AFH 23-123 Volume 2 Part 1, dated 8 August 2013 is supplemented as follows: This new instruction supplements AFH 23-123 Volume 2 Part 1, *Integrated Logistics Support-Supply (ILS-S), Materiel Management Operations*, and must be completely reviewed. This publication does not apply to the Air National Guard (ANG) and the Air Force Reserve Command (AFRC) and their units. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with (IAW) AFMAN 33-363, *Management of Records*, and disposed of IAW the AF Records Information Management System (AFRIMS) Records Disposition Schedule (RDS). This publication may not be supplemented at the base/installation level IAW AFH 23-123 Volume 2 Part 1 paragraph 1.1.4. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the AF Form 847, *Recommendation for Change of Publication*; route AF Form 847 from the field through the appropriate functional chain of command. Requests for waivers must be submitted through chain of command to the OPR listed above for consideration and approval. See Attachment 1 for a glossary of references and supporting information. The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.
