This instruction implements the Department of the Air Force Policy Directive (DAFPD) 36-26, Total Force Development and Management, and is consistent with Department of Defense Instruction (DoDI) 1336.08, Military Human Resource Records Life Cycle Management. It applies to Department of the Air Force (DAF) civilian employees and uniformed members of the Regular Air Force (RegAF), United States Space Force (USSF), Air Force Reserve (AFR) and Air National Guard (ANG). (Note: All reference to US Air Force-specific terminology also applies to the DAF, including the USSF, or to the USSF equivalent, as appropriate. For example, references to Airmen also apply to Guardians. Air Staff roles and responsibilities also apply to the equivalent Office of the Chief of Space Operations (informally referred to Space Staff) office. Space Force field commands should refer all policy and procedure questions to the equivalent Space Staff office.) This instruction requires the collection and maintenance of information protected by the Privacy Act of 1974 authorized by Title 10 United States Code (USC) Section 9013, Secretary of the Air Force, and Executive Order (EO) 9397, Numbering System for Federal Accounts Relating to Individual Persons. The applicable System of Records Notice, F036 AF PC C, Military Personnel Records System, is available at https://dpcld.defense.gov/privacy/SORNS.aspx. Ensure all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction (AFI) 33-322, Records Management and Information Governance Program, and are disposed in accordance with the Air Force Records Disposition Schedule, which is located in the Air Force Records Information Management System (AFRIMS). Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR), using DAF

Form 847, *Recommendation for Change of Publication*; route DAF Forms 847 from the field through the appropriate functional chain of command. This AFI may be supplemented at any level; all major command (MAJCOM) or field command (FLDCOM) level supplements must be approved by the Human Resource Management Strategic Board prior to certification and approval. The authorities to waive wing/unit level requirements in this publication are identified with a Tier ("T-0, T-1, T-2, T-3") number following the compliance statement. See DAFMAN 90-161, *Publishing Processes and Procedures*, Table A10.1, for a description of the authorities associated with the Tier numbers. Submit requests for waivers through the chain of command to the appropriate Tier waiver approval authority, or alternatively, to the requestor's commander for nontiered compliance items. Compliance with Attachments 2, 3, 4, 5, 6 and 7 in this publication is mandatory.

SUMMARY OF CHANGES

This document has been substantially revised and needs to be completely reviewed. Major changes include the removal of references to Letters of Reprimand (LORs) when referring to Senior NCO Selection Records. A margin bar (|) indicates newly revised material. Further, this publication has been redesignated as a DAFI to incorporate the USSF.

MILITARY PERSONNEL RECORDS SYSTEMS

1.1. Management Controls.

- 1.1.1. Storage. Record custodians ensure secure documents in a locked area or container when access is not under the direct control of a person. (**T-3**).
- 1.1.2. Maintenance. Record custodians ensure set up and enforce administrative and physical safeguards for accessing the Electronic Unit Personnel Record Groups. (**T-3**).
- 1.1.3. Military personnel records are "Controlled Unclassified Information" in accordance with Department of Defense Manual (DoDM) 5400.07_Air Force Manual (AFMAN) 33-302, Freedom of Information Act Program.
- 1.1.4. Refer to DoDM 5400.07_AFMAN 33-302 and AFI 33-332, *Air Force Privacy and Civil Liberties Program*, for procedures for disclosing information in unclassified military personnel records.
- 1.1.5. Penalties. Record custodians inform users that the Privacy Act of 1974 (Title 5 USC Section 552a) provides for criminal penalties against anyone who discloses information to unauthorized persons. Anyone who obtains information about an individual under false pretenses may also be subject to criminal penalties. (**T-3**).
- **1.2. System Description.** The military personnel record is the document-keeping method used to maintain the military service chronicle of each person. It includes building new records and keeping records at all levels. The records consist of:
 - 1.2.1. Electronic Master Personnel Record Group. This group contains military service-specific information and/or data related to a service member's career that is resident in all systems of record and authoritative sources with respect to a member's time in service.
 - 1.2.2. Electronic Unit Personnel Record Group. This group contains a subset of military service-specific information contained in the Electronic Master Personnel Record Group viewable by the member and his or her chain of command.
 - 1.2.3. Electronic Officer Selection Record. This group contains all officer performance reports, citations for decorations, and any required adverse documentation outlined in paragraph 2.2.2.3.
 - 1.2.4. Electronic Senior Noncommissioned Officer (NCO) Selection Record. This group contains all enlisted performance reports, citations for decorations, and any derogatory information the senior raters decide to file as described in paragraph 2.2.3.

