply will be returned without action. The applicant may then resubmit the application with the permission statement or remove the document from the application.

10.6.3. If the information in a restricted release file is essential to the case, request the releasing agency to forward the information directly to AFPC/DPMSPE or ARPC. When submitting requests to the releasing agency, members must waive, in writing, the right to review the information. Include a copy of this waiver with the appeal application. When the board has decided the appeal, AFPC/DPMSPE or ARPC/PB destroys the restricted file or returns it to the releasing agency.
10.7. Requesting Special Selection Board (SSB) or Supplemental Promotion Consideration:

10.7.1. RegAF and USSF officers can, in conjunction with their appeal, request SSB consideration for promotion, RegAF appointment, in-resident professional military education, selective early retirement, or reduction-in-force separation boards.

10.7.2. AFR officers can, in conjunction with their appeal, request SSB consideration for promotion.

10.7.3. RegAF and USSF enlisted personnel may request supplemental promotion consideration in conjunction with the appeal application. Such a request must be indicated on the appeal application; however, squadron commander’s concurrence is required when submitting the request. The commander must complete the endorsement on the personnel processing application by using the “HR Review” button in Case Management System; by submitting a statement for application submitted by someone other than the ratee; or by signing the AF Form 948 when the applicant does not have access to the vMPF or MPF or CSS/HR specialist. See paragraph 10.4.4.1.2. The commander must indicate concurrence or non-concurrence and provide an explanation for non-concurrence.

10.8. Resubmitting an Appeal:

10.8.1. Applicants can resubmit an appeal only if they have substantial new evidence which the board did not initially consider.

10.8.1.1. Do not resubmit an application when the only documentation added to the case is a statement which simply rebuts the ERAB’s previous decision. The ERAB does not view a rebuttal statement as new evidence and will decline to reconsider the case. Statements from members of the rating chain which respond directly to questions or concerns posed in the previous decision memorandum are acceptable new evidence.

10.8.1.2. Include all previous documentation with the new application.

10.8.2. If dissatisfied with the decision of the ERAB submit an appeal to the AFBCMR. See paragraph 10.1.3.

| 5  | Spelling, punctuation, or heading in an evaluator's comments.  
   See Notes 1, 9, and 10. Go to Table 10.3. |
| 6  | The ratee's name or grade in an evaluator's comments.  
   See Notes 1 and 9. Go to Table 10.3. |
Notes:
1. Do not make corrections using this table if any doubt exists about the appropriateness of the request. Instead, submit a formal application in accordance with Table 10.1 with the questionable circumstances fully outlined. Any person who knows of an error that is correctable under Table 10.2 should bring it to the attention of the MPF evaluations section or the records custodian responsible for maintaining the original evaluation.
2. Submit an application according to Table 10.1 if the request is to change or add signatures, change or add signature dates on referral evaluations and supporting documents, and/or to substitute a re-accomplished evaluation. Changes to the final evaluator’s position (AF Form 911) will be made only when the MPF evaluations section or the records custodian having custody of the original evaluation determines conclusively that an error exists. Do not correct TIG eligibility as an administrative correction; it must be corrected through the ERAB.
3. If a supplemental promotion board, or the AFBCMR has changed an individual’s grade due to retroactive promotion resulting from a review, submit a request according to Table 10.1. In these cases, the evaluation will be annotated with a statement that reads “Member promoted to (grade) with a retroactive effective date prior to the date this evaluation was rendered.”
4. The evaluation may be changed when approved documentation existed on or before the close-out date of the evaluation and a central selection board has not considered the evaluation. If approved documentation did not exist, was subsequently approved, or the contested evaluation has been considered by a central selection board, submit a request according to Table 10.1.
5. If a correction to either the period of the evaluation or the number of days of supervision would invalidate the requirement for that or any other evaluation on file, submit a request according to Table 10.1.
6. If changing the close-out date of an enlisted evaluation would result in the ratee receiving a supplemental promotion consideration, the rater must submit a request according to Table 10.1.
7. Caution. Take extreme care when adding missing ratings or correcting “concur” or “non-concur” boxes. Submit an application in accordance with Table 10.1 any time the rater’s or endorser’s rating(s) are missing and the “non-concur” box is also marked, or neither box is marked. However, an unmarked or mismarked “concur” or “non-concur” box may be corrected when, after reviewing the evaluator’s comments and ratings, there is no question as to which box should have been marked. If a rating is also missing or doubt exists, submit an application according to Table 10.1.
8. Submit a formal application according to Table 10.1 to request changes to the unit mission description or the job description.
9. Do not change references such as “airman” or “sergeant” to reflect the person’s actual grade.
10. Do not change words (other than misspellings), phrases, sentence structure, or grammar under this table.

1. Do not change words (other than misspellings), phrases, sentence structure, or grammar under this table.
2. If the request is invalid, incomplete, or questionable, return it through any previous processing levels to the correction initiator with appropriate instructions. The initiator must identify all required changes because changing an evaluation’s close-out date can change the number of days of supervision, the reason for evaluation, the signature dates, or the FROM date of the subsequent evaluation.
3. If the correction is authorized, the office that maintains the original evaluation will make the correction to the original and forward copies to the appropriate offices.

1. On the bottom, reverse margin, type “CC” (for corrected copy), followed by the date, authenticator's organization, office symbol, and signature, (Example:  CC, 1 Jun 23, AFPC/DPMSPE). Align authenticator data in margin to allow adequate space for punched holes. The person signing the annotation must be a SSgt/GS-5 or above.

2. For evaluations being re-accomplished, annotate the signature blocks of evaluators not reasonably available ORIGINAL SIGNED. If used, the comments and ratings of the evaluators must be copied verbatim from the original evaluation. **Note:** All measures must be exhausted before this measure can be used.

3. For voided evaluations (excluding imbedded TRs and PRFs), prepare an DAF Form 77 with the statement:  (USAF) "Not rated for the above period. Evaluation was removed by Order of the Chief of Staff, USAF,” or (USSF) “Not rated for the above period. Evaluation was removed by Order of the Chief of Space Operations, USSF.” If voiding evaluations for two or more consecutive reporting periods, prepare one DAF Form 77 that shows the close-out dates of each evaluation.

4. For voided imbedded training reports, prepare an DAF Form 77 with the statement:  (USAF) "A TR for the above period was removed by Order of the Chief of Staff, USAF," or (USSF) “A TR for the above period was removed by Order of the Chief of Space Operations, USSF.” For missing imbedded training reports, no action will be taken since there is no gap in the ratee’s record. The best course of action is to obtain a certified true copy (see paragraph 1.4.5.2.) or a replacement TR and request it be included through the ERAB.

5. For a voided PRF, enter the statement:  (USAF) "DAF Form 709, Promotion Recommendation, for promotion board (specify the promotion board, for example, 0589A) was removed by Order of the Chief of Staff, USAF," or (USSF) "DAF Form 709, Promotion Recommendation, for promotion board (specify the promotion board, for example, 0589A) was removed by Order of the Chief of Space Operations, USSF." Use a similar statement for voided retention forms.

6. For documents that are attached to an evaluation, annotate documents with ACCEPTED FOR FILE--ATTACH TO (closing date) EVALUATION followed by the authenticator's data listed in Note 2.

7. Unless otherwise directed by the AFBCMR, annotate evaluations according to Note 2. For voided evaluations, prepare an DAF Form 77 according to **Note 4** except show the evaluation was removed "By Order of the Secretary of The Air Force."

Notes:
1. When a PRF is sent to AFPC or ARPC, but it is not yet a matter of record (has not been filed in the officer selection folder and/or scanned into ARMS and PRDA) contact the Evaluations Operations Branch (AFPC/DPMSPE, ARPC/DPT) for instructions.
2. The duty title may be changed under this rule when the approved documentation existed on or before the date the PRF was prepared. If approved documentation did not exist, or was approved after the PRF preparation date, submit a formal application under Rule 2.
3. Do not change words (except misspellings), phrases, sentence structure, or grammar under this rule.
4. If a promotion board has not considered the PRF, the application may be forwarded to AFPC/DPMSPE. Please state that the evaluation it is a pre-board PRF that requires expedited processing and list the board date.
5. If a promotion board has not considered the PRF, the management level can confirm coordination with the MLR president, with their recommendation, by message, scan or fax.

Chapter 11

(USSF ONLY) SPACE FORCE PROMOTION RECOMMENDATION PROCESS FOR OFFICER PROMOTION BOARDS

11.1. DAF Form 709.

11.1.1. Applicability. The DAF 709, commonly known as the “PRF,” will be used for officers in the grade of lieutenant colonel and below only. PRFs are not authorized for officers in the grade of colonel and above.

11.1.2. Purpose. The PRF is used for promotion purposes only and provides a promotion recommendation for each eligible officer to the central selection board.

11.1.3. Types of PRFs:

11.1.3.1. Regular PRFs. An eligible officer’s senior rater completes the PRF no earlier than 60 calendar days prior to the central selection board for which the officer is promotion eligible (PRF cutoff date) and awards one of two recommendations:

11.1.3.1.1. A “Promote” recommendation means the ratee is qualified for promotion and should compete on the basis of performance, performance-based potential, and other considerations.

11.1.3.1.2. A “Do Not Promote This Board” recommendation means the strength of the ratee’s performance and performance-based potential does not warrant promotion by the central selection boards for which the officer is eligible.

