This publication implements Department of the Air Force Policy Directive (AFPD) 36-29, *Military Standards*, and establishes instruction of the management of unfavorable information file (UIF) program, control rosters, letters of reprimand (LOR), letters of admonishment (LOA), and letters of counseling (LOC). It has been developed in collaboration between the Deputy Chief of Staff for Manpower, Personnel, and Services (AF/A1); Chief of the Air Force Reserve (AF/RE); Deputy Chief of Space Operations for Human Capital (SF/S1); and the Director of the Air National Guard (NGB/CF). This instruction applies to uniformed members of the United States Space Force (USSF), the Regular Air Force (RegAF), the Air Force Reserve (AFR), the Air National Guard (ANG) on Title 10 orders, and the Civil Air Patrol Reserve Assistance Program. ANG personnel on Title 32 status must utilize the following guidance unless otherwise directed by state law. This Instruction requires the collection and or maintenance of information protected by the Privacy Act of 1974 authorized by Department of Defense Directive (DoDD) 5400.11, *DoD Privacy and Civil Liberties Programs*. The applicable System of Record Notices DoD-0020, *Military Human Resource Records* is available at: <https://dpcl.d.defense.gov/Privacy/SORNs/>. This publication may be supplemented at any level, but all supplements that directly implement this publication must be routed to the OPR for coordination. All major command (MAJCOM)/field command (FLDCOM)-level supplements must be approved by the Human Resource Management Strategic Board prior to certification and approval. The authorities to waive wing, unit, or delta level requirements in this publication are identified with a tier (“T-0, T-1, T-2, T-3”) number following the compliance statement. See Department of the Air Force Manual 90-161, *Publishing Processes and Procedures*, for a description of the authorities associated with the tier numbers. Submit requests for waivers through the chain of command to the appropriate tier waiver approval authority, or alternately, to the requestor’s commander for non-tiered compliance items. The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Department of the Air Force.

SUMMARY OF CHANGES

Interim Change 1 added (1) Notice of Relief of Wing/Delta/Installation Chaplain or Equivalent (for cause) as adverse information, requiring inclusion in the Officer Selection Record; (2) added back tier levels that were inadvertently removed in paragraphs **1.2.1.6** and **1.2.1.8**; (3) added sample memorandums for developmental education removal (for cause), HAF/A1 approval of removal from developmental education designation (for cause), and relief of wing/delta/installation Chaplain or equivalent (for cause) at Attachments **10** through **12**; and (4) clarified wing/delta commanders’ authority to locally remove letters of admonishment and letters of reprimand from an officer’s unfavorable information file. Chapter 1

OVERVIEW, ROLES, AND RESPONSIBILITIES

1.1. Overview. Adverse administrative actions are intended to improve, correct, and instruct subordinates who violate established Department of the Air Force (DAF) standards whether on or off duty. Misconduct generally should be addressed at the lowest possible level, as soon as possible, to ensure an Airman's or Guardian's career is not negatively affected unnecessarily. The decision to utilize these quality force management tools should be based primarily on two factors: the nature of the incident and the previous disciplinary record of the Airman or Guardian. In deciding what type of action to take, consider the seriousness of the Airman's or Guardian's departure from established standards. Additionally, adverse administrative action should be used as part of a progressive discipline process; however, there is no requirement to issue a lower level action to address an Airman's or Guardian's first instance of misconduct. Some misconduct warrants a more severe form of action or action from higher in the chain of command.

1.1.1. LOCs, LOAs, and LORs are quality force management tools available to supervisors, superiors, and commanders. These tools are disciplinary and corrective in nature, but not punitive.

1.1.2. The UIF is an official record of unfavorable information about an individual. It documents administrative, judicial, and nonjudicial actions.

1.1.3. The control roster is a rehabilitative tool commanders may use to establish a 6-month observation period.

1.1.4. Nonjudicial Punishment under Article 15, Uniform Code of Military Justice is a disciplinary measure more serious than administrative action but less serious than a court-martial.

1.1.5. A civilian director filling a position equivalent to that of a commander has the same authorities regarding UIFs and control rosters as a commander on G-Series orders. (See DAFI 51-509, *Appointment to and Assumption of Command*).

1.1.6. Raters should consider making comments on performance reports when the ratee receives an LOC, LOA, or LOR. See AFI 36-2406, *Officer and Enlisted Evaluation Systems*, for additional guidance regarding appropriate performance report comments.

1.1.7. LOCs, LOAs, and LORs are subject to the rules of access, protection, and disclosure outlined in The Privacy Act of 1974. **(T-0)** The same rules apply to copies kept by supervisors and commanders and those filed in an individual's UIF or the unit's personnel information file (PIF) on the particular member. **(T-0)**

1.2. Adverse Information for Total Force Officer Selection Boards Overview. All adverse information an officer receives will be filed in the OSR and will be considered by promotion selection, special selection, federal recognition (ANG specific), and selective continuation boards to the grade of O-4 and above (to include processes for O-3 promotions that have "extraordinary adverse information" per Department of Defense Instruction (DoDI) 1320.14, *DoD Commissioned Officer Promotion Program Procedures*). **(T-0)**

1.2.1. Adverse information is any substantiated finding or conclusion from an officially documented investigation or inquiry or any other credible information of an adverse nature. To be credible, the information must be resolved and supported by a preponderance of the evidence. **(T-0)** To be adverse, the information must be derogatory, unfavorable, or of a nature that reflects clearly unacceptable conduct, integrity, or judgment on the part of the individual. **(T-0)** Adverse information includes, but is not limited to:

1.2.1.1. Any substantiated adverse finding(s) or conclusion(s) from an officially documented investigation or inquiry, regardless of whether command action was taken as a result (reference [paragraph 1.2.7](#)). **(Note:** While some investigations [e.g., Inspector General, Commander Directed or Equal Opportunity investigations] conclude with substantiated or not substantiated findings, investigations conducted by certain authorities, such as Security Forces or the Office of Special Investigations (OSI), neither substantiate nor refute allegations. Consequently, Security Forces and OSI investigations are not considered adverse information. However, command action taken as a result of information presented in an SF or OSI Report of Investigation is considered adverse information and must be filed in the OSR if a letter of admonishment or higher was issued). **(T-0)**

1.2.1.2. Approved court-martial findings of guilt (Court-Martial Orders or Entry of Judgement).

1.2.1.3. Nonjudicial punishment pursuant to Article 15, UCMJ.

1.2.1.4. LORs.

1.2.1.5. LOAs.

1.2.1.6. Notice of Relief of Command (for cause). Sample memorandum provided at [Attachment 9](#). The subject officer will be provided a copy of the Notice of Relief of Command (for cause) memorandum and will be afforded an opportunity to submit written comments in response to the filing of the memorandum in the OSR. **(T-1)** This is a response to the OSR filing and not the adverse action issued to the officer. The memorandum and the officer's comments (if any) will be sent to the Secretary of the Air Force, Office of the Inspector General, Complaints Resolution Directorate (SAF/IGQ), in accordance with DAFI 90-301, *Inspector General Complaints Resolution*, Tables 4.4, 7.1 and 8.2, and to the member's Military Personnel Flight (MPF), Commander's Support Staff (CSS), or equivalent personnel support function for inclusion in the Master Personnel Records Group (MPerRGp) and OSR. **(T-0)**

1.2.1.7. LOC related to a substantiated finding or conclusion from an officially documented investigation or inquiry.

1.2.1.8. Developmental Education Removal (for cause). Sample memorandum of DE removal is provided at [Attachment 10](#), and a sample memorandum of approval of removal from DE designation is provided at [Attachment 11](#). The subject officer will be provided a copy of the DE removal (for cause) memorandum and will be afforded an opportunity to submit written comments in response to the filing of the memorandum in the OSR. **(T-1)** This is a response to the OSR filing and not the adverse action issued to the officer. The memorandum and the officer's comments (if any) will be sent to SAF/IGQ, in accordance with DAFI 90-301, Tables 4.4, 7.1, and 8.2, and to the member's MPF, CSS, or equivalent personnel support function for inclusion in the MPerRGp and OSR. **(T-0)**

1.2.1.9. Notice of Relief of Wing/Delta/Installation Chaplain or Equivalent (for cause). Sample memorandum provided at [Attachment 12](#). The subject officer will be provided a copy of the Notice of Relief of Wing/Delta/Installation Chaplain or Equivalent (for cause) memorandum and will be afforded an opportunity to submit written comments in response to the filing of memorandum in the OSR. **(T-1)** This is a response to the OSR filing and not the adverse action issued to the officer. The memorandum and the officer's comments (if any) will be sent to SAF/IGQ, in accordance with DAFI 90-301, Tables 4.4, 7.1, and 8.2, and to the member's MPF, CSS, or equivalent personnel support function for inclusion in the MPerRGp and OSR. **(T-0)**

1.2.2. LOCs unrelated to a substantiated finding or conclusion from an officially documented investigation or inquiry will not be considered adverse information. **(T-0)** This preserves commanders' ability to administratively document and rehabilitate minor instances of substandard behavior or misconduct without making it a part of the permanent record (also referred to as "standalone" LOCs).