1.3. System Objectives. The purposes of the system are:

- 1.3.1. Maintain personnel documents to protect the legal and financial rights of the government and the individual and to record the history of the person's service.
 - 1.3.1.1. Support personnel managers, commanders, and supervisors as they manage Air Force personnel.
 - 1.3.1.2. Maintain documents to support the Military Personnel Data System (MilPDS).

- 1.3.1.3. Provide procedures for managing records.
- 1.3.2. These records are pre-archival and are retained for 62 years after discharge, retirement, or death in service, then transferred to National Personnel Record Center (NPRC) for permanent storage and servicing.

CREATING AND MANAGING MILITARY PERSONNEL RECORDS

- 2.1. Roles and Responsibilities. This paragraph describes the overall roles and responsibilities of the Personnel Record Custodians. Additional roles and responsibilities are included and listed within the respective sections throughout this AFI.
 - 2.1.1. Electronic Master Personnel Record Custodians (designated by position). Set-up and enforce administrative procedures and physical safeguards for the Electronic Master Personnel Record Group.
 - 2.1.2. Filing and Disposing of Documents. See Attachment 2.
- **2.2.** Creating Military Personnel Records. Electronic Master Personnel Record Group. A document in the Electronic Master Personnel Record Group may be the original or the designated copy, and may be the only existing copy. Ensure clear, distinct, and legible documents are sent to the Air Force Personnel Center (AFPC) Military Records Section (DP1ORM) for processing into the Automated Records Management System (ARMS). Each document is required to contain a complete social security number (SSN). (T-3). Master personnel record documents consist of electronic media. Only one person's SSN will appear on "group" type documents. Persons other than the subject of the document will have their personally identifiable information, such as their SSN, redacted before placement in official records. AFPC, or Air Reserve Personnel Center (ARPC) maintains the Electronic Master Personnel Record Group on all members who have not separated or retired while having a military status. (T-3). See Table A3.2 located at Attachment 3 for custodians of the Electronic Master Personnel Record Group.
 - 2.2.1. Electronic Unit Personnel Record Group (eUPRG). The Electronic Unit Personnel Record Group is located in ARMS and the Personnel Records Display Application (PRDA). See **Table A3.1** located at **Attachment 3** for custodians of the eUPRG.
 - 2.2.2. Electronic Officer Selection Record Group (eOSR). This record is kept in electronic media. The Automated Records Management System files the following in the Electronic Officer Selection Record Group.
 - 2.2.2.1. All officer performance reports are arranged chronologically with the most recent report on top. An AF Form 77, Letter of Evaluation, may be placed in the record due to missing officer performance reports or gaps in dates according to DAFI 36-2406, *Officer and Enlisted Evaluations Systems*.
 - 2.2.2.2. Citations for Decorations. Place citations for all awarded decorations listed in AFMAN 36-2806, *Awards and Memorialization Program* (or equivalent from another military service). Use a copy of the special order that awarded the decoration only if a citation is missing. If a citation does not identify the award, file a copy of the special order that awarded the decoration immediately below the citation.
 - 2.2.2.3. Required Adverse Documents.
 - 2.2.2.3.1. Any substantiated adverse finding(s) or conclusion(s) from an officially documented investigation or inquiry, regardless of whether command action was taken as a result. This may include, but is not limited to, commander directed, Inspector General, and equal opportunity investigations. In those cases where written command

action was not taken, the substantiated findings are filed in the officer selection record (OSR) via a memorandum for record capturing the details of the investigation, findings, and rationale for no command action taken. (**Note:** Investigations conducted by certain authorities, such as Security Forces [SF] or the Office of Special Investigations, neither substantiate nor refute allegations. Consequently, the investigative findings are not considered adverse information, in and of themselves. However, command action taken as a result of information presented in an SF or the Office of Special Investigations report of investigation is considered adverse information and are filed in the OSR if a Letter of Admonishment or higher was issued). (**T-0**).