11.1.4. Completing the PRF. See Table 11.1 for specific guidance on preparing PRFs.

11.1.4.1. Comments in Section IV, Promotion Recommendation, of the PRF are not authorized when the overall recommendation on the DAF Form 709 is “Promote.”

11.1.4.2. Comments are required on all PRFs with a “Do Not Promote This Board” recommendation. A senior rater must make comments explaining to the central selection boards why the officer should not be promoted. (T-1) Comments must focus on the substandard behavior of the officer and, if desired, the punishment received. (T-1)

11.1.5. Responsibilities.

11.1.5.1. The Senior Rater.

11.1.5.1.1. Reviews the ratee's OCSRG, decoration citations, DQHB, and UIF (if applicable) before preparing the PRF. May consider other reliable information about duty performance and conduct except as paragraph 1.12 or other regulatory guidance prohibits. Examples of other reliable information may include but are not limited to LOEs, bullets from a draft officer evaluation and/or decoration, etc. To reference the “other reliable information” in their record, the officer meeting the board may submit a letter to the central selection board.

11.1.5.1.1.1. Do not use any other SURF other than those indicated above when preparing the PRF (e.g., AMS, SURF).

11.1.5.1.1.2. The intent of the "other reliable information" passage is to allow senior raters to consider performance accomplishments since the close-out of the
last evaluation.

11.1.5.1.2. Must be knowledgeable of the ratee's most recent performance. The senior rater may request subordinate supervisors to provide information on an officer's most recent duty performance and performance-based potential and may ask for suggestions based upon the officer's duty performance for PRF recommendations.

11.1.5.1.3. Will ensure no subordinate commander/supervisor asks or allows an officer to draft or prepare their own PRF. **Note:** Eligible officers may provide input.

11.1.5.1.4. Will ensure there are no boards, meetings, or panels of officers convened to collectively score, rate, rank, or tally the records and/or generate a priority list of eligible officers unless specifically authorized by this instruction. **Note:** Senior raters may request subordinate supervisors provide their assessment (without the use of any boards, meetings, or panels) of the rank order of officers in their chain of command.

11.1.5.1.5. Is solely responsible for evaluating each officer’s OCSRG, career brief, and DQHB in order to award PRF recommendations among eligible officers.

11.1.5.1.6. Completes promotion recommendations.

11.1.5.1.7. Provides the ratee a copy of the PRF approximately 30 calendar days before the central selection board. If communication cannot be completed in person, send the PRF via secure communications. The reason for this is twofold:

11.1.5.1.7.1. Advises the ratee of the senior rater’s promotion recommendation.

11.1.5.1.7.2. Provides the ratee an opportunity to point out any typographical, administrative or errors of fact to the senior rater so they may be corrected prior to the central selection board. **Note:** If the ratee is geographically separated, send it to the ratee by “return receipt requested” mail. Contact the MPF for assistance if necessary.

11.1.5.1.8. Must attach a memo (**Figure 11.1**) telling the ratee who receives a PRF with a “Do Not Promote This Board” recommendation that they have the right to submit a letter to the central selection board.

11.1.5.1.9. Will ensure the PRF remains a private matter with access being only between the senior rater, the ratee, senior rater’s administrative support staff if the senior rater desires (e.g., executive officer, secretary, MPF), the management level administrative support staff, and the central selection board. Subordinate evaluators or others may have access to a PRF’s comments or rating only if permitted by the ratee. **Note:** No officer eligible for a particular board will be involved with the PRF process for that particular board.

11.1.5.1.10. Provides a signed MEL of officers considered for promotion recommendations to the management level.

11.1.5.1.11. Ensures the management level receives PRFs as required by **paragraph 11.1.5**.

11.1.5.1.12. Ensures their SRID in the Air Force Promotion Management System reflects only their eligible officers no later than 105 days before the central selection board.
11.1.5.1.13. Evaluates all additions to and deletions from the MEL through their MPFs to their management level (e.g., officers who are gains as a result of a PCA/PCS movement occurring prior to the PRF accounting date or officers initially assigned to the wrong PAS code and SRID).

11.1.5.1.14. Officers Added or Deleted from Promotion Eligibility. This paragraph applies to officers who become eligible or ineligible for promotion consideration in a particular competitive category on or after the PRF accounting date. Causes for a change in eligibility status may include: SSB or AFBCMR actions, administrative errors, changes in date of separation, or similar circumstances. For officers whose eligibility for promotion consideration is established after the PRF accounting date, the senior rater of record at the time eligibility is established will complete the PRF.

11.1.5.2. The Military Personnel Flight (MPF).

11.1.5.2.1. Assists the management level in verifying accuracy of SRIDs and PAS codes.

11.1.5.2.2. Provides PRF notices, a MEL, and a DQHB on each eligible officer to the senior raters. **Note:** For officers not located with the senior rater, provide these documents to eligible officers’ servicing MPF to be used in preparing PRF inputs for the senior rater.

11.1.5.2.3. Provides other senior rater support and review as requested. The MPF will send PRFs to the appropriate management level when requested by the senior raters.

11.1.5.2.4. Makes OCSRGs available to senior raters, to include records of officers serviced by other MPFs.

11.1.5.2.5. Reviews PRFs to ensure administrative accuracy, when requested.

11.1.5.2.6. Ensures senior raters are provided a listing of newly assigned eligible officers.

11.1.5.2.7. Evaluates any potential additions or deletions to the MEL for the senior raters and management levels they service. See **paragraph 11.1.4.1.13**.

11.1.5.2.8. Monitors the Air Force Promotion Management System audit transactions at least twice a week to identify any board adds, deletions, SRID changes, PCS/PCA/date arrived on station actions.

11.1.5.2.9. Coordinates with management levels and senior raters as needed.

11.1.5.2.10. Checks the Air Force Promotion Management System news daily.

11.1.5.3. The Management Level.

11.1.5.3.1. Designates senior rater positions for all units within their jurisdiction and assigns SRIDs to those positions.

11.1.5.3.2. Identifies officers occupying those senior rater positions by name, assigns them SRIDs by name and PAS code, and ensures the Air Force Promotion Management System is updated accordingly.
11.1.5.3.3. Validates SRID alignment in MilPDS with PAS codes. **Note:** Ensure MilPDS is updated accordingly; contact AFPC for any assistance.

11.1.5.3.4. Ensures PRF recommendations on eligible officers are updated in the Air Force Promotion Management System no later than 35 calendar days before the central selection board.

11.1.5.3.5. Sends all regular PRFs to AFPC/DPMSPE to arrive no later than 30 calendar days before the central selection board. Do not send senior rater or management level MELs to AFPC/DPMSPE.

11.1.5.3.6. Maintains copies of all PRFs and MELs until announcement of central selection board results.

11.1.5.3.7. Processes PRFs in accordance with paragraph 11.1.6.

11.1.5.3.8. Evaluates any potential additions or deletions to their senior raters and coordinates with AFPC/DPMSPE as needed.

11.1.5.3.9. Monitors the Air Force Promotion Management System audit transactions at least twice a week to identify any board additions, deletions, SRID changes, PCS/PCA/date arrived station actions.

11.1.5.3.10. Coordinates with senior raters, MPFs, and AFPC/DPMSPE as needed.

11.1.5.3.11. Monitors the Air Force Promotion Management System news daily.

11.1.5.3.12. Ensures the SecAF memorandum of instructions, available on myPers, is referenced and utilized for all senior rater promotion processes within their purview. The memorandum of instruction provides instructions to all management levels and senior raters to ensure decision makers throughout the officer promotion recommendation process are focused on the same priorities and special emphasis areas as the central selection board.

11.1.5.4. AFPC/DPMSPE.

11.1.5.4.1. Establishes and announces PRF eligibility criteria and administrative requirements for processing PRFs.

11.1.5.4.2. Ensures completed PRFs are disposed of in accordance with paragraph 11.1.6.

11.1.5.4.3. Flows PRF notices and DQHBs approximately 120 calendar days prior to the central selection board in Air Force Promotion Management System.

11.1.5.4.4. Processes all senior rater identification changes with multiple management levels involved. **Note:** It remains the initiating management level’s responsibility to obtain all concurrences for other affected management levels prior to submission to AFPC.

11.1.5.5. The Ratee.

11.1.5.5.1. Contacts the senior rater to discuss any errors, omissions pertaining to the PRF or if they have not received a copy of their PRF NLT 15 calendar days prior to central selection board.
11.1.5.5.2. May correspond by letter with the central selection board and address any matter of record concerning themselves that they believe important to their consideration. Letters must be submitted in good faith and contain accurate information to the best of the ratee’s knowledge and must be signed by the ratee.

11.1.6. Processing and Use of the PRF.

11.1.6.1. MPFs send PRF notices and MELs to senior raters upon receipt, approximately 120 days prior to the central selection board.

11.1.6.2. Senior raters sign completed PRFs on or after the PRF cutoff date.

11.1.6.3. Senior raters will ensure all PRFs are available for update into the Air Force Promotion Management System by the management level no later than 40 calendar days before the central selection board.

11.1.6.4. The management level sends completed PRFs to AFPC/DPMSPE to arrive no later than 30 calendar days before the central selection board. When mailing hardcopy PRFs, documents may be sent to AFPC/DPMSPE, 550 C Street West Suite 7, Joint Base San Antonio-Randolph TX 711150-4705.