1.2.3. All adverse information as defined by this instruction will be permanently placed in the MPerRGp. **(T-0)** Except for the set aside of a court-martial or nonjudicial punishment, removal of adverse information from the MPerRGp may only be directed pursuant to an Air Force Board for Correction of Military Records (AFBCMR) recommendation. **(T-1)**

1.2.4. Approved court-martial findings of guilt are retained in the OSR permanently unless the findings are overturned on appeal or set aside in their entirety, and the member is not subsequently found guilty at a rehearing or new trial. **(T-0)** If removed from the OSR for this reason, this is not considered adverse information and will not be filed in the MPerRGp. **(T-0)** All other adverse information filed in the OSR will remain in the OSR.

1.2.4.1. For O-6 and below boards and processes. For ten years, except for substantiated conduct, any single act of which, tried by court-martial, could have resulted in the imposition of a punitive discharge and confinement for more than one year. **(T-0)** If the exception is met, the adverse information will remain in the OSR. **(T-0)** Except for the set aside of a court-martial or nonjudicial punishment, earlier removal of adverse information from the OSR may only be directed pursuant to an AFBCMR recommendation. **(T-0)**

1.2.4.2. For general officer promotion boards. For (1) ten years, except for substantiated conduct, any single act of which, tried by court-martial, could have resulted in the imposition of a punitive discharge and confinement for more than one year; or (2) until the United States Senate considers it and confirms the officer. **(T-0)** Except for the set aside of a court-martial or nonjudicial punishment action, earlier removal of adverse information from the OSR may only be directed pursuant to an AFBCMR recommendation. **(T-0)**

1.2.5. The date of command action is used to establish the 10-year time period. **(T-0)**

1.2.5.1. For adverse cases described below in [paragraph 1.2.7](#) for which there is no command action, the date of the substantiated adverse finding(s) or conclusion(s) from the officially documented investigation or inquiry is used to establish the time period. In neither case is the date of the incident used. If the exception in the ten-year rule is met, the adverse information will be retained in the OSR permanently. **(T-0)**

1.2.5.2. Any level of staff judge advocate must provide a separate memorandum articulating whether the officer's adverse information meets or does not meet the exception to the 10-year retention rule as outlined in paragraphs [1.2.4.1](#) and [1.2.4.2](#) for retention beyond 10 years. (T-1) The memorandum will be included with the command action documents submitted to the MPF, CSS, or equivalent personnel support function for inclusion in the MPerRGp. (T-1)

1.2.6. Notwithstanding the 10-year retention rule in [paragraph 1.2.4.1](#), in those instances where an officer had extraordinary adverse information that was not, but should have been reviewed by a promotion selection board, promotion process, or promotion review board prior to the officer's promotion, and the adverse information was subsequently removed from the officer's OSR, the extraordinary adverse information will be provided to a review board, as appropriate, or to the next board or process for consideration. (T-0)

1.2.7. Additional Information Pertinent to Officially Documented Investigations or Inquiries. In the event that an officially documented investigation or inquiry concludes with a substantiated finding and a commander (or equivalent) decides not to issue written command action (e.g., Record of Individual Counseling (RIC), LOC, LOA, LOR, and Non-Judicial Punishment), to include verbal counseling, the findings and the commander's decision must still be documented and filed in the MPerRGp and OSR via a MFR (sample provided at [Attachment 6](#)) and Adverse Information Summary (AIS) (sample provided at [Attachment 7](#)). (T-0)

1.2.7.1. The AIS must include the following: (1) grade and position at time of allegation, (2) summary of what the officer did, (3) investigating agency, (4) findings, (5) date findings approved, (6) command actions taken (e.g., verbal counseling or no command action), and (7) reason for command action (or no command action). (T-0)

1.2.7.2. The subject officer will be provided a copy of the MFR and AIS and will be afforded an opportunity to submit written comments in response to the documents before they are filed in the OSR (see [Chapter 2](#) for response times). (T-0) The MFR, AIS, and written response submitted by the will be sent to SAF/IGQ, in accordance with DAFI 90-301, and to the member's MPF, Commander's Support Staff (CSS), or equivalent personnel support function for inclusion in the MPerRGp and OSR. (T-0)

1.2.8. Historic adverse information issued prior to the date of the implementation of this instruction will be filed in the MPerRGp. (T-0) Subject to the rules in both paragraphs [1.2.4](#) and [1.2.5.1](#), on retention of adverse information in an OSR, select historic adverse information that was issued prior to the date of the implementation of this instruction, will also be filed in the OSR (refer to [Attachment 8](#), [Figure A8.1](#) and [Figure A8.2](#)). (T-0) This direction applies even in those situations in which a commander elected not to file the adverse information in an OSR or where the adverse information was removed from an OSR pursuant to previous guidance. Historic adverse information, not already contained in the MPerRGp or OSR that must now be filed includes each of the following:

1.2.8.1. Field Grade Officer (FGO) Adverse information disposition (reference [Attachment 8](#), [Figure A8.1](#)) where the disposition was assessed when the member was an FGO:

1.2.8.1.1. Nonjudicial punishment pursuant to Article 15, UCMJ. (T-0)

1.2.8.1.2. Adverse information that received significant media attention or is of interest to the Senate Armed Services Committee (Extraordinary Adverse), as provided in DoDI 1320.04, *Military Officer Actions Requiring Presidential, Secretary of Defense, or Under Secretary of Defense for Personnel and Readiness Approval or Senate Confirmation*, Enc. 6, [paragraph 2\(a\)\(2\)\(a\)](#). (T-0)

1.2.8.1.3. Notices of Relief of Command (for cause) issued on or after 1 January 2012. (T-0)

1.2.8.1.4. Substantiated finding(s) or conclusion(s) from an officially documented investigation or inquiry, approved on or after 1 January 2012, where a commander decided not to issue written command action or the command action is not available. (T-0) The current commander of the officer, in cooperation with the officer's commander at the time the substantiated finding was approved, if available, must follow the process in [paragraph 1.2.7](#). (T-0)

1.2.8.1.5. LORs and LOAs issued on or after 1 January 2012. (T-0)

1.2.8.1.6. LOCs issued on or after 1 January 2012 related to a substantiated finding or conclusion from an officially documented investigation or inquiry. (T-0)

1.2.8.1.7. Notices of Developmental Education Removal (for cause) issued on or after 1 January 2012.

1.2.8.2. Company Grade Officer (CGO) adverse information disposition (reference [Attachment 8, Figure A8.2](#)) where the disposition was assessed when the member was a CGO:

1.2.8.2.1. Nonjudicial punishment pursuant to Article 15, UCMJ. (T-0)

1.2.8.2.2. Adverse information that received significant media attention or is of interest to the Senate Armed Services Committee (Extraordinary Adverse), as provided in DoDI 1320.04, Enc. 6, [paragraph 2\(a\)\(2\)\(a\)](#). (T-0)

1.2.8.3. Officers are not required to furnish historic adverse information on themselves. All required historic adverse information will be migrated by the Air Force Personnel Center and the Air Reserve Personnel Center from existing data systems into the Automated Records Management System and made part of the MPerRGp and OSR. (T-0) Adverse information already in the OSR regardless of when issued and received must remain in the OSR, unless removed under the rules in [paragraph 1.2.4](#) (and its subparagraphs). (T-0)

1.2.9. Officers are responsible for ensuring the accuracy of their records prior to meeting any promotion board. Officers who have adverse information as part of their history should check the Personnel Records Display Application to ensure that a full record of the adverse information is in their record, to include the full response, if applicable.

1.2.10. Officers will not receive an additional opportunity to respond to the adverse information or provide information to the board, with the exception of the right to communicate with the promotion board directly via letter. **(T-0)** Officers may elect to write a letter to the board in accordance with DAFI 36-2501, *Officer Promotions and Selective Continuation*; AFI 36-2504, *Officer Promotion; Continuation and Selective Early Removal in the Reserve of the Air Force*; or Air National Guard Instruction (ANGI) 36-2505, *Federal Recognition Examining Boards for Appointment or Promotion in the ANG Below General Officer*, to address adverse information included in the OSR.

1.2.11. Unless otherwise directed, general officers with adverse information not documented in their officer performance report or their OSR will continue to have a Senior Officer Unfavorable Information File (SOUIF) created for consideration by a selection board (guidance on SOUIF is provided in DAFI 90-301).