- 2.2.2.3.2. Court-Martial Order or Entry of Judgment, as applicable. (T-0)
- 2.2.2.3.3. Nonjudicial punishment pursuant to Article 15, *Uniform Code of Military Justice* (UCMJ). (**T-0**).

- 2.2.2.3.5. Letter(s) of Admonishment (LOAs). (T-0).
- 2.2.2.3.6. Notice of Relief of Command (for cause). (T-0).
- 2.2.2.3.7. Letter(s) of Counseling related to substantiated finding or conclusion from an officially documented investigation or inquiry. (**T-0**).
- 2.2.2.3.8. (Added) Developmental Education (DE) Removal (for cause).
- 2.2.2.4. Review of the eOSR. Individuals may verify contents by viewing documents in PRDA.
- 2.2.3. Electronic Senior Noncommissioned Officer Selection Record. This record is kept in electronic media. The following documents are stored in the electronic senior noncommissioned officer selection record group.
 - 2.2.3.1. All enlisted performance reports (EPRs) in the last five years. Reports are arranged chronologically with the most recent report on top. An AF Form 77 may be placed in the record due to missing EPRs or gaps in dates according to DAFI 36-2406.
 - 2.2.3.2. Citations for Decorations. Place citations for all awarded decorations listed in AFMAN 36-2806 (or equivalent from another military service). Only if a citation is missing, use a copy of the special order that awarded the decoration, or if a citation does not identify the award, file a copy of the special order that awarded the decoration immediately below the citation.
 - 2.2.3.3. Optional Documents.
 - 2.2.3.3.1. Nonjudicial Punishment. Nonjudicial punishments received after promotion to master sergeant may be filed in the electronic senior noncommissioned officer selection record. Nonjudicial punishments are retained in the selection record for two years or one promotion board, whichever occurs first. (T-3).
 - 2.2.3.3.2. Court-Martial. Records of courts-martial, DD Form 2707-1, *Department of Defense Report of Result of Trial*, may be filed in the electronic senior noncommissioned officer selection record. (**T-3**).
 - 2.2.3.3.3. DELETED.

- 2.2.3.4. Review of the Selection Record. Individuals may verify contents by viewing documents in PRDA.
- **2.3. Record and Data Review Procedures.** Personnel will receive a system-generated email notification on their birthday advising them to review the Records Review Application in virtual Military Personnel Flight (vMPF).
- **2.4. Document Requirements.** Any questions relating to the filing, removal, or disposition of any documents in the Military Personnel Record System not covered in this instruction may be brought to the attention of the OPR listed in **Table A2.1**, Column A, located at **Attachment 2**. Documents and forms that become obsolete, re-titled, renumbered, or replaced remain in the record folder until normal disposition as shown in **Table A2.1**, Column E, located at **Attachment 2**.
- **2.5. Managing Individual Documents**. **Table A2.1** identifies where to file authorized documents in records.
 - 2.5.1. Permanent Documents. These documents are retained in the record groups until the records disposition has been met in accordance with the AF Records Disposition Schedule in AFRIMS.
 - 2.5.2. Lost or Misfiled Documents. When missing documents on RegAF officer or enlisted Airmen are located, send them to AFPC/DP1ORM, 550 C Street West, JBSA-Randolph TX 78150-4723. For documents that are misfiled, send an email to arms.inquiries@us.af.mil, provide name, complete SSN, document identification, and date of document. Forward permanent documents on separated officer or enlisted Airmen to AFPC/DP1ORM. In the case of separated officer or enlisted Airmen, temporary documents may be destroyed in accordance with the AF Records Disposition Schedule in AFRIMS.
 - 2.5.3. When a prior or non-prior service individual enlists in the United States Air Force Reserve (USAFR) or ANG, the servicing FSS/MPF incorporates the individual into the MilPDS strength.
- **2.6. Review by the Individual** . Individuals may review their Electronic Unit Personnel Record Group through PRDA. Other DoD personnel, for appropriate official use purposes, may review the record of an individual (e.g., Air Force Office of Special Investigations (AFOSI) and Inspector General for investigative purposes or servicing legal office for disciplinary and administrative purposes, etc.).
 - 2.6.1. Officer and enlisted Airmen may review their Electronic Personnel Record Group at any time by going through the AF Portal or AFPC Secure.
 - 2.6.2. A rater may review and make notes regarding any information in a subordinate's Electronic Personnel Record Group. Individuals in performance of their official duties may have copies of an individual's records. (T-3).
 - 2.6.3. An individual in the chain of command or completing an administrative function (e.g., MPF, designated by the commander, servicing legal office, or an investigator, etc.) verified by the unit or base administrator and granted access to documents may review and make notes regarding any information in a subordinate's Electronic Personnel Record Group. Individuals in performance of their official duties may have copies of an individual's records. (T-3).