11.1.6.5. AFPC/PB ensures the removal of the PRFs from the OSR immediately following the central selection board and forwards them to AFPC/DP1ORM to be placed on optical disk. DP1ORM destroys the PRFs after imaging. PRFs filed on optical disk have limited access. Do not use them for assignments, promotions or other personnel actions (except SSBs, AFBCMR, or other personnel actions). Retain these PRFs for historical, legal, and appeal purposes only.

11.2.1. PRF Accounting Date (approximately 150 calendar days before the central selection board). On the PRF accounting date, AFPC matches eligible officers to senior raters based on the officers’ unit of assignment data in MilPDS. AFPC/DPMSPE announces the actual PRF accounting date. Between the PRF accounting date and Day 60 before the central selection board, management levels ensure the Air Force Promotion Management System is accurate.

11.2.2. PRF Cutoff Date. This date is 60 calendar days prior to the central selection board. PRFs will not be signed prior to this date.

11.3.1. Officers Relocating During the PRF Process. For officers with a PCA or PCS assignment to a new senior rater effective after the PRF accounting date, the losing senior rater is responsible for preparing PRFs and ensuring quality review is completed.

11.3.1.1. The gaining senior rater may award a “Do Not Promote This Board” recommendation when substantiated derogatory information has been received since departure from previous assignment if time does not allow for not-qualified-for-promotion action processing. This is considered a “Stop File” (see paragraph 11.5) and must be submitted in writing through the management level to AFPC/DPMSPE. Gaining senior raters must ensure the losing senior rater is informed of the “Do Not Promote This Board” action.
11.3.1.2. The management level will notify AFPC/DPMSPE when a gaining senior rater awards a “Do Not Promote This Board” recommendation. This includes those awarded within a management level as a result of a PCA action. This is considered a “Stop File” under paragraph 11.5 (commonly known “Old Guy/New Guy”) circumstances and must be in writing in accordance with paragraph 11.5.

11.3.1.3. The Military Personnel Flight (MPF) will:

   11.3.1.3.1. Screen all officers gained after the PRF accounting date to determine eligibility and notify senior raters accordingly. Ensure senior raters certify a review of all gained eligibles by signing the “Old Guy/New Guy” Report on individual personnel or projected eligible MEL which is generated from the Air Force Promotion Management System.

   11.3.1.3.2. Notify the management level of newly assigned officers whose senior rater identification is not correct as soon as possible; monitor date arrived station for changes (resulting from finance office updates) that would necessitate a correction to the SRID.

   11.3.1.3.3. Provide the senior rater an OCSRG and DQHB on newly assigned members.

11.3.1.4. AFPC/DPMSPE will update all “Do Not Promote This Board” recommendations awarded by gaining senior raters and updates inter-command SRID changes upon “Stop File” requests from management levels.

11.3.2. Officers Added to or Deleted from Promotion Eligibility. This paragraph applies to officers who become eligible or ineligible for promotion consideration in a particular competitive category on or after the PRF cutoff date. Causes for a change in eligibility status may include: SSB or AFBCMR actions, administrative errors, changes in dates of separation, or similar circumstances.

   11.3.2.1. When an officer is added to a central selection board or changes promotion zone eligibility, the senior rater completes the PRF in accordance with Table 11.1.

   11.3.2.2. Senior raters void PRFs completed on officers subsequently deleted from promotion eligibility following the PRF cutoff date.

11.3.3. Prisoners, Deserters, and Officers on Appellate Leave. Do not accomplish PRFs for officers who become prisoners or deserters, or who are on appellate leave on or before the PRF accounting date. Notify AFPC/DPMSPE through the management level to have these officers removed from the senior rater MEL unless the status is after the PRF accounting date. AFPC/DPMSPE prepares a board-specific DAF Form 77 for active duty list officers who fall into this category and places it into their selection record. However, officers identified as prisoners, deserters, or on appellate leave after the PRF accounting date will require PRFs from the losing senior rater.

11.3.4. Officers assigned directly to the offices of the CSO, SecAF, CJCS, SECDEF, VPOTUS, or POTUS, and officers assigned to Space Force Headquarters, Air Force Headquarters, other DoD staffs, outside the DoD and to other military departments, Joint positions, and CCMDs. For these officers, the Air Force Personnel Center (AFPC/DPMSPE) acts as the management level. The responsibilities of the Air Force Personnel Center are the same as those in paragraph 11.1.5.3 (Exception: United States Space Command acts as its
own management level). The CSO, SecAF, CJCS, SECDEF, VPOTUS, or POTUS are sole
senior raters and will complete PRFs for promotion eligible officers for whom they are the
direct reporting official.

11.3.5. Officers Assigned as Permanent Party Students.

11.3.5.1. Management Level Students. Officers assigned as permanent party students
training in their utilization field to include TDY in a training status. In-utilization training
includes any follow-on, specialized, requalification, upgrade, enhancement, or broadening
training in the officer’s utilization field. Responsibilities of the senior rater and
management level with regard to management level students are the same as those in
paragraph 11.1.5.

11.3.5.2. SF Level Students. Officers assigned as permanent party students training
outside their utilization field. Outside utilization training includes developmental
education, degree-granting programs (usually Air Force Institute of Technology
sponsored), language training, Education With Industry programs, attaché/designate
training, internships, and initial qualification training into a new utilization field. Space
Training and Readiness Command (STARCOM) acts as the management level and
STARCOM/CC, or as further delegated, acts as the senior rater for SF level students.

11.3.6. Officers Assigned to Air Force units. For officers assigned to HAF, the Air Force
Personnel Center (AFPC/DPMSPE) acts as the management level (see paragraph 11.3.4.).
For officers assigned to the Air Force Research Laboratory (AFRL), Space Systems Command
(SSC) acts as the management level. For officers assigned to all other Air Force units, Space
Operations Command (SpOC) acts as the management level.

11.4. Correction of Promotion Recommendation Forms (PRF) (Stop File process). A PRF is
considered a working copy until the start of the central selection board. If the PRF is not a matter
of record, senior raters have the flexibility to change PRFs. Note: All changes to PRFs should
be completed no later than 2 weeks prior to the central selection board. However, in extreme
circumstances and on a case-by-case basis, AFPC/DPMSPE may approve changes up to one duty
day prior to the central selection board. The request must be from an O-6/equivalent or above, who
has justification as to why the correction was not discovered within the time limit.

11.4.1. Changes to the PRF will be made by the senior rater. The senior rater notifies the
management level when a change is required and forwards the corrected PRF to the
management level.

11.4.2. The management level will notify AFPC/DPMSPE to place an immediate “Stop File”
on the affected officer’s PRF with written communication, identifying the change, (fax, email,
and letter) within 24 hours of initial notification.

11.4.3. The senior rater provides a copy of the corrected PRF to the officer.

11.4.4. The management level forwards the corrected PRF to AFPC/DPMSPE.

SUBJECT: Officer's Right to Submit a Memorandum to the Central Selection Board (CSB)

I have recently completed your AF Form 709, Promotion Recommendation. In this evaluation, I recommended to the CSB that you not be selected for promotion at this time. Because of this recommendation, I am reminding you of your right to submit a memorandum to the CSB.

If you believe this evaluation is inaccurate, unjust, or unfairly prejudicial, you may write a memorandum to the CSB concerning these matters. In addition, you may apply for a correction/appeal of the evaluation under Chapter 10 of DAFI 36-2406, Officer and Enlisted Evaluations Systems, once the evaluation becomes a matter of record.

DAFI 36-2501, Officer Promotions and Selective Continuation, provides further instructions as to what is permissible in a memorandum to the CSB. If you require further information concerning your right to submit a memorandum to the board, the MPF is available to assist you.

**Notes:**

1. Senior raters complete PRFs no earlier than 60 calendar days for the central selection board (the PRF cutoff date). Senior raters award one of two overall recommendations:  Promote (P) or Do Not Promote This Board (DNP). There is no limit on P and DNP recommendations.
2. Once the PRF is a matter of record, a formal application for correction must be submitted in accordance with Chapter 10.
3. Comments are mandatory when an officer receives a DNP recommendation, and must substantiate, amplify, or explain the recommendation. Comments for P recommendations are NOT authorized.
4. Senior Rater:
   a. Enter name, grade, branch of service (military officers and DAF civilians only), organization, command of assignment, and location. Grade must be that in which the senior rater is serving. **Exception:** Enter “Brig Gen (S)” for brigadier general selectees confirmed by the Senate. Retired grade is not authorized. If an officer has been frocked, enter their actual grade unless the officer is serving in a funded billet and the ratee is a lieutenant colonel or above.
   b. Enter the last four digits of the social security number if the evaluator is a Space Force officer. The social security number is optional, though encouraged, if the evaluator is a civilian or member of another U.S. military service.
   c. Do not include command level, unless it is an integral part of the duty title, with the official duty title.
   d. Do not enter any classified information.
   e. For ADL officers, enter current data as of the date of PRF completion. Do not complete the PRF before the PRF cutoff date.
   f. For Space Force Level Students – the senior rater is the STARCOM/CC, or as further delegated.

Terms

Above the Management Level (AML)(RegAF and ARC only)—There are seven units that are above the level this DAFI defines as management levels: President of the United States, Vice President of the United States, SecDef, CJSC, SecAF, CSAF and CSO. For purposes of the DAFI, these units are also known as management levels.