1.2.12. Removing Officer Adverse Information from the OSR. Following the 10-year disposition period, the AFPC Special Programs office notifies the ARMS program manager for removal of adverse information from an officer's OSR, unless the adverse information meets the exception to the 10-year retention rule as outlined in [paragraph 1.2.4](#) and [paragraph 1.2.5.1](#) for retention beyond 10-years. Chapter 2

ADMINISTRATIVE COUNSELING, ADMONISHMENT, AND REPRIMAND

2.1. Use of Administrative Counselings, Admonishments, and Reprimands. General officers, commanders, first sergeants, supervisors (military or civilian), and other individuals in the member's administrative or operational chain of command can issue administrative actions. This includes issuing administrative counseling, admonishment, and reprimands to Air Reserve Component (ARC) Airmen who commit an offense while in civilian status. In order to ensure consistency, units may utilize locally produced forms as long as the forms contain the same information as that in [Attachment 5](#), have been reviewed by their Office of the Staff Judge Advocate, and have been approved for use by the installation commander.

2.2. Standard of Proof. The Standard of Proof for adverse administrative actions is a "preponderance of the evidence." This standard will be used when evaluating the evidence and every element of the alleged offenses. **(T-1)**

2.2.1. A preponderance of the evidence merely means that it is more likely than not that a fact exists. Preponderance of the evidence is not determined solely by the volume of witnesses or documentary evidence supporting or refuting an allegation. Rather, it is based on the totality of the circumstances, the inherent probability or improbability of the evidence, and a determination as to the weight and significance of the evidence and the credibility of the witnesses.

2.2.2. Consider whether such proof is available before initiating the administrative action. If such proof is lacking, administrative action may be determined legally insufficient and, as a result, could be withdrawn. There is no requirement to prove any allegation beyond a reasonable doubt.

2.3. Verbal Counseling and Records of Individual Counseling. Commanders, first sergeants, supervisors, and other individuals in the member's administrative or operational chain of command will assist Airmen and Guardians in developing skills, attitudes, and behaviors that are consistent with DAF standards. Members of the administrative or operational chain of command will routinely counsel Airmen and Guardians either verbally or in writing. **(T-3)**

2.3.1. Verbal Counseling. A verbal counseling is the lowest level corrective tool. It is not required to formally record this type of counseling unless the issuer finds the Airman or Guardian failed to subsequently follow members of the administrative or operational chain of command's direction.

2.3.2. Record of Individual Counseling (RIC). The DAF Form 174, *Record of Individual Counseling*, is used document a verbal counseling session. It is used to document a record of positive or negative counseling and is useful when completing performance evaluations. It is the least severe form of written administrative actions.

2.3.3. Letter of Counseling (LOC). Administrative censure for violation of standards. The intended outcome of a LOC is to help Airmen and Guardians use good judgment, assume responsibility, understand and maintain standards, and face and solve problems. Generally, this is a form of corrective action appropriate for correcting habits or shortcomings not necessarily criminal or illegal, but which can ultimately affect job performance, work center morale, and discipline.

2.3.4. Letter of Admonishment (LOA). Administrative censure for violation of standards which is more severe than a RIC and LOC. It could be used to document a first offense or address behaviors not corrected through counseling. Do not use it when a reprimand is more appropriate.

2.3.5. Letter of Reprimand (LOR). Administrative censure for violation of standards which is more severe than a RIC, LOC, and LOA and indicates a stronger degree of official censure. It may also be issued when other, less severe methods have failed to correct behavior.

2.3.5.1. For officers only: Only supervisors and members of the officer's current administrative or operational chain of command may issue a LOR to an officer. **(T-1)** If the person who issues the LOR is not the officer's unit commander, the person who issued the reprimand must send it to the administrative unit commander. **(T-1)** The administrative unit commander acknowledges and endorses the DAF Form 1058, establishing the UIF or, if the member has an existing UIF, adds the document to the member's UIF. **(T-1)** Include the member's written acknowledgment and any documents submitted by the member in response to the administrative action taken. **(T-2)** See [paragraph 1.2](#) and [Attachment 8](#) for filing adverse in the OSR.

2.3.5.2. The DAF Form 1058 does not need to be referred to the officer for a response because LORs for officers are mandatory UIF filings. The DAF Form 1058 is used only to obtain the commander's acknowledgment of the action (for LOR administered by personnel other than the commander) and to refer the LOR for file in the UIF. The LOR will also be filed in the MPerRGp and OSR. **(T-0)**

2.4. Administering Records of Individual Counseling, Letters of Counseling, Letters of Admonishment, or Letters of Reprimand.

2.4.1. For enlisted Airmen and Guardians: Issuing authorities, especially first-time supervisors, are encouraged to seek assistance from the supervisory chain, senior enlisted leader, first sergeant, and/or legal office prior to administering RICs, LOCs, LOAs, or LORs to the member.

2.4.2. Document a counseling, admonishment, or reprimand in writing. **(T-1)** Ensure each document includes:

2.4.2.1. The reasons for the action, including what the member did or failed to do, citing specific incidents and their dates. **(T-3)**. While citation to a specific Uniform Code of Military Justice or Air Force Instruction violation may provide clarity, it is not required.

2.4.2.2. Identify expected improvements to member, if appropriate.

2.4.2.3. Inform member that further deviation may result in more severe action. **(T-3)**

2.4.2.4. USSF, RegAF, Active Guard and Reserve (AGR), ARC statutory tour members, and ANG members in Title 10 active duty status will be allocated 3 duty days (current date plus 3 duty days) to acknowledge the intended actions and provide pertinent information before the issuing authority makes the final decision on the administrative action. **(T-2)** ARC members not in an active duty status, who depart the duty area prior to the 3 duty days allowed for acknowledging intended actions, have 45 calendar days from the date of receipt to acknowledge the intended actions and provide pertinent information before the issuing authority makes the final decision. **(T-2)** In calculating the time to respond, the date

of receipt is not counted, and if the individual mails their acknowledgment, the date of the postmark on the envelope will serve as the date of acknowledgment. **(T-1)** The individual is presumed to be in receipt of official correspondence if it is delivered by certified mail to the individual's address or best available address. When personal delivery is not feasible, send by encrypted electronic mail to the member. An electronic receipt confirming delivery is included with the file. If an electronic mail address is not available, send to the member's last known address by registered or certified mail. See [Attachment 5](#) for the recommended format and required statements.

2.4.2.5. The member's written response will become part of the record. **(T-0)**

2.4.2.6. LOCs, LOAs, and LORs will include and list as attachments: relevant statements, portions of investigations, reports, and other documents that serve, in part or in whole, as the basis for the letter. **(T-2)** Redact Privacy Act material and Personally Identifiable Information and mark, "Controlled Unclassified Information." **(T-1)**

2.4.2.6.1. Documents released from investigations, reports, etc., should be accompanied by a cover memorandum indicating that the documents are "Controlled Unclassified Information" and specify any handling requirements (see [Attachment 4](#) for a sample memorandum). The issuer of a LOC, LOA, or LOR is not required to create statements or other documentary evidence that does not exist otherwise to support the basis of an adverse administrative action.

2.4.2.6.2. Documents should not be released to the member without authorization from the issuing authority. Release approval should be obtained before the letter is issued. When impractical to obtain release before the letter is issued, obtain such approval as soon as possible after service of the letter on the member but do not release the documents until approval is received.

2.4.2.7. Individual counseling sessions documented on DAF Form 174 do not require the issuer to provide the member written statements or other documentary evidence. However, the issuing authority may include such documents, if relevant.

2.4.3. The LOC, LOA, or LOR issuing authority, after considering any comments submitted by the individual, must inform the member within 3 duty days of their decision as to the final disposition of the action. **(T-2)** For ARC members not in an active duty status, the issuing authority has 45 calendar days from the date of personal delivery or date of receipt of the certified letter to reply to the member (see [Attachment 5](#) for a sample administrative letter).

2.4.4. Contents of Record. The record of the action consists of the finalized LOC, LOA, or LOR and written response thereto submitted by the member and/or the member's defense counsel. Additional materials submitted by the member in mitigation, extenuation, or defense are not part of the record. Evidence and any other written materials considered as a basis for imposing the administrative letter are not part of the record. **(T-1)**

2.4.5. Actions After Administering a RIC, LOC, LOA, or LOR.

2.4.5.1. The RIC, LOC, LOA, LOR issuing authority must send the finalized record to the member's commander or superiors for information, action, or for their approval to file in the member's UIF and PIF. (T-1) For officers, adverse information must be placed in the OSR in accordance with [paragraph 1.2](#) and [Attachment 8](#). (T-0) When forwarding the action to the member's commander, include the member's written acknowledgment and any documents submitted by the member; however, as provided in [paragraph 2.4.4](#), only the original action and the member's and/or member's defense counsel's written response will become part of the record. (T-1) For officers, LORs must be filed in the UIF, and any RICs, LOCs, or LOAs not filed in the UIF must be filed in the officer's PIF. (T-2) LOCs related to a substantiated finding or conclusion from an officially documented investigation or inquiry, LOAs, and LORs, must be filed in the officer's MPerRGp and OSR in accordance with [paragraph 1.2](#) and [Attachment 8](#). (T-0).