- 2.6.4. An individual granted the "agent" role by a senior rater or commander, or an individual granted the "mentor" role by an officer or enlisted Airman, may make notes regarding evaluations and decorations in a subordinate's Electronic Unit Personnel Record Group.
- **2.7. Disclosing Information from Military Personnel Records**. Account for disclosures according to DoDM 5400.07_AFMAN 33-302, and AFI 33-332. Record custodians may provide certified copies of documents or information from personnel records prescribed by this instruction. Record custodians ensure any certified document or data being furnished is releasable under the provisions of DoDM 5400.07_AFMAN 33-302, AFI 33-332 and AFI 51-301, *Civil Litigation*.

HANDLING COMMANDER'S OR SUPERVISOR'S ASSIGNED PERSONNEL INFORMATION FILE.

- **3.1. General Information**. The discretion for the personnel information file is solely up to the unit commander for creation and maintenance. Set up the personnel information file using the AF Form 10A, *Personnel Information File, Record of Performance: Officer Command Selection Record Group.* Keep the personnel information file current, correct in content, and safeguarded to ensure the information is not misused or unauthorized access occurs. **(T-3).**
- **3.2. Record Content.** Personnel information files are mandatory for officers who receive Letters of Admonishment or Letters of Counseling which are not filed in their Unfavorable Information File. In determining what, if any, changes to make regarding what to file or not to file, such as routine correspondence maintained elsewhere in a personnel information file, commanders are strongly encouraged to seek the advice of their servicing legal office in order to preserve their critical command options in military justice (disciplinary) and administrative quality force actions. Enlisted performance reports and officer performance reports cannot be maintained in the personnel information file. **(T-3).**
- **3.3. Record Storage** . Keep records in a locked area or container, except when being used.
- **3.4. Record Access** . A member may gain access to his or her personnel information file per AFI 33-332. The personnel information file contents are made available for commanders, raters, first sergeants, senior raters, AFOSI, and servicing legal office personnel as warranted. The release and review of the personnel information file contents in these instances are for "official business" or "routine use" in accordance with AFI 33-332. (**T-3**).
- **3.5. Retaining and Disposing** . Guidance is provided in accordance with the AF Records Disposition Schedule in AFRIMS.

RECORDING AND CHANGING BASIC IDENTIFYING DATA

- **4.1. General Information** . The SSN serves as the numerical identifier for all Air Force military personnel. The SSN is entered on all records requiring a numerical identifier.
- **4.2. Resolving SSN Discrepancies** . If the number on an officer or enlisted Airman's SSN card conflicts with the Military Human Resource Record (MHRR) in MilPDS, the FSS/MPF customer service section follows the directions in **Table A4.1**, located at **Attachment 4**, to resolve the issue.
- **4.3. Recording and Changing Name in Official Records** . Air Force military personnel records use the name shown on a birth, baptismal, marriage, naturalization certificate, civil court order, or another legal document.
 - 4.3.1. The name that appears on the appointment memorandum or DD Form 4-1AF, *Enlistment/Reenlistment Document-Armed Forces of the United States*, is the official name in Air Force files until changed under this instruction.
 - 4.3.2. Names typed or written on forms and documents are written to reflect any hyphens, apostrophes, or space in the officer or enlisted Airman's name. There is no need to correct a document that reflects the MilPDS spelling, except at an officer or enlisted Airman's request.
- (ANG Only) Utilize the member's full middle name when updating MilPDS. If member does not have a middle name, leave this field blank. Do not use NMI or NMN.
 - 4.3.3. Changing Name. The requesting member submits the evidence required by **Table A6.2**, located at **Attachment 6**, to the office designated in **Table A6.3**, Column B, located at **Attachment 6**. Action agencies act as outlined in **Table A6.3**, Columns C and D, located at **Attachment 6**. Members and former members may apply for a name change to the AF Board for Correction of Military Records (BCMR) after all other avenues for relief have been exhausted, and the member is unsuccessful in having his or her name changed.