Acquisition Examiner—A person, either within the rating chain or appointed by the management level (minimum colonel/captain (USN) or civilian equivalent for officers; major or Navy lieutenant commander or an equivalent civilian for enlisted) serving in an acquisition position and in the same acquisition career field as the ratee who provides examination of evaluations for individuals serving in certain acquisition positions (paragraph 1.6.8). The Acquisition Examiner examines evaluations to ensure the evaluation reflects acquisition-related considerations.

Active Duty List (ADL)—Officers on active duty except (per 10 U.S.C. § 641): Reserve or Guard officers on active duty for training, for administration of reserve components, to pursue special work, for the administration of the Selective Service System, LEAD and AGR officers; warrant officers; retired officers on active duty; students at the Uniformed Services University of the Health Sciences. For the purposes of this instruction, The Director of Admissions, Dean and permanent professors at the Air Force Academy are considered to be on the active duty list. The list is arranged by competitive category in the order of the seniority of the grade in which they are serving.

Active Guard Reserve (AGR)—An ANG or AFR member serving on active duty in support of the Guard or Reserve mission, under 10 U.S.C. §§ 10211, 10305, 12310, 12402 or 32 U.S.C. § 708 (Property and Fiscal Officers).

Additional Rater—The second evaluator in the rating chain, after the rater, to endorse a performance evaluation. See paragraph 1.6.4 for restrictions, requirements, and exceptions.

Advisor—An Air Force or Space Force designated representative who provides a special review of evaluations in activities outside the Department of the Air Force (paragraph 1.6.8). The Air Force or Space Force Advisor advises non-Department of the Air Force evaluators of Air Force or Space Force rating policies and procedures and reviews officer and enlisted evaluations and PRFs for compliance with the provisions of this instruction.

Aggregation—The process used when the number of eligible officers does not meet the minimum number required for the senior rater to award promotion recommendations.

Airmen Leadership Qualities—Ten qualities grouped into four major performance areas (MPAs) that are valued in our Airmen; used to develop and evaluate Airmen; and which are indicative of potential for greater responsibility. In the MPA, Executing the Mission, the ALQs are: Job Proficiency; Initiative; and Adaptability. In the MPA, Leading People, the ALQs are: Inclusion & Teamwork; Emotional Intelligence; and Communication. In the MPA, Managing Resources, the ALQs are: Stewardship; and Accountability. In the MPA, Improving the Unit, the ALQs are: Decision Making; and Innovation. ALQs are evaluated via a proficiency-level scale.

Air National Guard (ANG) Non-AGR—Refers to members of the Air National Guard who are not on Extended Active Duty nor assigned in permanent Active Guard Reserve (AGR) or Statutory Tour status.
ARC—Refers to members assigned to the Air Force Reserve (AFR) or Air National Guard (ANG). Typically used to address the combination of all members assigned within both AFR and ANG.

Annual Cycle Close-out Date (applies to general officers)—Annual major general and major general selectee evaluations close-out 30 June; annual brigadier general and brigadier general selectee evaluations close-out 31 July.

ARC AGR—Refers to members assigned to the Air Force Reserve (AFR) or Air National Guard (ANG) component who are serving in a full-time AGR status or on a Statutory Tour (ANG only).

Carry-over—For line officers, the difference between the "Definitely Promote" allocations (rounded up) based on the population of a Management Level, and the sum of "Definitely Promote" allocations authorized senior raters (rounded down) based on each senior rater's population (including those senior raters whose population is aggregated).

Civilian Director—Civilians designated to lead units/organizations (PAS codes[s]), excluding Flight Commanders. Also see Other Authorized Reviewers.

Commander—The commander (or officer so designated) for administrative purposes (that is, control roster action, Article 15 jurisdiction, and so on) of the ratee's assigned organization. Also see Other Authorized Reviewers.

Company Grade—Officers in the grades of second lieutenant through captain.

Combat Zone—That area required by combat forces for the conduct of operations. The territory forward of the Army rear area boundary.

Command Climate—The perception of a unit’s environment by its members. Commanders are ultimately responsible for the good order and discipline in their unit and have unique responsibility and authority to ensure good order and discipline.

Commander’s Review—See Other Authorized Reviewer.

Communications Zone—Rear part of theater of operations (behind but contiguous to the combat zone) which contains the lines of communications, establishments for supply and evacuation, and other agencies required for the immediate support and maintenance of the field forces. See also combat zone; rear area.

Definitely Promote (lieutenant colonels and below)—Recommendation on AF Form 709 that says the strength of the ratee's performance and performance-based potential alone warrants promotion; (colonels only)—Recommendation on AF Form 709 which indicates an officer demonstrates the potential for immediate promotion.

Delegated Signature—When a member signs on behalf of a signatory using the signatory’s digital signature.

Department of the Air Force (DAF)—Includes the Regular Air Force, the Air Reserve Component (Air Force Reserve and Air National Guard), and the United States Space Force.

Do Not Promote This Board (colonels and below)—Recommendation on AF Form 709 that says the ratee does not warrant promotion on the Central Selection Board for which the PRF is being prepared.

Duty Qualification History Brief—A computer product used by senior raters in the Promotion Recommendation Process which includes such whole person factors as Developmental Education,
advanced academic information, board certification, joint duty and acquisition corps data and award and decoration information.

**Embedded Evaluations**—an evaluation that is attached to the annual evaluation at the SCOD.

**Evaluations**—A general reference to the Airman Comprehensive Assessment (AF Forms 724, 931, and 932), OPR (AF Form 707), PRF (AF Form 709), Education/Training Report (AF Form 475), Letter of Evaluation (DAF Form 77), and the General Officer Promotion Recommendation (AF Form 78), and EPR (Forms 910, 911 and 912).

**Evaluator**—Any individual who signs a performance report in a rating capacity.

**Field Grade Officer**—Officers in the grade of major through colonel.

**Final Evaluator/Higher Level Reviewer**—The evaluator in the rating chain who closes out an OPR or EPR (Officer) -- The senior rater will be the final evaluator/higher level reviewer (Exception: See paragraph 1.6.5). (Enlisted)—For MSGt selects, MSGts, SMSgt selects and SMSgts, the last evaluator to endorse the AF Form 911 will be the final evaluator (Section IX). The Senior Noncommissioned Officer Academy (SNCOA) Commandant is designated as the Final Evaluator when the AF Form 911 is not endorsed/stratified by the Senior Rater or the SNCO is non-promotion eligible. The SNCOA Commandant is also authorized to sign Section IX of DAF Form 910 for non-promotion eligible Airmen or Guardians or if an enlisted force distribution is not warranted. Furthermore, if a ratee is not promotion eligible, or if a Senior Rater endorsement and/or stratification is not warranted. The Senior Noncommissioned Officer Academy (SNCOA) Commandant may act as the final evaluator on MSGt and SMSgt EPRs within their direct rating chain and/or scope of responsibility. For CMSgts and CMSgt selects, the senior rater will be the final evaluator (AF Form 912). When the rater is an O-6 or above, or a civilian (GS-15 or above) qualifies as a single evaluator (see definition of single evaluator) and they may close out the evaluation at their level as a final evaluator, unless they refer the evaluation. When the rater/additional rater is a O-6 or civilian (GS-15 or above) who works directly for the senior rater, and the ratee is not TIG eligible for senior rater endorsement, the EPR will be closed out by the rater/additional rater [deputy evaluator]. When the rater is a senior rater or the Chief Master Sergeant of the Air Force, the EPR will close-out at their level.

**Final Out**—The day before an individual's departure from the member’s station for PCS, retirement, separation, terminal leave, leave in conjunction with PCS, or unit PCA.

**Forced Distributor (FD) (also referred to as FDID authority)**—The evaluator designated to complete the Promotion Recommendation section of the DAF Form 910. For wing/delta/group/squadron-level organizational structures, the FD will be the G-series orders commander or civilian director (delegable to section commander or equivalent only for non-TIG/TIS eligibles). For wings, the FD is the vice commander, delegable to the Director of Staff. Within MAJCOMs, FLDCOMs, CCMDs, FOAs, DRUs, NAFs, and Centers, the FD will be the military or civilian director. For MAJCOM, FLDCOM, and CCMD commanders, the FD will be the vice commander. When there is a subordinate organization/unit below the director and the subordinate organization’s unit commander is on G-Series orders, the subordinate organization’s commander will serve as the FD, not the parent organization commander/director. **Note:** If the officer in one of these positions is from a sister-service, they must be an O-5 or higher to serve as a FD.

**Forced Distributor Identification**—A nine-digit code (first two digits is the Management ID; the third, fourth and fifth digits are the Senior Rater code; sixth, seventh, eighth and ninth digits are
the last four of the unit PAS code) which will provide identification to the PAS codes just as with the Senior Rater IDs.

**Frock**—The practice of a commissioned or noncommissioned officer selected for promotion wearing the insignia of the higher grade before the official date of promotion.

**Inappropriate Statements**—Statements from inappropriate items that evaluators must not consider or refer to when recording performance.

**Individual Mobilization Augmentee (IMA)**—An individual filling a funded authorization identified as augmenting the RegAF components within departments or agencies of the U.S. Government. This is further defined by Joint Publication 1-02 which states, in part: an individual reservist attending drills who receives training and is pre-assigned to an active component organization, or a Selective Service System billet that must be filled on, or shortly after, mobilization.