2.4.5.2. The issuing authorities for LOCs, LOAs, or LORs for a general officer or general officer select will forward the original document and attachments to Air Force General Officer Management (AF/A1LG), AFR Senior Leader Management (AF/REG) or the National Guard Bureau Senior Leader Management Office (NGB-SL) for distribution, as appropriate, to the member's commander. (T-1)

2.4.5.3. See DAFI 90-301 for processing requirements associated with command actions taken against officers.

2.4.6. Rescinding RIC, LOC, LOA, or LOR documents contained in a PIF or a UIF. Subject to the criteria in [paragraph 2.4.6.1](#) and limitations in [paragraph 2.4.6.2](#) and [paragraph 2.4.6.3](#), the individuals listed in [paragraph 2.1](#) and [paragraph 4.4.1](#) through [paragraph 4.4.6](#) of this instruction, if equal to or senior in grade to the initial imposing authority, may rescind RICs, LOCs, LOAs or LORs upon those individuals own initiative or upon a request from the member if the member is within their command. For example, if an E-7 issues a LOR to a subordinate E-3, the E-3 petitions the squadron commander to rescind the LOR.

2.4.6.1. These individuals may rescind RICs, LOCs, LOAs, or LORs only in the following circumstances:

2.4.6.1.1. In the rare situation in which new evidence shows, by a preponderance of the evidence, that the member did not commit the act underlying the original administrative action;

2.4.6.1.2. If the issuing authority issued the administrative action in a way that violated the member's due process rights; or

2.4.6.1.3. If the appropriate authority determines more or less severe action is warranted.

2.4.6.2. RICs, LOCs, LOAs, or LORs contained in UIFs.

2.4.6.2.1. For enlisted, the member's current unit commander or individuals listed in paragraphs [2.1](#) and [4.4.1](#) through [4.4.6](#) in the current chain of command and equal or senior in grade to the initial imposing authority, may rescind RICs, LOCs, LOAs, or LORs in the member's UIF.

- 2.4.6.2.2. For officers, the member's current wing/delta commander, or individuals listed in [paragraph 2.1](#) and [paragraph 4.4.1](#) through [paragraph 4.4.6](#) in the current chain of command and equal or senior in grade to the initial imposing authority, may rescind RICs and standalone LOCs (see [paragraph 1.2.2](#)) contained in the officer's UIF. **(T-1)** Only the AFBCMR may rescind LOAs and LORs contained in the officer's UIF. **(T-1)**
- 2.4.6.3. RICs, LOCs, LOAs, or LORs contained in PIFs.
- 2.4.6.3.1. For enlisted, the member's current unit commander or individuals listed in [paragraph 2.1](#) and [paragraph 4.4.1](#) through [paragraph 4.4.6](#) in the current chain of command and equal or senior in grade to the initial imposing authority, may rescind RICs, LOCs, LOAs, or LORs in the member's PIF.
- 2.4.6.3.2. For officers, the member's current unit commander, or individuals listed in [paragraph 2.1](#) and [paragraph 4.4.1](#) through [paragraph 4.4.6](#) in the current chain of command and equal or senior in grade to the initial imposing authority, may rescind RICs and standalone LOCs (see [paragraph 1.2.2](#)) contained in the officer's PIF. **(T-1)** Only the AFBCMR may rescind LOAs and LORs contained in the officer's PIF. **(T-1)**
- 2.4.6.3.3. Rescinding a RIC, LOC, LOA, or LOR removes the rescinded action from the UIF or PIF. However, it does not automatically remove it from historical documents or actions collaterally impacted by the rescinded document, such as a referral Officer or Enlisted Performance Report or promotion withhold. Airmen and Guardians seeking relief from the collateral consequences of a later-rescinded administrative action must apply to the appropriate forum, to include, for example, the AFBCMR. **(T-1)**
- 2.4.6.3.4. For officers only, if previously reported, commanders or civilian equivalents must report rescission of such documents to SAF/IGQ or Secretary of the Air Force, Office of the Inspector General, Senior Official Inquiries (SAF/IGS). **(T-1)** **For ANG only:** If a member in Title 10 status receives an adverse administrative action while on Title 10 orders from a Title 10 superior, and then returns to Title 32 status, the member's Title 32 superior with authority to rescind any adverse action may not do so without coordinating the action with the imposing Title 10 commander and sending the proper rescission to the 201st Mission Support Squadron. **(T-1)**
- 2.4.6.4. RICs, LOCs, LOAs, or LORs no longer contained in a PIF or UIF. Records contained in other Department of the Air Force records systems, not a unit PIF or UIF (e.g., MPerRGp, OSR, SOUIF), may not be rescinded by a commander or civilian director. Members, who believe they have suffered an error or injustice, may apply to the AFBCMR to have their records of RICs, LOCs, LOAs, or LORs removed from other Department of the Air Force records systems.

Chapter 3

UNFAVORABLE INFORMATION FILE (UIF)

3.1. UIF Authorities to Establish, Destroy or Remove. UIFs may be established, destroyed, or removed by the following individuals:

3.1.1. Commanders and equivalent civilian directors at all levels. Commanders must be on G-series orders and senior to the member. **(T-1)**

3.1.2. The commander, deputy commander, staff director and directors at MAJCOM/FLDCOM or MAJCOM/FLDCOM commander directed designee, field operating agencies, and direct reporting units and The Adjutant General (TAG), Commanding General, or directed designee at the applicable State, District, or Territory Headquarters for Title 32 members.

3.1.3. Chief of Staff, Chief of Space Operations, Vice Chief of Staff, Vice Chief of Space Operations, Assistant Vice Chief of Staff, Space Force Director of Staff, deputy chiefs of staff, deputy chiefs of space operations, assistant chiefs of staff, assistant chiefs of space operations, other heads, and directors (military or civilian) of deputy chiefs of staff and chiefs of space operations or other staff agencies.

3.1.4. Civilian leaders and military officers in positions comparable to those listed in [paragraph 3.1.3](#) within the Office of the Secretary of the Air Force (SAF), Office of the Joint Chiefs of Staff, and Office of the Secretary of Defense.

3.1.5. The senior Air Force or Space Force officer assigned to a joint command.

3.1.6. The HQ RIO Detachment Commanders for Civil Air Patrol Reserve Assistance Program and the Admissions Liaison Officer Program.

3.1.7. When a commander in a joint command, assigned to a different service, imposes nonjudicial punishment on an Air Force or Space Force enlisted member, the senior Air Force or Space Force officer or commander must decide whether to establish a UIF (see AFI 51-202, *Nonjudicial Punishment*). **(T-1)**

3.1.7.1. If the senior Air Force or Space Force officer or commander of the enlisted member's element is not available or is junior to the commander who imposed the punishment, the General Court-Martial Convening Authority of the Air Force or Space Force host command decides whether to establish a UIF.

3.1.7.2. If the Air Force or Space Force host command does not have a General Court-Martial Convening Authority who is senior to the commander who imposed punishment, the Air Force or Space Force host command's MAJCOM/FLDCOM commander will designate an Air Force or Space Force General Court-Martial Convening Authority senior to the commander who imposed punishment to decide whether to establish a UIF. **(T-1)**

3.2. Initiating a UIF. The appropriate UIF authority initiates a UIF by referring applicable documents to the member using a DAF Form 1058. **(T-1)**

3.2.1. Officer UIFs. Optional documents (LOA and LOC) for officers are referred to the offending member with a DAF Form 1058 before establishing a UIF. For mandatory documents (Article 15s, LOR, court-martial or civilian court convictions), the DAF Form 1058 does not need to be referred to the officer for a response. Should a member be issued an AF Form 3070C, *Record of Nonjudicial Punishment Proceedings (Officer)*, (for ANG use AF Form 3070D, *Record of Nonjudicial Punishment Proceedings (Officer) – Air National Guard Only*) then a DAF Form 1058 is not required because the UIF is established with the AF Form 3070C/E alone.

3.2.2. Enlisted UIFs. The appropriate UIF authority refers optional documents (LOAs, LOCs, or LORs) to the offending member using a DAF Form 1058 before establishing a UIF. Do not use a DAF Form 1058 if an optional Article 15 is filed in the UIF. For mandatory documents (Article 15s with punishment exceeding 1 month [31 days or more], court-martial or civilian court convictions) the DAF Form 1058 does not need to be referred to the enlisted member for a response. If a member is issued an AF Form 3070A, *Record of Nonjudicial Punishment Proceedings (AB thru SSgt)*/AF Form 3070B, *Record on Nonjudicial Punishment Proceedings (TSgt thru CMSgt)*, then a DAF Form 1058 is not required because the UIF is established with the AF Form 3070A/B/D alone. **Note:** DAFI 36-2608, *Military Personnel Records Systems*, provides procedures for Senior Noncommissioned Officer Selection Record determinations for enlisted members who receive an LOR.