4.4. Correcting Date of Birth, Place of Birth, and Changing Citizenship Status:

- 4.4.1. Correcting Date and Place of Birth. Officer or enlisted Airmen present supporting evidence required by **Table A6.4**, Column B, located at **Attachment 6**. The FSS/MPF and MHRR custodians act as outlined in **Table A6.5** and **Table A6.6**, located at **Attachment 6**.
- 4.4.2. Changing Citizenship Status. Officer or enlisted Airmen submit supporting documentation required in **Table A6.7**, Column B, located at **Attachment 6**. The FSS/MPF and MHRR custodians act as outlined in **Table A6.7**, columns C and D, located at **Attachment 6**. (ANG Only) Utilize the member's full middle name when updating MilPDS. If member does not have a middle name, leave this field blank. Do not use NMI or NMN.
- **4.5. AF Form 281,** *Notification of Change in Service Member's Official Records* . AFPC and ARPC prepare this form to document changes in an officer or enlisted Airman's official personnel record.

ACCESSING AIR FORCE MILITARY HUMAN RESOURCE RECORD (MHRR)

- **5.1.** Using MHRRs. The MHRRs contain personal information and may only be disclosed to authorized persons conducting official Air Force business. Authority to obtain copies of, information from, or possess MHRRs is limited to those persons with an official requirement for the information. Rank, position, or title alone does not authorize access to personal information about others. The AFPC Airman Support Branch (AFPC/DP3SA) is the final approval authority for access. Routine access offices are shown in **Table A5.1**, located at **Attachment 5**. Other DoD offices may be permitted access as approved by AFPC/DP3SA. Users have the responsibility to provide adequate justification for receipt of records and shall show a valid need to review or obtain information from them in the course of official duties. (**T-3**).
- **5.2. Safeguarding MHRRs.** Protect copies of paper and microfiche MHRRs, on-line access and hard copy output of military personnel file records according to AFI 33-322.
- **5.3. Penalties for Misuse of MHRRs** . Under the Privacy Act of 1974, persons who knowingly and willfully disclose personal information from an Air Force record, regardless of media, to a person or agency not entitled to receive it, without the advance consent of the subject of the record, are subject to a fine. Unauthorized disclosure of "For Official Use Only" information may result in disciplinary action.
- **5.4.** How to Establish Routine Access to MHRRs. All activities or persons, not listed in Table A7.1, located at Attachment 7, requiring routine access to the MHRRs maintained at AFPC submit request to AFPC Military Sustainment Operations Section (DP2SSM), 550 C Street West, JBSA-Randolph TX 78150-4721. Include the following information in the request: justification for access and requester's name, SSN, grade, office symbol and duty phone number.
 - 5.4.1. AFPC/DP2SSM approve requests for access to MHRRs maintained at the National Personnel Records Center (NPRC), St Louis, Missouri, by any activity not listed in **Table A5.1**, located at **Attachment 5**. Forward such requests by memorandum to AFPC/DP2SSM, 550 C Street West, JBSA-Randolph TX 78150-4721.
 - 5.4.2. The request is signed by:
 - 5.4.2.1. For AFPC offices, the division chief or equivalent level for submission to AFPC/DP2SSM.
 - 5.4.2.2. For offices outside AFPC, a division chief or equivalent level.
 - 5.4.3. Submit a revised memorandum request to AFPC/DP2SSM when adding or deleting designees.

5.5. How to Request MHRRs.

- 5.5.1. AFPC and ARPC users request access through ARMS.
- 5.5.2. All others see **Table A7.2**, located at **Attachment 7.**