**Mandatory Comments**—Comments evaluators must include in EPRs, OPRs, and TRs (see paragraph 1.11).

**Matter of Record**—Evaluations that have been completed, signed, and loaded into ARMS/PRDA. Evaluations are considered working copies until they become a matter of record.

**Military and Civilian Grade Equivalents**—For the purposes of this instruction, it is necessary to equate certain military grades with civilian grades. The appropriate authority, as listed below, determines equivalency based on the responsibilities and location of the civilian position in the rating chain (see AFI 36-3026V1, *Identification Cards for Members of the Uniformed Services, their Eligible Family Members, and Other Eligible Personnel*, Table A13.2 for grade comparison chart).

**a. For officer grades**—The Reviewer/Senior Rater determines equivalency for Raters and Additional Raters. The Management Level determines equivalency for Reviewer/Senior Rater designations.

**b. For CMSgts selects and CMSgts (AF Form 912)**—The Management Level determines equivalency for Senior Rater designations.

**c. For MSgt selects, MSgts, SMSgt selects and SMSgts (AF Form 911)**—The unit commander determines equivalency for all evaluators (except for the Final Evaluator when the Final Evaluator is also the Senior Rater— the Management Level determines Senior Rater designations).

**d. For AB/Spc1 through TSgt (DAF Form 910)**—The unit commander determines equivalency for Raters. Additional Raters must meet the grade requirements in paragraph 1.6.3. For civilian personnel in categories other than General Schedule to endorse an DAF Form 910 as the additional Rater the unit commander must submit a request for an exception to policy to the installation commander (with information copy to the MAJCOM or FLDCOM and AFPC). This request must clearly outline the desired additional rater’s responsibilities and position in the rating chain and verify he or she has been trained and is familiar with EES requirements and procedures. While the installation commander has initial approval/disapproval authority, AFPC has final disapproval authority. Unit commanders may appeal an AFPC disapproval by submitting additional justification to AFPC/DP3SP, with information copy to the installation commander and MAJCOM or FLDCOM.
Military Director—The military director designated to lead a unit/organization. Also see Other Authorized Reviewers.

Military Technician (Dual Status)—Refers to members employed under 10 U.S.C § 10216 or 32 U.S.C. § 709. Follow ARC / ANG Non-AGR (Drill Status) for OPR/EPR policy. Technicians are considered drill status guardsmen/traditional reservists for reporting and rating purposes under their military rating chain.

Management Level (ML)—DoD organizations (i.e., major command) where the senior official evaluations directly to the SecDef, SecAF, Chairman Joint Chiefs of Staff, Chief of Staff, United States Air Force (CSAF), Chief of Space Operations (CSO) or State Adjutant General or Governor. Only the CSAF or CSO may approve exceptions; however, the HAF DCS, Personnel, may exercise similar authority in cases involving the Management Levels of general officers. No individual can serve as the head of two separate Management Levels for the same board, unless the individual is serving in a dual-hatted capacity. As used in this instruction, Management Level also refers to the personnel activity that supports the senior official.

Management Level Control Group (Applies to GOs)—The number of promotion eligible general officers assigned to a Management Level, subdivided by grade and competitive category.

Management Level Review (MLR)—A process used in the Promotion Recommendation phase of the Officer Evaluation System (Chapter 8).

Management Level Student—Receives TRs and normal PRFs. The eligible officers’ records meet the respective Management Level evaluation board as a separate category. Training is within the eligible officer's utilization field.

Military Personnel Record Group (MPerRGp)—Consists of Officer Selection Record Group, Senior Noncommissioned Officer (SNCO) Selection Record (AD only), and Correspondence and Miscellaneous Record Group (officer and enlisted). The MPerRGp is maintained at AFPC for RegAF members, and at ARPC for ARC members.

Noncombat Ports and MPFs—All ports and MPFs not falling within either the combat zone or communications zone.

Non Extended Active Duty (Non—Extended Active Duty)—An ARC member who is assigned to an Air National Guard or Air Force Reserve unit, performs regularly schedule drills (Unit Training Assembly), annual training, and/or Equivalent Training. This includes Drill Status Guardsmen, unit traditional reservist or Individual Reservist while in a Title 10 or Title 32 status. These members are not on an Active Duty tour (ex: Active Guard Reservist (AGR) or Voluntary Limited Period of Active Duty [VLPAD]), however they may be on long tour such as military personnel appropriation (MPA) or reserve personnel Appropriations (RPA) orders.

Non-Line—As used in this instruction, non-line is a collective general reference to chaplains (AFSC 52RX), and health profession officers (AFSC 4XXX).

Offices of Record—The offices which maintain evaluations (original or copies).

Old Guy/New Guy—a report that shows new members to a unit and members who have departed a unit.

Organizational Climate—The way in which members in a unit perceive and characterize their unit environment.
Other Authorized Reviewer—The unit commander/military or civilian director may designate in writing a senior official within his/her unit to perform the unit commander’s/military or civilian director’s review. If a flag officer is an evaluator on the AF Form 911 (only), he/she will serve as an “Other Authorized Reviewer” in Section VIII, Unit Commander/Military or Civilian Director/Other Authorized Reviewer. DAF Form 910 must return to the Force Distributor for final endorsement and the AF Form 912 must return to the Senior Rater for final endorsement regardless of a flag officer endorsement within the evaluation. In MAJCOM/FLDCOM/CCMD organizations the management level may designate in writing a senior Air Force or Space Force official within subordinate elements of the staff to serve as a “other authorized reviewer” (e.g., Director of Staff, Director of Public Affairs, etc.).

Parent Management Level—The management level of a ratee’s permanently assigned unit/organization.

P-Rate—The promotion rate that guarantees the minimum promotion rate for eligible officers receiving a “Promote” recommendation.

Performance Feedback—A progress evaluation from raters to ratees.

Period of Report—The length of time covered by an evaluation.

Period of Supervision—The period of time a member is under the supervision of a rater.

PRF Accounting Date—The date that determines the Senior Rater responsible for PRF preparation. The Senior Rater for the unit the eligible officer is assigned on this date is the Senior Rater for the promotion cycle. For officers in grades lieutenant colonel and below, it is approximately 150 calendar days prior to the Central Selection Board convening date. For colonel, it is 60 calendar days prior to the Central Selection Board convening date.

PRF Accounting Date (Replacing)—The date that determines the Senior Rater responsible for PRF preparation. The Senior Rater for the unit the eligible officer is assigned on this date is the Senior Rater for the promotion cycle. For officers in grades lieutenant colonel and below, it is approximately 150 calendar days prior to the Central Selection Board convening date. For officers in the grade of colonel, it is approximately 210 calendar days prior to the Central Selection Board.

PRF Allocation Date—Sixty-six calendar days before a selection board, when “Definitely Promote” allocations are final (does not apply to ARC).

PRF Cutoff Date—Sixty calendar days prior to the selection board, when final PRF processing begins. PRFs cannot be completed prior to this date (does not apply to ARC).

Primary Stratification—The first level of stratification evaluators must use to ground a stratification statement. Primary stratifications are grade stratifications that will only include officers in the same grade (e.g., first lieutenants, captains, majors, lieutenant colonels, and colonels) and must include all military officers in that grade under the evaluator’s scope of rating responsibility and may not include officers who are assigned within another HLR’s scope of rating responsibility. Grade stratifications may not include civilian grades or civilian “equivalents” in the denominator pool. The following grade stratifications are authorized primary stratification peer groups: (1) USAF or USSF officers, (2) DAF officers, (3) Joint officers, or (4) Reserve Participation category. A primary stratification must be used in order to use a secondary stratification. See paragraphs 3.15.6.6 and 3.15.7.3.1 for promotion “selects.”
“Promote (P)” (lieutenant colonels and below)—Recommendation on AF Form 709 that says the ratee is qualified for promotion and should compete at the Central Selection Board on the basis of performance, performance-based potential, and broader considerations; (colonels only) -- Recommendation of AF Form 709 which indicates an officer is making a valuable contribution to the mission and has potential for promotion.

Ratee—The individual being rated.

Rater (officer and enlisted)—The official (usually the ratee's immediate supervisor) designated by management to provide a ratee periodic performance feedback and initiate performance evaluations. The rater may be an officer or Noncommissioned Officer (for enlisted ratees) of a United States or foreign military service serving in a grade equal to or higher than the ratee, or a civilian in a supervisory position that is higher than the ratee in the ratee’s rating chain. Management may appoint raters serving in the same grade as ratees without regard to date of rank. (Enlisted)--A civilian rater must be at least a GS-7 or a comparable grade or higher. RegAF members in the grade of SrA may serve as raters only if they have completed the Noncommissioned Officer Preparatory Course or the Airman Leadership Course. Only non-active-duty AFR members in the grade of SSgt or above may serve as raters.

Rater’s Rater (officer)—The second official in the rating chain, after the rater, serving in a grade equal to or higher than the rater and in a grade higher than the ratee. See paragraph 1.6.4 for other restrictions. (Enlisted)--The second official in the rating chain, after the rater, serving in a grade equal to or higher than the rater (for TSgts and below, at least the grade of MSgt or civilian equivalent).

Rating Chain—The succession of officials responsible for preparing evaluations. Evaluators other than the rater may be assigned after the close-out date. Commanders set up the rating chain within their organization. The rating chain is normally the same as the supervisory chain.