3.2.3. Notifying ARC Members Not in a Duty Status of UIF action. The appropriate UIF authority may refer documents they intend to file in the UIF to the member in person or by certified letter. When personal delivery is not feasible, send by encrypted electronic mail to the member. An electronic receipt confirming delivery is included with the file. If an electronic mail address is not available, send to the member's last known address by registered or certified mail.

3.2.4. Members will be allocated 3 duty days to acknowledge the intended actions and provide pertinent information before the commander makes the final decision on placing optional documents in the UIF. **(T-1)** ARC members not in active duty status, who depart the duty area prior to the 3 duty days allowed for acknowledging intended actions, will have 45 calendar days from the date of receipt to acknowledge the notification, intended actions, and provide pertinent information before the issuing authority makes the final decision. **(T-1)** In calculating the time to respond, the date of receipt is not counted, and if the individual mails their acknowledgment, the date of the postmark on the envelope will serve as the date of acknowledgment. **(T-1)** The individual is presumed to be in receipt of official correspondence if it is delivered by certified mail to the individual's address or the address included in Defense Enrollment Eligibility Reporting System. **(T-1)** If delivered by encrypted electronic mail to the member, receipt is presumed upon sender receipt confirming delivery.

3.2.4.1. The commander ensures the Airman or Guardian is notified of the final decision. **(T-1)** For ARC members not in a duty status, this may be accomplished in person or by certified mail. When personal delivery is not feasible, send by encrypted electronic mail to the member. An electronic receipt confirming delivery is included with the file. If an electronic mail address is not available, send to the member's last known address by registered or certified mail.

3.2.4.2. The commander forwards copies of adverse administrative actions, LORs, DAF Forms 1137, *Unfavorable Information File Summary*, and DAF Form 1058:

3.2.4.2.1. For USSF and RegAF general officers and general officer selects to the Air Force or Space Force General Officer Management (SF/S1LG or AF/A1LG) at SF/S1LG or AF/A1LG, 1040 Air Force Pentagon, Washington, DC 20330-1140. **(T-1)**

3.2.4.2.2. For USSF and RegAF colonels and colonel selects to the Air Force or Space Force Colonel Management Office (SF/S1LO or AF/A1LO) at SF/S1LO or AF/A1LO, 1040 Air Force Pentagon, Washington, DC 20330-1140. **(T-1)**

3.2.4.2.3. For USSF and RegAF chief master sergeants (CMSgts) and CMSgt selects to the Chief Master Sergeant Management Office (SF/S1LE or AF/A1LE) at SF/S1LE or AF/A1LE, 1040 Air Force Pentagon, Washington, DC 20330-1140. **(T-1)**

3.2.4.2.4. For AFR general officers and general officer selects to AF/REG, 1150 Air Force Pentagon, Washington, DC 20330-1150. **(T-1)**

3.2.4.2.5. For AFR colonels and colonel selects to AF/REG, 1150 Air Force Pentagon, Washington, DC 20330-1150. **(T-1)**

3.2.4.2.6. For AFR CMSgts and CMSgt selects to AF/REG Senior Enlisted Management, 1150 Air Force Pentagon, Washington, DC 20330-1150. **(T-1)**

3.2.4.2.7. For ANG general officers and colonels with or pending a certificate of eligibility, send to NGB-SL, 111 South George Mason Drive, Arlington, VA 22204-1373. **(T-1)**

3.2.4.2.8. For ANG statutory tour members, send to the National Guard Bureau Human Resources Office (NGB/HR), 3501 Fetchet Ave, Joint Base Andrews, MD 20762-5157. **(T-1)**

3.2.4.2.9. For ANG members route documents to the applicable CSS or servicing FSS. **(T-1)**

3.2.4.3. For general officers and general officer selects. A commander's decision to place adverse information in a UIF is unrelated to the SAF's decision to place this information in a SOUIF. Commanders will forward copies of all adverse information to Secretary of the Air Force, Office of the Inspector General (SAF/IG), 1140 Air Force Pentagon, Washington D.C. 20330, in accordance with DAFI 90-301. See [paragraph 3.11](#).

3.2.4.4. For officers in the grade of colonel and below: Send a copy of the initial and updated DAF Form 1137 to the officer's servicing and gaining MAJCOM/FLDCOM. Consult with the servicing Staff Judge Advocate to determine if the information should be forwarded to SAF/IGQ in accordance with DAFI 90-301.

3.2.4.5. For all Individual Reservists, send a copy of the initial and any updated DAF Forms 1058 to the HQ RIO Detachment and Air Reserve Personnel Center, Total Force Services – Directorate of Personnel & Total Force Services (ARPC/DPT).

3.2.4.6. For Air Force Reservists in Personnel Accounting Symbol (PAS) S7XXXXXX (Non-participating, Stand-by and Inactive AFR status), send a copy of the initial and any updated DAF Forms 1058 to Air Reserve Personnel Center, Reserve Services Program, Directorate of Assignments, Reserve Service Programs (ARPC/DPAMR).

3.3. Processing Actions in Establishing or Maintaining a UIF.

3.3.1. The Adverse Administrative Actions Manager will receive documents from the unit commander, base Staff Judge Advocate, Equal Opportunity Director or substance abuse clinic. (T-1) Some documents require mandatory establishment of a UIF while others are at the commander's discretion. Refer to [Table 3.2](#) to determine whether the UIF establishing authority is required to file the following documents in the member's UIF or whether filing the documents in the UIF is optional. If not already established, create a UIF folder and a DAF Form 1137. Then, refer the documents to the servicing Office of the Staff Judge Advocate for a legal review (see [Attachment 3](#)). (T-1)

3.3.2. The commander ensures the UIF contains only substantiated unfavorable information about events that occurred. The Commander, Air Reserve Personnel Center (ARPC/CC) will be the establishing authority for Reservists in PAS S7XXXXXX (Non-participating, Stand-by and Inactive AFR status). (T-1)

3.3.3. If the UIF establishing authority decides not to file an administrative action in a UIF when issued, the UIF establishing authority may elect to file the administrative action in a UIF within 6 months of issuing the action. Within the six-month window, the UIF establishing authority may file the administrative action in an existing UIF, or in a newly established UIF. The decision must be properly documented in accordance with [paragraph 3.3.1](#) of this instruction. (T-1)

3.3.4. Mark the UIF folder with the individual's name on the front and CONTROLLED UNCLASSIFIED INFORMATION on the front and back. (T-2)

3.3.5. If the member is performing or selected for assignment to Personnel Reliability Program duties or is a student attending a Personnel Reliability Program-related course as defined by Department of Defense Manual (DoDM) 5210.42_Air Force Manual (AFMAN) 13-501, *Nuclear Weapons Personnel Reliability Program*, mark the folder in the upper right hand corner reflecting the member's assignment to Personnel Reliability Program. The Personnel Reliability Program marking must be visible when the folder is closed and filed. (T-2)

3.3.6. Prepare a DAF Form 1137 for each UIF summarizing the incident, the disposition date, the commander's evaluation of the incident, and what administrative action was taken. Be specific. Ensure the commander, First Sergeant, or Unit Adverse Administrative Actions Manager sign each entry on the DAF Form 1137. (T-1)

3.3.7. Remove the DAF Form 1137 entry when a portion of the supporting documents are removed, as appropriate; the original DAF Form 1137 remains in the UIF. (T-1)

3.3.8. Coordinate and distribute the DAF Form 1137 as appropriate. When distributing a DAF Form 1137 for an Individual Reservist, forward one copy to the HQ RIO Detachment. For ANG members, distribute to the Military Personnel Management Office at the appropriate State Headquarters (see [Table 3.3](#)). (T-1)

3.3.9. Update MilPDS in accordance with [Table 3.2](#) when a commander establishes a UIF or adds or removes documents from a member's UIF. (T-1)

3.3.10. File any documents provided by the Airman or Guardian in response to an administrative action in the UIF. See [paragraph 2.4.4](#) for contents of a record. Article 15 supporting documentation, such as evidence or other written materials (with exception of the member's response to the Article 15 action) considered as a basis for imposing punishment; vacating a suspended punishment; or submitted by the member in mitigation, extenuation, defense or an appeal is not part of the record. **(T-1)** File these materials at the servicing Office of the Staff Judge Advocate of the commander who initiated the Article 15 as attachments to that office's copy of the action. **(T-1)**

3.4. Removal of UIFs.

3.4.1. The UIF and all of its contents are maintained until the final disposition date unless early removal of the UIF or document(s) is clearly warranted. UIF establishing authorities initiate removal action via DAF Form 1058 or memorandum, and notify the member. An officer's current wing or delta commander (or equivalent), or UIF establishing authority (if still in the member's chain-of-command), whichever is higher, may remove a UIF or individual entries. For enlisted members, the unit commander (or civilian equivalent) or higher authority may remove a UIF or individual entries.