ARTICLE 15, RECORD OF NONJUDICIAL PUNISHMENT, PROCEDURES

- **6.1. Article 15 and Promotion Procedures.** A commander imposing nonjudicial punishment (NJP) under Article 15 of the Uniform Code of Military Justice decides whether to file the NJP in the electronic senior noncommissioned officer selection record for applicable members. For officers, the NJP action is filed in the Electronic Officer Selection Record. **(T-3).**
 - 6.1.1. If an NJP for an NCO in the grade of E-6 or above results in a reduction to a grade below E-6, the commander makes a filing determination because the NJP was received in the rank of E-6 or above. (T-3).
 - 6.1.2. In a joint command, if a commander from a different service imposes nonjudicial punishment on a member of the Air Force element, the senior Air Force officer or commander of the element decides whether to file an NJP in the selection record, provided the official is senior to the commander imposing the nonjudicial punishment. (**T-0**).
 - 6.1.2.1. The general court-martial convening authority of the Air Force host command (see AFI 25-201, *Intra-Service, Intra-Agency, and Inter-Agency Support Agreements Procedures*) that is senior to the commander imposing nonjudicial punishment makes the filing decision if the senior Air Force officer or commander of the element is unavailable or is not senior to the commander imposing the nonjudicial punishment. (**T-0**).
 - 6.1.2.2. A general court-martial convening authority of the host service, who is senior to the commander imposing punishment, makes the filing decision if there is not a general court-martial convening authority in the Air Force host command senior to the commander imposing punishment. (**T-0**).

6.2. When a Senior Commander's Review is Necessary.

- 6.2.1. If the commander imposing NJP punishment decides to file the NJP in the selection record, the decision is subject to review by the next senior Air Force commander to the commander imposing the NJP. There are two exceptions to this rule:
 - 6.2.1.1. If the commander imposing NJP punishment exercises general court-martial convening authority or is a superior of the officer who exercises general court-martial convening authority, the decision to file in the appropriate selection record is not subject to review. (T-3).
 - 6.2.1.2. In a joint command if an officer other than the senior Air Force officer assigned (host command or service general court-martial convening authority as described above) makes the decision, the decision to file is not subject to review. (**T-0**).
- 6.2.2. The review authority may either concur or non-concur with the commander imposing the NJP, and this decision is final. **Note**: References to "commander" or "commander imposing the NJP" include the decision authority described above in joint commands where a commander of a different service imposes the nonjudicial punishment. (**T-0**).
- 6.2.3. If the review authority decides not to file the NJP in the selection record, the review authority completes block 10 of AF Form 3070B, *Record of Nonjudicial Punishment*

Proceedings (TSgt through CMSgt), and returns the NJP to the commander imposing punishment.

6.2.4. If the review authority agrees to file the NJP in the selection record, the review authority completes block 10 of the NJP (AF Form 3070B) and returns it with related correspondence to the commander imposing punishment.

6.3. Who Conducts the Senior Commander Review.

- 6.3.1. The Deputy Chief of Staff or comparable level organizational head performs the review for officer and enlisted Airmen assigned to the Air Staff. (**T-0**).
- 6.3.2. The senior Air Force officer assigned performs the review for enlisted Airmen assigned to commands, activities, or agencies outside the Department of the Air Force. If the NJP recipient is the only Air Force member assigned, the OPR in USAF or MAJCOM headquarters appoints an officer to complete the review. (**T-0**).
- 6.3.3. For an NJP imposed by the host commander on a temporary duty (TDY) or tenant member, conduct the review through the host Air Force commander's chain. (T-0).
- 6.3.4. A commander who is a general officer or exercises general court-martial convening authority may delegate his or her review authority to a principal assistant (in accordance with DAFI 51-202, *Nonjudicial Punishment*). (**T-0**)

Terms

Automated Records Management System (ARMS)—The DAF repository and document management system for the MHRR. ARMS is an automated tool for the storage, retrieval, and life-cycle management of the MHRR.

Extended Active Duty—A tour of active military service (usually for more than 90 active duty days) performed by a member an Air Reserve Component when strength accountability changes from the Air Reserve Component to the regular component of the Air Force.

Military Personnel Data System—A collective term encompassing the total vertical computerized MilPDS. It is used when a specific subsystem is not being referenced. The system is designed to provide capability for equitable, responsive, uniformly administered, and cost-effective management and administration of RegAF, ANG, USAFR, retired, and civilian personnel.

Military Personnel Flight—The strategic advisor for military personnel policies and programs. The mission of the MPF is to provide quality personnel support in both peacetime and wartime to commanders, Air Force members and their families.

Officer Command Selection Record—A file containing documents on each officer, except generals, maintained by the MAJCOM/FLDCOM in managing assigned officers.

Password—A code of eight characters, which is assigned to each user identification code. The user identification code and password combination provides the vehicle for identifying system users and restricting disk file operations by securing the files against access by users other than owners of the file.

Permanent Document—A document that has legal, historical, or management value, and is kept in the Military Personnel Records System after a person separates.