Exceptions: An individual in the supervisory chain may not be an EPR evaluator when the ratee is a TSgt or below and the rater's rater does not meet the minimum grade requirement to be the additional rater. When the ratee is a MSgt or higher, the final evaluator (AF Form 911, Section IX) does not have to be the immediate supervisor of the additional rater. Flexibility in this case lets authorities better distinguish between individuals with similar performance records. When the senior rater identification designates more than one position as a senior rater within a common rating chain (Example: Headquarters Chief of Staff, vice commander, and commander), the senior rater who signs the evaluation does not have to be the rater’s rater, but must be the senior rater designated for the ratee’s grade and assigned PAS code (only one senior rater may sign an evaluation).

Recommendation Only PRF—Refer to paragraph 8.1.5.6. Does not apply to Reserve of the Air Force.

Record of Performance—Consists of the following AF Forms (when filed in the Officer Selection Record (OSR): AF Forms 707; AF Forms 707A and AF Forms 707B; AF Forms 709; Air Force Forms 475; Form 77 and Officer Performance Brief. Evaluators may also use Letter of Evaluation (LOE) filed in the CSS/HR Specialist.

Referral Evaluation—A performance evaluation that contains any of the following is a referral: (a) Comments in any OPR, EPR, LOE or Training Report, regardless of the ratings if applicable, or the attachments to that evaluation, that are derogatory in nature, imply or refer to behavior
incompatible with, or not meeting minimum acceptable standards of personal or professional conduct, character, judgment or integrity, and/or refer to disciplinary actions. This includes, but is not limited to, comments regarding omissions or misrepresentation of facts in official statements or documents, financial irresponsibility, mismanagement of personal or government affairs, confirmed incidents of discrimination or mistreatment, illegal use or possession of drugs, Absent Without Leave, Article 15 actions, and conviction by court-martial.

(b) (USSF only) An officer fails to meet standards in any one of the listed performance factors, in Section III or Section IX of the OPR, the overall evaluation will be a "Does Not Meet Standards" evaluation and the evaluation must be referred.

**Relieved From Supervisory Responsibility**—For evaluation purposes, this means an individual was removed from supervisory duties due to either personal or professional shortcomings or misconduct that, in the supervisor’s view, made the member incapable of handling, or unsuitable for holding, the position. Personnel removed from supervisory responsibility must be notified in writing and acknowledge understanding.

**Reserve Active Status List (RASL)**—A list of all ARC officers in an active status, not on the Active Duty List, and in the order of seniority of the grade in which they are serving. Officers serving in the same grade are carried in order of their date of rank to that grade. The RASL for the Air Force shall include officers in the Air National Guard and Air Force Reserve. Except as otherwise provided by law, an officer must be on the RASL to be eligible for consideration for selection for promotion, continuation, or selective early removal as a member of the Reserve of the Air Force.

**Reviewer**—The third evaluator on an Officer Performance Report (see paragraph 1.6.5.).

**Reviewing Official**—Any intermediate-level supervisor above the rater, but below the Management Level.

**Routinely**—A repeated inability to meet established DAF standards and/or expectations that would render the aggregated performance assessment over the entire reporting period as below standards.

**Secondary Stratification**—The second level of stratification (and final [tertiary stratifications and beyond are not authorized]) evaluators may use to stratify an officer. To use a secondary stratification, the officer must first earn a primary stratification on their evaluation to ground the secondary stratification statement and communicate the clearest depiction of where an officer stands for all future evaluation readers. See paragraph 3.15.7.3.1 for the exception on promotion “selects.” An evaluator may use one of the following peer groups as a secondary stratification: (1) developmental category, (2) USAF or USSF grade, (3) subordinate echelon grade, or (4) duty position.

**Select Status**—When a member has been selected for promotion to the next higher grade. Members who turn down their promotion to the next higher grade are removed from select status. The use of the select status for FGO evaluations corresponds to the public release date of promotion to the next higher grade or once an officer’s promotion nomination has been transmitted to the White House. The use of the select status for first lieutenants selected to captain corresponds to the date of AFPC or ARPC public release of the promotion list or once SecDef approves the promotion lists. The use of “select” is not utilized for lieutenant evaluations.
Senior Rater (Officer)—The evaluator designated by the Management Level who completes the PRF and also serves as reviewer on the OPR. Senior raters must be in a position to have personal knowledge or access to personal knowledge of the ratee's performance. They must also have the scope of responsibility and breadth of experience to assess performance and its significance as it relates to potential for promotion. The same senior rater normally evaluates all officers in an organization in a particular grade and promotion zone. For all USAF and RegAF majors and below, the senior rater must be at least a colonel (or equivalent) serving as a wing commander or equivalent. For all USAF and RegAF lieutenant colonels and colonels, the senior rater must be a general officer (or equivalent) and will be the first general officer in the rating chain. AFPC/DPMSPE Active Duty List or AFRC/A1 (AFR unit) must approve exceptions. For all USAF and RegAF lieutenant colonels and colonels, the senior rater must be a general officer/senior executive service employee (SES)/equivalent and will be the first general officer/SES/equivalent in the rating chain.

Senior Rater (Enlisted)—Position that the MAJCOM or FLDCOM, field operating agency, direct reporting unit, and other organizations with Air Force enlisted personnel designated to be the highest-level endorser in the ratee's rating chain. For RegAF and ARC members, senior raters must be at least a colonel or civilian equivalent (GS-15 or higher), serving as a wing commander or equivalent.

Senior Rater Identification Code—A five-character code identifying a senior rater position as the MAJCOM or FLDCOM or Management Level specifies.

Significant Disagreement—The disagreement by an evaluator with the previous evaluator that results in one of the following: A change of any Performance Factor rating in any of the performance assessments; or any statement anywhere in an OPR that indicates obvious disagreement with the previous evaluator.

Significantly—A single instance where failure to meet established DAF standards and/or expectations is either egregious in nature or so far short of a standard that it impacts overall aggregated performance assessment.

Single Evaluator—An individual (colonel/0-6 or equivalent) who may close out an EPR with a single signature (also see the definition of Final Evaluator). Individual must meet both grade requirements and the evaluator requirements for each section of the applicable evaluation form (Example: must meet both grade requirements as an O-6 [or equivalent/higher grade] and must meet the definition of a “unit commander/military or civilian director/other authorized reviewer”). An O-6 or equivalent in and of themselves meet the grade requirement to serve as a final [deputy] evaluator on the AF Form 911, and/or as a final [senior rater] evaluator on the AF Form 911 and AF Form 912, provided they are designated as a senior rater by the management level; however, they must also meet the necessary requirements as a unit commander/ military or civilian director/other authorized reviewer (see definition of unit commander/military or civilian director/other authorized reviewer) to sign the entire evaluation as a “single evaluator”.

Single Senior Rater—The Single Senior rater is not the head of the management level but is the only senior rater who has In-or-Above-the-Promotion Zone and/or non-line/LAF-J Below-the-Promotion Zone eligible. The Management Level Review process must review PRFs.
Sole Senior Rater—The Sole Senior Rater is the head of the Management Level and is the only senior rater who has In-or-Above-the-Promotion Zone and/or non-line/LAF-J Below-the-Promotion Zone eligible for a specific board. The Sole Senior Rater awards all PRF recommendations; however, the HAF Management Level Review must review all PRF ratings.

Static Close-Out Date (SCOD)—The date that all enlisted evaluations will close-out for a specific grade. Also, the date used to determine the final TIG/TIS eligible pool for senior rater endorsement/stratification and forced distribution allocations.

Stratification—Quantitative comparison of an individual standing among peers within a definable group and within a specific evaluator’s scope of authority (i.e., direct rating chain).

Statutory Tour—A controlled tour of active duty service. Usually, a precise number of years at a specific location.

Stop File—Used to award a “Do Not Promote This Board” recommendation when substantiated derogatory information has been received since departure from previous assignment if time does not allow for not-qualified-for-promotion action processing. A stop file must be submitted in writing through the management level to AFPC/DPMSPE. Gaining senior raters must get the concurrence of the gaining MLR president and ensure the losing senior rater is informed of the “Do Not Promote This Board” action. This will allow the opportunity for possible redistribution of any previously awarded “Definitely Promote” recommendations to other deserving officers prior to the central selection board.

 Temporary Management Level—The management level for a ratee who is temporarily assigned to a unit/organization.

Total Force Service Center (TFSC)—Formerly known as the Air Force Contact Center (AFCC). When referenced, use the applicable components TFSC, i.e., RegAF would use the TFSC at AFPC and the ANG AFR would use the TFSC at ARPC.

Unit Commander/Military or Civilian Director—The military service member designated as the director of, or in command of, a unit (PAS code[s]). A civilian equivalent, assigned to the position of director, or unit director, responsible for the unit (PAS code[s]). See paragraph 1.6.7.

Whole Airman Concept—Factors included in the whole person assessment include job performance, leadership, professional competence, breadth and depth of experience, job responsibility, academic and professional military education, and specific achievements.
Attachment 2

APPEAL GUIDANCE FOR APPLICANTS

A2.1. Overview. In this attachment, the term "evaluation" encompasses all versions of enlisted and officer performance reports, training reports, letters of evaluation, promotion recommendation forms, retention recommendation forms and any other forms used by selective early retirement boards and reduction in force separation boards. Complying with the following guidelines does not guarantee a favorable decision; however, not complying may cause the board to delay its decision or return the application without action.