3.4.2. UIF establishing authorities may initiate early removal action for adverse administrative actions in the following circumstances:

3.4.2.1. When nonjudicial punishment under Article 15 is set aside or a civilian conviction is overturned.

3.4.2.2. When the UIF establishing authority, after consulting with the servicing Staff Judge Advocate and reviewing the member's rebuttal, determines by a preponderance of the evidence that an enlisted member did not commit the offense listed in LOC, LOA, or LOR or the officer member did not commit the offense in a RIC or standalone LOC.

3.4.2.3. Upon completion of punishment resulting from a court-martial or Article 15. For courts-martial, only the court-martial convening authority may remove documents early. **(T-2)**

3.4.2.4. Officer UIFs may be removed early if the following document(s) used to establish the UIF are removed:

3.4.2.4.1. Court-Martial Order or Entry of Judgement. The removal authority is the member's current wing or delta commander (or equivalent) or convening authority, whichever is higher, and the punishment must be completed prior to early removal. **(T-1)**

3.4.2.4.2. Article 15. The removal authority is the member's current wing or delta commander (or equivalent) or imposing commander, whichever is higher, and the punishment must be completed prior to early removal. **(T-1)**

3.4.2.4.3. LOC, LOA, LOR, or control roster placement. The removal authority is the member's current wing or delta commander (or equivalent) or issuing authority, whichever is higher. **(T-1)**

3.4.2.4.4. UIF removal procedures outlined for officers in [paragraph 3.4.2.4](#) through [paragraph 3.4.2.4.3](#) do not affect items required to be placed in the officer selection record required by law. **(T-0)**

3.4.3. Early removal of all other UIF entries. Early removal is discretionary with the UIF establishing authority. Wing commanders, delta commanders, or issuing authorities can no longer direct removal of derogatory data from the OSR as previously permissible in this instruction and DAFI 36-2608. **(T-0)**

3.4.4. To remove the UIF or UIF documents prior to the final disposition date:

3.4.4.1. Destroy the UIF or UIF document and update MilPDS.

3.4.4.2. Sanitize the DAF Form 1137 by redacting, erasing, whiting or blacking out comments pertaining to the removed document. For Individual Reservists, forward a copy of DAF Form 1137 to the HQ RIO Detachment.

3.4.4.3. Coordinate the updated DAF Form 1137 in accordance with [Table 3.3](#) when other documents remain in the UIF.

3.4.4.4. File DAF Form 1058 in the digital file plan if no further documents exist in the UIF. Send a copy of the DAF Form 1058 to:

3.4.4.4.1. SF/S1LG (USSF) or AF/A1LG (RegAF) for general officers and general officer selects.

3.4.4.4.2. SF/S1LO (USSF) or AF/A1LO (RegAF) for colonels and colonel selects.

3.4.4.4.3. SF/S1LE (USSF) or AF/A1LE (RegAF) for CMSgts and CMSgt selects.

3.4.4.4.4. AF/REG for AFR general officers, colonels, and colonel selects.

3.4.4.4.5. AF/REG, Senior Enlisted Management, for AFR CMSgts and CMSgt selects.

3.4.4.4.6. The member's servicing FSS for Non-Extended Active Duty members.

3.4.4.4.7. ARPC/DPT for all Individual Reservists Lt Col and below.

3.4.4.4.8. NGB-SL for ANG general officers and colonels with or pending a certificate of eligibility.

3.4.4.4.9. NGB/HR for ANG statutory tour members.

3.4.4.5. For Reservists in PAS S7XXXXXX (non-participating, stand-by and inactive AFR status), send a copy of the DAF Form 1058 and adjusted DAF Form 1137 to ARPC/DPAMR.

3.4.4.6. For ANG Drill Status Guardsmen, send a copy of the DAF Form 1058 and adjusted DAF Form 1137 to the member's servicing FSS.

3.4.5. UIF establishing authorities are prohibited from removing any documents or adjusting disposition dates for Article 15 actions or courts-martial before punishment, sentence, judgment, or action is complete (For example: If an Article 15 punishment calls for 45 days extra duty or the punishment is suspended for 5 months, the Article 15 cannot be removed from an individual's UIF until the 45 days extra duty is performed or the suspension is complete or remitted). **(T-0)**

3.5. Transferring and Disposing of UIFs. When releasing UIF information through the mail do not use Standard Forms 65B or 65C, *U.S. Government Messenger Envelopes*. The Adverse Administrative Actions Manager marks the front and back of the envelope containing UIF information CONTROLLED UNCLASSIFIED INFORMATION. (T-1)

3.5.1. See [Table 3.3](#) for when and how to dispose of UIFs. Unexpired UIFs are transferred between the USSF, RegAF, ANG, and AFR components on all personnel (officer and enlisted) separating or transferring between the USSF, RegAF, AFR, or ANG member.

3.5.2. For Temporary Duty (TDY) en route to a Permanent Change of Station (PCS). The TDY commander sends a completed copy of DAF Forms 1058 and 1137 and the individual's PCS special orders to the gaining MPF after each UIF entry. If the individual's eligibility or suitability for the pending assignment is in doubt, the gaining commander contacts the MPF for guidance. If the individual is on TDY and will return to their permanent unit, the TDY commander sends the completed package to the individual's unit commander.

3.5.3. If the individual is absent without leave or in deserter status before or on the UIF expiration date, the UIF establishing authority notifies the Adverse Administrative Actions Manager in writing of the individual's status. The notification letter serves as a source document for MilPDS update. The Adverse Administrative Actions Manager retains the UIF and updates the UIF disposition date to "8 Aug 3888" (indefinite). Do not annotate the DAF Form 1137 (see [Table 3.3](#)). If the individual returns from Absent Without Leave or deserter status, the unit commander advises the Adverse Administrative Actions Manager to destroy the UIF or establishes a new UIF disposition date. This date is no more than 3 months from the date the commander signs the UIF notice advising the Adverse Administrative Actions Manager of the member's change in status. If a document is added to the UIF before the end of the 3 months, the UIF disposition date is extended. If a document is not added, the UIF is destroyed at the end of the 3 months. See [Table 3.3](#). (T-1)

3.5.4. The Adverse Administrative Actions Manager maintains the UIF for members in dropped-from-rolls status (see [Attachment 1](#)). When the UIF expires, the manager annotates the DAF Form 1137 to show the date the member entered dropped-from-rolls status, has it signed by the commander, and forwards it to the MPF. If the member is returned to duty at a later date, the unit commander advises the Adverse Administrative Actions Manager to destroy the UIF or establishes a new UIF disposition date. This date is no more than 3 months from the date the commander signs the UIF notice advising the Adverse Administrative Actions Manager of the member's change in status. If documentation of adverse action is added to the UIF before the end of the 3 months, the UIF disposition date is extended. If no other documents are added, the file is destroyed at the end of the 3 months. See [Table 3.3](#). (T-1)

3.6. Updating UIF Documents.

3.6.1. The Unit Adverse Administrative Actions Manager will update UIF codes 1, 2, and 3 in MilPDS. (T-1)

3.6.2. The MPF will manage the adverse administrative actions for units without a CSS. (T-1)

3.7. Accessing UIFs.

3.7.1. The Adverse Administrative Actions Manager ensures access to UIFs is limited to:

3.7.1.1. The member who has the UIF.

3.7.1.2. Individuals listed in [paragraph 3.1](#) reviewing UIFs on personnel assigned or attached to their command.

3.7.1.3. First Sergeants reviewing UIFs on enlisted members assigned or attached to their units.

3.7.1.4. Performance report rating officials, when preparing to write or endorse an Officer or Enlisted Performance Report, Promotion Recommendation Form, or recommending an enlisted member for reenlistment.

3.7.1.6. The Air Force or Space Force element section commander in a joint command reviewing UIFs on enlisted personnel. The section commander must have written approval from the senior Air Force or Space Force officer or commander of the element to review UIFs on the element's officers. **(T-3)**

3.7.1.7. MPF personnel, inspector general, inspection team members, judge advocates, paralegals, Office of Special Investigations personnel, Security Forces, other investigators, Military Equal Opportunity personnel, and substance abuse counselors in the course of their official Air Force duties. These personnel must obtain authorization from the member's commander prior to accessing the UIF; this includes the legal office performing the annual review as stated in [paragraph 1.3.9](#). **(T-3)**

3.7.1.8. HQ RIO Detachment Commander for AFR Individual Reservists.

3.7.1.9. NGB/HR and the RegAF servicing FSS for ANG statutory tour members, NGB-SL for general officers and colonels with or pending a certificate of eligibility, and servicing FSS for all other ANG members.