Personnel Information File—An administrative record maintained at the squadron level containing information on an assigned member.

Personnel Records Display Application—An electronic viewer for ARMS and contains role-based access. The role-based access portion of PRDA allows commanders, supervisors, first sergeants and many more access in the performance of their official duties and within their jurisdiction to view both enlisted and officer MHRR.

Record Custodian—Member of an organization who ensures records created by his or her organizations in the course of business are maintained and disposed of in accordance with record disposition rules.

MANAGING AND PLACING RECORD DOCUMENTS

- **A2.1.** Management and disposition instructions for documents and forms listed in this attachment are applicable to personnel on EAD and those assigned to USAFR and ANG forces.
- **A2.2.** Documents and forms that become obsolete through discontinuance, retitling, renumbering, or replacement, remain in record folders until normal disposition according to this attachment. If a document contains more than one action, and the final disposition or filing instructions or both differ for each action, the longer disposition period takes precedence. Contact AFPC/DP2SSM, DSN 665-2450/2451, COMM 210-565-2450/2451 for resolution of questionable cases. **Note:** Unless otherwise noted, the disposition of the documents or forms identified below is permanently in the Official Military Personnel File.

- 1. For USAFR officers not on EAD and ANG officers, forward to ARPC/DPTARA, 18420 E. Silver Creek Ave, Bldg 390, Buckley SFB, CO 80011.
- 2. Approved court-martial findings of guilt are retained in the OSR permanently unless the findings are overturned on appeal or set aside in their entirety, and the member is not subsequently found guilty at a rehearing or new trial. If removed from the OSR for this reason, this is not considered adverse information and will not be filed in the MPerRGp. All other adverse information filed in the OSR will remain in the OSR: (1). For O-6 and below boards and processes for ten years, except for substantiated conduct, any single act of which, tried by court-martial, could have resulted in the imposition of a punitive discharge and confinement for more than one year. If the exception is met, the adverse information will remain in the OSR. Except for the set aside of a court-martial or nonjudicial punishment action, earlier removal of adverse information from the OSR may only be directed pursuant to an AFBCMR recommendation. (2). For general officer promotion boards for (1) ten years, except for substantiated conduct, any single act of which, tried by court-martial, could have resulted in the imposition of a punitive discharge and confinement for more than one year; or (2) until the U.S. Senate considers it and confirms the officer. Except for the set aside of a court-martial or nonjudicial punishment action, earlier removal of adverse information from the OSR may only be directed pursuant to an AFBCMR recommendation."
- 3. Effective the date OSD approves this policy, all adverse information an officer receives will be filed in the Officer's Selection Record (OSR) and will be considered by promotion selection, special selection, federal recognition (ANG specific), and selective continuation boards to the grade of O-4 and above (to include processes for O-3 promotions that have "extraordinary adverse information" per DoDI 1320.14). Adverse information is any substantiated finding or conclusion from an officially documented investigation or inquiry or any other credible information of an adverse nature. To be credible, the information must be resolved and supported by a preponderance

of the evidence. To be adverse, the information must be derogatory, unfavorable, or of a nature that reflects clearly unacceptable conduct, integrity, or judgement on the part of the individual. Adverse information includes, but is not limited to: (1) Any substantiated adverse finding(s) or conclusion(s) from an officially documented investigation or inquiry, regardless of whether command action was taken as a result (see Section III below). (Note: While some investigations (e.g., Inspector General, Commander Directed or Equal Opportunity investigations) will conclude with substantiated/not substantiated findings, investigations conducted by certain authorities, such as Security Forces (SF) or the Office of Special Investigations (OSI), neither substantiate nor refute allegations. Consequently, SF and OSI investigations are not considered adverse information. However, command action taken as a result of information presented in an SF or OSI Report of Investigation is considered adverse information and must be filed in the OSR if a letter of admonishment or higher was issued). (2) Approved court-martial findings of guilt (Court-Martial Orders). (3) Nonjudicial punishment pursuant to Article 15, Uniform Code of Military Justice (UCMJ). (4) Letter(s) of Reprimand (LORs). (5) Letter(s) of Admonishment (LOAs). (6) Notice of Relief of Command (for cause). (7) Letter(s) of Counseling (LOC) related to a substantiated finding or conclusion from an officially documented investigation or inquiry.