A2.2. Documenting an Appeal. Documentation must be relevant, accurate, and clear. Do not submit general documentation such as letters of appreciation or character reference statements. Also, quantity does not equate to quality. If the reason a particular item of evidence is not obvious, attach an explanation of its relevancy to the item. If the application has multiple attachments, use tabs to separate them. Before submitting an appeal, review the documentation to ensure it is:

A2.2.1. From a credible source. Information from a person with firsthand or expert knowledge of the situation is an example.

A2.2.2. Relevant to the time and issue. Evaluations assess performance over a specific period of time and documentation must relate to that period.

A2.2.3. Factual. Perceived personality conflict or general character references are subjective, not factual. As much as possible, provide information that is objective.

A2.3. Statements. The most effective pieces of evidence are statements from the evaluator(s) who signed the contested evaluation. These statements should:

A2.3.1. Cite important facts or circumstances that were unknown when the evaluators signed the evaluation.

A2.3.2. Detail the error or injustice.

A2.3.3. Explain how and when it was discovered.

A2.3.4. Include the correct information.

A2.3.5. Relate to the contested reporting period.

A2.3.6. Address the allegations and substantially challenge or disprove comments or ratings in the evaluation.

A2.4. Time Limit Waivers. The applicant can request a waiver of the 3-year time limit by citing unusual circumstances that prevented filing the appeal in a timely manner. However, ratees are responsible for reviewing their records at least annually for accuracy and the board can consider the due diligence of the applicant to apply for correction. Applications that do not include a waiver will be returned without action. Grounds for a waiver do not include:

A2.4.1. Failing to understand the appeals process.

A2.4.2. Being discouraged from appealing by superiors, peers, or counselors.

A2.4.3. Failing to understand the career impact in later years.
A2.5. Common Appeal Reasons and Related Documentation Requirements. Some common reasons for appealing and types of documentation are outlined below. Complying with these guidelines does not guarantee approval of an appeal.

A2.5.1. Impact on Promotion or Career Opportunity. An evaluation is not erroneous or unfair because the applicant believes it contributed to a non-selection for promotion or may impact future promotion or career opportunities. The board will focus on the evaluation only. The simple willingness by evaluators to upgrade, rewrite, or void an evaluation is not a valid basis for doing so. **Example:** Requests to add optional statements such as developmental education/professional military education, assignment/job/command "push" recommendation, add an omitted award or stratification to an evaluation or PRF will normally not form the basis for a successful appeal. These statements are not mandatory for inclusion and their omission does not make the evaluation inaccurate. It must be proven the evaluation is erroneous or unjust based on its content.

A2.5.2. Ratings and Comments Inconsistent with Prior or Subsequent Evaluations. Ratings are not erroneous or unjust simply because they are inconsistent with previous ratings. An evaluation documents performance during a specific period and reflects performance, conduct, and potential at that time, in that position. An ability to function well in one position at a given time may change in another job at another time. Sometimes an individual can stay in the same job and a change in supervisors will produce a change in performance standards which, depending on how well the individual adapts, could cause a marked change in the next evaluation. The board will not approve requests to void evaluations simply because they are inconsistent with other evaluations.

A2.5.3. Comments Inconsistent with Assigned Ratings. Retrospective views of facts and circumstances, months or even years after the evaluation was written, will usually not overcome the board's presumption that the initial assessment remains valid.

A2.5.4. Deflationary Rating Programs. Evaluators must accurately assess personnel and control inflation. Therefore, to appeal on this basis must clearly establish that the evaluator did not use the DAF evaluation policy in effect at the time.

A2.5.5. Personality Conflict. Provide firsthand evidence that clearly shows how the conflict prevented the evaluator from preparing a fair and accurate evaluation. If other evaluators support an appeal because they were unaware of a conflict at the time, they should provide specific information (and cite their sources) which leads them to believe the evaluation is not an objective assessment.

A2.5.6. Coercion by Superiors. The board seriously and carefully evaluates any allegation of coercion by superiors. The DAF requires endorsers, reviewers, and commanders to review evaluations for quality and accuracy. These officials must reject poorly prepared evaluations and downgrade or reject inflated evaluations. Evaluators who change evaluations after talking with a superior have not necessarily been coerced. Clear evidence must exist proving that the superior violated the evaluators’ rating rights. Supporting statements must identify the person who did the coercing, list the specific threats that were made, and identify any witnesses who can corroborate the incident.

A2.5.7. Undue Emphasis on Isolated Incidents. Evaluators should consider isolated incidents, their significance, and the frequency with which they occurred in assessing performance and
potential. Retrospective statements from evaluators prepared several months (or even years) after the incident or following a period of improved performance do not carry as much weight as assessments made when the facts and circumstances were fresh in their minds. To convince the board, evaluators must provide specific information about the incident and why they now believe it was overly emphasized.

A2.5.8. Lack of Counseling or Feedback. The lack of counseling or feedback, by itself, is not sufficient to challenge the accuracy or validity of an evaluation. Documentation should provide specific information about how the lack of counseling or feedback resulted in the unfair evaluation so the board can make a reasoned judgment on the appeal. Finally, every Airman and Guardian should know the existing standards for indebtedness, weight, fitness. Lack of counseling in these areas provides no valid basis for voiding an evaluation.

A2.5.9. Alleged Discrimination or Unfair Treatment. DAF members must report any form of discrimination to their supervisors or commander. In cases involving discrimination, the best evidence is an official Equal Opportunity and Treatment investigation, reviewed and validated by appropriate officials. Statements from officials in the rating chain or other credible sources who have firsthand knowledge of the discrimination may also be used.

A2.5.10. Evaluation Completed on Wrong Form. The board does not void an evaluation because it was completed on the wrong form. The evaluation will either be re-accomplished or superimposed on the correct form.

A2.5.11. Administrative Issues. The board does not normally void evaluations because of administrative errors. Proof that the evaluation would have been substantially different without the error should be provided. Normal procedure is to correct the administrative error rather than void the evaluation.

A2.5.12. Evaluation Inconsistent with Awards or Decorations Covering the Same Reporting Period. Citations are not specific enough to offset the comments and ratings in an evaluation. Awards and decorations are usually submitted by members of the rating chain who are fully aware of the contested evaluation. Therefore, an approved award or decoration alone does not challenge the accuracy of an evaluation.

A2.5.13. Personal Opinions and Unsupported Allegations. Provide factual, specific, and substantiated information that is from credible officials and is based on firsthand observation or knowledge. Avoid submitting unsubstantiated statements or opinions about motives.

A2.5.14. Mismarked Ratings. The instructions governing the Officer and Enlisted Evaluation Systems clearly require evaluators (and no one else) to mark evaluations and prohibit them from signing blank or unmarked forms. Statements from all evaluators who signed the evaluation are needed. These statements must fully explain how the error occurred and why the evaluators did not notice the error when they signed the evaluation. Sometimes the typist or administrative section is blamed for such errors, in which case a statement from them can help. If the unit has a policy which requires raters to sign blank forms, or prohibits them from marking their ratings, a statement from the unit commander (or other person that imposed and enforced the policy) will be needed. The board usually directs the evaluation be corrected or re-accomplished rather than voided.

A2.5.15. Evaluation Not Endorsed by Mandatory Endorser. An evaluation not endorsed at the required level is normally corrected instead of voided. Identify the proper mandatory
endorser and obtain the omitted endorsement. The evaluation may be re-accomplished, or the endorsement placed in the correct section of a blank form and signed. Include statements from the evaluators explaining the error.

A2.5.16. Lack of Observation. Applications based on the fact that evaluators were geographically separated, working on a different shift, or new to the job require conclusive documentation showing there was no valid basis on which to assess performance.

A2.5.17. Evaluation Not Written by Designated Rater. The DAF does not require the designated rater to be the immediate supervisor. Inaccurate designations and failures to change raters can occur when personnel are reassigned, work centers reorganized, functional areas or units realigned. To prove a case, a member will need statements from both the individuals who signed the evaluation and from the individuals who believe they should have written the evaluation. They should cite the “FROM” and “THRU” dates of supervision and explain what happened. The erroneous evaluator must clearly explain why they wrote and signed the evaluation when they were not the rater. Likewise, the actual evaluator must explain why they did not write the evaluation even though they were supposed to. Also helpful is a statement from the unit commander, if possible, providing specific information.

A2.5.18. Insufficient Supervision. The following is needed to appeal based on insufficient supervision:

A2.5.18.1. Computer-generated products or other documents that substantiate when supervision began and ended.

A2.5.18.2. Understand that on-the-job training records, feedback notices, and performance feedback worksheets do not document the date supervision began. They document only that an on-the-job training entry was made, a feedback notice produced, or a feedback session took place.

A2.5.18.3. Often, evaluators feel that days of supervision minimums are not sufficient time to evaluate a ratee. However, DAF standards establish that the minimum days are adequate to be able to provide a valid assessment. This standard applies DAF-wide and appeals based on the rater’s belief that minimums are not enough time are not approved.

A2.5.19. Memorandum of Mitigation. A memorandum of mitigation may be attached to an evaluation from an evaluator who signed the original evaluation or from someone in the rating chain at the time of the original evaluation. The memorandum must present information that was not known at the time of the evaluation's preparation and must explain the comments or ratings. A memorandum of mitigation may not be used simply to add information to an evaluation when there was not enough space on the original evaluation to include it. The memorandum must be no more than a single, typed page. It must not discuss promotion status or potential or any other subject or material if this information was not allowed in the original evaluation. Do not emphasize comments by using bold type, underlines, unusual fonts, etc.