3.7.2. SF/S1LG or AF/A1LG will resolve questions regarding access to UIFs on USSF or RegAF general officers and general officer selects. **(T-2)**

3.7.3. NGB-SL will resolve questions regarding access to UIFs on ANG general officers and colonels with or pending a certificate of eligibility. **(T-2)**

3.7.4. AF/REG will resolve questions regarding access to UIFs on AFR general officers, colonels in general officer billets, and colonels. **(T-2)**

3.7.5. AF/REG, Senior Enlisted Management will resolve questions regarding access to UIFs on AFR CMSgts and CMSgt selects. **(T-2)**

3.8. Reviewing UIFs.

3.8.1. At a minimum, unit commanders, senior Air Force or Space Force officers or commanders of an Air Force or Space Force element in a joint command, will review all UIFs under their authority within 90 calendar days of their permanent assumption or appointment to command. **(T-2)** The commander will sign the review (see [Attachment 3](#)). **(T-2)** Geographically Separated Unit commanders use a computer listing of UIFs to acknowledge existence of UIFs. After the review is complete, the Geographically Separated Unit commander signs the list and files it in the general correspondence file. **(T-2)**

3.8.2. Review when individuals are considered for promotion, reenlistment, permanent change of station and/or assignment, retraining, reclassification, selective continuation or reenlistment, Personnel Reliability Program, or a specified period of time contract.

3.8.2.1. Review prior to completion of performance reports. **Note:** When an officer is convicted by a court-martial, comments are mandatory on the next Officer Performance Report (the Officer Performance Report must be a Referral Report) and the next Promotion Recommendation Form for below and in-the-promotion-zone consideration. **(T-1)** Comments on Officer Performance Reports and Enlisted Performance Reports relating to Article 15 punishment and control roster actions are strongly recommended for officers and senior non-commissioned officers, and must be considered in all cases. **(T-1)**

3.8.2.2. AFR or ANG: Review when considering applications for in-residence developmental education or short courses and all AFR assignments.

3.8.2.3. AFR or ANG: Review when considering a statutory tour assignment, AGR assignment, or when a member is being considered for an active duty tour exceeding 30 calendar days.

3.8.2.4. Review when considering an appointment or enlistment in a different component of the Air Force or Space Force.

3.9. Commander's Management Roster. Listings of personnel assigned within the unit possessing a quality indicator (e.g., UIF, control roster, Article 15). It also lists personnel possessing Enlisted Performance Report ratings which might indicate observation of their performance is warranted. The rosters can be retrieved for USSF or RegAF members from the Base Level Service Delivery Module dashboard and no certification or suspense of either roster is required. For ANG members, FSSs can utilize Command Human Resources Intelligence System or Oracle Business Intelligence Enterprise Edition® to retrieve pertinent listings. All entries should be reviewed to ensure appropriate action was taken. This includes determining appropriateness of an upcoming promotion, qualification for Personnel Reliability Program duties, assignment, reenlistment, etc., some of which are identified under the "projected for" area.

3.10. Making Recommendations to the Commander. The adverse action issuing authority (when not the commander or director), the Office of the Staff Judge Advocate, or the MPF Chief may recommend action to the commander. Use the DAF Form 1058 or memorandum and file it in the individual's UIF along with the commander's reply. DAF Form 1137 is not required to be annotated.

3.11. UIFs on General Officers and General Officer Selects. SF/S1LG, AF/A1LG, AF/REG and NGB-SL function as the sole Adverse Administrative Actions Manager and repository and maintain the original UIF. Copies of general officer and general officer select UIFs will not be maintained at or by any organization other than SF/S1LG for USSF officers, AF/A1LG for RegAF officers, AF/REG for AFR officers, or NGB-SL for ANG officers. **(T-1)** UIF information will not be updated in MilPDS for general officer or general officer selects. **(T-1)**

File the Memorandum For Record in the UIF with the DAF Form 1058.

8. If it is not mandatory to establish a UIF, the UIF establishing authority still has the discretion and authority to establish a UIF with the instrument or record in question.

Note:

1. This is a DAF Form 1137 annotation only. Commanders do not have to maintain documentation in the UIF.
2. The data system generates a transmittal notice for the DAF Form 1137 before the Report No Later than Date when a member's end assignment changes, and on short-notice assignments if the member is within 120 days of Report No Later than Date. When a member's end assignment changes or is canceled, MilPDS generates a Transaction Register remark, and the gaining unit destroys the advance copies of the DAF Form 1137.
3. Keep a copy of the advance transmittal notice in the UIF folder until mailed. Destroy it afterwards.
4. If the member is projected for a Personnel Reliability Program position, coordinate UIFs on gains with the unit Personnel Reliability Program monitor.
5. File retained transmittal notices in the general correspondence file.

For a member reassigned as a prisoner (confinement) with or without discharge because of a court-martial conviction, the Adverse Administrative Actions Manager records the court-martial conviction on DAF Form 1137 and includes it in the UIF before forwarding the UIF to the Personnel Employment Element. For ANG only: the UIF will not be forwarded as the servicing FSS retains the UIF. (T-1)</p> <p>10.3. Delays forwarding and takes timely follow-up action pending receipt of the court-martial conviction and then gives the MPF the UIF for placement in Personnel Records Display Application.</p> <p>11. Does not apply to the AFR.</p>				

Chapter 4

CONTROL ROSTER

4.1. Who Uses the Control Roster. Commanders (or civilian equivalents) use the control roster to establish a six-month observation period. AFRC, ARPC, HQ RIO, or TAG may establish longer observation periods, not to exceed twelve-months, for Reserve and Guard personnel, if deemed appropriate.

4.2. Use of a Control Roster. Consideration should be given to prior incidents, acts, failures, counseling, and rehabilitative efforts. A brief incident of substandard performance or an isolated breach of standards, not likely to be repeated, should not usually result in an individual's placement on the control roster. UIF establishing authorities inform members on the control roster their performance and behavior must improve or they may face more severe administrative action or punishment. **(T-1)**

4.2.1. Commanders may direct an Officer Performance Report or Enlisted Performance Report before entering or removing an individual from the control roster. The UIF establishing authority must periodically counsel personnel on the control roster about their improvement or failure to improve. **(T-2)**

4.2.2. When placing an officer on the control roster who is eligible or selected for promotion, or a selective continuation appointment, a commander must decide if the officer is mentally, physically, morally, and professionally qualified to assume the higher grade. **(T-1)** If not, initiate action to find the officer not qualified, delay the projected promotion, or remove the officer from the list (see DAFI 36-2501 or AFI 36-2504). **(T-1)**

4.2.3. The UIF establishing authority should not place an individual on the control roster as a substitute for more appropriate administrative, judicial, or nonjudicial action. Placement on the control roster does not shield an individual from other appropriate actions.

4.2.4. The control roster is cleared at 2359 hours on the last day of the observation period or on the date a member separates, retires, or dies. UIF establishing authorities may take subsequent control roster action only if a new incident or failure occurs. **(T-1)**

4.2.5. PCS or PCA reassignment procedures for personnel on the control roster are:

4.2.5.1. If the member is put on the control roster, and will leave an overseas area before the end of the observation period, and is otherwise eligible, the commander may extend the member's Date Eligible to Return from Overseas a maximum of 120 days (long tour area only). A commander who decides to involuntarily extend the Date Eligible to Return from Overseas should advise the MPF as soon as possible.

4.2.5.2. If the PCS is mandatory (does not include PCS without PCA for separation processing), the losing base Adverse Administrative Actions Manager removes the UIF code 2. The manager then notes on the individual's DAF Form 1137 that "control roster action expired due to mandatory Permanent Change of Station" before transferring the UIF to the gaining unit. Control roster action expires on the date the member departs. **Note:** This does not apply to unit moves when the member retains the same leadership.

4.2.5.3. If the PCS is not mandatory, the person remains eligible for PCS if the observation period expires before the Report No Later Than Date. The UIF establishing authority advises the MPF of the person's control roster status; the MPF notifies AFPC. AFPC determines the individual's assignment eligibility (DAFI 36-2110, *Total Force Assignments*).

4.2.5.4. For AFR assignments, individuals remain eligible for permanent change of station while on the control roster. The losing commander, or equivalent advises the MPF (for unit program) or the losing HQ RIO Detachment Commander (for the Individual Reservist program) by indicating on the AF Form 1288, *Application for Ready Reserve Assignment*, that the member is on the control roster and annotating the UIF disposition date in the remarks section. After reviewing the AF Form 1288, the gaining unit commander (in coordination with the HQ RIO Detachment Commander) will decide if the assignment is appropriate and will approve or disapprove the assignment. **(T-1)**

4.2.5.4.1. Delay PCA when an individual is on the control roster. If the PCA is essential to the mission and the losing and gaining commanders concur, the person may be reassigned, but remains on the control roster.

