This publication implements and extends the guidance of DAFI 36-2903, *Dress and Personal Appearance of United States Air Force and United States Space Force Personnel*. This supplement applies to all uniformed members of the Regular Air Force and United States Space Force (USSF) assigned to JBSA-Fort Sam Houston, JBSA-Lackland, JBSA-Randolph, or JBSA-Camp Bullis. Additionally, it applies to Air Force Reserve and Air National Guard members in the training pipeline and/or assigned to perform duties in support of the training pipeline or other JBSA missions. This instruction applies to USSF members unless and until separate service guidance is published. In this event, USSF guidance shall prevail in application to the USSF. Ensure that all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction 33-322, *Records Management and Information Governance Program*, and are disposed of in accordance with the Air Force Records Disposition Schedule which is located in the Air Force Records Information Management System. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using Air Force Form (AF) 847, *Recommendation of Change of Publication*; route AF Forms 847 from the field through the appropriate functional's chain of command. The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force. This publication may not be supplemented or further implemented/extended.