A2.5.20. Lack of Training. Provide supporting statements from rating chain officials who can give specific information about the training problem and its impact on the evaluation. Since failing to provide training and failing to document training are different problems, on the job training records, reviews of on-the-job training records, and on the job training inspection reports do not prove training was not conducted, only that training was not documented.
A2.5.21. Forged Signature. Allegations of a forged signature on an evaluation must be confirmed by a notarized statement from the actual evaluator or by the results of an investigation.

A2.5.22. Fitness. Provide relevant justification as to why the fitness area/statement is incorrect. Any request without supporting documents will be returned or not favorably considered.

A2.5.23. Re-accomplishing an evaluation. Along with supporting documentations, furnish a substitute evaluation in the appeal case. The substitute evaluation must:

A2.5.23.1. Be signed by all the evaluators who signed the original evaluation (this includes the commander on enlisted evaluations). If an evaluator cannot be located, submit evidence of all attempts to locate the missing evaluator (e.g., certified mail receipt, emails, postal service). After all attempts have been exhausted, contact AFPC/DPMSPE for guidance.

A2.5.23.2. Be on the correct form not only for the grade, but also for the time the original evaluation was written. **Example:** If re-accomplishing a PRF for a CY93 Board, the Aug 88 version of the AF Form 709 must be used, not the Jun 95 edition of the form. Similarly, if re-accomplishing an enlisted evaluation which has a close-out date of Jan 95, the substitute must be on the Jan 93 edition of Forms 910/911, not the Jun 95 version.

A2.6. Special Information on Appealing DAF Form 709, Promotion Recommendation Form (PRF). (Note: MLR process does not apply to the AFR or USSF).

A2.6.1. General Information. A material error in the PRF itself, substantive changes to the record of performance used to assess performance-based potential, or a material error in the PRF preparation process may justify changes to the PRF. Normally, comments and recommendations are required from the senior rater who signed the PRF and the MLR President who reviewed it. If the senior rater is deceased or retired and not available, the president who originally reviewed the PRF may act instead. When the senior rater is available, but the original president is deceased or retired and not available, the current president can act in their place. **Note:** An evaluator is considered not available when they are incapacitated or, after reasonable efforts, cannot be located or contacted. Include in the application documentation that shows when and how attempts to contact an evaluator, such as certified mail receipts. An evaluator will not be substituted or bypassed simply because they will not support an application.

A2.6.1.1. Substantive additions, deletions, changes, or corrections to an officer's record of performance include voiding a referral or negative evaluation, adding a previously missing officer evaluation or TR, removing a negative endorsement or adding a positive one, or replacing an evaluation with a substantially different one. The change must, in effect, remove negative information from an officer’s record or add positive information which was not previously known. A simple administrative change to an evaluation does not meet this criteria.

A2.6.1.2. Senior rater and MLR presidents who provide comments and recommendations must carefully consider what, if any, impact the correction or change may have had on the final PRF content, rating, or the preparation process. They will need to explain the change to the record of performance, its impact on the PRF, and how the requested PRF action relates to the changed record of performance. Appeals based on errors in the preparation
process must also be fully explained and substantiated. Senior raters must weigh the impact of the processing error on the PRF and explain how the error justifies the requested PRF change.

A2.6.1.3. The management level that initially processed the PRF can best route PRF appeals to the appropriate MLR president. Since management levels may have different procedures for processing PRF appeals, contact the appropriate one for instructions. If the management level no longer exists, contact AFPC/DPMSPE for instructions.

A2.6.2. PRF Appeal Requirements. It is impossible to list exact instructions for each type of appeal; so, if necessary, contact AFPC/DPMSPE or ARPC/PB for guidance on appeals not covered in this instruction. The following list describes minimum required documentation for the board to reach a fair and equitable decision on the appeal:

A2.6.2.1. Voiding a PRF. Provide substantial evidence proving the PRF does not contain a valid promotion potential assessment, and that it is not possible to correct the form.

A2.6.2.2. Changing the promotion recommendation requires the concurrence of both the senior rater and MLR president. The PRF should “provide key performance factors from the officer’s entire career.” The space on the form is limited and it is not usually possible to describe every achievement in an officer’s career. The senior rater bears the responsibility of selecting what to include in the PRF, and what to leave out, which portions of the officer’s career to concentrate on, and which portions to have supported by the record. While inputs from subordinate commanders may be requested, to do so is not mandatory. To change the promotion recommendation, the senior rater will need to demonstrate there was a material error in the PRF; a material error in the record of performance which substantially impacted the content of the PRF; or a material error in the process by which the PRF was crafted. In all instances, the requested change to the promotion recommendation must be related to the documented error. Appeals to rewrite the promotion recommendation simply to include different, but previously known or documented accomplishments will not be approved.

A2.6.2.3. Changing the overall promotion recommendation to a "Promote" recommendation requires the concurrence of both the senior rater and MLR president. The senior rater provides detailed information about the circumstances surrounding the requested change and the rationale for the correction. The MLR president reviews the request and recommends for or against the change. The senior rater and MLR president should not support a requested change to the PRF unless a material error exists.

A2.6.2.4. Changing the overall promotion recommendation to a “Definitely Promote” recommendation must be fully justified and requires the concurrence of both the senior rater and MLR president. In the promotion process, “Definitely Promote” recommendations are strictly controlled and awarded after a competitive review of the senior rater’s pool of eligible members identifies the top officers. The MLR validates the senior rater’s decision and conducts a similar competitive review in awarding carry-over or aggregate “Definitely Promote” recommendations. In determining whether to seek award of a “Definitely Promote” recommendation via an appeal, senior raters and MLR presidents must, as much as possible, replicate the original competitive process. Senior raters and MLRs needing assistance in identifying their original pool of eligible officers should contact AFPC/DPMSPE, 550 C Street West, Suite 7, Joint Base San Antonio-
Randolph, TX 78150-4709 to obtain a MEL and copies of records of performance which may be needed for the board in question. The senior rater details the circumstances surrounding the requested change, the rationale for the correction, and the method (an earned “Definitely Promote” allocation, aggregation or carry-over) by which the “Definitely Promote” recommendation would have been awarded originally. As with other PRF appeals, there must be a material error in the PRF, record of performance, or process, and it must be shown how that error resulted in an erroneous rating. In addition:

A2.6.2.4.1. When the senior rater identifies an earned “Definitely Promote” allocation, they certify that the applicant's corrected record would have been awarded a “Definitely Promote” recommendation in competition with the senior rater’s original pool of eligible officers. After reviewing the circumstances of the appeal and the applicant's record, the MLR president recommends whether the “Definitely Promote” recommendation should be confirmed.

A2.6.2.4.2. If the senior rater believes a “Definitely Promote” recommendation would have been awarded under aggregation or carry-over, the Management Level Review President reviews the request, the circumstances surrounding the error, and its impact on the strength of the applicant’s record. The MLR president, after a competitive review (see para 8.7), determines if the corrected record would have been sufficiently strong to have earned a “Definitely Promote” recommendation at the original MLR, and makes the appropriate recommendation.

A2.6.3. Changing PRFs reviewed by a USAF Student Evaluation Board or a USAF Evaluation Board for Officers in Competitive Categories Other Than Line of the Air Force. The same requirements listed above apply, except after meeting the senior rater’s requirement, forward the appeal to AFPC/DPMSPE for processing. AFPC/DPMSPE serves as the management level for these boards and will secure a recommendation from the MLR president.

A2.6.4. Board Review. The decision whether or not to grant or deny the appeal rests with the board, which has the independent responsibility to make the determination. Senior rater, MLR president, and other inputs and/or recommendations are factors which the board will consider in making its determination. It is not bound by any of the recommendations. The board determines the weight it will give to all such inputs.

A2.7. Special Information on Appealing AF Form 3538, Retention Recommendation Form (RRF).

A2.7.1. The board carefully evaluates retention recommendation form appeals and obtaining the support outlined below does not guarantee approval, but is the minimum required for the board to reach a fair and equitable decision.

A2.7.2. Voiding a Retention Recommendation Form. Evidence requirements are similar to evidence requirements for voiding other evaluation types. Provide substantiating evidence that the form contains an unjust or inaccurate assessment of potential for continued service.

A2.7.3. To change the narrative comments, or the retention recommendation, the support of the evaluators who signed the form is needed. The first evaluator is generally the primary person to substantiate the form is inaccurate. They detail the circumstances surrounding the error and explains why it should be corrected. The second evaluator reviews the circumstances and provides a recommendation. On occasion, the same person may be responsible for the first and second evaluators' portions of the form. If major changes are needed, fill out a new form and attach it to the request for correction.

MEMORANDUM FOR XX SQ/CSS (Evaluations Monitor)

I have considered (grade/name of requesting member)’s request and approve/recommend disapproval the non-rated period from DD/MM/YYYY to DD/MM/YYYY.

If recommending disapproval, CC must provide justification for the recommendation and forward to the requesting member’s wing commander/equivalent for final approval/disapproval (may be delegated no further than vice commander/equivalent). This may be accomplished on this memo or under a separate attachment.

Once signed, a copy will be provided to the requesting member and wing CVS office.