4.2.5.4.2. For colonel and colonel select AFR assignments, do not use the AF Form 1288. For colonel and colonel select assignments, the member annotates they are on a control roster on the application coversheet. AF/REG will process the application and annotate control roster status during approval process and provide to hiring authority during selection process. **(T-1)**

4.2.5.5. For ANG statutory tour Assignments, individuals will not normally be eligible for PCS/PCA while on the control roster. **(T-3)** Any requests for PCS/PCA movement while members are on a control roster should be forwarded to NGB/HR for staffing to the appropriate approval authority.

4.2.5.6. For ANG members in Title 32 assignments, individuals remain eligible for PCS while on the control roster. The losing commander advises the MPF Career Development section (for unit program) or the gaining unit by indicating on the AF Form 1288, that the member is on the control roster and annotating the UIF disposition date in the remarks section. After reviewing the AF Form 1288, the gaining commander will decide if the assignment is appropriate and will approve or disapprove the assignment. **(T-3)**

4.2.6. For USSF, RegAF, AFR, and ANG, the commander, or equivalent cancels all formal training for members during the period they are on the control roster. **(T-1)**

4.2.7. The commander, or equivalent may not put individuals on the control roster who are in TDY or PCS status, to include en route.

4.2.8. An individual's time on the control roster does not stop and start for periods of TDY, ordinary leave, or change in immediate supervisor. For example, if an individual on the control roster requests 2 weeks leave, the control roster time does not stop for the 2 weeks the individual is on leave and then start again. The six-months is continuous regardless of the individual's leave or TDY status.

4.3. Initiating and Maintaining the Control Roster. The Adverse Administrative Actions Manager shall retrieve and maintain the control roster for the commander. **(T-1)** Commanders will use the DAF Form 1058 to initiate control roster action. **(T-1)** USSF and RegAF members must acknowledge the action and have 3 duty days to submit a statement on their behalf before the DAF Form 1058 is finalized. **(T-2)** If the member refuses or fails to acknowledge the action, the commander will sign the DAF Form 1058 indicating, “Member refused to acknowledge.” **(T-2)** The commander advises the individual of their final decision. File any statement or document provided by the individual in response to the control roster in the UIF. Additional materials submitted by the member in mitigation, extenuation, or defense are not part of the record. Evidence and any other written materials considered as a basis for imposing the control roster are not part of the record. Placement on the control roster is a mandatory UIF entry. **(T-2)**

4.3.1. An ARC member not in a duty status, who departs the duty area prior to the 3 duty days allowed for acknowledging intended actions, has 45 calendar days from the date of receipt of the certified letter to acknowledge the notification, intended actions, and provide pertinent information before the commander makes the final decision. In calculating the time to respond, the date of receipt is not counted, and if the individual mails their acknowledgment, the date of the postmark on the envelope serves as the date of acknowledgment. The individual is presumed to be in receipt of official correspondence if it is hand delivered or delivered by certified mail to the individual’s address or best available address. If delivered by encrypted electronic mail to the member, receipt is presumed upon sender receipt confirming delivery.

4.3.2. A control roster will not be created or maintained on members assigned to the non-participating AFR status (PAS S7XXXXXX). **(T-1)**

4.4. Who Can Add or Remove Individuals to or from the Control Roster. The below individuals have authority to add or remove any assigned or attached officer and enlisted member to or from the control roster. Upon receipt of a DAF Form 1058, or memorandum signed by the member’s current wing or delta commander (or equivalent) or issuing authority, whichever is higher, remove member from control roster. This removal option applies regardless of how long the action was on file.

4.4.1. Commanders on G-series orders at all levels for members assigned or attached to their units. Commanders must be senior to the member. **(T-1)** Qualified civilian directors may also add or remove individuals to or from control rosters.

4.4.2. The commander, deputy commander, staff director and directors at MAJCOM/FLDCOM, Field Operating Agencies, and Direct Reporting Units.

4.4.3. Chief of Staff, Chief of Space Operations, Deputy Chiefs of Staff, Deputy Chiefs of Space Operations, Assistant Chiefs of Staff, other heads of staff agencies, and Directors assigned to Headquarters, United States Air and Space Forces.

4.4.4. Comparable officers within the Office of the SAF, Office of the Joint Chiefs of Staff, and Office of the Secretary of Defense.

4.4.5. The senior Air Force or Space Force officer assigned to a joint command.

4.4.6. The HQ RIO Detachment Commanders for Civil Air Patrol Reserve Assistance Program and the Admissions Liaison Officer Program.

Terms

Absent Without Authority/Leave—Consider member absent without authority if the member is voluntarily absent without leave for more than 24 hours, or was voluntarily absent from a scheduled duty or formation, a restriction, or an arrest. Scheduled duty or formation means doing a specified task at a specified time and place for a specified purpose. It is not the same as regularly scheduled duty. Consider the member absent without authority if not excused and absent from duty in civil confinement for more than 24 hours. The term absent without authority means the same as unauthorized absence.

Active duty—Full-time duty in the active military service of the United States, including active duty or full-time training duty in the Reserve Component. The term active duty for a period of more than 30 days means active duty under a call or order that does not specify a period of 30 days or less.

Active Guard and Reserve (AGR) Duty—Active Duty performed by a member of the Reserve Component of the Air Force or full-time National Guard for a period of 180 consecutive days or more for organizing, administering, recruiting, instructing, or training the Reserve components.

Air Reserve Component—The component of the United States Air Force that includes the AFR and ANG.

Airmen—Air Force Airmen are those people who formally belong to the United States Air Force and employ and support some aspect of the United States Air Force's air and space power capabilities. The term airman is often used in a narrow sense to mean pilot. An airman is any person who understands and appreciates the full range of air and space power capabilities and can employ or support some aspect of air and space power capabilities.

Control Roster—A rehabilitative tool for commanders to use for individuals whose duty performance is substandard or who fail to meet or maintain DAF standards of conduct, bearing, and integrity, on or off duty.

Commander—A commissioned officer who, by virtue of rank and assignment, exercises command authority over a military organization or prescribed territorial area, which under pertinent official directives is recognized as a 'command.' This designation is used in all Air Force organizations authorized to be led by a commander, except the US Air Force Academy, which is commanded by a superintendent, and school/academic organizations, which may be commanded by commandants (see DAFI 51-509).

Commander's Management Rosters—Listings of personnel assigned within the unit possessing a quality indicator (UIF, control roster, Article 15, etc.). The Commander's Enlisted Management Roster also lists personnel possessing Enlisted Performance Report ratings which might indicate close observation of their performance is appropriate.

Duty Status—A member is considered to be in a duty status during any period of Active Duty, funeral honors duty or Inactive Duty Training; while traveling directly to or from the place at which funeral honors duty or inactive duty is performed; while remaining overnight immediately before the commencement of inactive duty training or between successive periods of inactive duty training, at or in the vicinity of the site of the Inactive Duty Training, if the site is outside reasonable commuting distance of the member's residence; and while remaining overnight at or in the vicinity of the place the funeral honors duty is to be performed immediately before serving such duty, if the place is outside of a reasonable commuting distance from the member's residence.

Dropped-from-Rolls Status—An administrative procedure that removes a member from the unit of assignment and reduces the unit's strength. It does not end the member's military status.

Drop from the Rolls Action—Dropping an enlisted member from the rolls of the DAF terminates the enlisted member's military status as of 2400 hours on the date specified in the orders.

Extraordinary Adverse Information—Adverse information that has received significant media attention or is of interest to the Senate Armed Services Committee.

Guardian or Guardians—A member or members of the United States Space Force.

Misconduct—Intentional conduct that is wrongful or improper.

Personally Identifiable Information—Includes the person's name, other particularly identifying descriptions (e.g., physical characteristics or identity by position, rank or organization) or other information about the person or the facts and circumstances involved that could reasonably be understood to identify the person (e.g., a female in a particular squadron or barracks when there is only one female assigned).

Personnel Information File—Are used in the handling of commander's or supervisor's assigned personnel. These files are maintained and kept under authority of 10 USC Section 9013 and prescribed in DAFI 36-2608.

Preponderance of the Evidence—A preponderance of the evidence merely means that it is more likely than not that a fact exists. Preponderance of the evidence is not determined solely by the volume of witnesses or documentary evidence supporting or refuting an allegation. Rather, it is based on the totality of the circumstances, the inherent probability or improbability of the evidence, and a determination as to the weight and significance of the evidence and the credibility of the witnesses.

Separate(d)/Separation—Severance of military affiliation as opposed to released from active duty. For the purposes of this instruction, separate(d)/separation refers to discharge from the Air/Space Force (either Regular or ARC).

UIF Establishing Authority—The person with the authority to establish a UIF. See [paragraph 3.1](#) for a complete list.

Wing/Delta Commander (or equivalent)—An officer in the grade of colonel or above who is a senior rater in the officer's chain of command.
